However, the children soon discover that Mrs. Quickly is just as cruel and awful as any fairytale stepmother when she deliberately breaks baby Aggie's beloved rattle (which previously belonged to their late mother). When everybody is gathered for the gaudy wedding Quickly insisted on, the children disturb the ceremony by pretending there are bees (inspired by the way Quickly told them to "behave," and baby Aggie repeating the word but pronouncing it as "beehive"), chasing the guests, and starting a food fight using the pastries intended for the banquet. Cedric swiftly understands his children do not like the bride and, recognizing that she is not right for him or his children, joins in the commotion himself. Mrs. Quickly calls off the marriage and storms off in anger.

When it seems that Adelaide's marriage deadline is missed, Lily suggests that Cedric marry Evangeline; the other children reveal to Adelaide that she is not, in fact, their sister. Evangeline and Cedric resist at first, but then realize their feelings for each other and agree to marry, satisfying Aunt Adelaide's conditions for maintaining her financial support. Nanny McPhee (who is now fully beautiful), magically makes it snow in August, transforming the wedding scene and changing Evangeline's clothes into a beautiful wedding dress, and restores the children's late mother's rattle for them.

Nanny McPhee leaves surreptitiously, in accordance with what she told the children before on her first night: "When you need me, but do not want me, then I must stay. When you want me, but no longer need me, then I have to go".

We were in awe and it was awesome. But when it was done we cheered wildly!

---

When it was done we were shocked!

Nico: Why that gambling no good snake in the grass! Faking a telegram like that!

Qin: Yeah what a jerk!

Me: Yeah!

Varie: What a clod!

Nico: Yeah! Oh and you guys already know which gene-slammer is next right?

Me: Yep. Advanced Crystal Beast Emerald Tortoise.

Nico: Yep.

Qin: Dazzling.

Topaz Ginnova: Yep. And Topaz is perfect for me because my birthday is in November.

Me: And Topaz is November's Birthstone. Awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Hairadee, another of the Doom Beings who served Naga, and he's heading here to get revenge on Dan and his friends for not only destroying him, but also for destroying Naga and ruining his plans to take over Vestroia and Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Hairadee on the move?

Lincoln: You guessed it, Nico, and he's heading here to get revenge on Dan and his friends for not only destroying him, but also for destroying Naga and ruining his plans to take over Vestroia and Earth.

Me: As expected.

Dan Kuso: But, you and Camille are ready for him, Lincoln.

Lincoln: Yep, and we know he has Aquos and Ventus-attributed abilities, but we're ready.

Camille Xui: Yeah, and we're going to make him pay for everything he's done in Naga's name.

Nico: Yeah, you got that right. Alright, gang, let's go, it's time to meet Nanny McPhee and the Brown Kids.

Lincoln: And we're going to stop their greedy Uncle Phil from getting Isabel's farm and we're throwing him in jail where he rightfully belongs. And after we're done with throwing that greedy monster in jail where he belongs, you're next, Hairadee.

Chef Pepperjack: How about some food for the road?

Mixmaster: I want some!

Me: I hope it's nuclear hot and spicy.

Chef Pepperjack: Oh it sure is. Ooowee!

He made nuclear hot and spicy burgers and they were awesome and tasty looking.

Me: Oh boy!

Nico: Those are great! Now we can go. Lets head on out guys.

We were off to 1860's London.

## VICTORIAN ERA LONDON - 1863

We arrived.

Me: Wow! Here we are guys.

Gabrielle: (British Accent) Ah Victorian Era London. One of my favorite times in the world.

Qin: And one of the most amazing too.

Buff Frog: Their house is in Europe, right?

Whiplash: I think it's near here.

Lunk: I think you're right.

Nico: Yep. It's in Victorian Era London.

Me: Thank goodness it's not during World War II. Those times were hell. Or are going to be hell in the next 80 years.

Laney: Yeah no kidding.

We arrived at the Brown House.

Nico: Here we are.

Me: Wow nice place. And my mom loves Victorian Style houses.

Nico: Nice.

We saw the Brown Kids - Simon, Tora, Eric, Lily, Sebastian, Chrissie, and baby Aggie.

Me: Wow there they are.

We went up to them.

Simon Brown: Wow! Team Loud Phoenix Storm!

Eric Brown: It's an honor to meet you!

Lily Brown: Boy it sure is!

Nico: Same to all of you guys.

Chrissie Brown: It's an honor.

Me: Same here.

Lori Loud: Oh and this must literally be baby Aggie. She is adorable.

Thunder: Have you been good kids?

Lily Brown: Well, we've probably been more good then the bad kids you guys fight.

Scrapper: Touché.

Me: Very well said.

?: Ah I see you met the Brown kids.

We saw Nanny McPhee!

Me: Wow! Nanny McPhee!

Nanny McPhee: Team Loud Phoenix Storm it's an honor to meet you all.

Me: You too Ms. McPhee.

Major Ms. Manners: I don't know why some people call you ugly.

Skalamander: You look healthy to me.

Wilbur: I'm not exactly judging.

Me: We don't think that at all thank goodness. Looks are always deceiving.

Nanny McPhee: Thank you and yes I am a little intimidating. But I get that all the time. But I also have amazing gifts to help kids.

She waved her hand and then a fruit tree grew in an instant!

Me: Whoa!

Nico: Awesome!

Qin: Yeah!

Lily Brown: Yeah it's awesome.

Nanny McPhee: And Lynn I must say that I am very impressed with you handling the Fox Kids where your sisters could not.

Lynn Loud: How did you know that?

Nanny McPhee: I have many powers that see into the past and into the future as well. You handled Pam and her brothers with the utmost authority.

Lynn Loud: I'm truly glad you think so.

Pam: Coach Lynn is great in helping us out.

Nico: She sure is.

Rita Fox: That's Lynn for you. And she handled Pam and my brothers very diligently.

Nanny McPhee: (to Rhino and Shocker) You two did good as well.

Rhino: What are you talking about?

Goof: I think I know.

Dr. Polaris: I think she's talking about when you two helped babysit the Fox Kids.

Evil Aero Man: That's probably it.

Rhino: Oh yeah! I remember that!

Me: So did Brittney.

Lily Brown: Wow. That is so awesome that you were able to handle Pam and her brothers.

Me: We have SO MANY awesome adventures and it's a great journey every day.

Nico: It sure is.

Shocker: And yeah it's true. But Lynn deserves most of the credit for handling the Fox Kids.

Lynn Loud: Aw don't give me a swollen head guys. I do what I can to help out. I may be athletic but I do help out.

Me: You sure do Lynn.

Starlight Glimmer: You're actually not the only nanny out there.

Live Action Scrapmetal: There are nannies on TV shows too.

Nanny McPhee: Yes I can see that.

Me: Super Nanny and Mary Poppins.

Nico: Yep.

Thorax: It's really cool.

Goro: And Nanny 911.

Peg Leg Pete: Just to name a few.

Nico: Yeah. Lots of awesome shows like that.

Me: Yep.

Nanny McPhee: Indeed. And a bunch of horror movies about nannies too.

Me: (GULPS) I would not want to meet a nanny like that. No offense.

Nanny McPhee: None taken.

Me: Wait a sec. Johnny didn't you have the famous Donny Osmond as your nanny?

We gasped!

Nico: Get out of town! You had Donny Osmond himself as your nanny!?

Johnny Bravo: Yeah he was a really nice guy and it was amazing having him as a nanny. At first I wanted a chick as a nanny. I didn't get along with him at first but he was cool.

Me: Donny is a legend.

Nico: Boy he sure is. I love all his songs.

Chompy Mage: Got anything to eat here?

Nanny McPhee: I believe J.D. can help with that.

Me: Yep.

I used my powers and made a spicy chicken sandwich tree!

Chompy Mage: Perfect! (Through his puppet) Now that is amazing!

Lily Brown: Oh boy!

Simon Brown: Lets eat!

Me: Dig in guys.

They got to eating.

Lily Brown: Is it true you guys went to Scotland?

Swamp Witch: Only about 12 of us.

Ben Ravencroft: Boy, you guys should've been there!

Me: Lincoln and his family are descended from Scottish Royalty from 1610.

Qin: It's true. We were so amazed by the resemblance of their ancestors.

Lucille Loud: (Scottish Accent) Aye. It's great that we can be with the team and hang out with our ancestors now.

Me: It was awesome meeting Lucille and the McLouds. We were so amazed.

Nico: That was one of the most epic and most incredible adventures we've ever had back then.

Meowth: Anyway, heard from your "Dear Uncle" lately?

Simon Brown: You mean Uncle Phil? We haven't heard from him. He broke out of the kitchen after we defeated him.

Me: He was handcuffed to the refrigerator. He must've broken out of his restraints.

Twilight Sparkle: It did say his fate was unknown.

Zipp Storm: Then we got to be ready for him.

Lola: Yeah.

Nico: And we will.

Eli: Let me see if he is anywhere near.

Nico: Okay Eli.

Eli concentrated and used the Force to find him.

Tobias Whale: We think he's up to no good.

Mortal Kombat Scorpion: I hope he's nowhere near here.

Eli: He's coming this way and he has a bunch of weapons with him for war. He's coming to burn down the entire farm.

We gasped!

Me: He must be thinking that if he couldn't have the farm then no one will!

Qin: We got to get ready.

Camie: Yeah! We have to stop him!

Ransik: How long do we have?

Eli: 25 minutes. He's over to the northwest at 15 klicks and closing.

Nico: More than enough time to prepare.

Spot: Let me see if I can slow him down

Heatstroke: Go for it!

He went through a portal and went to face him.

Nico: I hope he can do this.

Me: Come on it's Spot. He can do it.

Charmcaster: (hears screams) What's going on there?!

Spot came through a portal and he was smiling?

Me: You beat him up?

Spot: I sure did. I slowed him down and gave us enough time to prepare.

Me: Good thinking Jonathan.

Spot: He was fully armed with these.

He revealed that he had a cart full of dynamite sticks, molotov cocktails, nitroglycerin, and gunpowder.

Me: Wow! Dynamite sticks, Molotov Cocktails, Nitroglycerin and Gunpowder.

Nico: Where did he get all this?

Eli: No idea.

Nico: But great job Jonathan.

Bleez: Look at all these explosives!

Demoman (TF2): (Scottish Accent) I'll take those, laddies!

Me: He was REALLY getting ready for war.

Nico: But go for it Demoman.

Demoman (TF2): Thanks laddie.

Lily Brown: (to Demoman) So, what do you plan to do with those?

Turtle: Make explosvies?

Demoman: That's right! One crossed wire, one wayward pinch of potassium chlorate, one errant twitch… and kablooie!

Burnertron: What he said.

Me: Nice!

Qin: Looking forward to that one.

Xenia: This is gonna be good.

Eli: He's close.

Nico: Then lets get ready!

Tundra Man: Entrance time!

Nico: Time for action!

We went to face him at 500 meters to the northwest.

Uncle Phil was crawling to the farm. He was badly mangled up. He arrived.

Uncle Phil: At least! Now for my revenge!

Then the spirits of the Red Rangers form Jetman to Zenkaigers appeared and they swirled around him and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out!

Me: Time for you to eat slag!

Qin: YEAH!

Nico: (Imitating Beast Wars Megatron) It's time for you to face the pain of so many you have hurt. Yesss.

Dixie: You're in for big trouble!

Live Action Scrapper: Constructicons! It's time to merge into Devestator!

They did so and Nico stood and smirked as Uncle Phil was scared shitless.

Uncle Phil: (In fright and fear) Mommy.

## Stella, Princess Celestia, King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Tigerhawk, Michael Morningstar and Sunny Tennyson VS Chalmers - Meeting the Chœurdebeauté Sisters

---

Chalmers was next.

Chalmers (to Stella): I heard you guys met the Chœurdebeauté Sisters. What are their names?

Stella: Their names are Sophitia, Sonnya, Saria, Stella, Sara, Skye, Sahana, Shannon, Shirley, and Sharon Chœurdebeauté.

Princess Celestia: They are from France and they are gene-slammers of monsters from the My Singing Monster series.

Chalmers: That's really interesting.

King Solar: It sure is.

Solar Eclipsa: And their story is awesome too.

Amber Morning: Boy it sure is.

---

Sophitia Chœurdebeauté: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophitia Chœurdebeauté: (French Accent) That's incredible.

Nico: It sure is. So, Sophitia, what's the story on why you and your sisters hate NO MA'AM with a burning passion, other than being a bunch of sexist pigs?

Sophitia Chœurdebeauté: (French Accent) Oh, you're not going to like this, and Lincoln, you're also going to be proven right that Peggy, Bud, Kelly, and Marcy were also part of this as well. One day, we were heading to the church to give another lesson to the Loud Siblings, but then, we got attacked by NO MA'AM, who threw water balloons filled with beer, and Peggy, Bud, Kelly, and Marcy also joined in on the fun by attacking us and tearing our outfits. We let out a loud scream, and when Lincoln saw who it was that attacked us, he flew into a dangerous rage and he flew at those morons, where he'd proceeded to beat and pummel them, he also grabbed Bud and dragged them into the fight cloud.

Sonnya Chœurdebeauté: (French Accent) And Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily attacked Peggy, Kelly, and Marcy as well, and then, when the Loud Siblings were done, Al and his friends were brutally beaten badly, along with Peggy, Bud, Kelly, and Marcy. We then called the authorities, and when they told us the ones who attacked us were NO MA'AM, along with Peggy Bundy, Bud and Kelly Bundy, and Marcy D'Arcy, we were all pissed. But, they were then dragged off by the Chicago authorities who found out about those morons, but we also found out they were let out of jail not a second into their stay.

We were really pissed at those morons.

Lincoln: (Gasps) Wait, now I remember those morons all too well! That day when they attacked you and your sisters when you were on your way to the church to give us another lesson in singing in a choir, they also had Peggy Bundy, Bud and Kelly Bundy, and that twisted feminist, Marcy D'Arcy with them?! Oh, after hearing it, now those memories have finally come back to us!

Nico: So, this wasn't the first time those morons…?! Why, those stupid… !

Lincoln put up the 9,500-lb barbell and he summoned blasts of rose-scented water and sprayed NO MA'AM, Peggy, Bud, Kelly, and Marcy, until they were clean, and it freaked NO MA'AM out. WHAT A BUNCH OF PIGS! Lincoln then went back to working out.

Nico: Nice one, Linc. That'll teach them.

Lincoln: Oh, I've got tons more humiliations for them later on today.

Me: Oh, right, the bonding session. Sorry we didn't… !

Lincoln: It's okay, J.D., but I should've scheduled it on a day that wasn't the biggest KND wedding in Gotham Royal York, and it'll be for after Ets' first rescue.

Nico: Wait, what? Ets is now about to get a harem of his own as well.

Lincoln: Yep.

Me: I remember that, you took him to City Hall and got him signed into the same Ordinance as you, me, Nico, Clyde, and Bart.

Ets: That's right. This is going to be really cool.

Katie "Pidge" Holt: And you also deserved it, Ets, besides, you've had experience when you went on Lincoln's rescue.

Ets: Yeah, I did. But, I wonder who the villain is that I'm going to face on my very first rescue.

FLASHBACK ENDS

Chalmers: Why those FILTHY WOMEN HATING RATS!

Spotlight: I know. They hate women with a vengeance!

Tigerhawk: What a bunch of mongrels.

Nico: Nope.

Nightmarevermin: But it can give scumbags nightmares. (slashes at Lexx)

He jumped and avoided his strike.

Nico: Nice one!

Dark Spicer reverted back.

Dark Spicer: And here's number 2. But I hope you aren't too grossed out about this one.

He turned into a giant version of the Rabies Virus and it was a black and purple virus.

Pestilencihorror: This is Pestilencihorror!

Whenua: Something's different about this one.

Shanan: Wow! An Elefantokyo Hybrid!

Pestilencihorror: That's because this is based on a virus.

Me: It looks like a giant version of the Rabies Virus.

Pestilencihorror: Really?

Me: Yeah see?

I showed a mirror and he looked in it.

Pestilencihorror: WOW! So this is what the rabies virus looks like in a giant model?

Me: Yep. I saw it in books. Maybe you can turn into different giant versions of viruses every time you turn into this.

Pestilencihorror: Hmm. Lets see.

He turned into black and purple giant versions of the Ebola Virus, H.I.V., Rubella, Bacteriophage and the Herpes Virus!

Me: Whoa! You turned into giant versions of the Ebola, H.I.V., Rubella, Bacteriophage and Herpes viruses!

Pestilencihorror: WOW! That is amazing! I didn't know I could do that. (charges at Whenua)

Whenua jumped out of the wait.

Shun: I knew there's no mistaking that voice from anywhere. You can come out now, Hairadee.

A figure came out, and it was none other than Hairadee, another of the Doom Beings who served Naga with fierce loyalty.

Shun: Hairadee.

Skyress: You've got some nerve coming back from the dead after everything you've done in Naga's name.

Hairadee: We'll see who has the last laugh when I finally destroy you all and avenge Master Naga!

Camille Xui fired a powerful black and crimson red energy blast with darkness, crimson red fire, and snakes at Hairadee, and it burned him badly.

Camille Xui: That's never going to happen, Hairadee, and now, you will pay for your crimes.

Suddenly, Camille Xui's crimson red eyes turned neon crimson red and she was surrounded by a black and crimson red energy aura with darkness, crimson red fire, and snakes, she unholstered her massive Earthbound Immortal Cuauhcoatl-themed sword from her back, and as she approached Hairadee, she left black and crimson red energy, crimson red fire, snakes, and darkness with every step.

Camille Xui: I will never forgive you for the crimes you've committed against the humans of Earth and the Bakugan of Vestroia in the name of that monster, Naga, Hairadee, and now, I will administer unto you your punishment for your crimes.

Suddenly, Camille Xui was surrounded by a massive vortex of black and crimson red energy with crimson red fire, snakes, and darkness surrounding it, there's Earthbound Immortal Cuauhcoatl flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Camille Xui emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Camille Xui grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes and a black and crimson red energy aura with darkness, crimson red fire, and snakes surrounding her, she has Earthbound Immortal Cuauhcoatl with the Dark Kanji around its tail emblazoned on her forehead, she has on snake earrings with crimson red gems for eyes and holding the Dark and Eternity Kanjis in its tail, she also has Earthbound Immortal Cuauhcoatl with crimson red gems for eyes and the Dark and Eternity Kanjis in its tail for the second pendant on the bottom of her crimson red snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Camille Xui has on a crimson red open vest, sleeveless crimson red midriff top, long crimson red skirt with the Snake Nazca Line on it, crimson red pants, crimson red legwarmers, crimson red high-heeled sneakers, and long sleeveless white trenchcoat with darkness, snakes, and crimson red fire on the coattails, and on the back is Earthbound Immortal Cuauhcoatl with darkness surrounding it. Suddenly, Camille Xui felt a sharp pain on her back, and then, her massive black angel wings with crimson red tips grew much bigger for her new body, and the feathers had the same pink markings as on Cuauhcoatl. Camille Xui has on a Ring of The Phoenix with crimson red gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Camille Xui's massive Earthbound Immortal Cuauhcoatl-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of crimson red energy with darkness, crimson red fire, and snakes, and when it emerged, it transformed into Earthbound Immortal Cuauhcoatl's Dark Snake Greatsword of Crimson Red Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Cuauhcoatl and the Snake Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black snake heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large midnight black snake heads and a large crimson red gem below the black snake heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Cuauhcoatl's head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below Earthbound Immortal Cuauhcoatl that said, "Camille Xui, Gene-Slammer of The Snake Earthbound Immortal Cuauhcoatl, Powerful Master of Infrared Vision, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Snakes, and Crimson Red Fire"

Camille Xui has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS CRIMSON RED FIRE EARTHBOUND IMMORTAL SNAKE ANGEL OF DIVINE

## EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE CRIMSON RED FIRESTORM LOVE!

We were amazed by Camille Xui's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Hairadee saw it, he flew into a rage and turned invisible to attack her, but Camille Xui sensed him coming with her Infrared Vision and she fired a powerful black and crimson red energy blast with darkness, crimson red fire, and snakes at him, and it exploded with incredible power as it hit him turning him visible again, but he's not done yet.

Nico: Whoa, now Camille Xui has transformed, so cool.

Me: Yeah, and take a look at the crimson red patterns on her black angel wings, they're the same as the ones on Cuauhcoatl, and she used her Infrared Vision to sense for Hairadee and blast him, nice.

Lincoln: Yeah, and now, Hairadee is about to feel the true wrath of The Earthbound Immortals. And Camille, you look beautiful, how do you feel?

Camille Xui: (Divine Echoing Cosmic Voice of The Dark Snake Earthbound Immortal and Divine Crimson Red Fire Justice) **I feel incredible, Linky, and now, shall we administer Hairadee's punishment for the crimes he's committed in Naga's name?**

Lincoln: (Smiles) With pleasure, Camille.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Camille Xui.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to pay for everything you've done in Naga's name, Hairadee, and you don't deserve a single ounce of mercy, not that you even deserve any.**

Camille Xui and Lincoln went after Hairadee, who continued firing blasts of water and wind at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and crimson red energy, crimson red fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Trees at Hairadee and they exploded with incredible power as they hit him. Then, they attacked Hairadee with their massive greatswords and they left some really nasty scars on him, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Hairadee, so he couldn't escape.

Hairadee: Impossible, defeated by a bunch of humans?! I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **That's enough, Hairadee.**

Hairadee was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) **Thank you, Nico.** (To Hairadee) **Now that you've cooled down, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?**

Camille Xui: (Divine Echoing Cosmic Voice of The Dark Tree Earthbound Immortal and Divine Pink Fire Justice) **This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you, and your master, Naga, is just like Barodius, he cares about no one except for himself. Do you honestly think you'll be shown any mercy at all?**

This caused Hairadee to think, and she knew Lincoln and Camille Xui were right: if news of his defeat reaches Barodius, he will kill him and not show him any mercy at all, and he compared him to Naga as well: both of them care about no one except for themselves.

Hairadee: Very well, as it stands, I will join The Masters of Evil.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice.**

Lincoln beamed Hairadee to The Masters of Evil's HQ, where Vypra and the others were given the news: Hairadee is now part of The Masters of Evil. We cheered wildly for what Camille Xui and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Camille Xui's new body, clothes, weapons, jewelry, and massive black and crimson red angel wings are permanent.

Camille Xui: That's one villain recruited into The Masters of Evil and five more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Hairadee, Linky.

Lincoln: (Smiles Warmly) You're welcome, Camille.

Suddenly, Camille Xui wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Camille Xui's face, they kissed passionately as Camille Xui's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Cuauhcoatl flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and crimson red fire raging behind them and we all cheered wildly. Lincoln and Camille Xui absorbed the fires, and they came back, and Cuauhcoatl vanished.

Nico: Awesome job, Camille and Lincoln, you guys took down and convinced Tayghen to join The Masters of Evil.

Lincoln: And now that The Doom Beings have been recruited, we're down to the next five we need to recruit: Doto Kazahana, Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira.

Fubuki: Do you really think they'll join The Masters of Evil, Lincoln?

Lincoln: I know what you mean, Fubuki, and I understand why, we all do. Doto Kazahana still harbors 150,000 years of hatred towards J.D. for ruining his rule, and he's not the only one who still harbors hatred for J.D.: Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira still do as well. But, we'll make them listen through force, and after we beat them down, they'll take up the offer.

Gina Angellus: Which means tomorrow, you and I are taking Doto Kazahana down, Linky.

Lincoln: That's right, Gina.

Me: Yeah, Zarya and I had our fun kicking his ass on Gemina years ago, now it's yours and Gina's turn.

Nico: So, you two show him no mercy and kick his ass hard!

Lincoln: (Smirks) Oh, you bet we will, Nico.

Eli: We'll be sure to get front row seats for this one. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli. Hmm, ooh, here's a good one, how about Gene-Slammers for Whajje, Blipsqueak, Creepuscule, Scargo, Astropod, Pixolotl, Bona-Petite, Maulch, and Fleechwurm from My Singing Monsters?

Me: Ooh, from the Wublin Class, awesome, and those are the last nine monsters for this class.

Lincoln: Yep, that's right.

Nico: Still, I can't believe Team Rocket also acquired DNA from the My Singing Monsters to Gene-Slam some of your Guardian Angels, Lincoln. That makes me glad to know we sent Giovanni and all of Team Rocket to The Black Gates, they're monsters.

Lincoln: Big time, Nico. But, their project for world domination has made our Guardian Angels into very powerful members of the team, so in a way, they just perpetuated their own undoing with this project of theirs.

Me: Big time, Lincoln.

We went up to Phil.

Me: You are looking at a long time in the stony lonesome for your crimes Phil.

We teleported Phil to the Neptune Prison.

Diabolico: That's it for Uncle Phil.

Toiletnator: You said it!

Nico: Good riddance.

Atomic Skull: No one tries to burn down property while we're around.

Me: Yep.

Rich Texan: I reckon we should celebrate now!

Skinner: I hope there's enough room.

Me: Oh there is. And I made enough food for everyone.

Nanny McPhee: Thank you all for helping us.

Me: It was our pleasure.

Nico: It was so fun.

Simon Brown: We had a lot of fun with you guys.

Me: You guys are gonna have a lot more fun with all of us on many of our adventures.

Nico: Yep.

Nanny McPhee: (To the viewers) Hope you are ready for some fun with all of us.

Me: I know I am.

Nico: Me too. Great job today everyone. We had a lot of fun on this one.

Me: We sure did.

We had a great party and then we later went back home and enjoyed the rest of the day and went to sleep.

We're also going to meet a gene-slammer for Advanced Crystal Beast Emerald Tortoise and her name is Emerald Loganna. Emerald is Nico's friend that he met in Colombia who is an Emerald Miner and she mined lots and lots of emeralds all over the country of Colombia. She knows all about how much they are worth and more. She even made lots of money selling emeralds all over the world and more and to museums. The match-up scene is for Gina Angellus, Gene-Slammer of The Wings Earthbound Immortal Itzpzpalo, and she and Lincoln are going to take down and recruit Doto Kazahana into The Masters of Evil, but not before they give him a well-deserved ass-kicking for everything he's done. For Lincoln's rescue tomorrow, Lincoln and his group are going into the world of the 1993 werewolf movie, Full Eclipse, and Lincoln and his group are going to kill Adam Garou, who's really a powerful 19th century werewolf, and he has used a serum cultivated from his own blood and brain tissue to bestow enhanced physical attributes to others in the police department, and the recipients of this serum, while not true werewolves, had found themselves stronger, heartier and more feral. They also developed the ability to heal from nearly any wound except for silver. And we're also going to meet the Gene-Slammers for Whajje, Blipsqueak, Creepuscule, Scargo, Astropod, Pixolotl, Bona-Petite, Maulch, and Fleechwurm from the Wublin Class from My Singing Monsters named Lilo Pu'uwaimele, lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele, the Pu'uwaimele sisters, as they're called. These nine sisters are Lincoln's Guardian Angels from Hawaii and his classmates in Math, English, and Gym, but they're also amazing hula dancers. It was the Pu'uwaimele sisters that taught Lincoln the Hawaiian traditions they were 10 years old, and they even made hula outfits for the girls in Lincoln's harem. Their last name, Pu'uwaimele, means Music Heart in Hawaiian. While they were on the beach, each of the Pu'uwaimele sisters kissed Lincoln on the lips while they were underwater. They're also the cousins of Lilo Pelekai, and they hate Scoots, Flip, and even Lewis Travolta with a burning passion. The next chapter is going to be a cheesy one and an awesome adventure as we head to a planet made entirely out of pizza and we're going to see an awesome planet where everything is made of cheese, tomato sauce, crust, toppings and more. Also we're going to battle Chip Hazard and his soldiers that we battled a while back who are back for revenge!

See you all tomorrow

Walking through the Canadian Rockies was Nico, The Ripping Friends, Princess What's Her Name, Jaden, Jesse Anderson, Alexis Rhodes, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, me, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Optimus Primal, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we were there because we were picking up a huge reading of energon in one of the mountains.

Me: Strange that there is energon in the Canadian Rockies.

Optimus Primal: That is very unusual for there to be energon to be located here.

Nico: Yeah it sure is.

Princess What's Her Name: Yeah that is really unusual and strange too.

Nico: Thanks for coming with me, Princess What's Her Name.

Princess What's Her Name: No problem Nico. But just call me Princess. It's easier.

Nico: Sorry. But it's still awesome for you to come with us.

Camie: It sure is.

Nico: Princess, remember when we first met you?

Princess What's-Her-Name: I sure do and that was when you guys beat my evil sister/

Camie: What was her name?

Me: Evil Queen Pulsating, Bloated, Festering. Sweating, Pus-Filled, Malformed, Slug-For-A-Butt.

Camie: Whoa! That's a mouthful!

Nico: Yeah no kidding there.

Me: Yeah and her history is bad too.

I went over her history.

---

Queen Slug-For-A-Butt is the evil ruler of the planet Insectika. The planet (which was once beautiful) became a putrid wasteland under her rule, but she believes she did an excellent job in ruling the planet, so she decided she deserved to rule the entire universe. Despite her frightening appearance, she is considered to be quite beautiful on her home planet. She has a twin sister, the Princess

What's-Her-Name, whom she banished and imprisoned for being considered ugly by the standards of her race. She ordered one of her henchmen, Professor Monkey-For-A-Head, to create a spacesuit to her, so she would become even more powerful than she already was. The professor created the Ultra-high-tech-indestructible-super-space-cyber-suit, which was to be delivered to her by another of her lackeys, Psy-Crow. But an accident made him drop the suit on Earth, where a worm entered it and was mutated by it, becoming Earthworm Jim. Jim learned about the queen and her twin, deciding to rescue the princess. Jim then travelled the universe after the Queen, facing Psy-Crow and the professor along the way, as well as many other villains. Jim eventually reached Buttville, a hive-like citadel where the Queen was hiding, facing the Queen and ultimately defeating her.

In the cartoon series, the Queen plays the same role from the games. Unlike the other villains of the series, she sees Jim only as a nuisance, but holds a serious grudge against the princess (who is considered ugly by the Insectikans).

---

When I was done they were shocked!

Camie: Whoa! That is awful!

Qin: Yeah no kidding.

Me: And Princess What's-Her-Name is a rebel leader to overthrow her evil sister.

Nico: Don't forget Earthworm Jim.

Me: Yep. Earthworm Jim helped her many times.

Qin: That is so awesome.

Me: Yep.

Nico: And we destroyed planet Insectika too.

Laney: Yep. We made sure it was destroyed for good.

Qin: Yep.

Princess What's Her Name: Good riddance.

Me: Yeah no kidding. But yesterday was fun and cool.

Nico: I'm glad we met Nanny McPhee.

Qin: Me too. Awesome adventure.

Optimus Primal: It sure was amazing and neat.

Xenia: That was a fun one.

Eli: It sure was.

Camie: We had a lot of fun on that one. Now Uncle Phil is a prisoner of the team.

Nico: It's hard to believe the Brown Kids were naughty before.

Me: No kidding but the Fox Kids were like that before too.

Qin: Yeah they sure were.

Sakura Valencia: Yeah no kidding. But at least they are better than they were before.

Laney: Thank goodness for that.

Lana: Yeah.

Nico: And she isn't that ugly.

Me: No she isn't. I think she is really gifted and awesome and she knows everything.

Qin: She sure does.

Laney: She is really awesome in everything she does too.

Nico: Yep and J.D. you are right. We need to do a mission where we meet Mary Poppins.

Me: I agree there.

Optimus Primal: We're here/

We saw that we were in front of a huge mountain and the energon reading was strongest in it.

Me: This must be it.

Nico: Lets see if we can find an entrance.

We looked around and found a cave entrance.

Nico: There it is.

We went in.

Nico: Keep your eyes peeled.

We walked further in and heard a low hum and then we came into a huge cave room and it was OVERFLOWING with massive amounts of energon!

Me: WHOA!

Qin: Look at all this energon!

Nico: Wow! Enough energon to power much of Cybertron for years.

Optimus Primal: This cave is overflowing with so much energon. I'll have to use my robot form sparingly.

Qin: Good idea.

Nico: Good thing you're the only Cybertronian with us.

Optimus Primal: Thank goodness for that too.

Qin: That's not all that's here! Look at that!

We saw a huge Cybertronian Ship that was as big as a Retribution Class Battlecruiser and it had the symbol of Animatron on it and it was still in really good shape.

Nico: Wow! That's an Animatron Ship!

Optimus Primal: It's an Animatron Starcruiser. Scourge and his team are not going to believe this one.

Nico: Lets head in and see what's in it.

We went over to it and looked for a way in and we found a hatch and opened it and we went in.

We saw that it was in really good shape and there were all sorts of artifacts from Animatron and even symbols about Animatron's history and more.

Nico: Look at this!

Me: This ship is in really good shape.

Optimus Primal: It's amazing that this was here after all this time.

Nico: Boy no kidding.

Eli: Hmm.

We found a bunch of weapons and more. We also found a bunch of stasis pods.

Nico: Stasis pods too. But these are all blanks. These are protoforms without sparks.

Optimus Prime: Very strange that there are protoforms without sparks here.

Nico: Hmm. First lets get all this energon out of here and then call the team and get the ship out of this mountain.

Me: Okay.

I called in Cheetor, Dinobot, Rattrap, Rhinox, Airazor, Tigatron and the Maximals and they had energon mining equipment.

Cheetah: Wow look at all this Energon here.

Rattrap: So much of it here.

Rhinox: You're not kidding there.

We moved fast and then got all the energon out and left no stone unturned for finding the energon and got it all.

Me: There. That's the last of it.

Rhinox: Boy you guys are great at harvesting raw energon.

Me: With Raw Energon being highly unstable we have to be careful with it and not mess around with it.

Optimus Primal: That is true.

Airazor: But this is amazing that we have an Animatron Starcruiser here too.

Tigatron: I wonder how it got here.

Me: That's what we all were wondering ourselves.

Nico: Well lets get the energon back to the estate and then call the team in to get the ship back to the garage to fix it up just in case. In the meantime I might as well postulate on who will be for the backup members of the M.O.E.

We nodded and Optimus Primal's team took the energon back to the estate.

Maria: We're still not done yet.

Eli: Nope.

Qin: Nico you still thinking on the backup members of the team?

Nico was still thinking.

Qin: I'll take that as a yes.

Nico: Nina Cherenkov, Flamberge, Zan Partizanne, Francisca, 2-D Man, Zoey Faralbarq, Dana Tan, Catherine Laurence, Joe

Shimamura, and Hiei.

Me: Good ideas!

Qin: Awesome! Terry is gonna be happy to hear about Dana having an archenemy.

Me: Same with each of the Three Mage Sisters.

Laney: Yeah.

Qin: Awesome!

Eli: And perfect timing too. The Another Omnitrix Alien is outside.

We went outside and we saw that the Another Alien was a black version of Shellhead! It was ANOTHER SHELLHEAD!

Nico: Another Shellhead!

Qin: Whoa!

Me: This is gonna be a cool one.

Another Shellhead: (In a girls voice) And this will be awesome too.

Me: Vina Limburger!? Whoa!

Nico: Are you a cheesemaker?

Another Shellhead: (LAUGHS) I wish! No I'm a chess champion.

Me: Vina is the best Chess Player that I know and she is an awesome champion at it.

Nico: Wow! I would love to challenge her.

Me: You just might on our next mission Nico.

Optimus Primal: This is gonna be a good fight after mining a lot of energon. Optimus Primal, MAXIMIZE!

He transformed and he was ready for action!

Kaito: (gets out Batte Fever Gear) You have beat a supercomputer before.

Zocks: (gets out Denziman gear) But what about the powers of an electronic based team?

Kaito got a Battle Fever sword and Zocks got a Denziman Sword!

Qin: OH YEAH!

Nico: This will be fun.

Me: Time to start us off. (ACTIVATES EVIL LASHER'S RIDEWATCH)

(GREENSLEEVES BY LOREENA MCKENNITT PLAYS)

To cast me off discourteously;

And I have loved you oh so long

Delighting in your company.

Greensleeves was my delight,

Greensleeves my heart of gold

Greensleeves was my heart of joy

And who but my Lady Greensleeves

I have been ready at your hand

To grant whatever thou would'st crave;

I have waged both life and land

Your love and goodwill for to have.

Greensleeves was my delight,

Greensleeves my heart of gold

Greensleeves was my heart of joy

And who but my Lady Greensleeves

Thy petticoat of sendle white

With gold embroidered gorgeously;

Thy petticoat of silk and white

And these I bought gladly.

Greensleeves was my delight,

Greensleeves my heart of gold

Greensleeves was my heart of joy

And who but my Lady Greensleeves

I danced and fired waves of energy and smashed her down.

Optimus Primal fired waves of blasts and smashed down Another Shellhead.

Me: YEAH!

Nico: (takes out Turtle's Ridewatch) Time for some Turtle power!

He activated it.

(ROCK LOBSTER BY THE B52S PLAYS)

Nico: (SINGING DIVINELY AS WAVES OF WATER AND LOBSTERS SWIRLED AROUND HIM)

We were at a party

His earlobe fell in the deep

Someone reached in and grabbed it
It was a rock lobster
Rock lobster
Rock lobster
We were at the beach
Everybody had matching towels
Somebody went under a dock
And there they saw a rock
It wasn't a rock
It was a rock lobster
Rock lobster
Rock lobster
Rock lobster
Rock lobster
Motion in the ocean
His air hose broke
Lots of trouble
Lots of bubble
He was in a jam
S'in a giant clam
Rock rock
Rock lobster

Down, down

Lobster rock

Lobster rock

Let's rock!

Boy's in bikinis

Girls in surfboards

Everybody's rockin'

Everybody's fruggin'

Twistin' 'round the fire

Havin' fun

Bakin' potatoes

Bakin' in the sun

Put on your noseguard

Put on the Lifeguard

Pass the tanning butter

Here comes a stingray

There goes a manta-ray

In walked a jelly fish

There goes a dog-fish

Chased by a cat-fish

In flew a sea robin

Watch out for that piranha

There goes a narwhal

Here comes a bikini whale!

Rock lobster

(DREAMS TO DREAM BY SARAH LASKO PLAYS)

Qin: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

I lose my way, no one cares

The words I say, no one hears

My life it seems is a world of dreams

Deep in the night, you'll find me

Dream and you're right behind me

Stay, if you will stay

We'll dream the night away

Dreams to dream in the dark of the night

When the world goes wrong

I can still make it right

I can see so far in my dreams

I'll follow my dreams until they come true

There is a star waiting to guide us

Shining inside us when we close our eyes

Come with me, you will see what I mean

There's a world inside no one else ever sees

You will go so far in my dreams

Somewhere in my dreams

Your dreams will come true

Dont let go, if you stay close to me

In my dreams tonight, you will see what I see

Dreams to dream, as near as can be

Inside you and me that always come true

Inside you and me that always come true

She spread her wings and floated and fired waves of fire and smashed down Another Shellhead!

Nico: OH YEAH!

Me: That was awesome Qin!

Nico: Yeah it was!

Another Shellhead: Wow! You guys all have amazing singing voices.

Me: We've had a lot of practice and had a lot of karaoke sessions.

Qin: Yeah we sure did.

[Clopin and Crowd:]

Once a year on Topsy Turvy Day

[Clopin:]

We've never had a king like this

[Clopin and Crowd:]

And it's the day we do the things that we deplore

Eli: (LAUGHS) SO FUNNY!

Me: (LAUGHS) OH THAT ALWAYS MAKES ME LAUGH!

Nico: (LAUGHS) ME TOO!

Another Shellhead: (LAUGHS) I haven't heard that song in years!

Me: (LAUGHS) So funny! I love that one.

Eli: My favorite too!

Qin: YEAH!

Camie: That always is so funny!

Maria: Let's keep it up!

Nico: You got it!

Me: And princess that was a good choice. I loved that one.

Princess What's Her Name: Thanks. It was funny.

Maria: Might as well have a shot! (ACTIVATES NEW WAVE'S RIDEWATCH)

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She floated and fired waves of water and smashed her down.

Me: That was awesome Maria!

Qin: Yeah!

Nico: Great job!

Maria: Thanks guys.

Nico: Go for it Fiona.

Fiona Hernandez: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Turn around

Look at what you see

In her face

The mirror of your dreams

Make believe I'm everywhere

Hidden in the lines

Written on the pages

Is the answer to a never ending story

Ah-ah-ah-ah-ah

Reach the stars

Fly a fantasy

Dream a dream

And what you see will be

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon the rainbow
Is the answer to a never ending story
Ah-ah-ah-ah-ah
Story
Ah-ah-ah-ah-ah
Show no fear
For she may fade away
In your hands
The birth of the new day
Rhymes that keep their secrets
Will unfold behind the clouds
And there upon the rainbow
Is the answer to a never ending story
Ah-ah-ah-ah-ah
Never ending story
Ah-ah-ah-ah-ah
Never ending story
Ah-ah-ah-ah-ah

(PLACE IN THIS WORLD BY MICHAEL W. SMITH PLAYS)

Maria Hernandez: (SINGING DIVINELY AS ANGELS OF LIGHTNING SWIRLED AROUND HER)

The wind is moving

But I am standing still

A life of pages

Waiting to be filled

A heart that's hopeful

A head that's full of dreams

But this becoming

Is harder than it seems

Feels like

I'm looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

If there are millions

Down on their knees

Among the many

Can you still hear me?

Hear me asking

Where do I belong?

Is there a vision

That I can call my own?

Show me

I'm looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

Looking for a reason

Roaming through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

Looking for a reason

Roaming through the night to find

My place in this world

My place in this world

She danced and fired waves of lightning and smashed her down.

Qin: YEAH!

Nico: That was awesome Maria!

May: Let's keep it up!

But then a beam of Emerald Light appeared and it hit Another Shellhead and knocked her down and then out came Advanced Crystal Beast Emerald Tortoise!

Me: Whoa! Advanced Crystal Beast Emerald Tortoise!

Nico: Perfect for me because I was born in May.

May: Yeah!

A.C.B. Emerald Tortoise: (In a Girls Voice): Looks like I found you just in time too.

Nico: Emerald Loganna!? Wow!

She reverted back and Emerald was a girl with green hair, green eyes, green clothes and green angel wings and had an Emerald Jewel in the middle of her forehead.

Emerald Loganna: I got this guys.

She fired a wave of emerald light and smashed down Another Shellhead and I caught the ridewatch and purified it. Then I went over to Vina and she was a girl with blond hair and blue clothes.

Vina Limburger: (GROANS) What a headache.

Me: But you're back to normal now Vina.

I picked her up.

Emerald Loganna: Thank goodness there.

But then the ship arrived.

Jared: Looks like we got here just in time.

Me: You sure did son.

Nico: Is the Energon safe?

Jared: It sure is Nico. We saw Cheetor, Rhinox, Rattrap, Dinobot, Airazor and Tigatron bring in a massive shipload of energon before we took off to your position.

Nico: Awesome. Thank goodness.

The ship cut open the mountain and brought the Animatron Starcruiser on board.

Cybertron Snarl: I don't believe it! That's a Starcruiser that we thought was lost to us over 300,000 years ago!

Nico: Wow! How did it get here?

Cybertron Snarl: That's a really good question Nico.

Me: We couldn't figure it out because the ship's log data was messed up. But we'll do everything we can to fix it.

Nico: Good.

Emerald Loganna: That was awesome that you guys found that.

Jesse Anderson: It sure is.

Me: Yeah.

Princess What's Her Name: What's your favorite memory of Nico?

Emerald Loganna: Well I'm also a very famous emerald miner and me and Nico mined for lots of Emeralds when he met me down ini Colombia. We mined for lots of them and we gave them to jewelry stores and museums all over the world. And there were even exhibits for them all over the world. The largest Emerald we dug up was the size of a table.

Me: Wait a second. That's the Heart of Inti Emerald. That's one of the most beautiful emeralds ever and is the largest ever emerald in the world.

Nico: Yep. Me and Emerald became famous for getting that emerald.

Eli: That is amazing!

Nicole: Boy it sure is. That emerald has been widely coveted by jewel thieves and robbers everywhere.

Nico: Yep.

Qin: That is incredible.

Me: It sure is.

Nico and Emerald hugged.

Nico: I've really missed you.

Emerald Loganna: Me too Nico. Me too.

Skywarp: There must be hundreds of Energon Cubes in there!

Nico: We looked and there were. We found them all over.

Qin: Yeah it was incredible.

Laney: It was an Energon treasure trove.

Skywarp: Wow! That is incredible.

We later went back to the estate.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Wonder Woman are heading to the world of the 1993 werewolf movie, Full Eclipse, and not only is Lincoln going to rescue the six girls here, but we're also going to kill Adam Garou, who's really a powerful 19th century werewolf, and he has used a serum cultivated from his own blood and brain tissue to bestow enhanced physical attributes to others in the police department, and the recipients of this serum, while not true werewolves, had found themselves stronger, heartier and more feral, and they also developed the ability to heal from nearly any wound except for silver.

Lincoln: Whoa, we're here in the 1993 werewolf movie, Full Eclipse, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to kill Adam Garou, who's really a powerful 19th century werewolf.

Me: I saw Full Eclipse long ago, and it was an awesome action horror movie, and what stunned me was that Adam Garou has used a serum cultivated from his own blood and brain tissue to bestow enhanced physical attributes to others in the police department, and the recipients of this serum, while not true werewolves, had found themselves stronger, heartier and more feral, and they also developed the ability to heal from nearly any wound except for silver.

Nico: And we know why he did it, he wanted to keep the streets of Los Angeles safe from the thugs who lurk here.

Lincoln: But, developing a serum from his own werewolf blood and brain tissue to give the cops the physical abilities, that was also very genius of him. I also read his history and I found out that over the course of several decades, he'd amassed a great deal of wealth and influence and insinuated himself into the law enforcement culture in several cities, and he'd wanted to clean up the streets, though I may respect that, we still need to stop him.

Luan: That's true, he does need to be stopped.

Lincoln: But, what he's been trying to do in cleaning the streets of criminals and thugs, I'm going to honor him by sending him to Heaven instead of sending him to The Black Gates.

Nico: (Smiles) That's a good idea, Linc. But, this also means you're going to honor the man's final wishes and continue his legacy.

Lincoln: In my own way and how we've always fought crime, Nico, and thanks for joining us, Diana.

Wonder Woman: You're welcome, Lincoln. This should be interesting fighting a 19th century werewolf.

Eli: But, we can't underestimate him: he has great wealth and influence, along with intelligence, cunning, and strength.

Lincoln: That's right, and we're going to do this: werewolf to werewolf.

Lincoln let out a growl as lighter brown fur begin growing on his abnormally massive and powerful muscular body with tan fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws, and his deep sapphire blue eyes turned yellow with slit pupils, as he let out a howl as he transforms into Lincoln the Nocturnal.

Carmen and Rudina Adalwulf let out a growl and they transformed into their werewolf forms as lighter brown fur began growing all over their bodies with tan fur covering their muzzles and stomachs, large brown pointed wolf ears grew on top of their heads, their nails grew into claws, their brown tails grew and sprouted out, and their eyes turned yellow with slit pupils, and they let out a howl.

And I let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of my head, my nails grew into claws, and my eyes turned yellow with slit pupils, and my eleven tails were already out, as I let out a howl as I transform into J.D. the Nocturnal.

Lincoln: (Beastly Voice) There we go, now I'm more than ready for Adam Garou. Now, let's go find Max Dire.

Me: (Beastly Voice) And he'll explain everything that's been happening.

We then met up with Detective Max Dire, who's explained the whole situation to us: Adam Garou found a way to bestow enhanced physical attributes to others by way of a serum cultivated from his own blood and brain tissue, and the recipients of this serum, while not true werewolves, found themselves stronger, heartier and more feral. They also developed the ability to heal from nearly any wound except for silver.

Nico: This matches what we found out about him, and why he's doing it.

Max Dire: I can understand why he's doing this: he wants to clean up the streets of the thugs and criminals here in L.A.

Lincoln: (Beastly Voice) That's true, but we still need to stop him before the Lunar Eclipse and he'll be at the peak of his power.

Max Dire: Wait a second, won't that also affect you, Rudina, Carmen, and J.D.?

Me: (Beastly Voice) It will, since the moon also makes us stronger than ever.

Lincoln: (Beastly Voice) And we don't have the weaknesses of the werewolves, so that's why Adam was waiting for the Lunar Eclipse: he'll be at the peak of his power, and not even silver will affect him. Alright, if he wants a fight under the Lunar Eclipse, we'll give him one.

Rudina Adalwulf: (Beastly Voice) Let's do it.

We then head out, but then, we saw that the sun has set, and the Lunar Eclipse had arrived, and the rest of the team saw the rainbow and moonlight blue energy auras of me, Lincoln, Rudina, and Carmen were flaring up like crazy and we were getting an infinite power boost to our infinite power and energy.

Nico: Holy crap!

Lisa Loud: Einstein's Knickers!

Lynn Loud: That's so awesome.

Lincoln: (Beastly Voice) Now, to find that crime lord, Teague, and then, we get after Adam Garou.

We then head for Teague's dockside enterprises at the docks, and we saw he was holding the six girls hostage, and he was going to kill them. Lincoln then cut off the lights, and he, along with Rudina, me, and Carmen then cut down Teague's men and Lincoln absorbed their blood and bodies. Then, we tied up Teague and the six girls were freed, and Sheila, Eric, and Tom arrived with a police wagon, and Teague was really pissed.

Teague: You've ruined my business for the last time, when I get out of this, I'll have my revenge on all of you! This city is mine!

Lincoln: (Beastly Voice) No, Teague, this city doesn't belong to you, and your business is done! Take him away, officers.

Sheila, Eric, and Tom were still guarding Teague.

Me: (Beastly Voice) Now, to take down Adam Garou.

Suddenly, we heard howls in the air, and we saw who it was heading our way: The Pack, led by Adam Garou, along with Liza and Casey Spencer, who came after us, but Carmen and Rudina, being true werewolves, were much stronger than those two, and defeated them. Lincoln then put up a rainbow energy field to protect the six girls from Adam Garou.

Lincoln: (Beastly Voice) Should've known you'd show up, Adam. But, you're too late: Teague's on his way to prison after this, and we've already killed his men. Now, we're going to end this: werewolf to werewolf, but you're not getting The Black Gates.

Adam Garou: So, you intend to kill me and send me to the Afterlife. Very well, now to show you all the peak of my power.

Adam Garou transformed into his true werewolf form, and as a demonstration of his power, he killed his own Pack member, Liza.

Lincoln: (Beastly Voice) Now, you've really done it. Let's get him!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock

Then, Lincoln, Me, Rudina, and Carmen slashed at Adam Garou with our sharp claws, and we were really spilling his blood all over the place, and we saw the eclipse has ended, and Adam Garou was slumped down on the docks in a pool of blood. He didn't want his legacy to die, so he asked Lincoln, Me, Rudina, Carmen, and Max Dire to lie down in his blood, and when he did, we all absorbed Adam Garou's blood and power.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We're not letting your work go to waste, Adam, we'll continue your legacy to protect the people and clean up the streets, but we're doing this our own way. But, your legacy will be remembered in our hearts.

Lincoln's words caused a smile to form on Adam Garou's face, as he finally died, and his soul was sent to The Afterlife. We got up and we holstered our weapons and powered down and we changed back.

Nico: Safe travels, Adam Garou. May you find peace in the next world.

Lincoln: He will find peace in the next world, Nico, and he knew what I said was true to my heart.

Me: That's right.

Max Dire: Now, we're going to carry on his legacy and clean up the streets of thugs and crime lords, and make sure the cities we live in are safe for all.

Lincoln: That's right.

We then said our goodbyes to Max Dire, as he left.

?: (Nine Girls' voices) Aw, looks like we've missed the fun.

Suddenly, we saw Whajje, Blipsqueak, Creepuscule, Scargo, Astropod, Pixolotl, Bona-Petite, Maulch, and Fleechwurm from the Wublin Class from My Singing Monsters appear.

Nico: Whoa, that's Whajje, Blipsqueak, Creepuscule, Scargo, Astropod, Pixolotl, Bona-Petite, Maulch, and Fleechwurm from the Wublin Class from My Singing Monsters.

Lincoln: And I'd recognize those nine voices from anywhere, I knew it was you, Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele.

Lilo Pu'uwaimele: And we knew we would run into you again, Lincoln.

Lehua Pu'uwaimele: Yeah, and it's been a long time.

Lincoln made nine clones of himself and he and the clones went up to Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele and they hugged, and Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani

Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you nine since we were ten years old, and as you can see, I've really grown a lot since then.

Lilo Pu'uwaimele: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know these girls?

Lincoln: Indeed I do, Nico, this is Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele, these nine girls are my Guardian Angels from Hawaii and my classmates in Math, English, and Gym, but they're also amazing hula dancers.

Me: That's really cool.

Lincoln: It gets even cooler, it was the Pu'uwaimele sisters that taught me the Hawaiian traditions when we were 10 years old, and they even made hula outfits for the girls in Lincoln's harem.

We gasped.

Nico: Whoa, so the Pu'uwaimele sisters were the ones who taught you the Hawaiian traditions when you guys were 10 years old?!

Lincoln: That's right, and I learned a lot about their traditions and culture and it was awesome, and their last name, Pu'uwaimele, means Music Heart in Hawaiian. While we were on the beach, each of the Pu'uwaimele sisters kissed me on the lips while we were underwater. They're also the cousins of Lilo Pelekai, and they hate Scoots, Flip, and even Lewis Travolta with a burning passion.

Me: Whoa, Lilo's in for a big family reunion when we head back home, and they'll be happy to know Scoots is dead and gone and in Hell for good.

Lilo Pu'uwaimele: Serves her right.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele with colored gems on the gold thunderbolt links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their neck.

Lilo Pu'uwaimele: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and your sisters are part of harem and my many future wives, Lilo.

Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele had a smile on their faces and tears in their eyes, as Lincoln and his clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Nohkins Hanabata, Kyan Hitamu, Maidena Ange, Toxico Dannar, Enome, and Esyne from Immoral Guild.

Lincoln: Oh wow, it's Nohkins Hanabata, Kyan Hitamu, Maidena Ange, Toxico Dannar, Enome, and Esyne from Immoral Guild.

Nicole: Awesome.

Lincoln: Are you girls okay?

Nohkins Hanabata: Yes, we're okay, thanks to you.

Then, when Nohkins Hanabata and the other five girls saw who it was that saved them from Teague, his thugs, and Adam Garou and his Pack, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of

Nohkins Hanabata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Nohkins Hanabata: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Nohkins Hanabata, Kyan Hitamu, Maidena Ange, Toxico Dannar, Enome, and Esyne with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villains we went after were Teague and his thugs causing havoc on the streets with drugs and criminal mayhem, and Adam Garou, a 19th century werewolf from France who, along with his Pack, were killing Teague's thugs with his serum derived from his werewolf blood and brain tissue.

But, when Lincoln showed what we did in killing Teague's thugs and putting Teague under arrest and us killing Adam Garou, but instead of sending him to The Black Gates, we made sure his legacy of keeping the streets safe wouldn't die with him by absorbing his blood and power, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele have a lot of catching up to do, now that they're back in town and reunited with their cousin, Lilo.

Maria: You really did an awesome thing in not sending Adam to The Black Gates, Lincoln.

Lincoln: He wanted to protect the people of Los Angeles, and he'd gotten into law enforcement since coming to America in the 19th century. But, we still needed to stop him, but we're going to make sure his legacy of keeping the people safe will not die.

Me: Yeah.

Nico: His legacy will live on in our hearts.

We swore Adam Garou's legacy of keeping the people safe will always live on, and as for Teague, he was found guilty of his criminal activities in Los Angeles, along with all the blood he and his thugs have spilled on the streets, and he was sentenced to death via lethal injection. We went to the prison and we saw them administer the lethal injection, and the chemical cocktail worked its magic, and Teague was dead. Then, Lincoln banished him and the spirits of his thugs to The Black Gates for good for their crimes.

Lincoln: Go to hell, Teague.

Nico: Your days of causing havoc in Los Angeles are over, you miserable crime lord.

Me: Rot in Hell forever, you thug.

We then head back home, and we were rid of Teague for good, and his days of causing havoc are all over.

---

After the rescue in the world of the 1993 movie Full Eclipse, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Lilo Pu'uwaimele, Lehua Pu'uwaimele, Nani Pu'uwaimele, Kai Pu'uwaimele, Hōkūlani Pu'uwaimele, Kalani Pu'uwaimele, Moana Pu'uwaimele, Kala Pu'uwaimele, and Kiana Pu'uwaimele saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Lilo Pu'uwaimele: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lilo Pu'uwaimele: That's incredible.

Nico: It sure is. So, Lilo, what's the story on why you and your sisters hate Scoots, Flip, and Lewis Travolta, other than the obvious reasons?

Lilo Pu'uwaimele: Oh, you're not going to like this. One day, we were with Lincoln and we were out in Royal Woods helping out others, which is known as Lokomaika'i is an extension of aloha and love, an extension of aloha and love, and one of the many Hawaiian traditions we taught Lincoln. We helped out a lot of people, including Mr. Grouse. But, then, we got a rude awakening when Scoots, Flip, and Lewis Travolta went on the attack to kill Lincoln. But, Lincoln formed vines which tied Scoots, Flip, and Lewis Travolta us, and we then called the police and Varie, who then kicked Scoots back to The Lansing Maximum Security Insane Asylum, and J.D. tossed Flip back into a police wagon and it carted him back off to jail, where he got another Life Sentence added to his original Life Sentence, and Lewis Travolta escaped before the cops could get him put inside.

We were really shocked at what we heard.

Nico: Now, we're really glad Scoots is gone for good, and we're humiliating Flip and Lewis Travolta.

Lincoln: Yep. See, any who turn their backs on Lokomaika'i and spit on this Hawaiian tradition will get their karmic justice. For Scoots, it ended with her getting sent to Hell, and Flip and Lewis Travolta are getting humiliated for the rest of their miserable lives.

Lehua Pu'uwaimele: That's right. Oh, and for tomorrow, we should also hold a Ho'opono pono with the Duelists across the world and for all of us here.

Lincoln: That's a century's old uniquely Hawaiian family tradition, and the traditional Ho'opono pono is practiced to restore harmony and solve problems within the extended family, in which, the feuding individuals come together with an indigenous Hawaiian healer or the oldest member of the family for discussion, prayer, confession, and repentance, and it also includes mutual restitution and forgiveness.

Me: Ooh, now that's something we're going to enjoy participating in. But, what's the occasion, guys?

Lincoln: I've got a bad feeling that Yami Bakura might be planning his return. I know you've killed him using Babidi's power and Super Hakaied him, but just like Yami Marik, he's going to return to get his revenge again.

Nico: That's a good idea, Linc. We'll hold it tomorrow, and if Yami Bakura is back from the dead, we'll show him no mercy whatsoever.

We got a shower afterwards, and then, Lincoln, Hana Song, Marble Pie, Limestone Pie, Lemon Hearts, Twinkleshine, Minuette, Moondancer, and Kiriko are heading to Emerald Coast in Sonic's world.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Hana Song, Marble Pie, Limestone Pie, Lemon Hearts, Twinkleshine, Minuette, Moondancer, and Kiriko were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out that Lincoln had saved Hana Song and Kiriko, the two new agents of Overwatch, from a couple of spies out to kill them, and Marble Pie, Limestone Pie, Lemon Hearts, Twinkleshine, Minuette, Moondancer also had feelings for Lincoln long ago.

Hana Song: Wow, so this is Emerald Coast.

Lincoln: And it's a perfect place for our first date, Hana.

Minuette: You bet, Linky. Plus, we've had feelings for you for a long time, and those feelings were made even more of a reality when you helped us with The Doomsday 23.

Lincoln: And I've also had those same feelings as well, Minuette. Shall we?

Lincoln, Hana Song, Marble Pie, Limestone Pie, Lemon Hearts, Twinkleshine, Minuette, Moondancer, and Kiriko dived into the waters and they also saw the marine life there. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and Hana Song, Marble Pie, Limestone Pie, Lemon Hearts, Twinkleshine, Minuette, Moondancer, and Kiriko got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Hana Song, Marble Pie, Limestone Pie, Lemon Hearts, Twinkleshine, Minuette, Moondancer, and Kiriko, and they wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Emerald Coast.

Minuette: For our first beach date, might we add, and we had a blast.

Me: That's awesome.

Twilight Sparkle: And I'm also glad you girls are now part of Linky's harem.

Moondancer: Thanks, Twilight.

Tracer: (British Accent) And I still remembered that day when Lincoln saved Hana Song and Kiriko long ago, and right from there, they had hearts in their eyes, atomic red blushes on their faces, and their noses were bleeding. I almost took a picture of them with him.

Nico: (Snickers) Hope you didn't get caught.

Lincoln: She almost did, because of me having superhuman hearing and tracking energy signals.

Me: Yeah, no one's safe from you when you have superhuman senses and tracking energy signals.

---

Later we were at the beach for some relaxing.

Me: Ahh. Nothing like spending a little time at the beach.

Mothra: Nice to be outside. Right, guys?

Nico: It sure is.

Qin: Yeah. This is always fun.

Princess Peach: It's always so fun.

Laney: Yeah it sure is.

Yoko Tani: I love a good relaxing time at the beach.

Qin: Who doesn't.

Horsea was eating a pretzel when a seagull took it from her.

Horsea: Hey! Get your own pretzel!

The seagull stuck its' tongue out at her.

(RASPBERRY)

Horsea: WHY, YOU LITTLE! (charges at the seagull)

Horobi: Oh, that can't be good.

Me: Uh oh.

Fluttershy then appeared and used her stare on the Seagull and he gave it back to Horsea.

Nico: That was good.

But then, more seagulls surrounded Horsea, having noticed her attack on their own.

Sinnertwin: I think you just stirred up a hornet's nest!

A seagull tried to peck Horsea with his beak.

PECK!

Horsea: OUCH!

Nico: HEY STOP THAT!

Fluttershy used her stare on the Seagulls and sent them away!

Nico: Geez!

Horsea: And stay away!

Streetwise: You okay, Horsea?

Horsea: Yeah those stupid birds will think twice before messing with me and Fluttershy.

Me: No kidding. At least it wasn't like The Birds back in 1963.

Qin: Yeah that movie was horrible and scary.

Laney: An iconic classic.

Nico: Yeah.

* * *

We later were back at the estate.

Nico: All right it's time for our next mission.

Sandpit: I hope you enjoyed your pretzel anyway.

Horsea: I did and it was great.

Me: Yeah.

Nico: Well you guys are going to like our next mission. We're going to an awesome food planet.

Eli: Ooh! What is it?

Nico: Don't know. But it'll be good.

Then Diabolico, Dark Spicer, Brain Freezer, Manboy, Chalmers, Riddler, Toiletnator, Zexion, Atomic Skull, Rich Texan, Skinner, Springfield Bullies, Russ Cargill, Madame Woe, Coldsnap, China White, Blob, Yost Crimson Dynamo, Lego Bane, Quirrel, Nuclear Man, Eustace, and Fenghuang appeared.

Diabolico: Can me Dark Spicer, Brain Freezer, Manboy, Chalmers, Riddler, Toiletnator, Zexion, Atomic Skull, Rich Texan, Skinner, Springfield Bullies, and Russ Cargill go with you guys?

Madame Woe: Me, Coldsnap, China White, Blob, Yost Crimson Dynamo, Lego Bane, Quirrel, Nuclear Man, Eustace, and Fenghuang will come too.

Nico: Yes you guys sure can come with.

Eustace saw Courage.

Eustace: Stupid Dog! (Pulls out his ugly mask) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHH!

Eustace laughed and then…

BONK!

Eustace got bashed in his head by Francesca with a rolling pin.

Eustace: OW! What did I do?

We laughed at that one.

Nico: And you guys know which gene-slammer is next too right?

Me: Yep. Advanced Crystal Beast Sapphire Pegasus.

Qin: Awesome and cool.

Camie: Very awesome and neat.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than my old enemy, Doto Kazahana, and he's heading here to still get revenge on me for ruining his rule. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Doto Kazahana on the move?

Lincoln: You guessed it, Nico, and he's heading here to still get revenge on J.D. for ruining his rule and his schemes.

Me: He's like a bad itch, he just doesn't know when to quit.

Fubuki: Well, you did ruin his schemes 150,000 years hence and ruined his tyrannical rule, J.D., and his hatred for you is still really strong.

Lincoln: And he's a sore loser who refuses to quit. Well, Gina and I are putting a stop to that for good and he's going to join The Masters of Evil, but not before we give him a well-deserved ass-kicking for everything he's done.

Gina Angellus: You got that right, Linky.

Nico: I like that kind of talk, Lincoln, it's true that Doto Kazahana's going to join The Masters of Evil after you guys defeat him, but he's still getting a well-deserved ass-kicking for everything that he's done 150,000 years hence. Alright, gang, let's go, we've got an awesome food planet to see.

Lincoln: This should be a good one, and I hope we face another enemy there, and once they're done, you're next, Doto Kazahana, and you're going to pay for everything you've done 150,000 years hence in the Shinobi World.

Maria: For a minute, I thought the seagull would get into a chicken inspired fight with Horsea.

Blackfire: I would've loved to see that.

Me: Not the city. Those fights would have destroyed everything.

Dolph: You're right.

Nico: Yeah. But lets head out.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7011.9: The U.S.S. Valorous Phoenix is en route to a mysterious planet located 12,322 light years from Earth. Our mission is to investigate what this planet is.

Me: I have a feeling this planet will be cool.

Brain Freezer: Where are we going this time?

Coldsnap: I hope it's somewhere edible.

Eli: Oh it is and you guys are going to love it.

Qin: I have a feeling it will be tasty.

Nico: Yeah no kidding there.

Paragus: I hope this planet isn't disgusting.

Eli: Don't worry. It's not.

Me: I have a feeling that something huge is coming tomorrow.

Nico: Like what?

Me: I don't know. But it has something to do with an old enemy that Yugi and the Pharaoh know.

Eli: Hmm. I wonder what it is.

Xenia: Whatever it is we'll be ready.

Camie: Yeah.

Toiletnator: You just be getting stressed out because of the upcoming war against Opaline:

Blob: I hope this planet has yummy food!

Nico: Guys calm down.

Lisa Loud: Everyone we have arrived at our destination.

Nico: On screen.

We saw that we were at a planet that looked like a giant pizza! It was still round in shape but the planet looked like a pizza pattern.

Me: Ooh!

Nico: This looks interesting.

Eli: Oh boy!

Nico: Lets engage landing.

We landed and then we went down onto the planet and we got out and to our surprise and amazement it was A PLANET MADE ENTIRELY OUT PIZZAS! It had pizzas, cheese, crusts, sauces and toppings as far as the eyes can see!

Caitlin: PIZZA!

Me: A planet made of Pizza!

Eli: OH BOY!

Qin: I'm starving!

Xenia: It looks delicious!

We got to eatting and it was the cheesiest pizza ever and the pizza tasted just as awesome and delicious as Nergal and Grim's Pizzas put together!

Nico: (EATING) MMM! Delicious!

Me: (EATING) Mmm! Cheesy and flavorful.

Quirrell: (British Accent) Look at all this cheese!

Atomic Skull: I call dibs on the pepperoni!

Nico: This is the cheesiest pizza ever.

Me: It just melts right off. So awesome.

Eli: (Eating) So delicious.

Xenia: (Eating) And the sauce is yummy too. It's garlic, oregano, basil, arribiata.

Qin: My favorite!

Shaggy: (EATING PIZZAS BY THE DOZENS) Like this is my idea of heaven!? Next time we go monster hunting I'm staying here!

Scooby Doo: Me roo!

Bomb Man: It's probably just the pizza talking. But I love you guys.

Me: This pizza is awesome! Some of the best we've ever had.

Nico: But we love you too Bomb Man.

All of us: Aww.

Nico: (LAUGHS) So awesome.

Varie: Man this is incredible. This is one of the best food planets we've ever seen.

Camie: Boy it sure is!

Tsuyu: I think it's so awesome too.

Skinner: This pizza is delicious!

Eustace: Oh, no argument from me!

Francesca: How in the world did a planet like this make such an awesome pizza utopia?

Nico: Boy who knows. But it's so awesome.

Aylene C.: I'll say!

Sakura Valencia: It sure is deliciou!

We were eating. Until we were stuffed.

Me: Ahh. (BELCH) That's an awesome lunch.

We were really full.

Jack Spicer: I can still eat a few more!

Nico: I think you've had enough Jack.

Qin: Yeah. (Sees something) Huh? Guys look here.

Qin showed us little foodprints in the cheese.

Qin: Liitle footprints? Wait a second. There's something really familiar about these footprints.

Rich Texan: Let's eat some more so we can make out the footprints.

Fenghuang: Good idea!

They got to eating more.

Nico: Geez you guys must not have eaten in a while.

Qin: Yeah no kidding.

Eli: Wait I sense something else here.

Danny and Lincoln's Ghost Sense went off and we heard a divine song.

Me: Do you guys hear that?

A figure came out and it was SIREN! The one that the Ghostbusters knew! She was a blond hair girl in a while robe.

Me: (GASP)

Qin: Whoa that's a Siren.

Siren (Extreme Ghostbusters): Are you all Team Loud Phoenix Storm?

Me: That's us. And you are?

Siren (Extreme Ghostbusters): My name is Siren. I am one of the friends of the new Ghostbusters that Egon knows.

Me: So you're one of the ghosts that is friends with Egon's team.

Egon: She's one of the harmless ghosts. Don't worry.

Me: Thank goodness.

Notacon: Are those your footprints?

Siren (Extreme Ghostbusters): No. Those are the footprints of little army toys that were running around here.

We gasped.

Me: Did you say Army Toys?

All of us: CHIP HAZARD AND HIS MEN!

Nico: But that can't be! They were destroyed!

Qin: Yeah! We destroyed them.

Me: This is not dark magic at work here. I think they somehow survived and rebuilt themselves.

Eli: J.D. is right. I sense that they did.

Varie: Not good. Moondancer you talk to Siren. We need to devise a plan.

Moondancer: Okay.

Moondancer went to Siren.

Moondancer: Siren my name is Moondancer and I am the future ambassador of the Ghostbusters Mission for 2023.

Siren: It's an honor to meet you.

Moondancer: I'm learning all about catching ghosts from Danny Phantom, Lincoln and many of the team. It's really handy knowledge to help me get prepared.

Siren: You are well on your way.

Chalmers: The Commando Elite had the nerve to disrupt our pizza time?!

Nuclear Man: They're gonna get it!

Nico: They sure as hell will! But we're not going to destroy them and give them the Black Gates. We're going to reprogram them and make them kid friendly and fun and easy to help out everyone. We'll also put them in the Redemption Squad.

Me: Good idea.

Lisa Loud: And with our technological expertise that shouldn't be too much of a problem.

Moondancer was having a really awesome talk with Siren.

Moondancer: It's amazing that Egon's students go after so many amazing and terrifying ghosts.

Siren (Extreme Ghostbusters): It sure is and they all have so many amazing powers like the ones you face.

Moondancer: Egon and his team have also been a huge help to us many times in the past.

Tania: (to Siren) As you can see, Egon and the originals aren't retired anymore.

Siren: I can definitely see that. Egon it's good to see you again.

Egon: Same to you Siren. You're looking great.

Siren: I know. The centuries have been great on me.

Qin: They sure have. And Moondancer's archenemy is a mad scientist named Dr. Screwloose. How would you like to be part of her team for her usual battles?

Siren: I would be honored.

Nico: Awesome.

Riddler: Riddle me this: Who's ready to kick Commando Elite ass?

Lego Bane: (Spanish Accent) I am!

Me: I was born ready! And it's gonna be messy on a planet of pizza.

Qin: But it'll be a tasty one.

Nico: Yep.

Ghuul: (to Siren) But first, do you want some pizza?

Siren: I don't eat unfortunately.

Me: I've read that Sirens are the opposite of banshees and they feed on the youth of people.

Siren: That's right. I can use that to help you guys make capturing bad guys easier.

Qin: That's an interesting idea.

Moondancer: It sure is.

Xenia: Yeah.

Man Boy: I don't think your powers will work on Hazard and his men.

Yost Crimson Dynamo: Toys don't have youth.

Siren: No they won't. But other guys yes.

Me: Hmm.

I did a test on a criminal that I teleported through a portal.

Siren: Ah. Watch.

She sang divinely and then blue energy left him and went into her mouth and he got turned into a 100 year old man in seconds!

Qin: WHOA!

Nico: Wow!

Me: It really works.

Moondancer: Wow! And this guy was serving a sentence of life in prison for murder.

Nico: Wow! That is amazing!

Varie: It sure is. But he has had it coming.

Me: Thank you for your time good sir.

Criminal: Huh? Hank in some slime? Doesn't make sense.

I teleported him back.

Batch: Entrance time!

Me: Hold on Batch. We don't know where they are.

Eli: They are over there behind that hill.

Eli pointed to a hill and we went over to it.

We then saw Commando Elite! And there was THOUSANDS AND THOUSANDS AND THOUSANDS OF THEM!

Me: Whoa. There's countless numbers of them.

Qin: Lots more than before.

Nico: Lets go.

We went at them.

Chip Hazard: THERE WILL BE NO MERCY!

Then the spirits of the Winx Club and Friends of The Loud Sisters appeared and swirled around them and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard and we come out.

Me: Okay you soldiers! Prepare to be court martialed!

Nick Nitro: (to Eddy) You shot me when my back was turned last time, little punk!

Eddy: It's your own fault for not paying attention.

Nico: Yeah!

China White: And now, history's about to repeat itself.

Dark turned into Deafblast.

Deafblast: Here's your warning: Your ass is about to be kicked!

Me: Big time!

Deafblast fired a sonic blast and I fired an Electromagnetic Pulse blast and short circuited numerous soldiers.

Me: Chip Hazard I hope you are ready for me!

Chip then jumped and then SLASHED ME ACROSS ME ARM! I was dripping blood and then his knife melted!

Qin: OH MAN!

Me: That one was for free!

Then The Springfield Mafia, Springfield Bullies, Russ Cargill, Patty and Selma, Krusty the Clown, Cantwell, Chief Wiggum, Robo Roxy, Mysterio, Eccentro, Black Baron, Aries Zodiarts, Bunnie and Clyde, Evil Fire Man, Garble, Rainbow Raider, Greg, Muggshot, Iron Maiden and Snow Ghost then appeared.

Nico: The Springfield Mafia, Springfield Bullies, Russ Cargill, Patty and Selma, Krusty the Clown, Cantwell, Chief Wiggum, Robo Roxy, Mysterio, Eccentro, Black Baron, Aries Zodiarts, Bunnie and Clyde, Evil Fire Man, Garble, Rainbow Raider, Greg, Muggshot, Iron Maiden and Snow Ghost.

Krusty: Hey hey kiddies! (GOOFY LAUGHTER)

Fat Tony: Boy this planet is amazing.

Me: It sure is.

Louie: Geez J.D. you're bleeding.

Me: Thanks to Chip here!

Fat Tony: It's an honor to meet you, Siren.

Siren: The honor is mine.

Jimbo: You're the first Ghostbusters ghost we've seen since Stay Puft.

Cargill: And you won't be the last.

Me: I can't even remember the last time we fought a ghost of the Ghostbusters.

Qin: Yeah its been a while.

Patty: (to Nico) We heard you found a Cybertronian ship.

Nico: we sure did. And it was an Animatron Starcruiser in a cave full of energon.

Krusty: How much Energon did it have?

Nico: Tons of it!

Qin: Yeah!

?: Wow! That's amazing.

Then out came ENDURANCE SAIMA BEAST GARUBARIA from episode 37 of GoGoV!

---

Garubaria was brought forth by Pierre in order to demonstrate to Salamandes the power of the "Infinity Chain Card", a special magic card that allows to build up resistance to attacks, where one attack hits and thus prevents it from ever being useful against anyone who holds that card ever again. During an initial battle, he gains resistance to the FiveLaser and Go Blasters working as intended. However due to an accident involving roses, he ends up switching bodies with Tsugumi Inui, the daughter of Capital City Fire

Department's Kenji Inui who was there due to a marriage interview with Matoi. Tsugumi in Garubaria's body tries to tell GoGoFive who she was and not be destroyed by him, while Garubaria in Tsugumi's body tries to mess up the marriage interview. Eventually when they realize the mistake, another accident involving roses restores Tsugumi, but switches Garubaria's mind with that of Matoi; thus allowing the Psyma Beast to become GoRed. However, once Tsugumi catches on, she uses roses to switch GoRed and the Psyma Beast back to their proper bodies. Yet even after he switches back, Garubaria is still tough to defeat, with the team using both the Big V-Buster and Hyper Five before finally putting him down.

After Pierre uses the Resurrection Card on Garubaria, the team uses Victory Mars, hitting him with both Beetle Mars laser, the Jet Lance and the Mars Flare before finally destroying him fully. Yet even with its death, the Infinity Chain Card returns to Pierre, having completed its initial mission in collecting battle data for further resistance.

---

Eli: GarubarIa! I remember you! You were sent to demonstrate the power of the Infinity Chain Card to build up resistance to the attacks of the rangers! Wow!

Me: That is amazing and really cool.

Garabaria: It sure is.

Nico: Yeah.

Garubaria: Too bad I wasn't adapted in America.

William: I know. It would've been nice to see a body swapping episode.

Me: I know. What a ripoff!

Nico: Yeah. What a shame.

We got the battles underway.

---

# Sora Takenouchi, Sunset Shimmer, Pipsqueak, Fire Skylanders, AncientGreymon, Phoenixmon, Zhuqiaomon, Gargoyle and Sandpit VS The Springfield Mafia - Nico's Rescue and seeing a huge cave full of energon

---

The Springfield Mafia was first.

Legs: (to Sora) Nico's Rescue involved seeing a huge cave full of energon.

Louie: Better make sure that stuff stays away from our Cybertronian buddies.

Sora Takenouchi: Oh it was. We found enough energon to power a lot of the Cybertronian Machines for a long time.

Sunset Shimmer: That cave was really filled with energon. We've never seen so much of it.

Pipsqueak: (British Accent) Thank goodness we also took the battle outside to make sure the Energon doesn't explode.

Sunburn: Yeah. Energon in its natural form is highly unstable and the slightest jostle, sonic frequency or high rise in temperature will cause it to explode.

AncientGreymon: Good thing we didn't have the battle in the cave.

Phoenixmon: Thank goodness.

Zhuqiaomon: Thank goodness for that there.

Fat Tony: That is a good thing. Lets do it!

SPRINGFIELD MAFIA! EL JEFE!

Sora fired waves of fire and smashed them down. Sora activated her shift car and fired waves of fire and smashed them down. SOra activated her ridewatch and they danced to video game music and fired waves of fire and smashed them down.

---

## Sam Sharp Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders, AncientSphinxmon, Nanimon, Sukamon & Chumon, Mewtwo and Blackfire VS Jimbo, Dolph and Kearney the Springfield Bullies - Seeing a huge Cybertronian Ship as well as battling Another Shellhead

---

The Springfield Bullies were next.

Dolph: (to Sam) Nico, Princess What's Her Name, and the others saw a huge Cybertronian Ship.

Kearney: And they battled Another Shellhead.

Sam S.L.: They sure did and in the cave with all that energon was an Animatron Starcruiser. It was a ship that was as big as a Retribution Class Battleship from Warhammer.

Kearney: Wow! That is amazing! How did a ship like that get there?

Sam S.L.: We don't have the foggiest idea. It wound up there eons ago and it's still in really good shape after all these years. But it was completely abandoned and no one was on board.

Starlight Glimmer: And it was right in the middle of a cave filled with energon.

Cozy Glow: Yeah that was really strange. No signs of life anywhere in there.

Hex: Yeah we got the ship out and put in our garage so we can repair it and make it look like new.

AncientSphinxmon: It was amazing that ship got there.

Nanimon: Boy no kidding.

Sukamon: Yeah that was crazy but cool.

Chumon: It sure was.

Jimbo: That's amazing that ship got there. Lets do it!

SPRINGFIELD BULLIES! GELMAN!

Sam fired waves of energy and smashed them down. Sam activated her shift car and fired waves of energy and smashed them down. Sam activated her ridewatch and they danced to goth music and fired waves of darkness, fire, lava, bones, lightning, magic and stars and smashed them down.

---

## Girl Jordan, Rarity, Sweetie Belle, Water Skylanders, AncientTroiamon, Lillymon, Rosemon, Oceanus Shenron and Paragus VS Russ Cargill - Lincoln's Rescue in the movie Full Eclipse

---

Russ Cargill was next.

Russ Cargill: (to Girl Jordan) I heard Lincoln's Rescue was in the movie Full Eclipse. I bet you're proud of him for that like always.

Girl Jordan: I sure am and did that movie scare you?

Russ Cargill: It sure did. Full Eclipse was a scary movie but it was about werewolves that are cops. Very cool.

Rarity: That is most amazing to see darlings.

Sweetie Belle: It sure is. I think it's neat.

Gill Grunt: Yeah it sure was awesome.

AncientTroiamon: It sure was. Lincoln really went werewolf on the bad guys in that one.

Lillymon: It was amazing facing those dirtbags in that world.

Rosemon: It sure was and we kicked butt.

Russ Cargill: You sure did. Lets do it!

RUSS CARGILL! MELONE!

Girl Jordan fired waves of energy and smashed him down. Girl Jordan activated her shift car and fired waves of energy and smashed him down. Girl Jordan activated her ridewatch and they danced to waltz music and fired waves of water, jewels, ice and leaves and smashed him down.

---

## Mandee, Fluttershy, Tornado Bolt, Life Skylanders, AncientMermaimon, Mermaidmon, Caitlyn and Dominique VS Patty & Selma - Meeting the Pu'uwaimele sisters

---

Patty & Selma were next.

Selma: (to Mandee) We heard you guys met the Pu'uwaimele sisters. What are their names?

Mandee: Their names are Lilo, Lehua, Nani, Kai, Hōkūlani, Kalani, Moana, Kala, and Kiana and they are from Hawaii and they taught Lincoln all about the Hawaiian traditions.

Fluttershy: They are really amazing and they are also Lilo Pelekai's cousins.

Patty: That is amazing!

Tornado Bolt: It sure is and they are also amazing hula dancers and they also hate Flip, Scoots and Lewis Travolta with a vengeance too.

Stealth Elf: Yeah no kidding there.

Patty: What is their story like?

Fluttershy: It was crazy.

---

Lilo Pu'uwaimele: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lilo Pu'uwaimele: That's incredible.

Nico: It sure is. So, Lilo, what's the story on why you and your sisters hate Scoots, Flip, and Lewis Travolta, other than the obvious reasons?

Lilo Pu'uwaimele: Oh, you're not going to like this. One day, we were with Lincoln and we were out in Royal Woods helping out others, which is known as Lokomaika'i is an extension of aloha and love, an extension of aloha and love, and one of the many Hawaiian traditions we taught Lincoln. We helped out a lot of people, including Mr. Grouse. But, then, we got a rude awakening when Scoots, Flip, and Lewis Travolta went on the attack to kill Lincoln. But, Lincoln formed vines which tied Scoots, Flip, and Lewis Travolta us, and we then called the police and Varie, who then kicked Scoots back to The Lansing Maximum Security Insane Asylum, and J.D. tossed Flip back into a police wagon and it carted him back off to jail, where he got another Life Sentence added to his original Life Sentence, and Lewis Travolta escaped before the cops could get him put inside.

We were really shocked at what we heard.

Nico: Now, we're really glad Scoots is gone for good, and we're humiliating Flip and Lewis Travolta.

Lincoln: Yep. See, any who turn their backs on Lokomaika'i and spit on this Hawaiian tradition will get their karmic justice. For Scoots, it ended with her getting sent to Hell, and Flip and Lewis Travolta are getting humiliated for the rest of their miserable lives.

Lehua Pu'uwaimele: That's right. Oh, and for tomorrow, we should also hold a Ho'opono pono with the Duelists across the world and for all of us here.

Lincoln: That's a century's old uniquely Hawaiian family tradition, and the traditional Ho'opono pono is practiced to restore harmony and solve problems within the extended family, in which, the feuding individuals come together with an indigenous Hawaiian healer or the oldest member of the family for discussion, prayer, confession, and repentance, and it also includes mutual restitution and forgiveness.

Me: Ooh, now that's something we're going to enjoy participating in. But, what's the occasion, guys?

Lincoln: I've got a bad feeling that Yami Bakura might be planning his return. I know you've killed him using Babidi's power and Super Hakaied him, but just like Yami Marik, he's going to return to get his revenge again.

Nico: That's a good idea, Linc. We'll hold it tomorrow, and if Yami Bakura is back from the dead, we'll show him no mercy whatsoever.

Suddenly, Gina Angellus felt a sharp pain on her back, and then, her massive black angel wings with spring green tips grew much bigger for her new body, and the feathers had the same pink markings as on Itzpzpalo. Gina Angellus has on a Ring of The Phoenix with sea foam green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Gina Angellus' massive Earthbound Immortal Itzpzpalo-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of sea foam green energy with darkness, sea foam green fire, winds, and wings, and when it emerged, it transformed into Earthbound Immortal Itzpzpalo's Dark Wings Greatsword of Sea Foam Green Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Itzpzpalo and the Wings Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black bird heads for the crossguard, large sea foam green gem embedded in the rainguard, longer midnight black handle, four large midnight black bird heads and a large sea foam green gem below the black bird heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with sea foam green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Itzpzpalo's head with sea foam green gems for eyes and a large sea foam green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sea foam green kanji below Earthbound Immortal Itzpzpalo that said, "Gina Angellus, Gene-Slammer of The Wings Earthbound Immortal Itzpzpalo, Amazing Flyer, Great Communicator With Birds and Bird Expert, Lover For Incredibly Spicy Nuclear Hot Food, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Wings, Winds, Birds, and Sea Foam Green Fire"

ジーナ・アンジェラス、翼アースバウンド不滅イッツパロ の ジーンスラマー、素晴らしいフライヤー、鳥や鳥の専門家との優れたコミュニケーター、信じられないほどスパイシーな核のホット フードの愛好家、愛するガーディアン エンジェル、リンカーン ラウドの将来の妻、軽蔑者でいじめっ子のスマッシャー、スレイヤー邪悪で錯乱し、殺人的で冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして闇、翼、風、鳥、海の泡の緑の火のマスター

Gina Angellus has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS SEA FOAM GREEN FIRE EARTHBOUND IMMORTAL WINGS ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE SEA FOAM GREEN FIRESTORM LOVE!

We were amazed by Gina Angellus' Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Doto Kazahana saw it, he was mad!

Doto: ICE STYLE: BLACK DRAGON BLIZZARD!

He sent a Black Dragon of Black Ice to kill her, but Gina Angellus fired a powerful black and sea foam green energy blast with darkness, sea foam green fire, winds, birds, and wings at him, and it collided with the black dragon and destroyed it, and it exploded with incredible power as it hit him, but he's not done yet, and he's pissed off even more.

Nico: Whoa, now Gina Angellus has transformed, so cool.

Me: Yeah, and take a look at the sea foam green patterns on her black angel wings, they're the same as the ones on Itzpzpalo, and she blasted that black ice dragon and destroyed it and blasted Doto Kazahana, nice.

Lincoln: Yeah, and now, Doto Kazahana is about to feel the true wrath of The Earthbound Immortals. And Gina, you look beautiful, how do you feel?

Gina Angellus: (Divine Echoing Cosmic Voice of The Dark Wings Earthbound Immortal and Divine Sea Foam Green Fire Justice) **I feel incredible, Linky, and now, shall we finally administer Doto Kazahana's punishment for the crimes he's committed?**

Lincoln: (Smiles) With pleasure, Gina.

Me: **You're fucking through now, Doto Kazahana!**

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Gina Angellus.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done, Doto Kazahana, and you don't deserve a single ounce of mercy, not that you even deserve any.

Gina Angellus and Lincoln went after Doto Kazahana, who continued firing blasts of ice at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and sea foam green energy, sea foam green fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Birds, and Wings at Doto Kazahana and they exploded with incredible power as they hit him. Then, they attacked Doto Kazahana with their massive greatswords and they left some really nasty scars on him, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Doto Kazahana, so he couldn't escape.

Doto Kazahana: Impossible, defeated yet again?! No, I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **That's enough out of you, Doto Kazahana.**

Doto Kazahana was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Thank you, Nico.** (To Doto Kazahana) **As much as I want than to put a permanent end to you for what you've done, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?**

Gina Angellus: (Divine Echoing Cosmic Voice of The Dark Wings

Earthbound Immortal and Divine Sea Foam Green Fire Justice) **This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you.**

This caused Doto Kazahana to think, and he knew Lincoln and Gina Angellus were right: if news of his defeat reaches Barodius, he will kill him and not show him any mercy at all, and he doesn't have the manpower to deal with a monster like Barodius, and Dustin Keystone will also kill him since he's still now mega pissed off at what Lincoln did in removing the Hom Dai from him many days ago.

Doto Kazahana: (Growls) Fine.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice. But, to make sure you're kept in line.**

Lincoln gave Doto Kazahana the Hinon's Vengeance Curse and beamed him to The Masters of Evil's HQ, where Vypra and the others were given the news: Doto Kazahana is now part of The Masters of Evil, and he'll be under strict supervision, and Lincoln put the Hinon's Vengeance Curse on him. We cheered wildly for what Gina Angellus and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Gina Angellus' new body, clothes, weapons, jewelry, and massive black and sea foam green angel wings are permanent.

Gina Angellus: That's one villain recruited into The Masters of Evil and four more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Doto Kazahana, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gina.

Suddenly, Gina Angellus wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Gina Angellus' face, they kissed passionately as Gina Angellus' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Itzpzpalo flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces, winds blowing, and sea foam green fire raging behind them and we all cheered wildly. Lincoln and Gina Angellus absorbed the fires, and they came back, and Itzpzpalo vanished.

Nico: Awesome job, Gina and Lincoln, you guys took down and convinced Doto Kazahana to join The Masters of Evil.

Me: Yeah! I was afraid he was too hard headed to be even worthy of joining them.

Lincoln: And I also put the Hinon's Vengeance Curse on him, because if he steps out of line, the curse will take his life, and he'll be sent to The Black Gates.

Vypra: I like it. And he'll make a fine member.

Fubuki: Nice one, and you'll do the same to Mizore Fuyukuma, Nadare Rouga, Fugai, and Kamira.

Lincoln: That's right.

Simone Yukimura: Which means tomorrow, you and I are taking down Mizore Fuyukuma, Lincoln.

Lincoln: You got that right, Simone.

Me: I remember him. He'll be an excellent member of the group too.

Eli: We'll be sure to get front row seats for this one. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli. Hmm, ooh, here's a good one, how about a Gene-Slammer for Machamp.

Nico: The Superpower Pokémon, ooh, now that's an awesome and tough one.

Lincoln: You got that right.

Cantwell: Looks like the Commando Elite is taken care of.

Wiggum: And now, we own them.

Me: Yep.

Robo Roxy: No matter what Globotech says.

Me: That's for sure. We'll reprogram them and make the chips harmless instead of evil.

Qin: Good idea

Mysterio: We'll have several of these pizzas to go.

Eccentro: But not all of them.

Nico: There's lots for everyone.

Vypra: But man this is amazing that this world is here.

Qin: It sure is.

Nico: Yeah. But man I'm not eating anything for the rest of the day.

Me: Me neither. I'm really stuffed.

Qin: Same here.

Shaggy and Scooby belched and we saw that they were bloated like overstuffed Thanksgiving turkeys and are a fat as sumo wrestlers.

Qin: Jeez you guys have had enough.

Shaggy: Like yeah. (BELCHES) We sure have.

Scooby Doo: Pats his stomach. (BELCHES) Reah.

Nico: Well lets get home everyone. Great job today everyone.

Moondancer: (To the viewers) This was an awesome and amazing adventure on a planet made of pizza. And it was a tasty one too.

Nico: Boy it sure was.

Me: Yeah.

We went back to the ship and went home and then enjoyed the rest of the day and went to sleep.

Another awesome fanfic done.

A Planet made entirely out of pizza would be everyones most favorite and awesome dream. Anyone that doesn't like pizza has something wrong with them and they need to go to a nuthouse.

Lancer Santiago-Loud: But the question is, Where?

Me: they're at Hokkaido, Japan.

Nico: Oh man, that's not good. Out on the streets in Hokkaido, Japan, is not a safe place for kids like them.

Me: A rescue at Duel Academy Island is always fun.

Nico: It sure is.

Varie: I'm looking forward to this one.

Laney: Same here. I hope we kick some bad guy butt.

Jonny 2X4: Right on! Me too! Plank is itching to tear some heads off.

Lana: You got that right Jonny.

Nico: Thanks for coming with me, Jonny.

Jonny 2X4: No problem Nico. We're ready to have some fun aren't we Plank?

Plank didn't say anything.

Nico: Jonny, I wish all of us can understand Plank like you and Deadwood can.

Jonny 2X4: I know Nico. But Plank has been with me since he was made. And he is special to me.

Nico: He sure is special.

Eli: Yeah it's awesome.

Me: Yeah and he is awesome as a partner for you as Captain Melonhead.

Nico: Yep.

Jonny 2X4: That's for sure!

Qin: That evil version of you is crazy. The Gourd and Timber The Dark Shard. Scary team.

Nico: Tell Plank that he's a cool friend to have. Even though we can't hear him talk.

Jonny 2X4: I will. Did you hear that buddy?

Plank didn't say anything.

Jonny 2X4: Plank says thanks Nico.

Nico: You're welcome.

Laney: Awesome. Double D did say that this is very normal for some people.

Nico: True.

Qin: Yeah.

Nico: We ate lots of pizza yesterday.

Me: Boy we sure did. That was the most pizza I've ever eaten.

Qin: Me too. It was the best ever too.

Jonny 2X4: It was awesome and tasty.

Camie: Boy it sure was tasty.

Tsuyu: Man it sure was. But it was amazing that there was a planet made of pizza too.

Sirius: Yeah no kidding there. That planet was so cool.

Nico: And we met a friendly ghost.

Twilight Sparkle: And the first of one of many from the Ghostbusters.

Me: A great way to start off Moondancer's mission even though we have 2 months left.

Qin: Yeah no kidding.

Varie: But we're happy for Moondancer getting a member of her group for her usual battles.

Camie: Yep. We just have to find one more.

Nico: Also, it's confirmed that Keiichiro, Nelson, Kaito, Zexal Luna, Effect Veiler, Yamato, Juru, Okalani Xayavong, Ryo, and Cathy are confirmed to be backup core members.

Me: Awesome choices Nico!

Qin: Yeah and Yuma's friends Luna and Cathy will love that.

Rarity: And Juru will love being in the backups darlings.

Nico: Thanks.

We went into Duel Academy and it was beautiful and awesome as always.

Nico: Duel Academy is always amazing.

Laney: It sure is.

But then we heard a voice and it sounded like Alexis.

Me: Huh? Alexis is that you talking?

Alexis Rhodes: No it's not me.

Me: Hmm.

We went into the main Duel Auditorium and to our shock and horror we saw WHITE ALEXIS! She was badmouthing and belittling all the duelists!

We gasped!

Me: Oh man! I thought we were rid of her.

Alexis Rhodes: That evil version of me brainwashed by Sartorius!?

Nico: Not good!

White Alexis: You all are stupid pompous arrogant freaks! You care about no one but yourselves and your own fucking mindsets and how you make people suffer! I want you all to feel the same pain I felt when I was ostracized about everything!

When she said that I was infuriated!

Me: (GROWLS) THAT DOES IT!

I went over to her.

Nico: J.D. what are you going to do!?

Me: Teach this cold-hearted bitch some manners!

I went over to her.

Me: HEY!

She saw me.

White Alexis: Well if it isn't the Royal Defenders stressed up fuckup!

Me: Sticks and stones. Sticks and stones. All in the past too. I've had it with you. It's time to teach you some manners.

I then pulled a Duel Monsters card out.

Me: I activate THE SEAL OF ORICHALCOS!?

Everyone gasped when they heard me activate it!

Eli: OH NO!

Nico: J.D. really means business!

I activated it and then a green ring with Enochian symbols in it appeared and landed and formed a unicursal hexagram in it and then I was enveloped in a pitch black aura and I looked up and I had the Seal of Orichalcos emblazoned in the middle of my forehead.

Me: You have just FUCKING PISSED ME OFF FOR THE LAST TIME WHITE ALEXIS!

I opened my eyes and they were glowing red and radiating with pure hatred and rage! The amount of hatred and rage I had coming off of me was unbelievable and I was SURGING with intense Negative Energy!

Albedo turned into Negative XLR8.

Negative XLR8: Time to go fast!

Nico: Albedo wait! We can't get into the Orichalcos ring. Somehow it has a magical energy that prevents us from getting in and others from getting out.

Eli: He's right. J.D. is on his own.

Qin: Oh boy

Varie: Be careful honey.

Me: Don't worry guys. I'll be just fine.

White Alexis: You make me sick J.D.

Me: Well fuck you too bitch! You are just nothing more than a boring and uncool lame bitch with a heart as black and cold as night!

Alexis: YOU TELL HER J.D.!

I smirked with incredible maliciousness!

White Alexis: Boring… uncool… lame!? ME?! YOU MOTHERFUCKING MONGREL! I WILL KILL YOU FOR SAYING THAT! NO ONE SAYS THAT TO ME!

Nico was about to charge in to help me when suddenly, from far away, he saw what looked like an ancient green Power Ranger. In fact, it was a female one. Before Nico could approach her, she motioned Nico to be silent before vanishing.

Kaito: (gets out Carranger gear) Nico, you okay?

Nico: Oh, me? I'm fine. I just spaced out for a second.

Zocks: (Gets out Ohranger gear) Well, you might want to get your head back in the game. Things are starting to heat up!

White Alexis roared and went at me and I fired a wave of wind and blew her down. She got up.

White Alexis: YOU MOTHERFUCKER!

Me: Says the pot calling the kettle black!

She then fired a blast of dark energy at me and I deflected the blast and it hit her and smashed her down!

Nico: J.D., if you can hear me, I need to go outside to check something.

Me: Don't worry I can hear you and okay Nico.

Nico went to go outside.

I fired waves of energy and smashed down White Alexis.

Negative XLR8: Wow! J.D. is still a gentleman even to someone like White Alexis.

Alexis: He sure is. At least he isn't touching her.

Jaden: Yeah!

Kaito: (to Zocks) Should we activate our gears and follow Nico?

Zocks: We should. Something's got Nico spooked. And I don't think it's the White bitch over there.

They went and followed him.

I fired waves of fire and blasted down White Alexis.

Me: Had enough you cold-hearted bitch!?

White Alexis: NEVER! I will kill you!

Nico was outside and everyone came to him.

Maria: Nico, you need to tell us what's going on with you!

Nico: I saw someone outside. Some kind of ancient Green Power Ranger.

Eli: Ancient Green Power Ranger? (GASP) You saw one of the Morphin Masters!

Nico: The Morphin Masters!? Whoa!

Qin: The Morphin Masters are here!? Wow!

Nico: But I wonder why?

Eli: Are they here?

Nico looked. And he saw no one there.

Nico: (sighs) No one outside. I must be losing my marbles.

Eli: No Nico. I believe you. You're telling the truth. You are lucky to see one of them. They are legends.

Qin: Yeah.

Nico: I just hope J.D. finished White Alexis.

Then they heard a powerful scream and came back in and saw the Seal of Orichalcos sucking in White Alexis into a card and then they saw her being sucked in.

Qin: HOLY MACKEREL!

Camie: My god! Is that what the Seal of Orichalcos did!?

Tsuyu: Holy jeez!

Nico: Yeah.

White Alexis was sucked into the card and gone.

I picked it up.

Me: That is it for her.

All the students of the school cheered wildly for me.

Then I fell and Nico teleported and caught me.

Nico: You all right?

Me: Yeah. Just a huge rush of Negative Energy.

Starlight Glimmer: Wow! J.D. that was incredible!

Me: It was. But I can only use the Seal of Orichalcos as a last resort. But I'm sorry I did that. White Alexis just pushed me over the edge.

Nico: I know. She was mean and evil.

Me: Yeah.

Alexis: But you did it J.D. You defeated that evil version of me.

Nico: We'll have Vypra transport her to the Masters of Evil prison so she can be forced into service.

Me: Good idea.

Rattrap: But man J.D. that was amazing.

Me: Thanks Rattrap.

But then…

ZOOM!

Something zoomed passed us with incredible speed.

Qin: WHOA! Did you guys see that?

ZOOM!

It came in front of us and it was a black version of XLR8! It was ANOTHER XLR8!

Me: Whoa! Another XLR8!

Nico: Another fast one.

Qin: Ellie Singh is gonna love this one.

Another XLR8: (In a girls voice) (Georgian Accent) And it's good to see you again J.D.

Me: Whoa! Naomi Patrick Onatopp!

Nico: You know her?

Me: I sure do. Her name is Naomi Patrick Onatopp. She is from Georgia and she is an awesome expert sharpshooter.

Nico: Wow! She must be a really good shot.

Me: She is. She never missed once.

Kaito: Did Swartz promise you anything?

Another XLR8: Just to be the best ever sharpshooter.

Me: You already are the best sharpshooter ever. You have an absolutely impeccable shooting record. Never missed once.

Another XLR8: That's true.

Nico: Wait are you by chance related to…

Another XLR8: As a matter of fact yes I am. Xenia Onnatop was my mother.

We gasped.

Me: Your mother was one of the members of the Janis Group who were trying to destroy the entire global economy.

Qin: Yeah!

Another XLR8: I know. But I am not like my mother. She is dead to me.

Xenia: At least she will never hurt you again.

Kaito and Zocks activated their gears. Kaito got a Turbo Sword and Zocks got a Zeo Sword!

Nico: (gets out Speed Demon's Ridewatch) Time to go fast!

Nico activated it and then…

ZOOM!

Nico ran incredible fast and smashed down Another XLR8 with speeds at 1,000 miles per hour. He ran so fast that he was setting the area on fire!

Me: WOW! That was fast!

Eli: Yeah!

Nico smashed her down all over.

Jaden: Get your game on Nico!

Another XLR8 then accelerates so quickly that time completely stopped. She then walked over to Nico's back and put a Kick Me sign there before kicking him in that spot.

KICK KICK KICK!

SHE RAN FAST AND TIME RESUMED and then Nico felt the pain from the kicks and it hurt!

Nico: OUCH!

Me: She put this on you.

I pulled the sign off and showed it.

Nico: (Sarcastically) Oh VERY FUNNY!

Sougo: (gets out Don Momotaro Ridewatch) You had your fun!

Geiz: (Gets out Geiz Revive Ridewatch) Now, it's our turn!

Majesty Time! Kamen Rider~! GeizMaje~sty!

Sougo got DonMomotaroArmor while Geiz became Geiz Majesty.

Me: Time for this wolf to pounce! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Another XLR8 ran fast but then I magically got wolf ears on the top of my head. Then feeling the vibrations in the air I then fired waves of blue fire and smashed her down.

Nico: OH YEAH!

Me: What the?

I felt the ears on my head.

Me: I have wolf ears on my head now! Wow!

Jonny: My turn!

He activated Deadwood's Ridewatch and threw a bunch of acorn bombs and they hit her and exploded and smashed down Another XLR8!

Nico: Nice one!

Qin: That was cool!

Alexis: Yeah it was!

Then we heard a horse whiny?

Nico: Is that a horse?

Qin: Look!

We saw an Advanced Crystal Beast Sapphire Pegasus!

Me: WHOA! An Advanced Crystal Beast Sapphire Pegasus!

It flew over to us and landed.

A.C.B. Sapphire Pegasus: (In a girls voice) Looks like I got here just in time.

Nico: Sapphire Constantine!? Wow!

She reverted back and she was a girl with blue hair and blue clothes and she had blue angel wings and had a blue jewel in the middle of her forehead.

Sapphire Constantine: I got this for you guys.

She fired a beam of blue light and it hit Another XLR8 and knocked her down and I caught the ridewatch and purified it. Then I went over to Naomi and she was a black hair girl with Russian White Clothes and I picked her up. Naomi looked at me and was roaring. Sapphire then went over and put her hands on Naomi and she chanted a latin incantation and the creature inside Naomi roared as it was destroyed.

Me: Whoa!

Naomi Onnatop: (Groans) What happened? Where am I?

Nico: What just happened?

Sapphire Constantine: She was possessed by a demon too and I sent it back to hell.

Me: You're an exorcist. Are you?

Sapphire Constantine: Yeah. I'm John Constantine's daughter. I learned all I can about exorcisms and magic arts from him.

Me: That's incredible.

Naomi Onnatop: J.D.? Wow. Thank you both.

Sapphire Constantine: You're welcome.

Maria: Back up. There was a demon. Inside Naomi? How?

Sapphire Constantine: They are all over the place. But like my father I help by sending them back to Hell.

Qin: We dealt with many of them before.

Me: We sure have.

Laney: Yeah.

Jonny 2X4: But that was amazing! What's your favorite memory of Nico?

Sapphire Constantine: I have a lot of them. My favorite is when me and Nico were over in New York and we helped my father send the Devil, Lucifer himself back to hell.

Nico: Yep.

Me: Wow! That is incredible.

Qin: It sure was awesome.

Laney: Wow!

Nico: Yep.

Nico and Sapphire hugged.

Nico: I missed you.

Sapphire Constantine: Me too Nico. Me too.

Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, Ben Tennyson, Riley Anderson, and Jimmy (Ed Edd N Eddy) are heading to the world of the 1986 movie From Beyond, and not only is Lincoln going to rescue the fourteen girls here, but we're also going to find a treasure for Ben Tennyson, it's a book called The Secrets of The Omniverse, and after we get that, we're going to also destroy Dr. Edward Pretorious and The Resonator that turned him into a disgusting creature and caused this whole nightmare.

Lincoln: Whoa, we're here in the world of the 1986 movie From Beyond, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we're also going to find a treasure for Ben Tennyson, a book called The Secrets of The Omniverse, and after we get that, we're going to also destroy Dr. Edward Pretorious and The Resonator that turned him into a disgusting creature and caused this whole nightmare.

Nico: I saw From Beyond long ago, and I almost threw up when I saw what Pretorious turned into, yuck!

Me: That would've been really messy, but we're still going to kill him and destroy The Resonator for good.

Lincoln: And that's after we get The Secrets of The Omniverse for Ben.

Ben Tennyson: You got that right, Lincoln. But, I'm surprised Pretorious isn't going after it himself.

Lincoln: He's not going after the treasure himself, since he's now completely insane, thanks to what he went through in The Resonator.

Nicole: And I heard about it from Shanan, this book is said to contain the history of the beginning of the Omniverse, and only a true hero of the Omniverse can be trusted with this. And since Pretorious is an insane monster who's messed with forces beyond his imagination, if he tried to get his hands on it, he'll be destroyed.

Nico: He's about to be destroyed by us, along with that accursed machine, The Resonator.

Riley: Yeah, we're going to make him pay for what he's done.

We then head for an abandoned cave in the city, and there, guarded by Galvan technology is a large green-colored book with the symbol of the Omnitrix on the cover: THE SECRETS OF THE OMNIVERSE.

Ben: So, that's The Secrets of The Omniverse.

Me: Everything Nicole said about it is true.

Nico: And it's guarded by Galvan Tech, incredible.

The Galvan Tech scanned Ben, and it deactivated the shield, and it allowed Ben to grab the powerful book. Suddenly, he opened the book and in its pages is a massive history of the beginning of the Omniverse and it flowed into his brain and gave him all of the knowledge of the alien worlds in The Omniverse and beyond. Suddenly, Ben's green eyes turned neon green and he was surrounded by a black, green, and white energy aura with elemental forces, aliens, stars, and nebulae, and we knew what it was: Ben's about to transform. Suddenly, Ben was surrounded by a massive vortex of black, green, and white energy with elemental forces, nebulae, and stars surrounding the vortex, we saw the billions of aliens that Ben has in the Omnitrix flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Ben emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Ben felt a sharp pain on his now wider and more muscular back, and then, massive brown angel wings with green tips on the feathers, grew and sprouted out, Ben has on a Ring of the Phoenix with green gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Suddenly, Ben's massive Sword of The Omnitrix Brigade in his large left hand and all of the swords he'd gotten in the treasure battles began merging together, and they're surrounded by a kaleidoscope of green energy, nebulae, stars, and elemental forces, and when it emerged, it was then transformed into Galvan's Omniverse Tech Greatsword of Elemental Alien Justice, it's a new large greatsword with the Galvan Tech symbol and aliens surrounding it etched on the 7'0" massive, wide, double-edged silver blade, two large black Omnitrix dials for the blade's crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large Omnitrix dials and a large green gem on the bottom for the pommel, Ben has on his new large gold cuff Bracelets of the Champions of The Universe with green gems on his wrists and his Omnitrix has merged with the large gold right cuff Bracelet of The Champions of The Universe, his new large gold Belt of Elemental Bravery with a large gold phoenix head with green gems for eyes and a large Galvan Tech symbol in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, his new Secrets of the Omniverse book, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. Ben Tennyson has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY UNIVERSAL ALIEN ELEMENTAL OMNIVERSE NEBULA ANGEL OF DIVINE UNIVERSAL ELEMENTAL ALIEN JUSTICE AND DIVINE ELEMENTAL GALVAN HOPE AND PEACE!

We were amazed by Ben Tennyson's Super Angel Xelnaga Eternity Infinity transformation, and when Riley also saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ben: (Divine Echoing Cosmic Voice of The Elemental Universal Omniverse Angel and Divine Elemental Universal Galvan Hope) **Whoa, now this is really incredible.**

**Omniverse and the universe inside me. Now, let's go get that bastard, Dr. Pretorious, and destroy him and The Resonator.**

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of fourteen girls calling for help, along with the sound of insane and mad laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fourteen girls, along with Katherine, but they've been cornered by Dr. Pretorious, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the fourteen girls, along with Katherine, but they've been cornered by Dr. Pretorious, and he's going to kill them.

?: (Girl's voice) (Russian Accent) That ugly, insane monster, let's rip him apart!

Suddenly, we saw the Pokémon, Machamp, appear before us.

Nico: Whoa, that's the Pokémon, Machamp.

Lincoln: And I'd recognize that voice and Russian accent from anywhere, I knew it was you, Natasha Istrebitellezviy, but we'll talk later.

Ben: (Divine Echoing Cosmic Voice of The Elemental Universal Omniverse Angel and Divine Elemental Universal Alien Galvan Hope) **He's right, let's get him!**

We rushed over, and right before the mutated Dr. Pretorious could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at the insane mutated scientist, and that allowed the fourteen girls to get to safety inside of a rainbow energy field created by Lincoln to protect them from Dr. Pretorious, and when he saw us, he was pissed off and furious.

Dr. Pretorious: I will eat your brains for getting in my way!

Lincoln: Not happening, you ugly bastard! Your days are hereby numbered, Dr. Pretorious.

Nico: You're about to be forgotten for good, ugly!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, Jimmy (Ed Edd N Eddy), Riley, Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice and Celtic Moon Gauntlets of Glade Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Dr. Pretorious, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Ben and Lincoln fired two powerful energy beams at both Dr. Pretorious and The Resonator, and they exploded with incredible power, destroying both The Resonator and Dr. Pretorious, and when his spirit appeared, he was sent to The Black Gates and he was erased forever. We cheered wildly as we holstered our weapons and powered down, and Ben's brand-new body, clothes, weapons, jewelry, and massive brown angel wings are permanent.

Then, Riley ran up to Ben and she wrapped her arms around Ben's thick muscular neck and her chest pressed up to Ben's now massive and wide muscular pecs and her stomach was pressed against his eight-pack abs which brought an atomic red blush to his face, and then, he wrapped her waist in his abnormally massive and powerful muscular arms, and then, he leaned down and kissed her on the lips and she returned the kiss with intense passion, as she still had her left arm wrapped around his thick muscular neck, but she brought her right hand down to his massive and wide muscular right pec, and we cheered for them.

We then went up to Katherine, and she broke down and hugged me and cried, and I was hugging her.

Nico: She really went through a nightmare.

Lincoln: She saw things that were beyond her imagination, thanks to activating The Resonator, and what Dr. Pretorious tried to do to her, that was more than enough to scar her mind with nightmares that'll plague her for the rest of her life. I'm sending a message to Ino about this, but what about the others?

Katherine: Bubba's dead, and Dr. Tillinghast was killed by Pretorious, nothing is left of them.

We gasped.

Lincoln: This was before we arrived to help out, and Dr. Pretorious has denied them a proper burial. Now, he's really gone too far, but we avenged their deaths, now they can rest in peace.

Me: They will.

Nico: Pretorious was playing with forces beyond his imagination with The Resonator, and those forces are dark and evil beyond anyone's comprehension. But, now he's gone for good.

Lincoln: And never coming back. (To Natasha Istrebitellezviy) And it's so good to see you once again, Natasha Istrebitellezviy.

Natasha Istrebitellezviy reverted back to normal, and she was a 6'6" tall, beautiful woman with long orange hair tied in a ponytail, blue eyes, she had the extremely voluptuous body of a goddess and like her cousin, Cattleya from Queen's Blade, Natasha has a massive bust clocking in at 144 inches, but we kept cool so as not to get clobbered by Nicole or Lincoln, and she had on the same tight apron-like dress as Cattleya, but hers was blue, black ankle-high boots, and a long white sleeveless trenchcoat with earth and lava on the coattails and Machamp on the back, and holstered right on her back is a more powerful version of Cattleya's Giant Killer named Giant Destroyer, an ultimate weapon against giants.

Natasha Istrebitellezviy: (Russian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Natasha Istrebitellezviy and they hugged, and Natasha Istrebitellezviy is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were sixteen, and as you can see, I really grew a lot since then.

Natasha Istrebitellezviy: (Russian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Natasha Istrebitellezviy, she's my Guardian Angel from Russia and classmate in science, but she's also a fighter with both swords and bare fists. It was Natasha who taught me the ways of blacksmithing, and I even made a more powerful version of Cattleya's Giant Killer named Giant Destroyer, an ultimate weapon against giants, which is what you see holstered on her back.

Me: Whoa, now that's some quality craftsmanship!

Natasha Istrebitellezviy: (Russian Accent) Thank you, Comrade J.D., and Lincoln and I also made very powerful weapons for Team Loud Phoenix Storm to use against Giants, especially Titans.

Lincoln and Natasha got out scrolls and they opened up and showed a massive collection of massive and very powerful greatswords to use against Giants, especially Titans, and they went to each of us here in Lincoln's group and the other greatswords went to the others waiting for us back home.

Lincoln: And before you ask, I was one of the first to get a massive and very powerful greatsword of my own.

Suddenly, the Thunderbird etched on the 7'0" massive, wide, double-edged gold blade of Lincoln's massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds glowed, and the massive greatsword turned into Hinon's Thunderstorm Rage, a massive and very powerful greatsword with a Thunderbird etched on the 7'0" massive, wide, double-edged blade, large Thunderbird heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large Thunderbird heads and a large electric blue gem on the bottom of the Thunderbird heads for the pommel.

Nico: Whoa, now that's really awesome!

Lincoln: Yep.

Then, it changed back into Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds.

Lincoln: And her last name, Istrebitellezviy, means Blade Fighter in Russian. Plus, while we were in our underwear at a lake, we kissed each other on the lips underwater.

Eli: Now, that's sweet. But, I hope no perverts were watching her.

Natasha Istrebitellezviy: (Russian Accent) They better not, and just like my cousin, Cattleya, I have a massive bust clocking in at 144 inches, and like you, Nicole, Lincoln will brutally pummel any pervert who even looks at me like that, and I hate Lewis Travolta with a burning passion. In fact, take a look at what Lincoln did to him.

Natasha played a video on her phone, and we saw what Lincoln did to that fat jerk, and when he was done, Lewis Travolta had his arms and legs broken, his teeth knocked out of his mouth, two black eyes, and a bloody nose. We were stunned, including Nicole.

Nicole: (Stunned) Holy crap, that's exactly what I've done to any pervert, but that coming from you, Lincoln, sheesh, remind me never to piss you off. Say, how would you like to be an honorary member of The Anti-Pervert Patrol? Since you've also known to defend the rights of women everywhere, except for a few evil women, and that beatdown you gave NO MA'AM also proved it as well.

Lincoln: Sure, I'm in.

Nico: Oh, shit, perverts beware, there's a new member of The Anti-Pervert Patrol and his name is Lincoln Loud.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around the neck of Natasha Istrebitellezviy with orange gems on the gold thunderbolt links and blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Natasha Istrebitellezviy: (Russian Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Natasha.

Natasha Istrebitellezviy had a smile on her face and tears in her eyes, as Lincoln then wrapped his abnormally massive and powerful muscular arms around Natasha's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her faces and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fourteen girls, and when Lincoln saw them, he recognized them immediately. The fourteen girls are Elianna Bernstein from Bibliophile Princess and Alexia Midgar, Alpha, Beta, Delta, Epsilon, Eta, Gamma, Iris Midgar, Zeta, Claire Kagenou, Rose Oriana, and Sherry Barnett from The Eminence in Shadow.

Lincoln: Oh wow, it's Elianna Bernstein from Bibliophile Princess and Alexia Midgar, Alpha, Beta, Delta, Epsilon, Eta, Gamma, Iris Midgar, Zeta, Claire Kagenou, Rose Oriana, and Sherry Barnett from The Eminence in Shadow.

Nicole: Awesome!

Lincoln: Are you girls okay?

Elianna Bernstein: Yes, we're okay, thanks to you.

Elianna Bernstein: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Elianna Bernstein: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Thunderbird Necklaces of Eternal Love appeared on the necks of Elianna Bernstein, Alexia Midgar, Alpha, Beta, Delta, Epsilon, Eta, Gamma, Iris Midgar, Zeta, Claire Kagenou, Rose Oriana, and Sherry Barnett with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their brand-new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they saw what happened to Ben when he'd gotten the book, The Secrets of The Omniverse, and they were shocked when they found out the villain we went after was Dr. Pretorious.

But, when Lincoln showed what we did in destroying Dr. Pretorious and The Resonator for good and sending Dr. Pretorious to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Natasha Istrebitellezviy have a lot of catching up to do, now that she's back in town.

Ed Cowart: You guys did awesome killing Edward Pretorious and destroying The Resonator, and Ben had gotten The Secrets of The Omniverse. Plus, I didn't know you had a cousin, Cattleya.

Cattleya: But, you didn't ask, Ed, and it's so good to see you again, Natasha.

Natasha Istrebitellezviy: (Russian Accent) You too, Cattleya.

Cattleya: And not only am I glad that Lincoln's not only taking good care of you, but to find out he's also made a more powerful version of Giant Killer for you and you both also made very powerful greatswords for all of us here.

Lincoln: And they're made for slaying Giants, especially Titans.

---

After destroying Dr. Pretorious and The Resonator, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Natasha Istrebitellezviy saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Natasha Istrebitellezviy: (Russian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Natasha, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Natasha Istrebitellezviy: (Russian Accent) That's incredible.

Nico: It sure is. So, Natasha, what's the story on why you hate Lewis Travolta with a burning passion, and it led to Lincoln beating him to a bloody pulp on the video you showed us?

Natasha Istrebitellezviy: (Russian Accent) That's something I'll remember all too well. One day, Lincoln and I were swimming in a lake, and I was in a bikini and Lincoln was in his orange swim shorts at that time, but we suddenly had the feeling that we weren't alone: Lincoln sensed someone in the bushes, and he heard a mocking laugh in the bushes. He fired an energy blast at the figure in the bush, and it was exposed as Lewis Travolta, and he was not only watching me, but he was also planning to kill Lincoln and kidnap me to have me run over by a train when I saw rope and a gag with him, and it really really pissed Lincoln off so badly, his face and body turned red, his deep sapphire blue eyes turned blood red, his vampire fangs grew longer, and he spread his massive white angel wings and he charged at Lewis Travolta and he proceeded to beat and pummel Lewis Travolta all over the place, and when Lincoln was all done, Lewis Travolta had his arms and legs broken, his teeth knocked out of his mouth, his crotch kicked in, and he had two black eyes, and Lincoln cooled down and he had Lewis Travolta's blood on his hands. I ran up to Lincoln and I hugged him, and I also cleaned Lewis Travolta's blood from his hands. We called the cops and had Lewis Travolta taken away to a hospital and we also pressed charges on him, but he got away weeks later.

We were really stunned at the story.

Eli: Why, that ugly, rotten, no-good!

Lincoln: Yep, what a jerk!

Me: You said it, and I still remembered that day all too well.

Nico: Same here.

We got a shower afterwards, and then, Lincoln, Photo Finish, Violet Blurr, and Pixel Pizzaz are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim trunks with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Photo Finish, Violet Blurr, and Pixel Pizzaz were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out that Lincoln had saved Photo Finish, Violet Blurr, and Pixel Pizzaz from some men Flip hired to kill, and after Lincoln found out, he went down to Lynn's Table and hit Flip hard in the head, leaving a bump on his head, and they joined his harem.

Photo Finish: Wow, so this is Sirena Beach, awesome!

Lincoln: Yep, and it's perfect for our first beach date, Photo Finish.

Shall we?

Lincoln, Photo Finish, Violet Blurr, and Pixel Pizzaz dived into the waters and they also saw the marine life there. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and Photo Finish, Violet Blurr, and Pixel Pizzaz got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Photo Finish, Violet Blurr, and Pixel Pizzaz, and they wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Sirena Beach.

Photo Finish: For our first beach date, might we add, and we had a blast.

Me: That's awesome.

Twilight Sparkle: And I'm also glad you girls are now part of Linky's harem.

Photo Finish: Thanks, Twilight, and we were really glad Lincoln saved us from those men that Flip had hired to kill us.

Me: That ugly, smelly, mutant cheapskate!

Nico: If that moron thinks he can get away with this, he's even stupider than ever!

Lincoln: I think he may need more than a bonk on the head from me to make him learn his place.

Lynn Sr.: I've made sure of that, champ.

Lynn Sr. made a one-way viewing window, and we saw Flip belching and farting out tons of coins and fire from his mouth, eyes, and three-cheeked butt.

Lincoln: Whoa, what did you feed him, Dad?

Lynn Sr.: A truck full of three-thousand Tears of Zephos, grown by Laney and Raven, and force fed through a funnel.

Lincoln: (LAUGHS HYSTERICALLY) Oh man, Dad, that was really awesome!

Rita: I was also there when your Dad did that stunt to Flip, and Flip deserved it big time.

Me: You said it, Ms. Rita.

Nico: When we saw it, oh man, your dad knew how to exact payback on that cheapskate!

Lincoln: After what Flip did to Gramps, Dad had every right to get payback on him.

---

We were back at the estate watching TV.

While the rest of us were relaxing inside, me and Teen Titans Bumblebee were walking outside. But that's when we saw the Ancient Green Power Ranger again.

Nico: I knew I wasn't imagining it! Who are you?!

Me: I Don't believe it! It's one of the Morphin Masters! I remember seeing you on TV. But yeah who are you?

?: I am Morphin Master Green from the Morphin Masters.

Teen Titans Bumblebee: So, you guys created the Morphin Grid.

Master Green: Well, we only study it. But we HAVE been responsible for creating the power sources of several Ranger teams. It is an honor to meet you at last, Nico Chan. You and J.D. have done a good job uniting all the Ranger teams under one group.

Nico: Thanks. But congratulating me probably isn't why you're here.

Master Green: You and your friends will meet the Dino Fury Rangers sooner then you think. And it will lead to your biggest battle ever.

Me: I have a feeling it's going to involve the Void Knights so called Wife the Void Queen.

Teen Titans Bumblebee: We know. We're gonna meet them properly in a few more weeks.

Master Green: Oh, you will not go to them first. One of them will come to you. But still, be ready for when that day comes. And may the power protect you.

Me: Thank you.

With that, Master Green vanished, leaving me and Bumblebee with more questions then answers.

Me: I have a feeling this is gonna be a huge one.

Nico: Yeah me too.

But then King Kai called us.

King Kai: Nico! Can you hear me?!

Nico: Oh, I read you loud and clear, King Kai. But first, I got a question. What do you know about the Morphin Masters?

King Kai: Well, I've honestly known about them for thousands of years. Why do you ask?

Nico: One of them paid me a visit. So, before your big announcement, I'd like you to do some research on them.

King Kai: Well, I don't mind that. But I have urgent news-

Nico: Just humor me for now. (hangs up)

Yost Wasp: Did you just hang up on King Kai?

Nico: (sighs) His big announcement can wait until later.

Me: He doesn't use a phone Nico.

King Kai: Nice try though Nico.

Nico: Right I forgot about you being telepathic.

Blot: Listen, can your urgent news wait until later? Nico looks unnerved right now.

King Kai: I'm afraid it's very urgent.

Me: Guys business before pleasure. Go ahead King Kai. What's up?

King Kai: (Telepathically) I've got really bad news from The Duel Monster World: Yami Bakura is back from the dead to get revenge on Yugi and Pharaoh Atem for destroying Zorc Necrophades and ruining all his plans to destroy the world, and he's going to make sure everyone pays!

We gasped in horror.

Nico: That heartless, genocidal monster from The Shadow Realm!?

Me: Oh man! Not good!

Bakura: This is bad, that monster's not going to quit until he's gotten his revenge and destroyed the world.

Me: And it proved Lincoln right about what he said yesterday: Yami Bakura's returned from the dead. Of course I had the same feeling too.

Lincoln: And before any of our new recruits ask, Yami Bakura is just as, if not, even more dangerous than Yami Marik, especially because of the fact he'd made a deal with Zorc Necrophades, the dark god of The Shadow Realm.

The new recruits gasped in horror.

Camie: Who is Yami Bakura?

Me: A thief that lived back 5,000 years ago. He was a monster on steroids.

I went over his history.

---

Dark Bakura, also known as Yami Bakura, is the main antagonist of the original Yu-Gi-Oh! series.

He is an evil spirit from the Millennium Ring who almost always appeared when he possessed his host, Bakura Ryou. Born from the fusion of the Yami God Zorc Necrophades and the powerful and maniacal grave robber, Thief King Bakura, the Spirit of the Millennium Ring was a sadistic, powerful thief who would kill to get what he wanted.

Bakura Ryou was similar to Yugi in terms of personality. Meanwhile, Yami Bakura genuinely started off as being similar to Yugi's Yami side, who challenged those who would bully his original personality and put them under a Penalty Game that, in his case, had to do with whatever game that they were playing, and sucked their souls into the game while their bodies fell into a coma. In that, Bakura formed as a foil to Yugi.

As the combination of both the souls of Zorc Necrophades and the Thief King, Yami Bakura in the Japanese and manga versions, resides in the Millennium Ring, his possession could apply to both the ring and its unfortunate wearer.

In the first anime series produced by Toei, he was voiced by Tsutomu Kashiwakura. In the second anime series, Yu-Gi-Oh! Duel Monsters, he was voiced the late Yō Inoue (only in Duelist Kingdom Arc) and later by Rica Matsumoto (in the rest of his appearance) in Japanese version, and by Ted Lewis in 4Kids' English dubbed version. Origin

Circa 3000 B.C., Pharaoh Atem gave his life to seal both the souls of, Zorc Necrophades, and his own soul in the Millennium Puzzle. Zorc also sealed a part of his soul in the Millennium Ring. Also, Bakura, King of Thieves sealed his soul in the Millennium Ring. Zorc and the Thief King merged to form Yami Bakura. The Puzzle was broken into pieces afterwards and sealed in the Valley of the Kings.

5000 years later, Bakura Ryou came into possession of the Millennium Ring. While Bakura held the Ring, the fragment of Zorc's soul was able to take control of Bakura's body as "Yami Bakura."

Yami Bakura had lost many of his memories as Zorc and Bakura, King of Thieves, and was commonly referred to as the "Spirit of the Millennium Ring" or simply "Bakura" even after people became aware that he was a different mind than Bakura Ryou.

Bakura Ryou was an exchange student. The girls all loved him, and he just tried to be a normal person. Bakura avoided games, and knew that whenever he played, the people with whom he played with would somehow end up in a coma later. But when Yugi and friends asked the new student to play a game, he could not help but accept their kindness. He introduced them to a RPG game, and they all created their characters, though from the second they came in, it was Yami Bakura in control. After they created their characters, Yami Bakura sealed their souls inside pieces of them, and forced them to be in the game. They were able to survive, and free the good Bakura from the bad, and he was able to defeat Zorc, the boss that Yami Bakura created for the game.

Yami Bakura returned in Duelist Kingdom. In the second anime only, he took over Bakura's body to duel Yami Yugi. Jonouchi, Anzu, Honda and the original Yugi and Bakura were turned into their favorite cards in the duel. At the duel's conclusion, Yami Bakura tried to use Change of Heart to turn Yugi (who was the Black Magician) against the others, but Bakura was the Change of Heart, and took over Yami Bakura's Lady of Faith. Yami Yugi used his Millennium Puzzle to switch Bakura and Yami Bakura around, and Yugi destroyed Yami Bakura with Black Magic Attack, which sent him to the graveyard where he was attacked by the Card-Hunting Death God.

Despite his apparent death (In both cases), Yami Bakura had managed to return when Pegasus J. Crawford was about to send Anzu, Honda, and Bakura to Hell before the semifinals of Duelist Kingdom, and he erased everyone's memories of their encounter with Pegasus at that time. During Yugi's duel with Pegasus in the final round, Yami Bakura followed Honda as he found Mokuba (whose soul had been imprisoned in a card by Pegasus), and was attacked by several of Pegasus' goons, but Yami Bakura set the Man Eater Bug on them and then sent them to the graveyard with a Metamor Pot where they were killed by the Reaper of the cards. Yami Bakura then tried to possess Mokuba, but Honda knocked him out and threw the Millennium Ring away.

However, after Yami Yugi defeated Pegasus, Yami Bakura returned to Bakura's body with the Millennium Ring. He faced Pegasus in a Game of Yaminess using their Millennium Items, but, as Pegasus was weakened from his duel with Yugi, Yami Bakura easily won, and took Pegasus' Millennium Eye. In the manga, this act killed Pegasus, but in the anime, Pegasus survived (although he was not seen again til Waking the Dragons).

When Marik Ishtar was possessing Bandit Keith with his Millennium Rod, Yami Bakura, not wanting another to win the Millennium Puzzle, used his Millennium Ring to unbalance Marik's control, which caused Keith to take over, but not before Marik/Keith smashed the Millennium Puzzle. Yami Bakura put a piece of his soul into one of the puzzle pieces so he could learn the secrets of the Millennium Puzzle.

In Battle City, Yami Bakura made a verbal pact with Marik Ishtar, with him promising Marik Yugi's God Card and Marik promising him both Yugi's and his Millennium Items. He injured Bakura's arm while Marik pretended to be a good young man named Namu and Bakura was sent to the hospital, so Yami Bakura took over and attacked Yugi's grandpa. He entered Battle City, where he defeated Bandit Keith's ex-henchmen, Ghost Kotsuzuka, Takaido and Satake in a Duel of Yaminess, trapped the three of them in Hell as a penalty, and took their Locator Cards so he could enter the finals.

In the first round of the finals, Yami Bakura was up against Yugi, and revealed himself to the heroes for the first time since Honda threw away the Millennium Ring. He used Ouija Board and a deck full of ghosts and ghouls. However, Yami Yugi was able to summon Sky Dragon of Osiris, his Egyptian God Card, which left Yami Bakura helpless, until Marik telepathically talked him into releasing Bakura from his control so that Yugi would not attack him and risk hurting him. However, Yami Bakura soon feared that if Yugi did go through with the attack, Bakura would be killed, which would have been a foil to his plan, so he took him over again and let Yugi win.

Bakura was knocked out from this, and remained in the hospital until Marik, whose body had been taken over by Yami Marik, got Yami Bakura to duel him so that he could regain his body. They had a Shadow Game Duel, and whenever one of them lost Life Points, their body began to vanish. Yami Marik won, and Yami Bakura and Bakura were placed under a Penalty Game, which resulted in a coma. However, Yami Bakura escaped to Yugi's Millennium Puzzle (as part of his soul was inside it), and remained there. When Yami Yugi defeated Yami Marik, Bakura and Yami Bakura returned, but the shard of Yami Bakura's soul within the Millennium Puzzle stayed there, exploring the labyrinth.

Bakura and Yami Bakura did not appear in the Waking the Dragons arc, except in a vision during Yugi's Duel with Dartz. During a vision of Yugi finishing the Millennium Puzzle, Yami Bakura briefly appeared behind Yugi along with Kaiba and Yami (in the 4Kids dub, Dartz mentioned that when the Pharaoh was reborn, so were his rivals).

During the Dawn of the Duel arc, Yami Bakura repossessed Bakura despite his reluctance. Yami Bakura later caught Insector Haga and Dinosaur Ryuzaki stealing Yugi's Egyptian God Cards and knocked them out temporarily. He then did the same to Mokuba and dueled Seto Kaiba, but only as a means of destroying Kaiba's Blue-Eyes White Dragon and absorbing his power. Once he did this, Yami Bakura cancelled the duel.

Yami Bakura and Yami Yugi entered the World of Memories inside the Millennium Puzzle into an RPG, where Yami Bakura possessed his past self, Bakura, King of Thieves. Everything happened as it was before, except it was slightly modified by Yami Bakura. After being defeated, Yami Bakura talked with Yami Yugi at a table until his master, Zorc Necrophades, was awakened. He revealed that he and Zorc were one and the same and he merged with Zorc while Yami Yugi merged with his past self, the Pharaoh. During that time, Tristan was possessed by Yami Bakura, who turned him into a clone of him, and he dueled Yugi, but lost and released Honda from his control.

When the Pharaoh learned his true name, Atem, he fused the three Egyptian Gods - Giant Soldier of Obelisk, Sky Dragon of Osiris, and the Winged Divine Dragon of Ra - together into the Creator God of Light, Horakthy, whose rays of light alone were enough to destroy Zorc and also killed Yami Bakura, as he was merged with him at the time, which finally brought an end to his regin of terror. Thus, Bakura was finally released from Yami Bakura's control forever. (In the manga, he died cause his life force was linked to Zorc and Zorc's destruction killed him).

When I was done everyone was shocked!

Qin: WHOA!

Laney: He is a monster!

Camie: He is pure evil!

Xenia: We have to stop him fast!

Eli: Yami Bakura, I swear I will not allow you to try and get revenge on Yugi and my father, you will pay for everything that you've done, you heartless, worthless monster from the darkest depths of The Shadow Realm!

We gasped at the extent of fury coming from Eli.

Nico: Whoa.

J.D. 3: Whoa is right, Nico, and you all felt it: a power is growing inside of Eli, and I sense he's going to transform into his new Celestial Eternal Xelnaga form, just like you, J.D., when it was time to kill Swartz.

Me: That's right. This is going to be awesome.

Nico: You said it. But, now we need to gather all the duelists from many parts of the world and bring them all together so we can head to The Duel Monsters World and into The Dark Sanctuary to deal with Yami Bakura and this time for good.

Lincoln: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Mizore Fuyukuma, one of Doto Kazahana's powerful allies, and he's heading here to still get revenge on me for ruining Doto Kazahana's rule. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Mizore Fuyukuma on the move?

Lincoln: You guessed it, Nico, and he's heading here to still get revenge on me for ruining Doto Kazahana's rule.

Me: Should've known he'd be the next one to face. But, we'll deal with him later.

Nico: You're right, J.D. Alright, gang, let's go, let's gather all the duelists from many parts of the world.

Lincoln: And head down to the Duel Monster World and The Dark Sanctuary and dish out 5,000 years of payback and ass-kicking on that heartless genocidal dark monster, Yami Bakura, and we'll make him regret ever being born, and once we're done with Yami Bakura, you're next, Mizore Fuyukuma.

Groove: (to King Kai) I hope you realize that while this is going on, you're gonna have to find out more about the Morphin Masters.

King Kai: I know. But dealing with Yami Bakura is much more important.

Nico: We better get to work right away. Thank you King Kai. We'll gladly stop him.

Me: We better get the usual battles out of the way before we head out.

Nico: I agree J.D. This is a Class 7 Omega Level Emergency and we are gonna need all the help we can get.

Qin: We better call in all the duelists we can to stop him.

Nico: That works too.

Smoke Scream: Well, at least you know your mind wasn't playing tricks on you.

Me: That's right Smoke Scream. Nico met one of the legendary Morphin Masters.

Tommy Oliver: The Morphin Masters!? That's incredible!

Me: I know. These are the VERY FIRST Power Rangers.

Eli: Yeah I believed that Nico wasn't crazy.

Nico: Thanks Eli.

Maria: That's amazing that Nico met one of them.

Camie: That is so cool!

Xenia: So these are the rangers that helped start it all!

Me: Yeah. Everything and all the teams from 1975 on up. Both in Japan and in America.

Nico: That's right.

Maria: I'll call in the battles and get them ready.

Maria did so and ALL of the members of the Masters of Evil came.

Me: Glad you all came. We have a huge crisis on our hands.

I told them everything and it was shocking!

Vypra: Yami Bakura is back!?

Weevil: I thought we were rid of that guy!

Nico: So did everyone else. But who has their turn today?

Samon, Pterodactyl Ghost, Captain Boomerang, Tri-Klops, Dayu, Bonz, Brass Knuckles, Titanium Toenail, Yenaldooshi, Amora the Enchantress, Solomon Grundy, Gentleman Ghost, Copperhead, Weevil, Rex Raptor, Arkana, Red Dark Magician, Cryotek Megatron, Dr. Crowler, Prawn Fangire, Dartz, The Dark Signers, Femme Fatale, Speed Demon, Mr. Fibb & Mr. Wink, Lorelai, Camula, Dark Jaden, The Barbarian, Commander Saturn, Rex Shard, Abidos III, Titan, Burn Smash, Brutus, Windfall, Queen of the Black Puddle, Evil Strike Man, Psyphon, Cyclops (Hercules), Evil Luxord, Dahlia Hawthorne, Uchotan, and Indigestible Wad stepped forward.

Nico: WOW! Lots of you this time. In the 21st Century, he was released by Ransik to capture the Quantasaurus Rex. Conwing was a unique mutant who could copy other people's voices through a special face mask. When Nadira didn't believe him, Conwing copied Nadira's voice to answer. After leaving and kidnapping Eric, he took his Morpher and forced him to summon the Quantasaurus Rex. Conwing, copying Eric's voice, ordered the Quantasaurus Rex to destroy Silver Hills before throwing Eric into the river to die. However, the other Rangers came, rescued Eric and summoned the Time Shadow Megazord to fight the Q-Rex. When Eric returned, he finally recovered his Morpher, prompting Conwing to enlarge himself. However, Eric activated his Mega Battle Armor and managed to defeat and freeze the mutant

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Natasha, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lincoln sensed someone in the bushes, and he heard a mocking laugh in the bushes. He fired an energy blast at the figure in the bush, and it was exposed as Lewis Travolta, and he was not only watching me, but he was also planning to kill Lincoln and kidnap me to have me run over by a train when I saw rope and a gag with him, and it really really pissed Lincoln off so badly, his face and body turned red, his deep sapphire blue eyes turned blood red, his vampire fangs grew longer, and he spread his massive white angel wings and he charged at Lewis Travolta and he proceeded to beat and pummel Lewis Travolta all over the place, and when Lincoln was all done, Lewis Travolta had his arms and legs broken, his teeth knocked out of his mouth, his crotch kicked in, and he had two black eyes, and Lincoln cooled down and he had Lewis Travolta's blood on his hands. I ran up to Lincoln and I hugged him, and I also cleaned Lewis Travolta's blood from his hands. We called the cops and had Lewis Travolta taken away to a hospital and we also pressed charges on him, but he got away weeks later.

We were really stunned at the story.

Eli: Why, that ugly, rotten, no-good!

Lincoln: Yep, what a jerk!

Me: You said it, and I still remembered that day all too well.

Nico: Same here.

Conwing was next.

Nico: This will be fun.

Nico teleported and opened his safe and in it was a bunch of swords called the Crusaders of Horror, they're a collection of greatswords with the symbols of the horror movies of decades ago etched on the 7'0" massive, wide, double-edged midnight black blades, large pitch black bat wings for the crossguards, large blood red gems embedded in the rainguards, longer midnight black handles, four large eyeballs with large blood red gems on the bottom of the eyeballs for the pommels, and once in hand, we'll get a massive power and energy increase, and there's also shields included with the greatswords as well.

Nico teleported back with them.

Time Force Rangers: TIME FOR TIME FORCE!

Eric: QUANTUM POWER!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! TIME FORCE!

The Megaforce Rangers turned into the Time Force Rangers too!

Nico: Time for the Vortex Blaster.

They summoned and formed the Vortex Cannon!

They locked it on.

Nico: FIRE!

They fired waves of energy blasts and those blasts hit first and then the rangers all fired their blast and it hit him and Conwing exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was shrunk down to action figure size.

Nico picked him up and put him in a pod.

Nico: Conwing you have failed this city.

Troy Burrows: Rangers that's a Super Mega Win.

---

We got the usual battles done.

Nico: That's that.

Robo Roxy: Me, Springfield Mafia, Springfield Bullies, Russ Cargill, Patty and Selma, Krusty the Clown, Cantwell, Chief Wiggum, Mysterio, and Eccentro are going with you guys.

Greg: Me, Black Baron, Aries Zodiarts, Bunnie and Clyde, Evil Fire Man, Garble, Rainbow Raider, Muggshot, Iron Maiden and Snow Ghost are coming with as well.

Nico: I had a feeling on that too.

Me: We are going to need ALL of the M.O.E. With us.

Nico: Yeah we sure will.

Laney: And it's no surprise that the next gene-slammer is going to be Advanced Crystal Beast Cobalt Eagle.

Nico: Yep.

Me: Wow. Indigo next.

Laney: Yeah.

Dolph: And I think Touma and Megan will get a chance to shine

here.

Nico: Yep they sure will.

Touma: I'm ready for this.

Megan McCallister: Me too bro!

Nico: Yeah! Now lets head out.

Me: And I know where Yami Bakura is. He's in the Duel Monsters World and he is ni the Dark Sanctuary.

We were shaking in fear from that name.

Nico: This is gonna be a battle in hell. Lets head out guys!

We were off to the Duel Monsters World.

Leozack: Don't worry about the Morphin Master stuff, Nico.

Legs: It's not like they're bad guys.

Nici: I know. They aren't. They are heroes and are amazing.

Me: Yep.

We went through a portal and we arrived into the Duel Monsters World.

Qin: Wow! We're here.

Leozack: Don't worry about the Morphin Master stuff, Nico.

Legs: It's not like they're bad guys.

Nico: I know. They aren't. They are heroes and are amazing.

Me: Yep.

We went through a portal and we arrived into the Duel Monsters World.

Qin: Wow! We're here.

Jimbo: Jaden, you should get Neos out for this.

Kearney: He IS your most strongest monster.

Aries Zodiarts: Next to Yubel, of course.

Jaden: Thanks guys. I'll summon my monsters when we start the battle.

Nico: That's what we intend to do.

Qin: We're going to summon all our monsters.

Eli: This is gonna be good.

Xenia: It sure will. I can't wait to see what we can do.

Disk Wars Deadpool: (to the viewers) Sorry, folks. But you're gonna have to wait a while for us to get to the Dino Fury Ambassador missions.

Jamesdean5842: Don't worry we got all the time in the world.

Disk Wars Deadpool: Good.

Patty: Hey, don't get too carried away.

Selma: We want to have some fun too!

Me: Everyone is gonna get a shot. Oh. Light you two?

Selma: Oh thanks.

I formed a flame on my thumb and lit their cigarettes for them.

Selma: Ahh.

Krankenstein: Monster gonna smash bad Bakura!

Grundy: Get in line! Grundy called smashing bad Bakura.

Hulk: Hulk Smash bad Bakura.

Edzilla: ED SMASH TOO!

Krunk: KRUNK SMASH AS WELL!

Nico: All right all right. Everyone gets to have a smashing shot at him.

Laney: Yeah!

Iron Maiden: Geez, everyone wants to smash him.

Cantwell: How much further now?

Me: It's not much farther. Wait. We're here.

We saw that we were in front of the horrifying fortress and it had eyes and mouths in the crimson sky. We were in front of THE DARK SANCTUARY!

Nico: The Dark Sanctuary!

Count Spankulot: (Transylvanian Accent) Ooh this place is scary even for me.

Marceline: I think it's amazing.

Nico: Where is he?

Eli: He's up ahead 750 meters. In front of the castle.

Scratch: Entrance time?

Grounder: Entrance time!

Nico: Lets go!

We went at the castle.

Yami Bakura is smirking malevolently and then the spirits of the Springfield Scumbags and all the duelists of the world as well as all the spirits of over 14,000+ Cards appeared and then swirled around him and then they converged and then…

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION OF INCREDIBLE POWER!

A massive explosion blasted out and then a phoenix cry was heard and we all came out!

Me: Yami Bakura! It's over for you!

Eli: YEAH!

Yami Bakura: How nice of you all to come and die.

Eccentro: You're gonna get it!

Snow Ghost: Big time!

Me: And it won't be pretty!

Touma: Time to use a form I haven't used in a while.

Rekka Battou! Baki! Boki! Bone! Gaki! Goki! Bone! Primitive Dragon!

Me: UH OH!

In his Primitive Dragon form, Touma grabbed Yami Bakura by the throat and slammed him to the ground.

Wolfgang: Hey, don't leave us out!

Nico: LETS GET HIM!

We went at Yami Bakura and smashed him into pulp and then then we threw him into the wall!

Nico: YEAH!

Me: Time for this!

We pulled out our Zenkai Cannons.

All of us: (TURNS DIALS) BURNING SUPER SENTAI POWER!

We summoned all the Rangers!

Muggshot: Touma? You're still in there, right?

Mysterio: Time to call in my robots!

Touma: (Grunts) I'm trying!

Me: Reign in the power of the dragon within you Touma!

Nico: You control the power. It doesn't control you.

Touma concentrated and then he turned into ELEMENTAL DRAGON!

Nico: OH YEAH!

Fisticuffs: Have some of this!

He extended his arm and smashed down Yami Bakura with a punch to his face.

Eli: You miserable, good-for-nothing, fucked-up bastard, I will make you pay for what you've done 5,000 years ago, Yami Bakura!

Suddenly, something within Eli's mind snapped as the memories of Yami Bakura's evil deeds from 5,000 years ago and what he and Zorc Necrophades surged through his head, and rage, hatred, and anger flooded through him, as his blue eyes turned neon blue, and he was surrounded by a rainbow energy aura with elemental forces, Chakra, seraphim angels, and mythological animals, he unholstered his massive Yomi's Heroic Valor Broadsword of Holy Seraphim Justice from his back, and as he approached Yami Bakura, he left rainbow energy, elemental forces, Chakra, seraphim angels, and mythological animals with every step.

Eli: You make me absolutely sick, you heartless genocidal monster, you and Zorc Necrophades have terrorized all of Egypt without even a single shred of remorse for your actions and so many innocent people have lost their lives because of you. (SUDDENLY GETTING EXTREMELY MONDO PISSED OFF) But, what you did long ago in trying to destroy the whole world and kill Yugi and my father,… , (Fangs Sharpened) YOU'VE CROSSED ONE FUCKING LINE TOO MANY TIMES AND YOU HAVE LIVED FOR FAR TOO LONG, YAMI BAKURA, AND NOW, I WILL MAKE YOU AND ZORC NECROPHADES PAY FOR EVERY LAST ONE OF YOUR MISERABLE CRIMES IN YOUR OWN BLOOD, YOU WORTHLESS, HEARTLESS, EVIL, GENOCIDAL, FUCKED-UP BASTARD FROM THE DARKEST DEPTHS OF THE SHADOW REALM!

We gasped, Eli was now mondo pissed off at Yami Bakura.

Me: Oh man!

Nico: Eli's now mondo pissed off at Yami Bakura.

Lincoln: He's had this coming for 5,000 years.

Atem: That's correct, Lincoln, and now, the time of judgement is now at hand, and his time's almost up.

Carol: HIT THE DECK, HE'S GOING TO EXPLODE!

We screamed and ran for cover, and then, Eli screamed like a madman times infinite fold and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF UNBELIEVABLE POWER!

Eli was screaming like a ferociously insane lunatic and the ground was shaking violently as his energy was rising explosively fast! Lightning was striking all over the place with powerful force!

Me: HOLY MACKEREL!

Nico: MY GOD! WHAT POWER!

Vegeta: (GASP) IT'S UNREAL!

Trunks: INCREDIBLE!

Then he was surrounded by a massive vortex of rainbow energy with elemental forces, mythological animals, and rainbow fire surrounding the vortex, there's a seraphim flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Eli emerged, but he was really changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Eli remained tall at 7'5" in height and he still retained his abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has rainbow highlights in the bangs of his now long brown hair, he has neon blue eyes and a rainbow energy aura with elemental forces, Chakra, seraphim angels, and mythological animals surrounding him, he has a wolf with the Ten-Sided Star with the symbols of the elemental forces in its claws emblazoned on his forehead, then we saw he now has a Third Eye on his forehead now, he has on wolf earrings with rainbow gems for eyes and the Element and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with rainbow gems on the gold elemental symbol links and rainbow crystal links and his angel-shaped Element of Harmony and on the bottom of the angel-shaped Element of Harmony is a wolf with rainbow gems for eyes and the Element and Eternity Kanjis in its paws for the pendant. Eli has on a pair of gold metal bands on his massive biceps and thighs, white sleeveless tank top, long blue shorts with ocean waves on them, black knee-high combat boots, long white sleeveless trenchcoat with mythical beasts and elemental forces on the coattails, and on the back is Yomi the Ten-Tailed Wolf with elemental forces surrounding the beast, along with a seraphim angel. Suddenly, Eli felt a sharp pain on his now wider and more muscular back, and then, his massive six white angel wings with rainbow tips on the rainbow feathers merged into a pair of massive white angel wings, and the white feathers also have stars on them, and his ten massive and long powerful white wolf tails also have stars on them. Eli has on a Ring of The Phoenix with white gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern corps ring on his left ring finger. Suddenly, Eli's massive Yomi's Heroic Valor Broadsword of Holy Seraphim Justice and all of the swords he'd gotten in the treasure battles began merging together and they're surrounded by a kaleidoscope of rainbow energy, elemental forces, and mythical beasts, and when it emerged, it was transformed into Yomi's Heroic Valor Greatsword of Holy Seraphim Justice, it's a brand-new large broadsword with Yomi the Eleven-Tailed Wolf and elemental forces surrounding the beast and the previous etchings of the other treasure swords etched on the 7'0" massive, wide, double-edged silver blade, large white wolf heads for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large white wolf heads with rainbow gems for the eyes and in their open mouths and on the bottom of the white wolf heads is a large rainbow gem for the pommel, he has on his new large gold cuff Bracelets of The Champions of The Universe with large rainbow gems on his wrists, new gold Belt of Elemental Bravery with a gold wolf head with rainbow gems for eyes and a large rainbow gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a rainbow kanji below Yomi the Ten-Tailed Wolf that said, "Eli Winston Bullock, Powerful Son of Pharaoh Atem of Egypt, Loving Boyfriend and Future Husband of Nunnally vi Britannia-Lamperouge, Defender and Loving Brother of The Disney Princesses, Loving Brother of James Dean Knudson, Carol Pusateri, The Loud Family, and Many, True Hero and Ambassador of The Heavens and Cosmos, Friend and Defender of Many, Destroyer of Davy Jones, Sephiroth, Yami Bakura, and Zorc Necrophades, Destroyer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of Many Powers, Skilled Combatant, Jinchuriki of Yomi the Ten-Tailed Wolf, and Master of Elemental Forces, Wolves, and Mythical Beasts"

エレメンタルフォース、オオカミ、幻獣のマスター

Eli Winston-Bullock has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA ELEMENTAL RAINBOW WOLF FANG SERAPHIM ANGEL OF COSMIC UNIVERSAL JUSTICE AND DIVINE ELEMENTAL SERAPHIM LOVE!

We were amazed by Eli's Super Angel Celestial Eternal Xelnaga transformation, and when Nunnally saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding. But, when Yami Bakura saw it, the heartless psychopath moved in to kill Eli, but Eli grabbed Yami Bakura's left arm and with one swift action, he broke it in two and Yami Bakura screamed in really agonizing pain and agony, and he fired a powerful rainbow energy blast with elemental forces, mythical beasts, and seraphim angels at him, and it sent him flying into a wall.

Eli: (Divine Echoing Cosmic Voice of The Universal Elemental Seraphim Wolf Angel and Divine Cosmic Universal Elemental Hope) **And now, you will die a horrible gruesome death for everything that you've done, Yami Bakura! You've had this coming for over 5,000 years!**

Yami Bakura: We'll see about that! And I'll enjoy seeing the anguish on your girlfriend's face when I kill you right in front of her! (LAUGHING MALEVOLENTLY)

Me: You just crossed it now, shithead!

Maria: You signed your death warrant!

Nico: I was just about to say it, J.D. Let's get that asshole!

They fired waves of elements and energy and they formed into said monsters.

Lincoln and his harem: YUGIOH FINAL SMASH: HOLACTIE THE CREATOR OF LIGHT'S SHINING SPIRIT BOMB!

They fired a massive holy light spirit bomb at Yami Bakura which explodes on contact!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL AND INCREDIBLE EXPLOSION!

The explosion was so massive and so powerful that it was unbelievable!

Eli was still thrashing Yami Bakura and he even left some slash marks on Yami Bakura's face with his new massive and powerful greatsword, and he even chopped of Yami Bakura's arms and legs, and he screamed in horrific agonizing pain. Then, Eli sent him flying into the air with his infinite and immense brute superhuman strength.

Eli: (Divine Echoing Cosmic Voice of The Universal Elemental Seraphim Wolf Angel and Divine Cosmic Elemental Universal Hope) **And now, this is the end for you, Yami Bakura, I never ever want to see your ugly face in this world or the next ever again.**

Eli charged up rainbow energy in his large left hand, and he also infused it with the energy of The Black Gates to send Yami Bakura on his way, and this horrified Yami Bakura: at long last, after 5,000 years of causing pain and suffering in Zorc Necrophades' name, the genocidal monster was about to face judgement for his crimes.

Eli: (Divine Echoing Cosmic Voice of The Universal Elemental Seraphim Wolf Angel and Divine Cosmic Elemental Universal Hope) **TEN ELEMENTAL BLACK GATES KAMEHAMEHA!**

Eli fired a massive rainbow Kamehameha energy wave infused with the energy of The Black Gates and the elemental forces, and as it hits Yami Bakura, it exploded with incredible power killing him for good. Then, as his spirit appeared, Eli marked his forehead with the Judgement kanji, and the spirits of all those he killed 5,000 years ago found him guilty, and he was fading away.

Yami Bakura: No, you can't do this to me! I will have my revenge on you all!

Eli: (Divine Echoing Cosmic Voice of The Universal Elemental Seraphim Wolf Angel and Divine Cosmic Elemental Universal Hope)

No, this is the end for you, Yami Bakura.

Everyone: NOW, DISAPPEAR FOREVER AND NEVER COME BACK, YOU TWISTED BASTARD!

Davy Jones: NO! DAMN YOU, ELI WINSTON-BULLOCK! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Yami Bakura was forever erased, and we all cheered wildly for what Eli did as he holstered his new massive greatsword on his now wider and more muscular back and powered down, and Eli's new body, clothes, weapons, jewelry, and massive white angel wings are permanent. THE DARK TERROR AND VENGEANCE OF YAMI BAKURA IS FINALLY SILENCED AND ENDED FOREVER!

Just then, Eli rushed on over, and he hugged Nunnally, who was also coming his way, and she soon felt tears on her chests, and she knew Eli was crying. We also saw it, and we went over to Eli and we also hugged him.

Nunnally: (Soothing Voice) Shh, it's okay, Eli. It's finally over.

Eli: Yes, it is. But, it still hurts me because of what that monster tried to do 5,000 years ago. I can never forgive them for this!

Lincoln: What Yami Bakura tried to do in destroying the world and that Zorc Necrophades also had a hand in helping him as well can never be forgiven. (Places his large right hand on Eli's right shoulder) But, you had every right to be mondo pissed at him, and you couldn't let him get away with this.

Atem: He's right, Eli, and you and I could never forgive Yami Bakura and Zorc Necrophades for what he did 5,000 years ago.

Nico: That's right, but you finally did it, Eli. You got justice for what happened 5,000 years ago, and you made that monster pay with his life.

Nunnally: He's right, and you made sure he'd never come back, Eli.

Eli: Yes, you're right, I did.

Ariel: And we're so proud of you for what you did, Eli.

This caused Eli to smile, and we continued to hug him. Just then, Nunnally gave Eli a kiss on the lips, and it caused his eyes to widen, his face turned atomic red, and steam came whistling out of his ears. Just then, Eli wrapped his abnormally massive and powerful muscular arms around Nunnally, and he'd returned the kiss.

Atem: At long last, our 5,000-year-old nightmare is finally over.

Lincoln: You said it, Pharaoh Atem.

Nico: And it was your premonitions from yesterday that made sure all of us were prepared for what'll happen today, Lincoln. Awesome job, everyone, we've saved the entire world from the dark threat of Yami Bakura, but we're not done yet, there's still the matter of Mizore Fuyukuma to deal with, and that bastard should be arriving… right now!

?: I will have my revenge on you for ruining Lord Doto's rule, J.D. Knudson!

Me: Right on cue, and there's no mistaking that voice from anywhere. You can come out now, Mizore Fuyukuma.

A figure came out, and it was none other than Mizore Fuyukuma, and he was still pissed at me for ruining Doto Kazahana's rule 150,000 years hence.

Me: Should've known you'd show up again, Mizore Fuyukuma. You just don't know when to quit, do you?

Mizore Fuyukuma: Not until I have your head mounted on a wall for what you did, and the hearts of all your wives and children will all break when I finally kill you!

Lincoln threw a ball of ice at Mizore Fuyukuma and it hit him, but didn't freeze him.

Lincoln: Oh no, you don't, Mizore Fuyukuma, your fight's with us.

Simone Yukimura: That's right, and you're going to pay for every last one of your despicable crimes, you miserable black-hearted monster.

Suddenly, Simone Yukimura's magenta eyes turned neon magenta and she was surrounded by a black and magenta energy aura with darkness, magenta fire, and spirals, she unholstered her massive Earthbound Immortal Rorccon-themed sword from her back, and as she approached Mizore Fuyukuma, she left black and magenta energy, magenta fire, and darkness with every step.

Simone Yukimura: I will never forgive you for every last one of your crimes you've committed against the Hidden Snow Village 150,000 years hence in Doto Kazahana's name, Mizore Fuyukuma, and now, I will administer unto you your punishment for your crimes.

Suddenly, Simone Yukimura was surrounded by a massive vortex of black and magenta energy with magenta fire and darkness surrounding it, there's Earthbound Immortal Rorccon flying around the vortex, and in the vortex is a magenta phoenix. Then, as the vortex faded, Simone Yukimura emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Simone Yukimura grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long magenta hair put into pigtails, she has neon magenta eyes and a black and magenta energy aura with darkness, magenta fire, and spirals surrounding her, she has Earthbound Immortal Rorccon with the Dark Kanji in its spirals emblazoned on her forehead, she has on bird earrings with magenta gems for eyes and holding the Dark and Eternity Kanjis in its spirals, she also has Earthbound Immortal Rorccon with magenta gems for eyes and the Dark and Eternity Kanjis in its spirals for the second pendant on the bottom of her magenta spiral-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with magenta crystal links from her merged Crystal Necklace of the Buddha and magenta gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Simone Yukimura has on a sleeveless closed magenta blouse, short-sleeved light pink top, pink skirt with the Spiral Nazca Line on it, hot pink pants, purple legwarmers, purple sneakers, and long sleeveless white trenchcoat with darkness, spirals, and magenta fire on the coattails, and on the back is Earthbound Immortal Rorccon with darkness surrounding it. Suddenly, Simone Yukimura felt a sharp pain on her back, and then, her massive black angel wings with magenta tips grew much bigger for her new body, and the feathers had the same magenta markings as on Rorccon. Simone Yukimura has on a Ring of The Phoenix with magenta gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Simone Yukimura's massive Earthbound Immortal Rorccon-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of magenta energy with darkness, magenta fire, and spirals, and when it emerged, it transformed into Earthbound Immortal Rorccon's Dark Spiral Greatsword of Magenta Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Rorccon and the Spiral Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black spirals for the crossguard, large magenta gem embedded in the rainguard, longer midnight black handle, four large midnight black spirals and a large magenta gem below the black spirals for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with magenta gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Rorccon's head with magenta gems for eyes and a large magenta gem in its spiral for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sea foam green kanji below Earthbound Immortal Rorccon that said, "Simone Yukimura, Gene-Slammer of The Spiral Earthbound Immortal Rorccon, Amazing Dancer, Amazing Master of Many Different Dance Styles, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Flip, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful

Student of Amazing and Powerful Teachers, and Master of Darkness, Spirals, Dance, and Magenta Fire"

Simone Yukimura has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGENTA FIRE EARTHBOUND IMMORTAL SPIRAL ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE MAGENTA FIRESTORM LOVE!

We were amazed by Simone Yukimura's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mizore Fuyukuma saw it, he used his Roaring Run: Great Strength Ice Strike

as he surfs on his snowboard and plans to kill her by grabbing and slamming her into a large chunk of ice he formed, but Simone Yukimura fired a powerful black and magenta energy blast with darkness, magenta fire, and spirals at him, and it exploded with incredible power as it hit him, but he's not done yet, and he's pissed off even more, and Lincoln fired a blast of fire at the chunk of ice Mizore formed and melted it.

Nico: Whoa, now Simone Yukimura has transformed, so cool.

Me: Yeah, and take a look at the magenta patterns on her black angel wings, they're the same as the ones on Rorccon, and she blasted Mizore Fuyukuma and foiled his attack, nice.

Lincoln: Now, Mizore Fuyukuma is about to feel the true wrath of The Earthbound Immortals. And Simone, you look beautiful, how do you feel?

Simone Yukimura: (Divine Echoing Cosmic Voice of The Dark Spiral Earthbound Immortal and Divine Magenta Fire Justice) **I feel incredible, Linky, and now, shall we finally administer Mizore Fuyukuma's punishment for the crimes he's committed in Doto Kazahana's name?**

Lincoln: (Smiles) With pleasure, Simone.

Me: You're through, Mizore Fuyukuma!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Simone Yukimura.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to pay for everything you've done, Mizore Fuyukuma, and you don't deserve a single ounce of mercy, not that you even deserve any.**

Simone Yukimura and Lincoln went after Mizore Fuyukuma, who continued firing blasts of ice at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and magenta energy, magenta fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Spirals at Mizore Fuyukuma and they exploded with incredible power as they hit him. Then, they attacked Mizore Fuyukuma with their massive greatswords and they left some really nasty scars on him, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Mizore Fuyukuma, so he couldn't escape.

Mizore Fuyukuma: Impossible, defeated yet again?! No, I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **That's enough out of you, Mizore Fuyukuma.**

Mizore Fuyukuma was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Nico. (To Mizore Fuyukuma) **As much as I want than to put a permanent end to you for what you've done in Doto Kazahana's name, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?**

Simone Yukimura: (Divine Echoing Cosmic Voice of The Dark Spiral Earthbound Immortal and Divine Magenta Fire Justice) **This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you. Doto Kazahana was told the same thing yesterday, and he agreed to join, despite his stubborn hard-headedness.**

This caused Mizore Fuyukuma to think, and he knew Lincoln and Simone Yukimura were right: if news of his defeat reaches Barodius, he will kill him and not show him any mercy at all, and he doesn't have the manpower to deal with a monster like Barodius, and Dustin Keystone will also kill him since he's still now mega pissed off at what Lincoln did in removing the Hom Dai from him many days ago.

Mizore Fuyukuma: I'm moved by your words, and you're right, if Barodius finds out, he will kill me and the same goes with Dustin Keystone. Very well, as of this moment, I'll join The Masters of Evil, and there's no need for you to put your curse upon me.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice.**

Lincoln beamed Mizore Fuyukuma to The Masters of Evil's HQ, where Vypra and the others were given the news: Mizore Fuyukuma is now part of The Masters of Evil. We cheered wildly for what Simone Yukimura and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Simone Yukimura's new body, clothes, weapons, jewelry, and massive black and magenta angel wings are permanent.

Simone Yukimura: That's one villain recruited into The Masters of Evil and three more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Mizore Fuyukuma, Linky.

Lincoln: (Smiles Warmly) You're welcome, Simone.

Suddenly, Simone Yukimura wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Simone Yukimura's face, they kissed passionately as Simone Yukimura's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal

Rorccon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and magenta fire raging behind them and we all cheered wildly. Lincoln and Simone Yukimura absorbed the fires, and they came back, and Rorccon vanished.

Nico: Awesome job, Simone and Lincoln, you guys took down and convinced Mizore Fuyukuma to join The Masters of Evil.

Lincoln: And he said there was no need for me to also put the Hinon's Vengeance Curse on him.

Fubuki: That was really interesting, but you'll do the same to Nadare Rouga, Fugai, and Kamira.

Lincoln: We'll have to see how they'll react after we tell them that, Fubuki.

Maya Santiago: Which means tomorrow, you and I are taking down Nadare Rouga, Lincoln.

Lincoln: You got that right, Maya.

Eli: We'll be sure to get front row seats for this one. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli. Hmm, ooh, here's a good one, how about a Gene-Slammer for Sirfetch'd.

Nico: (Gasps) The Wild Duck Pokémon and evolution of Galaran Farfetch'd, that's an awesome one.

Lincoln: You got that right.

Bonz: And so ends Yami Bakura's reign.

Yenaldoshi: The world of Duel Monsters is safe once again.

Amora: Until the next big threat, that is.

Me: Soon it will be free of evil. Only a matter of time.

Qin: But this was so awesome.

Sapphire Constantine: I'm gonna love it here with you guys.

Gentleman Ghost: You won't regret it.

Copperhead: Your dad will be proud

Me: He sure will be.

Camie: But this was so awesome.

Nico: Now we have to find out the Mystery of the Morphin Masters.

Qin: Yep.

Yugi: But this was an awesome adventure. Now I have something to tell Tea.

He went over to her and he had a box in his hands.

Yugi: Tea I have something I want to ask you. I have known you since we were young and we went on all sorts of awesome adventures and saved the world numerous times. So I've been wanting to ask this.

He then got down on one knee and he had a beautiful ring and it was a sapphire ring with diamonds and we were in awe! Tea gasped and had tears of joy!

Yugi: Team will you marry me?

Tea Gardner: Oh Yugi yes I will!

THEY WERE ENGAGED!

We cheered wildly for them and Yugi and Tea kissed!

Me: WAY TO GO YOU TWO!

Nico: I'm so happy for them!

Eli: Me too!

Pharaoh Atem: Yugi and Tea are going to be so happy together.

Joey was crying tears of joy.

Me: This was a very awesome adventure.

Yugi: It sure was. (To the viewers) Yami Bakura and all the major enemies we faced are gone. Now me and Tea are going to start an awesome life together soon.

Me: You sure are.

Nico: Yep. Great job today everyone. And the best victory of all for this mission was Yugi and Tea getting engaged.

Qin: Yep.

Nico: Lets go home.

We went back home and enjoyed the rest of the day and went to sleep.

Nico: Thanks for coming with me, Kim.

Kim Possible: No problem Nico. It's going to be so fun helping you out. So what's the Sitch on this one?

Nico: It's over at the Krusty Krab. But something is telling me that it's going to be a crazy one.

Me: Something is telling me that this is gonna be a weird one.

Nico: Kim, I remember the first time we met you.

Kim Possible: Me too. That was when we first took down Drakken and it. That was so amazing.

Qin: Yeah it sure was.

Me: We had a lot of fun on that one and it was so funny how Drakken got grounded by his mom.

We laughed at that one.

Camie: Yeah that is funny.

Tsuyu: We don't know what happened back then but it must've been good.

Me: It was an awesome adventure.

Nico: Shego's been a good addition to the Redemption Squad ever since.

Maria: She sure has. Shego is awesome with her green flame plasma powers.

Qin: And she is really awesome. She is still pissed at Motor Ed though.

Nico: Boy no kidding.

Qin: Yeah.

Camie: Why what did he do?

Nico: It's complicated.

Me: Yeah.

Kim Possible: But we're still glad Shego is with the team.

Camie: Me too.

Nico: But yesterday was a really epic mission.

Eli: Boy it sure was.

Nico: We put a stop to Yami Bakura.

Me: We sure did and the best bonus out of that entire victory was seeing Yugi and Tea here get engaged.

Yugi: Yeah it's' awesome and cool.

Tea: The best ever.

Lola: We're all really happy for you.

Nico: Yep and J.D. that was smart thinking having the usual battles first before the big battle.

Me: Didn't want to expend lots of energy before the big battle.

Nico: Good thinking.

Eli: And Dr. Crowler is teaching J.D. how to duel.

Me: It's really amazing and his Ancient Gear Deck is really cool.

Nico: Touma and Megan did good as well.

Me: They sure did.

Varie: Yep.

Xenia: Yep. Good thing it's morning in the estate.

Nico: Yeah. Oh we're here.

Then we saw that we were at the Krusty Krab and on it was a sign that said Open Forever.

Me: Oh boy.

We went over.

[Squidward is shown at the counter reading a book. Squidward hears spooky noises and feels water dripping on him but he doesn't know what it is.]

SpongeBob: [on the ceiling wearing suction cups cleaning] Isn't this great, Squidward? [Squidward screams] There's never time to wash the ceiling during the day.

Squidward: [says to himself] Open 24 hours a day. What a stupid idea. Who wants a Krabby Patty at 3 in the morning?

[cuts to Patrick's bedroom. Patrick's alarm clock goes off.]

Patrick: [turns off the alarm] Oh, boy! 3 A.M.! [whips out a Krabby Patty from under his blanket and starts to eat it; cuts back to The Krusty Krab]

Squidward: Just look at this place. It's like a ghost town in here.

We went in.

Squidward screamed.

Nico: Good Morning Krusty Crew!

SpongeBob: Hey guys!

Squidward: Oh you scared us there for a second.

Nico: More backup core members are Nereid Sadeness, Lorah & Marah Donnally, Kaze Sadeness, Lila Slate, Bianca Delhi, Mihoshi, Crystal Sadeness, Noir Sadeness, Dora Santiago, and Gianna Logan.

Me: Nice!

Eli: Good ideas.

Xenia: Yeah.

We went up to the counter.

Squidward: What can we get you guys?

Nico: We're really hungry.

We ordered everything on the menu including the Monster Patty and we were really hungry. We were eating everything and we were hungry.

Me: (Eating a Krabby Patty) Mmm! Delicious.

We had a great meal.

Nico: Maybe I'll take a quick nap since it's nighttime.

Me: Okay. I'll keep watch.

Nico was sleeping.

Me: Boy it sure is creepy in here.

Applejack: Yeah like a campout in the forest.

Squidward: [lights start to flicker on and off] Very funny, SpongeBob.

SpongeBob: What?

Lily: What is it?

Squidward: "And the lights will flicker on and off." Just like the story. I get it. [realizes no one is flickering the light switch and looks shocked]

Me: Hmm.

I looked and the switch wasn't even moving.

Me: Weird.

SpongeBob: Hey, Squidward, how are you doing that without moving the switch?

Squidward: I'm not doing it. It must be the stupid, faulty wiring in here. This place isn't built to run 24 hours a day! [phone rings, Squidward picks it up] What, what, hello? Hello? Hello? [no one's on the other end of the line]

SpongeBob: [walks up to the counter] Nice try, Squidward.

Squidward: Nice try, what?

SpongeBob: "The phone will ring and there will be no one there." [raises eyebrows up and down and giggles] Oh, you crack me up.

Me: Must've been a wrong number.

Squidward: SpongeBob, I'm not doing this. [hangs up phone] Oh no, calm down, calm down. All right, what was it? There was the lights, [lights flicker on and off] and the phone, [phone rings] and the walls will ooze green slime?! [walls start to ooze green slime] No, wait. They always do that.

Lily: Yuck and we still don't know why.

Squidward: But what was that third thing? [hears a motor, turns his head and opens his eyes wide; a bus pulls up to the Krusty Krab doors]

Me: Uh oh! DEJA VU!

SpongeBob: [walks up to the counter] I didn't know the buses ran this late.

Squidward: They don't… [the bus pulls away, dropping off a man on the opposite side of the street, all Squidward and SpongeBob can see is his spooky outline.]

SpongeBob: Well, they're dropping someone off. [from the outside, the man lifts his spatula]

Squidward: [screams in terror to the point where hair grows from his head and starts wiggling]

Me: (SCREAMS LIKE COURAGE!)

Lily: AAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH!

Nico: (WAKES UP!) HUH!? WHAT!? WHAT!? WHAT'S THE MATTER!?

Me: WE GOT COMPANY!

Nico saw the figure!

Nico: OH MAN IS THAT?!

Squidward: The Sash-Ringing, Flash-Singing, the Bash-Pinging…

SpongeBob: The Hash-Slinging Slasher! [starts to cry]

Squidward: At last you understand! We're doomed!

SpongeBob: No, that's not it. [wipes tear] I am just so touched that you would go through the trouble to dress up as a ghostly fry cook and stand on the other side of the street, just to entertain me! You must really like me! [cries again]

Squidward: SpongeBob, there are 2 problems with your theory. 1: I hate you. And 2: how can that be me when I'm standing right here?! [the man taps on the door with his spatula]

SpongeBob: [screams in terror to the point where his eyelashes grow and starts wiggling]

Lily, me, SpongeBob and Squidward: THE HASH-SLINGING SLASHER!

Maria: Guys, we need to lock the doors. NOW!

We barricaded the doors! And put up a metal wall!

May got lots of Krabby Patties.

May: There should be enough Krabby Patties to last us until sunrise.

Qin: Not for 3 more hours.

But then there was a loud thud and he was starting to break through the metal!

Albedo turned into Another Vicetopus.

Another Vicetopus: I'll make him back off!

Then…

KRASMASH!

He busted through the wall.

Me: Whoa he is tough!

His spatula was ready to slash us into pieces!

Squidward: [screams]

SpongeBob: He's going to flip me! Get away! Get away!

Squidward: SpongeBob, no matter what I've said, I've always sort of liked you!

SpongeBob: Squidward, I used your clarinet to unclog my toilet!

Squidward: Huh?

Me: Chew on this fry freak!

I fired waves of blue fire and burned him all over.

Scorponok: No way is this guy getting to us! Scorponok, TERRORIZE!

He transformed and blasted the slasher with missiles all over.

Scorponok: You like that!?

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: YEAH!

Xenia: Oh yeah!

Sougo: (gets out DenziRed Ridewatch) No one tries to break into the Krusty Krab!

Geiz: (gets out Geiz Majesty Ridewatch) Not while we're around!

Majesty Time! Kamen Rider~! GeizMaje~sty!

Sougo got DenziRedArmor while Geiz became Geiz Majesty.

Nico: Oh yeah!

Qin: Time for some buttkicking!

She fired waves of fire and smashed down the slasher.

Nico: Get the fuck outta here!

Me: Yeah!

I fired waves of energy and blasted the slasher all over the place.

Me: Time for the jungle to be unleashed. (ACTIVATES EVILSEED'S RIDEWATCH)

(TARZAN BOY BY BALTIMORA PLAYS)

Me: (SINGING DIVINELY AS LEAVES, GRASS, FLOWERS AND ENERGY SWIRLS AROUND ME)

Burning bright

A fire blows the signal to the sky

I sit and wonder, does the message get to you?

I danced and fired waves of leaves and grass and smashed down the slasher!

Lily: Taste the Monster Krabby Patty! (ACTIVATES LE SPATULA 3000 RIDEWATCH)

(SAILING OVER THE DOGGER BANK PLAYS_

Lily: (SINGING DIVINELY AS MONSTER KRABBY PATTIES SWIRLED AROUND HER)

Sailin' over the Dogger Bank: Oh, wasn't it a treat?

Wind a-blowing east-nor'-east, we had to give a sheet!

You ought to see us runnin' the wind a-blowin' free,

On a passage from the Dogger Bank to gray Grimsby.

Watch out, twigger, she's a proper ju-be-ju.

Give 'er a sheet and let her rip we're the boys to pull her through!

You ought to see us runnin', the wind a-blowin' free,

On a passage from the Dogger Bank to gray Grimsby!

Our captain he's a Shanghai roush, he loves a pint of good ale.
Our mate he is a road stone-inspector, been seen in many's a jail.
Our third mate he's a bush ranger, he comes from the African Isle.
And take a look at our old cook it gets the bugger wild!
Watch out, twigger, she's a proper ju-be-ju.
Give 'er a sheet and let her rip we're the boys to pull her through!
You ought to see us runnin', the wind a-blowin' free,
On a passage from the Dogger Bank to gray Grimsby!
Watch out, twigger, as down the street she came.
High heels and painted toes, Jenny is on the game.
Jenny is one of your flash girls, can't she cut a shine?
She can do the double shuffle on the Knickerbocker line!
Watch out, twigger, she's a proper ju-be-ju.
Give 'er a sheet and let her rip we're the boys to pull her through!
You ought to see us runnin', the wind a-blowin' free,
On a passage from the Dogger Bank to gray Grimsby!
We are the boys to make a noise when we come home from sea.
We get right drunk, we roll on the floor, we have a jubilee- Eee!
We get right drunk and full of beer, we roll all over the floor,
And when our rent it is all spent we go to sea for more.
Watch out, twigger, she's a proper ju-be-ju.
Give 'er a sheet and let her rip we're the boys to pull her through!

You ought to see us runnin', the wind a-blowin' free,

On a passage from the Dogger Bank to gray Grimsby!

She danced and fired waves of energy and Krabby Patties and smashed the Slasher down.

Maria: Back the Hell off!

Maria fired waves of water and smashed him down.

Scorponok fired more missiles and smashed him down.

Nico: YEAH!

Eli fired waves of Force Lightning and electrocuted the slasher.

Qin: Take that!

May got out a grenade.

May: Try this! (PULLS THE PIN) FIRE IN THE HOLE!

She threw it and we ducked and covered and the slasher caught it and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and the Slasher was burned and destroyed and defeated.

Nico: YEAH!

Qin :Take that!

Nico: There! We're safe.

Me: Thank goodness. But the Another Alien Gene-slammer should be here right about… now.

Then out came a figure and it was a black version of a Vicetopus! It was ANOTHER VICETOPUS!

Qin: Whoa Another Vicetopus!

Squidward: Thank goodness it's not a squid.

Me: No this isn't a squid.

Another Vicetopus: (In a Girls Voice) And it's good that the slasher is gone.

Me: (Gasp) Cammie Seamus!

Another Vicetopus: Good to see you again J.D.

Me: You too.

Nico: You know her?

Me: Yep. She is a very awesome cheerleader and she is an awesome and great pep talker as well. She is much better than that loser girl Mindy.

Another Vicetopus: Yeah I'm a much better girl than her.

Me: And we buried her alive in that mine on top of Gutterball Hill.

Another Vicetopus: Good riddance. I hated her.

Me: So did everyone in Endsville and all of the team too.

Nico: Mostly Mandy.

Maria: Did Swartz promise you anything?

Another Vicetopus: Just to be a Superbowl Cheerleader.

Me: You already were captain of the cheerleading squad of the Colorado High School Team. But you already are capable of being a good Superbowl Caliber Cheerleader.

Another Vicetopus: That is true. Thanks. I knew Swartz was lying to me.

Me: Well he is dead thank goodness. Nico force fed him his own black heart.

Another Vicetopus: Really?

Me: Yep.

Nico: It's true.

Me: Yep. Sorry we have to fight light this.

Another Vicetopus: No worries.

Nico: (gets out Grizzly's Ridewatch) Let's also get a sea bear in here!

Me: You got it!

I put a bunch of stuff on the Another Vicetopus. I put all the stuff that Sea Bears hate on Another Vicetopus:

Playing the clarinet badly (they might hate the sound or it upsets them).

Waving your flashlight back and forth really fast (Patrick says flashlights are their natural prey, though the more logical (and possible) explanation why Sea Bears are attracted to it was due to them favoring bioluminescent animals as prey and would mistake a flashlight for one).

Eating or holding cubed cheese; sliced cheese is safe (sea bears may see the cubed cheese as Bon appetite, though they would lose the interest in the cheese should it be sliced).

Stomping around (SpongeBob said that they take it as a challenge).

Wearing a hoop skirt (it might disgust them).

Wearing clown shoes (ridicule that makes the Sea Bear feel disgusted).

Wearing a sombrero in a goofy fashion (such as upside down or tilted, but in either way would likely be offensive to them).

Screeching like a chimpanzee (may mimic the sound of a dying animal or taunting the sea bear, but in either way, it is the big attractor with how SpongeBob and Patrick say never, ever, ever).

Then a ferocious growl followed by a roar was heard and then out came a SEA BEAR and it mauled Another Vicetopus.

Nico activated the Ridewatch for Grizzly and joined in and mauled Another Vicetopus and smashed her all over.

Kim: My turn!

She activated her ridewatch for Lady Shiva.

(CALL ME BY BLONDIE PLAYS)

Kim Possible: (SINGING DIVINELY AS DARK ENERGY AND BATS SWIRLED AROUND HER)

Colour me your colour, baby

Colour me your car

Colour me your colour, darling

I know who you are

Come up off your colour chart

I know where you're coming from

Call me (Call me) on the line

Call me, call me any, anytime

Call me (Call me) I'll arrive

You can call me any day or night

Call me

Cover me with kisses, baby

Call me (Call me) I'll arrive

When you're ready, we can share the wine

Call me

Ooh, ooh, ooh, ooh, ooh

Amore, chiamami, chiamami

Ooh, ooh, ooh, ooh, ooh

Appelle-moi mon cheri, appelle-moi

Anytime, anyplace, anywhere, any way

Anytime, anyplace, anywhere, any day, any way

Call me (Call me) my love

Call me (Call me) for a ride

Call me, call me for some overtime

Call me (Call me) my love

Call me, call me in a sweet design

Call me (Call me)

Call me for your lover's, lover's alibi

She danced and fired waves of energy and bats and smashed her down.

Nico: WOOHOO! Love Blondie.

Qin: Great songs.

Laney: YEAH!

Maria: Eat Krabby Patties!

Lily and Maria fired waves of Krabby Patties and smashed her all over.

Nico: Take that!

Me: Wait! Hold on a sec.

I pulled out some coffee and put it in a cup and drank it.

Me: Ahh.

Nico: Oh. Why didn't I think of that?

I gave Nico some coffee and he drank it.

Nico: Ahh. Needed that. Thanks J.D.

Me: You're welcome.

Then an Eagle Screech was heard.

Nico: An Eagle? Underwater?

Then out came an Advanced Crystal Beast Cobalt Eagle!

Nico: WHOA! Advanced Crystal Beast Cobalt Eagle!

Jesse Anderson: All right!

Nico: Yeah!

A.C.B. Cobalt Eagle: (In a girls voice) The fun has arrived!

Nico: Indigo Carrington! Wow!

She reverted back and Indigo was a girl with dark blue hair and blue clothes and had dark blue star angel wings and had a blue indigo jewel in the middle of her forehead.

Indigo Carrington: I got this for you.

She fired a wave of Indigo energy and smashed down another Vicetopus and she reverted back and I caught the Ridewatch and purified it. I went over to Cammie and put an air helmet on her. Cammie was a girl with blue hair and had blue and white cheerleading clothes.

Cammie Seamus: (Groans) What a headache.

Me: But you're all right.

Mr. Krabs came in.

Mr. Krabs: Oh ahoy there lads.

Me: Sorry to drop in like this Mr. Krabs. We were hungry and it turned into a fight. Mr. Krabs saw the corpse of the Hash Slinging Slasher and gasped! He was shocked that his former fry cook was back from the dead!

Mr. Krabs: I don't believe it! I thought he was a legend.

Me: The Hash Slinging Slasher was back for revenge.

Maria: But he's dead now.

Me: Yeah. He was going to kill SpongeBob and Squidward.

Nico: But we made sure he didn't.

Mr. Krabs: This is all my fault. IF I didn't fire him and helped him I would have not turn him into a vengeful ghost. (CRYING)

Me: Mr. Krabs it's not your fault.

Nico: Yeah it's all in the past.

Mr. Krabs: (CRYING) YES IT IS! I MADE HIM INTO A MONSTER!

Me: Mr. Krabs.

SpongeBob: Oh Mr. K.

Kim Possible: Poor guy.

Indigo Carrington: He is really broken. But if you ask me I think the slasher was mentally unstable.

Laney: I have that same feeling myself Indigo.

Jesse: I agree there.

Kim: Yeah. And what is your favorite memory of Nico?

Indigo Carrington: I have a lot of them. But my favorite is when me and Nico were over at a prison and we saw a huge prison riot break out and then I used my powers and imprisoned all the prisoners into my wings. I have this amazing power that imprisons bad guys into my wings forever. That's what these dark blue stars are in my wings. If you look close enough you can see that each star is an individual prisoner.

Kim looked close and saw that she was right. All the stars are each a prisoner and bad guy.

Indigo Carrington: And with each new bad guy I absorb, they make me more powerful.

Me: That's incredible. I didn't know you had this kinds of power.

Eli: That is awesome. How many do you have in there?

Indigo Carrington: 5,212,345,222.

Nico: WHOA! You've been busy Indigo.

Indigo Carrington: I sure have.

She and Nico hugged.

Nico: I've really missed you.

Indigo Carrington: Me too Nico. Me too.

Squidward: I know what'll cheer you up, Mr. Krabs. (Takes out pile of dollars) Money!

CHA-CHING!

Mr. Krabs: MONEY!

He loved it!

Mr. Krabs: Thank you Mr. Squidward.

Nico: There's the Mr. Krabs we know. As long as he doesn't go back to his old ways.

Mr. Krabs: Don't worry Nico. I'm good.

Me: This is going to be awesome putting an end to that evil bokor. What he's done in using Vodou to turn his enemies into zombies and causing havoc can never be forgiven.

Nico: He's going to pay for what he's done, and he's getting sent to The Black Gates for this.

Lincoln: You said it, Nico, and I've got a way to turn Peytraud's zombies back to normal, and thanks for joining us, Sam.

Sam Simpson: You're welcome, Lincoln. Plus, I'm glad that not only is Yami Bakura gone for good, but Yugi and Tea are now engaged.

Lincoln: And I can't wait for their wedding in the future, and Yami Bakura and the major enemies that Yugi and his friends faced are all gone for good.

Me: It's going to be really awesome.

Eli: I'm happy for them, and Father told me they've had feelings for each other for a long time. But, we'll wait for the wedding in the future.

Lincoln: Yep.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, along with Dr. Dennis Alan, but they've been cornered by Peytraud, and he's going to kill them and sacrifice Marielle.

Lincoln: Let's get over there at once, guys, I found the five girls, along with Dr. Dennis Allen, but they've been cornered by Peytraud, and he's going to kill them and sacrifice Marielle.

?: (Girl's voice) That heartless, powerhungry, evil bokor, let's make him suffer for his crimes.

Suddenly, we saw the Wild Duck Pokémon, Sirfetch'd, appear before us.

Nico: Whoa, that's Sirfetch'd, awesome!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Mary Vance, but we'll talk later, we've got an evil Vodou bokor to kill!

We rushed over, and right before Peytraud could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at the evil bokor, and that allows the five girls, along with Marielle, to get to safety inside a rainbow energy field created by Lincoln to protect them from Peytraud, and when he saw us, he was pissed off and furious.

Peytraud: You dare to get in my way, Team Loud Phoenix Storm?! You will all die!

Lincoln: The only one dying here is you, Peytraud, and for using the power of Vodou for evil, there's a price that must be paid: with your blood spilled and your soul condemned to eternal damnation!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo

Then, Dr. Allen used Celine's white magic and drove a nail into Peytraud's groin, and not only did he die a painful and excruciating death, but Lincoln also sends his soul to The Black Gates forever, and Lincoln fired a wave of rainbow energy and restored everyone who was turned into zombies by the evil Vodou bokor and had their souls taken. We cheered wildly as we holster our weapons and power down, and Dr. Alan returned home and Marielle was relieved that the nightmare was over.

Lincoln: That evil Bokor got what he deserved for using Vodou to turn innocent people into zombies and cause havoc. (To Mary Vance) And it's so good to see you again, Mary Vance.

Mary Vance reverted back to normal, and she was a beautiful girl with long flowing green hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she was dressed in a white short-sleeved school uniform top, green skirt, socks, ankle-high heeled sneakers, and long white sleeveless trenchcoat with plants on the coattails and Sirfetch'd on the back and holstered on her back is a large Sirfetch'd-themed greatsword with Sirfetch'd etched on the 7'0" massive, wide, double-edged green blade, large duck heads for the crossguard, large spring green gem embedded in the rainguard, longer midnight black handle, four large duck heads and a large spring green gem below the heads for the pommel.

Mary Vance: You too, Lincoln, it's been a long time.

Lincoln went up to Mary Vance and they hugged, and Mary Vance is is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were ten, and as you can see, I really grew a lot since then.

Mary Vance: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 10-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Mary Vance, she's my Guardian Angel from Michigan and classmate in Math, but she's also an incredible fencer. Mary taught me how to fence when they were 10 years old, and we both entered the Junior Olympics when we were 10 years old, and ever since then, we've entered every Junior Olympics.

Me: That was a year before I moved to Michigan, and it's awesome that you guys have participated in every Junior Olympics.

Nico: And at ten years old too, that's really awesome!

Lincoln: Thanks, guys, and we also planned to enter the Olympics together, but this time, with some of the girls in my harem.

Nico: Ooh, now that's something we really got to see for ourselves.

Lincoln: Don't worry, you will, and while we were training with our swimming routines, Mary kissed me on the lips while underwater, and you're going to like this: she's also the twin sister of Leina Vance, one of your future wives, J.D.

I was stunned.

Me: Leina didn't mention she had a twin sister.

Lincoln: You never asked her, J.D., and Mary hated Lynn with a burning passion.

Nico: Oh boy, what did she do to earn Mary's wrath that time?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Mary Vance's neck with green gems on the gold thunderbolt links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Mary Vance: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Mary.

Mary Vance had a smile on her face and tears in her eyes, as Lincoln then wrapped his abnormally massive and powerful muscular arms around Mary Vance's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her faces and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Ranko Mannen, Nagomi Wahira, Shiipon, and Yumechi from Akiba Maid War and Yuamu Ohdo from Yu-Gi-Oh Go Rush.

Lincoln: Oh wow, it's Ranko Mannen, Nagomi Wahira, Shiipon, and Yumechi from Akiba Maid War and Yuamu Ohdo from Yu-Gi-Oh Go Rush.

Nicole: Awesome!

Lincoln: Are you girls okay?

Ranko Mannen: Yes, we're okay, thanks to you.

Then, when Ranko Mannen and the other four girls saw who it was that saved them from Peytraud, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Ranko Mannen: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ranko Mannen: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Ranko Mannen, Nagomi Wahira, Shiipon, Yumechi, and Yuamu Ohdo with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was the evil Vodou bokor, Captain Dargent Peytraud.

But, when Lincoln showed what we did to that bastard, especially with how Peytraud was killed by us, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Mary Vance have a lot of catching up to do, now that she's back in town, and Reina was glad to be reunited with her cousin.

Maria: That'll teach that evil bokor. Plus, when I saw it, it did include the real-life events of what went down in Haiti.

Lincoln: Yeah, it included the real life events that led to the downfall of Jean-Claude Duvalier and the corrupt Duvalier regime.

Me: Francois Duvalier was a corrupt politician who caused Haiti to become the poorest nation in the world, he destroyed a dream and unleashed a nightmare.

Nico: Duvalier was a crook and a scoundrel, what he'd done decades ago in Haiti were acts worthy of him being called a traitor to Haiti.

Lincoln: More like to the entire world, Nico.

* * *

After destroying Peytraud and his whole Vodou zombie nightmare for good, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Mary Vance saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mary Vance: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mary, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mary Vance: That's incredible.

Nico: It sure is. So, Natasha, what's the story on why you hate Lynn with a burning passion?

Mary Vance: You're so not going to like hearing this, Nico. One day, Lincoln and I were doing some weightlifting in my backyard, and knowing just how immensely strong Lincoln is and just how much bigger he's gotten in muscle, I had to upgrade the weights on the barbells, and I was trying not to blush like crazy when I saw him lift up a 10,000-lb barbell. Then, as he put the barbell down and we were wiping the sweat from our head and bodies with towels, we heard the sound of a scream of rage in the air, and Lincoln saw who it was heading our way: it was Lynn, and she was really really pissed again, and she was going to kill Lincoln again. Knowing Lincoln, he was going to throttle her, but I'd charged in and I brutally beat her up and tied her up in nylon so she couldn't chew out of it, but she was so stubborn and hard-headed, she tried to get out of it again, but Lincoln spread his massive white angel wings and fired a blast of rose red energy from his angel wings and imprisoned Lynn in a rose red orb. We then went back to The Loud House, and we explained to Mr. and Mrs. Loud of what Lynn tried to do to Lincoln, and they were really mad at her. Lynn explained that she and her team lost another game to Hazeltucky, and she was so mad, she attacked her teammates, including Margo, Polly, and Paula, and then, she was going to kill Lincoln and I for even being alive. They'd had it with Lynn, and the bitch got herself grounded for ten weeks for this, and she wasn't allowed in her games during her punishment.

We gasped in shock.

Nico: Lynn did that?! Why, that stubborn, hard-headed pig! And I'm talking about your Dark Side, Lynn.

Lynn: Yeah, I know. And I can't believe I did that to all my teammates, along with Margo, Paula, and Polly.

Lincoln: That just proves what kind of sore loser Dark Lynn is. After we tossed Lynn in a steel cage, we went to visit Margo, Paula, and Polly at the hospital, and J.D. was with me and Mary.

Me: Yeah, it's true, and I was the one who got them to the hospital after Lynn escaped to kill you and Mary.

Paula: Lynn really went too far, and it's thanks to that evil Dark Side of hers.

Margo: She was a total sore loser and a bad athlete. After Lincoln told us what happened with her, we decided not to let her in any games and we had her benched until her punishment was up and until she apologized.

Polly: But she was stubborn and refused to apologize, she thought it made her weak and she tried to attack Lincoln again, until he grabbed and put her in a sleeper hold and put her to sleep knocking her out, and she was carted off by Lori, who threw her in the basement, since throwing her in her room is a bad idea.

Nico: Since she also shared a room with Lucy, and Lincoln didn't want Lucy hurt by Lynn.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Gorgona from Dragon Quest, and it was causing havoc.

Lincoln: (Gasps) It's Gorgona!

Nicole: From Dragon Quest?! Oh man, and it's causing havoc.

Jessica Kaios: That ugly monster, let's tear it to shreds!

Lincoln: Yeah!

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy balls and elemental blasts at Gorgona, and when the servant of Imajin saw us, he was enraged.

Jessica Kaios: And it doesn't speak, buzzkill. But, either way, it's still going to die.

Suddenly, Jessica Kaios' blue eyes turned neon blue and she was surrounded by a yellow energy aura with fire, cowboy hats, pistols, horseshoes, and horses, and as she approached Gorgona, she left yellow energy, fire, cowboy hats, and horses with every step. Suddenly, Jessica Kaios was surrounded by a massive vortex of yellow energy with cowboy hats, pistols, and horseshoes surrounding the vortex, there's a horse running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Jessica Kaios emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Jessica Kaios grew to 7'1" in height, she has the body of a goddess, she has green highlights in the bangs of her yellow hair tied in low pigtails, she has neon blue eyes and a yellow energy aura with fire, cowboy hats, pistols, horseshoes, and horses surrounding her, she has her trusty LBX, Jeanne D, emblazoned on her forehead, she has on horse earrings with blue gems for eyes and holding the Fire and Eternity Kanjis in its hooves, she also has a horse with blue gems for eyes and holding the Fire and Eternity Kanjis in its hooves for the second pendant on the bottom of her green horse-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Jessica Kaios has on her green collar shirt, brown jacket with black stripes, black cowgirl hat, black pants, white cowgirl boots, and a long white sleeveless trenchcoat with flames and pistols on the coattails and her LBX, Jeanne D, on the back surrounded by flames. Suddenly, Jessica Kaios felt a sharp pain on her back, and then, massive blonde angel wings with green tips on the feathers, grew and sprouted out from her back. Jessica Kaios has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Jessica Kaios has a brand-new large greatsword in her right hand called Jeanne D's Firearm Fireheart Greatsword of Shooting Flame

Jessica Kaios has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY WESTERN FIREHEART YELLOW FIRESTORM ANGEL OF DIVINE WESTERN YELLOW FIRESTORM HEART JUSTICE AND DIVINE SIX-SHOOTING YELLOW FIREHEART LOVE!

We were amazed by Jessica Kaios' Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Gorgona saw it, he fell into a rage and transformed into his true spider form and tried to attack her, but Jessica fired a powerful yellow energy blast with fire, cowboy hats, pistols, horseshoes, and horses at Gorgona and it sent him flying into a wall, but he's not done yet, and he's now really pissed off.

Nico: Awesome, Jessica Kaios has transformed!

Me: This is going to be really awesome.

Lincoln: And we'll get rid of Gorgona for good, and Jessica, you look beautiful, how do you feel?

Jessica Kaios: (Divine Echoing Cosmic Voice of The Western Fireheart Angel and Divine Western Fire Love) **I feel incredible, Linky. Now, shall we end this ugly monster once and for all?**

Lincoln: (Smiles) With pleasure, Jessica.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Jessica Kaios.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done, Gorgona, because you deserve no mercy from us.

Jessica Kaios and Lincoln went after Gorgona, and they fired extremely powerful blasts of rainbow energy, yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Robots at Gorgona, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords and they left nasty scars on him and they slashed off his arms, and Lincoln grabbed him with one of his eleven massive and long white werewolf tails, and he was body-slamming him left to right and it was really painful, and Lincoln also used his tail to squeeze Gorgona badly as he absorbed Gorgona's magic and made it his own. Then, Lincoln tossed him into the air and Jessica Kaios and Lincoln fired powerful black energy blasts which hit Gorgona and they hit him and condemned him to The Black Gates forever. We cheered wildly for what Jessica Kaios and Lincoln did as they holstered their massive greatswords on their backs and power down, and Jessica Kaios' new body, clothes, weapons, jewelry, and massive yellow angel wings are permanent.

Jessica Kaios: That'll teach you, you evil black-hearted demon. Thanks for helping me destroy that monster, Linky.

Lincoln: (Smiles Warmly) You're welcome, Jessica.

Suddenly, Jessica Kaios wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Jessica Kaios' face, they kissed passionately as Jessica Kaios' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Jeanne D flying in the air, and we saw a herd of Buffalo and horses running across the field, along with flames raging behind them and we all cheered wildly. Then, Lincoln and Jessica Kaios absorbed the fires and came back to us.

Nico: Whoo, now that's what I call one awesome battle you waged against Gorgona, awesome!

Jessica Kaios: And now, he's gone for good and never coming back.

Lincoln: You said it, Jessica.

We returned to the World Tree Estate, and we got rid of the evil Gorgona for good, and he's never coming back to hurt anyone again.

---

Later the mascots were sitting on the sofa.

Lightning Dust: What are you guys doing?

Poromon: We're bored.

Nico: I think I have solution.

Nico pulled out a radio.

Nico: You can listen to some tunes on the radio.

Nico turned it on and tuned it and the Mascots were listening to Train.

HEY SOUL SISTER BY TRAIN PLAYS.

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Your lipstick stains

On the front lobe of my left side brains

I knew I wouldn't forget you

And so I went and let you blow my mind

Your sweet moonbeam

The smell of you in every single dream I dream

I knew when we collided

You're the one I had decided who's one of my kind

Hey, soul sister

Ain't that Mr. Mister on the radio, stereo

The way you move ain't fair you know

Hey, soul sister

I don't wanna miss a single thing you do tonight

Hey, hey

You see, I can be myself now finally

In fact, there's nothing I can't be

I want the world to see

Poromon: OH YEAH!

Poliwag: We love Train!

IM Weasel: Ah, good memories with that song.

Me: Who doesn't like Train. He is awesome.

Nico: Just as popular as Bruno Mars.

Qin: Yeah!

Reflector: What else is on the radio?

Then Just The Way You Are by Bruno Mars played.

Oh, her eyes, her eyes

Make the stars look like they're not shinin'

Her hair, her hair

Falls perfectly without her tryin'

She's so beautiful and I tell her everyday

Yeah, I know, I know

When I compliment her, she won't believe me

And it's so, it's so

Sad to think that she don't see what I see

But every time she asks me, "Do I look okay?"

I say

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause girl, you're amazing

Just the way you are

Yeah

Her lips, her lips

I could kiss them all day if she'd let me

Her laugh, her laugh

She hates, but I think it's so sexy

She's so beautiful and I tell her everyday

Oh, you know, you know

You know I'd never ask you to change

If perfect's what you're searchin' for, then just stay the same

So don't even bother askin' if you look okay

You know I'll say

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause girl, you're amazing

Just the way you are

The way you are

The way you are

Girl, you're amazing

Just the way you are

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause girl, you're amazing

Just the way you are

Yeah

Me: Oh I love that song!

Leina Vance: That is awesome!

Qin: Yeah it sure is!

First Aid: We we're just talking about Bruno Mars.

Nico: I know!

Poromon: Bruno Mars is awesome.

Me: I also like Miranda Cosgrove.

Raining Sunshine by Miranda Cosgrove played.

Sunshine, sunshine, raining sunshine

When you think all hope is gone

There's a place somewhere beyond

Take a chance and realize

It's right before your very eyes

Leave the dark clouds far behind

And step outside, the weather's fine

It's raining sunshine

It's raining sunshine

All over mankind

It's raining sunshine

As real as it can be

Believe in what you see

It's not just in your mind

It's raining sunshine

Sunshine, sunshine, raining sunshine

Sunshine, sunshine, raining sunshine

Something's in the atmosphere

Don't be scared of what you fear

Look around the storm has passed
Just hurricanes of happiness
Raise up your umbrellas high
And stand beneath, the clear blue sky
It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine
As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine
Too many wonders to explain
Rays of sunlight, drops of rain
Coming down from up above
Cloudy with a chance of love
Can't you feel it in the air?
Sweet sensations everywhere
Whatever weather is in store
Bring it on, cause I want more
Sunshine, sunshine, raining sunshine
It's raining sunshine

It's raining sunshine

All over mankind

It's raining sunshine

As real as it can be

Believe in what you see

It's not just in your mind

It's raining sunshine

Me: OH YEAH!

Leina Vance: Awesome song!

Camie: Great song!

Tsuyu: Yeah!

Poromon: Yeah!

Future Maria: Just wait until you guys listen to Dancing Crazy!

Me: OH YEAH!

Dancing Crazy by Miranda Cosgrove played!

I've got a feeling that it's gonna be alright

We don't know where we're going

And I don't know where I'm at

I'm kinda thinking I don't like nobody else

You know whatever happens, I will be right by your side

You, me in the spotlight

Running around till the end of the night

Hot, hot keep it coming

We can rock out till the early morning

You, me, going all night

We don't care who's wrong and who's right

Hot, hot, keep it coming

We can rock out till the early morning

Everybody's dancing, dancing crazy

And we never stop, never stop

Everybody's raging, raging crazy

Put your hands up

Put your hands up

I like you and you like me

We get together and we're happy

Did you hear me say that?

Did you, did you, did you hear me say that?

(Smack)

And I like the way that we kiss

You and me together like this

Did you hear me say that?

Did you, did you, did you hear me say that?

(Smack)

Another night

And so just crank that music up

We don't know where we're going

And I don't know where I'm at

It doesn't matter 'cause we always know what's up

I know whatever happens

You will be right by my side

You, me in the spotlight

Running around till the end of the night

Hot, hot, keep it coming

We can rock out till the early morning

You, me, going all night

We don't care who's wrong and who's right

Hot, hot, keep it coming

We can rock out till the early morning

We danced and it was awesome!

Nico: WOOHOO! YEAH!

May: ROCK ON!

Varie: Yeah!

Nico: THAT WAS AWESOME!

Poromon: Thanks guys! You cured our boredom.

Nico: No problem guys. Now it's time for us to get ready for our next mission. We have another food planet to go see.

Eli: And don't worry it's edible.

Then Captain Boomerang, Samon, Pterodactyl Ghost, Tri-Klops, Dayu, Bonz, Yenaldooshi, Amora the Enchantress, Gentleman Ghost, Copperhead, Queen of The Black Puddle, Brutus, Windfall, Evil Strike Man, Psyphon, Cyclops (Hercules), Evil Luxord, Dahlia Hawthorne, Uchotan, and Indigestible Wad appeared

Captain Boomerang: Can me, Samon, Pterodactyl Ghost, Tri-Klops, Dayu, Bonz, Yenaldooshi, Amora the Enchantress, Gentleman Ghost, and Copperhead go with you guys?

Queen of the Black Puddle: Me, Brutus, Windfall, Evil Strike Man, Psyphon, Cyclops (Hercules), Evil Luxord, Dahlia Hawthorne, Uchotan, and Indigestible Wad will come as well.

Nico: Yes you guys all can come with.

Dr. Crowler appeared too.

Dr. Crowler: And I promised J.D. that I would teach him more.

Nico: Awesome.

Me: And we pretty much know that the next gene-slammer is Advanced Crystal Beast Amethyst Cat.

Nico: Yep.

Laney: Awesome.

Nico: Cool.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Nadare Rōga, another one of Doto Kazahana's powerful allies, and he's heading here to still get revenge on me for ruining Doto Kazahana's rule. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Nadare Rōga on the move?

Lincoln: You guessed it, Nico, and he's heading here to still get revenge on J.D. for ruining Doto Kazahana's rule.

Me: Should've known he'd be the next one to face.

Nico: Sheesh, you've really pissed them off after you ruined Doto Kazahana's rule 150,000 hence and had them killed.

Fubuki: Yeah, I still remembered that all too well, and they were really really red with rage and fury.

Lincoln: So, just like Doto Kazahana, he's getting the Hinon's Vengeance Curse if he so much as steps out of line.

Nico: Good idea, that'll show him that you mean business. Alright, gang, let's go, we've got another food planet to explore.

Lincoln: And there's bound to be an old enemy from long ago waiting for us there, and once we get done with whoever is waiting for us there, you're next, Nadare Rōga, and you're going to pay for everything you've done in Doto Kazahana's name 150,000 years hence in the Shinobi World.

June: I wonder what planet we're going to this time.

Nico: We'll find out soon. Lets head to the ship.

With that we went to the ship and we were off..

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log Stardate 7020.3: The U.S.S. Phoenix is en route to another amazing food planet and it's going to be a really awesome one as we venture into a rather unique and great planet.

Qin: Wow! J.D. is learning everything really fast.

I had summoned White Night Dragon and Blue-Eyes Ultimate Dragon and Nine-Headed Dragon! I had Crowler up against the ropes with monsters totaling 16000 ATK! WHOA!

Me: Now dragons attack!

They fired their attacks and smashed him down!

Nico: WHOA! What power!

Eli: Way to go bro!

Alexis: That was well done!

I helped up Dr. Crowler.

Me: You all right Doctor?

Dr. Crowler: Yes I 'm okay. But that was absolutely well done! You did great for your first duel.

Me: Not bad for my first try. I'm starting to get the hang of it.

Samon Shakekisutanchin: We should buy more cards for you.

Queen of the Black Puddle: Including the ones we stole from Yami Bakura.

Nico: That's a good idea.

Me: Yeah. Someday I'm hoping to duel lots of people to see how I do.

Dr. Crowler: You are ready for them.

Me: Duel Academy is a good place to start for me.

Eli: That's true.

Mandarin: Let's get you Elemental Heroes too.

Me: Awesome Idea. Thanks. But I've got a long way to go before I can challenge the ultra top dog duelists like Joey, Kaiba, Yugi and Jaden and Yusei and Yuma. I'm not ready for them yet. Someday I will be.

Nico: Yeah you can do it.

Qin: Yeah.

Me: Oh right. I found this a while back after we defeated Sartorious and sent him to the black gates.

I pulled out a card and gave it to Nico.

Nico: Arcana Force XII - The Hanged Man?

Me: Yeah. Take a good look at the picture. I noticed something strange at the bottom of it. Look at the picture of the head hanging upside down.

Nico looked at it closer and then he saw CHAZZ IN IT!

Nico: (GASP) Chazz!? What's he doing in this card?

Chazz: I remember that! I dueled Sartorious and lost. He overwhelmed me and played games with my head.

Me: So that's how he did it! He duels people and binds them to servitude to Sartorious.

Nico: Whoa man!

Me: It's some kind of servitude magic.

Eli: One thats been around since the beginning of time.

Laney: Geez! Sartorious was a monster.

Dayu: We should still keep that one.

Psyphon: At least we know how the brainwashing works.

Nico: Yeah. But Sartorious is dead. So he is no longer in servitude to him. Nico used his powers and severed the ties of Chazz to Sartorious.

Chazz: (SIGHS) Finally free!

Qin: Good.

Lisa Loud: Everyone we have arrived at our destination.

Nico: On screen.

We saw that we were at a planet that was a brownish red and it had red, yellow, green and orange streams and lakes and rivers around it.

Nico: Wow this planet looks interesting. Lets land.

We landed and got ready and got out and to our surprise and amazement we saw that it was A PLANET MADE ENTIRELY OUT OF HOT DOGS! It had piles and piles and piles of hot dogs in buns as far as the eye can see and there were streams of ketchup, mustard, nacho cheese sauce, mayonaise, relish and hot sauce!

Me: WHOA! It's a Hot Dog Planet!

Qin: OH WOW!

Ground Man: Hot dogs!

Camp Kidney scouts: (Chanting) HOT DOGS! HOT DOGS! HOT DOGS HOT DOGS!

Nico: LETS EAT!

We got to eating and we were eating and eating and eating hot dogs like you wouldn't believe. But they were Texas Sized Hot Dogs! Wow!

Me: Wow! These are Texas Size Hot Dogs! They are huge!

Applejack: YEEHAW! Love the Texas Size!

Clay Bailey: Me too pardner. Nothing beats the Texas Size!

Yenaldooshi: These are delicious!

Evil Luxord: Don't forget the ketchup.

Yenaldooshi: Oh I won't.

He put some on a Hot Dog.

Me: Oh Lisa sorry you are on a planet like this.

Lisa Simpson: That's all right. But thank you for your concern.

Me: No problem. And son I know you're a vegetarian and you don't like planets like this.

Jared: That's all right dad. But you got to admit. Seeing a planet like this is amazing.

Laney: Man if only we had some chili to go with this.

Sonic: Now you're speaking my language Laney. Nothing goes better with hot dogs than chili.

Android 21: Almost forgot you like chili dogs.

Nico: That's true.

Sonic: Yeah.

Me: I have a feeling that a Chili Dog planet is out there somewhere.

Nico: Yeah.

Tails: And boy do I love Chili Dogs too.

Nico: Yeah. All hot dogs are awesome. With any sauce.

Siren (Extreme Ghostbusters): It's amazing that there is a world like this. I wonder if there is a world with ghosts?

Moondancer: Oh there really is a world like that. It's called Hauntra and it's in the Mice Galaxies.

Siren (Extreme Ghostbusters): That is interesting.

Me: And at 204 million Light-Years Away from Earth.

Lola: Yeah.

Gentleman Ghost: Now that's a planet I look forward to.

Uchotan: As exptected.

Nico: We've been to that planet before on some of our battles.

J.D. 2: It's true guys. We went there many times before.

Qin: It's true. I thought it was amazing.

Camie: All the planets we go to are amazing.

Aria Blaze: I could eat hot dogs all day!

Sonata Dusk: I prefer tacos myself. But Hot Dogs are just as awesome.

Qin: They are both good.

Nico: Yeah they sure are.

Varie: Yeah.

Indigestible Wad: By the way, Aruto, I think you and Flora are getting a chance to shine today.

Copperhead: You can still eat hot dogs though.

Aruto: Awesome!

Flora: Sweet!

Nico: Yep.

Barbossa: Tis be quiet. Too quiet.

Me: Something is not right.

I then picked up a hot dog and bit it.

CRUNCH!

Hot dog: YEOWCH!

Me: Huh? (SCREAM) WHAT THE FUCK!?

I saw the hot dog and it was a PREMIUM HOT DOG!

Me: A Premium Hot Dog!

He ran and got away!

Dahlia Hawthorne: A Premium Hot Dog was there?!

Amora: No one bite into any more hot dogs!

Eli: I sense that they are over that hill 30 klicks to the north.

We saw the hill.

Nico: Then we better be ready.

Ty Lee: Fuck! Did anyone else bite into those Premium Hot Dogs?!

We looked and saw that no one else did.

Eli: I sense that no one did.

Me: Just me then.

Nico: Good. But at least we know they are here.

Me: And on a planet of hot dogs. Very coincidental. Hard to imagine that they were return.

Benson: No kidding there.

Evil Strike Man: Look, me and the other Neo Core members just joined the battles recently. Can you tell us who these guys are?

Bonz: Let me explain.

Me: Right you guys don't know about them. Proceed Bonz.

Bonz: Thank you.

He told everyone that hadn't heard about the Premium Talking Hot Dogs.

---

When Mordecai and Rigby ruin the hot dogs for the big park BBQ they go to the freezer to find more to replace the ones they ruined.

After Rigby gets them locked themselves in the freezer and Mordecai gets knock out from all the cold air, Rigby finds a box containing the talking hot dogs. After Mordecai wakes up the Talking Hot Dogs tell them that they know a way out of the meat locker unless Mordecai and Rigby can bring them to a BBQ to be eaten, claiming that they have been longing for the chance to be eaten, and Rigby agrees to take them to the park BBQ, but Mordecai was not so sure.

An icebox then appears and acts as a portal leading to the outside and the BBQ table. They prepare the hot dogs just when Benson, Skips, and Pops arrive and are about to begin, when suddenly the Talking Hot Dogs start attacking everyone.

The hot dog leader then reveals their true plan to not be eaten but to have everyone marinated and eaten as vengeance for having watched their own kind being eaten alive for years. Rigby then saves the day by squirting mustard on the hot dogs, thus causing them to kill themselves off by eating each other.

They also made a brief appearance in "Exit 9B" when Garrett Bobby Ferguson Jr. used a portal to summon the villains from previous episodes, calling the protagonists cowards and that they will die tonight. However, they are never seen for the rest of the episode, including the war. They are then sent back to Hell.

---

When he was done everyone was shocked!

Camie: JEEZ!

Nico: Yeah. We ate them and defeated them before.

Wallflower: And now, you know.

Nico: Yep.

Wallflower: But they were tasty Hot Dogs though.

Me: Tasty yes. Evil absolutely.

Nico: This time we eat them and send their spirits to the Black Gates.

Qin: Yep.

Eli: Yeah.

Ashi: Time for our entrance.

Nico: Lets do it!

We went for the hill.

We climbed it and saw the Premium Talking Hot Dogs. This time there were thousands of them!

Qin: Whoa there's more of them than there were before.

Bonz: Not good.

Nico: Lets chow down.

We went at them.

Talking Hot Dog Leader: This time we will HAVE OUR REVENGE!

Then the spirits of the Duelists appeared and they swirled around the Hot Dogs and fired waves of energy and elements and blasted them all over. Then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and then we came out!

Me: Okay you dumb hot dogs! Time for a little barbecue!

Talking Hot Dog Leader: This won't end like last time!

Pterodactyl Ghost: Don't be too sure!

Windfall: You guys were eaten once.

Aruto: And you'll be eaten again!

Progrise! Let's rise! Le-Le-Let's rise!

He turned into METALCLUSTER HOPPER!

Me: YEAH!

Qin: It's time to CHOW DOWN!

Nico: And we'll roast and toast you!

Starlight Glimmer: She is really awesome at what she does with a sword too.

Cozy Glow: And her story is amazing too.

---

Mary Vance: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Mary, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mary Vance: That's incredible.

Nico: It sure is. So, Natasha, what's the story on why you hate Lynn with a burning passion?

Mary Vance: You're so not going to like hearing this, Nico. One day, Lincoln and I were doing some weightlifting in my backyard, and knowing just how immensely strong Lincoln is and just how much bigger he's gotten in muscle, I had to upgrade the weights on the barbells, and I was trying not to blush like crazy when I saw him lift up a 10,000-lb barbell. Then, as he put the barbell down and we were wiping the sweat from our head and bodies with towels, we heard the sound of a scream of rage in the air, and Lincoln saw who it was heading our way: it was Lynn, and she was really really pissed again, and she was going to kill Lincoln again. Knowing Lincoln, he was going to throttle her, but I'd charged in and I brutally beat her up and tied her up in nylon so she couldn't chew out of it, but she was so stubborn and hard-headed, she tried to get out of it again, but Lincoln spread his massive white angel wings and fired a blast of rose red energy from his angel wings and imprisoned Lynn in a rose red orb. We then went back to The Loud House, and we explained to Mr. and Mrs. Loud of what Lynn tried to do to Lincoln, and they were really mad at her. Lynn explained that she and her team lost another game to Hazeltucky, and she was so mad, she attacked her teammates, including Margo, Polly, and Paula, and then, she was going to kill Lincoln and I for even being alive. They'd had it with Lynn, and the bitch got herself grounded for ten weeks for this, and she wasn't allowed in her games during her punishment.

We gasped in shock.

Nico: Lynn did that?! Why, that stubborn, hard-headed pig! And I'm talking about your Dark Side, Lynn.

Lynn: Yeah, I know. And I can't believe I did that to all my teammates, along with Margo, Paula, and Polly.

Lincoln: That just proves what kind of sore loser Dark Lynn is. After we tossed Lynn in a steel cage, we went to visit Margo, Paula, and Polly at the hospital, and J.D. was with me and Mary.

Me: Yeah, it's true, and I was the one who got them to the hospital after Lynn escaped to kill you and Mary.

Paula: Lynn really went too far, and it's thanks to that evil Dark Side of hers.

Margo: She was a total sore loser and a bad athlete. After Lincoln told us what happened with her, we decided not to let her in any games and we had her benched until her punishment was up and until she apologized.

Polly: But she was stubborn and refused to apologize, she thought it made her weak and she tried to attack Lincoln again, until he grabbed and put her in a sleeper hold and put her to sleep knocking her out, and she was carted off by Lori, who threw her in the basement, since throwing her in her room is a bad idea.

Nico: Since she also shared a room with Lucy, and Lincoln didn't want Lucy hurt by Lynn.

?: I will have my revenge on you for ruining Lord Doto's rule, J.D. Knudson!

Me: Right on cue, and there's no mistaking that voice from anywhere. You can come out now, Nadare Rōga.

A figure came out, and it was none other than Nadare Rōga, and he was still pissed at me for ruining Doto Kazahana's rule 150,000 years hence.

Me: Should've known you'd show up again, Nadare Rōga. You just don't know when to quit, do you?

Nadare Rōga: Not until I have your head mounted on a wall for what you did, and the hearts of all your wives and children will all break when I finally kill you!

Lincoln threw a ball of ice at Nadare Rōga and it hit him, but didn't freeze him.

Lincoln: Oh no, you don't, Nadare Rōga, your fight's with us.

Maya Santiago: (Spanish Accent) That's right, and you're going to pay for every last one of your despicable crimes, you miserable black-hearted monster.

Suddenly, Maya Santiago's yellow eyes turned neon yellow and she was surrounded by a black and yellow energy aura with darkness, yellow fire, and llamas, she unholstered her massive Earthbound Immortal Llamaca Pacuilla-themed sword from her back, and as she approached Nadare Rōga, she left black and yellow energy, yellow fire, llamas, and darkness with every step.

Maya Santiago: (Spanish Accent) I will never forgive you for every last one of your crimes you've committed against the Hidden Snow Village 150,000 years hence in Doto Kazahana's name, Nadare Rōga, and now, I will administer unto you your punishment for your crimes.

Suddenly, Maya Santiago was surrounded by a massive vortex of black and yellow energy with yellow fire and darkness surrounding it, there's Earthbound Immortal Llamaca Pacuilla flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Maya Santiago emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Maya Santiago grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing yellow hair, she has neon yellow eyes and a black and yellow energy aura with darkness, yellow fire, and llamas surrounding her, she has Earthbound Immortal Llamaca Pacuilla with the Dark Kanji in its hooves emblazoned on her forehead, she has on llama earrings with yellow gems for eyes and holding the Dark and Eternity Kanjis in its hooves, she also has Earthbound Immortal Llamaca Pacuilla with yellow gems for eyes and the Dark and Eternity Kanjis in its hooves for the second pendant on the bottom of her yellow llama-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Maya Santiago has on a sleeveless yellow midriff top with the Llama Nazca Line on it, yellow shorts, yellow legwarmers, yellow heeled sneakers, and long sleeveless white trenchcoat with darkness, llamas, and yellow fire on the coattails, and on the back is Earthbound Immortal Llamaca Pacuilla with darkness surrounding it. Suddenly, Maya Santiago felt a sharp pain on her back, and then, her massive black angel wings with yellow tips grew much bigger for her new body, and the feathers had the same yellow markings as on Llamaca Pacuilla. Maya Santiago has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Maya Santiago's massive Earthbound Immortal Llamaca Pacuilla-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of yellow energy with darkness, yellow fire, and llamas, and when it emerged, it transformed into Earthbound Immortal Llamaca Pacuilla's Dark Llama Greatsword of Magenta Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Llamaca Pacuilla and the Llama Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black llama heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight llama heads and a large yellow gem below the black llama heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Llamaca Pacuilla's head with yellow gems for eyes and a large yellow gem in its spiral for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below Earthbound Immortal Llamaca Pacuilla that said, "Maya Santiago, Gene-Slammer of The Llama Earthbound Immortal Llamaca Pacuilla, Amazing Llama Farm Owner From Peru, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Chandler, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Llamas, and Yellow Fire"

マヤ・サンチャゴ、ラマ アースバウンド 不滅のラマカ パキュイラの ジーンスラマー、ペルーの素晴らしい ラマファーム オーナー、愛情深い守護天使、リンカーン・ラウド の将来の妻、チャンドラーの軽蔑者と粉砕者、悪の殺し屋、混乱した、殺人的、無慈悲、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして闇、ラマ、黄色の火のマスター

Maya Santiago has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS YELLOW FIRE EARTHBOUND IMMORTAL LLAMA ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE YELLOW FIRESTORM LOVE!

We were amazed by Maya Santiago's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Nadare Rōga saw it, he formed his Chakra Armor, but Maya Santiago fired a powerful black and yellow energy blast with darkness, yellow fire, and llamas at him, and it exploded with incredible power as it hit him, shattering his Chakra Armor into pieces, but he's not done yet, and he's pissed off even more.

Nico: Whoa, now Maya Santiago has transformed, so cool.

Me: Yeah, and take a look at the yellow patterns on her black angel wings, they're the same as the ones on Llamaca Pacuilla, and she blasted Nadare Rōga's Chakra Armor and it also hit him and sent him flying into a hot dog wall, nice.

Lincoln: Now, Nadare Rōga is about to feel the true wrath of The Earthbound Immortals. And Maya, you look beautiful, how do you feel?

Maya Santiago: (Divine Echoing Cosmic Voice of The Dark Llama Earthbound Immortal and Divine Yellow Fire Justice) (Spanish Accent) **I feel incredible, Linky, and now, shall we finally administer Nadare Rōga's punishment for the crimes he's committed in Doto Kazahana's name?**

Lincoln: (Smiles) With pleasure, Maya.

Me: You're through, Nadare Rōga!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Maya Santiago.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to pay for everything you've done, Nadare Rōga, and you don't deserve a single ounce of mercy, not that you even deserve any.**

Maya Santiago and Lincoln went after Nadare Rōga, who continued firing blasts of ice at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and magenta energy, magenta fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Llamas at Nadare Rōga and they exploded with incredible power as they hit him. Then, they attacked Nadare Rōga with their massive greatswords and they left some really nasty scars on him, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Nadare Rōga, so he couldn't escape.

Nadare Rōga: Impossible, defeated yet again?! No, I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **That's enough out of you, Nadare Rōga.**

Nadare Rōga was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Nico. (To Nadare Rōga) **As much as I want than to put a permanent end to you for what you've done in Doto Kazahana's name, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?**

Maya Santiago: (Divine Echoing Cosmic Voice of The Dark Llama Earthbound Immortal and Divine Yellow Fire Justice) **This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you. Doto Kazahana and Mizore Fuyukuma were told the same thing yesterday, and they agreed to join, despite his stubborn hard-headedness.**

This caused Nadare Rōga to think, and he knew Lincoln and Maya Santiago were right: if news of his defeat reaches Barodius, he will kill him and not show him any mercy at all, and not even Doto Kazahana and the rest of them doesn't have the manpower to deal with a monster like Barodius, and Dustin Keystone will also kill him since he's still now mega pissed off at what Lincoln did in removing the Hom Dai from him many days ago.

Nadare Rōga: (Growls) Fine.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice. But, to make sure you're kept in line.**

Lincoln gave Nadare Rōga the Hinon's Vengeance Curse and beamed him to The Masters of Evil's HQ, where Vypra and the others were given the news: Nadare Rōga is now part of The Masters of Evil, and just like Doto Kazahana, he'll be under strict supervision, and Lincoln put the Hinon's Vengeance Curse on him. We cheered wildly for what Maya Santiago and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Maya Santiago's new body, clothes, weapons, jewelry, and massive black and yellow angel wings are permanent.

Maya Santiago: (Spanish Accent) That's one villain recruited into The Masters of Evil and two more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Nadare Rōga, Linky.

Lincoln: (Smiles Warmly) You're welcome, Maya.

Suddenly, Maya Santiago wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Maya Santiago's face, they kissed passionately as Maya Santiago's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Llamaca Pacuilla flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and yellow fire raging behind them and we all cheered wildly. Lincoln and Maya Santiago absorbed the fires, and they came back, and Llamaca Pacuilla vanished.

Nico: Awesome job, Maya and Lincoln, you guys took down and convinced Nadare Rōga to join The Masters of Evil.

Lincoln: And I also put the Hinon's Vengeance Curse on him, because if he steps out of line, the curse will take his life, and he'll be sent to The Black Gates.

Fubuki: Nice one, and you'll do the same to Fugai and Kamira.

Lincoln: That's right.

Connie Sellingron: Which means tomorrow, you and I are taking down Fugai, Lincoln.

Lincoln: You got that right, Connie.

Eli: We'll be sure to get front row seats for this one. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli. Hmm, ooh, here's a good one, how about a Gene-Slammer for Sephylon, the Ultimate Timelord?

Nico: (Gasps) That's the most powerful in the Timelord archetype, really awesome!

Girl Jordan: And there's only one person who would fit this monster: Selene Emperyous, the eldest of the Emperyous sisters.

Me: Whoa, now that's really awesome. Lincoln, can you tell us about them?

Lincoln: Gladly, J.D. The Emperyous Sisters are 12 sisters that are the Gene-Slammers of the 12 Timelords that correspond with the Archangels and the powers of the Angels. They're all angels and have the symbol of the Sephiroth Tree of Life on their skirts. The Emperyous Sisters are the strongest and most powerful members out of all of my Guardian Angels and they all took on Lori, Lynn, Lola, Lisa, Luan and all of my enemies at their ultimate worst, and they each have a horrible revelation about them.

We gasped in shock.

Me: Whoa!

Nico: Holy crap! We're so in for a big revelation fest in the days to come, and can you tell us their names?

Lincoln: That's a good idea, so that way, you and everyone else can know just who's who, Nico.

Lincoln gave us a list of the Emperyous Sisters and which of The Timelord Monsters they were Gene-Slammed into

The Sephylon, the Ultimate Timelord Gene-Slammer is Selene Emperyous, first-born and eldest of the Emperyous Sisters

The Zaphion the Timelord Gene-Slammer is Zaina Emperyous, second-born and second eldest of the Emperyous Sisters

The Timelord Progenitor Vorpgate Gene-Slammer is Vorya Emperyous, the third-born and third eldest of the sisters and Goth Girl

The Sandaion the Timelord Gene-Slammer is Sandra Emperyous, the fourth-born and fourth eldest of the sisters

The Sadion, the Timelord Gene-Slammer is Sadie Emperyous, the fifth-born and fifth-eldest of the sisters

The Raphion, the Timelord is Rachel Emperyous, the sixth-born and middle child of the sisters

The Michion the Timelord Gene-Slammer is Michelle Emperyous, the seventh-born and first youngest of the sisters

The Metaion the Time Lord is Melanie Emperyous, the eighth-born and second youngest of the sisters

The Lazion the Timelord Gene-Slammer is Laney Emperyous, the ninth-born and third youngest of the sisters

The Kamion the Timelord Gene-Slammer is Camie Emperyous, the tenth-born and fourth youngest of the sisters

The Halion the Timelord Gene-Slammer is Valentine Emperyous, the eleventh-born and fifth youngest of the sisters

and The Gabrion, the Timelord Gene-Slammer is Laniya Emperyous, the twelfth-born and sixth youngest of the Emperyous sisters.

When we were done looking at the list, we were mind-boggled.

Nico: Holy crap, that's a large family, just like yours, Lincoln.

Lincoln: You got that right, Nico, and the Timelord Monsters are inspired by God and the Archangels, Zaphkiel, Vulgate, Sandalphon, Zadkiel, Raphael, Michael, Metatron, Raziel, Haniel, and Gabriel.

Me: Whoa.

Audrey Sauron: That's right, but, there's a difference between them and I: Selene and her sisters have all the powers of the Timelord Monsters and the Archangels and are all angels, but I have all of the powers, strengths, skills, and ring-making ability of Sauron, The Dark Lord who terrorized all of Middle Earth, and I'm what you'd call a Dark Angel of Justice.

Lincoln: You got that right, Audrey.

Juggernaut: I call dibs on some of the dead hot dogs!

Evil Lyn: I'll have some too, if none of you mind.

Private HIVE: I'll have some as well, soldiers!

Me: Now now we have more than enough for everyone.

Selene: This was a delicious day.

Shiva: It sure was.

Me: Yeah it sure was.

Nico: Yep. And we are now free of those bad hot dogs.

Mordecai: Thank goodness.

Me: First ever Bad Food that we banished to the Black Gates.

Nico: Won't be the last.

Laney: Nope.

Nico: But great job today everyone.

Me: Man this was awesome!

Rainbow Dash: It sure was. (To the Viewers) Hope you all loved this one because of hot dogs. Go have a great barbecue everyone.

Me: Oh you know we will.

We had a great barbecue and had an awesome hot dog buffet and then we later went back home and enjoyed the rest of the day and went to sleep.

THE END

It'll be AWESOME! Then we're going to battle Another Stretchleo. Then we're going to meet a gene-slammer for Advanced Crystal Beast Amethyst Cat. Her name is Amethyst Viola. Amethyst is Nico's friend from science class and she knows a lot about chemistry and knows so much about crystal science. She also is a master of purple fire that can freeze bad guys in Amethyst Crystal forever. The match-up scene is for Connie Sellingron, Gene-Slammer of The Dog Earthbound Immortal Ccoshobar, and she and Lincoln are going to take down and recruit Fugai into The Masters of Evil, but not before they give her a well-deserved ass-kicking for what she'd done in Haido's name. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Camp Crystal Lake, and Lincoln and his group had gotten some bad news: Pamela Voorhees, the insane mother of Jason Voorhees, has come back from the dead seeking blood-soaked revenge on us for killing her son and sending him to The Black Gates. Now, we're going to finally end the Voorhees' blood-soaked family line and end her life. And we're going to meet the Gene-Slammer of the Sephylon, the Ultimate Timelord, the most powerful of all the Timelords named Selene Emperyous, the eldest member of the Emperyous Sisters, Selene has all the powers of all the Emperyous Sisters put together times infinity! She has powers that are immensely powerful, and like me she has the power to do anything, and she has all our powers and more. She hates ALL OF LINCOLN'S AND OUR ENEMIES WITH A MERCILESS VENGEANCE and wants to destroy them all and make them pay for their crimes times 100,000,000. But she hates MORAG the most! After we defeated Morag for trying to destroy Lincoln and his family along with the entire planet during the October 10th, 2021 war with Team Dark Phoenix Storm and sent her to prison with that curse, Selene beat up Morag really hard and made her feel the pain of everything she and her ancestors did amplified times and made sure that she would endure the same kinds of pain she felt over and over and over. She vowed that if Morag ever returned from the Warp that she would make sure that she gets turned into dragon chow and also have her vomited up carcass thrown into the sun and obliterated. The next chapter is going to be a gassy one as we head to a planet made of Baked

Beans and Weenies and we're going to eat beans till we fart ourselves silly and then battle an evil version of Lynn that is out to kill Lincoln to get revenge. Lynn is going to be the first to transform and unleash her wrath on this evil version of Lynn and she is going to use her own version of the Evil Sasuke Rant. NOW THINGS ARE GOING TO GET GOOD!

See you all tomorrow

Nico: J.D., (Pats my back) You can do it man. I believe in you.

Me: Well I'm just really excited that's all. I've never dueled with others before. But I'm really ready for this.

Eli: That's the spirit bro!

Camie: We're rooting for you.

Xenia: Yeah. You can do it!

Nico: Thanks for coming with me, Chazz.

Chazz: No problem Nico. It's going to be so fun to help you on this rescue.

Varie: It's always fun having all of the team help.

Nico: Chazz, you might seem like a jerk at first. But you really are a nice guy.

Chazz: That's true. But the reason I was such a jerk to everyone was because of my brothers.

Camie: Why what did they do?

Me: His brothers were total assholes and they hated his guts.

Eli: I remember Slade and Jagger and they were total monsters.

Nico: Yeah they were total assholes.

Xenia: Geez.

Maria: I remember you showing that video of the crimes of your brothers.

Nico: I remember that too.

Me: That was a very awesome one too.

Camie: What happened during that time?

Me: Well it was really awesome.

I went over what happened before our mission during Chapter 748

---

It starts at a very prominent business building. Two very important people were in an office in their easy chairs. Those people were Slade and Jagger Princeton, the two older brothers of Chazz Princeton.

Slade and Jagger were sitting in their easy chairs in their home office watching a mindless reality show when who should appear but their estranged brother, Chazz.

Chazz: Hello, everyone. My name is Chazz Princeton, and I'm the youngest brother of Slade Princeton. He has told you he is a great American, a great leader and a great family man. But I ask you… would a great family man do what he has done to me?

Evil music played, and a montage of a younger Chazz with bruises on his face from being slapped, Chazz being kicked around, Chazz being yelled at when he didn't do well in duels or in his studies and then finally Slade blowing up at his brother at Duel Academy and dueling the boy in order to tear down the school.

Chazz: My brother has disowned me, mistreated me and attempted to take away the educational opportunities for hundreds of children in an attempt to damage me and anyone who gets in his way. He is a political opportunist and doesn't really care about the United States. And there is further evidence of that…

Chazz then showed a picture of Slade burning an American flag, and it was clear he wasn't disposing of a worn, damaged flag at a Boy Scout jamboree.

Chazz: Ladies and gentlemen, do you really want to elect a candidate who mistreats family and denigrates our national symbol? I am Chazz Princeton, and I approve this message."

Slade and Jagger sat slack-jawed for about three minutes after the ad aired. Then Slade looked at his brother in horror.

Slade: If enough people have watched this, we're doomed…

Jagger: Can't we spin this? Make it a media conspiracy? Come on, Slade, there's got to be a way to make this go away!

Then Slade said something about his baby brother that is not fit to repeat.

Slade and Jagger were completely enraged. The Phone rang.

Slade: I'll get that (answers phone) Hello?

Chazz (unable to hide his smirk): Hello, Slade. How's the election going?

Slade (pissed off): When I get a hold of you..!

Chazz (laughing): You'll do what? Give me more ammo for next time? Maybe you'll think twice about how you treat people, or I'll bet I can find more of m friends who'll give me the goods on you. You go bye-bye, Slade… (hangs up)

But then as luck would have it an FBI SWAT Team bursted into the house and they raided the house and found them in the office.

Officer: DOWN ON THE GROUND NOW!

They slapped the cuffs on them. Slade and Jagger Princeton were arrested for abuse, fraud, assault and battery, attempted murder and high treason.

At the estate we were watching the news.

News Reporter: Earlier this morning, presidential candidates Slade Princeton and his brother Jagger were arrested for numerous crimes against the entirety of the United States.

Me: Well it serves your douchebag brothers right Chazz.

Nico: I'll say.

Alexis: Yeah those jerks have had this coming for a longer time.

Jaden: Yep.

Nico: Slade and Jagger Princeton you have failed this country.

We laughed.

Lola: But those clods got what was coming to them and they deserve to spend every second in prison.

Lisa: Affirmative elder sibling.

Chazz: Yep. Thanks for helping me bring my brothers to justice J.D.

Me: Anytime Chazz. That's what friends do and what your brothers did was completely unforgivable.

Chazz: I know. Those clods are not my brothers anymore. As far as I know my brothers are dead to me.

Sasuke: At least it's not like that with me and my brother. I thought I hated my brothers guts because I thought he killed all my clan in cold blood.

Me: But that was because of the corruption of the council.

Laney: Your brothers were monsters Chazz. If I was in your shoes, I would've disowned them right away after I found out their true nature.

Chazz: Yeah. Good point Laney.

June: I'm glad they got what they deserved.

FLASHBACK ENDS

Everyone was shocked and amazed!

Twilight Sparkle: Wow! That is amazing that your brothers got what they deserved.

Camie: Thank goodness.

Me: They were total assholes.

Nico: We ate lots of hot dogs yesterday.

Eli: We sure did. They were awesome and tasty.

Laney: They sure were.

Lola: Yep.

Camie: We had a great time on that one.

Xenia: Yeah we sure did.

Nico: We even ate those evil hot dogs.

Qin: We sure did and they were tasty.

Jaden: Yeah they sure were.

We went into Duel Academy.

Me: Here we are.

We went into the auditorium and EVERYONE was there.

Me: This is gonna be awesome.

Nico: Go get them J.D.!

Me: With pleasure.

I went over to the floor and out came HARRINGTON ROSEWOOD!

Me: And you are?

Harrington Rosewood: Name's Rosewood, Harrington Rosewood and it's an honor to meet you J.D.

Me: Pleasure is mine.

Harrington Rosewood: Lets duel shall we?

Me: We shall.

I activated my Duel Disk and we got ready!

Me: Lets duel!

Harrington: Lets duel! I'll start us off.

Turn 1: Harrington

Harrington draws. He then activates "Service Ace" by picking a card from his hand. I must guess if it is a Monster, Spell or Trap. If he is incorrect, he will take 1500 damage. I chose Monster. The chosen card is then revealed to be the monster "Mega Thunderball". The chosen card is then removed from play (Harrington: 4000 → 2500 LP). Harrington's hand contains "Smash Ace", "Receive Ace", and two copies of "Mega Thunderball". Harrington Sets a card.

Me: Your deck is Tennis Themed.

Harrington Rosewood:: That's right. I'm a tennis star here and my deck is all about Tennis.

Me: Awesome. You would love my friends Katie Sandler, Julie Yamamoto and Sora Takenouchi. They play tennis a lot too. So does Nico. He plays a lot of tennis too.

Harrington Rosewood: I'll have to see what they got soon.

Me: You won't be disappointed.

Harrington Rosewood: Yeah. I end my turn.

Me: Okay then.

I draws "Feather Wind". My hand contains "Elemental HERO Avian", "Elemental HERO Clayman", "Elemental HERO Burstinatrix" and two unspecified cards. I Normal Summons "Avian" (1000/1000) in Attack Position. "Avian" attacks directly, but Harrington activates his face-down "Receive Ace" to send the top three cards of his Deck to the Graveyard, negate the attack and inflict 1500 damage to me (J.D.: 4000 → 2500 LP). I Sets a card.

Me: That was an awesome counter move.

Harrington: Thanks.

Me: My turn is done.

Turn 3: Harrington

Harrington draws "Smash Ace" and subsequently activates it to reveal the top card of his Deck. If it is a monster, he can inflict 1000 damage to me. He draws "Mystical Shine Ball", but I activate my face-down "Feather Wind" to negate the effect of "Smash Ace" and destroy it. The card revealed is then sent to the Graveyard due to the last effect of "Smash Ace".

Me: Nice try though.

Harrington: Yeah. I end my turn.

Me: Okay.

Turn 4: Me

I drew "Polymerization" and subsequently activates it to fuse "Clayman" and "Burstinatrix" to Fusion Summon "Elemental HERO Rampart Blaster" (2000/2500) in Attack Position. "Avian" and "Rampart Blaster" then attack directly (Harrington: 2500 → 0 LP).

I won!

Me: WOW!

Nico: THAT WAS AWESOME!

Qin: Way to go J.D.!

Everyone cheered wildly for me!

Me: YEAH!

Harrington: That was awesomely well done!

Me: Thanks Harrington. You are a good duelist yourself too. Also I heard from Jaden that you dueled him and it was to see who gets to have Alexis as your fiancé.

Harrington: I sure did.

Me: Well sorry to disappoint you but Alexis is already spoken for. She chose Jaden. But you don't have to worry. There are plenty of fish in the sea. Also true love doesn't work that way just by winning them over in a duel. It comes from your heart. It comes from showing that you care for them and show how much you love them with the good that's in you. And getting to know them and to see if you two are compatible with each other.

Harrington: Oh I think I'm starting to understand.

Nico: It's good he got that. Also, Karu Sil, Kylie Griffin, Snake Eyes, Mary Vance, Vayra Volans, Palea the Lava Golem, Leviathan the Sea Mage, Luna the Lunar Guardian, Stella Vermillion, and Lyssa Drak are backup core members.

Varie: Good choices.

Qin: Yeah.

Laney: Awesome.

Then I dueled Lorenzo, Bob, Dimitri, Bastion and Professor Banner. And I won them all.

Lorenzo's deck was for the Gradius Game, Bob's was a Quiz Game, Dimitri's was a copycat version of Yugi's deck minus the God Cards, Bastion's was a Water Dragon Deck and Professor Banner's was for Alchemy.

EVERYONE CHEERED WILDLY FOR ME!

Qin: WOW!

Nico: AWESOME! J.D. is doing really well!

Me: YEAH!

Lorenzo: You did great J.D.!

Dimitri: He sure did!

Bastion: J.D. has learned so much.

Chazz: Alright. How about I duel you next? Since I DID volunteer for the rescue.

Me: Three words Chazz: BRING! IT! ON!

Chazz: Yeah!

He came down to me.

Chazz: You're going down Slifer Slacker!

Jaden: Wow! I haven't heard him call anyone that in a while!

Alexis: Me neither.

Me: And Chazz I don't go to this school. But it's fun.

Chazz: Glad you like dueling now J.D.

Me: Also Bastian gave me a really awesome and great idea. Have several decks ready just to keep my enemies guessing. Very awesome form of wisdom. Now lets do it!

We got ready.

Me: LETS DUEL!

Turn 1: Chazz

Chazz draws "Chthonian Soldier" and subsequently Normal Summons it (1200/1400) in Attack Position. He then Sets a card.

Me: Those Chthonian Monsters are awesome.

Chazz: Thanks. They were the first cards I picked when I started out here.

Me: They really are awesome and are just as awesome as the Ojama cards.

Chazz: Glad you think so. I end my turn.

Me: All right.

Turn 2: J.D.

I drew "Hydrogeddon" and subsequently Normal Summons it (1600/1000) in Attack Position. "Hydrogeddon" attacks and destroys "Chthonian Soldier" (Chazz: 4000 → 3600 LP). Since "Chthonian Soldier" was destroyed by an attacking monster and sent to the Graveyard, its effect activates, inflicting damage to me equal to the Battle Damage Chazz took (J.D.: 4000 → 3600 LP). Since "Hydrogeddon" destroyed a monster by battle, its effect activates, allowing Bastion to Special Summon another "Hydrogeddon" (1600/1000) from my Deck in Attack Position. The newly Summoned "Hydrogeddon" attacks directly (Chazz: 3600 → 2000 LP).

Me: Very good move though Chazz.

Chazz: Thanks.

Me: It's your turn.

Turn 3: Chazz

Chazz draws. He then activates his face-down "Call of the Haunted" to revive "Chthonian Soldier" (1200/1400) in Attack Position. As Chazz Special Summoned a monster with 1500 or less ATK, he activates "Inferno Reckless Summon" to Special Summon all monsters with the same name as the Special Summoned monster from his hand, Deck or Graveyard. After that, I must select one monster he controls and Special Summon all monsters with the same name as the selected monster from his hand, Deck or Graveyard. Chazz Special Summons two more "Chthonian Soldiers" (1200/1400 each) from his Deck in Attack Position while I selected my "Hydrogeddon" for the effect of "Inferno Reckless Summon" and I Special Summoned a third "Hydrogeddon" (1600/1000) from his Deck in Attack Position. Chazz then activates "Chthonian Alliance", equipping it to "Chthonian Soldier" and increasing its ATK by 800 for each monster with the same name as the equipped monster. There are three ("Chthonian Soldier": 1200 → 3600 ATK). The equipped "Chthonian Soldier" attacks and destroys a "Hydrogeddon" (J.D.: 3600 → 1600 LP).

Me: That was an awesome move Chazz.

Chazz: Thanks. I thought it was a good one.

Me: Yep.

Chazz: It's your turn.

Me: Okay.

Turn 4: J.D.

I drew "Oxygeddon" and subsequently Normal Summons it (1800/800) in Attack Position. "Oxygeddon" attacks and destroys one of the weaker "Chthonian Soldiers" (Chazz: 2000 → 1400 LP) ("Chthonian Soldier": 3600 → 2800 ATK). The effect of "Chthonian Soldier" activates (J.D.: 1600 → 1000 LP). One "Hydrogeddon" then attacks and destroys the remaining weaker "Chthonian Soldier" (Chazz: 1400 → 1000 LP) ("Chthonian Soldier": 2800 → 2000 ATK). The effect of "Chthonian Soldier" activates (J.D.: 1000 → 600 LP). Since the "Chthonian Soldier" Special Summoned via "Call of the Haunted" was destroyed, "Call of the Haunted" is destroyed too. I then Sets a card.

Me: Those Chthonian Soldiers have the very same kind of damage inflicting capabilities as Spear Dragon. Very clever.

Chazz: They do have that kind of power.

Me: Very clever too. My turn is done.

Turn 5: Chazz

Chazz draws. He then Tributes "Chthonian Soldier" and discards all the cards in his hand to Tribute Summon "Infernal Incinerator" (2800/1800) in Attack Position. Due to the effect of "Infernal Incinerator", it gains 200 ATK for every monster that I control. I have three ("Infernal Incinerator": 2800 → 3400 ATK). "Infernal Incinerator" attacks "Hydrogeddon", but I then activated my face-down "Amorphous Barrier" to negate the attack and end the Battle Phase as he controls three or more monsters.

Me: That was great Chazz! But man your Infernal Incinerator really packs a wallop for 3400 ATK.

Chazz: It sure does. My turn is done.

Me: All right then.

Turn 6: J.D.

I drew "Bonding - H2O" and subsequently activates it to Tribute his two "Hydrogeddons" and one "Oxygeddon" to Special Summon "Water Dragon" (2800/2600) in Attack Position ("Infernal Incinerator": 3400 → 3000 ATK). Due to the effect of "Water Dragon", the ATK of all FIRE and Pyro-Type monsters become 0 ("Infernal Incinerator": 3000 → 0 ATK). "Water Dragon" attacks and destroys "Infernal Incinerator" (Chazz: 1000 → 0 LP).

He was drenched and defeated!

Everyone cheered as I won!

Camie: WAY TO GO J.D.!

Me: YEAH!

I helped Chazz up and gave him a towel.

Me: Sorry you got wet there.

Ojama Yellow: Hey, boss! How come you didn't summon us during the duel?

Chazz: If it makes you feel better, I'll summon you 3 when we fight the next Another Omnitrix Alien.

Ojama Yellow: Good idea.

Me: But you were great Chazz. You gave it your all and you had fun.

Chazz: But your skills have greatly improved a lot.

Me: Coming from you that means a lot Chazz.

Eli: Yeah. (Senses something) Uh oh we got company!

Nico: The Another Omnitrix Alien?

Eli: Yep.

Everyone went down to the arena and then out came a black version of a Stretchleo! It was ANOTHER STRETCHLEO!

Me: Whoa! Another Stretchleo!

Nico: Wow this is gonna be a good one.

Pipp Petals: It sure is!

Nico: Yep.

Me: But who is our Stretchleo friend?

Another Stretchleo: (In a Girls Voice) And you did great in all those duels J.D.!

Me: (GASP) Connie!? Wow! It's awesome to see you again.

Another Stretchleo: It sure is J.D.

Nico: You know her?

Me: I sure do. Her name is Connie. She doesn't have a last name unfortunately. She was abandoned at the circus and is an amazing circus performer. She is masterful at the trapeze and the Human Cannonball Act and she is really talented. I met her when there was an accident at the circus and I saved her life.

Nico: Wow!

Me: Yeah she missed the trapeze swing and there was no safety net there and I caught her.

Nico: Good catch!

Another Stretchleo: Yeah that was awesome.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (gets out Gaim gear) Because we can grant it instead.

Another Stretchleo: Just to be the greatest circus star ever and to help me find my biological mom.

Me: You already are a very talented circus star and we can easily find your mother through good old fashioned detective work.

Nico: We sure can.

Another Stretchleo: I knew that Swartz was lying to me.

Me: Yeah he did that to so many of my friends.

Nico: And some of our enemies too.

Me: Yep. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

Nico: (gets out Firebrand's Ridewatch) It's gonna get hot in here!

Me: Lets make it VOLCANICALLY hot. I activate the Field Spell, MOLTEN DESTRUCTION!

I turned the area into a Volcano Field!

Nico: Very fitting! (Activates the ridewatch)

(SOUL SISTER BY TRAIN PLAYS)

Nico: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM)

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Your lipstick stains

On the front lobe of my left side brains

I knew I wouldn't forget you

And so I went and let you blow my mind

Your sweet moonbeam

The smell of you in every single dream I dream

I knew when we collided

You're the one I had decided who's one of my kind

Hey, soul sister

Ain't that Mr. Mister on the radio, stereo

The way you move ain't fair you know

Hey, soul sister

I don't wanna miss a single thing you do tonight

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Just in time

I'm so glad you have a one track mind like me

You gave my life direction

A game show love connection we can't deny

I'm so obsessed

My heart is bound to beat right out of my untrimmed chest

I believe in you, like a virgin you're madonna

And I'm always gonna wanna blow your mind

Hey, soul sister

Ain't that Mr. Mister on the radio, stereo

The way you move ain't fair you know

Hey, soul sister

I don't wanna miss a single thing you do tonight

The way you can cut a rug

Watching you is the only drug I need

So gangsta, I'm so thug

You're the only one I'm dreaming of

You see, I can be myself now finally

In fact, there's nothing I can't be

I want the world to see

You'll be with me

Hey, soul sister

Ain't that Mr. Mister on the radio, stereo

The way you move ain't fair you know

Hey, soul sister

I don't wanna miss a single thing you do tonight

Hey, soul sister

I don't wanna miss a single thing you do tonight

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Tonight

Hey, hey

Hey, hey, hey, hey

Hey, hey, hey, hey

Tonight

Nico danced and fired waves of fire and smashed her down.

Kaito and Zocks activated their gears and Kaito got a Wizard Sword and Zocks got a Gaim Sword!

Me: OH YEAH! Now for this one. (ACTIVATES DARK PHOENIX'S RIDEWATCH)

(ADVENTURE OF A LIFETIME BY COLDPLAY PLAYS)

Me: (SINGING DIVINELY AS FIRE SWIRLS AROUND ME)

Turn your magic on, umi she'd say

Everything you want's a dream away

We are legends, every day

That's what she told him

Turn your magic on, to me she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds

Now I feel my heart beating

I feel my heart beneath my skin

I feel my heart beating

Oh, you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Said I can't go on, not in this way

I'm a dream that died by light of day

Gonna hold up half the sky and say

Only I own me

Now I feel my heart beating

I feel my heart beneath my skin

Oh, I can feel my heart beating

'Cause you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Turn your magic on, umi she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds taking shape

We are diamonds taking shape

(Woo-ooh, woo-ooh)

If we've only got this life

This adventure, oh then I

And if we've only got this life

You'll get me through, oh

And if we've only got this life

And this adventure, oh then I

Wanna share it with you

With you, with you

Sing it, oh, say yeah

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

All over the world

And in every port I own the heart

Of at least one lovely girl

I've a pretty señorita waiting for me

Down in old Mexico

If you're ever in Alaska stop and see

My cute little Eskimo

Oh, my sweet Fraulein down in Berlin town

Makes my heart start to yearn

And my China doll down in old Hong Kong

Waits for my return

Pretty Polynesian baby over the sea

I remember the night

When we walked in the sands of the Waikiki

And I held you, oh so tight

Oh, my sweet Fraulien down in Berlin town

Makes my heart start to yearn

And my China doll down in old Hong Kong

Waits for my return

Pretty Polynesian baby over the sea

I remember the night

When we walked in the sands of the Waikiki

And I held you, oh so tight

Oh, I'm a travelin' man

Yes, I'm a travelin' man

Yes, I'm a travelin' man

Whoa, I'm a travelin' man

I danced and fired waves of fire and in the forms of the flags of the world and smashed her down.

Me: RIGHT ON!

Chazz: My turn! But first, my promise!

He summoned the OJAMA! He summoned Ojama Red, Blue, Black, Green and Yellow!

Ojama Yellow: Oh yeah! We're ready boss!

Chazz: Time for action! I activate OJAMA DELTA HURRICANE!

The Ojama spun around and formed a deadly energy vortex blast.

Ojamas: Now this is fun! OJAMA DELTA HURRICANE!

Chazz: Take this too. (ACTIVATES TITANIUM TOENAIL'S RIDEWATCH)

Chazz: (SINGING DIVINELY AS FIRE SWIRLS AROUND HIM)

This ain't a song for the broken-hearted

No silent prayer for faith-departed

And I ain't gonna be just a face in the crowd

You're gonna hear my voice when I shout it out loud

It's my life

It's now or never

But I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

It's my life

Yeah, this is for the ones who stood their ground

For Tommy and Gina, who never backed down

Tomorrow's getting harder, make no mistake

Luck ain't even lucky, got to make your own breaks

It's my life

And it's now or never

I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

'Cause it's my life

Better stand tall when they're calling you out

Don't bend, don't break, baby, don't back down

It's my life

And it's now or never

'Cause I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

She danced beautifully and fired waves of energy and rainbows and smashed down Another Stretchleo!

Xenia: That was beautiful!

Nico: Any minute now, the next Gene Slammer will show up.

Then an Advanced Crystal Beast Amethyst Cat came out!

Nico: WHOA!

Me: An Advanced Crystal Beast Amethyst Cat! That is so awesome!

Eli: Yep.

A.C.B. Amethyst Cat: (In a girls voice) It sure is and it's awesome to see you all here.

Nico: Amethyst Viola! Wow!

She reverted back and Amethyst was a girl with purple hair and had purple angel wings and purple clothes.

Amethyst Viola: I'll finish this up.

She fired a wave of purple energy and smashed down Another Stretchleo and I caught the ridewatch and Connie reverted back and she was a girl with blue hair and had a blue circus leotard on and she had a skirt that was pink on. I picked her up.

Me: Connie?

Connie: (Groans) What a headache. I feel like I was run over by a stampede of elephants.

Me: But you're back to normal.

Maria: Nice leotard.

Connie: Thanks.

Amethyst Viola: But at least you're back to normal. I saw your duels J.D. They were so great!

Nico: They sure were.

Chazz: J.D. did great for his first set of duels.

Me: Now now don't give me a swollen head.

Chazz: But it was fun. Amethyst what's your favorite memory of Nico?

Amethyst Viola: I have a lot of them but my favorite is when me and Nico were in science class and we made a huge crystal cluster. We set a huge record for making the largest crystal cluster ever.

Me: Whoa!

Nicole: Whoa that was you guys? You made the largest ever cluster of Dioptase?

Nico: We sure did. That was so awesome.

Camie: That is incredible.

Amethyst Viola: Yep. Me and Nico were crystal growers back then.

Nico and Amethyst hugged.

Nico: I've really missed you Amethyst.

Amethyst Viola: Me too Nico.

Now, we're going to finally end the Voorhees' blood-soaked family line and put an end to her for good.

Lincoln: Whoa, we're here in Camp Crystal Lake, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got word from the spirits of The Netherworld that Pamela Voorhees, the insane mother of Jason Voorhees, has returned from the dead seeking blood-soaked revenge on us for killing her son and sending him to The Black Gates.

Nico: We never got a chance to face her before when we faced her son years ago, but now, we're finally going to end the Voorhees' blood-soaked family line and make her suffer the same fate as her son.

Me: You said it.

Touma: So, this is Camp Crystal Lake, it looks like a nice place.

Nicole: Thanks to us making some improvements.

Lincoln: But, before we came here, it was the grounds where Jason Voorhees lurked in the forests and killed those who dared to set foot here, and where he made this place his mother's tomb after she was killed by a surviving counselor.

Lori: And now, his mother's come back from the dead, and she wants revenge on us. But, we're going to deny her that, and make her suffer the same fate as her blood-soaked son.

Lincoln: You said it, Lori, and thanks for joining us, Kaiba.

Kaiba: You're welcome, Lincoln, and thank goodness the camp's empty, otherwise, she would finish what she'd started.

Me: But, this is where it all ends.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of eleven girls calling for help, along with the sound of deranged laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by Pamela Voorhees and she's going to kill them as a sacrifice to Jason.

Lincoln: Let's get over there at once, guys, I found the eleven girls, but they've been cornered by Pamela Voorhees and she's going to kill them as a sacrifice to Jason.

?: (Girl's voice) That insane damned murderer, let's end her!

Suddenly, we saw the Duel Monster, Sephylon, the Ultimate Timelord, appear before us.

Kaiba: That's Sephylon, the Ultimate Timelord.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Selene Emperyous, but we'll talk later, it's time to put an end to the Voorhees' blood-soaked family line for good.

We rushed over, and right before Pamela Voorhees could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Pamela Voorhees, and that allows the eleven girls to get to safety inside a rainbow energy field created by Lincoln to protect them from the insane mother of Jason Voorhees, and when Pamela Voorhees saw us, she was furious.

Pamela Voorhees: You! Look what you did to him!

Nico: Looks like she still remembered who it was that killed her son.

Lincoln: But, she's taking it straight to her grave again, let's get her.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, Kaiba, Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Pamela Voorhees, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Then, Selene Emperyous fired a powerful rainbow energy blast with the Judgement Kanji in it, and it hit Pamela Voorhees and not only did it explode with incredible power and kill her, but her spirit was then sent to The Black Gates forever and she suffered the same fate as Jason Voorhees. We cheered wildly as we holster our weapons and power down.

Lincoln: Now, the Voorhees' family line has been brought to an end for good. (To Selene Emperyous) And it's so good to see you again, Selene Emperyous.

Selene Emperyous reverted back to normal, and she was a beautiful girl with long flowing rainbow hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful rainbow angel wings with stars in them, and she was dressed in a sleeveless yellow midriff top, yellow skirt with the Sephiroth Tree of Life on it, yellow pants, knee-high high-heeled boots with butterfly shoe buckles, and long white sleeveless trenchcoat with rainbow lights and angels on the coattails and Sephylon, the Ultimate Timelord on the back and holstered on her back is a large Sephylon, the Ultimate Timelord-themed greatsword with Sephylon, the Ultimate Timelord etched on the 7'0" massive, wide, double-edged rainbow blade, large rainbow angel wings for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large rainbow angel wings and a large rainbow gem below the angel wings for the pommel.

Selene Emperyous: You too, Lincoln, it's been a long time.

Lincoln went up to Selene Emperyous and they hugged, and Selene Emperyous is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Emperyous: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 10-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Selene Emperyous, she's my Guardian Angel from Michigan and the eldest member of the Emperyous sisters, Selene has all the powers of all the Emperyous Sisters put together times ! She has powers that are immensely powerful, and just like you, J.D., she has the power to do anything, and she has all our powers and more.

My jaw dropped at what Lincoln told us, and I couldn't even speak.

Nico: Whoa, what you told us about Selene caused J.D. to be speechless.

Eli: Hang on.

Eli shut my jaw and shook me, and I recovered.

Me: Whew, thanks, Eli. But, wow, that's incredible, and I love your rainbow hair, Selene.

Selene Emperyous: Thanks, J.D., and you and Ken also have the same rainbow hair and it's really awesome, and it's better I tell you all this before Lincoln does: I literally hate all of Lincoln's and your enemies with a merciless vengeance and I wanted nothing more than to destroy them all and make them pay for their crimes times 100,000,000.

We gasped in pure shock.

Nico: Holy crap!

Lincoln: Yep, she hated all of my enemies and our enemies with a merciless vengeance, but the one she hates the most is Morag. After we defeated her for trying to destroy me and my family along with the entire planet during the October 10th, 2021 war with Team Dark Phoenix Storm and Morag then was sent to prison with that curse J.D. put on her, she came over and beat up Morag really hard and made her feel the pain of everything she and her ancestors did amplified times infinity and made sure that she would endure the same kinds of pain she felt over and over and over.

Me: Damn, that's brutal.

Selene Emperyous: You don't know the half of it, and I vowed that if Morag ever returned from The Warp, I would make sure she gets turned into dragon chow and have her vomited up carcass thrown into the sun and obliterated.

Nico: Jeez, that's a vow you'd keep if that big-butted insane witch dares to return.

Duke Lincoln: (Scottish Accent) And Selene isn't the only one who would make Morag suffer if she dares to return, Melanie McPherson and her sister, Celine, are also taking precautions, along with me and my family as well.

Selene Emperyous: Yes, and when Lincoln told me of how J.D. brought you and your family back after Morag and Team Dark Phoenix Storm were killed, I could tell you all have gotten used to the modern day world after being dead for four centuries. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood, so that way, you can also gain the same powers as me, and it can also open your mind even more.

We gasped at her request, including Lincoln.

Lincoln: Selene, are you absolutely sure?

Selene Emperyous: (Smiles) More than anything, after all, I'm going to be one of your many future wives, along with the rest of my sisters when we meet them in the coming days on your rescues, Linky.

Me: Whoa, she's serious.

Nico: And usually, your fellow Guardian Angels allow Lincoln to bite them to feed on their blood and gain their powers and heal his gruesome injuries, but to do this out of love, now that's a really big gesture.

Lincoln smiled and he walked over to Selene Emperyous, and as he wrapped his abnormally massive and powerful muscular arms around her waist, he slowly leaned his head down to her neck, and with his vampire fangs ready, he slowly bit her and fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he'd gained the same omnipotent and elemental powers as Selene Emperyous. He then slowly unlatched his vampire fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Selene Emperyous' neck with rainbow gems on the gold thunderbolt links and rainbow crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Selene Emperyous: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Selene.

Selene Emperyous had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Selene Emperyous' waist and she wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he recognized them immediately. The eleven girls are Sakura Fujima, Miyako Kouno, Akane Maruyama, Nicole Saitou, Reika Satou, Ayaka Tachikawa, Miu Takigawa, Jun Toda, Tsubomi Hiiragi, Mikami Kamiki, and Yuuki Toujou from the 22/7 anime.

Lincoln: Oh wow, it's Sakura Fujima, Miyako Kouno, Akane Maruyama, Nicole Saitou, Reika Satou, Ayaka Tachikawa, Miu Takigawa, Jun Toda, Tsubomi Hiiragi, Mikami Kamiki, and Yuuki Toujou from the 22/7 anime.

Nicole: Oh, awesome!

Lincoln: Are you girls okay?

Sakura Fujima: Yes, we're okay, thanks to you.

Sakura Fujima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made nine clones of himself, and he and the nine clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sakura Fujima: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Thunderbird Necklaces of Eternal Love appeared on the necks of Sakura Fujima, Miyako Kouno, Akane Maruyama, Nicole Saitou, Reika Satou, Ayaka Tachikawa, Miu Takigawa, Jun Toda, Tsubomi Hiiragi, Mikami Kamiki, and Yuuki Toujou with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Pamela Voorhees, the insane mother of Jason Voorhees, who returned from the dead wanting blood-soaked revenge on us for what we did in sending her son to The Black Gates.

But, when Lincoln showed everyone what we did in beating her up, and Selene Emperyous firing that rainbow energy blast with the Judgement Kanji in it which destroyed her and sent her to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Selene Emperyous have a lot of catching up to do, now that she's

back in town.

Maria: Now, we're finally rid of Pamela Voorhees for good, and the Voorhees' family line has been ended for good. Plus, I was surprised when Selene let you bite her and feed on her blood, and it also gave you the same omnipotent and elemental powers as her, Lincoln.

Lincoln: You all heard of how the other Guardian Angels donated and/or allowed me to feed on their blood to save my life and gain their powers, that was because of what Lori, Lynn, Lola, Lisa, or Luan did, but from Selene, it was a request made in the name of love.

Selene Emperyous: That's right, and I was absolutely sure of that request more than anything.

Maria: Whoa.

William: You said it, babe.

Nicholette Torrington: And Selene and the others weren't the only ones who let Lincoln to bite them on the neck.

Nico: Wait a second.

Nicholette and the other Guardian Angels showed photos of their bite marks, and we were stunned.

Me: Whoa. But, you all had the same reasons as Selene and the other Guardian Angels, right?

Nicholette Torrington: In Ed's words, you bet your sweet bippy we did.

We laughed.

Eddy: Yep, that's definitely something Lumpy would say.

Luna: When we saw it for ourselves and they explained it to us, we were really stunned.

Lucy Loud: But, if this was a sign of their love for Lincoln, we accepted that.

Selene Emperyous: Thank you, Lucy. Oh, and Lincoln did tell you all of how we all took on Lori, Lynn, Lola, Lisa, Luan and all of my enemies at their ultimate worst, and we each have a horrible revelation about them, right?

Nico: Yeah, he told us yesterday, and we're so in for a huge revelation fest.

Selene Emperyous: Well, tomorrow, we're going to meet my sister, Zaina Emperyous, the Zaphion, the Timelord Gene-Slammer and who's one of the two water masters, and she's got a really nasty revelation about the two Total Drama Sore Losers, Amy and Heather.

We gasped.

Nico: As if those two bitches couldn't stoop any lower than they already are.

Lincoln: But, we'll be ready for this revelation tomorrow, thanks for the warning, Selene.

After finally getting rid of Pamela Voorhees and ending the Voorhees' blood-soaked family line for good, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Selene Emperyous saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selene Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Emperyous: That's incredible.

Nico: It sure is. So, Selene, what memories did you have with Lincoln?

Selene Emperyous: Oh, there's one that still has me and my sisters cracking up. Lincoln, my sisters, and I were at Lynn's Table and we made a complete and total fool out of that stupid, greedy, smelly, mutant cheapskate, Flip. Lincoln covered Flip in honey and I created ten honeybee hives with my powers and when I whistled for them, they saw Flip covered in honey and they all rushed out and Flip was stung all over the place.

Selene Emperyous took out the photo, and when we saw it, we just started laughed hysterically.

Nico: (LAUGHS HYSTERICALLY) Oh man, you two really made a fool out of him.

Lincoln: And we were just getting started. Then, Zaina and Laniya blasted him with rose scented water and he was soaking wet and clean, and he freaked out badly, then, Sadie and Rachel fired blasts of wind and he went through a spin cycle, then, Michelle, Melanie, and Laney fired blasts of fire, which burned off his mustache and hair and he was bald, then, Camie and Valentine smashed Flip with rocks and boulders, then, Sandra fired powerful blasts of light and he was blinded by the light, and finally, Vorya fired blasts of darkness and made his worst nightmares come to life: he had lost all of the money he'd scammed and robbed from everyone and he was ruined for good.

We laughed hysterically even more at the humiliations Selene's sisters did.

Lynn Sr.: I had a front row seat to what they all did to that fat moron, and their humiliation caused millions of tons of gold and priceless jewels and pearls to come out of Flip.

Selene Emperyous: Nice to see Lincoln's curse is really working wonders. Plus, I'm glad Scoots is now in Hell forever.

Nico: She's been nothing but an insane bitter old goat, and she's been nothing but trouble since the day she was born, yuck!

Rita: She should've been locked up for the rest of her days for this, but now, The Grim Reaper has claimed her soul.

Grim: (Jamaican Accent) You got that right, mon.

We got a shower afterwards, and then, Lincoln, Coco Pommel, Dahlia, and Gwenpool are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Coco Pommel, Dahlia, and Gwenpool were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out that Lincoln had saved Coco Pommel, Dahlia, and Gwenpool from some men Flip hired to kill, and after Lincoln found out, he went down to Lynn's

Table and hit Flip hard in the head, leaving a bump on his head, and they joined his harem.

Coco Pommel: Wow, so this is Bubblaine, awesome!

Lincoln: Yep, and it's perfect for our first beach date, Coco. Shall we?

Lincoln, Coco Pommel, Dahlia, and Gwenpool dived in and they also saw the inhabitants there. They also had a swimming race, and they also had a lot of fun, and they went inside an indestructible glass dome and they had a game of volleyball and Coco Pommel, Dahlia, and Gwenpool got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Coco Pommel, Dahlia, and Gwenpool, and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Bubblaine.

Coco Pommel: For our first beach date, might we add, and we had a blast.

Me: That's awesome.

Twilight Sparkle: And I'm also glad you girls are now part of Linky's harem.

Dahlia: Thanks, Twilight, and we were really glad Lincoln saved us from those men that Flip had hired to kill us.

Me: That ugly, smelly, mutant cheapskate!

Nico: If that moron thinks he can get away with this, he's even stupider than ever!

Lincoln: Just to make sure he doesn't do that again.

Lincoln snapped his fingers and he made a hose appear with his powers and the hose sprayed Flip with rose-scented water, and he freaked out when he saw he was squeaky clean and Lincoln put a Dunce Cap on Flip's head, and we saw it in a one-way window Lincoln made with his powers, and we laughed hysterically.

Nico: WHAT A DUNCE!

Me: WHAT A NINCOMPOOP!

Bugs Bunny: (Laughs) What a imbecile, what an ultra-maroon!

* * *

In Domino City we arrived at the card shop of Yugi's Grandfather Solomon.

Fasha: So, this is where your grandpa lives, huh?

Yugi: Yep. Good to see this place again.

We went in.

Me: Hello?

Solomon: Oh hello Team Loud Phoenix Storm.

Me: You must be Solomon Moto. Yugi told us so much about you.

Solomon: Yep that's right. I heard so many awesome things about you all and how you have done so much.

Yugi: Team Loud Phoenix Storm is a true force of epic awesome good.

Me: Wow look at all the cards here.

Cherry Jubilee: You've got lots of cards here.

Solomon Moto: Yep. It's what I do.

Me: Yep. I just started dueling myself and I already have a good record going.

Yugi: It's true. J.D. has been off to a great start and is doing really well.

Qin: Yep.

Solomon: I'm glad J.D. has a good start going.

I saw a paper he was reading and it had a crazy story in it.

Me: Wow this is strange. 3 new Egyptian God Cards made by Pegasus stolen.

We gasped!

Nico: Whoa!

Me: Hmm. Sobek the Crocodile Maelstrom, Hathor the Beautiful Angel of Light and The Dark Demon of Set. Whoa!

Nico: Wow!

Eli: The Gods of Water, Beauty and Chaos! That is incredible!

Solomon: That is correct Eli.

G1 Tantrum: Should we be concerned?

Me: Something happened to these cards and I'm sure Pegasus is worried about them. But we'll keep our eyes peeled for them.

Camie: Yeah.

Nico: Yeah.

Me: But these cards look powerful just from looking at them.

Solomon: Yes and these are actually the Forgotten Egyptian Gods. 5000 years ago when Pharaoh Atem locked away the magic of the

Shadow Games, he summoned 3 more Egyptian Gods to help him out and it was these very god cards that you saw in the paper.

Eli: Wow! Father I didn't know you did that back then.

Pharaoh Atem: Yes and it was for a great cause back then.

Me: Wow. I didn't know these 3 existed alongside Obelisk, Slifer and Ra.

Qin: Yeah no kidding.

Me: Yep. Oh. Yugi and Tea have some awesome news for you.

Yugi and Tea showed their rings.

Yugi: We're engaged Grandpa.

Solomon Moto: Hey! Congratulations!

He hugged them both.

Solomon: I always knew that you two were special for each other.

Tea: We sure were.

Me: I always had a feeling too. Tea has been one of Yugi's biggest supporters too.

Nico: She sure has.

G1 Hot Spot: We're happy for them both.

Nico: Yeah we sure are.

Qin: Yep.

Laney: Yeah the wedding will be who knows when. But we're excited for them.

Solomon: Me too.

Me: Well might as well pick out some cards here. Don't want to let a trip like this be for not.

I looked it over and saw an amazing selection. It was incredible. I picked out cards of EVERY kind bought them all too.

Qin: Yeah!

Me: Awesome.

Nico: Wow. What a selection.

I got all the kinds of cards and gave him tons of money for them.

We went back to the estate.

Nico: Boy that was an awesome trip to Yugi's grandfather's shop.

Eli: It sure was.

Cindersaur: There's no telling who has those God Cards right now!

Me: But we'll be ready for them.

Nico: But still that is amazing that they existed back then. Now it's time for us to get ready for our next mission.

Me: Yep. And Chazz it was an awesome honor dueling you. You were awesome.

Chazz: Thanks. It was fun.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: King Kai, we hear you, what's wrong?

King Kai: (Telepathically) I've got really bad news: Evil Lynn has escaped from prison and she's out to kill Lincoln to get revenge.

We gasped.

Nico: What the hell?!

Me: Can't that stupid superstitious pig just lay down and die already?!

Lynn: She must be waiting for us at the next food planet we're going to head to. If she thinks she's going to kill Lincoln again for revenge, then she's got another thing coming. Lincoln, would you and Lightning like to help me with beating her down?

Lightning: You bet, Lynn.

Lincoln: Yeah, if that animal thinks she's going to get away with this, she's about to learn a very harsh reality. Plus, I felt a power inside of you, Lynn, you're going to transform.

Eli: And it's against that filthy animal, Evil Lynn.

Me: This time we're ready for her!

Then Evil Lyn, Scorpion, Juggernaut, Doc Ock, Count Vertigo, Sportsmaster, Pied Piper, Private HIVE, Selene, Lady Shiva, Bell Org, Sentinel Prime, Evil Bright Man, Flotsam and Jetsam, Yzma, Evil Search Man, Bradford Buzzard, Sellon, Sir Raleigh the Frog, and Walter Wolf then appeared.

Evil Lyn: Can me, Scorpion, Juggernaut, Doc Ock, Count Vertigo, Sportsmaster, Pied Piper, Private HIVE, Selene, and Lady Shiva go with you guys?

Bell Org: Me, Sentinel Prime, Evil Bright Man, Flotsam and Jetsam, Yzma, Evil Search Man, Bradford Buzzard, Sellon, Sir Raleigh the Frog, and Walter Wolf will come too.

Nico: Yes you guys can come with us.

CLANG!

Slappy crushed Walter Wolf's foot with an anvil and he screamed in pain and hopped around like an idiot.

We laughed hysterically!

Me: (LAUGHS) SO FUNNY!

Slappy Squirrel: What can I say, I still got it.

Atem: Nico, which Gene Slammer do you think you'll next?

Nico: Mandatory Question. The next one is going to be Rainbow Dash Dragon.

We gasped.

Me: Whoa! The dark version of Rainbow Dragon. This will be awesome and cool.

Laney: Yeah it sure will.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Fugai, one of Haido's powerful allies, and she's heading here to still get revenge on me for ruining Haido's plans. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Fugai on the move?

Lincoln: You guessed it, Nico, and she's heading here to still get revenge on J.D. for ruining Doto Kazahana's rule.

Me: Should've known she'd be the next one to face.

Nico: And I know she's still harboring a grudge against you for what you did to Haido.

Naruto: Yeah, I still remembered that all too well, and she's really red with rage and fury.

Lincoln: So, just like Doto Kazahana and his allies, she's getting the Hinon's Vengeance Curse if she so much as steps out of line.

Nico: Good idea, that'll show her that you mean business. Alright, gang, let's go, we've got another food planet to explore.

Lincoln: And we also need to be on the alert of Evil Lynn, so Eli, you need to really be on the alert for her, and once we get through with putting that filthy wild animal down, you're next, Fugai.

Lynn: You're not going to hurt one hair on my brother's head anymore, you filthy animal, we're going to break every last bone in your body and I'm going to personally slash off that eyesore of a ponytail you have on your head, you sore loser bitch!

Nico: Oh yeah, that bitch is in big trouble later on today!

Selene Emperyous: If she so much as hurts one hair on our man's head, I'm going to gouge out her eyes for this!

Lincoln's Harem: Save some for the rest of us!

Me: Uh oh, now they're out for Evil Lynn's blood!

Lincoln: Evil Lynn's going to get it big time for what she's done.

Sentinel: Shall we get the ship ready?

Scorpion: We should.

Nico: Yes we shall. Lets head out people. We got a demented deranged disgrace athlete to neutralize.

We went to the ship and we were off.

---

Flying through space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 7023.2: The U.S.S. Valorous Phoenix is en route to another mysterious food planet where we are heading to face the evil version of Lynn Loud Jr. who has escaped from prison and is out for revenge. This

time we're going to kill that monster and make sure she never returns and we're giving her the black gates.

Me: And we will. She is a monster.

Rita: I can't believe this is what Lynn would become had we let her dark side be inside her.

Plug Man: Is the next planet edible?

Eli: Yes it is and it's gonna be a good one.

Qin: Neat.

Nico: I just can't believe that evil version of Lynn is back.

Qin: Well we won't let her come back again.

Lisa Loud: We have arrived at our destination.

Count Vertigo: We're coming up to the planet now.

Flotsam: I hope it's tasty.

Jetsam: And not crap like the c word?

Nico: You mean clams?

Me: No he means chum.

Nico: Oh. Oh screen.

We saw that it was a brown planet with orange streams, lakes and rivers on it.

Nico: Wow this looks interesting. Lets land.

We landed on the planet and we got out and to our amazement and surprise we saw that it was really a planet made of BAKED BEANS AND WEENIES!

Nico: WHOA! A planet made of Baked Beans and Weenies!

It was a planet where all the islands are weenies and hot dogs and the ocean was made entirely out of baked beans and the lakes and rivers and streams are beans and weenies!

Cloud Man: No one has a problem with this, right?

Nico: Nope. Not me.

Me: Not me. This is awesome!

Loki: Stinky Butt would love this planet and he LOVES wieners and beans.

Qin: That's true.

I went and pulled out a spoon and ate some beans and wieners and it was tasty!

Me: Man these are good! Hickory Barbecue flavor, my favorite!

Nico: It's safe to eat then.

Pied Piper: In that case…

Evil Search Man: Let's dig in!

We dug into the beans and man were they tasty. They were really good and delicious.

Xenia: MMM! (Eating Beans) Delicious and flavorful.

Aylene C.: I'll say! (EATING) These are awesome.

We were eating beans and weenies like no tomorrow.

Air Man: Are their black beans too?

Me: I don't think so. Just baked beans. They are really awesome and tasty thought.

Laney: Yeah they sure are.

Lynn: The evil version of me sure picked a great planet to duke it out.

Me: Now we can fart into her and melt her until she is nothing but a skeleton.

Qin: You got that right.

Camie: I like the way you think J.D.

We were eating and eating beans all over.

Sir Raleigh: These are delicious!

Selene: They sure are!

Me: They are delicious.

Qin: Yeah they are.

Zhuqiaomon was eating many of them and so were all the sovereigns.

We were eating beans all over.

Strut: How many have you guys eaten so far?

Nico: 40 scoops of beans.

Me: Whoa! I've had 20.

Qin: Wow.

We had a really gassy meal and it was awesome and tasty.

Varie: Boy that was good.

Shiva: Next, let's stack them.

Walter Wolf: Good idea!

Lazlo: Yeah!

Then Lazlo got to stacking the beans.

He was stacking them up like there was no tomorrow! He was already up to 128,512 beans!

Tidal Wave: Lazlo doing good!

Nico: He sure is!

Lazlo was stacking and stacking and stacking and stacking!

Clam: He has 562,327,297,497,239,592 beans!

We were amazed!

Me: I know it's not right to gloat to a dead person like Ms. Mucus but… YEAH IN YO FUCKING FACE FUCKWAD!

Brian: HEY! That's my line!

Private HIVE: You're doing good, soldier!

Bradford Buzzard: Keep it up!

Lazlo did it though as he broke the record! Then he got dizzy and then the pile toppled and it buried us all. We ate our way out and laughed all over.

Nico: (LAUGHS) That was fun!

Pinkie Pie: (LAUGHS) Yeah it was! (LOUD FART!)

We laughed and Pinkie Pie laughed too!

Sideways: At least you broke a record.

Lazlo: Yeah I sure did.

Omaima Lexxington: Yeah that was so awesome. (LOUD FART) Oops.

Qin: Funny.

Nico: But this is awesome though. I even got a photo and put the number on it. (LOUD FART) Oops. Sorry.

Me: No worries. (LOUD FART) Oops.

Yzma: That was impressive.

Sportsmaster: And Sento? You and Pohatu are next in the spotlight.

Sento: Awesome! Looking forward to this one!

Pohatu: Me too Sento!

Xenia: Awesome!

Qin: This is gonna be so fun.

Camie: Boy it sure is.

Family Guy Penelope: Now, for what we came here for.

Camie: Yeah that was a fun lunch.

Nico: Now, that was one gassy lunch, and now, it's time to hunt Evil Lynn down like the animal that she is!

Lincoln: We just need to watch it though, she's still completely insane.

Eli: She's not far, I sense she's over that weenie hill 30 klicks to the north.

Lynn: She's about to get a full Loud House beatdown for what she's done in trying to frame me and kill Lincoln, and after I transform, I'm going to use my own version of the Evil Sasuke Rant.

Nico: Now, you're talking, Lynn. Alright, gang, let's go Evil Lynn hunting.

Sellon: She doesn't have backup this time

Doctor Octopus: Which is good.

Me: Nope.

Eli: Thank goodness.

Nico: Lets go.

We went to the hill and climbed it, and we saw Evil Lynn growling and snarling like the animal that she really is.

Evil Lynn: When I get my hands on Stinkoln, I'm going to rip his fucking head off, and then, I'm going to kill every last one of those whores in his harem and those stupid talentless runts of his, and then, I'm going to kill my goody-two-shoes self, her stupid sisters, those moronic parents, and her stupid boyfriend will die at my hands as I rip his heart out and eat it, and I'll kill all of Team Loud Phoenix Storm and those stupid Masters of Evil for ruining everything. Everyone will suffer and die at my hands! (LAUGHING MALEVOLENTLY AND INSANELY)

Qin: (Whispers) She's fucking insane!

Lincoln: (Whispers) It's bad enough she wants to kill me, but to threaten to kill my future wives and kids, along with Lynn, our sisters, parents, Lightning, and all of us, now she really needs to be put down.

Maria: (Whispers) She just signed her death warrant.

Smithers: We all know what time it is.

Me: Yep.

Volcana: Entrance time.

Nico: Let's do it!

Then, the spirits of the Loud Family appeared and they swirled around Evil Lynn and they fired waves of energy and elements and blasted her all over. Then, they converged, and then, a massive fiery explosion blasted above her and a phoenix cry was heard, and then, we came out!

Nico: Okay, you filthy animal, it's time to put you down for good!

Evil Lynn saw Lincoln, and she went ballistic and fucking insane!

Evil Lynn: STINKOLN, I'M GOING TO KILL YOU!

Evil Lynn charged at Lincoln and she was going to kill him, but Lynn grabbed Evil Lynn and punched her hard in the face and broke her nose, and she got up and she was even more pissed as we saw her red eyes turn even more red with insane hatred and rage.

Nico: You're just a heartless animal!

Qin: YEAH!

Camie: You make me sick!

Laney: You are a monster!

Lana: Lincoln is not the one that's Bad Luck, YOU ARE!

Those words sent her over the edge big time!

Lynn: I'm not surprised to see you're still the same stupid out-of-control animal. But, let me tell you this, this is the last time you're ever going to run free, Evil Lynn.

Suddenly, Lynn's eyes turned neon brown and she was surrounded by a rainbow energy aura with earth, lava, dragons, and phoenixes, she unholstered her massive Guabancex's Athletic Volcanic Greatsword of Volcanic Rage Justice and Athletic Volcanic Earth Love from her back, and as she approached Evil Lynn, she left rainbow energy, earth, lava, dragons, and phoenixes with every step.

Lynn: You really are nothing but a bad case of athlete's foot, Evil Lynn, no matter how many times we beat you up, break your arms and legs, and slice off that eyesore of a ponytail on your head, you just won't get it through that hard head of yours, but now, I'm going to see to it that you're put down for good like the animal that you are, and this time, you're never coming back.

Suddenly, Lynn was surrounded by a massive vortex of rainbow energy with earth, lava, fire, and four erupting volcanoes surrounding the vortex, there's a dragon and phoenix flying around the vortex, and in the vortex is a glowing neon red phoenix. Evil Lynn: YOU MISERABLE MOTHERFUCKING CUR!

Lynn: (Divine Echoing Cosmic Voice of The Firestorm Athlete Volcanic Draconic Phoenix and Divine Firestorm Athletic Volcanic

Rage Love) **Sheesh, you know, you remind me of all the Evil Sasukes we've been killing, and J.D. still remember saying the same thing to Sasuke's evil father in 150,000 years hence just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. That day when you tried to frame me and kill Lincoln and all for petty revenge, all you did that day was seal your fate. You poisoned yourself with your own pathetic superstitions thinking your so-called softball gods will grant you victory, and even worse than that, you became a sore loser in every last sports game you participated in, and your own hatred for your own brother along with a hatred over everything has turned you into a completely hard-headed, homicidal, completely mentally unstable psychopathic monster and a totally lost cause who's afraid to take responsibility for the consequences of your own misdeeds. You didn't show any value towards friendship or comradery, you just wanted everything handed to you on a silver platter. You've always been a sore loser at everything related to sports, and if there's one thing that I can't stand, it's sore losers in sports, and you say that you're destined for greatness. But, it turns out you're just another lost cause, and you know it. You're not even in the same league in me, I've changed my sore loser attitude and my abusive bullying ways when my Dark Side was removed, and it's true I deserved every last beating for what I've tried to do in killing Lincoln, but there's one thing that always beats hatred: love, and it was the love I had for my little brother and my family and friends, that I broke free from that animal, and I was also chosen by Guabancex to be her champion, and I've gotten stronger and smarter in these last six and a half years. I can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power, you're nothing compared to me and you're nothing but a pathetic ant compared to it. The way I see it, you're nothing but a heartless, selfish, abusive, mentally unstable, psychopathic sore loser monster and family destroyer, it's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that I fucking hate your style above all others, you ruthless**

**fuckkicker! What is it that you are hoping to accomplish? Beating up Lincoln to an inch of his life, making him suffer for your own amusement, committing crimes all over Michigan by acting like a sore loser and assaulting people just to satisfy your own urges of chaos and destruction, murdering innocent people, pursuing petty and worthless desires like revenge, and above all, betraying the very family who'd loved you since birth and the little brother who you swore to protect. You don't give a flying fuck about anyone but your pathetic goddamned motherfucking self and that is why we're going to kill you and make sure you're nothing but a forgotten memory. You are a heartless animal that murders, lies, steals, betrays, and beats up innocent people for your own self amusement, and you're completely powerhungry. YOU FUCKING DISGUST ME, YOU SORE LOSER PIG!**

We really cheered wildly for what Lynn just said to Evil Lynn, and it really really pissed her off.

Nico: ALRIGHT, LYNN!

Me: YEAH, THAT'LL TEACH YOU, SORE LOSER BITCH!

Evil Lynn: DIIIIIIIIIEEEEE!

Evil Lynn went completely off the edge, and she went charging at Lynn, Lincoln, and Lightning, but the three of them went after Evil Lynn, and they fired extremely powerful blasts of rainbow energy, white energy, white fire, white lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Evil Lynn, and they exploded with incredible power as they hit her.

They really went at her!

Then Cluemaster, Dr. Destiny, Vortex, Xiao Fung, Whirlwind, Mirror Master, Control Freak, Kangor, Deadwood, Black Lance, Evil Desert Man, Megavolt, Weather Report, Ludo, Yost Vulture, Evil Wind Man, Thunderhoof, Count Marzo, Chameleon and Superfriends Captain Cold appeared.

Dr. Destiny: How was the bean stacking?

Lazlo: Good until it fell.

Me: At least he got the record.

Cluemaster: We saw from the beans on the ground.

Vortex: But that's okay.

Me: Yep.

Xiao Fung: (to Nico) We heard J.D.'s been dueling.

Nico: He sure has.

Whirlwind: Who did he duel?

Me: I dueled Harrington Rosewood, Lorenzo, Bob, Dimitri, Professor Banner and Chazz and won.

Whirlwind: Wow! That is awesome!

Vortex: All that help from Crowler really paid off.

Me: It sure did. but there are so many duelists still out there. So I have to be ready.

Qin: Yeah.

?: But you'll be ready for the,

A figure came out and it was EYEZAK from episode 32 of Ninja Storm!

---

Lothor has grown more and more annoyed by no one coming up with a plan, so Motodrone steps in and introduces him to Eyezak, one of Lothor's most terrifying monsters in his army. He first tested the monster with Marah and Kapri (the ability to make people face their worst fears). Impressed with his powers, Lothor then orders the monster to take down the Rangers.

He first goes to Blue Bay Harbor with Motodrone and attacks the people with his Nightmare Collars. He sees the Ninja Rangers (with Shane being absent due to him meeting Porter, his older brother) and attacks. The Rangers morphed and battles Eyezak, along with Motodrone and the army of Kelzaks he summoned. The monster was about to fire his Nightmare Collar at the Yellow Ranger, but he missed and accidentally fires at a Kelzak. The Ranger were all outmatched until Shane came in and activated the Tri-Battilizer to take out all of the Kelzaks, forcing Eyezak and Motodrone to retreat.

He later returned with Motodrone and attacks Porter with his Nightmare Collar. Shane comes in and tries to battle the monster but he was quickly outmatched. Motodrone then hold Porter down and ordered Eyezak to fire. Shane manages to push Porter aside, but it was actually a trick for Eyezak to fire his Nightmare Collars at Shane and the Thunder Rangers. The Yellow and Blue Rangers came to the rescue in the Tsunami Cycles.

When they came to check on the Red Ranger, they were caught by Eyezak, who fired his Nightmare Collars at them as well. The Thunder Rangers try to fight back, but with the combined forces of Eyezak and Motodrone, they too were outmatched.

Lothor then had Zurgane use the Scroll of Empowerment to make Eyezak grow. The monster sucks up the Thunder Rangers when they attacked. With the help of Sensei, the Rangers were able to fight back from their fears.

The Red Ranger summons the Storm Megazord to hold the monster down long enough for the Yellow and Blue Rangers to use the Tsunami Cycles in order to rescue the Thunder Rangers. He then had the Megazord force Eyezak's mouth to open long enough for the Yellow and Blue Rangers to escape with the Thunder Rangers. Eyezak broke free and was about to make a beatdown on the Storm Megazord until the Samurai Star Megazord came to the rescue.

The Thunder Rangers summon the Thunder Megazord and with the Power Spheres 15, 16 and 17: the Ninja Firebird, both the Storm Megazord, Thunder Megazord and the Samurai Star Megazord were able to combine into the new Hurricane Megazord. Eyezak then used the Nightmare Collars to make the Yellow and Blue Ranger think of their worst fears again, but it was not enough. As much as he fights, Eyezak was no match for the Hurricane Megazord and was ultimately destroyed by the Hurricane Megazord's Typhoon Power

---

Shane: Eyezak!

Eyezak: Been a long time rangers.

Me: I remember you! You have the power to bring peoples worst fears to life and you put nightmare collars on many people.

Eyezak: That's right J.D. Good memory.

Eli: That was crazy.

Eyezak: If any of you guys need help with fear problems, just tell me.

Me: We will thank you.

Eyezak: Anytime.

Nico: Lets get the battles underway.

We did so.

Selene Emperyous: That's incredible.

Nico: It sure is. So, Selene, what memories did you have with Lincoln?

Selene Emperyous: Oh, there's one that still has me and my sisters cracking up. Lincoln, my sisters, and I were at Lynn's Table and we made a complete and total fool out of that stupid, greedy, smelly, mutant cheapskate, Flip. Lincoln covered Flip in honey and I created ten honeybee hives with my powers and when I whistled for them, they saw Flip covered in honey and they all rushed out and Flip was stung all over the place.

Selene Emperyous took out the photo, and when we saw it, we just started laughed hysterically.

Nico: (LAUGHS HYSTERICALLY) Oh man, you two really made a fool out of him.

Lincoln: And we were just getting started. Then, Zaina and Laniya blasted him with rose scented water and he was soaking wet and clean, and he freaked out badly, then, Sadie and Rachel fired blasts of wind and he went through a spin cycle, then, Michelle, Melanie, and Laney fired blasts of fire, which burned off his mustache and hair and he was bald, then, Camie and Valentine smashed Flip with rocks and boulders, then, Sandra fired powerful blasts of light and he was blinded by the light, and finally, Vorya fired blasts of darkness and made his worst nightmares come to life: he had lost all of the money he'd scammed and robbed from everyone and he was ruined for good.

We laughed hysterically even more at the humiliations Selene's sisters did.

Lynn Sr.: I had a front row seat to what they all did to that fat moron, and their humiliation caused millions of tons of gold and priceless jewels and pearls to come out of Flip.

Selene Emperyous: Nice to see Lincoln's curse is really working wonders. Plus, I'm glad Scoots is now in Hell forever.

Nico: She's been nothing but an insane bitter old goat, and she's been nothing but trouble since the day she was born, yuck!

Rita: She should've been locked up for the rest of her days for this, but now, The Grim Reaper has claimed her soul.

Grim: (Jamaican Accent) You got that right, mon.

We also joined in and fired powerful waves of energy and elements at Evil Lynn, and they exploded with incredible power as they hit her. Then, Lynn, Lincoln, and Lightning attacked her with their massive greatswords and left tears in her clothes and left scars on her body and they drew blood, and it pissed Evil Lynn off even more.

Evil Lynn: YOU BITCH, WHEN I GET THROUGH WITH YOU, YOUR BOYFRIEND, AND STINKOLN, ALL OF TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL WILL ALL DIE!

Lynn: (Divine Echoing Cosmic Voice of The Firestorm Athlete Volcanic Draconic Phoenix and Divine Firestorm Athletic Volcanic Rage Love) **Not a fucking chance in hell, bitch!**

Nico: YEAH!

Lincoln used the Loud Buster, and not only did he brutally injure Evil Lynn, but he also severed her spine, and he rendered her paralyzed from the waist down, and she screamed in agonizing pain and rage.

Maria: Oh man, he's used The Loud Buster!

Me: Brutal!

Nico: Damn!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for**

**you to say goodbye for good, Evil Lynn.**

Lightning: (Divine Echoing Cosmic Voice of The Athletic White Thunder Firestorm Phoenix and Divine White Thunderfire Athletic Bravery) **Your sports career's been over the day you gave into your own superstitions and hatred for your family and everything.**

Lynn, Lincoln, and Lightning sent Evil Lynn flying into the air with powerful punches, and they infused their massive greatswords with white and rainbow energy and they fired massive waves of white and rainbow energy with one swing of their massive greatswords and as the energy waves hit Evil Lynn, they exploded with incredible power killing her for good. Then, as her spirit appeared, Lynn drew the Judgement Kanji on Evil Lynn's forehead, and she was found guilty by the spirits of all those she has hurt, and she was fading away.

Evil Lynn: NO, YOU CAN'T DO THIS! I'M NOT DONE FIGHTING YET! I'LL KILL YOU ALL, INCLUDING YOU, STINKOLN!

Lynn: (Divine Echoing Cosmic Voice of The Firestorm Athlete Volcanic Draconic Phoenix and Divine Firestorm Athletic Volcanic Rage Love) **No, Evil Lynn, you're done fighting for good. Now, go to Hell and never ever come back.**

Everyone: NOW, DISAPPEAR FOREVER AND NEVER COME BACK, YOU SORE LOSER BITCH!

Evil Lynn: NO! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU, MASTERS OF EVIL, DAMN YOU, STINKOLN, DAMN YOU ALL!

Evil Lynn was forever erased, and the sore loser was never coming back. We cheered wildly as we holster our weapons and powered down, and Lynn and Lightning's new bodies, clothes, weapons, jewelry, and massive angel wings are permanent. Then, Lynn went up to Lightning and she wrapped her arms around his thick muscular neck and her chest pressed up to Lightning's now massive and wide muscular pecs and her stomach was pressed against his eight-pack abs which brought an atomic red blush to his face, and then, he wrapped her waist in his abnormally massive and powerful muscular arms, and then, he leaned down and kissed her on the lips and she returned the kiss with intense passion, as she still had her left arm wrapped around his thick muscular neck, but she brought her right hand down to his massive and wide muscular right pec, and we cheered for them.

Lincoln: May you never haunt our sister ever again, you sore loser!

Lynn: You said it, Lincoln, we faced that evil monster and brought a close to a dark chapter of my past for good, and it really felt good, now I know how you felt to be freed from the demons of the past, Nico.

Nico: It's always a relief when those demons from the past are purged for good, Lynn. Awesome job, gang, especially, you, Lincoln, and Lightning, Lynn, you showed Evil Lynn no mercy whatsoever, but we're not done yet, there's still the matter of Fugai to deal with, and she should be arriving… right now!

?: I will have my revenge on you for ruining Lord Haido's plans, J.D. Knudson!

Me: Right on cue, and there's no mistaking that voice from anywhere. You can come out now, Fugai

A figure came out, and it was none other than Fugai, and she's still pissed at me for ruining Fugai's plans 150,000 years hence.

Me: Should've known you'd show up again, Fugai. You just don't know when to quit, do you?

Fugai: Not until I have your head mounted on a wall for what you did, and I'll enjoy seeing the hearts of all your wives and children will all break when I finally kill you!

Lincoln fired a blast of rainbow energy at Fugai and it hit her, and it really hurt her.

Lincoln: Oh no, you don't, Fugai, your fight's with us.

Connie Sellingron: That's right, and you're going to pay for every last one of your despicable crimes, you monster.

Suddenly, Connie Sellingron's orange eyes turned neon orange and she was surrounded by a black and yellow energy aura with darkness, orange fire, and dogs, she unholstered her massive Earthbound Immortal Ccoshobar-themed sword from her back, and as she approached Fugai, she left black and orange energy, orange fire, dogs, and darkness with every step.

Connie Sellingron: I will never forgive you for every last one of your crimes you've committed against 150,000 years hence in Haido's name, Fugai, and now, I will administer unto you your punishment for your crimes.

Suddenly, Connie Sellingron was surrounded by a massive vortex of black and orange energy with orange fire and darkness surrounding it, there's Earthbound Immortal Ccoshobar flying around the vortex, and in the vortex is a orange phoenix. Then, as the vortex faded, Connie Sellingron emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:15)

Connie Sellingron grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing orange hair, she has neon orange eyes and a black and orange energy aura with darkness, orange fire, and dogs surrounding her, she has Earthbound Immortal Ccoshobar with the Dark Kanji in its paws emblazoned on her forehead, she has on dog earrings with orange gems for eyes and holding the Dark and Eternity Kanjis in its paws, she also has Earthbound Immortal Ccoshobar with orange gems for eyes and the Dark and Eternity Kanjis in its paws for the second pendant on the bottom of her orange dog-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Connie Sellingron has on a sleeveless orange midriff top, orange skirt with the Dog Nazca Line on it, camo pants, fishnet stockings, orange sneakers, and long sleeveless white trenchcoat with darkness, dogs, and orange fire on the coattails, and on the back is Earthbound Immortal Ccoshobar with darkness surrounding it. Suddenly, Connie Sellingron felt a sharp pain on her back, and then, her massive black angel wings with orange tips grew much bigger for her new body, and the feathers had the same yellow markings as on Ccoshobar. Connie Sellingron has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Connie Sellingron's massive Earthbound Immortal Ccoshobar-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of yellow energy with darkness, orange fire, and dogs, and when it emerged, it transformed into Earthbound Immortal Ccoshobar's Dark Dog Greatsword of Orange Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ccoshobar and the Dog Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dog heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large midnight dog heads and a large orange gem below the black dog heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ccoshobar's head with orange gems for eyes and a large orange gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Earthbound Immortal Ccoshobar that said, "Connie Sellingron, Gene-Slammer of The Dog Earthbound Immortal Ccoshobar, Keen and Sharp Sightseer, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Lisa Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dogs, and Orange Fire"

コニー・セリングロン、犬のアースバウンド不滅のコショバー のジーンスラマー、鋭敏で鋭い観光客、愛する守護天使、リンカーン・ラウド の将来の妻、リサ・ラウド の軽蔑者であり スマッシャー、スレイヤーオブイービル、混乱した、殺人的、無慈悲、サディスティックなろくでなし、素晴らしい驚くべき強力な教師の強力な学生、そして闇、犬、オレンジの火のマスター

Connie Sellingron has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS ORANGE FIRE EARTHBOUND IMMORTAL DOG ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE ORANGE FIRESTORM LOVE!

We were amazed by Connie Sellingron's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Fugai saw it, we saw the Stone of Gelel embedded in her throat glowed and she transformed into her werewolf form and she charged at Connie to kill her, but Connie Sellingron fired a powerful black and orange energy blast with darkness, orange fire, and dogs at her, and it exploded with incredible power as it hit her and sent her flying into a wall of beans, but she's not done yet, and she's pissed off even more.

Nico: Whoa, now Connie Sellingron has transformed, so cool.

Me: Yeah, and take a look at the orange patterns on her black angel wings, they're the same as the ones on Ccoshobar, and I knew Fugai was going to transform into her werewolf form, but she blasted her and sent her flying into a wall of beans, nice.

Lincoln: Now, Fugai is about to feel the true wrath of The Earthbound Immortals. And Connie, you look beautiful, how do you feel?

Connie Sellingron: (Divine Echoing Cosmic Voice of The Dark Dog Earthbound Immortal and Divine Orange Fire Justice) I feel incredible, Linky, and now, shall we finally administer Fugai's punishment for the crimes she's committed in Haido's name?

Lincoln: (Smiles) With pleasure, Connie.

Me: You're through, Fugai!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Connie Sellingron.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done, Fugai, and you don't deserve a single ounce of mercy, not that you even deserve any.

Connie Sellingron and Lincoln went after Fugai, who continued firing blasts of energy at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, black and orange energy, orange fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Dogs at Fugai and they exploded with incredible power as they hit her. Then, they attacked Fugai with their massive greatswords and they left some really nasty scars on her, and she couldn't stand it anymore and was forced to turn back into human form, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Fugai, so she couldn't escape.

Fugai: Impossible, defeated yet again?! No, I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's enough out of you, Fugai.

Fugai was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Nico. (To Fugai) As much as I want than to put a permanent end to you for what you've done in Fugai's name, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?

Connie Sellingron: (Divine Echoing Cosmic Voice of The Dark Dog Earthbound Immortal and Divine Orange Fire Justice) This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you. Doto Kazahana, Mizore Fuyukuma, and Nadare Rōga were told the same thing, and they agreed to join, despite their stubborn hard-headedness.

This caused Fugai to think, and he knew Lincoln and Connie Sellingron were right: if news of her defeat reaches Barodius, he will kill her and not show her any mercy at all, and despite being quite strong because of the Stone of Gelel, she's no match for Barodius, and Dustin Keystone will also kill her since he's still now mega pissed off at what Lincoln did in removing the Hom Dai from him many days ago, and he's even more consumed by bloodlust and revenge.

Fugai: (Growls) Fine.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) You've made the right choice. But, to make sure you're kept in line.

Lincoln gave Fugai the Hinon's Vengeance Curse and beamed him to The Masters of Evil's HQ, where Vypra and the others were given the news: Fugai is now part of The Masters of Evil, and just like Doto Kazahana and Nadare Rōga, she'll be under strict supervision, and Lincoln put the Hinon's Vengeance Curse on him. We cheered wildly for what Connie Sellingron and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Connie Sellingron's new body, clothes, weapons, jewelry, and massive black and orange angel wings are permanent.

Connie Sellingron: That's one villain recruited into The Masters of Evil and only one more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Fugai, Linky.

Lincoln: (Smiles Warmly) You're welcome, Connie.

Suddenly, Connie Sellingron wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Connie Sellingron's face, they kissed passionately as Connie Sellingron's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Ccoshobar flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and orange fire raging behind them and we all cheered wildly. Lincoln and Connie Sellingron absorbed the fires, and they came back, and Ccoshobar vanished.

Nico: Awesome job, Connie and Lincoln, you guys took down and convinced Fugai to join The Masters of Evil.

Lincoln: And I also put the Hinon's Vengeance Curse on her, because if she steps out of line, the curse will take her life, and she'll be sent to The Black Gates. Now, there's only one more villain to face before the big showdown with Dustin Keystone and Barodius.

Denise Uxi: Kamira, and we're taking her down tomorrow, Lincoln.

Eli: This is going to be good. And we know who we're meeting on your rescue tomorrow, Lincoln.

Lincoln: Yep, the Zaphion the Timelord Gene-Slammer, Zaina Emperyous.

Selene Emperyous: This is going to be really great seeing her again.

Lynn: Yeah.

Suddenly, we saw a slit on Lynn's forehead, and then, it opened up and showed a red iris and pupil. We showed it to Lynn in a mirror and she knew what it was.

Lynn: Whoa, a Third Eye of The Buddha, awesome! And Linc, can you…?

Lincoln: Say no more, Lynn, I'll help you out with this, and you'll have the same abilities like me.

Me: Cool.

Mirror Master: And that's the end of Lynn's darkness.

Control Freak: Unless another one shows up.

Kangor: I hope that doesn't happen, mon.

Me: Don't worry guys. That's the end of the Vengeful 6 as well as the evil Lynn that framed Lynn.

Twilight Sparkle: Yeah good riddance to bad rubbish.

Sunset Shimmer: Thank goodness for that.

Deadwood: Let's load up the beans.

Black Lance: Good idea. We can take turns stacking them at home.

Me: Good idea.

Nico: But great job today everyone. Evil Lynn is now a forgotten memory.

Laney: Yep.

Lynn: (To the viewers) Remember this folks, being a sore loser means you're a terrible sport and it also means you are a true loser. Play fair and play with honor.

Nico: Good advice.

We loaded up on all the beans and then went back home and enjoyed the rest of the day and went to sleep.

She thrashed Heather so bad that she was in a full body cast with all her teeth missing, and she vowed that if she sees Heather cause anymore pain like she did, she would kill her by making her endure ferociously painful bouts of torture that she was subjected to on the show times 1,000,000. And for Amy, when she was eliminated, Amy went on a ballistic rampage and even killed a bunch of homeless people in cold blood. Zaina beat up Amy so bad and sent Amy to prison for her crimes and vowed that if Amy causes anymore problems she would rip her head off and freeze her in a glacier for all eternity. Tomorrow is an awesome recap chapter as we celebrate and commemorate the anniversary of the Battle with Team Dark Phoenix Storm and how we defeated them all over the world and how we destroyed each member as well as how we found out about Lincoln's family's ancestry and more.

See you all tomorrow

We got word that Alejandro escaped from prison.

Me: I can't believe Ale-Jerk-Dro escaped from prison!

Nico: But this time we're going to give him what for.

Eli: With a one way trip to the Black Gates.

Camie: That's for sure! I've heard about him and he is a jerk.

Laney: Yes he sure is.

Duncan: Yeah I hate his guts. I don't know what I was thinking being friends with him.

Nico: No kidding. But thanks for coming with me, Duncan.

Duncan: Anytime Nico. It's going to be awesome helping you out.

Varie: It sure is.

Nico: Duncan, I just want to say that you're probably one of my favorite Total Drama contestants!

Duncan: (Laughs) I'm truly honored that you think that Nico.

Nico: Only because it's true.

Me: That is gnarly dude. Also to be truthful Duncan, you and Courtney are perfect for each other and Gwen and Cameron are perfect for each other.

Duncan: I agree there on that. And Billy McLean RUINED my relationship with Courtney!

Me: (GROWLS) What a heartless monster!

Xenia: What he did is pure evil!

Nico: I especially liked the hook man story you made up. And the fact that you brought a hook with it!

Duncan: (LAUGHS) That was a great story.

Me: It sure was.

Gwen: (Laughs) That was cool.

Brittney: It sure was.

Laney: Neat.

Camue: That was really cool though.

Nico: We ate lots of beans yesterday.

Me: Boy we sure did. (LOUD FART) I'm still gassy from them.

Nico: Boy so is many of us and it was funny though.

Eli: But Lazlo broke the Bean Stacking record. Everyone in Prickly Pines is talking about it.

Nico: They sure are.

Fluttershy: It sure was cool.

Nico: And this isn't the first time either.

Me: Nope. The first record was set in the 1880s.

Nico: Yep.

Laney: That is so cool. And Lazlo broke that record. It'll be impossible for ANYONE to catch up to him.

Varie: It sure will be.

Camie: Yeah no kidding there.

Lola: That is for sure.

Nico: Also, Kazemon, Casey, Varie Raiza, DC Superhero Girls Carol, RD Lana, Hiryuu Tsurugi, DC Superhero Girls Starfire, Genshin Impact Lisa, and Jane Logan Clayton are more backup members.

Me: Good choices.

Qin: Awesome!

Lincoln: Varie Raiza? I haven't seen her in a while. I'm sure she is doing great.

Duncan: Okay. If we're going after Alejandro, there should be stuff from the Psycho Killer challenge that can help.

Me: Good idea.

We went and found some blasters and weapons from the Psycho Killer Challenger and even a straitjacket and net.

Laney: Nice!

Lana: Time to end Ale-Jerk-Dro!

Duncan: Ah. My trusty hook.

Nico: Cool.

Me: This is gonna be good.

Qin: Yeah.

Eli: I sense that he is close. He's right… (Looks at a bush) THERE!

He fired a blast of Force Lightning and electrocuted a figure and brought out ALEJANDRO!

Qin: Right on cue!

Camie: Time for some buttkicking!

Alejandro: Hello, Duncan. You look dressed for a funeral.

Duncan: Yeah. Yours!

Me: You can say hello to your unattractive girlfriend in oblivion.

Alejandro growled ferociously!

He went at me and then I punched him in the face!

POW!

I sent him crashing into a tree and it smashed onto him!

Xenia: Take that!

Alejandro got up.

Alejandro: (SCREAMS IN PAIN) MY FACE! MY BEAUTIFUL FACE!

Kaito: Your face is the least of your problems!

Zocks: Some people are so vain.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: YEAH!

Me: Heather was an unattractive and miserable little bitch!

Qin: YEAH!

He growled ferociously and then HE WENT INSANE!

Alejandro: YOU LIE! SURE, WE HAD OUR UPS AND DOWNS! BUT I TRULY LOVED HER! AND YOU ALL TOOK HER FROM ME!

Sougo: (gets out Zi O II Ridewatch) You're right. It wasn't fair that J.D. and the rest sent Heather to oblivion.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) So, why don't we send you there with her?!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Nico: Yeah!

Me: But now Heather is gone. What are you going to do about it

UGLY!?

Then ALEJANDRO WENT BALLISTIC!

He went at us roaring like an insane lunatic and I punched him in the face and kicked him in the stomach and punched him ferociously all over the place with incredible fury and smashed him all over into pulp. Then I punched him in the face and kicked him in the stomach and then I kicked him in the stomach with devastating force and he belched up a huge amount of blood.

Albedo turned into Negative Invincible.

Negative Invincible: Did you guys know that there's a Superhero that's also named Invincible?

Me: His name is Markus Sebastian Grayson and he is awesome.

Qin: Boy he sure is.

Alejandro was beaten up really bad.

But then a figure came out and grabbed Alejandro and then snapped his neck!

We gasped and saw that it was ANOTHER INVINCIBLE! It was a black version of Invincible!

Alejandro's spirit appeared.

Lincoln: I got this.

Lincoln fired a beam of energy and banished him to the Black Gates.

Me: Wow! Another Invincible! Thanks for that.

Another Invincible: (In a girls voice) He deserved it. I hated him.

Me: (GASP) Laurie Celestia?

Nicole: The World Famous Treasure Hunter!? Wow!

Nico: That is cool! Are you related to…

Another Invincible: Yes. Princess Celestia's my cousin.

Maria: On the topic of Mark Grayson, his dad could be a great Masters of Evil candidate.

Me: He sure would.

Negative Invincible: (To Another Invincible) Did Swartz Promise you anything?

Another Invincible: Just to be the greatest Treasure Hunter ever like Nicole.

Nicole: I'm flattered that you want to be like me.

Nico: Yeah.

Me: But you already are one of the greatest treasure hunters I know.

Another Invincible: That's true. And I knew that Swartz was lying to me.

Me: Yeah. Sorry we have to fight.

Nico: (takes out Chemistro's Ridewatch) Hope you studied up on Chemistry!

He activated it and fired Chemical blasts and smashed her down with powerful acid.

Nico: Oh yeah!

Me: Time for some buttkicking!

I fired waves of fire and smashed her down.

Qin: Yeah!

Xenia: Take that!

Duncan: My turn!

He activated Scorpion's Ridewatch and fired waves of acid and

smashed her down.

Qin: YEAH!

Maria: Lets keep it up!

But then a roar was heard and then out came a RAINBOW DARK DRAGON!

Qin: WHOA!

Nico: Rainbow Dark Dragon!

Laney: Really awesome!

Rainbow Dark Dragon: (In a girls voice) (Estonian Accent) This is gonna be a good one.

Nico: Varaiya Venimenchikova? Wow!

Qin: Awesome to see you again.

She reverted back and Varaiya was a girl with long black hair and black clothes and had pitch black angel wings.

Varaiya Venimenchikova: It's good to see you again Nico and Qin. I got this.

She fired a Rainbow Dark Refraction Blast and it hit Another Invincible and smashed her down and reverted her back and I caught the ridewatch and purified it and I went over to Laurie and she was a girl with Princess Celestia's hair and she had her tail too and she was dressed in Jungle Safari Clothes.

I picked her up.

Laurie Celestia: (Groans) What a headache.

Me: But you're back to normal.

Nico: Princess Celestia will be so happy.

Laurie Celestia: She sure will.

Varaiya Venimenchikova: But that was a great rescue.

Duncan: It sure was. What's your favorite memory of Nico?

Varaiya Venimenchikova: I have a lot of them but my favorite is when me and Nico were over in Russia and we saw a bunch of Thugs robbing the Moscow Museum and I helped stop them by summoning the undead. I summoned the skeletons of many Russian Soldiers and they stopped the thugs.

Nico: Yep.

Me: Wow! That is incredible!

Qin: Yeah she has the power to summon the forces of the undead.

Xenia: That is awesome.

Brittney: You'll make an awesome addition to the Goths of Darkness.

Nico: I was just about to say the same thing.

Nico and Varaiya hugged.

Nico: I've missed you Varaiya.

Varaiya Venimenchikova: Me too Nico. Me too.

We went back home.

Nico: This is unusual, your rescue's taking place here at an apartment block in Chicago, Lincoln, but why…? (Realizes something) Oh no, this apartment block, this is where… !

Lincoln: Yep, we're here in the world of The Grudge 3, and I know what we're going to do here, not only am I going to rescue the five girls here, but we, along with Naoko Kawamata, are going to perform a powerful exorcism on the apartment block that's being haunted by The Grudge curse brought here by Naoko's older sister now turned vengeful ghost and undead serial killer, Kayako Saeki and her son, Toshio Saeki, and not only are we going to end The Grudge curse, but we're also going remove the dark spirits that inhabited Kayako since her mother removed them from the people who came to visit her and gave them to her when she was a child and banish them to Hell for good, but we're also going to send the very one who caused The Grudge curse in the first place by killing Kayako, Toshio, and Mar in a fit of rage, Takeo Saeki, to The Black Gates for good, and send Kayako, Toshio, and Mar to The Afterlife and help them finally rest in peace.

We gasped in pure horror.

Lucy Loud: Gasp. But, will this exorcism succeed?

Riley Kurayami: (Japanese Accent) It has to work, too many lives have been tragically ended by this evil curse. Either way, the curse ends here and now.

Suddenly, the white gemstones embedded in our pinkie rings that we'd gotten yesterday started to glow.

Naoko Kwamata: (Japanese Accent) There's no doubt that my sister's here, along with Toshio, and my brother-in-law, and the rings are working perfectly.

Lincoln: So, you were the ones who gave Vypra those rings for our treasure battle yesterday, and I think I know why, you needed our help to stop the curse and put the spirits of your sister and nephew to rest.

Naoko Kwamata: (Japanese Accent) Yes, that's correct.

Me: There's no doubt this curse is one of the deadliest curses ever in Japan. Tales were spoken about what happen in this case. When someone dies in the grip of a powerful rage, a curse is born, it then gathers in the places where the dead once lived.

Nico: And if anyone crosses its path, they die, and the curse is reborn. Everyone in Japan has known of this kind of curse born from a powerful rage.

Naoko Kwamata: (Japanese Accent) And it's also no surprise that Kayako became a vessel for the dark spirits that my mother took from those who came to visit her and my mother gave them to her, and when Takeo killed her and Toshio, along with his pet cat, in a fit of murderous rage, Kayako had come back from the dead as a vengeful spirit and got her revenge on Takeo, but she would also in turn kill anyone who dared to set foot in the house, and now, the curse has taken hold of this place.

Eli: We have to end this curse here and now.

Lincoln: And we will, and while Kayako and Toshio, along with Mar will be sent to The Afterlife, Takeo on the other hand, will be getting

The Black Gates for what he'd done, and I also intend to use a more powerful version of The Penance Stare.

We also saw that Lisa and Rose Morrison were also with Naoko.

Naoko Kwamata: (Japanese Accent) I've already called Lisa and Rose to come back to the apartment with me, but her brother, Max, is still in here, and there's no doubt he's been possessed by Takeo. And with Kayako and Toshio also still in the apartment, no one will truly be safe until the curse has been broken.

Nico: Nice one, but you'll also be put in danger as well, Naoko, since you're also the sister of Kayako and the target of Takeo's murderous rage.

Naoko Kwamata: (Japanese Accent) It's a risk I have to take, if I want to end the curse and give Kayako and Toshio their well-deserved rest. Now, we need to set up the ritual and keep an eye out for my murderous brother-in-law.

We already set up the ritual, and we were prepared to draw the spirits of Kayako and Toshio out, and Lincoln also set up a trap, in case Max who was possessed by Takeo shows up to attack.

Naoko Kwamata: (Japanese Accent) Now, once I start the ritual, we must be prepared for the task of exorcising the spirits.

Nico: In other words, we can't let fear drive us out.

Lincoln: Exactly, Nico.

Naoko Kwamata began the ritual, and as soon as the ritual started, we then saw a deathly pale hand clutch the floor and we saw a deathly pale figure with long cascading black hair crawl right to us and it uttered a horrific death rattle, and then, a magic circle appeared around the ghost, and it began to stand up, but we heard the sound of bones cracking and it was horrific, but we saw who the figure was: it was Kayako Saeki, Naoko's older sister, and then, another deathly pale ghostly figure appear and it too was surrounded by a magic circle: it was Kayako's son, Toshio Saeki, and with it was his pet cat, Mar.

Naoko Kwamata: (Japanese Accent) Kayako, Toshio.

Lincoln: It's hard to believe that these two innocent people would fall victim to a man's murderous rage and jealousy.

Me: Takeo, you really are nothing but pure evil.

Nico: You won't be welcome in the next world after Lincoln gets through with you. Now, what's the next step?

Lincoln: Now, to draw the dark spirits that are inhabiting Kayako and Toshio, and if I'm not mistaken, if Takeo, who's in possession of Max, finds out, he'll be heading here to crash the ceremony.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls running towards us, but they're being pursued by Max Morrison, who's been possessed by Takeo, and he's going to kill them.

Lincoln: Looks like we don't have to go after Takeo, here he comes!

As soon as the five girls come to us, the possessed Max was then trapped in a magic circle, and a blast of light then removed a blood-soaked spirit and he passed out. We then saw who the blood-soaked spirit was: Takeo Saeki, the murderous rage-driven husband of Kayako Saeki and the source of the curse. He tried to get out and kill us, but he didn't.

?: (Girl's voice) You're not killing anyone ever again, Takeo Saeki!

Suddenly, we saw Zaphion, the Timelord, appear before us.

Nico: Wow, that's Zaphion the Timelord.

Lincoln: And we'd recognize that voice from anywhere, I knew it was you, Zaina Emperyous.

Selene Emperyous: But, we'll talk later. Time to complete the exorcism.

Lincoln chanted a powerful incantation, and that caused Kayako to lift up her head, and a torrent of dark and evil spirits came out of her, and a portal opened up and those dark spirits were then sent back to Hell for good, and the dark spirits also came out of Toshio and they were sent to Hell, and it restored Kayako and Toshio back to the way they were when they were alive, but they, along with Mar, were still dead, but purified once more, and this angered Takeo.

Lincoln: You've claimed your last victim, Takeo.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine

Heavenly Light and Divine Angelic Justice, my harem and Nico's harem Ghost Rider, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Takeo Saeki, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln stared Takeo down, and the murderous rage-driven monster was forced to look Lincoln in the eyes, but then, Lincoln turned all of Takeo's evil against him, and Takeo was being burned from the inside out by all of the pain and suffering he inflicted on Kayako and Toshio when he murdered them in a fit of rage, along with all those he'd killed when he came back as a vengeful spirit and he'd continued to spread the curse killing those who cross its path. When Lincoln was done, Takeo's eyes were burned out, and as the Judgement Kanji appeared on his forehead, he was then seized by The Black Gates and he was erased for good. We cheered wildly as we holster our weapons and powered down. Kayako and Toshio smiled and we knew they were finally at peace, and they faded away and they headed for the Afterlife. The curse was finally ended, and we also saw the spirits of all those the curse had killed were also crossing over to The Afterlife. Finally, their torment was finally over.

Naoko Kwamata: (Japanese Accent) It's finally over, the curse has been ended.

Lisa Morrison: So, this means, the strange hauntings are over.

Nico: Along with the murders attributed to the curse. Now, everything is at peace.

Lincoln: Yeah.

We then said our goodbyes to Naoko Kwamata and Lisa, Rose, and Max Morrison, and we left the apartment building with the knowledge of knowing we'd finally ended the curse of The Saeki family, and sent the spirits of Kayako and Toshio to their eternal slumber, while Takeo was sent to The Black Gates for good for what he's done.

Lincoln: That's it for the dreaded curse and the spirits have finally been put to rest for good. (To Zaina Emperyous) And it's so good to see you again, Zaina Emperyous.

Zaina Emperyous reverted back to normal, and she was a beautiful girl with long flowing aqua blue hair tied in a braid, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful aqua blue angel wings with stars in them and she reigned in the power of Zaphion the Timelord, and she was dressed in a sleeveless aqua blue midriff top, aqua blue plaid skirt with the Sephiroth Tree of Life on it, aqua blue pants, aqua blue legwarmers, aqua blue sneakers, and long white sleeveless trenchcoat with ocean waves and angels on the coattails and Zaphion the Timelord on the back and holstered on her back is a large Zaphion the Timelord-themed greatsword with Zaphion the Timelord etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue angel wings for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large aqua blue angel wings and a large aqua blue gem below the angel wings for the pommel.

Zaina Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene.

Selene Emperyous: You too, Zaina.

Lincoln went up to Zaina Emperyous and they hugged, and Zaina Emperyous is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Zaina Emperyous: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 10-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, so that's?

Lincoln: Yep, Nico, this is Zaina Emperyous, she's my Guardian Angel from Michigan and the second born of the Emperyous Sisters. Zaina is the second of the water masters of the Emperyous Sisters and she has amazing power over water. She also has the respect and love and admiration of Girl Jordan and her friends, Mollie and Chloe, and she even has the power to turn into an awesome mermaid. She can even breathe underwater and when Girl Jordan saw her as a mermaid, she was so amazed and enthralled in her beauty. She's also another Guardian Angels that knows all about Girl Jordan's crush on me.

Nico: That is so awesome!

Selene Emperyous: It sure is, and Zaina hates all of the Total Drama Sore Losers with a merciless vengeance. She is a huge fan of Total Drama and specifically hates Heather and Amy with a merciless vengeance.

We gasped.

Nico: Oh, we're going to hear about this later, and just so you know, your sister let Lincoln…

Zaina Emperyous: Yeah, I know, she told me on the phone yesterday of what she allowed Lincoln to do.

Me: Oh.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Zaina Emperyous' neck with aqua blue gems on the gold thunderbolt links and aqua blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Zaina Emperyous: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Zaina.

Zaina Emperyous had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Zaina Emperyous' waist and she wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Akari Watanabe, Mei Hamano, Natsumi Oohashi, Shiori Sakurazaka, and Sachi Takamiya from More Than a Married Couple, But Not Lovers.

Lincoln: Oh wow, it's Akari Watanabe, Mei Hamano, Natsumi Oohashi, Shiori Sakurazaka, and Sachi Takamiya from More Than a Married Couple, But Not Lovers.

Nicole: Oh, awesome!

Lincoln: Are you girls okay?

Akari Watanabe: Yes, we're okay, thanks to you.

Then, when Akari Watanabe and the other four girls saw who it was that saved them from Takeo Saeki, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball

Akari Watanabe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Akari Watanabe: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Watanabe, Mei Hamano, Natsumi Oohashi, Shiori Sakurazaka, and Sachi Takamiya with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team were shocked when they found out the villains we went after were Kayako Saeki, Toshio Saeki, and Takeo Saeki, who was the true source of the Grudge curse.

But, when Lincoln showed what we did in freeing Kayako and Toshio of the dark spirits that turned them into vengeful spirits and sent the dark spirits to Hell and what Lincoln did in using a powerful version of The Penance Stare on Takeo Saeki which then sent him to The Black Gates for good and ending the curse brought on by Kayako's rage and Takeo's evil, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Zaina Emperyous have a lot of catching up to do, now that she's back in town.

Maria: Oh man, now that was one really really scary rescue you guys went through.

Nico: I saw all three Grudge movies, and I was really scared to death.

Connor: So were all of us, Nico, don't forget.

Leandro Chan: I couldn't forget the sound of that awful death rattle coming from Kayako.

Alicia Chan: Neither can I.

Mindy Chan: Same here.

Lincoln: Whoa, so you guys were really scared from watching that movie. I hope no one dared any of you to watch it.

Nico: No, it was a few years ago, and we watched all three Grudge movies on three separate nights, and after that, we had nightmares for nine weeks. (Shudders)

Connor: We swore never to watch those movies again, Dad had them given to another person as a gift, and we had to room with Nico during those nine weeks for fear of what could happen.

Riley Kurayami: (Japanese Accent) I also saw the original adaptation: Ju-On, but I knew that the curse was real, and it's been part of Japanese folklore for centuries.

Even many of Lincoln's Guardian Angels and future wives who are from Japan knew of that ancient tale, and are deathly afraid of the curse.

Lincoln: That's right, and curses come in different forms and different cultures, but this curse was one of the deadliest: a curse born when someone dies in the grip of a powerful rage is bad, but one that's caused a never-ending chain of death, thanks to dark spirits inhabiting the body of the one who fell victim to the death that turned them into a vengeful spirit.

Me: Yep, but now, that curse has ended and the chain has been broken for good.

---

After finally putting an end to the Saeki curse and sending Takeo Saeki to The Black Gates and sending Kayako and Toshio to the Afterlife, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Zaina Emperyous saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Zaina Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Zaina, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Zaina Emperyous: That's incredible.

Nico: It sure is. So, Zaina, what are these two horrible revelations you have about Heather and Amy, as if those two bitches couldn't get anymore lower than they already are.

Zaina Emperyous: Well, brace yourself. The first revelation for Heather is that after she failed to win the two million bucks, Heather hurt a bunch of people in a rage, so I thrashed Heather so bad that she was in a full body cast with all her teeth missing, and I vowed that if I ever see Heather cause anymore pain like she did, I would kill her by making her endure ferociously painful bouts of torture that she was subjected to on the show times 1,000,000.

We gasped.

Nico: WHAT A BITCH!

Lincoln: You said it, and we got rid of Heather for good after Gwen transformed and after she killed her, she sent her to The Black Gates for good.

Zaina Emperyous: I heard about it, and that bastard, Damian Alaister, removed the curse you put on her, as part of one of the many contingency plans The Church of Necrom had. Alright, and now, for the revelation for Amy, when she was eliminated, Amy went on a ballistic rampage and even killed a bunch of homeless people in cold blood, so I beat up Amy so badly and I sent Amy to prison for her crimes and vowed that if Amy causes anymore problems, I would rip her head off and freeze her in a glacier for all eternity.

We gasped even more.

Lincoln: If we weren't humiliating her already, I would gladly let you rip her head off and freeze her headless body in a glacier for all eternity.

Nico: Yeah, what a bitch!

Selene Emperyous: And we also heard of what you all did in sending Scott to The Black Gates as well. What that bastard did with this Team Buhktu bullshit mentally scarred Lincoln, he didn't deserve any sympathy from anyone, he's a worthless, dirt-eating, pit-stained, murderous bastard!

Lincoln: Selene, language.

Selene Emperyous covered her mouth and blushed in embarrassment.

Selene Emperyous: Sorry.

Nico: (Snickers) Yeah, you got to be careful when swearing around Lincoln's newborn kids.

Zaina Emperyous: I'll make sure Selene watches her mouth.

Sam Simpson: Good thinking, Zaina. Oh, Linky, it's almost time for your first harem bonding session with some of us.

Nico: Wow, so you're about to have your first ever harem bonding session, Lincoln.

Lincoln: It's much different from our dates, Nico. But, it's going to be really awesome.

We got a shower afterwards, and then, Lincoln, Toph Beifong, Hilda, Jessica Shannon, Yuna Kamihara, Sari Sumdac, Nanami Simpson, R. Mika, Menat, Makoto (Street Fighter), Ibuki, Frosta, Perfuma, Entrapta, Colette Brunel, TLPS Ryuko Matoi, Julie Makimoto, Shantae, Mai Shiranui, Akko Kagari, Gluko, Batch, Sam, Clover, and Alex were getting ready for their first ever harem bonding session.

Lincoln: This is going to be really amazing.

Hilda: (British Accent) Indeed, Linky. And I know how to start it off.

Lincoln, Toph Beifong, Hilda, Jessica Shannon, Yuna Kamihara, Sari Sumdac, Nanami Simpson, R. Mika, Menat, Makoto (Street Fighter), Ibuki, Frosta, Perfuma, Entrapta, Colette Brunel, TLPS Ryuko Matoi, Julie Makimoto, Shantae, Mai Shiranui, Akko Kagari, Gluko, Batch, Sam, Clover, and Alex head to Lynn's Table for a little humiliation on the jerks, and Lincoln saw Flip was snoring.

Lincoln: (Smirks) Toph, mind waking Flip up?

Toph: (Smirks) Gladly.

Toph made a paddle of rocks and she swatted Flip on the stomach, and it shocked him awake, and it pissed him off.

Lincoln: Don't glare at us, fatso! Besides, you know what this means?!

This horrified the other jerks: now, they were in trouble.

Julie Makimoto: And after what we heard of what you did in killing a bunch of homeless people in cold blood, you're definitely in the doghouse now, Amy.

Lincoln: Let me go first, Julie.

Lincoln used his powers and he made portals open up and he fired powerful rainbow fireballs at the jerks and they got seriously burned, and it caused tons of gold coins and jewels to come out of them.

Sam Simpson: Nice one, Linky, so that's because of what happened yesterday when we met Selene Emperyous, awesome. Now, it's our turn. Come on, girls.

Sam, Clover, and Alex went next, and they fired blasts of fire, flowers, and lightning at the jerks, and they got burned and electrocuted, and Flip's flower allergy caused him to swell up like a balloon, and they also coughed up tons of gold coins and jewels.

Lincoln: Nice one, Sam, Clover, and Alex. Who's up next?

Toph Beifong: Ooh, let me and Julie.

Julie Makimoto and Toph Beifong made balls of molten lava and sent them down Lewis Travolta's pants and Bubble Bass' pants, and they screamed like little girls, and they farted out tons of gold coins and jewels.

Entrapta: My turn.

Entrapta fired massive bolts of lightning at Marv and Harry, and they got electrocuted so badly, the gang saw their skeletons and more tons of gold coins and jewels came out off them.

Lincoln: Ooh, now that was brutal, Entrapta.

R. Mika: But, well-deserved. Ooh, now it's our turn. Let's go, Makoto.

Makoto and R. Mika went up to and grabbed Icky Vicky, Amy, and Trina Riffins and twisted them and turned them into human pretzels as they screamed in really agonizing pain.

Lincoln: (Laughs) Now, that was really awesome, nice one, girls.

Menat, Shantae, and Akko Kagari fired blasts of magic at the jerks, and they were in the nude!

Lincoln: (LAUGHING HYSTERICALLY) Oh man, now that was really embarrassing for those jerks, nice one.

Shantae: Timmy told me Cosmo poofed Francis and Crocker naked in front of the school, so we decided to do the same to the jerks.

Lincoln: That may have been the first good idea from Cosmo before we all met years ago.

Sari Sumdac, Ibuki, and Colette Brunel went up next, and they put giant funnels into the mouths of the jerks, and Lincoln made portals appear using his powers, and then, huge amounts of hot peppers came out of the portals and into the funnels and mouths of the jerks, and that caused massive jets of fire to come out of the mouths, noses, ears, and butts of the jerks, along with even more tons of gold coins and jewels.

Lincoln: (Laughs) If J.D. and Nico saw this one, they'd be on their butts laughing hysterically at what we just did!

Frosta fired blasts of ice, and the jerks were dressed in ice-cold bikinis, and they turned ice blue and icicles formed on their ears and they were shivering.

Lincoln: Nice one giving them an ice-cold treatment. Aw, and you got them shivering, let's heat them up.

Lincoln, Hilda, and Mai Shiranui fired blasts of fire at the jerks and they got burned badly, as they screamed in pain.

TLPS Ryuko Matoi, Gluko, and Batch then gave some really bad haircuts to Icky Vicky, Amy, Trina Riffins, and Peggy Bundy, and when they saw it in the mirror, they were hideous and they screamed like banshees.

Lincoln: Ooh, Bad Hair Day humiliation, nice one.

Perfuma: Allow me to replace their lost hair.

Perfuma put wigs made of roses with thorns on their heads, and they were screaming in pain.

Jessica Shannon: Time to send some bees in to pollinate those roses on their heads.

Jessica Shannon sent an army of bees at the jerks, and they got stung repeatedly all over the place.

Lincoln: Let's finish them off by giving them a bath.

Yuna Kamihara: Especially Flip and NO MA'AM, they really need one since they've never heard of or ever had a shower.

Lincoln, Yuna Kamihara, and Nanami Simpson prepared their grand finale by firing massive jets of rose-scented water at the jerks and they got a bath, and when Flip saw he was squeaky clean, he freaked out, and so did NO MA'AM.

Peggy Bundy: This is all your fault, Al. If your antics hadn't gotten the attention of…

Peggy got silenced by Lincoln who fired ice at her mouth and shut her up.

Lincoln: Actually, all of you were to blame for that one. See you all next time!

Lincoln, Toph Beifong, Hilda, Jessica Shannon, Yuna Kamihara, Sari Sumdac, Nanami Simpson, R. Mika, Menat, Makoto (Street Fighter), Ibuki, Frosta, Perfuma, Entrapta, Colette Brunel, TLPS Ryuko Matoi, Julie Makimoto, Shantae, Mai Shiranui, Akko Kagari, Gluko, Batch, Sam, Clover, and Alex then had some lunch and we came into Lynn's Table, and we saw the humiliation Lincoln and the girls put the jerks through, and we laughed hysterically.

Me: Oh man, now that was really, really brutal.

Nico: Too brutal and way too hilarious!

Lincoln: Thanks, guys, and we had a lot of fun on this session. But, let me humiliate them with this one last trick before we head home.

Lincoln then made clones of himself, and he and the clones went up to Toph Beifong, Hilda, Jessica Shannon, Yuna Kamihara, Sari Sumdac, Nanami Simpson, R. Mika, Menat, Makoto (Street Fighter), Ibuki, Frosta, Perfuma, Entrapta, Colette Brunel, TLPS Ryuko Matoi, Julie Makimoto, Shantae, Mai Shiranui, Akko Kagari, Gluko, Batch, Sam, Clover, and Alex and they hug the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and that made the jerks sick.

Flip: Yuck, gross!

Lincoln: Ah, go bathe your feet in scalding hot nacho cheese, you mutant cheapskate!

We cheered for Lincoln, and we came back home to The World Tree Estate and when Lincoln and the girls told everyone of what they did on their first harem bonding session, they laughed hysterically.

Maria: Serves those jerks right.

Eli: And that was really really painful and hilarious.

Lincoln: I'm glad you guys liked that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Kamira, another one of Haido's powerful allies, and she's heading here to still get revenge on me for ruining Haido's plans. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Kamira on the move?

Lincoln: You guessed it, Nico, and she's heading here to still get revenge on J.D. for ruining Haido's plans.

Me: Should've known she'd be the next one to face.

Nico: And I know she, like Fugai, is still harboring a grudge against you for what you did to Haido.

Naruto: Yeah, I still remembered that all too well, and she's really red with rage and fury.

Lincoln: So, just like Doto Kazahana and his allies and Fugai, she's getting the Hinon's Vengeance Curse if she so much as steps out of line.

Nico: Good idea, that'll show her that you mean business. Alright, gang, let's go, today's the one-year anniversary of The Battle With Team Dark Phoenix Storm.

Lincoln: I can't believe it's been a year since that very day, and once we get through with the recap of that day, you're next, Kamira.

Eli: And we saw the same thing happen to Lynn.

Lynn: Yeah, and you can thank Lincoln for teaching me those new tricks with my Third Eye of The Buddha. So, now both of us will alert the team of any uninvited guests.

Me: Awesome.

---

At the estate we were getting the stuff ready for the party at Loud Castle. Then Jorgen came in with his entrance!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Always an awesome entrance Jorgen.

Jorgen: (Arnold Schwarzenegger Accent) Yes it's always fun!

Maria: So, Jorgen. Got another What If story?

Jorgen: Yep. You're gonna love this one.

Me: Lay it on us.

Jorgen showed a viewing window and we saw Ben and Gwen in New York City.

Ben: It's me and Gwen.

Gwen: Wow!

Jorgen: I'm sure you guys know the story of how Kevin first met Ben in New York and how he would became an enemy of his for the remainder of Ben's child's years. But what if… Kevin had joined Ben the first time?

Me: That would be awesome.

Kevin Levin: It sure would. Things would be completely different.

Me: Yeah they would. You have been a tremendous help to Ben and his team for a while.

Xenia: Yeah you sure have Kevin.

Kevin Levin: Thanks guys. It is awesome.

Alternate Kevin had just lost his mutated Four Arms form.

Alternate Kevin: (coughs) Do it. I know how badly you want to finish me off, so DO IT!

Alternate Four Arms: Do you really think I'm that much like you? I might be a freak like you but I use my powers for good and to protect those I care about.

Alternate Four Arms turned back into Alternate Ben.

Alternate Ben: We can help you. You can learn to control your powers, and we can still be partners, we'll just be using our powers for good and not just for ourselves.

Alternate Kevin: What's in it for me?

Alternate Ben: Well for starters people will like you.

Alternate Max: And you can actually be a part of a family.

Me: That is a sign of true love there.

Ben: I wish we thought of that earlier.

Qin: But that is love there too.

Xenia: Yep.

Jorgen: In addition, feeling that Kevin needed a proper place to sleep, in this timeline, Ben managed to get his family unbanned from that hotel by volunteering to mop the floors.

Me: That is a very light and good form of helping out.

Ben: It sure is.

Even though the young Alternate Ben didn't like it it still was good.

Blazewing Ben: It sure feels awesome seeing another version of me though.

Blazewing Gwen: It sure feels good seeing another me too.

Qin: It sure is. Sorry Kevin was such a jerk to you guys back then.

Blazewing Ben: It's all right Qin. But we're cool with it. No offense to the Kevin here.

Kevin Levin: None taken.

Ben: Any other changes.

Jorgen: Yes. During that whole mess with Rojo merging with one of Vilgax's drones, you were about to try leaving the others to keep them safe. However…

Alternate Kevin: You're not getting rid of us that easy, Tennyson.

Alternate Ben: Kevin, don't you understand? Grandpa got hurt because of me! Sure, he's okay now. But what if you guys end up getting hurt in his place. Or worse?

Alternate Kevin: Look, you wanna go out into the streets like I was? Me, Gwen, and your Gramps stick by you because we're family. And a team. And you don't run out on your own team.

Alternate Ben: Team? Kevin, we've only been at this for maybe one or two weeks!

Alternate Kevin: That's true. But we're still a team anyway. And that means no running off on each other.

Me: Geez. Rojo really did a number on Max.

Nico: Yeah!

Max Tennyson: I know.

Me: But with Vilgax's drone merged with her she was ugly.

Tracer: (British Accent) She sure would be a tough adversary to face with that.

Jorgen: And then, there was Hex's first appearence. You and Gwen were arguing about who gets to be the better hero. But Kevin had other ideas.

Alternate Gwen: Kevin, tell Ben that I'm a better hero then he is!

Alternate Ben: No way! I was the hero first!

Alternate Kevin: You know what I think? I think that you two are just as equally heroic. And maybe it's time for alien and magic to work together as one. In other words, until we can figure out what to do with those charms, you two need to work together.

Me: That's a very wise set of advise.

Kevin Levin: It sure is.

Me: Magic and Alien are a VERY powerful and formidable force.

Qin: It sure is.

Nico: I agree.

Gwen Tennyson: That is too true.

Me: But that spellbook Hex got really looked awesome.

Brittney: That was The Archamada Book of Spells. It's a very powerful spellbook. It would make a very powerful tool for Gwen too.

Gwen Tennyson: It sure would. I remember seeing that when we were over at a Witchcraft Museum when we saw that.

Me: Neat.

Jorgen: You would know that Kevin had a point. As such, after Hex was arrested…

Alternate Gwen: (holding Hex's charms) I could fly, shoot out bolts of electricity, bring trees alive: I'd be unstoppable! Or, I guess I could just be me.

Alternate Four Arms: (grabs Gwen's arm) Wait. Keep the Luck Charm. But destroy the others.

Alternate Gwen: What?! I thought you said you were the only hero.

Alternate Four Arms: I was wrong. Kevin's right. It's time for magic and aliens to work together as one.

Me: The Luck Charm of Bezel is awesome. But Gwen would have been a very awesome force of good with all five charms.

Gwen Tennyson: I sure would have.

Me: And that Lucky Girl Persona you made Gwen was very clever and cool.

Nico: Yeah it sure was.

Camie: I thought so too.

Jorgen: And then there was the battle against Vilgax the first time. With Vilgax pretty much stronger then Ben's initial aliens, Kevin knew there was only one way.

Alternate Ben: Squid Face is more powerful then any of my aliens. There's no way I can beat him one on one!

Alternate Kevin: You're right. (to Gwen) I'm sorry, Gwen.

Alternate Gwen: (worried) Kevin, what are you doing?

Alternate Kevin grabbed the Omnitrix and started screaming in pain.

We gasped!

Kevin: Anyone getting a case of deja vu?

Jorgen: You not only mutated to stop Vilgax the first time. But as a result, Ben got forms like Big Chill and Humungousaur much earlier. I won't go into details about when you got which form. But I CAN say that Big Chill was used to freeze Vilgax.

Me: Whoa! That is incredible!

Xenia: Yeah!

Jorgen: Not only that. But you were able to revert back to human thanks to Gwen's voice.

Alternate Kevin: Don't deny it now! I'm a freak! Outside and inside!

Alternate Big Chill: No Kevin. You're not a freak. You're our friend.

And a hero. (sighs) Even more then I ever could be.

Alternate Gwen: Kevin, concentrate on voice. Remember who you are!

Me: Wow!

Nico: That is incredible!

Aylene C.: It sure is.

Varie: Yeah!

Me: But man he turned into quite a fusion.

Laney: Yeah.

Jorgen: Shortly after that, you guys would meet Phil. Now, Phil DID know Devin Levin from his PLumber Days. But you all would find out that Phil was a Plumber gone bad.

Alternate Phil: C'mon, Kev! We don't need Max! What would your Dad say if he knew you were declining Plumber business?

Alternate Kevin: (absorbs the ground) He'd tell me he was proud of me for denying the chance to work with a dirtbag like you! (turns hand into mace and hits Alternate Phil)

SMASH!

Me: WHOA! HOLY SHIT!

Nico: YEAH!

Me: But who was Phil?

Max Tennyson: He was an old friend of mine from my Plumber days. He helped me defeat Vilgax for the first time.

Me: Wow! That is amazing!

Max Tennyson: Yeah. But he turned into a bad corrupt plumber.

He told us about him.

---

Phillip "Phil" Billings is a corrupt Plumber, who was Max Tennyson's old partner and helped in defeating Vilgax for the first time in their Plumber careers. He is also the original user of the Nemetrix.

Background

Phil was originally a Plumber who served as Max Tennyson's partner during their first fight with Vilgax. He helped Max defeat him by serving as a distraction for Max to glue Vilgax to a nuclear missile and launch it at his ship.

In Truth, Phil began releasing aliens from the Null Void to be paid to have them removed in order to get a quick buck. He offered Max and Ben to be his partners, but they realized what Phil was actually doing. The Tennysons stumbled upon his scam and accidentally sent him to the Null Void in the resulting struggle between themselves and him.

Phil spent the time between his first and second appearances fighting and warding off the Null Void creatures.

Once, Phil was captured by Dr. Psychobos, Malware, and Khyber, who forcefully used him as a guinea pig for the Nemetrix's test run against Ben as Terroranchula. However, the test failed miserably, due to the fact that sapient life forms, like humans, cannot handle the biofeedback of the Nemetrix. Shortly thereafter, Phil was thrown back into the Null Void by Dr. Psychobos.

Phil later appears in Max's Monster as a Terroranchula hybrid. It is revealed that Phil's mind no longer exists in his human body, as a result of the Nemetrix's side effects. Phil faked that he suffers from his mutation but the opposite of this was soon revealed. Phil attempted to use Ben's electrically powered transformations as power sources as well as the Nosedeenians in Undertown, but was sent back to the Null Void by Max.

Phil returned in The Rooters of All Evil, having joined the Rooters off-screen after being sent back to the Null Void. He taunted Max about how many partners he thinks he's had, leading Proctor Servantis to irritably reveal that Max's partnership with Devin Levin was a false memory. He briefly fought Patelliday and was bitten by him. When it was discovered that Kevin had fled, he and the other Rooters left.

In Weapon XI: Part 1, Phil fought against Feedback and had his energy drained. He was then manipulated by Alien X, who forced Swift to blast him with her eye beams.

In Weapon XI: Part 2, Phil was defeated by Argit when he scared him enough to shoot all his quills at him, knocking Phil out. His Plumber commission was revoked by the Magistrata, due to him being in violation of his Plumber mission. This left him stranded in the Null Void along with the other Rooters.

---

When he was done we were shocked and horrified!

Me: Oh man! That's awful!

Camie: Yeah! Sorry your friend turned into a dangerous rogue.

Max Tennyson: It's all right. But he's in the Null Void.

Me: Good. He can stay there.

Jorgen: Now, with Kevin a hero in this timeline, he's not the one who caused chaos in San Francisco. Instead… Ragnarok happened!

Max Tennyson: RAGNAROK! (GROWLS)

Me: Uh oh. Max do you know this Ragnarok?

Thor: And I'm betting it's not the one with the end of the world?

Max Tennyson: No this is completely different.

He told us about Ragnarok's history.

---

Ragnarok is a minor antagonist in the Ben 10 series, serving as the main antagonist in the Season 3 episode, "Vendetta". He is a dangerous criminal who absorbs sun and star energy to destroy solar systems and sold off the energy for profit, he was highly personal to Kevin Levin for killing his father Devin. However, it was revealed in Omniverse that Ragnarok was a member of the Rooters who conspired with the false memories implanted to Max and Kevin to keep check on them.

He is voiced by John DiMaggio.

While most of his origin is never explained, though it was stated he already begun his spree of using his ship to absorb tons of energy from stars and suns from different solar systems, destroying them alongside their planets without care as he sold most of the energy absorbed for profitable gain, deeming him rather dangerous to his criminal status.

He was already a member to the Rooters in which he was conspired with the false memory implant to Max Tennyson, presumably during their encounter. According to the false memory, Max and his supposed partner Devin Levin stole the key to Ragnarok's ship before he came in to attack them, upon being overwhelmed for long Ragnarok had the upper hand as he had Devin surrender the key or Max pays the price, as a result, Devin declined, much to Ragnarok's attempt to kill Max before having to sacrifice himself as Max sends him to the Null Void, taken in custody. It would be clear that Devin doesn't exist but the encounter between Max and Ragnarok might turn out differently.

Ragnarok would then escape the Null Void Prison years later, he began his search for the missing key to his ship. On the way, he would ransacked Kevin's house in search for the key and then onward to another area before having to encounter and fight Kevin, just before he could kill him, Ben and Gwen arrived to fight alongside the latter, only for Ragnarok to declare being a waste of time as he teleports away.

Just when the trio began searching within Kevin's house one last time, Ragnarok now takes hold of the key to his ship from a frame photo of Kevin and his "father", placing it to his forehead as he taunts Kevin about destroying this Earth's solar system.

As Ragnarok was about to activate and start the ship's absorption to the sun's energy, he and Kevin end up fighting during their last confrontation before Kevin ends up breaking his ship's functions, disabling the balance as it backfires to the ship's atmosphere on the screen destroyed. Ragnarok cowardly pleaded Kevin to save him, just as he did, only to tip his forehead and let him go to avenge his "father", ending Ragnarok for good.

---

When he was done we were shocked and horrified some more!

Me: Oh my god!

Nico: Holy fucking shit! Ragnarok is a monster!

Shanan: Oh man! Ragnarok is a monster to the Nth Degree! I've heard of him. He is a Solarencian and he is also part of a Star Pirate Group. They sun in stars and sell them to the highest bidder annihilating countless people in the process!

Nico: Holy fucking shit! At least he is dead in our time.

Jorgen: Ragnarok would end up having Kevin at his mercy.

Alternate Ragnarok: (holds Alternate Kevin by the throat) You're just like your father. Heroic to the end. And those types don't have the courage to permanently end people like me. But only now, you'll die alone.

Alternate Lieutenant Steel: He's not alone. Fire!

Alternate Ragnarok turned just in time to see Steel's men shoot him off the bridge and into the water.

Me: WHOA!

Nico: Nice shot!

Qin: Yeah!

Jorgen: With the events of Slix Vigma, Ben and Kevin actually would work more better together. And of course, they would get out with no obstacles.

Me: They do make an incredible team after all.

Alternate Technorg: I told you two. My life belongs to you two!

Alternate Upgrade: Sorry. But that's slavery. And we're not interested in that.

Alternate Kevin: You're not our slave. You're our friend. One that we'll always remember.

Me: So Technorg is a Detrovite like Vulkanus.

Xenia: Wow!

Shanan: But it's cool that Ben and Kevin know him.

Laney: It sure is cool.

Nico: He will make a great addition to the team.

Me: Yeah but that Slix Vigma guy was UGLY!

Shanan: Yeah. He was what's called a Muscaroboan. And I've heard about him. He captures aliens from all over the galaxy and uses them to fight for everyone's enjoyment.

Superman: That is awful. Like with Mongul on Warworld.

Samurai Jack: Or what happened in the Dome of Doom.

Me: Yeah. That is sick.

Nico: We definitely will send Slix to the Black Gates for that.

Me: Same with Mongul and Ragnarok for sure.

Jorgen: Instead of Kevin, it'll be Ragnarok who will form an alliance with Vilgax. Knowing the stakes, Kevin would make another dire decision.

Alternate Kevin: Gwen, there's only one thing that can stop Ragnarok and Vilgax now. And it's in me.

Alternate Gwen: But what if you lost control?

Alternate Kevin: I won't. If I can control it, we'll have a fighting chance.

Alternate Kevin then reached for the Omnitrix again.

Me: Uh oh.

Nico: But that is crazy that Vilgax and Ragnarok teamed up.

Qin: Yeah it sure is.

Jorgen: Long story short, with Mutated Kevin's help, Ragnarok and Vilgax would end up in the Null Void for a long time. But Ben would zero out Master Control, feeling that he's not ready for it.

Me: That sucks. But that was epic of Ben to get them in there.

Nico: Yeah.

Gwen Tennyson: Yeah it sure was.

Jorgen: When Sublimino attacked the first time, Kevin decided to stop a hypnotized Ben while he was causing chaos as Heatblast.

Alternate Kevin: Sorry, Ben. You'll thank me for this later. (knocks Alternate Heatblast out)

Jorgen: After this, it was very easy for you guys to storm Sublimino's hideout and arrest him.

Me: Wow! That was awesome!

Nico: It sure was.

Eli: Yeah. I can also hypnotize people with the power of the Force. But you haven't seen me do that yet.

Me: We will someday bro.

Jorgen: Now, when Charmcaster swapped bodies with Gwen, Kevin saw himself in her. Because of that, this happened instead of Ben and Gwen switching bodies.

Alternate Kevin: You know what, Charmcaster? You and I are alike. We both have had rough family histories. But if I can change, then so can you.

Alternate Charmcaster as Gwen: What the Hell is in it for me?!

Alternate Kevin: For starters, you can join us. And you can use your powers for good.

Alternate Charmcaster as Gwen: (sighs) You're right. Maybe I should turn my life around. But first, I'm swapping me and Gwen's bodies back. And then, I'm turning myself in.

Alternate Kevin: Seriously? After what I just-

Alternate Charmcaster as Gwen: That's one difference between us. You'll still enjoy summer with Gwen and her family. I'm going to do the time for my crimes. (smiles) But after that, maybe being a hero won't be so bad.

Nico: That is for sure.

Charmcaster: And I joined you guys and you saved me from myself too.

Me: That is very coincidental. But that didn't happen with us. We stopped you from jumping off of the Burj Khalifa in Dubai.

Nico: Yeah that was crazy.

Eli: Wow!

Jorgen: During the battle against Zs'Skayr, Ben would have no problem working in a team. Ben would face Zs'Skayr, Gwen would face the mummy, Max would fight the Yenaldoshi, and Kevin would fight Dr. Viktor.

Alternate Dr. Viktor: I have to admit, Levin. For a young child, you really are a worthy opponent.

Alternate Kevin: I'll take that as a compliment.

Alternate Dr. Viktor: A shame I must eliminate you for my master's plan to succeed. But know that you went down honorably.

Me: Wow!

Will Vandom: Wow they sure put up an amazing fight in that one!

Maxxine: They sure are doing a good job at it.

Seto Kaiba: They sure are.

Edd: That is amazing that they did all that.

Me: The Anur Quartet really is putting up a good fight against them all though.

Jorgen: During the Fountain of Youth situation, Kevin would tell Hex about Charmcaster turning herself in. And that would convince Hex to turn himself over to the police and serve out his sentence.

Alternate Kevin: Hex, you know Charmcaster went to jail willingly, right?

Alternate Hex: No! You are lying!

Alternate Kevin: I'm not! While you're trying to get eternal youth, she's paying for her crimes willngly. So, why don't you surrender and you can do the same?

Me: Whoa! Is that Max when he was Younger?

Max Tennyson: Boy I forgot what I looked like back then.

Nico: That's incredible and Ben looks like he's 4 in that one.

Ben Tennyson: I know it's amazing.

Me: Wait who's that with you guys? The guy in the green shirt and black long hair?

Jorgen: That's Hector.

Ben: You would be amazed by him. He helped find The Fountain of Youth.

We gasped.

He went over his history.

---

Based on the inscriptions shown at the beginning of Don't Drink the Water, Hector was born in the year 1506. He was charged with guarding the Fountain of Youth by Juan Ponce de León over 400 years ago, being kept alive and young by its mystical water. Unfortunately, Hex was able to force him to reveal its location. He had led a lonely existence because if he became attached to anyone they would eventually grow old and die while he would continue to live, and warned a then-10 year-old Max Tennyson (rejuvenated by the Fountain of Youth) not to long for his kind of life. When the fountain was destroyed by Ben as Heatblast, Hector revealed that the effects of its water would gradually reverse themselves after a while. Thus, he would continue to age until his death. Liberated from his mission of protecting the Fountain, he was able to live a normal life again.

---

When he was done we were amazed!

Everyone: WOW!

Me: So he lived for over 400 years? That's incredible!

Xenia: It sure is.

Me: That is amazing that the Fountain of Youth is real!

Numbuh 1: And we know it's real too. It's right underneath our school too.

Nico: It's underneath your school Nigel!?

Numbuh 362: Is it really!?

Me: Whoa! We got to see that to believe it.

Jorgen: During the wedding, Kevin would find out that Lucy is a Sludgepuppy too.

Alternate Kevin: You're a Sludgepuppy too, aren't you?

Alternate Lucy: (chuckles) Guilty as charged.

Alternate Kevin: Then why don't you reveal who you are to Ben?

Alternate Lucy: Well, you know how Uncle Gordon and Aunt Betty are right now? What if they don't like me?

Alternate Kevin: Lucy, I embraced being an Osmosion ever since I joined Ben and his family. If they can accept me, they'll treat you no different.

Jorgen: This would inspire Lucy to help Ben against Camille's parents.

Me: That is cool!

Lucy Mann: That would be an awesome way to help out Camille.

Me: Yeah.

Camille Tennyson: I'm glad I am rid of my parents now.

Me: I think the galaxy is Camille.

Jorgen: During the time the Omnitrix went into self destruct mode, Ragnarok would escape the Null Void with Vilgax. Vilgax would still get tossed into space by Way Big while Kevin and Ragnarok had a fight to the finish.

Alternate Ragnarok: What are you waiting for? Do it!

Alternate Kevin raised his fist… and hit the ground near Ragnarok's head.

Alternate Kevin: That would be taking the easy way out, Ragnarok. You don't deserve it.

Alternate Tetrax: Don't worry, Kevin. The folks at Incarcecon will be glad to have Ragnarok for a VERY long time.

Nico: Whoa! Deja Vu.

Me: But what is Incarcecon?

Ben: It's a prison for the worst of the worst and it's located right at the very distant edge of the Galaxy. It's home to the worst ever criminals in the galaxy.

Ben told us all about it.

The Incarcecon Intergalactic Detention Center, better known as Incarcecon, is a prison organization built to contain some of the worst criminals in the galaxy. It is one of the many branches, and is located at the edge of the Milky Way Galaxy. Incarcecon operates independently from the Plumbers, who have no jurisdiction there unless warranted or if a situation calls for it like in the case of relocating Vilgax.

Background

Incarcecon was built nearly 500 years ago by the very first version of the Galactic Enforcers.

Original Series

Tetrax, Ben, and Gwen visited Incarcecon to find Azmuth, but instead found his assistant, Myaxx, who was imprisoned in Incarcecon after she sold the cloaking technology used to hide Xenon to Sphoeroid pirates.

Soon after approaching Incarcecon, its automated security systems were armed and ready to fire on Tetrax's ship. The only way they were able to enter was by using a garbage ship clearance code. While escaping Incarcecon, a Lepidopterran prisoner and many robotic drones chased after Tetrax, Ben and Gwen, but they managed to escape.

## Omniverse

By Vilgax Must Croak, an agreement was made with the Plumbers to use an Incarcecon facility to contain Vilgax alone. All its prisoners were evacuated and the entire facility was prepared to operate automatically, down to the food delivery system. As Vilgax was being transported by Ben, Rook, and a team of Plumbers, an intervention by Attea on behalf of the Incursean Army had marooned the plumber team on the facility. After fighting off Attea alongside Ben, Vilgax escaped on an escape pod.

## Notable Employees

There is a "No guards, no rules, no parole" policy on Incarcecon. Inmates are free to fight and kill each other.

The only onsite staff are some Galvanic Mechamorphs, acting as maintenance engineers only.

## Notable Prisoners

Incarcecon contains roughly two million prisoners spread out over hundreds of levels, including:

When he was done we were shocked!

Me: Whoa! That's like one of our space prisons.

Nico: Yeah it sure is!

Qin: Wow!

Jorgen: Finally, Vulkanus would take Charmcaster's spot in the Negative 10. And after the rest of the Negative were neutralized, Kevin, Max, and Gwen would help Ben against the Forever Ninja and Driscoll.

Me: WHOA!

Alternate Upchuck: I thought you guys were staying to keep the others busy!

Alternate Gwen: We already did. Besides, we're not letting you have all the fun, dweeb!

Alternate Max: We're a family, Ben. And a team.

Alternate Kevin: And like I told you, a family and a team stick together. No matter what!

Me: That is telling them!

Nico: Whoa! So Vulkanus would take Charmcaster's place in the Negative 10.

Eli: Wow!

Driscoll: I just can't believe I was like that though.

Sir George: At least you are redeemed my friend.

Jorgen: (smiles) After that, the summer would be over. Ben, Gwen, and Max would go back to Bellwood. Kevin, however, would thank them for a good summer and a chance at a real family. And then, he would travel the world helping others who couldn't help themselves. But he would meet Ben and Gwen again when Max would go missing while investigating the DNAliens. But that's a story for another time.

Me: That's awesome that Kevin would travel around the world and help people.

Kevin Levin: It sure is.

Nico: Yeah. You did great in that one Kevin.

Me: Yeah that was awesome.

Nico: It sure was. Ben, Gwen and Max sure have seen it all over the country.

Qin: And they did it all too.

Kevin Levin: That's another good timeline. Maybe we should consider visiting that timeline one day.

Jorgen: Oh, trust me. There have been a lot of Fanfiction stories like this one.

Me: I agree there.

Deadpool: Hey! Leave the 4th Wall Breaking to me! But yeah there would have been!

We laughed!

Me: It's true.

Nico: But it's time for us to get ready guys. We got a special event we have to get to.

Me: Oh man! Lets get over to Loch Loud Castle.

Camie: Why?

Me: You'll see Camie

Jorgen: Well, now that I'm here, I might as well join you guys.

Me: Good idea Jorgen.

Nico: Yep.

Vypra and all the Masters of Evil came.

Vypra: Mind if we join you guys?

Me: Absolutely. You all did help us during this time back then.

Lincoln: Yep.

Eli: But before we go, Nico which gene-slammer do you think you'll meet next?

Nico: Oh right the Mandatory question. How about a dark version of Rainbow Neos this time?

Me: Whoa! Rainbow Dark Neos! That will be a scary and cool one to see.

Laney: It sure would be cool though.

Tarantulas: I agree there. It sure would be cool.

We were at Loch Loud and it was an awesome party.

All of us: CHEERS!

We clinked our glasses.

Me: Boy can you guys believe that its been one year since we destroyed Team Dark Phoenix Storm?

Nico: I know. Time sure flew fast didn't it?

Laney: Yeah it sure did.

Keiichiro: It truly was an epic battle back then.

Xenia: It sure was. One of the most unforgettable adventures and battles we've had.

Me: And we had no idea that was all forming right underneath our noses after we met the LupinRangers and PatRangers.

Shazam: All thanks to my enemy Mr. Mind.

Poromon: But he was a tasty worm though.

We laughed.

Kairi Yano: It all started when you guys met my team and the Patrangers.

Me: That's right and that was also the very first Super Sentai Team we met when we met you guys.

Umiko: That's right and to think that all of that happened in the coming months after the 20 Days of Darkness.

Qin: Yeah. That was awesome.

Me: It sure was. That was the first of 24 awesome missions leading up to today 1 year ago.

Camie: What was that like?

Me: It was awesome.

I went over what happened during the events of chapter 1403 and it was awesome.

It was also the day that Goche Ru Medou was recruited. Sparking the first member of the team by Mr. Mind.

Right: Me and my team sent her packing on that day:

Me: You sure did Right and that was so awesome!

Qin: It sure was.

Nico: And then 7 days later on my birthday we met you guys.

Right Suzuki: You sure did and that was awesome!

Kameo: I sent Baron Nero packing on that day.

Nico: You sure did Kameo.

Qin: Yeah.

Camie: What was that like back then?

Me: It was awesome. Nico says that was one of the most awesome birthdays ever.

I went over what happened during chapter 1409 and it was awesome.

Tsuyu: Wow! That was cool!

Xenia: Yes it sure was.

Ruby Vallience: That is amazing.

Nico: It sure was.

Kameo: My world was next after that.

Me: That was 2 weeks later.

Nico: Yeah. We found out that Aunt Spiker and Aunt Sponge were working with Mr. Mind later on.

Martian Manhunter: But unfortunately we couldn't get anything out of them because of the nanites in them.

Me: Mr. Mind was very clever in covering his tracks back then.

Kameo: Yeah. Then you guys came to my world.

Me: And then Baron Nero got recruited into the team for Mr. Mind after Nico's birthday.

Nico: He sure did.

Qin: Yeah.

Kameo: Mr. Mind didn't recruit anyone from my world.

Me: Must not have found anyone of importance in that one.

Kameo: Yeah.

Camie: What happened in that one?

Me: That was awesome.

I went over what happened during the events of chapter 1428 and it was awesome.

Camie: Wow! That is cool!

Laney: And J.D. resurrected Jeri's mom before we went to Kameo's world.

Nico: He sure did. That was awesome.

Marcus Damon: But then came 5 days later when you guys met us.

Me: That was so awesome and epic.

Thomas: SaberLeomon tried to attack us while we were busy with Kurata

Me: I remember that and that was amazing.

SaberLeomon: Looking back I can't believe I was that obsessed with revenge on humans.

Me: I know.

Camie: What happened in that adventure?

Me: It was epic. But Kurata hated our guts more than anything.

I went over what happened during chapter 1433 and it was amazing!

Camie: Whoa! Lincoln was thought to be losing his powers in that one!?

Me: Yeah but what we didn't know is that he was going to transform in that one.

Lincoln: Yeah that is true.

Vypra: That was amazing though still.

Me: And we liberated the Digital World from Kurata's reign of terror and saved both worlds from that fucked up whack job.

Lucille Loud: (Scottish Accent) Aye you sure did.

Me: Yep.

Qin: Yeah.

SaberLeomon: And of course I got recruited into the team by Mr. Mind.

Animated Bumblebee: After me and my team kicked your ass!

Nico: Yes you sure did.

SaberLeomon: Right that's true.

Me: Then came the race through the Okefenokee Swamp and that's when we found out that Mr. Mind was up to something huge.

Nico: Yeah no kidding. We had to find out what it was.

Me: Yep. And then came the big adventure we had with the Animated Transformers.

Sari Sumdac: That was so awesome.

Animated Optimus: Meltdown tried to kill us when we get to our version of Cybertron.

Me: I know and that was crazy and he was one of the most fucked up I've ever seen. Not only that but we really kicked Sentinel Prime's big chinned motherfucking ego to the curb too.

Nico: We sure did.

Camie: What happened in that one?

Me: It was crazy.

I went over what happened during the events of chapter 1446 and it was crazy.

Camie: WHOA!

Sirius: MAN WHAT A JERK!

Qin: Yeah! That version of Sentinel Prime was total Slag-Sucking Fuckwad.

Me: He sure was! But not the live action version of him.

Sentinel Prime: No that version of me was a totally honorless monster.

Me: He sure was. But there is a massive difference between you and the animated version and that is that you have honor and the animated version doesn't. You also redeemed yourself.

Live Action Optimus Prime: That's true old friend. You sure did.

Sentinel Prime: And I'm glad I did.

Me: And Meltdown was the next to be recruited into Team Dark Phoenix Storm.

Nico: Boy he sure was.

Axel Manning: Me and my team sent Meltdown packing.

Me: You sure did Axel and we owe you big time for that my friend.

Axel Manning: Thanks J.D. it was cool.

Me: Yeah it sure was. And that was the next adventure we had before the Great War with Grandfather. But it didn't happen until 16 days later.

Qin: Yeah.

Axel Manning: But it was awesome having J.D. help us take care of Snake's Tail.

Me: Just like old times.

Axel Manning: It sure was.

Lioness: We had a lot of awesome fun too.

Lynn: Yeah that was awesome.

Camie: What happened during that one?

Me: It was awesome.

I went over what happened during the events of chapter 1462 and it was awesome.

Camie: Wow! I didn't know you and Axel knew each other back then. That is awesome.

Nico: It was awesome.

Axel Manning: Spydah also went after us.

Nico: Yep. And he was the next to be recruited into the team.

Cole: And that was after me and the Ninjago team kicked his butt!

Zane: Yeah that was awesome.

Me: It sure was. But after the War with Grandfather we had the big 13 battles with Xehanort and the True Organization XIII.

Qin: Yeah no kidding there.

Me: Yep.

Maria: During that time, Mr. Mind recruited Ocean Master, Man Bat, Scarecrow, TTG Slade, Two Face, Deadshot, Metalli, and Reverse Flash

Me: Boy he sure did and we were shocked with that.

Reverse Flash: It's amazing how quickly he was moving too during that time as well.

Me: Yeah. And during the battle leading up to the fight with Xehanort Eli Shane and his team helped us ward off the Heartless.

Eli Shane: Yeah we sure did and that was awesome.

Me: Yeah Then days later we went and met Cole and the Ninjago team.

Cole: That was so awesome seeing you guys in our world.

Fluttershy: The Lego World is always amazing.

Emily Jones: It sure is. We all like it.

Me: It's so awesome.

Camie: What happened?

Me: It was an awesome Ninja adventure.

I went over what happened during the events of chapter 1488 and it was awesome.

Camie: WHOA!

Kai: Eyezor was recruited during that time.

Me: He sure was. After we destroyed Soto and his men.

Nico: Yeah. Then after that we met Ang and Ling and their friends in Tibet.

Qin: We sure did and Lily learned a huge lesson about being lazy in that one.

Lily: I sure did and I learned a lot of great martial arts moves too.

Ling: You sure did Lily. We're proud of you.

Xenia: Yeah.

Lily: Thanks guys.

Camie: Lily was lazy in that one?

Me: Yeah. She was.

I went over what happened in chapter 1489 and it was amazing.

Sirius: Whoa! That is incredible!

Kaina Tsutsumi: But we're glad that Lily realized what she did.

Me: Yeah.

Ang: Tommy was recruited by Mr. Mind next.

Nico: He sure was.

Me: Yeah. But then came the Dinozaurs and that was so awesome.

Nico: Yep. Thank goodness no one from the Dinozaurs was recruited into Mr. Mind's team in that one.

Me: Yeah but we owed them big for helping us while we destroyed the Harvesters on the 4th of July.

Camie: What happened in that one?

Me: It was epic.

I went over what happened in chapter 1490 and it was cool.

Camie: Wow! That is amazing!

Dino Brachio: It sure was. And it was an awesome honor helping out the team since then.

Optimus Primal: Yes. The Dinozaurs are like the Cybertronians. They are really awesome.

Turbo: Mr. Mind didn't recruit anyone from my world either.

Me: That's good he didn't Turbo. But your adventure still was an awesome adrenaline rush. First time we ever used our cars and racers in battle like that.

Varie: It sure was.

Nico: Yep.

Camie: What happened?

Me: That was awesome.

I went over what happened in Chapter 1492 and it was awesome.

Camie: Wow! That was a fast one!

Xenia: It sure was.

Carly Atlas: It sure was an awesome and fast adventure.

Mal: Mr. Mind also didn't recruit anyone from my world.

Me: That's good they didn't. But it was still awesome heading to the world of the Descendants. Thank goodness we didn't kill that version of Maleficent there as much as I hated the one from 1959.

Nico: Yeah. Iconic but pure evil.

Laney: Yep.

Camie: What happened in that one?

Me: That was still a good one.

I went over what happened in chapter 1493. And it was awesome.

Camie: That is cool!

Mal: It sure was and it was an awesome honor to meet Team Loud Phoenix Storm.

Me: Yeah that was awesome. But then came the Aligned Transformers world. That was so awesome.

Aligned Bumblebee: Mr. Mind recruited Airachnid while we fought my world's Starscream.

Me: I know. But let me tell you, that version of Starscream that we faced was the most ABSOLUTE WORST and he was pure evil!

Qin: Worse than that! He was playing with fire!

Nico: Yeah no kidding there.

Me: He was still the most notorious traitor in all of Cybertronian History but he was worse than ANY version of Starscream we know.

Starscream G1: That is amazing that he was worse than me.

Armada Starscream: No kidding there.

Animated Starscream: Yeah he was horrible.

Me: And I got a good punch in the eye out of that one.

Nico: Oh right.

Camie: Why?

Me: I got a good scolding in that one because they thought I was being a bad friend and leader to Nico.

I went over what happened in chapter 1494 and it was both good and bad.

Camie: Oh man!

Me: Yeah. And Miko sure packed a wallop for someone so young. Ouch.

Nico: Yeah no kidding. Wow.

Miko: And I'm sorry I did that but you told me to do it.

Me: I know.

Camie: Wow.

Me: But I had it coming and I'm sorry guys.

Nico: No sweat J.D. all is forgiven.

Me: Good. But then after that was the Zyuohgers and that was my favorite part of the whole series of missions.

Nico: That was so cool.

Me: It sure was.

Yamato: Bangray was next to join Mr. Mind.

Nico: He sure was and I got his power to project memories into reality.

Me: That was so awesome how he is able to do that.

Bangray (X-Squad): That is an awesome power if I do say so myself.

Me: It sure is. And Nico used that power to make a clone of Ginis and I banished it to the Warp.

Amu: You sure did.

Nico: That was awesome.

Camie: Yeah. What happened in that one?

Me: It was epic.

I went over what happened in chapter 1495 and it was amazing.

Camie: Wow! That is cool!

Nico: Yep. And the Zyuohgers were the 3rd Super Sentai Team that we recruited.

Me: Well 4th Technically if you include the PatRangers.

Nico: True.

Me: Then we met Yin and Yang.

Yang: You sure did. That was awesome!

Camie: What was that like?

Me: It was awesome.

I went over what happened in Chapter 1496 and it was awesome.

Camie: Whoa!

Eli: That was so awesome.

Xenia: And we learned a lot about Woo Foo.

Yang: You sure did.

Yin: Eradicus joined Mr. Mind next.

Me: He sure did and I got to give him a lot of credit. He loves Polka Music.

Qin: It's catchy too.

Camie: Neat.

Me: Then we met the Kyurangers and that was awesome.

Laney: We had to go all the way over to Universe 19 in order to meet them.

Lucky: You sure did.

Hammie: That was so awesome that you all came and helped us.

Me: It sure was.

Spado: Yeah it sure was and you all helped us destroy the Jark Matter.

Me: What's left of it anyway.

Camie: What happened in that one?

Me: It was an awesome adventure.

I went over what happened in Chapter 1497 and it was awesome.

Camie: Whoa! That is cool!

Me: Yep.

Lucky: Eriedrone was next to join Mr. Mind.

Me: Yeah he sure was. But then after that was when we went to the Moonlands for the First time.

Camie: Wow that is cool!

Celica: It was fun and it was awesome helping Tony Jones and his friends there.

Me: And we got to use the power of Animite too.

Nico: Yeah it was awesome.

Me: Yep.

I went over what happened during the events of chapter 1498 and it was awesome.

Camie: WHOA! And you guys destroyed Agram too!

Nico: We sure did.

Tony Jones: Cur was recruited by Mr. Mind next.

Nico: Yeah he sure was.

Qin: Yep.

Me: Yeah. But then after that we met the iconic Astro Boy.

Camie: Oh wow! That is one of my favorites.

Me: So is many people all over the world. We met him and his friends and it was one awesome technologically advanced adventure.

I went over what happened in chapter 1499 and it was epic.

Camie: Wow! That is cool!

Me: I know.

Astro Boy: Mr. Mind didn't recruit anyone from my world.

Nico: Thank goodness he didn't.

Stacy Bolton: No kidding. But after that we met Otto Rocket and his friends. They are friends that I knew from before I got gene-slammed.

Camie: Really?

Stacy Bolton: Oh yeah. Those were radical times too.

Stacy told Camie and friends what happened in chapter 1500 and it was awesome.

Camie: Awesome and cool!

Otto Rocket: It sure was dudes.

Me: Yes it was. And your moves are really awesome.

Otto: Mr. Mind didn't recruit anyone from our area.

Me: Thank goodness he didn't.

Stacy Bolton: Yeah no kidding.

Me: Then we helped the Muppets take down Constantine the Kermit Impersonator.

Nico: Yeah and that was in honor of the great Jim Hansen.

Qin: He will never be forgotten.

Varie: No he won't.

Camie: What happened in that one?

Me: It was awesome.

I went over what happened in Chapter 1501 and it was awesome.

Camie; Whoa!

Kermit: Mr. Mind didn't recruit anyone from our world either.

Nico: Thank goodness he didn't.

Qin: Yeah no kidding.

Me: Yeah. But then came when we met Dr. Nick and his team and helped them stop a Giant Hummingbird.

Fluttershy: And he is a big sweetheart and he is beautiful too.

Me: He sure is.

Nicole: Dr. Nick is a colleague of mine and we know each other really well. Also we had a great adventure on that one.

Nicole went over what happened in chapter 1502 and it was awesome.

Camie: Wow! That is incredible!

Himiko: Boy it sure is. That is so cool that you guys battled kaiju sized mutants too.

Nico: It sure is. We need to do that some more too.

Dr. Nick: None of my enemies were recruited by Mr. Mind.

Jared: That's good they weren't.

Qin: Yeah thank goodness.

Jared: No kidding and then after that we went to Skull Island and helped Jason Jenkins and Kong and their friends.

Me: Yeah that was awesome.

Eli: It sure was.

Jason Jenkins: It was awesome having everyone help us destroy Professor De La Porta.

Camie: Wow!

Jared: That was an awesome adventure.

Jared went over what happened during the events of chapter 1503 and it was so awesome.

Camie: That is amazing! Skull Island is amazing that it has all sorts of amazing creatures.

Eli: Yep. And as the champion of the Kaiju myself I know all sorts of Kaiju there too.

Nico: He sure does.

Me: Yep.

Jason Jenkins: Omar joined Mr. Mind next.

Nico: Yeah he sure did.

Qin: Yeah.

Kong grunted in agreement.

Me: Yeah no kidding. But then came the mission we met Dudley Puppy and T.U.F.F. That was awesome.

Dudley Puppy: It sure was and we had a lot of fun on that one.

Me: That is where we met Chameleon and he was planted into Team Dark Phoenix Storm as our spy for us and the Masters of Evil.

Chameleon (Tuff Puppy): It sure was.

Me: And I complimented him on saying that he looked like the late Peter Lorre.

Chameleon (Tuff Puppy): He sure did. And it was awesome.

Me: Yeah.

I went over what happened in chapter 1504 and it was epic.

Camie: Oh wow! That was cool!

Dudley: Thank God Chameleon wasn't found out!

Me: Yeah. His shapeshifting was totally perfect and undetectable.

Qin: Yeah. No kidding.

Nico: Yeah but then came where we met Eli Shane and his team.

Eli Shane: That was so awesome. You guys helped us all kill Dr. Blakk.

Me: We sure did.

Camie: What happened in that one?

Me: That was awesome and epic.

I went over what happened in chapter 1505 and it was awesome.

Camie: WHOA!

Me: Yeah and we got our own Slugs and Slugslinger blasters too.

Qin: We sure did. And the slugs are so cute too.

Eli Shane: Maurice was the last of Mr. Mind's recruits.

Nico: Yep.

Me: And their team was complete after that. Then came where we found out their true plan.

Camie: What was it?

Me: Chameleon told us that their plan was a really genius and well built one. We found out that Team Dark Phoenix Storm was going to lure the Loud Family to this castle and then fire powerful nuclear missiles from 23 different locations across the globe and they will converge onto this castle and destroy not only us but the entire planet as well. It would destroy EVERYTHING.

Camie and many of us that hadn't heard about it were shocked and horrified.

Qin: Yeah.

Juni: But first, you guys met me and Carmen.

Me: Yeah we sure did and that was so awesome.

I went over what happened in chapter 1506 and it was cool.

Camie: Whoa! That is so awesome that you guys met Carmen and Juni.

Me: Yep. They are spies and they are very good at what they do too.

Camie: Cool.

Keiichiro: After that, Lincoln and his family went to Scotland.

Me: Yep. After we found out that their bloodlines were in Scotland.

We found out that they were also descended from Scottish Royalty.

Camie: That is cool!

Me: It was at first. But then that's when things started going downhill. Fast.

I went over what happened in chapter 1537 and it was INTENSE! That was the battle that would decide the fate of the world and the universe.

Lincoln: After everyone in Scotland got tired of us, we tried to leave only for Team Darl Phoenix Storm to capture us.

Me: Yeah and that's when we knew that it was time for battle.

Nico: We sprang into action and I busted the Loud's out and then we split up and then we battled Team Dark Phoenix Storm.

Me: We went to each of the 23 locations for the battle.

Kairi Yano: My team, the Patrangers, and Lori took on Goche and got her Lupin Collection piece.

Me: Yep. They battled her in the Martial Islands.

Camie: Wow!

Me: We had to get each of the key cards for the Nuclear Missile Launching Panels.

Nico: Yep. We had to fight each member there at those locations they were at.

Right: My team and Leni fought Baron Nero

Me: They fought him in the Bikini Atoll in French Polynesia.

Camie: That place has been one of the biggest Nuclear Testing sites for years.

Me: Yep. Dueling the Cold War we tested many nuclear devices there. But Emperor Z was really pissed with Baron Nero there.

Emperor Z: I sure was and there was no way I was going to let him take the worlds Sparkle.

Supernova Zap: And thank goodness you showed no mercy on him.

Kameo: My team and Luna fought Ocean Master.

Luna: Yeah we fought him up in Augusta, Maine.

Nico: That place is very beautiful during the fall turn this time of year.

Me: Yep it sure is. Ocean Master as you know is Aquaman's so-called Brother. Aquaman decapitated him.

Nico: Good riddance.

Qin: Yeah no kidding.

Xenia: Yeah I hated that guy.

Camie: Me too.

Nico: I ate his heart too.

Aquaman: You sure did Nico.

Me: Yep.

Marcus: My team and Lincoln fought SaberLeomon

Me: That was over in Papua New Guinea.

Qin: Yep.

SaberLeomon: I can't believe I was so gullible to believe a lie that easily.

Me: Mr. Mind has been a bad manipulator. So was Kurata but at least Marcus and that group were able to convince you there.

SaberLeomon: Yeah they sure were.

Animated Optimus: My team and Lisa fought Meltdown.

Lisa Loud: We most certainly did.

Multiple Man: We fought him in Chernobyl, Ukraine.

Camie: In the very spot where it had that horrible meltdown.

Me: Yeah in 1986. That was horrible. But he got what was coming to him.

Nico: But they slashed him and obliterated him in a powerful blast.

Animated Optimus: Yeah that was great.

Axel: My team and Lynn fought Spydah.

Me: On the island of Novaya Zemlya in Russia.

Camie: Wow! That's where they detonated the largest ever nuclear bomb ever detonated.

Laney: Yeah. Tsar Bomba.

Me: Yep.

Lynn: That was an awesome battle there and Spydah is gone forever.

Me: Good riddance.

Zhuqiaomon: Thank goodness.

Kai: My team and Laney fought Eyezor.

Laney: We fought him in the Philippines.

Nico: Yep. On my home turf before I joined the team.

Qin: Yep.

Me: We sent him to the M.O.E. Prison in the center of the planet.

Camie: Wow!

Vypra: Yeah.

Camie: How much time did you guys have before the missiles launched?

Me: We had 2 hours.

Nico: Very slim timing but good odds.

Ang: My team and Lily fought Tommy.

Lily: We fought him in the Maldives.

Camie: Paradise.

Himiko: Yeah but the world was in terrible danger.

Me: Yeah.

Lily: We sent him to the M.O.E. Prison.

Camie: Good.

Dino Tyranno: My team and Lana fought Man Bat.

Lana: We faced him over in the Aleutian Islands over in Alaska.

Irma: Very awesome.

Me: And he disintegrated into green slop after the antidote that cured Francine and Kirk was given to him.

Qin: Yep.

Camie: Wow! That is amazing.

Lola: It sure was.

Turbo: My team and Luan fought Reverse Flash.

Reverse Flash: Yeah they faced me over in Tajikistan.

Camie: In Central Asia wow.

Flash: Yeah I killed him too.

Me: He was awesome during that time though. Fast too.

Nico: He sure was.

Me: Then came Scarecrow next.

Mal: My team and Lucy fought Scarecrow.

Me: That was over in Sri Lanka. Jonathan Crane is still just as fucked up as ever.

Camie: He always is.

Nico: Yep. We threw him into the Warp.

Xenia: Good riddance.

Celica: Yeah. That guy deserved it.

Lola: Yeah.

Lucy Loud: He deserved it too.

Aligned Bumblebee: My team and Lola fought Airachnid.

Me: Over in Tokyo.

Kouta: That explains what all those explosions were last year.

Me: Yeah that's Airachnid being destroyed.

Aligned Arcee: And I extinguished her spark too.

Qin: Good riddance.

Me: I never liked Airachnid.

Yamato: My team and Larry fought Bangray.

Me: In Wartorn Iraq.

Camie: Wow! The Terrorist Warzone.

Me: Yeah. Yamato smashed his head in.

Nico: Yep he sure did.

Xenia: Yeah that was awesome. But Nico got an awesome consolation prize from him before he was destroyed.

Nico: Yep. His powers and they are cool.

Camie: They sure are.

Yin: My team and Lars fought Eradicus.

Me: Yep in Uzbekistan.

Qin: That was awesome.

Levi Weston: And I got a good selfie of that.

He showed it to us.

Pipp Petals: Oh that Selfie is so aweSOME!

Nico: Yeah it sure is.

Me: Levi always has a knack for making amazing selfies.

Lucky: My team and Lane fought Eriedrone.

Nico: That was awesome.

Me: And it was in Kazakhstan.

Qin: Yep.

Eriedrone: And I'm doing much better in the M.O.E. than I was in the Jark Matter and with Mr. Mind.

Lucky: It's good you are.

Me: That was still cool though.

Tony Jones: My team and Linka fought Chur.

Nico: Yep. Over in Iceland.

Chur: That was so awesome though.

Me: Yep. It sure was.

Chur: And it's awesome being in the M.O.E.

Qin: Cool.

Otto: My team and Lexx fought TTG Slade.

Nico: That was gnarly.

Me: And that was over in Bolivia. That is one of the big Drug Cartel lands of South America.

Nico: It sure is.

Jamesdean5842: Funny thing is that Tara called him the TTG version of Deadpool.

Tara: It's true.

Me: Yeah it sure is. That was funny.

TTG Slade: It's true. I do look like Deadpool don't I?

Deadpool: But there is only one me!

Kermit: My team and Leon fought Two Face.

Me: In the Comoros Islands. That was awesome.

Harvey Dent: And it's good that Two Face is gone.

Me: But he is actually in the M.O.E. now.

Nico: Yep. But that was so awesome.

Jayden: I sliced him in half down the middle.

Qin: You sure did.

Dr. Nick: My team and Levi fought Metallo.

Me: Over in Lesotho in Southern Africa.

Nico: Yep and Metallo was the first enemy that I had even before I joined the team.

Camie: I heard about that. That was awesome.

Me: Yep.

Dr. Nick: Godzilla smashed him into a pulpy pancake under his foot.

Camie: Ouch. But fitting.

Qin: Yep.

Jason: My team and Luke fought Omar.

Nico: You sure did. In the Solomon Islands.

Qin: Yeah that was so awesome.

Omar: And now I'm in the M.O.E.

Qin: Yep.

Dudley: My team and Boy Lynn ended up fighting Chameleon.

Me: Yep and in the Nevada Nuclear Testing Site.

Qin: That was a dangerous spot too.

Nico: It was. But the best part is that no one even suspected a thing that TDPS had a mole in their operation.

Me: Yeah. Our spy did a great job.

Chameleon: Thanks guys.

Me: No problem. And then came Maurice.

Eli Shane: My team and Loki fought Maurice.

Me: Over in Turkmenistan.

Qin: Yeah that was awesome.

Maurice: And it's awesome being in the M.O.E.

Me: It sure is.

Qin: Then came the big finale. We faced Mr. Mind here

Juni: But first, my team and Loni fought Deadshot.

Me: Oh right. We faced him in Three Mile Island over in Pennsylvania.

Camie: That place was shut down ages ago.

Me: Yep. But we didn't kill him. We killed him more than enough for all the trouble he caused. So we gave him a chance in the M.O.E.

Qin: Yep. NOW is when we killed Mr. Mind here.

Astro Boy: It was my team and Leif that fought Mr. Mind in the IronWarHawk suit.

Nico: Yeah that was awesome.

Me: We all worked together and took him down.

Qin: We sure did.

Poromon: And I ate him for dinner.

Camie: EW! Was he tasty?

Poromon: He tasted like chicken.

Nico: Nice.

Me: And the bonus victory we had we dealing with Morag.

Selene Emperyous: How did you guys deal with that big assed fucker bitch?

Me: It was awesome.

---

Morag: NO! YOU ALL RUINED EVERYTHING!

Eli: You have serious problems you bitch!

Ariel: That's right! You need to be taught a lesson about friendship and humility!

Nunnally: You have the audacity to try and kill the Loud's and everyone on this planet all for some peace and quiet!? You have issues lady!

Lucille: Just like your ancestors did.

When everyone in Scotland heard Lucille say that, they were absolutely outraged with Morag!

Starfire: That's right everyone. You heard Lucille.

Morag: FINE! I ADMIT IT!

She blabbed about everything and how she sided with Team Dark Phoenix Storm to not only kill the Loud's but also destroy the entire planet all just to get some fucking peace and quiet! WHAT A RUTHLESS AND HEARTLESS EVIL WITCH!

THE WHOLE TOWN WAS OUTRAGED EVEN MORE!

Twilight Sparkle: If you weren't human we would gladly kill you!

Cozy Glow: You have done worse things than anything I did.

Spyro: And you will pay for your crimes!

They punched and pulverized her all over the place and smashed her down and then I walked up to her and shot her legs with a 12-Gauge Shotgun and grabbed her by her shirt and lifted her off her legs.

Me: YOU LISTEN TO ME YOU BIG-ASSED WITCH! The Loud Family are my friends and I have known them for 5 years ever since I moved to Michigan and they are the greatest friends I could ever have and I love them like my own brothers and sisters! You hate them and want nothing more than to kill then and that makes you nothing but a motherfucking big-assed Spawn of Satan and you are pure evil incarnate! ALL YOU ARE IS NOTHING BUT A TERRORISTIC MISANTHROPIC CYNICAL PIECE OF FUCKING SHIT AND YOU DON'T GIVE A FLYING FUCK ABOUT ANYONE BUT YOUR FUCKING GODDAMN SELF! Let me warn you. if you ever get out of prison and you go after my friends again, I will know and then I WILL EAT YOUR HEART AND THEN YOUR FUCKING LIMBS! DO YOU FUCKING UNDERSTAND ME YOU PUTRID MOTHERFUCKING BITCH!?

She was scared to death of me! And then she peed her pants and I saw it drip from her legs.

Nico: WHOA! Remind me never to make J.D. mad like that.

Eli: Noted but way to lay down the law on that psycho bro!

Laney: Yeah you tell her!

Me: GET THIS FUCKING PIECE OF TRASH OUT OF MY SIGHT!

The cops came and took her away.

Nico: Hope you like being in a Scottish Prison.

Lincoln: Morag, I thought I trusted you, but what you did was downright evil. Trying to kill me, my family and trying to drive everyone out of town, just for some simple peace and quiet. I like it as much as the next guy, but I would never go that far. So it gives me great pleasure to perform one last act as Duke before I give the crown to someone more deserving. And that act is giving you your punishment for all that you've done.

Morag: So what are ye going to do then, boy? Lock me in the stocks for the rest of time? Behead me in front of the whole village? Blind me with pepper spray?

Lincoln: As tempting as those options are (especially the pepper spray), I'm gonna pass. Much like my hero, Ace Savvy, I'm just gonna let the courts do their work…

ONE DAY LATER…

At a courthouse, the judge was declaring morag's fate as everyone watches.

Judge:… And thanks to the persuasive testimony of Lincoln Loud (thank you, Mr. Loud), the court hereby sentences you to fifty years in HM Prison Barlinnie with no chance of parole. (Bangs gavel)

Morag: (GASPS)

Me: And you are also hereby cursed. If you ever tried to get out of prison it will kill you and super hakai your evil soul! Also I have this for you.

I pulled out a special RED HOT BRANDING IRON in the shape of the Star of Satan and it also had the kanji for "Morag McLaughlin, THE MOST EVIL TRAITOR IN ALL OF SCOTTISH HISTORY AND MURDERER AND USURPER OF THE GREAT LOUD CLAN AND MOST RUTHLESS MONSTER THAT EVER LIVED - ATTILA THE HUN REINCARNATED!"

スコットランドの歴史の中で最も邪悪な裏切り者であり、偉大な大声族の殺人者であり、かつてないほどの無慈悲なモンスターであるモラグ・マクラフリン-アッティラ・ザ・ハンが生まれ変わりました！

I branded her with the most evil brand ever known and it was placed right into the middle of her forehead! It would be her mark of eternal damnation!

In the middle of the star was the kanji for Traitor.

裏切り者

Lincoln: (wearing his blue convincing suit) Sorry, Morag. It's outta my hands…

Me: Lincoln has been known for giving a magnificent and convincing presentation.

Cut outside the courthouse, where a handcuffed Morag was escorted away by two cops as the towns people glared at her.

As well as the town holding up pitchforks, torches and protest signs and even shouting at her. They even threw rotten fruit, vegetables and eggs at her!

SPLAT! SPLAT! KRASPLAT! SPLAT! PAF! SPLAT! SPLAT! KRASPLAT!

Lynn and Rainbow Dash were dressed up as Sports Consessions sales clerks.

Lynn: Rotten fruit and vegetables for throwing! Get your rotten fruit and vegetables here!

Man: Got anything heavy?

She gave him a watermelon.

Lynn: How's this?

Man: Perfect! Thanks lass.

Lynn: You're welcome.

He gave her some money and the man threw it and it hit Morag.

SPLAT!

NICE SHOT!

Morag: Come on, I was just kidding about all that stuff I did earlier! You all knew that, didn't you? (The cops push her into a police paddy wagon marked "Institution For the Criminally Insane") with trying to kill off the louds, mind control that dragon and take over the town? Hahaha, wasn't that hilarious everybody? (The people didn't buy it and the paddy wagon speeds off) I WILL DESTROY ALL OF YOU!

Lucille: Ha, and I thought having her serve us would be punishment enough, but she would just plot her revenge and start this whole mess over again, so I hope she enjoys her peace and quiet in prison.

Nico: With a terrible curse that was just put on her. If she ever escapes she'll die if she steps 10 feet out of the prison and be Super Hakaied.

Everyone cheered wildly for us! WE SAVED THE WORLD AND STOPPED A DANGEROUS MADWOMAN FROM TAKING OVER SCOTLAND AND DESTROYING THE PLANET!

FLASHBACK ENDS

Camie: WHOA!

Selene Emperyous: Whoa! That is amazing!

Nico: She deserved it too and all for something petty like peace and quiet.

Me: Yeah no kidding. But the Loud's are what they are for a reason. Asking them to be quiet at what they do is like asking God to make it stop raining. Like that will ever happen.

Nico: That was the biggest battle we've ever been in.

Me: And the most epic in the entirety of the history of the team. But Nico displayed tremendously awesome and supreme leadership skills that made him ready for the position of leader when the time came.

Nico: It sure did.

Me: But the coolest part was seeing that Lincoln's ancestors from 400 years ago all have an amazing and uncanny resemblance to their 21st Century Descendants.

Lucille Loud: Aye. It's true lads.

Qin: We all thought that was really cool.

Me: But the biggest miracle we've got out of all this was the ascension of Twilight's Friends into Alicorndom.

Twilight Sparkle: That was so awesome.

Applejack: It sure was.

Camie: What was that like?

Me: Amazing.

FLASHBACK 2

But then suddenly my sword glowed.

Me: Huh?

I unsheathed my sword and it was emitting a powerful energy.

Nico: Uh are you doing that J.D.?

Me: No my sword is resonating a powerful energy!

But then suddenly, Sunset Shimmer, Fluttershy, Rainbow Dash, Rarity, Pinkie Pie, Applejack, Starlight Glimmer, Trixie Lulamoon, Lyra Heartstrings, Vinyl Scratch and Moondancer glowed in powerful orbs of light and then my sword fired blasts of rainbow energy from the blade and they hit each of them and the power was incredible!

Me: WHOA!

Nico: WHOA! WHAT POWER!

Eli: What's happening to them!?

Then in a massive flash of light everything went quiet.

Me: WHOA What was that!?

Nico: That was powerful!

Lincoln: Look!

We saw that Sunset Shimmer, Fluttershy, Rainbow Dash, Rarity, Pinkie Pie, Applejack, Starlight Glimmer, Trixie Lulamoon, Lyra Heartstrings, Vinyl Scratch and Moondancer were gone and scorch marks in the shapes of their cutie marks were where they stood!

Me: WHOA! THEY'RE GONE!

Little did we know however that things were about to get amazing.

* * *

In another dimension, the Mane 11 woke up.

Applejack: (Echoing) Hello?

Rarity: (Echoing) Where are we?

Fluttershy: (Echoing) I don't know.

Moondancer: (Echoing) What is this place?

Lyra Heartstrings: (Echoing) I don't know.

Rainbow Dash: (Echoing) We got to find Twilight and the others.

Then Princess Celestia appeared.

Princess Celestia: Congratulations to all of you. I always knew you were all destined for so many great things.

Starlight Glimmer: Princess Celestia.

Trixie Lulamoon: I don't understand.

Lyra Heartstrings: What did we do?

Princess Celestia: Ever since before and after you all joined Team Loud Phoenix Storm, you have done so many amazing and great things that shows that you all have gone beyond the work of normal ponies everywhere and you all have achieved so many amazing feats none of which have ever been seen before in Equestrian history. Your friendship with everyone in Team Loud Phoenix Storm has gotten stronger than anything I've ever seen before and your love with Lincoln is stronger than anything anyone has seen even though you are continents apart. And with that you all have proven that you are all ready.

Rainbow Dash: Ready for what?

[Princess Celestia]

You've come such a long, long way

And I've watched you from that very first day

To see how you might grow

To see what you might do

To see what you've been through

And all the ways you've made me proud of you

It's time now for a new change to come

You've grown up and your new life has begun

To go where you will go

To see what you will see

To find what you will be

For it's time for you to fulfill your destiny

We saw screens of all the great accomplishments that the Mane 12 and all of us have done over the years since before and after they joined us on Team Loud Phoenix Storm as well as how they have helped out many creatures all over great and small and how they have done so many great things over the years. But then Princess Celestia had all the Mane 11 glow in energies of their respective colors.

Suddenly MASSIVE FLASHES OF LIGHT FOLLOWED BY EXPLOSIONS OF MAGIC WERE SEEN IN THE SKY ABOVE THE SCOTTISH CASTLE and the explosions formed into the respective cutie marks of the Mane 11. The bells of angels tolled and the power coming from them was incredible!

Me: WHOA! What power!

Eli: Unbelievable!

Lana: WOW!

The cutie marks landed and then in domes of magic energy we saw the Mane 11 standing in them.

Twilight Sparkle: Girls is that you?

We saw them spread wings and we saw that they had horns on their heads and we saw that they all have become TRUE ALICORNS AND WE GASPED IN INCREDIBLE AMAZEMENT!

Me: WHOA!

Nico: INCREDIBLE!

Eli: OH WOW!

Varie: Amazing!

Me: You've all become Alicorns!

Nunnally: That is awesome!

Arrietty: Yeah it is! Wow! You girls look amazing like this!

Applejack: I didn't know this happened to us.

Rarity: I look simply amazing darling.

Pinkie Pie: TRUE ALICORN PARTY!

CRASH!

Pinkie Pie wasn't used to her wings yet.

Fluttershy: Wow! This is amazing.

Rainbow Dash: I look awesome!

Apple Bloom: Wow! Sis you look amazing as an Alicorn!

Me: You all have become princesses. This is amazing.

Nico: Yeah it sure is. Congratulations to all of you.

Lyra Heartstrings: This is amazing.

Me: I guess my sword knew that the time was right for you all.

Laney: It sure did. You guys are awesome as ever now.

Pickle Barrel: Captain Rainbow Dash looks amazing!

Barley Barrel: She sure does. Way to go Captain.

Nico: We should also call you girls now The Princesses of Harmony.

Princess Celestia: That is a fantastic title for them Nico. Qin: Yep.

Lincoln: That was an awesome commemoration and celebration of the one-year anniversary of the Battle with Team Dark Phoenix Storm.

Nico: You said it, Lincoln, but we're not done yet, there's still the matter of Kamira to deal with, and she should be arriving… right now!

Me: Right on cue, and there's no mistaking that voice from anywhere. You can come out now, Kamira

A figure came out, and it was none other than Kamira, and she's still pissed at me for ruining Haido's plans 150,000 years hence.

Me: Should've known you'd show up again, Kamira. You just don't know when to quit, do you?

Kamira: Not until I have your head mounted on a wall for what you did, and I'll enjoy seeing the hearts of all your wives and children will all break when I finally kill you! (Laughing Sadistically)

Lincoln fired a blast of rainbow energy at Kamira and it hit her, and it really hurt her.

Lincoln: Oh no, you don't, Kamira, your fight's with us.

Denise Uxi: That's right, and you're going to pay for every last one of your despicable crimes, you monster.

Suddenly, Denise Uxi's dark purple eyes turned neon dark purple and she was surrounded by a black and dark purple energy aura with darkness, dark purple fire, and hands, she unholstered her massive Earthbound Immortal Ukupacha Callao-themed sword from her back, and as she approached Kamira, she left black and dark purple energy, dark purple fire, hands, and darkness with every step.

Denise Uxi: I will never forgive you for every last one of your crimes you've committed against 150,000 years hence in Haido's name, Kamira, and now, I will administer unto you your punishment for your crimes.

Suddenly, Denise Uxi was surrounded by a massive vortex of black and dark purple energy with dark purple fire and darkness surrounding it, there's Earthbound Immortal Ukupacha Callao flying around the vortex, and in the vortex is a dark purple phoenix. Then, as the vortex faded, Denise Uxi emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Denise Uxi grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing dark purple hair, she has neon dark purple eyes and a black and dark purple energy aura with darkness, dark purple fire, and hands surrounding her, she has Earthbound Immortal Ukupacha Callao with the Dark Kanji in its hands emblazoned on her forehead, she has on Ukupacha Callao earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Earthbound Immortal Ukupacha Callao with dark purple gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her dark purple hand-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and dark purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Denise Uxi has on a sleeveless dark purple open blouse with the Hands Nazca Line on it, sleeveless dark purple dress top, dark purple skirt, purple pants, dark purple legwarmers, dark purple sneakers, and long sleeveless white trenchcoat with darkness, hands, and dark purple fire on the coattails, and on the back is Earthbound Immortal Ukupacha Callao with darkness surrounding it. Suddenly, Denise Uxi felt a sharp pain on her back, and then, her massive black angel wings with dark purple tips grew much bigger for her new body, and the feathers had the same yellow markings as on Ukupacha Callao. Denise Uxi has on a Ring of The Phoenix with dark purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Denise Uxi's massive Earthbound Immortal Ukupacha Callao-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of dark purple energy with darkness, dark purple fire, and hands, and when it emerged, it transformed into Earthbound Immortal Ukupacha Callao's Dark Hand Greatsword of Dark Purple Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ukupacha Callao and the Hands Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black hands for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large midnight black hands and a large dark purple gem below the black hands for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ukupacha Callao's head with dark purple gems for eyes and a large dark purple gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Darkness, Hands, and Dark Purple Fire"

デニース・ウクシー、ザ・ハンドのジーン・スラマー、アースバウンドの不滅のウクパチャ・カヤオ、パワフルなパンチャー、愛情深い守護天使、リンカーンの将来の妻ラウド、ピーター・グリフィンの軽蔑者と破壊者、素晴らしいハンドサイズ・チェンジャーのエキスパート、悪のスレイヤー、混乱した、殺人的、無慈悲、とサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な学生、そして闇、手、および暗紫色の火のマスター

Denise Uxi has transformed into into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS DARK PURPLE FIRE EARTHBOUND IMMORTAL HAND ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE DARK PURPLE FIRESTORM LOVE!

We were amazed by Denise Uxi's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Kamira saw it, we saw the Stone of Gelel embedded in her hand glowed and she transformed into her bat form and she charged at Denise to kill her, but Denise Uxi fired a powerful black and dark purple energy blast with darkness, dark purple fire, and hands at her, and it exploded with incredible power as it hit her, and she's now pissed off even more. But, Denise made her left hand expand even bigger and punched Kamira hard, but she's not out yet.

Nico: Whoa, now Denise Uxi has transformed, so cool.

Me: Yeah, and take a look at the dark purple patterns on her black angel wings, they're the same as the ones on Ukupacha Callao, and I knew Kamira was going to transform into her bat form, but she blasted her and punched her hard when she expanded her left hand, nice.

Lincoln: Now, Kamira is about to feel the true wrath of The Earthbound Immortals. And Denise, you look beautiful, how do you feel?

Denise Uxi: (Divine Echoing Cosmic Voice of The Dark Hands Earthbound Immortal and Divine Dark Purple Fire Justice) I feel incredible, Linky, and now, shall we finally administer Kamira's punishment for the crimes she's committed in Haido's name?

Lincoln: (Smiles) With pleasure, Denise.

Me: You're through, Kamira!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Denise Uxi.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done, Kamira, and you don't deserve a single ounce of mercy, not that you even deserve any.

Denise Uxi and Lincoln went after Kamira, who continued firing blasts of energy at them, but they dodged them, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, dark purple fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Hands at Kamira and they exploded with incredible power as they hit her. Then, they attacked Kamira with their massive greatswords and they left some really nasty scars on her and they also punched her, and she couldn't stand it anymore and was forced to turn back into human form, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Kamira, so she couldn't escape.

Kamira: Impossible, defeated yet again?! No, I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's enough out of you, Kamira.

Kamira was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Kamira. (To Kamira) As much as I want than to put a permanent end to you for what you've done in Haido's name, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?

Denise Uxi: (Divine Echoing Cosmic Voice of The Dark Hands Earthbound Immortal and Divine Dark Purple Fire Justice) This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you. Doto Kazahana, Mizore Fuyukuma, Nadare Rōga, and Fugai were told the same thing, and they agreed to join, despite their stubborn hard-headedness.

This caused Kamira to think, and he knew Lincoln and Connie Sellingron were right: if news of her defeat reaches Barodius, he will kill her and not show her any mercy at all, and despite being quite strong because of the Stone of Gelel, she's no match for Barodius, and Dustin Keystone will also kill her since he's still now mega pissed off at what Lincoln did in removing the Hom Dai from him many days ago, and he's even more consumed by bloodlust and revenge.

Kamira: (Growls) Fine.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) You've made the right choice. But, to make sure you're kept in line.

Lincoln gave Kamira the Hinon's Vengeance Curse and beamed her to The Masters of Evil's HQ, where Vypra and the others were given the news: Kamira is now part of The Masters of Evil, and just like Doto Kazahana, Nadare Rōga, and Fugai, she'll be under strict supervision, and Lincoln put the Hinon's Vengeance Curse on her We cheered wildly for what Denise Uxi and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Denise Uxi's new body, clothes, weapons, jewelry, and massive black and dark purple angel wings are permanent.

Denise Uxi: That's all seventeen villains recruited into The Masters of Evil and now, all that's left for tomorrow is finally kill Dustin Keystone, and thanks for helping me take down Kamira, Linky.

Lincoln: (Smiles Warmly) You're welcome, Denise.

Suddenly, Denise Uxi wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Denise Uxi's face, they kissed passionately as Denise Uxi's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Ukupacha Callao flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark purple fire raging behind them and we all cheered wildly. Lincoln and Denise Uxi absorbed the fires, and they came back, and Ukupacha Callao vanished.

Nico: Awesome job, Denise and Lincoln, you guys took down and convinced Kamira to join The Masters of Evil.

Lincoln: And I also put the Hinon's Vengeance Curse on her, because if she dares to step out of line, the curse will take her life, and she'll be sent to The Black Gates. Now, all seventeen villains have been recruited into The Masters of Evil, and now, tomorrow comes the big showdown with Dustin Keystone.

Demona Wendollstein: We're going to make that asshole pay for trying to kill you numerous times to slake his thirst for blood and revenge, Lincoln, and for what he and his asshole parents did in killing Mia's parents years ago.

Nico: And this time, he's never ever coming back!

Selene Emperyous: Indeed he will, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Vorya Emperyous, the Timelord Progenitor Vorpgate Gene-Slammer and who's the goth girl of the group and a powerful master of darkness and making someone's worst nightmares come true, and she's got a really nasty revelation about Stern Fern tomorrow.

Lynn: As if that fat cow couldn't get anymore worse than she already is.

We enjoyed the rest of the day and we returned home and got some sleep. Meanwhile, in the dark forests, Dustin Keystone was already losing it big time, after what Lincoln did in stripping him of his powers given to him by The Hom Dai and making him mortal again and what he and the Earthbound Immortal Gene-Slammers have done to the other seventeen villains and recruited them into The Masters of Evil, it's pissed him off so badly, his mind's now completely gone, and now, all he's focused on is revenge on Lincoln and all of Team Loud Phoenix Storm and The Masters of Evil.

Dustin Keystone: That stupid fucker, Lincoln Loud, and those stupid Team Loud Phoenix Storm and The Masters of Evil, they've ruined everything! I'll kill them, I'LL KILL EVERY LAST ONE OF THEM, AND I WILL DESTROY EVERY LAST SINGLE TRACE OF LIFE ON EARTH, AND I WILL REDUCE EVERY LAST LIVING THING ON

THIS PATHETIC WORLD INTO NOTHING BUT ASHES! I'LL DESTROY ALL OF EXISTENCE! (LAUGHING MALEVOLENTLY AND DERANGEDLY)

YOU WANT ONE FINAL BATTLE, DUSTIN KEYSTONE, WE'LL GIVE YOU HELL, AND THIS TIME, YOU'RE NEVER EVER COMING BACK!

Then we're going to battle Another Plantapocalypse and we're going to also meet a gene-slammer for Elemental HERO Rainbow Dark Neos and her name is Taniya Huntsville. Taniya is Nico's friend from Science and she knows all about light and how it can split into its colors. She hates bullies and makes them suffer big time for hurting others. For tomorrow, it's the moment we've been waiting for: the match-up is for Demona Wendollstein, Gene-Slammer of The Dragon Earthbound Immortal Xolotl and Empress of Nightmares, and she and Lincoln, along with all the other Earthbound Immortal Gene-Slammers who are also going to join, are about to engage in an epic battle with the very monster who tried to kill Lincoln to slake his thirst for revenge long ago and also murdered Mia Addison's parents in cold blood long ago: DUSTIN KEYSTONE! She has incredible powers over darkness and she can even bring peoples worst nightmares to life. She can even terrify them so badly that they can wind up in a nuthouse for years, she even has the admiration and love of Lucy and her friends, and she also hates STERN FERN with a merciless vengeance. One time, Lynn was practicing hockey and Stern Fern broke all her hockey equipment and even broke both of Lynn's legs. Vorya got really mad at this act, and she made sure that Stern Fern regretted that completely. She used her powers of darkness and made her worst fear come to life and it was MURDEROUS CANNIBALS! They scared her so badly and horrifically that she went to a nuthouse with a really bad damaged mind and Vorya vowed that if she ever saw Stern Fern again, she would make sure that they WILL BE REAL and they will EAT HER! Get ready for an awesome orange adventure as we head to a planet made entirely out of carrots and we're going to battle DARK REY! We're going to convince her to join the M.O.E. and we're going to really give her the ultimate Jedi VS Sith Battle! Eli is going to really show her what he has got!

See you all tomorrow.

Nico: This is gonna be an awesome and darling rescue.

Me: We sure are ready for this.

Qin: Yep. And no Delightful Children From Down The Lane to stop us.

Numbuh 1: Thank goodness.

Carter Greyson: Yeah no kidding there.

Ashley (KND): Good riddance. I can't believe we were like that.

Nico: No kidding there. Thanks for coming with me, Carter.

Carter Grayson: No problem Nico. It's so awesome to help you out.

Qin: It sure is.

Me: Boy I remember when we first met you and the Lightspeed Rescue Rangers. That was so awesome.

Nico: Vypra really has come a long way.

Carter: Boy she sure has.

Me: And no more Queen Bansheera to ruin everything too.

Eli: Yeah. But so has Diabolico, Loki and Jinxer. It's ironic you know. The Lightspeed Rescue villains minus Olmypius and Bansheera are now in the M.O.E.

May: They sure are Eli.

Qin: Yeah that is so awesome.

Carter: That is really cool.

Me: Carter the rescues you did with Lightspeed Rescue were really awesome and amazing. Out of all the series of Power Rangers, Lightspeed Rescue, Wild Force and Kiramagers are the ones I know and love the best.

Rarity: Oh Juru will be happy to hear about that darling.

Me: Thanks Rarity.

Carter: You have a lot of experiences with all of us J.D.

Me: Yeah I do.

Nico: Vypra has also proven that women can be leaders too.

Me: She sure has.

Lincoln: And Luan is really awesome as her archenemy.

Carter: She sure is.

Himiko: I'm proud of Luan facing Vypra.

Qin: Me too.

Nico: And I remember how you guys helped take Airachnid down.

Carter: That was so awesome and epic. Yesterday's party was so awesome.

Qin: It sure was.

Laney: Yeah. Best ever.

Xenia: I think it's awesome.

Laney: Yeah it sure was.

Nico: Also, keep in mind that the backup core members aren't set in stone.

Me: Noted.

Numbuh 1: We better be ready. Sounds like we're going to meet Leaky Leona.

Qin: I have a feeling it's going to be a good one.

Me: Wonder why she is here again?

Camie: Must be for something big.

Numbuh 2: Yeah! To corner the world's market on spit? [Numbuhs 2 and 4 laugh.]

Numbuh 4: Good one! [laughs]

Numbuh 3: How can you say that? Leona's the prettiest girl in the whole school.

Numbuh 4: [groans] I thought we got called for something important.

Numbuh 5: We are the Kids Next Door, Numbuh 4. We save kids. That's our job.

Numbuh 1: And we don't do it by standing around. Let's move out!

Me: Right.

We went down a passage in the bathroom.

[Sector V enter the passage way and climb down the stairs.]

Numbuh 3: Yay! Stairs!

Me: Stay close.

Nico: You guys think we're heading into a trap.

Me: If that's the case then we need to be cautious.

Nico: Right.

Numbuh 4: [grumbling]

Numbuh 2: Aw, come on, Numbuh 4. Maybe Leona will give you a kiss-s-s for res-s-cuing her. [chuckles and makes kissing noises]

[Sector V and all of us enter a dark room filled with bookcases, books and ancient artifacts. In the middle, there is a statue of the school's librarian.]

Numbuh 3: [loudly] This place is gihugic! [laughs before the place rumbles] What was that?

Numbuh 5: [covers Numbuh 3's mouth] Shh! [whispering] I've heard rumors that there was an ancient, long lost school buried beneath ours. This must be its library.

Me: (Whispering) Wow it's amazing.

Qin: (Whispering) It's incredible.

Numbuh 4: [loudly] What's a library?

[The library rumbles again and a hole is made.]

Me: Shh!

Numbuh 1: [whispering] You heard Numbuh 5! Keep it down!

[Sector V begin exploring the library. Numbuh 2 finds one of Leona's bracelets on the floor.]

Numbuh 2: Hey, guys. What do you make of this?

Numbuh 3: [grabs the bracelet and talks real loudly again] Ooh! I can make tiara or a pretty earring! [Numbuh 3's loud talking causes the library to rumble again] Ooh, ooh, ooh! Or a belt! A belt! No, no, no! Wait, wait, wait! I can make a…

Numbuh 1: [grabs the bracelet and whispers] Give me that! Are you trying to get us all kill… [drops the bracelet] Oopsie.

[The bracelet rolls over to a nearby stone table holding ancient instruments on it. The table cracks and crumbles. Sector V gasps and the entire library starts to fall apart. Numbuh 5 sees the statue closing up ahead.]

Numbuh 5: Quiet time's over! Move it!

Me: LETS GO!

We ran fast!

[Sector V rush over to the exit while the library crumbles. They all jump over a hole except Numbuh 4.]

Numbuh 4: [gets grabbed by Numbuh 5] Hey, what are you… [throws him across before jumping on the tables]

[Sector V barely managed to make it to the exit before it closes.]

Me: WHOA! That was close!

Numbuh 4: You know, I was this close to bustin' out of school today. And then you called us up with this crud!

Me: You really hate school huh?

Numbuh 4: I sure do.

Numbuh 5: But we got to find Leona. [finds another one of Leona's bracelets on the floor] And it looks like we're on the right track. Let's move out, people.

Nico: Right.

Albedo turned into Negative Plantapocalypse.

Negative Plantapocalypse: Just in case it's a trap.

Me: Okay.

[Sector V and us continue their way through the caverns while Numbuh 4 grumbles in disgust.]

Numbuh 3: Come on, Numbuh 4! After we rescue her, Leona might gives us some beauty tips!

[The group enter a place filled with food.]

Numbuh 2: Whoa…

Numbuh 4: Get a load of this chow!

Numbuh 5: This must be the cafeteria. Nobody touches anything.

Me: This food looks like it was here for years.

Numbuh 1: [turns to Numbuh 4] Numbuh 5 says don't touch anything.

Numbuh 4: [turns to Numbuh 3] Numbuh 1 says don't punch a thing.

Numbuh 3: [turns to Numbuh 2] Numbuh 4 says try the onion rings.

Nico: No you dingus.

Numbuh 2: [holds a tray of food] Well, you don't have to tell me twice. [He picks up a plate of onion rings and puts it on his tray. Numbuh 3 screams.] What? I was gonna share. Huh?

[Milk starts spraying everyone and begins flooding the cafeteria.]

Me: (SPITS) What the?

I drank it.

Me: It's milk.

Eli: Milk? (Drinks it) 2% Milk.

Numbuh 1: Uh. Is anyone here allergic to milk?

Nico: Not me.

Numbuh 5: No, but Numbuh 5 is allergic to drowning! Let's go!

[Sector V and us all ran out of the cafeteria and heads into the dining area, where the milk starts rising.]

Numbuh 2: Not to milk the situation, but…

Numbuh 5: Ah, shut up!

Eli: No time for jokes Hoagie!

[The entire room becomes flooded with milk and Sector V is struggling to swim.]

We swam easily!

Numbuh 4: Eh, help! [grabs onto a tray] I can't swim! You hear me? I can't swim!

I grabbed Numbuh 4 and helped him.

[A milk tidal wave bursts through the doorway.]

Me: SURFS UP!

Numbuh 5: Well, you better learn fast!

[Sector V and all of us tried to swim away from the milk wave, but gets caught in the current. The wall breaks down and forms an even bigger wave.]

Numbuh 4: [screams] Oh, crud!

[Sector V climb onto the trays they were holding on and uses them as surfboards to surf across the hallway.]

Numbuh 1: [sees an opening up above] Quick, up there!

[Numbuhs 1, 2, and 3 jump off their trays and head to the opening.]

Numbuh 4: Are you crazy? We'll never…

Me: LETS GO!

[Numbuh 5 grabs Numbuh 4 and they reach to safety before the milk wave crashes behind them. Sector V is safe, but are all soaking wet from the milk.]

Me: Boy that was some Milk-Nami!

Nico: And tasty!

Me: Yeah.

Numbuh 4: Okay, run this by me again. Why are we risking our lives to save Leaky Leona?!

Numbuh 3: [groans] Because she's got pretty hair, silly! [wrings out the milk from her hair]

Numbuh 4: Oh, come on! She's never done anything for us! We barely even know her! What are we gonna help her for?

Numbuh 5: [angrily grabs Numbuh 4 by the shirt] Because the last time Numbuh 5 didn't help someone kidnapped by the Delightful Children, they did somethin' she can't ever forgive! [throws back Numbuh 4 before storming off]

Me: Like what?

Numbuh 4: What? What did they do that was so bad?

Nico: I think I might know.

We looked at Numbuh 1.

Numbuh 1: They made me bald.

We gasped.

Numbuh 4: [shocked] Whoa…

Me: Now I'm glad we killed them.

Ashley (KND): Me too.

[Sector V continue on while Numbuh 4 stares in complete silence. The group makes it to another room which is the gymnasium.]

Numbuh 1: And this must be the gymnasium.

Me: Now Lynn would love this.

Numbuh 2: Well, that's not so bad, right? [accidently triggers a trap on the floor] At least we can see the exit.

[Suddenly, huge statues appear blocking the exit.]

Numbuh 1: Great! Now, how are we going to get past that?

Me: Wow!

Numbuh 4: Don't worry. [grabs a golden sphere] Gym is something I can handle.

Nico: Go for it!

Numbuh 5: No! Numbuh 4, don't!

[Numbuh 4 throws the sphere and destroys a statue.]

SMASH!

Me: Nice one!

Numbuh 4: There. Mission accomplished.

[Suddenly, the statues begin throwing boulders at Sector V.]

I punched the boulders and smashed them into pieces!

Numbuh 1: Make for the exit! Hurry!

Me: RUN!

[The group gets blocked by a wall of fire and statues continue throwing boulders at them.]

Numbuh 3: What do we do? What do we do? What do we do? [cries]

Numbuh 4: I told you. I can handle it.

[Numbuh 4 throws multiple golden spheres at the statues, destroying them one by one. Sector V cheers Numbuh 4 on as he continues to battle the statues with his dodgeball abilities. Numbuh 4 throws a sphere on the statue before it throws a boulder at him.]

Numbuh 3: Look out!

[The boulder rolls onto Numbuh 4 and crashes him into a wall. Sector V is concerned, but Numbuh 4 comes out unharmed. He throws the sphere onto a wall and sends the statues falling to the ground. The wall of fire disappears.]

I absorbed the fire.

Numbuh 4: Well, what are you waiting for? We got a kid to save! [heads for the exit]

Numbuh 5: Give the kid a couple of dodgeballs and suddenly he's a hero.

Me: Yep.

The group finds Leona tied up to a pillar. Numbuh 5 gasps.

Numbuh 5: Leona! Are you okay?

Me: Leona?

Numbuh 1: What happened?

Leaky Leona: (Elderly Voice) Please! You have to get me to the fountain

Numbuh 2: Fountain? What fountain?

Me: Fountain? Oh man!

[Sector V gasps in horror for they discovered an shocking surprise. Leona reveals herself to be an old, frail lady.]

Me: WHOA!

Leaky Leona: The Fountain of Youth!

Me: The Legendary Fountain of Youth!

May then puked.

Nico: (Pats her back)

Me: Leona? What happened?

Leaky Leona: Please! Get me to the Fountain of Youth!

Numbuh 5: Fountain of Youth?

Danica Metrois: The Fountain of Youth?

Me: The legendary fountain from St. Augustine, Florida that is said to provide the key to eternal life.

Numbuh 1: We could be ten years old forever.

Me: That is very cool

Numbuh 2: Sounds good to me.

Numbuh 362: Yeah.

Numbuh 4: What do you say, Numbuh 3?

Numbuh 3: You guys were right. I don't know where I got the idea that Leona was pretty. Ugh!

We untied her.

Numbuh 1: Guys, over here! Check this out.

[Numbuh 1 shows his teammates a sparkling fountain with magical water flowing in it.]

Me: (GASP) There it is!

Nico: The Legendary Fountain of Youth! It really IS REAL!

Eli: Incredible!

Numbuh 5: [carries Leona to the fountain] Now, we gotta get Leona there fast!

Nico: Lets go.

We brought her over to it and put her in.

[Sector V throws Leaky Leona into the fountain. She comes back out as a little girl again and Sector V stare in awe.]

Me: WHOA!

Nico: The legends are totally true!

Qin: WOW!

Numbuh 3: Oh, Leona! She's… she's… still kinda homely. [groans in disgust]

Numbuh 1: Hold on. If Leona needs the fountain to be young again, doesn't that mean she's really…

Leaky Leona: An adult? You're right, Nigel. 400 years ago, I stumbled upon this ancient school and found this fountain. By drinking its sparkling waters, I discovered that I could remain a kid forever. But s-sadly, the fountain's effects are temporary so I could never travel much farther than the school above. So, I relived the fourth grade moving from homeroom to homeroom all over again to hide my eternal ten-year-oldness. But it's been worth it to not have to grow up. It was my glorious-s secret until those Delightful Children ruined it. So from the bottom of my heart, thank you for saving me, Team Loud Phoenix Storm and Kids Next Door.

Me: The Delightful Children are dead now.

Ashley (KND): Yeah they are gone.

Camie: Good riddance. But this is amazing.

Zocks: (points Geardalinger at her) Don't. Try. Anything.

Numbuh 1: It's all right Zocks. She is not a threat. We helped reform her.

Me: Besides. We found one of the greatest discoveries in the history of the world. Leona we're so sorry this happened to you but believe me we are immortal ourselves.

Nico: It's true. We have lived for thousands of years.

Qin: Millions actually. Many of our friends have seen it all.

Wendy Sapphira: We sure have.

Leaky Leona: Yeah. But thank you guys.

Me: I'm sorry that you have to come back and forth to this fountain just to sustain yourself. But we can grant you eternal life and make you truly immortal.

Leaky Leona: You can?

Me: We actually have that kind of power.

Nico: It's true. J.D. granted true Immortality and Eternal Youth to Ra's Al Ghul.

Leaky Leona: I would like that.

Me: Awesome. (SNAPS FINGERS) Done.

Leaky Leona: Wow!

Maria: Maybe me and Carol should use the water to become kids for the remainder of the rescue.

Carol: We haven't been kids like that in a long time.

Nico: Go for it.

They went over and drank the water and then they shrunk and were back to when they were 10!

Me: WHOA!

Nico: Wow it really works!

Carter: That is amazing!

Carol: (Younger Voice) How do we look?

Me: See for yourselves.

I formed a mirror and Maria had a blue shirt and shorter brown hair and blue pants and Carol had a purple shirt and small purple skirt.

Carol: Cool!

Maria: (Younger Voice) WOW!

Nico: We're not done here yet.

Eli: Nope. Now all the Kids Next Door can be young forever.

Qin: Yeah.

Me: Now everything that Father dreamed of for "Making Kids Grow Up" is all for Nothing.

Nico: Good. But he planned to kill all the kids anyway.

Eli: (Senses something) We got company!

We saw a figure come out and it was a black version of Plantapocalypse! It was ANOTHER PLANTAPOCALYPSE!

Nico: Whoa! Another Plantapocalypse!

Laney: Wow! This one is neat!

Camie: Yep.

Another Plantapocalypse: (In a girls voice) And it sure is awesome to be a plant.

Me: (Gasp) I had a feeling that Swartz would pick you for this one. Alexa Qinsington.

Another Plantapocalypse: It's good to see you again J.D.

Me: You too.

Nico: You know her?

Me: Yep. Alexa Qinsington Is a girl that loves plants and she is one of the best gardeners I've ever seen.

Nico: Cool!

Sougo: (gets out Zi O II Ridewatch) You might be a plant!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Amazon Alpha Ridewatch) But we can still fight you!

Armor Time! Blood and go wild! Alpha! Amazon Alpha!

Sougo became Zi O II while Geiz got AmazonAlphaArmor.

Me: YEAH! Time for some action. Zayto would get a thrill out of this one. (ACTIVATES THE WEASEL'S RIDEWATCH) Sniff on these!

I fired a barrage of whoopee cushions and they hit Another Plantapocalypse and exploded and farted out ketchup all over!

Nico: NICE!

Maria: Lets see how this affected my powers. (ACTIVATES NEW WAVE'S RIDEWATCH)

Nico: (gets out Kitty's Ridewatch) Don't forget this! (Activates it)

(ROCK AROUND THE CLOCK BY BILL HALEY PLAYS)

Nico: (SINGING DIVINELY AS MOTORCYCLES SWIRL AROUND HIM)

One, two, three o'clock, four o'clock, rock

Five, six, seven o'clock, eight o'clock, rock

Nine, ten, eleven o'clock, twelve o'clock, rock

We're gonna rock around the clock tonight

Put your glad rags on and join me, hon'

We'll have some fun when the clock strikes one

We're gonna rock around the clock tonight

We're gonna rock, rock, rock, 'til broad daylight

We're gonna rock, gonna rock, around the clock tonight

When the clock strikes two, three and four

If the band slows down we'll yell for more

We're gonna rock around the clock tonight

We're gonna rock, rock, rock, 'til broad daylight

We're gonna rock, gonna rock, around the clock tonight

When the chimes ring five, six and seven

We'll be right in seventh heaven

We're gonna rock, gonna rock, around the clock tonight

He danced and fired waves of energy and smashed her down.

Me: ROCK ON!

Eli: YEAH!

Qin: Nothing beats the classics!

Carter: My turn!

Me: Go for it Carter.

Carter: LIGHTSPEED RESCUE!

He transformed and he was ready!

Me: RIGHT ON! Lets see how the Ridewatches do hooked up to our weapons.

Carter: You got it.

Carter summoned his V-Lancer and hooked up Toyman's Ridewatch to it.

Me: Nice!

I summoned my V-Lancer and hooked up Lord Drakkon's ridewatch to it.

Me: LORD DRAKKON INFERNO FORCE BLAST!

I fired a huge inferno blast from my V-Lancer.

Carter: TOYMAN DODGEBALL AVALANCHE!

He fired a massive barrage of flaming dodgeballs and the blasts all hit Another Plantapocalypse and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: WHOA! That was cool!

Eli: It sure was!

Me: That was great Carter!

Carter: Yeah it was!

Carter: Now to use my Ridewatch the regular way. (ACTIVATES TOYMAN'S RIDEWATCH)

He fired flaming dodgeballs and blasted down Another Plantapocalypse!

Me: OH YEAH!

Nico: YEAH!

But then a figure came out! And it was VYPEERA FROM EPISODE 3 OF DINO FURY!

---

Over 65 million years ago, Vypeera and the other Sporix Beasts invaded Rafkon, the home planet of Zayto. Though he and his fellow Knights of Rafkon fought hard, the Sporix ravaged Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and their dinosaur allies to retreat. When all seemed lost however, the Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangers which gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs.

When the other Sporix are accidentally released in the modern day during Void Knight's attack on Dinohenge, Vypeera's egg is amongst the Sporix that escape.

Vypeera's Sporix Cell is discovered by J-Borg near a paving site only to hatch into her Sporix Beast form and start attacking nearby civilians. J-Borg uses the Ranger Hotline to call the Dino Fury Rangers who teleport into the area to confront her. However, Vypeera uses the eyes on her chest to immobilize Zayto and attacks the frozen Ranger on the spot. Ollie and Amelia try to fight her but, due to her powers, they struggle to fight her without looking at her. Even though she is winning against the two, Vypeera retreats with Mucus after the latter finds a discarded camcorder and wants to use it for a greater plan.

Vypeera and Mucus set up a recording station on the roof of BuzzBlast where they hijack the website by sending out her own video. Anyone who looks at the video immediately freezes in place but Zayto, having been freed thanks to Solon, teleports in blindfolded. Using the Sonic Dino Key, Zayto enhances his hearing and attacks Vypeera, managing to hold his own before destroying her laptop and ending the broadcast. Angry that her plan is ruined, Vypeera sets her sights on destroying Zayto only for a morphed Ollie and Amelia to teleport in and defend their friend. Jumping off the rooftop, she grows into a giant so Zayto fights her in the T-Rex Champion Zord Battle Mode but struggles to hit her since he had to fight whilst covering his eyes. Thankfully, Solon deploys the Tricera Blade and Ankylo Hammer Zords and Ollie and Amelia hatch a plan to blind her chest-mounted eyes. Using the Zords, they creat rubble from the street and then, with a combination of the Hover and Reverse Dino Keys, succeed in covering Vypeera's chest eyes. They then form the new Dino Fury Megazord which Vypeera finds herself at the mercy of and is swiftly defeated by the Mega Slash, reverting back to her Sporix Cell form. The Rangers grab it before Void Knight could and place her back into the chest.

Later on, Vypeera's Sporix alongside Draknarok, Smashstone, the one Boomtower took, and Roostafa are seen in the containment unit when Slyther tries stealing them. He ultimately fails and her Sporix Egg remains in Dinohenge.

Me: VYPEERA! I remember you! You were causing mayhem by causing people to look into your eyes and freeze them in place and then seriously hurt them.

Vypeera: That's right J.D. Good memory.

Me: Been brushing up on watching Dino Fury to help us be prepared for the upcoming ambassador mission for the Dino Fury Rangers.

Vypeera: I see. Lets see how you do against me.

Me: Okay then. I don't need my eyes to deal with you. (Puts on a blindfold)

I then had my wolf ears appear.

Me: Nico you guys save Alexa. I'll face our Sporix friend here.

Vypeera: Can you believe we had to wait a year and a half to join the Masters of Evil?

Maria: Well, it doesn't hurt to be patient! We had to wait a whole year for the World Monsters after Nico made those fake version of the Super Sentai Worlds for the Tojtendo Dynasty to capture.

Nico: It's true.

Me: But we had to be patient for that. It's awesome that we get to test drive this.

Vypeera: It sure is. HENGEMEN!

She summoned an army of Hengemen!

Camie: Whoa! Who are they?

Me: The Hengemen. They are the footsoldiers of Dino Fury.

Xenia: Whoa!

Me: Yep.

I slashed them with my scythe and shattered them all over.

Me: The Void Knight had one helluva nasty surprise when he brought his wife back.

Vypeera: I heard! What a shock that she would turn on him like that.

Me: Yeah no shit!

I slashed Vypeera and then she slashed at me and I dodged her strikes.

Vypeera: Wow! You are good J.D.

Me: Had lots of training.

Nico: (to Maria) I guess I can call you my little sister right now.

Maria: You sure can Nico!

May: That's true.

Vypeera: That is amazing that you guys found the Fountain of Youth.

Me: It sure is. We were shown by Jorgen a view into another universe and we saw that it was really real in Ben's time. And we went to see if it was true for Nigel and his friends. And now we know it's REALLY real.

Vypeera: That is so awesome.

Nico: Yep.

Maria: Yeah it's true.

Me: And I'm guessing that Vypra has already started recruiting some of the Dino Fury Monsters into the M.O.E.

Vypeera: She sure has. It's awesome too.

Me: Neat! We got some of the team signed up for them too.

I fired blades of energy and slashed Vypeera and then she EXPLODED!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was dead!

Me: Yeah!

Nico: First time ever for me to say this. Vypeera you have failed this planet!

Eli: Yep.

Eli picked up the Sporix Egg and put it in a containment pod.

Me: Now where were we? Oh right.

We turned to face Another Plantapocalypse!

Another Plantapocalypse: That was so cool!

Nico: It sure was. First Sporix of many.

May: Now, where were we?

Me: I said that already May.

May: Sorry.

Qin: Yeah.

Then we saw a black figure appear and it was ELEMENTAL HERO RAINBOW DARK NEOS!

Twilight Sparkle: Whoa is that!?

Me: Elemental HERO Rainbow Dark Neos! Wow!

Rainbow Dark Neos: (In a girls voice) That's right.

Nico: Whoa! Taniya Huntsville! Wow!

Rainbow Dark Neos reverted back and she was a girl with black hair and rainbow clothes and had pitch black angel wings.

Taniya Huntsville: It's good to see you again Nico. I got this.

She formed a rainbow ring in her hands.

Taniya fired a rainbow energy blast and it hit Another Plantapocalypse and she was down and she reverted back. I caught the ridewatch and purified it and went over to Alexa. She was a girl with green hair and green eyes and had green clothes with a sunflower on the shirt and had a gardening apron on.

I picked her up.

Alexa Qinsington: (GROANS) What a headache.

Me: You're back to normal now.

Alexa Qinsington: Thank goodness.

Vypra then appeared.

Vypra: Hey guys!

Me: Hey Vypra. Got your little Sporix friend you sent us. That was awesome trying it out.

Vypra: Glad you liked it. We've already started recruited them.

Nico: It was awesome.

Vypra: I'm glad though.

Me: Waiting a whole year and a half to 2 years really was worth the effort to test this out Vypra.

Vypra: It sure was. I'm glad.

Nico: We all are.

Eli gave the egg back to Vypra.

Vypra: Thanks Eli.

Eli: Anytime.

She teleported back.

Carter: What's your favorite memory of Nico?

Taniya Huntsville: I have a lot of them but my favorite is we were in science class and we did a project on black light and how it worked and we got an A+ on it. We had a great time on that one.

Qin: I remember that. That was awesome.

Nico: It sure was.

Nico and Taniya hugged.

Nico: I've really missed you Taniya.

Taniya Huntsville: Me too Nico.

Then Carol and Maria reverted back to normal age.

Maria: Looks like I'm my normal age again.

Carol: Me too.

Me: Legends says that it only is temporary. But it's cool we proved it.

Qin: We sure did.

Xenia: This was fun.

Himiko: It sure was awesome.

Laney: Yeah and as an added bonus we got to face one of the Sporix.

Qin: Yeah we sure did.

Me: Yep.

Me: I remembered my Dad seeing this movie long ago, and that Fenrir's release from the stone would bring about Ragnarok, the end of the world, and that's really terrifying.

Nico: And according to the Norse legends, the only one who can destroy Fenrir is Tyr, the Norse god of War, who is prophesied to return to fight the creature, and Jacob was being haunted by terrifying nightmares of what is to come, and his family explained his dreams through the stories from Norse legend, and Tyr fighting Fenrir was one of those dreams.

Lincoln: And we got to put a stop to Fenrir before it brings about Ragnarok, and thanks for joining us, Mack.

Mack Hartford: You're welcome, Lincoln, this is going to be awesome.

Suddenly, something appeared on Hilary Thestalos' right arm, it was the kanjis for Fire, Earth, Wind, Thunder, Water, and Dark, and the Wind Kanji was glowing.

Hilary Thestalos: And there's another Gene-Slammer here, Lincoln, it's Varie Raiza.

Lincoln: Varie's here, awesome.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of three girls calling for help, along with the sound of an inhuman roar. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Fenrir and it's going to kill them.

Lincoln: Let's get over there at once, guys, I found the three girls, but they've been cornered by Fenrir and it's going to kill them.

?: (Girl's voice) That ruthless savage beast!

?: (Girl's voice) Let's rip it in two!

Suddenly, we saw the Duel Monsters, Timelord Progenitor Vorpgate and Raiza the Storm Monarch appear before us.

Nico: Whoa, Timelord Progenitor Vorpgate and Raiza the Storm Monarch, awesome two-for-one!

Selene Emperyous: And I knew that was you, Vorya.

Lincoln: And I also knew it was you, Varie Raiza, but we'll talk later, time to save the world from the Norse Ragnarok.

We rushed over and before Fenrir could claim its next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Fenrir, and that allows the three girls to get to safety inside a rainbow energy field created by Lincoln to protect them from the beastly wolf, and when Fenrir saw us, he was furious and roared at us.

Lincoln: You give Froze the Fenrir and all wolves and werewolves a bad name, and now, we're going to stop you once and for all!

Vorya fired blasts of darkness and Varie Raiza fired gusts of wind at Fenrir, and it made him angrier than ever. But, then, the tips of Lincoln's eleven massive and long white werewolf tails turned into a proboscis similar to a mosquito's, and he stabs Fenrir in the chest and he began sucking up its blood and insides, leaving Fenrir's skin as a shell, and then, an energy card appeared in Lincoln's large left hand with Fenrir's soul inside it, and when the Judgement Kanji appeared, it was sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down, and the proboscis tips on Lincoln's tails changed back to normal.

Lincoln: That's it for you, you monster. (To Vorya Emperyous and Varie Raiza) And it's so good to see you again, Vorya Emperyous and Varie Raiza.

Vorya Emperyous reverted back to normal, and she was a beautiful girl with long flowing midnight black hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful midnight black angel wings, and she was dressed in a sleeveless midnight black dress top, long midnight black skirt with the Sephiroth Tree of Life on it, midnight black pants, midnight black knee-high high-heeled boots, and long white sleeveless trenchcoat with darkness and angels on the coattails and Timelord Progenitor Vorpgate on the back and holstered on her back is a large Timelord Progenitor Vorpgate-themed greatsword with Timelord Progenitor Vorpgate etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black angel wings for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large midnight black angel wings and a large purple gem below the angel wings for the pommel.

Vorya Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene and Zaina.

Varie Raiza: Same with you and Charlene as well, Hilary.

Hilary Thestalos: You too, Varie.

Selene Emperyous: Same here, Vorya.

Lincoln went up to Vorya Emperyous and Varie Raiza and he hugged them both and they also hugged him back, and Vorya Emperyous and Varie Raiza were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Zaina Emperyous: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 10-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Varie Raiza: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Vorya Emperyous, she's my Guardian Angel from Michigan and the third born of the Emperyous Sisters, and she's the goth girl of the group. She has incredible powers over darkness and she can even bring peoples' worst nightmares to life. She can even terrify them so badly that they can wind up in a nuthouse for years.

Selene Emperyous: Yep, she even has the admiration and love of Lucy and her friends, and she also hates STERN FERN with a merciless vengeance.

We gasped.

Lynn: And I still remembered what Vorya did to that fat cow that really scared her. But, we'll hear that later on.

Lincoln: And the rest of you are going to like it. And the second girl is Varie Raiza, she's my Guardian Angel from Michigan and my classmate from cooking classes and she works at a local windmill that is also a hidden kitchen where she works on awesome foods and recipes that are awesome. She also hates and loathes Flip with a vengeance and wants nothing more than to make that cheapskate pay with his life.

Nico: Uh oh, so we got two revelations coming up: one about Stern Fern and another about Flip.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared around Vorya Emperyous' neck and Varie Raiza's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Vorya Emperyous and Varie Raiza: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Vorya and Varie.

Vorya Emperyous and Varie Raiza had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Casca and Charlotte from Berserk and Buchi from Phoenix: Karma Chapter.

Lincoln: Oh wow, it's Casca and Charlotte from Berserk and Buchi from Phoenix: Karma Chapter.

Nicole: Ooh, now those are among my favorite list of anime, awesome.

Lincoln: Are you girls okay?

Casca: Yes, we're okay, thanks to you.

Then, when Casca and the other two girls saw who it was that saved them from Fenrir, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The

Casca: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made two clones of himself, and he and the two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with

equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Casca: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Thunderbird Necklaces of Eternal Love appeared on the necks of Casca, Charlotte, and Buchi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Fenrir, the villain from The Runestone.

But, when Lincoln showed what we did in beating him up and Lincoln killing him by transforming the tips of his eleven werewolf tails into proboscis tips and he sucked up Fenrir's blood and guts and left its skin and he sent its soul to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Vorya Emperyous, and Varie Raiza have a lot of catching up to do, now that they're back in town.

Maria: Wow, this was an awesome two-for-one rescue, not only did we meet the next of Selene's sisters, but we also met another Monarch Gene-Slammer.

Lincoln: And Hilary and Charlene told us about the other Monarch Gene-Slammers, so we'll run into them as well.

Me: Yeah.

Nico: This is really going to be awesome seeing two Gene-Slammers on your rescue, Linc.

Lincoln: This happened on rare occasions when we saw more than one of my Guardian Angels on my rescues, Nico. Remember when we met Jackie Wren and the Atlantis Sisters?

Me: You got that right, and that was one of those many rare occasions.

Nicholette Torrington: You said it.

After killing Fenrir, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Vorya Emperyous and Varie Raiza saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Vorya Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Varie Raiza: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Vorya Emperyous: That's incredible.

Nico: It sure is. So, Vorya, Varie, what are the horrible revelations you have on Stern Fern and Flip?

Vorya Emperyous: Let me go first, and you're going to wish you killed her. One time Lynn was practicing hockey, and that fat cow, Stern Fern broke all her hockey equipment and she even broke both of Lynn's legs. I got really mad at this cruel act and I made sure that fat cow regretted that completely. I used my powers of darkness and made her worst fear come to life: it was MURDEROUS CANNIBALS! They scared her so badly and horrifically that she went to a nuthouse with a really bad damaged mind and I vowed that if she ever saw Stern Fern again she would make sure that they WILL BE REAL and they will EAT HER!

We gasped.

Nico: That fat bad-tempered cow!

Lynn: I still remember that day all too well, and after Vorya scared Fern with that, she called Lincoln and the others, who came and took me to the hospital. Mom wanted to press charges on her, but due to what Vorya did, she thought she'd learn her lesson, but Fern didn't.

Lincoln: She deserves to rot in ADX Florence for the rest of her life, but if she dares to get out, the one thing waiting for her is The Black Gates, what that bad-tempered cow did in breaking your hockey equipment and your legs proves she's just a monster bitch!

Me: My words exactly. She is completely out of control.

Nico: Yeah!

Varie Raiza: If she dares to get out, that's going to be what awaits her. Now, for me, I was busy at the local windmill and hidden kitchen, but then, I found out Flip was trying to going to try and use the windmill for another scheme to kidnap and kill the Loud Family via the windmill's blades. I got so mad at that cheapskate, I fired massive blasts of wind at Flip and sent him back to jail, where he got yet another life sentence added to his sentence. I called Lincoln and the others and when they found out, the family went down to the prison and beat the crap out of Flip, and J.D. also stomped on his groin hard with spiked cleats.

Nico and the rest of the team cheered wildly.

Nico: Now, that was really awesome! Plus, nice one with stomping on Flip's groin with spiked cleats, J.D.

Me: Thank Lynn for that one, she had them saved for Flip, in case he got busted again.

Tanjiro Kamado: If that cheapskate thinks he can get away with what he wants, he's got another thing coming.

Lincoln: Easy, Tanjiro, we already have him being humiliated for life, and with that curse I put on him and the other jerks, he won't be getting a single coin ever.

Nezuko Kamado: That's right, and after what happened with Icky Vicky's escape, we doubled our security at Lynn's Table.

Nico: And if they try to escape, they're going to get mashed into paste if they so much as try to escape from their punishment!

Lincoln: And looking at the number of times Flip and Lewis Travolta had run from the cops, we had to take no chances with those two, Lewis Travolta's skipped out on paying his tab and Flip has caused enough trouble to us and Dad for an entire lifetime, now they're reaping the consequences for their selfish, greedy, stupid ways.

Eli: You said it.

We got a shower afterwards, and then, Lincoln, Molly McGee, and Andrea Davenport are heading to Gloomy Galleon for their first beach date.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim trunks with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Molly McGee and Andrea Davenport were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out that Lincoln had saved Molly and Andrea from a bunch of ghosts that wanted revenge on us for what we did to the old Ghost Council, but Lincoln had sent them to The Black Gates after they were found guilty by the new Ghost Council, and Lincoln was one of those members of the new Ghost Council.

Molly McGee: Wow, so this is Gloomy Galleon.

Lincoln: Yep, and it's perfect for our first beach date, girls. Shall we?

Andrea Davenport: Of course, and I…

Lincoln: There's no need to apologize, Andrea. Drakus told us of what happened after he and the X-Squad told us of your conversation with them last year, so it's water under the bridge.

Lincoln, Molly McGee, and Andrea dived in and they also saw the inhabitants there. They also had a swimming race, and they also had a lot of fun, and they got to the surface and they had a game of volleyball and Molly McGee and Andrea Davenport got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Molly McGee and Andrea Davenport, and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Gloomy Galleon.

Molly McGee: For our first beach date, might we add, and we had a blast.

Me: That's awesome.

Twilight Sparkle: And I'm also glad you girls are now part of Linky's harem.

Andrea Davenport: Thanks, Twilight, and we were really glad Lincoln saved us from those ghost who were still loyal to the old Ghost Council to kill us.

Me: Seems like there's still those who supported the old Ghost Council.

Lincoln: Not to worry, we've been finding them all over The Underworld and Ghost Zone, and we've been sending them to The Black Gates for their crimes.

Just then, Becky Long came in, and she had with her a beaker and inside was some kind of mixture.

Lincoln: Hey, Becky, what's that?

Becky Long: This is something I've been working on for over six and a half years: I've developed a powerful muscle growth formula, but it's also infused with advanced nanomachine technology that won't be seen until 3,000 years later, and I also added in muscle growth stimulants and other muscle stimulants to this, and once consumed, it'll not only give the person a hardened musculoskeletal system and hardened muscular system, but it'll also enhance the person's immense superhuman strength, superhuman flexibility, superhuman speed, superhuman durability, superhuman stamina, superhuman senses, superhuman dexterity, superhuman reflexes, superhuman regeneration, and elemental powers and base powers infinite-fold and beyond.

We were stunned.

Nico: Is that even…?!

Lincoln: For someone like Becky, it is, Nico.

Becky Long: And… I developed this for you, Linky. After all those times you've been beaten up and stabbed by Lori, Lynn, Lola, Lisa, and Luan, I couldn't stand to see you like that.

This got to Lincoln and all of us.

Lincoln: Becky…

Lincoln walked up to Becky Long and he cupped his large right hand on her right cheek, and she then lifted her head up, and he then felt tears on his large right hand, and he wiped her tears.

Lincoln: So, that's why you spent six and a half years on this project.

Lincoln leaned his head down and he gently kissed her and she returned it. Then, she offered him the beaker with her formula, and he drank it. Suddenly, Lincoln felt a powerful heat rush through him, and he felt the formula's effects, as his rainbow energy aura with elemental forces and mythological animals flared up, and not only was he gaining an astronomically infinite power and energy boost, but the formula also gave Lincoln a hardened musculoskeletal system and a hardened muscular system, and it enhanced his infinite and immense superhuman strength, superhuman flexibility, superhuman speed, superhuman durability, superhuman stamina, superhuman senses, superhuman dexterity, superhuman reflexes, superhuman regeneration, and elemental powers and powers infinite-fold and beyond.

Lincoln: Whoa, that felt incredible!

Lisa took out an X-Ray machine, and we saw the nanomachines were then merging with Lincoln's red blood cells and musculoskeletal system and muscular system, and his body was really getting quite an upgrade.

Nico: Holy crap!

Becky Long: Those six and a half years of hard work on this really worked! It worked!

Lincoln then went up to Becky Long and he hugged her waist in his abnormally massive and powerful muscular arms and she wrapped her left arm around Lincoln's thick muscular neck, and she placed her right hand on Lincoln's massive wide and muscular left pec, and they shared a passionate and romantic kiss.

Lincoln: Thank you, Becky.

Becky Long: You're welcome, Linky.

We had tears in our eyes and smiles on our faces.

Nico: This is one of the most awesome acts of a person's true love displayed ever!

Me: This is way too awesome.

Becky Long: And don't think Lincoln's going to be the only one.

Becky Long gave all of us beakers full of her formula and we drank them, and we felt a powerful heat rush through us, and we felt the formula's effects, as our rainbow energy auras with elemental forces and mythological animals flare up, and not only were we gaining an astronomically infinite power and energy boost, but the formula also gave us hardened musculoskeletal systems and hardened muscular system, and it enhanced our infinite and immense superhuman strength, superhuman flexibility, superhuman speed, superhuman durability, superhuman stamina, superhuman senses, superhuman dexterity, superhuman reflexes, superhuman regeneration, and elemental powers and powers infinite-fold and beyond.

Nico: Damn, that's one impressive formula!

Lincoln: The six and a half years of work she put into it was worth it.

Becky Long: And only I know of it, so if any villain dares to try and kidnap me, they will suffer the consequences.

Eli: You got that right.

---

At the table we saw Starfire and Tara having huge Bowls of Borscht.

Plankton: So THIS is borscht.

Me: Yep. It's cold beet soup.

Nico: Tommy Pickles said that it tastes like glue. And his grandfather on his moms side was eating it for over 70 years.

Me: Wow.

Xenia: Yeah.

Tsunade: It's supposed to be good for you too.

Me: It sure is Lady Hokage. Russia makes really awesome borscht.

Anastasia Nikolaevna: Yeah and it is part of my country.

Nico: Yep.

Plankton: So what are you gonna do with so much of it?

Me: Starfire and Tara are having a contest to see who can eat the most. Surprisingly Starfire loves Borscht.

Starfire: I do and I had it when I first met Red Star.

Red Star: (Russian Accent) It's true. Starfire loves Russian food very well.

Me: Wow.

Tsunade: Let the contest begin!

They got to eating and they were guzzling and drinking the borscht like there was no tomorrow.

They already guzzled down 20 bowls of it!

Me: WHOA!

Eli: They are eating and eating and eating it all over.

Me: I've had Borscht in my travels all over the world and it is good stuff.

Camie: Neat.

Starfire was on Bowl 75 and Tara was on bowl 30.

Dirge: Who's winning right now?

Me: Starfire is.

The contest ended.

Me: And with 100 bowls down the winner is Starfire!

Qin: YEAH!

Starfire: I am full of Borscht!

Qin: Boy Starfire you sure love Borscht.

Tara: Yeah she sure does. How in the world does she eat so much?

Me: Tamaraneans have 9 stomachs.

Camie: 9 Stomachs!? Whoa!

Sunset Shimmer: That means nine times the food level.

Me: Yeah it's true.

Tara: (STOMACH GRUMBLES) UH OH!

She ran to the bathroom and then we heard her having a NASTY NUMBER 2!

Qin: Uh oh.

Blades: You know your Orca Whale form can get that out easily, right?

Tara: I know. MAN! That feels better.

She cleaned up and then came out after washing her hands.

Nico: Feel better Tara?

Tara: Yeah. Man Starfire you are amazing at eating all that Borscht.

Starfire: Oh it was delicious.

Me: It sure is.

Nico: Yep. Now it's time for us to get ready for our next mission. We found another awesome food planet.

Me: Ooh is it edible?

Eli: It sure is and it's going to be interesting.

Bone Chompy was eating some of the leftover Borscht.

Nico: Looks like Bone Chompy likes Borscht.

Camie: He sure does.

Me: Spyro are Chompys vegetarian or omnivorous?

Spyro: They pretty much eat anything so they are omnivorous.

Linka: I can't believe one took a bite out of my leg.

Camie: Ouch!

Qin: Yikes! That really hurt though.

Aylene C.: Yeah it did.

Then Kangor, Cluemaster, Dr. Destiny, Vortex, Xiao Fung, Whirlwind, Mirror Master, Control Freak, Deadwood, Black Lance, Marzo, Evil Desert Man, Megavolt, Weather Report, Ludo, Yost Vulture, Evil Wind Man, Thunderhoof,,

Chameleon and Superfriends Captain Cold appeared.

Marzo: Me, Evil Desert Man, Megavolt, Weather Report, Ludo, Yost Vulture, Evil Wind Man, Thunderhoof,, Chameleon and Superfriends Captain Cold will come too

Nico: Yes you all sure can come with us.

Cluemaster: How did you guys like fighting your first ever Dino Fury

Monster?

Me: It was awesome!

Cornelia: Boy that was cool. Next time I'll come with Nico to get a jumpstart on it too before my big mission.

Nico: Good idea Cornelia.

Cluemaster: Well we got lots of Sporix for you all.

Nico: Awesome.

Chill Bill: Nico, which Gene Slammer do you think you'll meet next?

Nico: Right the Mandatory Question. How about one for uhh. J.D. do you have any ideas?

Me: I think I have one.

I pulled out a card and it was for Eanoc, Sentry of the Ghoti.

Nico: Ooh Eanoc, Sentry of the Ghoti. Good choice.

Qin: That's a scary one. Looks like an alien manta ray.

Xenia: It sure does.

Laney: Yeah. But it's neat.

Dr. Destiny: I have a feeling that we're gonna see the return of the Ambassador missions in a week.

Megavolt: It's about time!

Nico: I KNOW! About damn time!

Me: And all we have is Cornelia's missions left to wrap up the year.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Lincoln's old enemy, Dustin Keystone, the very monster who's bullied and tried to kill Lincoln to slake his thirst for blood and revenge long ago and also murdered Mia Addison's parents in cold blood long ago, and after what Lincoln did to Dustin Keystone seventeen days ago by stripping him of his powers that're given to him by The Hom Dai and making him mortal again and what he and the Earthbound Immortal Gene-Slammers have done in taking down the other seventeen villains and recruited them into The Masters of Evil, it's pissed him off so badly, his mind's now completely gone, and now, all he's focused on is revenge on Lincoln and all of Team Loud Phoenix Storm and The Masters of Evil. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Dustin Keystone finally on the move?

Lincoln: You guessed it, Nico.

Lynn: And what Lincoln did to Dustin Keystone seventeen days ago by stripping him of his powers that he'd gotten because of The Hom Dai and making him mortal again and what he and the other Earthbound Immortal Gene-Slammers have done in taking down the other seventeen villains and recruited them into The Masters of Evil, it's pissed him off so badly, his mind's now completely gone, and now, all he's focused on is revenge on Lincoln and all of Team Loud Phoenix Storm and The Masters of Evil.

We gasped in shock.

Me: Oh…

Eli: Shit!

Nico: Dustin's now gone completely off the rails! That fucking bastard! But, it's been a long time coming, now, he's finally going to get what he fucking deserves for bullying, torturing, and trying to kill you all those years ago, Lincoln, and for what he and his fuckweed parents did in murdering Mia Addison's parents as well.

Demona Wendollstein: And he's never ever coming back, Nico. In fact!

Emily LeRou: Say no more, Demona, we're also joining in on this fight, and he's going to know what happens when he dares threaten the life of the man we're all going to be engaged to in the future, and he's going to suffer in the slowest and cruelest way imaginable for bullying, torturing, and trying to kill Lincoln to slake his thirst for blood and revenge!

Mia Addison: I should've continued to beat him to death, but if I did that, he'd be sent to Hell, and he could be brought back from the dead.

Lincoln: That's not going to happen, Mia. This time, Dustin's getting The Black Gates, and this time, he's never going to return again, we're going to make him suffer infinite-fold in the bloodiest fashion imaginable and rip him to shreds!

Nico: Now, you're talking, Linc. I can't wait to see that asshole suffer for this. Alright, gang, let's go, we got another food planet to explore.

Lincoln: And with another food planet, there's bound to be another villain waiting for us there. And once this mission is complete, you're next, Dustin Keystone, and this time, there's no way you're ever coming back again to try and kill me, and as for what you said about my future wives, I'm going to rip your tongue right out of your mouth and burn it right in front of you!

Me: Yeah, we all heard what he said about your harem, Linc.

Nico: And that's what I call going way too far, that bastard doesn't have any manners whatsoever!

Lincoln: He's never even known about manners since the day he was born to those parents of his, all he and his family have ever known was hatred and cruelty, they're a bunch of nihilistic, murderous, evil, bloodthirsty assholes. But, now we're going to end the Keystone family line for good, and Dustin will soon be joining his evil parents and the rest of his family in The Black Gates.

Everyone: And this time, you're never coming back, Dustin Keystone!

Gulper: I hope this is a soda planet!

Nico: Me too. But at least it's edible. Lets head out.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7031.5: The U.S.S. Valorous Phoenix is en route to another awesome food planet and our mission is to see what this world is like and battle any enemies there.

Eli: I have a feeling this will be awesome.

Kahlia of The Vast: It sure will be.

Xiao Fung: Nico, you can take your time with finalising the backup core members.

Ludo: We're in no rush.

Nico: Okay then.

Me: It'll give me some time to come up with new combinations for Timaeus, Hermos and Critias.

Nico: Good idea.

I was looking over my cards and analyzing them and writing down notes.

Me: (In my head) Mm-hmm. Interesting.

I was working hard.

Swift Foot: I see the planet!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a green and orange planet and it looked amazing and cool.

Nico: Lets engage the landing.

We got to landing and then we got out and we saw that the planet was a world of carrots! It had ginormous numbers of carrots that were massive! There were carrots as big as huge trees, carrots of many sizes on the ground and more!

Nico: WHOA!

Me: It's a planet made of Carrots!

Mirror Master: There are carrots everywhere!

Evil Wind Man: This isn't a bad thing.

Jared: Now THIS is my kind of planet!

Bugs Bunny: Wow! I love this planet!

Buster Bunny: Me too!

Babs Bunny: Same here!

Me: Wow!

Warren Loud: This is so awesome!

Ed: Carrots are good for your eyes, but can it dial a phone?

Eddy: Shut up Ed.

Koichi: Only one way to find out!

He picked one and ate it and it was good.

Eddy: Koichi, Ed was being an idiot like always.

Koichi: Oh. But these carrots are amazing.

Bugs and the rabbits ate numerous carrots and then they were stuffed!

Nico: Wow! You guys are full.

Xenia: Yep.

Black Lance: The Rabbids are eating some too!

Superfriends Captain Cold: I knew they would.

Me: They are rabbit creatures essentially.

Qin: Yep.

Eli made a bowl of awesome carrot soup.

Eli: Mmm! Carrot soup.

Bai Tza: Muriel ate an experimental carrot and she was going to explode when she got to the size of a farmhouse.

Courage: Don't remind me of that one.

Francesca: Yeah that was crazy.

Eli: Boy that must've been crazy. (Senses something) Uh oh!

Slobber Trap: These carrots sure are tasty!

Nico: They sure are.

Eli: Guys I sense big trouble here.

Me: What is it Eli?

Eli: I'm afraid Rey is not going to like this one.

Rey: (British Accent) Is it a Sith Lord here?

Eli: Yes but it's one you are not going to like seeing. It's the dark version of you Rey.

We gasped in shock!

Me: Dark Rey is here!?

Xenia: Oh man!

Camie: Uh oh!

Tsuyu: Remind me again who she is?

Me: She's what would have happened if Palpatine corrupted her and got her seduced by the dark side of the Force.

Eli: Yep.

Chameleon: Didn't you guys face her on one of Nico's rescues?

Deadwood: I think that's the case.

Me: Yes we did but something is telling me that this version of Dark Rey is dangerous.

Eli: Yes she is that dangerous.

Qin: Oh boy.

Camie: We'll merge her counterpart with this one.

Runabout: Let's finish up these carrots first.

Me: Okay.

We got to eating them and they were awesome and yummy.

Nico: Man awesome carrots.

Me: Don't eat too many of them. Don't want to turn orange like how Arnold did.

Qin: Oh right.

Thunderhoof: Forgot about that.

Control Freak: Which video game monster should I bring out this time?

Nicole: How about one that's from Star Wars since we're here and I got just the one. The Wompa.

Control Freak: Good choice.

He summoned The Wompa from Super Star Wars V: The Empire Strikes Back!

Qin: YEAH!

Xenia: Awesome!

Slugfest: Nice choice!

Nicole: Thanks.

Qin: That was a tough one too.

Nico: It sure was.

Laney: Yep.

Eli: If Dark Rey wants a fight (Ignites Lightsaber) Then she will get oone.

Rey: You really are strong enough to beat her Eli.

Me: Eli does have that awesome amount of skill too.

Xenia: He sure does.

Anakin: He learned so much from the Jedi.

Obi-Wan: He has come a long way in his skills.

Eye Scream: Yoda should go against Dark Rey too.

Yoda: Powerful Dark Rey is but taken lightly she should not.

Qin: I agree. Dark Rey is a force of nature.

Nico: She sure is.

Laney: I agree too.

Lola: Yeah. Dark Rey is a powerful force to be reckoned with.

Camie: Yeah.

Weather Report: That might be true.

Vortex: But Yoda IS the best Jedi Master.

Me: He is. Grandmaster Yoda is a powerful force to be reckoned with.

Nico: That's right. He is.

Me: Either way you look at it we have a Sith to take down.

Eli: We sure do.

Yost Vulture came back.

Yost Vulture: She's behind that hill to the north about 45 klicks.

Qin: Then we need to get over there.

Beastbox: Entrance time! Oh, and Takeru? You and Onua get to shine today.

Onua: Sweet!

Takeru: Yeah!

Nico: Lets go!

We were off.

Dark Rey was meditating. Then the spirits of the Elemental Masters of Wind appeared and orbited around her and then converged and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a Phoenix cry was heard and we came out.

Me: Dark Rey. So we finally meet.

Dark Rey: (British Accent) You will pay for what you did to my grandfather.

Me: We'll see about that.

Eli ignited his lightsaber.

Dark Rey: You will know the power of the Dark Side.

Cluemaster: That won't happen.

Evil Desert Man: Because you're going down.

Takeru: Big time!

Nico: And it won't be pretty.

Zenkaigan! (Drum line) Kengou hakken kyoshou ni ohsama samurai bouzu ni sniper! Dai~ Hen~ge~! (Yay!)

HE donned his awesome Rainbow Ghost form!

Qin: YEAH!

Xenia: Awesome.

Rice Fitzgerald, Applejack, Apple Bloom, Earth Skylanders, Gulper and Grave Clobber VS Simon Maddicks A.K.A. Killer Shrike from Marvel - Meeting a Gene-slammer for Timelord Progenitor Vorpgate and Raiza the Storm Monarch

---

Killer Shrike was next.

Killer Shrike: (to Rice) I heard you guys met a Gene-slammer for Timelord Progenitor Vorpgate. How was it?

Rice: It was really fun. And we actually rescued 2 gene-slammers. The Timelord Progenitor Vorpgate was Vorya Emperyous and the Raiza the Storm Monarch was Varie Raiza.

Killer Shrike: Oh so we have the elemental monarchs being rescued too. Neat!

Applejack: Yeah they are amazing.

Apple Bloom: They sure are. And both their stories are cool too.

---

Vorya Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Varie Raiza: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Vorya Emperyous: That's incredible.

Nico: It sure is. So, Vorya, Varie, what are the horrible revelations you have on Stern Fern and Flip?

Vorya Emperyous: Let me go first, and you're going to wish you killed her. One time Lynn was practicing hockey, and that fat cow, Stern Fern broke all her hockey equipment and she even broke both of Lynn's legs. I got really mad at this cruel act and I made sure that fat cow regretted that completely. I used my powers of darkness and made her worst fear come to life: it was MURDEROUS CANNIBALS! They scared her so badly and horrifically that she went to a nuthouse with a really bad damaged mind and I vowed that if she ever saw Stern Fern again she would make sure that they WILL BE REAL and they will EAT HER!

We gasped.

Nico: That fat bad-tempered cow!

Lynn: I still remember that day all too well, and after Vorya scared Fern with that, she called Lincoln and the others, who came and took me to the hospital. Mom wanted to press charges on her, but due to what Vorya did, she thought she'd learn her lesson, but Fern didn't.

Lincoln: She deserves to rot in ADX Florence for the rest of her life, but if she dares to get out, the one thing waiting for her is The Black Gates, what that bad-tempered cow did in breaking your hockey equipment and your legs proves she's just a monster bitch!

Me: My words exactly. She is completely out of control.

Nico: Yeah!

Varie Raiza: If she dares to get out, that's going to be what awaits her. Now, for me, I was busy at the local windmill and hidden kitchen, but then, I found out Flip was trying to going to try and use the windmill for another scheme to kidnap and kill the Loud Family via the windmill's blades. I got so mad at that cheapskate, I fired massive blasts of wind at Flip and sent him back to jail, where he got yet another life sentence added to his sentence. I called Lincoln and the others and when they found out, the family went down to the prison and beat the crap out of Flip, and J.D. also stomped on his groin hard with spiked cleats.

Nico and the rest of the team cheered wildly.

Nico: Now, that was really awesome! Plus, nice one with stomping on Flip's groin with spiked cleats, J.D.

Me: Thank Lynn for that one, she had them saved for Flip, in case he got busted again.

Tanjiro Kamado: If that cheapskate thinks he can get away with what he wants, he's got another thing coming.

Lincoln: Easy, Tanjiro, we already have him being humiliated for life, and with that curse I put on him and the other jerks, he won't be getting a single coin ever.

Nezuko Kamado: That's right, and after what happened with Icky Vicky's escape, we doubled our security at Lynn's Table.

Nico: And if they try to escape, they're going to get mashed into paste if they so much as try to escape from their punishment!

Lincoln: And looking at the number of times Flip and Lewis Travolta had run from the cops, we had to take no chances with those two, Lewis Travolta's skipped out on paying his tab and Flip has caused enough trouble to us and Dad for an entire lifetime, now they're reaping the consequences for their selfish, greedy, stupid ways.

Eli: You said it.

?: (ENRAGED AND DERANGED SCREAMING) LINCOLN LOUD, I WILL FUCKING KILL YOU, EVERY LAST WHORE IN YOUR HAREM, YOUR FUCKING KIDS, YOUR FAMILY, YOUR FRIENDS, AND EVERYONE WHO EVEN HAS TIES WITH YOU, IF IT'S THE LAST FUCKING THING I EVER DO!

Lincoln: I should've known there's no mistaking that enraged scream or deranged voice of bloodlust from anywhere. Can't you just roll over and die, Dustin Keystone.

A crazed figure came out, and it was none other than Dustin Keystone, Lincoln's old enemy, the very monster who's bullied, tortured, and tried to kill Lincoln on numerous occasions to slake his thirst for blood and revenge long ago and also murdered Mia Addison's parents in cold blood long ago, but he was still in his prison uniform, his eyes were now completely red with insanity, hatred, and bloodlust, and his hair is now completely disheveled, and he was now completely deranged!

Nico: Damn, I know it's been months since he was given that beatdown and we cursed him with The Hom Dai, but now that he's back to normal and he's now a mortal once more, he now looks even more deranged and insane than ever!

Dustin Keystone: It's all your fault, you all made me this way!

Lincoln: Shut your piehole, Dustin, we didn't make you this way, you were nothing but evil since the day you were born. You've bullied, tortured, and tried to kill me numerous time to slake your thirst for blood, death, and revenge, and quite frankly, you make me sick. Plus, the only thing that made me different from you is that I have the love and support of all my friends and family, I'm a caring and strong father to many children, and I'm talented in many things, whereas you've been nothing but a living nightmare to everyone you've crossed, and you know what else, you're also an inhuman, ugly, selfish, nihilistic monster who doesn't give a damn about anyone except for yourself, all you've ever cared about is making other people suffer, and that's just disgusting. Now, we're going to put an end to your miserable life once and for all, Dustin Keystone!

Demona Wendollstein: And this time, you're never coming back.

Nico: Never again will you be free to kill again, Dustin Keystone! You're heading for an early grave, you fuckweed asshole!

Me: You're never getting out of this alive!

Eli: You're going to die here and now!

Emily LeRou: And you're going to suffer the very same fate as those fuckweed parents of yours, and you'll be joining them and the rest of your accursed family very soon.

This made Dustin Keystone spiral even further into madness and we knew he was getting worse by the second.

Suddenly, Demona Wendollstein's blood red eyes turned neon blood red and she was surrounded by a black and white energy aura with with darkness, black fire, nightmares, and dragons, she unholstered her massive Earthbound Immortal Xolotl-themed sword from her back, and as she approached Dustin Keystone, she left black and white purple energy, black fire, dragons, nightmares, and darkness with every step.

Demona Wendollstein: I'll never ever forgive you for every last one of your crimes you've committed against Lincoln, Mia Addison, The Loud Family, and all of Royal Woods, Dustin Keystone, you've been nothing more than a living nightmare to all those who've unfortunately crossed your path, and you've killed a lot of people who've crossed your path, and now, I will administer your punishment for every last one of your crimes that you've committed and for every last life you and your entire family have taken from this world, and this time, you are never ever coming back!

Suddenly, Demona Wendollstein was surrounded by a massive vortex of black and white energy with nightmares, black fire, and darkness surrounding it, there's Earthbound Immortal Xolotl flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Dustin Keystone: the blood red eyes of death. Then, as the vortex faded, Demona Wendollstein emerged, but she was changed forever.

Demona Wendollstein has on a Ring of The Phoenix with black gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Demona Wendollstein has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS BLACK FIRE EARTHBOUND IMMORTAL NIGHTMARE DRAGON ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE BLACK NIGHTMARE FIRESTORM LOVE!

We were amazed by Demona Wendollstein's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dustin Keystone saw it, the fucker fell into a even more black rage and he got out a knife and tried to stab her with it, but Demona fired a powerful black energy blast with black fire, darkness, nightmares, and dragons, and it hits Dustin Keystone and exploded with incredible power and he was sent flying into a wall of carrots, but he's not done yet and he's incredibly even more pissed off than he was before.

Nico: Whoa, now the last of The Earthbound Immortal Gene-Slammers, Demona Wendollstein, has transformed, so awesome!

Me: Yeah, and take a look at the white patterns on her black angel wings, they're the same as the ones on Xolotl, and she blasted that asshole and sent him flying into a wall of carrots and pissed him off even more, nice.

Lincoln: Now, Dustin Keystone is about to feel the true wrath of The Earthbound Immortals and many more. And Demona, you look beautiful, how do you feel?

Demona Wendollstein: (Divine Echoing Cosmic Voice of The Nightmare Dark Dragon Earthbound Immortal and Divine Black Fire Justice) **I feel incredible, Linky, and now, shall we finally administer Dustin Keystone the punishment for all of the crimes he and his fucked-up family have committed against Royal Woods for many years?**

Lincoln: (Smiles) With pleasure, Demona.

Me: You're through, Dustin Keystone, and this time, for good!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Demona Wendollstein.

Suddenly, eighteen blasts of darkness and blue fire have appeared from the ground and we saw The Earthbound Immortals Xolotl, Wiraqocha Rasca, Chacu Challhua, Cusillu, Ccapac Apu, Aslla Piscu, Ccarayhua, Uru, Qhoa, Huacachina Kon, Ccomnosuma, Ccgojuru, Cuauhcoatl, Itzpzpalo, Rorccon, Llamaca Pacuilla, Ccoshobar, and Ukupacha Callao appear from the Dragon, Condor, Whale, Monkey, Giant, Hummingbird, Lizard, Spider, Cat, Heron, Crocodile, Tree, Snake, Wings, Spiral, Llama, Dog, and Hands Nazca Lines.

Nico: Whoa! Oh, now we're really talking: Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi are about to dish out true Earthbound Immortal justice.

Me: And it also makes sense The Earthbound Immortals Xolotl, Wiraqocha Rasca, Chacu Challhua, Cusillu, Ccapac Apu, Aslla Piscu, Ccarayhua, Uru, Qhoa, Huacachina Kon, Ccomnosuma, Ccgojuru, Cuauhcoatl, Itzpzpalo, Rorccon, Llamaca Pacuilla, Ccoshobar, and Ukupacha Callao should also come out to help, this is going to be so awesome!

Emily LeRou: (Divine Echoing Cosmic Voice of The Dark Condor Earthbound Immortal and Divine Purple Fire Justice) **Your days of trying to kill Lincoln and all those around him are over, Dustin Keystone, and for everything you've done in terrorizing Royal Woods, every last one of us are going to make sure you die here and now!**

Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi: **And you will be nothing more than a forgotten memory in the pages of history, you miserable monster from the darkest depths of Hell!**

The bravery and determination of Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi really pissed Dustin Keystone off to no end, and his red eyes turned even more red with insanity and rage, but this would be his last day in this world, and they were going to make sure he never shows his ugly face here again.

Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi went after Dustin Keystone, and they fired extremely powerful blasts of rainbow energy, colored energy, colored fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Condors, Hummingbirds, Lizards, Snakes, Cats, Herons, Spiders, Giants, Monkeys, Whales, Wings, Spirals, Llamas, Dogs, and Hands at Dustin Keystone and they exploded with incredible power as they hit him. Then, they attacked Dustin Keystone with their massive greatswords and they left some really nasty scars on him and they also punched and kicked him hard all over.

Dustin tried to stab Lincoln with a knife, but the knife broke apart when it hit his body, and we knew this was thanks to Becky Long's powerful muscle growth formula infused with advanced nanomachine technology that wouldn't be seen until 3,000 years later, and with added in muscle growth stimulants and other muscle stimulants. Lincoln smirked at Dustin Keystone, who was horrified. Then, Lincoln punched Dustin Keystone hard in the stomach and he belched out massive amounts of blood and he held his stomach in pain.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Just so you know, that was for all the times you've bullied and tortured me in school.**

Dustin Keystone picked up his head and he glared angrily at Lincoln, who still maintained a serious look on his face.

Dustin Keystone: WHY… YOU! (SCREAMS IN INSANE RAGE)

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **And this** (Kicks Dustin Keystone high into the skies) **is for all those times you've beaten me up in school!**

Dustin Keystone screamed as he was launched high into the skies, but then, Lincoln appeared in a flash.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **This is for all those times you've tried to kill me to slake your thirst for blood, death, and revenge!**

Lincoln gave Dustin Keystone a two-fisted downward punch to his head and sent him flying down, but then, Lincoln appeared again and he flew after Dustin Keystone with his massive white angel wings spread.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **And this**

**is for what you and your fuckweed parents did in murdering Mia Addison's parents!**

Lincoln gave Dustin Keystone a sweeping kick to the stomach and sent him flying into another pile of carrots, and we were really stunned.

Goku: This was exactly how I beat Nappa long ago.

Vegeta: Exactly what I was about to say, Kakarot. And from the looks of things, Lincoln's making good on his promise to make Dustin Keystone suffer for everything he's done in the past.

Nico: And he did say in the bloodiest fashion imaginable. Every last attack Lincoln's dealt him has caused Dustin to belch out massive amounts of blood.

Then, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi also joined with Lincoln, and they beat the crap out of Dustin Keystone, and The Earthbound Immortals also blasted him, and Mia Addison kicked him hard in the crotch with a sickening crunch, and we winced.

Nico: Ooh, right in the kiwis!

Demona Wendollstein: (Divine Echoing Cosmic Voice of The Nightmare Dark Dragon Earthbound Immortal and Divine Black Fire Justice) Let's end this bastard once and for all, everyone!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You got it, Demona. Everyone, let's combine our powers and destroy Dustin Keystone for good!**

Emily LeRou: (Divine Echoing Cosmic Voice of The Dark Condor

Earthbound Immortal and Divine Purple Fire Justice) **Yeah!**

Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi held out their left hands, and eighteen massive black energy balls with colors matching The Earthbound Immortals they were Gene-Slammed into and with the Dragon, Condor, Whale, Monkey, Giant, Hummingbird, Lizard, Spider, Cat, Heron, Crocodile, Tree, Snake, Wings, Spiral, Llama, Dog, and Hands Nazca Lines in them formed, and Lincoln formed a massive black energy ball with rainbow colors and the Dragon, Condor, Whale, Monkey, Giant, Hummingbird, Lizard, Spider, Cat, Heron, Crocodile, Tree, Snake, Wings, Spiral, Llama, Dog, and Hands Nazca Lines in it.

Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi: **This is the end, Dustin Keystone, and this time, stay dead!**

This pissed off Dustin Keystone: he was about to die a horrible death and he was unable to get his revenge on Lincoln, but he didn't care, he charged at them again hoping to kill them before they kill him, but that would be futile since he'll never ever learn his lesson.

Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi: **EARTHBOUND IMMORTAL DEATH BALL GEOGLYPH BARRAGE!**

Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi fired the nineteen black and colored and black and rainbow colored Death Balls at Dustin Keystone, and he was sent flying into space and The Death Ball barrage exploded with incredible power killing him for good.

Then, as Dustin Keystone's spirit appeared, The Earthbound Immortals glared at Dustin Keystone for his crimes, but instead of them devouring his soul, the Judgement Kanji appeared on his forehead as he was found guilty by the spirits of those he and his family have killed over the years, and he was fading away.

Dustin Keystone: No, no, I will have my revenge on you, Lincoln Loud! This isn't the end! I'll come back and I will have my revenge on you, you white-haired freak!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **No, Dustin, this is the end for you and your entire family once and for all!**

Everyone: **NOW DISAPPEAR FOREVER!**

Dustin Keystone: NO, NO! FUCK YOU, LINCOLN LOUD! FUCK YOU, TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL! FUCK YOU ALL! (FADES AWAY)

Dustin Keystone has been erased from existence forever, along with his entire family line, and they'll never hurt anyone ever again. We cheered wildly for what Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi did to Dustin Keystone as they holstered their massive greatswords on their backs and powered down, and Demona Wendollstein's new body, clothes, weapons, jewelry, and massive black and white angel wings are permanent.

Demona Wendollstein: Never again will you hurt our man again, you sick fucker! Thanks for helping me destroy Dustin Keystone forever, Linky, along with all of you.

Lincoln: (Smiles Warmly) You're welcome, Denise.

Suddenly, Lincoln made seventeen clones of himself, and he and the clones all went up to Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi who wrapped their arms around the thick muscular necks of Lincoln and his clones, as their chests pressed against the massive and wide muscular pecs of Lincoln and his clones and their stomachs pressed against the eight-pack abs of Lincoln and his clones, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to her face. Then, as Lincoln and his clones lean down to the faces of Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi, they kissed passionately as the left arms of Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi were still wrapped around the thick muscular necks of Lincoln and his clones, but they moved their right arms and their right hands onto the massive and wide muscular right pecs of Lincoln and his clones, and right behind all of them was a Thunderbird, Phoenix, Angel, and The Earthbound Immortals Xolotl, Wiraqocha Rasca, Chacu Challhua, Cusillu, Ccapac Apu, Aslla Piscu, Ccarayhua, Uru, Qhoa, Huacachina Kon, Ccomnosuma, Ccgojuru, Cuauhcoatl, Itzpzpalo, Rorccon, Llamaca Pacuilla, Ccoshobar, and Ukupacha Callao flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and colored fire raging behind them and we cheered wildly.

Lincoln's clones vanished, and Lincoln, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi absorbed the fires, and they came back as Xolotl, Wiraqocha Rasca, Chacu Challhua, Cusillu, Ccapac Apu, Aslla Piscu, Ccarayhua, Uru, Qhoa, Huacachina Kon, Ccomnosuma, Ccgojuru, Cuauhcoatl, Itzpzpalo, Rorccon, Llamaca Pacuilla, Ccoshobar, and Ukupacha Callao vanish.

Nico: Now, that's what I call one awesome Earthbound Immortal battle for justice! Lincoln, you, Demona Wendollstein, Emily LeRou, Cathy Russo, Rebecca Maddison, Mia Addison, Emma Langley, Lauren Delaney, Valerie Brinkley, Cora Yenningway, Elizabeth Herodias, Sydney McWilcox, Grace Carmine, Camille Xui, Gina Angellus, Connie Sellingron, Maya Santiago, and Denise Uxi showed that asshole, Dustin Keystone, absolutely no mercy whatsoever!

Me: Yeah, you guys totally destroyed him!

Lincoln: I did say Dustin was going to suffer infinite-fold in the bloodiest fashion imaginable for all the crap he's put me and everyone through all those years ago.

Mia Addison: Now, he's gone forever, along with the rest of his accursed family.

Nico: You got that right.

Selene Emperyous: Dustin was a total asshole who never learns his lesson the first time, and now, he's finally gone for good, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Sandra Emperyous, the Sandaion the Timelord Gene-Slammer and a powerful master of light, and she's got a really nasty revelation about Pablo, Anderson, and Taylor tomorrow.

Nico: (Gasps) Oh, I've got a feeling we're not going to like hearing this one.

Taylor (Loud House): And there's no doubt Sandra's not going to like seeing me again.

Lincoln: We'll make sure to tell her that you've changed, Taylor, and we'll tell her the reason why you were like that.

Me: Good idea.

Sunset Shimmer: And we'll probably meet another Monarch Gene-Slammer for tomorrow.

Lincoln: My guess it'll be the Delg the Dark Monarch Gene-Slammer, Raven Delg.

Nico: Ooh, light and darkness, now that's another two-for-one rescue we'll be looking forward to tomorrow.

Shendu: I have to hand it to Dark Rey. She put up a fight.

Hsi Wu: But we were just stronger.

Me: Yeah but she still gave it her all. We were just more powerful.

Plastique: Of course we were.

Multiplex: Let's load some of the carrots onto the ship.

Girder: We can eat them back home.

Nico: Good idea. Great job today everyone.

Bugs Bunny: (To the viewers) This was an awesome adventure today docs. Now we have more than enough carrots to last forever.

Qin: We sure do.

Nico: Yep. Lets head home.

We went and got tons and tons and tons and tons of carrots and then loaded them up and went onto the ship and went back home. We enjoyed the rest of the day and went to sleep.

THE END

Another awesome fanfic done.

These eight dark goth girls made a deal with The Devil and sold their souls to become dark witches with the powers of black witchcraft and formed a Satanic coven of witches known as The Order of The Black Cross with Morana as the leader of this evil Satanic coven. The goal of these dark goth girls: to cause havoc and chaos in the world and bring about The End of The World. They're also the hated enemies of Morgana DeRose, Adara Dunstan, Autumn Melaina, Raven Duncan, Winter Varyona, and Mara Ceirin of The Knightmare Coven of Justice. Four years ago, Morgana

DeRose and her coven fought Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna, who were trying to sacrifice a family to The Devil to prove their loyalty. But, their sacrificial ritual was interrupted by The Knightmare Coven of Justice barging in and rescuing the family, and Morana and her coven were defeated and were killed by Morgana DeRose and her coven by dropping an electric wire into a pool of blood in their hideout in an abandoned cave mine in the north of Royal Woods. Now, four years later, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna have returned from the dead reborn as demons to get revenge on Morgana DeRose and The Knightmare Coven of Justice, but we're not going to let that happen! The match-up scene for tomorrow is Mara Ceirin, The Knightmare Unicorn Gene-Slammer and Lincoln VS. Elena Charna. For Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of the 1995 movie Lord of Illusions, and Lincoln and his group are teaming up with Occult Detective Harry D'Amour to destroy the evil sorcerer, William Nix. She also HATES Pablo, Anderson and Taylor with a merciless and powerful vengeance and she found out that they were bullying Lynn and some of Lincoln's friends and mercilessly thrashed and pulverized them into dust and she left them in full body casts. She vowed that if she ever saw those three hurting Lincoln and his friends ever again then she would kill them by ripping their hearts out and making them eat them and then she would tie them up and cook them alive over a volcano, along with the Delg the Dark Monarch Gene-Slammer named Raven Delg, she's Lincoln's Guardian Angel from Michigan and his classmate in from Cooking Class and she makes really awesome foods from all over the world. But, she specializes in making Halloween foods, and she is a great Halloween Horror Queen and makes all sorts of things that are scary. But we're not going to kill them this time.

Me: I have a feeling this food planet will be just as awesome and cool as the last one.

Qin: Me too. I hope it's cool too.

Laney: I have this feeling it will be awesome

Nico: Yeah it sure will be cool.

T.J.: All the planets we go to are really cool.

Nico: They sure are. Thanks for coming with me, T.J.

T.J.: No problem Nico. It's going to be awesome helping you out. Even though I'm the last red ranger to help out.

Nico: I know.

Me: But it's still awesome though.

Nico:: T.J., I'm really sorry about what happened at the end of your Turbo Team's initial run.

T.J.: It's all right Nico. But it was a great run leading the Turbo Team.

Qin: It sure was.

Laney: Yeah. Also it was fun though.

Xenia: It sure was.

T.J.: I'm glad it was a good run.

Nico: Rest assured nothing like that will happen again.

T.J.: Thank goodness.

Me: Yeah that was awful.

Qin: It sure was.

T.J.: But thank you guys.

Me: You're welcome. Oh. Miku, Rei, girls, this is also the one year anniversary of when Nico went to your world with Erica and helped you guys. You all went through absolute hell.

Miku Yuuki: Yeah we sure did.

Saya Tekagi: Yeah that was terrible.

Rei Miyamoto: It was a nightmare.

Saeko Busujima: Yeah that was a nightmare no one should ever have to go through.

Camie: What happened back then?

Me: Well it was 1 year ago today.

I went over what happened in the events of chapter 1539 and it was a nightmare.

When I was finished everyone that hadn't heard about it was shocked and horrified.

Nico: Yeah that asshole Kōichi Shidō got what was coming to him.

Me: Yeah. And it turned from a school day into a fight for survival because of him.

Shizuka Marikawa: Yeah that was terrible.

Lincoln: But it's good that it's all gone too

Qin: It sure is.

Nico: But it's good he's gone.

Qin: No kidding.

Laney: Yeah but lets focus on today.

Me: Sorry.

Nico: Those carrots were very tasty.

Me: Boy they sure were. And the rabbits and Jared were in heaven.

Nico: Yeah they sure were.

Eli: Yeah that was awesome.

Nico: And we fought Dark Rey. Again.

Eli: We sure did and that was awesome. And you're right Nico. The M.O.E. needs more lightsaber masters in its ranks.

Qin: Yeah.

Nico: That is true.

Varie: But it was cool.

Me: Yesterday's rescue was so awesome though.

Maria: It sure was and we faced one of the Dino Fury Monsters. It's about time they made their appearance.

Cornelia: It sure is about time. I hope we get to face one of them in this one.

Nico: That is gonna be awesome.

Qin: It sure is.

Nico: And confirmed backup core members are Diane of Envy, Choji, Mikoto, Brandish, Lexi Bunny, Tobias, Animorphs Rachel, Pfish and Chip, Nadine Tyrannus, and Allira Cristant.

Me: Awesome!

Qin: This will be awesome.

Camie: I still feel bad for the Void Knight though.

Cornelia: So do I. But me coming with you guys on your rescue and facing the monsters of the Dino Fury Rangers is perfect to help me prepare for this.

Maria: Your missions are about to begin so it'll be perfect to help you prepare too.

Nico: It sure is perfect.

Eli: And correction Nico, Girder was right about that. We do need more Lightsaber Masters in the M.O.E.'s ranks.

Nico: Yeah sorr.

T.J.: Yep and we're here.

We saw that we were at the planet. It looked like the Grilled Cheese and Tomato Soup planet but it was a different look. We went down to the planet and we saw that it was a planet made entirely out of Grilled Cheese Sandwiches and it had tomato soup rivers and egg noodle rocks and it was amazing!

Eli: OH WOW!

Me: It's a Grilled Cheese Sandwich Planet!

Nico: I call dibs!

Nico ate a sandwich and it was delicious!

Nico: YUMMY!

Eli took a sandwich and dipped it into the soup and it was awesome!

Eli: So delicious!

T.J.: This is amazing.

Varie: It sure is.

Me: This is an awesome place to have some lunch.

Rarity: I agree there darlings. Too bad it's not a cucumber sandwich planet.

Maria: That would be awesome for you Rarity.

Lola: Yeah.

Rarity: It sure would.

Nico: They sure are.

Me: (Eating Sandwiches and Soup and Egg Noodles) Mmm! And the Egg Noodles are as good as the ones my mother makes.

Nico: They sure are.

Qin: I'll say!

Saya Tekagi: They are delicious.

Miku Yuuki: Yeah they are.

Camie was eating a couple of sandwiches and they were good.

Camie: Boy you said it.

May: Let's bring some home for the mascots.

Nico: Good idea!

May put some in a bag.

Eli: (Senses Something) Uh oh we got company.

Nico: Another Omnitrix Alien?

Eli: Yep.

Then a figure came out and it was ANOTHER EYE GUY! It was a black version of Eye Guy.

Me: Whoa! Another Eye Guy!

Qin: This is gonna be a tough one with it seeing in all directions.

Nico: Yep.

Another Eye Guy: (In a girls voice) And It should be Another Eye Girl instead of Eye Guy.

Me: (GASP) Kristine Yoruichi?

Another Eye Guy: That's right J.D. Good to see you.

Nico: The Aspiring Figure Skater?

Another Eye Guy: Yep.

Cornelia: Wow! This is interesting.

Nico: Yeah.

Albedo turned into Negative Eye Guy.

Negative Eye Guy: Did Swartz promise you anything?

Another Eye Guy: Just to be the greatest Figure Skater ever like my idol Kristie Yamaguchi.

Me: Kristie Yamaguchi was the best ever. But you already are the greatest ever. You won a lot of contests and put on a great show for many people.

Another Eye Guy: I sure have and you were there for me too. But I was kidnapped 3 days before you left.

Me: Oh man.

Another Eye Guy: Yeah. Now I see that Swartz lied to me.

Nico: He lied to everyone.

Qin: But he is dead now.

Lola: Yeah he sure is.

Xenia: Good riddance.

Another Eye Guy: Thank goodness.

Qin: Yeah.

Me: Sorry we have to fight like this. KIBAL LETS HOWL!

(JABBERJAW BY PAIN PLAYS)

Me: (SINGING DIVINELY AS FIRE AND LAVA SWIRLS AROUND ME)

Me and my friends get no respect

What does Scooby do that we neglect?

We be puttin' all our foes in check

But me and my friends get no respect

So what? Who cares?

We're doin' it how we like

I'm singin' into my mic, a special underwater mic

Who's gonna save the world? Who's gonna save the days?

From Ahab, crabs who steal and eerie eels with evil rays?

Who's gonna talk like Curly, since Curly isn't here?

Who's gonna chase down villains and then turn around and run in fear?

You know who I'm talkin' about

He's fat and short on brains

And I do not mean Captain Caveman

I mean Jabberjaw!

Tries to further justice without making waves

And to impress the ladies but his subtle ways

Get lost between the sediment and water mains

I will never date you 'cause you smell like bait ("No respect!")

So what? Who cares?

When a supervillain plots

To send an army of lobster bots, to tie you up in sailor's knots?

Who's gonna save the world? Who's gonna save the day?

From Ahab, crabs who steal and eerie eels with evil rays?

Who's gonna talk like Curly, since Curly isn't here?

Who's gonna chase down villains and then turn around and run in fear?

Who's gonna stand for justice, when bad guys break the law?

You know who I'm talkin' about

We're Clamhead, Shelley, and Bubbles, and Biff,

But if you're catchin' a whiff of fish

It's Jabberjaw!

I danced and fired waves of lava and fire and smashed her down.

Nico: OH YEAH! Jabberjaw sure doesn't get any respect does he?

Me: No he doesn't. Nyuck nyuck nyuck nyuck nyuck.

Sougo: (gets out Zeo Ranger V Red Ridewatch) Our turn now!

Geiz: (gets out Red Alien Ranger Ridewatch) It's not everyday I use a Ranger Ridewatch.

Sougo got ZeoRangerVRedArmor while Geiz got RedAlienRangerArmor.

Nico: But you look awesome using one.

Me: Yep.

Another Eye Guy fired lasers at us and I deflected them all over and I flew all around her and she fired lasers at me from every angle.

Me: WOW! She has 360˚ Vision! She can see me fly wherever I go.

Another Eye Guy: Yeah it's true.

I landed by everyone.

Once in a lullaby

Oh, somewhere over the rainbow

Blue birds fly

And the dreams that you dreamed of

Dreams really do come true, ooh-ooh

Someday I'll wish upon a star

Wake up where the clouds are far behind me

Where trouble melts like lemon drops

High above the chimney tops, that's where

You'll find me

Oh, somewhere over the rainbow

Blue birds fly

And the dream that you dare to

Oh, why, oh, why can't I?

Well, I see trees of green and

Red roses too

I'll watch them bloom for

Me and you

And I think to myself

What a wonderful world

Well, I see skies of blue and I see

Clouds of white

And the brightness of day

Highlight the dark

The colors of the rainbow, so pretty in the sky

Are also on the faces of people passing by

I see friends shaking hands

Saying, "How do you do?"

They're really saying, "I, I love you"

I hear babies cry and I watch them grow

Then a figure appeared and it was TARRICK THE VOID KNIGHT!

---

Tarrick is the initial main antagonist of Power Rangers Dino Fury and the father of Amelia. He is an alien from Rafkon who morphed into the armored Void Knight and led the Sporix Army before being usurped from his rule by his previously comatose wife Santaura, who forcibly brainwashes him into Void King. However, Tarrick turns back to normal upon realizing that Amelia is his long lost daughter and then he aids the Rangers during the final battle against Void Queen.

Tarrick arrived on Earth with his wife Santaura and their baby approximately 20 years ago on a scavenging mission for the Rafkonian descendants. Upon arriving, however, the three of them were locked up inside Area 62. 62 days later, a failed experiment caused the facility to evacuate. The hole in their cell wasn't big enough for the two of them, but it was big enough for them to hand their baby over to the janitor, Ed Jones. Santaura was hit with the explosion and then a piece of falling debris, causing her to go into a coma but not before swearing revenge on the humans for what they did. After Area 62 was abandoned, Tarrick put her in cryosleep and built a machine to revive her, but it didn't have enough power on its own. He found the Dino Knight Morpher, Dino Knight Key and Chromafury Saber in a chest in Area 62 and modified it to morph into Void Knight. He then sought out a powerful energy source coming from Dinohenge.

Void Knight had raided the base of the Dino Fury Rangers in search of their Sporix, which were sealed underground Dinohenge millions of years ago in the aftermath of the Great Sporix Wars. His attempt was interrupted by the combined efforts of Amelia Jones and Ollie Akana, who became the new Pink and Blue Rangers, while Solon awakened Zayto, the Red Ranger. Void Knight escapes after gaining control of the Hengemen.

A brief time after Mucus hatches, Void Knight returns to Dinohenge along with Shockhorn as muscle in order to find the entrance to the Ranger's base so he can retrieve his energy scanner (which was taken by Ollie and his mother). Unfortunately, Solon has equipped the base with a force field so this fails. When he's informed about the presence of another Sporix Beast, Void Knight sends Shockhorn to find it whilst he threatens Dr. Akana into starting the scan so he can find more Sporix. After Shockhorn returns along with their new ally Mucus, the Rangers appear, and a fight soon ensues, but the battle ends with Void Knight's scanner being destroyed and Shockhorn flying through the air. Void Knight tries to get revenge on her but is cut off by the Rangers and had to retreat since he is outnumbered, Mucus is a poor fighter, and Shockhorn is nowhere to be seen. After Shockhorn grows giant and is defeated by the T-Rex Champion Zord, Void Knight retrieves the Sporix Beast who has been reduced to his unhatched form once again (due to the Sporix becoming stronger after being defeated in their giant form). Void Knight, along with Mucus later arrives at Area 62; an old, abandoned facility that they will use as their base where he puts Shockhorn's unhatched form in a machine but soon realizes that the machine requires way more Sporix in order to be at full power.

Following Vypeera's defeat when she is reverted to her Sporix egg form, Void Knight comes to collect her to give his machine more power but is too late as Zayto, Ollie and Amelia take the egg back first before teleporting away. Enraged, Void Knight swears that the next time they crossed paths, the heroes wouldn't be able to reclaim the next Sporix egg.

Later Void Knight finds himself busy building his newest creation Boomtower so, when Mucus returns with a new Sporix Beast called Draknarok, Void Knight introduces his new creation and sends the team to look for the Nephrite Orb in order to make Boomtower stronger, claiming that he wants no mistakes made. He is later seen looking like his team fail to get the Orb and the Rangers beat him in capturing Draknarok's egg form whilst also finding out that the Rangers have two new members although he states that it still won't be enough.

Whilst working in his secret room, an impatient Boomtower steals one of the Sporix Cells they obtained and places it inside his chest to gain more power. However, Void Knight eventually finds out and angrily teleports to where Boomtower and Mucus are fighting the Rangers, dragging the two back to Area 62 and leaving a squad of Hengemen behind to deal with the Rangers. Despite being mad at Boomtower, he seems to have let his general keep the Sporix Cell, possibly after hearing how powerful he became because of it.

Void Knight, Mucus, and Wolfgang see the destruction of Doomsnake by the Rangers and the Dino Fury Megazord Blade Formation. Void Knight orders Wolfgang to mark his territory and the latter lets out a mighty howl, strong enough to disassemble the Megazord entirely. After seeing this, Void Knight orders Mucus to collect Doomsnake's Sporix Cell. She does it and having overheard the conversation between the Rangers and Mick about the Nexus Prism, teleports back to relay the news to Void Knight. Void Knight sends Wolfgang to capture Mick and find the Nexus Prism, but the Rangers succeed to save him. At Area 62, Wolfgang apologizes to Void Knight for failing to capture Mick, but the latter angrily asks how they will be able to find the Ninja Nexus Prism now. Boomtower volunteers to find it, claiming that he could destroy the Rangers thanks to his Sporix Cell, but Void Knight warns him not to bother coming back if he fails again. Boomtower agrees to these terms under the condition he gets to bring Wolfgang with him. After Boomtower was destroyed, Mucus tells Void Knight about the robot's death and gives him Wolfgang's Sporix Cell but the warlord, not saddened by the death of his second in command, is not happy because thanks to his creation's idiocy, they only have a powered up Sporix Cell and not the Ninja Nexus Prism. To further Void Knight's frustration, the Cell only powers up the machine by a margin, getting impatient that this is taking too long for him to handle. Void Knight retreats to his secret room, which is revealed to house a comatose woman inside a cryogenic chamber - his girlfriend, Santaura. Void Knight promises her he will bring her back.

Void Knight, Mucus, and Roostafa manage to get a few Sporix Eggs but, when Mucus returns empty handed, he isn't disappointed since he is able to find a good haul of Sporix.

Off-screen, Void Knight and Mucus create a new robot, Slyther and, impressed by Slyther's shapeshifting abilities, Void Knight orders him to pretend to be a Rafkonian in order to fool Zayto and steal Stonehenge's Sporix. Despite almost succeeding, this plan ultimately falls through.

Mucus and Slyther later seemingly captures all the Rangers' Sporix in a chest, and they give them to him in a surprise event, but they disappear once the chest is opened as it is a fake chest created by the Rangers. This revelation makes Void Knight think his generals played a prank on him and makes him go berserk on them, brutally beating both Slyther and Mucus. After his outrage, Void Knight goes back to his secret room, takes his helmet off, and apologizes to Santaura for their recent setbacks.

When a cloaked figure enters Area 62 and tries to steal his Sporix, Void Knight threatens him and asks him who he is. The mysterious figure reveals himself as Lord Zedd, the Emperor of Evil that has been brought back to life at his most evil state by the wizard, Reaghoul, and is being controlled via a Compliance Collar. Void Knight is easily beaten by Zedd but later makes a deal with Reaghoul to give him one Sporix in exchange for the Power Rangers as stealing them could set them free from the machine and have catastrophic effects. Unfortunately for Reaghoul, Lord Zedd breaks free of the collar and escapes. The necromancer returns to Area 62 empty handed and defeated only for Void Knight to put him in a high voltage cage and put sleepy cuffs on him instead of destroying him as his powers could be useful later.

Void Knight recruits the Stone Triplets to deal with the Rangers and also plants sleep bombs all over Pine Ridge to put all the citizens to sleep, including a big one that Izzy has only five minutes to deactivate. However, this plan falls through completely.

Void Knight later recruits Boneswitch to help him get Purple Beard's talismans and body-swap any Rangers that might interfere with his plans. Boneswitch fails in getting the talismans and is destroyed by the Mosa Razor Zord, reverting back to his Sporix egg form. Void Knight is able to retrieve his Sporix saying that his sacrifice will not be forgotten before teleporting back to his Base.

## Endgame

Void Knight is later present with Slyther and Mucus on Dinohenge, observing Dr. Akana's experiments with the Morphin Grid and how its powers help charge the Cosmic Dino Key. His discovery of this fact leads him to switch his plans into taking the power of the Morphin Grid to energize his machine, ignoring his quest for the Sporix altogether. He then frees Reaghoul from his imprisonment and has him revive Boomtower and later steals Dr. Akana's equipment whilst the Rangers are busy dealing with the revived general.

Void Knight then prepares Dr. Akana's machine for his plans and has his generals hunt the scientist for the missing capacitor. He enters Santaura's chamber one more time before he leaves for the next phase of his plan. Void Knight attacks Dr. Akana with Boomtower, Reaghoul, Mucus, and Slyther. Then, he leaves with her capacitor. Later on, after Boomtower and Reaghoul's deaths, Void Knight captures all the Rangers except for Ollie, and hooks them up to the machine containing Santaura, nearly succeeding in his goal. Just when he's about to succeed in reviving her, Ollie destroyed the Dinohenge statues and ruined his plans. An enraged Void Knight fights the unmorphed Rangers with the Hengemen. He easily defeats Amelia and Izzy. However, Izzy immediately damaged his machine and has Aiyon destroy Dr. Akana's capacitor, causing a huge explosion which apparently destroyed both Void Knight's machine and him, with the only thing left of him being his Void Saber that Zayto promptly discards and celebrates the Rangers victory over Void Knight. After the Green Morphin Master restores the Rangers' powers and they prepare to deal with another Sporix Beast, Void Knight's helmet is seen lying on the floor of Area 62 along with Santaura who is still in stasis.

## The Return of Void Knight

It is later revealed that Tarrick survived his apparent demise. He managed to recruit Bitscreem and win back Slyther and Mucus' trust. He would then order them to retrieve both his Void Saber and the Fix-It Dino Key from the Rangers. After his generals successfully recovered both items, he would use them to repair his broken Void Knight armor and suit up again. He would then appear in front of the Rangers before he teleported away with Bitscreem's Sporix.

Later, Tarrick and his crew receive Wreckmate back, who had survived, accepting him back into the team, and seeing that Wreckmate was more powerful thanks to the potion of Slyther, who became the general's rival, Tarrick ordered his minions defeat the Rangers, which effectively failed again.

Some time later, Tarrick successfully revived Santaura with sufficient Sporix energy. However, upon her awakening, he learned that she desires revenge and seeks to destroy Earth, putting him at odds with her. Santaura's eventual transformation into Void Queen finally convinced him to seek help from the Rangers.

Tarrick would defect from the Void Family and went on a run. He then assisted the Rangers in defeating Trackenslash by weakening the Sporix Beast with a powerful Void Slash.

Upon learning that Void Queen sent Snageye to capture the Rangers, Tarrick immediately warned the Rangers about this, but is met with a hostile response from Zayto. After most of the Rangers got captured, Tarrick would team-up with Javi to defeat Snageye before the robot captured the latter. He managed to deal enough damage to Snageye's buckle, giving enough opening for Zayto to escape the pocket dimension. Tarrick immediately handed over the Dino Knight Morpher to Zayto so he can beat Snageye before taking cover to recuperate. After the Rafkonian defeated Snageye, Tarrick introduced himself to the Rangers. But before he can tell anything, Void Queen appears and take him away.

## Becoming Void King

After being captured, Tarrick would be forcefully transformed and brainwashed into Void King by Santaura using the power of Sporix. He then appears to battle the Rangers, defeating them easily.

Freed and Reunited

After Ed Jones told Amelia her parents were Rafkonians held at Area 62, she went there to investigate, not knowing it was also Void Queen's base. During a confrontation with Void King, she leaps in front of him to defend her fellow Dino Fury Rangers. Using Rafkonian mind powers, she freed Tarrick of Void Queen's spell. Tarrick revealed that he and Santaura were Amelia's parents.

After Void Queen absorbed the Sporix and envelopes herself in a pod that that threatened to level Pine Ridge, Tarrick used the Dino Knight Morpher to morph into Void Knight again and teleport the pod from BuzzBlast to the desert. The Morpher was destroyed in the subsequent explosion. Tarrick attempted to talk to Santaura but Void Queen did not answer to that name.

After Zayto destroyed Nemesis Beast and Amelia rescued her mother by touching her and restoring all her memories, Tarrick and Amelia settled at Area 62 with their fellow Rafkonians. Six months later, Tarrick and Santaura were revealed to be expecting another child.

---

We gasped!

Nico: The Void Knight!

Me: Tarrick the Void Knight!

Tarrick: So you are the famous Team Loud Phoenix Storm.

Me: You know the funny thing is we all thought you were the bad guy but now we have many different opinions and views now. We found out that you are trying to revive your wife. Lot of good that did for you.

Tarrick: Actually, Santaura is free from Void Queen, her evil Sporix persona. The rest of our history you'll have to find out on your own.

Maria: We'll keep that in mind.

Me: Good. But if Void Queen comes back and I have a feeling she will during Cornelia's big day mission we can destroy her without having to kill Santaura.

Tarrick: I know.

Me: But the shocking part of the series is that we found out that you and Santaura are Amelia's parents.

Eli: That is completely amazing!

Tarrick: It sure is and Amelia is going to have a sibling soon.

Qin: Wow!

Nico: Yeah. Cornelia you and J.D. will face him while we face the Another Eye Guy.

Me: Right.

Me and Cornelia went over to him.

Me: This is gonna be awesome.

Cornelia: It sure is.

Tarrick: Yep.

Cornelia: Mick Kanic mentioned he had an encounter involving you and the Dino Fury Rangers the other day.

Me: I remember that.

Tarrick: Yes he did.

Me: Yeah. But I also remember seeing that Amelia found out that you were her father and Santaura was her mother. That must've been a helluva revelation for her.

Tarrick: It was. But she saved us both and she is a true hero.

Me: Yeah. She sure is.

He went at us and Me and Cornelia then clashed with him and massive numbers of fiery explosions were blasting out as we were fighting.

Kouta: WHOA! Just like with me and Kaito!

Kaito: Yeah!

Eli: Unbelievable! Go bro!

Maria: Go Cornelia!

Nico: YEAH! (Activates Sumo Kong's Ridewatch)

Nico smashed the ground and smashed down Another Eye Guy.

Me and Cornelia clashed with him all over and sparks were flying and massive numbers of explosions went off everywhere!

Tarrick: You fight amazingly well.

Me: Had lots of amazing teachers.

Cornelia: Yeah.

He jumped back and fired energy bolts at us and I deflected them and massive fiery explosions blasted off all over.

Cornelia: I may not be a Ranger right now. But I can still pack a punch!

She formed an Earth fist and smashed him down.

Me: YEAH! Tarrick you should be really proud of your daughter. Amelia has come a long way since she became a Dino Fury Ranger. And just a couple of months ago she helped us and the Zenkaigers and 45+ Years of Rangers take down Super Warumono would with us.

Tarrick: I heard so much about that. After we defeated the Void Queen, we had so much catching up to do. I'm so proud of her.

Me: I'm glad you are. 20 years really changed her in so many ways.

I invited the Kiramagers and Dino Fury Rangers to help us out.

Tarrick: That is amazing.

Me: It sure was.

I fired waves of blue fire and smashed him down.

Nico: YEAH!

Tarrick: Although I also heard that they first helped you guys fight that idiot Officer X.

Me: They sure did.

May: He kept going after the mascots and even yelled at Manaphy!

Me: And he was an insane nut. But he's now in the Saturn Nuthouse.

Tarrick: It's good he is in prison. And J.D. that was a good performance you put on with pretending to go along with Lex Luthor.

Me: I had to make it convincing. I knew that Lex Luthor was lying so I didn't want to arouse any suspicion with him and his fellow villains.

Tarrick: It was well done.

Me: Thanks.

Another Eye Guy: You guys went through a lot didn't you?

Nico: That's putting it mildly.

Aylene C.: Yeah it was crazy.

Nico: But J.D. didn't have to make it that believable.

Me: Sorry Nico I have a tendancy of overdoing it to a certain degree.

Nico: True.

I fired waves of blue fire and smashed down Void Knight.

Me: Also in the future you'll be getting Z the Yellow SPD Ranger as your archenemy in the Masters of Evil.

Tarrick: I heard. Vypra said that she will be awesome for me.

Me: She sure is.

Nico: It's too bad Eli wasn't featured in that memory montage.

Eli: I know! I wasn't with the team back then. Sorry.

Nico: I know.

Tarrick: But you are as powerful as you say J.D.

Me: So are you Tarrick. You have a lot of power yourself. But you and your fellow Sporix are going to make awesome members of the M.O.E.

Qin: We have many of use ready to face them too.

Nico: Yep. Now lets finish this up.

?: I'll do that.

Suddenly an Eanoc, Sentry of Ghoti came!

Me: Whoa! Eanoc, Sentry of Ghoti!

Eanoc: (In a girls voice) And I'll take care of this.

Nico: Sirena Cammecola!

She reverted back and she was a mermaid with blue hair and a blue tail and fin and a blue clamshell bra.

Varie fired waves of water and put her in a water ball.

Sirena Cammecola: It's awesome to see you again Nico and you too Qin.

Qin: Its been a long time Sirena.

Sirena Cammecola: I got this.

She fired a wave of energy and smashed down Another Eye Guy and I got the ridewatch and purified it and then I went over to Kristine and she was a girl with black hair and had a blue leotard and skirt on and she had ice skates on and I picked her up.

Kristine Yoruichi: (GROANS) What a headache.

Me: But you're back to normal.

Tarrick: (sighs) I'm not sure what happened to Zayto after the final battle with Void Queen. But I just hope you find him soon.

Me: I know he's not dead. He would not go down that easily.

Cornelia: Yeah I know he wouldn't.

Nico: Yeah.

Sirena Cammecola: I agree. Someone like Zayto is too tough.

T.J.: I agree.

Me: Maybe there's a possibility we'll find him before we start Cornelia's ambassador missions.

Nico: Maybe.

T.J.: Yeah. So Sirena what's your favorite memory of Nico?

Sirena Cammecola: My favorite is when me and Nico were in the Philippines and we found an awesome undersea sunken ship and we found the treasure in it and it was all full of jewels.

Nico: That was fun.

Nicole: Wow! That is amazing you found that treasure.

Qin: I remember that. That was so awesome.

Nico: Yep.

Nico held her hands.

Nico: I've missed you Sirena.

Sirena Cammecola hugged him from the water ball.

Sirena Cammecola: Me too Nico. Me too.

We went back home.

Lincoln: Whoa, we're here in the world of the 1995 movie Lord of Illusions, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also teaming up with Occult Detective Harry D'Amour to destroy the evil sorcerer, William Nix.

Me: This is really going to be so awesome. I saw Lord of Illusions long ago, and it was really intense. Plus, William Nix is a dangerous sorcerer with the power of magic and he not only formed a cult, but he also tried to sacrifice a girl, telling his followers he will save the world and grant them wisdom.

Nico: Until Nix was defeated and Swann fastened an ironwork mask over Nix's head in order to "bind" him and his power, and Nix died.

Eli: Until he came back, but with a monstrous appearance.

Lincoln: And he's still as dangerous as ever. But, the magic we wield and knowledge we possess is far more powerful than what he's capable of, so we're going to put an end to him for good and put a stop to his plans to destroy humanity, and thanks for joining us, Scott.

Scott Truman: You're welcome, Lincoln, we're going to put a stop to that mad sorcerer and stop him for good. Plus, we're going to meet the next of Selene's sisters and the next Monarch Gene-Slammer.

Lincoln and Selene Emperyous: Sandra Emperyous and Raven Delg, no doubt about it.

Nico: Plus, you also have a plan in place, right?

Lincoln: That's right. See, Nix has a mystical third eye, and that's actually the source of his power.

Harry D'Amour: So, if we shoot that, it'll severely weaken him greatly.

Sima Yi: But, there's no doubt he'll probably have his followers with him, now that he's come back from the dead.

Lincoln: That's just what I was about to say, Master Sima Yi. But, Nix is going to double-cross them and kill them, so that he can get Swann to rejoin him. However, I have a few tricks up my sleeve for that mad sorcerer, Nix.

Lincoln summoned some Elemental Warriors, and they went off to attack Nix's followers, which'll truly anger Nix.

Sheena Kagari: Looks like you can also create some Elemental Warriors to help out as well, nice one.

Lincoln: We can also create Imaginators from the Ten Elements of the Skylands as well.

Crash Bandicoot: You got that right.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by William Nix and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by William Nix and he's going to kill them.

?: (Girl's voice) That ruthless mad sorcerer!

?: (Girl's voice) Let's rip it in two!

Suddenly, we saw the Duel Monsters, Sandaion the Timelord and Delg the Dark Monarch appear before us.

Nico: Whoa, that's Sandaion the Timelord and Delg the Dark Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Sandra Emperyous and Raven Delg, but we'll talk later, we've got a mad sorcerer to destroy.

We rushed over and before William Nix could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at William Nix and fired a bullet from a gun which destroyed the mystical third eye of Nix and his power was severed, and that allows the six girls to get to safety inside a rainbow energy field created by Lincoln to protect them from William Nix, and when the mad sorcerer saw us, he was furious.

William Nix: What have you fools done?!

Lincoln: Stopped your plans to destroy humanity.

Rayman: And we've shown no remorse for what we've done, and now, your hour of judgement has come at last.

Lincoln: Let's get him!

Then, Lincoln fired elemental swords with a swing of his massive greatsword and the swords pierced and slashed the mad sorcerer and he was destroyed, and his dark soul was sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's it for you, William Nix, and now, your days of trying to destroy humanity are over. (To Sandra Emperyous and Raven Delg) And it's so good to see you again, Sandra Emperyous and Raven Delg.

Sandra Emperyous reverted back to normal, and she was a beautiful girl with long flowing yellow hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful yellow angel wings with stars in them, and she was dressed in a sleeveless yellow midriff top, long yellow skirt with the Sephiroth Tree of Life on it, yellow pants, orange knee-high high-heeled boots with butterfly shoe buckles, and long white sleeveless trenchcoat with light and angels on the coattails and Sandaion the Timelord on the back and holstered on her back is a large Sandaion the Timelord-themed greatsword with Sandaion the Timelord etched on the 7'0" massive, wide, double-edged yellow blade, large yellow angel wings for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large yellow angel wings and a large blue gem below the angel wings for the pommel.

Sandra Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, and Vorya.

Raven Delg: Same with you, Charlene, and Varie as well, Hilary.

Hilary Thestalos: You too, Raven.

Selene Emperyous: Same here, Sandra.

Lincoln went up to Sandra Emperyous and Raven Delg and he hugged them both and they hugged him back, and Sandra Emperyous and Raven Delg were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sandra Emperyous: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Raven Delg: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Sandra Emperyous, she's my Guardian Angel from Michigan and the fourth born of the Emperyous Sisters. She's a powerful master of light and she has amazing light powers that can illuminate the night sky and turn night into day. She is also an amazing singer and has a voice that is so divine that all the animals can sing to it.

Selene Emperyous: Yep, and she has the admiration of Luna, Sam and their friends for having an awesome singing voice. She also HATES Pablo, Anderson and Taylor with a merciless and powerful vengeance.

We gasped.

Lincoln: I still remembered what Sandra did to them long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Raven Delg, she's my Guardian Angel from Michigan and my classmate from cooking classes and she's from Cooking Class and she makes really awesome foods from all over the world. But, she specializes in making Halloween foods, and she is a great Halloween Horror Queen and makes all sorts of things that are scary.

Nico: And since Halloween's coming up, I knew we'd run into her here.

Lincoln: You got that right, and she can even bring anyone's worst fears to life and even use them to scare them BADLY. She's known as The Queen of Halloween, and Raven also HATES Lewis Travolta with a vengeance and she has a lot of revelations about that jerk that will make you go ballistic on him, Nico.

Nico: Uh oh, so we got two revelations coming up: one about Pablo, Anderson, and Taylor and another about Lewis Travolta.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared around Sandra Emperyous' neck and Raven Delg's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Sandra Emperyous and Raven Delg: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Sandra and Raven.

Sandra Emperyous and Raven Delg had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Chocola, Vanilla, Azuki, Cinnamon, Coconut, and Maple from Nekopara.

Lincoln: Oh wow, it's Chocola, Vanilla, Azuki, Cinnamon, Coconut, and Maple from Nekopara.

Nicole: Awesome.

Lincoln: Are you girls okay?

Chocola: Yes, we're okay, thanks to you.

Then, when Chocola and the five other girls saw who it was that saved them from William Nix, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Chocola: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Chocola: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Chocola, Vanilla, Azuki, Cinnamon, Coconut, and Maple with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was the mad sorcerer, William Nix.

But, when Lincoln showed what we did in beating him up and Lincoln killing him and sending his soul to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Sandra Emperyous, and Raven Delg have a lot of catching up to do, now that they're back in town.

Maria: Wow, this was an awesome two-for-one rescue, not only did you meet the next of Selene's sisters, but also another Monarch Gene-Slammer, and William Nix is gone for good.

Lincoln: That mad sorcerer had to pay the price for his crimes against humanity.

Me: He'd messed with magic, and look at what happened: he went mad with power.

Nico: And now, he's gone for good. What a monster.

Morgana DeRose: For him to mess with magic and go mad with power and threaten to destroy all of humanity, he's just as bad as those who've used black magic for evil.

* * *

After killing William Nix, we were training intensely in the gym, this time, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sandra Emperyous and Raven Delg saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever,

they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sandra Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Raven Delg: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sandra Emperyous: That's incredible.

Nico: It sure is. So, Sandra, Raven, what are the horrible revelations you have on Pablo, Anderson, Taylor, and Lewis Travolta?

Sandra Emperyous: Let me go first, and let's just say I already know Taylor was like that, thanks to her former asshole dad who also killed her mother. I found out those three were bullying Lynn and some of Lincoln's friends and I mercilessly thrashed and pulverized them into dust and she left them in full body casts. I vowed that if I ever saw those three hurting Lincoln and his friends ever again, I would kill them by ripping their hearts out and making them eat them, and then, I would tie them up and cook them alive over a volcano.

We gasped at what Sandra said.

Nico: Damn, now that's a really brutal vow. But, now we got Pablo and Anderson being humiliated at Lynn's Table for life.

Raven Delg: Good thing too, and I'm glad Taylor has since become a new person.

Lincoln: It was thanks to Sunset Shimmer for that one. Plus, she also has her mom back as well.

Raven Delg: Awesome, okay, now it's my turn. I found out that Lewis Travolta has not only caused a ton of trouble at Lynn's Table, but he's also caused a ton of trouble at some of the most awesome chicken wings restaurants and he got them falsely shut down and their businesses ruined, and he'd also planned to kill every last girl in Nico's harem, along with his wife, May, and their kids, just because he wants him to suffer, and he was also going to piss on their graves!

We gasped even more, and when Nico heard it, his face turned red, his hair turned to living flame, his nails grew into claws, and his teeth turned sharp: he was MEGA PISSED OFF AT LEWIS TRAVOLTA!

Nico: Why, you BIG, FAT, UGLY PALOOKA!

Nico stormed off to Lynn's Table, and when he saw Lewis Travolta, he pounced on him and he brutally pummeled Lewis Travolta in a fit of really horrible rage, he even slashed at him with his nails grown into claws, and blasted him with powerful blasts of fire and energy, and that caused Lewis Travolta to belch out tons of gold coins and precious jewels. We came down to Lynn's Table, and Nico was done.

May: Honey?

May ran up to Nico and hugged him tightly, and when he saw and felt her hugging him tightly, he then turned to May and he hugged her back.

Videl Chan: Dad, are you okay?

Nico: I'm okay, sweetie, I'm okay now.

Raven Delg: Nico, I'm so sorry that I…

Nico: It's okay, Raven, but after what you told me about him, you just prevented any attempts on the lives of my children and my harem, Lincoln's a lucky man to have that many Guardian Angels always looking out for him.

Raven Delg: We all made it our responsibility to protect him, and we are also his future wives, and he's also done the same protecting us as well.

Lincoln: That's right. Oh, and one last thing.

Lincoln guzzled a huge bottle of hot sauce and he let out a massive belch and blew a huge blast of fire at Lewis Travolta and he was badly burned, and he even burned off Lewis Travolta's eyebrows, and we laughed hysterically.

Nico: Oh man, now that was really spicy!

Hilary Thestalos: Lincoln told me that one of Lisa's inventions not only gave him the power to imitate voices, but also, blow fire from his mouth, that's really awesome.

Rita: And another of her inventions not only gave me stretchy powers, but I also got my lightning powers from Taranis, watch this.

Rita formed her right hand into a mallet and she stretched it out and she whacked Lewis Travolta on his head, and she fired a powerful blast of lightning and electrocuted him and more coins and jewels came out.

Hilary Thestalos: Whoa!

Nico: Yeah, and you still remembered Ms. Rita's reputation of fiercely defending her kids from anyone who tries to hurt and/or kill them?

Hilary Thestalos: How can I not? Any who mess with the Loud Siblings will be dealing with Mama Loud, and it'll get pretty nasty. I still remembered when Lincoln told me of what she did to Principal Huggins and all that for the comic book contest, pretty petty if you ask me.

Gohan: But, he apologized for it. But, the one teacher who really got the full extent of the wrath of Ms. Rita and my mom was Mr. Shu when he brutally beat up and abused Lynn.

Selene Emperyous: That good-for-nothing teacher who abused you?! Why, that… ! I'll call down the judgement of God on his ornery hide!

Gohan: There's no need for that, Selene. Ms. Rita and Mom destroyed his entire skeletal system and he's no longer able to walk anymore and he was also sent to prison for life. Lincoln also saved the photo of what happened.

Lincoln showed the photo, and Hilary laughed so hard, she fired a blast of fire at Icky Vicky, and she got burned.

Hilary Thestalos: Whoops.

Lincoln: No need to apologize, Hilary, but that was a nice shot.

Nico: Yeah, ooh, next time, guzzle down a bottle of hot sauce, and that'll make things even more spicy.

Hilary Thestalos: You're on.

We came back home and we got a shower afterwards, and then, Lincoln, Princess Adora A.K.A. She-Ra, Princess Glimmer, and Lonnie are heading to Green Hill Zone, and Clyde, Catra, Scorpia, and Kimberly (Street Fighter) are heading to Angel Island.

Princess Adora: Wow, so this is Green Hill Zone, this place is so amazing.

Lincoln: It sure is, Adora.

Clyde: And we arrived at Angel Island, and Catra, Scorpia, and Kimberly love it here, and Adora, Princess Glimmer, and Lonnie love Green Hill Zone, right, Lincoln?

Lincoln: Yep, they sure do. (To Princess Adora, Princess Glimmer, and Lonnie) Shall we?

Lincoln, Princess Adora, Princess Glimmer, and Lonnie got started with exploring Green Hill Zone, and Clyde, Catra, Scorpia, and

Kimberly got started with exploring Angel Island, and they were amazed by the animals and the plants there as well. Then, they had some lunch, and then, Lincoln and Clyde made clones of himself, and they and the clones went up to Princess Adora, Princess Glimmer, Lonnie Catra, Scorpia, and Kimberly, and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln, Clyde, and their clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln, Clyde, and their clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate, and Nico and I saw Lincoln Clyde had had lipstick marks all over their faces and massive and muscular upper bodies and eight-pack abs.

Nico: Hey, Lincoln, Clyde, how was your dates?

Lincoln: It was awesome, Nico, me, Princess Adora, Princess Glimmer, and Lonnie went to Green Hill Zone.

Clyde: And me, Catra, Scorpia, and Kimberly went to Angel Island, and we both explored the place.

Knuckles: Glad you four loved exploring my home.

Sonic: And you, Princess Adora, Princess Glimmer, and Lonnie had a lot of fun exploring one of my favorite places. Say, how did each of you girls fall in love with Lincoln and Clyde?

Princess Adora: Now, that's something I've been wanting to tell you. Me, Glimmer, and Lonnie were heading down to the Gotham Royal York Mall for a little shopping, but then, we got attacked by a bunch of men and we soon found out Flip hired them to kill us. Lincoln came in and he fired blasts of lightning and electrocuted them and they got knocked down, and he imprisoned them in energy orbs and had them sent to prison. He then went up to us and checked to see if we were injured, but we were okay. But, we soon felt that we now had feelings for Lincoln, and we eventually became part of his harem.

Teela: When we heard the news, we were really proud of them.

He-Man: Which means Lincoln's going to be my future brother-in-law when they get married in the future.

Nico: You got that right.

Catra: That's right. Now, for our story. One day, me, Scorpia, and Kimberly were heading down to Lynn's Table for some lunch, but then, we got attacked by three hitmen who want to kill us, and we soon found out Flip hired more men to kill us. Clyde came in and he fired three time energy blasts and they aged until they turned to dust. He then went up to us and checked to see if we were injured, but we were okay. But, we soon felt that we now had feelings for Clyde, and we eventually became part of his harem.

We cheered wildly.

Me: Now, that's really awesome!

Eli: And Flip's gone too far this time!

Lincoln: After the girls told us of who hired those men, Clyde and I went down to Dad's restaurant and we brutally pulverized Flip all over the place, and we also left our marks with branding irons we branded on his butt and hairy stomach.

Nico: Nice.

Me: That cheapskate just doesn't even know when to quit!

Lynn Sr.: Flip's way too obsessed with wanting to get rid of us, and his greed's destroyed his brain, if he even had a brain at all.

Lincoln: Better that we have be humiliated for the rest of his life, and the curses that I put on him and the other jerks made sure of that.

Eli: Yeah.

---

At the mall we got some serious awesome shopping done. We had a huge haul full of bags of clothes, jewelry, video games and more.

We were heading to the escalator and the mascots decided to do something funny.

Mercury (Mega Man): What are you guys doing?

Poromon: Having a race on the escalators!

Poliwag: Yeah!

Horsea: We're going to see who can win by going up and down them.

Me: Is that even possible?

Nico: I don't know.

Izzy Moonbow: On your mark. Get set. Go!

Poromon: LAST ONE THERE'S A ROTTEN EGG!

They ran and bounced and up the escalators and had fun.

Timmy Turner: This is better than when my stupid parents took me to Escalator Land.

Nico: Did you like that Timmy?

Timmy Turner: No way! That was for babies.

Me: Your parents were total morons.

Qin: Yeah.

Camie: No kidding.

Drillhorn: Who's winning right now?

Nico: Too close to tell.

May: And the winner is MANAPHY!

She came first and Poromon was second.

Poromon: Wow1

Manaphy: Yay!

Qin: That was fun!

Xenia: It sure was.

Camie: Yeah it sure was.

Drillhorn: Way to go Manaphy!

Nosecone: Nice job, Manaphy! Here's your reward!

He gave her an awesome and delicious cookie.

Manaphy: Thanks.

She was eating it and it was tasty.

Nico: That was awesome though.

Eli: Yeah it sure was.

Varie: Yep.

We later went back to the estate and put everything we bought in our rooms.

Nico: Okay. Now to get ready for our next mission.

Eli: Yep. The next mission is on a food planet again.

Nico: Cool.

Hunch: Enjoying the cookie, Manaphy?

Manaphy: It was delicious.

Nico: Glad you liked it.

But then King Kai called.

King Kai: (Telepathically) Nico, everyone can you hear me?

Nico: King Kai we hear you. What's wrong?

King Kai: I'm afraid I have bad news! The Kids Next Doors evil foes the Delightful Children From Down The Lane have escaped from the Warp and are back on the food planet you're heading too.

We gasped!

Qin: Those Delightful Dorks don't know how to take a hint!

Camie: Who are the Delightful Children?

Ashley (KND): They were us originally. We were brainwashed by Father.

Nico: These guys are bad news.

Me: Yeah. And we destroyed them many times.

I went over their history.

The Delightful Children From Down The Lane are one of the central antagonists in the Cartoon Network series, Codename: Kids Next Door.

They are a group of brainwashed sophisticated children who plan on taking down the Kids Next Door organization using their advanced technology and an endless supply of wealth. They work for the series main antagonist, Father.

They were voiced by Benjamin Diskin, Dee Bradley Baker and Cree Summer respectively.

Past

It is revealed in "Operation: Z.E.R.O", that the Delightful Children are none other than the operatives of the legendary "lost sector" of the KND, Sector Z. They were a group of Kids Next Door members who worked with Numbuh Zero to take down Grandfather. Some unknown time later, Father captured them and put them into a Delightfulization chamber. It blew a fuse, increasing it's power by "elevendy-billion"-fold, causing the machine to be destroyed. However; it ended up making Sector Z into five "Perfect Delightful Children", permanently inflicted with the machine's Delightfulization effects.

Mrs. Goodwall then showed up, and the Delightful Children begged for their freedom. After finding out that Sector V was meant to be fed to a giant bully, they mocked them for it. While Sector V was panicking, the Delightful Children started playing music on a record player that was in their cage. The Delightful Children began anxiously pacing around their cage thinking about how angry Father would be when they didn't show up for curfew. Numbuh 5 then proposed that they worked together, and so they asked what she had in mind.

Their plan involved a chain and winding up the record player, so while Sector V collected the chain each of the Delightful Children took turns winding up the record player. After they were done, Sector V tossed over the chain and they put it around the record player. They then proceeded to try and use the record player and the tire that the chain was attached to to break free from the cage. They proceeded to take it down to the Kids Next Door tree house, breaking anything that stood in their path.

After showing up to the tree house, they caved in a wall and began trying to crush Nigel with their robotic tentacles. First, Numbuh 3 tried to fight back with her giant robotic bunny, but they crushed it. Next, Numbuh 5 tried to fight back using the defense lasers, but they had a shield to deflect them. After this, Numbuh 2 distracted them with his fly-suit just in time for Numbuh 4 to arrive with a robot with he smacked their machine with. They used their robotic tentacles to grab his machine and saw off its smashing parts. With no one else to stand in their way, they grabbed Numbuh 1 and used an age-modifying ray to turn him into an adult. After doing so, they put him down and smashed their treehouse.

They aren't seen until later when the remainder of Sector V arrived to the mansion to try and retrieve the ray. The Delightful Children were sitting in a chair notifying the age of their butler out of boredom, telling themselves that they almost missed the Kids Next Door. After Sector V broke in, they told their butler to attack them, but they forgot to change him back to an adult. Before they could, Numbuh 4 knocked the ray out of their hands. Both teams began fighting over the ray, aging each other forwards and backwards as they did. Eventually, the Delightful Children got the upper hand and aimed it at Sector V. Before they could use it, Numbuh 1 crashed an ice-cream truck into the mansion, and demanded they hand over the ray. They asked why they should, so Nigel told them it was because he was an adult. After telling him that it wasn't fair, they handed it over.

Before they could, Father arrived and began using his fire powers to fight Nigel and Sector V. During the fight, the Delightful Children mockingly asked Numbuh 2 & 5 if they were having fun, they two of them beating them after doing so. They again appeared after the fight to aid their defeated father. After Nigel picked the ray back up, he aimed it at the Delightful Children, causing them to cower in fear. After landing, they were pulled through the chimney by one of the Kids Next Door's gadgets. After being pulled up, they were questioned over the reason for their call. The Delightful Children pleaded for them to get the teens out of their house before Father got back, and although Nigel refused at first, they reminded him that the Kids Next Door were sworn to help any child in danger no matter who they are. They asked them why they invited over the teens in the first place, and they said it was because they'd hoped to become the Delightful Teens From Down The Lane, but they never expected things to get so out of hand. The Delightful Children first appear after Joe told Numbuh 3-whom was pretending to be a detective-to go check them out. She eventually arrived in the cafeteria-their base-and met them eating breakfast. Numbuh 3 then asked them to help her with her coloring problem. They thought she was referring to what they had going on behind the scenes, but she was really referring to her homework that involved coloring the states different colors. They proceeded to explain their "Pre-Delinquency Operation" which involved working with a boy who knew how to predict the future, allowing them to arrest kids before they committed punishable offenses. They then told her about how everyone was in detention, and so Numbuh 3 left.

They are later seen again in the coloring room, where Numbuh 3 discovers the boy who knew how to predict the future. After realizing that Numbuh 3 knew too much, they ordered the guards to arrest her, but they instead arrested the Delightful Children because they were going to run in the halls. After the Delightful Children objected, they proceeded to run away screaming.

*I.N.T.E.R.V.I.E.W.S.*

The episode begins with the Delightful Children on a cruise-ship discussing how wonderful it will be to have their birthday cake on it. Numbuh 1 revealed himself and aimed a weapon at them, but their fired back with their shuffle-board stick. After shooting them with his gun, they fell onto a truck below, the cruise-ship having been carried by it. They got into the truck being driven by their butler and demanded he step on it. After escaping the Kids Next Door, Sector V arrived home to see Father and the Delightful Children filming a movie in their treehouse about eating their birthday cake. After they pulled the cloth that was supposedly covering the cake off, it was revealed that a scientist member was sitting there instead, saying that in order to get the cake back they would need to participate in a scavenger hunt.

Later during the episode, after Father organized villains to win the cake, the Delightful Children complained about sharing. Father reassured them that the villains would receive nothing after handing it over.

The Delightful Children again appeared stealing the list of items needed for the scavenger hunt, which was apart of the list. Numbuh 1 appeared just in time to show them that he had gotten Father's pipe, worth the most points. The Children threw the list at him, hitting a ride and causing it to explode. They then tackled him onto the log ride, where they struggled but eventually got a hold of the pipe and Nigel's weapon. They tried to force Nigel to admit it was the end, but while their backs were turned they didn't notice they were approaching a broken part of the ride that spilled into a giant toilet. Nigel grabbed a sign overhead and took back the pipe, the Delightful Children falling to their supposed demise.

In this episode, the Delightful Children had tried to perfect their Delightfulization chamber, but just as they unveiled it to themselves, Billy arrived and asked to use it as a bathroom. At first they let him but then came to their senses, going in after him. He tried to flush by turning it on, causing them to turn into the Delightful Reaper. For the rest of the episode, they assimilated as many people as they could find (with Mandyallowing herself to be assimilated so she can control it), until their eventual defeat.

Comics Top Secret Files

The Delightful Children found a collection of top-secret files featuring the members of Sector V as well as Gramma Stuffum, The Common Cold, Mr. Wink and Mr. Fibb, Captain Stickybeard, Laura Limpin, Giant Lice, and themselves. The Delightful Children found the Sector V section boring but found the villain section somewhat interesting, until they found their entry. After reading their bio, they threw the files away.

After doing so, it was revealed they were standing on a theme-park airplane and they were told to get back in line.

When I was done everyone that hadn't heard about it was shocked and horrified.

Qin: Yeah.

Xenia: Geez!

Himiko: Those bloodsucking parasites!

Tsuyu: They are pure evil!

Me: And they are going to be even more pissed off when we tell them about how not only we killed Father and Grandfather but also made everyone in the Kids Next Door immortal and eternally young as well as some of their families.

Nico: Oh this will be good.

Qin: Yep.

Then Shendu, Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Killer Shrike, Plastique, Girder, Multiplex, The Strawberry, Vanilla and Chocolate Technicolor Phantoms, Evil Butane Man, Wolvertoon, Strikning, Liquidator, Tenaya 7, SHS Carnage, Genbu, Don Octavio, El Jefe and Hot Rodney appeared.

Shendu: Can me, Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Killer Shrike, Plastique, Girder, and Multiplex go with you guys?

Chocolate Technicolor Phantom: Me, my team, Evil Butane Man, Wolvertoon, Strikning, Liquidator, Tenaya 7, SHS Carnage, Genbu, Don Octavio, and Hot Rodney will go as well.

Nico: Yes you all can come with. The Delightful Children have returned.

Trap Jaw: What!? But you gave them the Black Gates didn't you?

Me: No we sent them to the Warp.

Nico: Yeah. Now we're going to send them to where they rightfully belong and that is prison for eternity.

Xenia: They deserve it for all their genocidal supremacist ideals.

Camie: Big time.

Laney: Yeah I've grown tired of those brats.

Cybertron Scourge: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one that's for Dragon Queen of Tragic Endings next.

Me: Whoa! That's a sad one and Misty has that card.

Qin: Yeah. Wait a second. There's only one gene-slammer I know that would fit that one. Her name is Jasmine Bērziņš. She's from Latvia and she was raised in Canada. Her family was murdered in cold blood by Leena Klammer.

Varya Visnapuu: (Estonian Accent) That's right I remember her. She went through the exact same pain as me and she hasn't stopped crying ever since.

Qin: Yeah.

Me: Poor girl.

Xenia: Yeah.

Me: Now I'm really glad we gave that monster the Black Gates.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed eight dark energy signals with their eyes and the Force, and they saw who the figures were: the eight figures were none other than Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna, eight dark goth girls who formed The Order of The Black Cross, a Satanic coven of dark witches from Michigan who've caused havoc in Royal Woods, and were the hated enemies of Morgana DeRose, Adara Dunstan, Autumn Melaina, Raven Duncan, Winter Varyona, and Mara Ceirin of The Knightmare Coven of Justice, and who defeated them four years ago and killed them by dropping an electric wire into a pool of blood in their hideout in an abandoned cave mine in the north of Royal Woods.

Now, four years later, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna have returned from the dead reborn as demons to get revenge on The Knightmare Coven of Justice. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone coming after us today?

Lincoln: You guessed it, Nico, and Morgana DeRose, Adara Dunstan, Autumn Melaina, Raven Duncan, Winter Varyona, and Mara Ceirin, you're not going to like them one bit: the dark energy signals that we sensed belong to Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna.

Morgana DeRose, Adara Dunstan, Autumn Melaina, Raven Duncan, Winter Varyona, and Mara Ceirin gasped in shock.

Morgana DeRose: Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna have come back?!

Adara Dunstan: That's impossible.

Autumn Melaina: Yeah, we defeated them four years ago and they were killed when we dropped an electric wire into that pool of blood at their in their hideout in an abandoned cave mine in the north of Gotham Royal York.

Nico: Uh oh, looks like you girls have a nasty history with them, can you tell us about them?

Morgana DeRose: Of course, Nico. Long ago, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna, eight of the most chaotic and very evil goth girls in Gotham Royal York High School sold their souls to The Devil to become dark witches with the powers of black witchcraft and they formed a Satanic coven of witches known as The Order of The Black Cross with Morana Desdemona as the leader of this evil Satanic coven.

Adara Dunstan: And they were also our hated enemies, and they've tried numerous times to kill us, but we've always foiled their murderous schemes one after another.

Veronica Keiron: And four years ago, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna kidnapped and tried to sacrifice a family to The Devil to prove their loyalty. But, their sacrificial ritual was interrupted by us barging into their hideout and we rescued the family.

Winter Varyona: We defeated them and we dropped an electric wire into that pool of blood they had in their hideout, which was an abandoned cave mine in the north of Royal Woods.

Victoria Donovan: We thought we'd never have to see them ever again after that day, and now, four years later, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna have returned from the dead.

Lynn: And you're not going to like this part either: Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna have returned from the dead have also been reborn as demons.

Morgana DeRose: Just like with that thug, Tony Reno, Vinnie, and Sam. Now, things have gotten even more ugly.

Lincoln: Yes, but we're going to destroy them all one at a time. Now that they've become demons, the laws of man mean nothing to them, and they're also way too dangerous to let them run free.

Mara Ceirin: That's right. So, who's the first we're facing from The Order of The Black Cross?

Lynn: It's Elena Charna, she's the first one who's coming after us.

Lincoln: Should've known that she'd be first, and we still remember what she, along with Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, and Marianna Blakely have done in Michigan.

Mara Ceirin: And it's perfect, because I've got a score to settle with that heartless evil goth bitch for what she did in trying to kill me and my parents years ago.

Nico: Whoa, you girls have one nasty grudge with those heartless dark goths, and this is going to be one nasty catfight. Alright, gang, let's go, we got another food planet to explore.

Lincoln: And with another food planet, there's bound to be another villain waiting for us there. And once this mission is complete, you're next, Elena Charna.

We're now aware that the eight dark goth girls and dark Satanic Witches, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, Marianna Blakely, and Elena Charna have returned from the dead have also been reborn as demons, and now, we were now at war with The Order of The Black Cross.

Beast Man: Shall we get going?

Wolvertoon: We should.

Nico: Then lets get moving.

We were off to the ship and then we were off.

---

Flying through space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 7034.9: The U.S.S. Valorous Phoenix is en route to another amazing food planet where we are about to face the evil formidable foes of the Kids Next Door, The Delightful Children From Down The Lane who have returned from the Warp and are out for revenge against the Kids Next Door and us for destroying all their plans and efforts to kill all the kids everywhere. Our mission is to capture them and throw them in jail.

Gru: I hope this planet isn't gross.

Nico: I have a feeling it won't be gross at all.

Qin: Me neither.

Xenia: Same here.

Camie: But it's just horrible that the Delightful Children were like

that.

Qin: Yeah no kidding. They are monsters.

Constance (KND): Yeah we were monsters turned into that against our wills.

Laney: By Father.

Lisa Loud: We have arrived at our destination.

Liquidator: We're coming to the planet right now.

Hsi Wu: I wonder what it is.

Nico: On screen.

We saw that it was a purple world.

Nico: Wow look at that.

Me: It looks like a purple ocean planet.

Nico: Yep. Lets land.

We engaged the landing and we landed into an ocean and got out.

We saw that it was a purple ocean and it went on forever.

Qin: Wow! This purple ocean goes on forever.

Fiona Hernandez: It sure does. Wow.

Laney: Hmm.

Laney looked at the water and then scooped up some of it and then tasted it and she knew that it was not water.

Laney: Hey this isn't water, this is borscht!

We were amazed!

Nico: I don't believe it! An ocean planet made of Borscht!

Me: Wow! An ocean of Borscht!

Xenia: Incredible!

RD Lucy: There's nothing wrong with Borscht.

Nico: It sure is amazing seeing all this.

Me: This is incredible. An ocean planet made of Borscht is amazing.

Camie: Yeah!

Eli: Not a single spec of land in sight. Just beet soup.

Aylene C.: Yeah.

Nico: Yeah. Good thing our ship also is a boat too. Lets search for land.

Nathaniel: Aye sir.

Nathaniel activated the ships boat mode and turned it into a boat on water and we sailed on.

SHS Carnage: Let's dig in!

Killer Shrike: You read my mind!

We got bowls and had some borscht and it was awesome and tasty.

Me: Yummy. Really good.

Camie: It sure is.

Jarod: Boy look at all this. The ocean just keeps going on forever. Not a single spec of land in sight.

Z: Yeah it sure goes on forever.

Shocker: Save some for me!

Nico: Now now Herman this is a massive ocean full of Borscht so we'll never run out.

Shocker: Oh.

We were drifting along.

Qin: Wow.

Eli was sitting and looking over the horizon and the purple sky.

Arrietty: What's wrong Eli?

Eli: Just a feeling that tomorrow is going to be a big and awesome and epic adventure for us.

Arrietty: I have a feeling it will be big too. But you have dealt with it before right?

Eli: I sure have Arrietty.

Jared: But it will be big and we'll get through it all together.

Nico: Yeah. As long as we drift like this to search we might as well have some leisure time.

Me: Good idea.

Eli: I'm just thinking a lot.

Arrietty: Would you like to have me sing a song for you Eli?

Eli: Sure Arrietty.

(Arrietty's Song plays)

Arrietty: (SINGING DIVINELY)

I'm 14 years old, I am pretty

I'm a teen tiny girl, a little lady

I live under the kitchen floor

Right here, not so far from you.

Sometimes I feel happy

Sometimes I feel blue

In my dreams O I wish I could…

Feel my hair blowing in the wind

See the sky and the summer rain

Pick a flower from the garden for you

Beyond the lane there's another world

Butterflies floating in the air

But is there someone out there for me?

And so life goes on, day after day

With knick-knacks on the floor, nooks and crannies

I live in a tiny world

But out there, someone waits for me.

I wish I had someone to watch over me

In my dreams O I wish I could…

Feel my hair blowing in the wind

See the sky and the summer rain

Pick a flower from the garden for you

Now I know there's another world

Butterflies floating in the air

There is someone out there for me.

Feel my hair blowing in the wind

See the sky and the summer rain

Pick a flower from the garden for you

Now I know there's another world

Butterflies floating in the air

There is someone out there for me.

She had butterflies swirl around her and it was awesome.

Laney: Wow.

Nico: That was awesome Arrietty

Girder: Dunno why you sang that. But that was very good.

Don Octavio: Kopaka, you and Emu are next to shine.

Emu: Awesome!

Qin: Yeah!

Arrietty: And it's a song all about me.

Nico: It was awesome though.

Jared: Yeah it was.

Qin: Yeah.

Rubberband Man: I can see why people love borscht.

Nico: Some people like it. But it's mostly people from Russia that like it.

Zarya (Overwatch): (Eating Borscht) He's right comrades. It's popular in our land.

Lola: It's awesome and it turns your tongue purple too.

Laney: It sure does.

Eli: Yeah. (Senses something) Wait I sense something. It's coming from that island. Right there.

We saw an island and it was an island made of dill and beet greens.

Me: An island of beet greens and dill. Interesting.

Nico: Cool. Think it's the Delightful Children?

Eli: Definitely. The Force is telling me that they are on that island.

Nico: Then lets get a move on.

Me: Now that the Delightful Children don't have their machines, minions and monsters and wealth and weapons anymore they are totally at our mercy.

Nico: Not that we'll show them any mercy at all to begin with.

Eli: Those genocidal sophisticated supremacists are going to wish they were never born.

Qin: Yeah

Hot Rodney: Are we going to let perfectly good borscht go unfinished?

Multiplex: You guys keep eating some more while I clone an army.

Me: There's plenty of borscht to last forever Hot Rodney.

Multiplex: Yeah.

He made an army of 620 clones.

Kitten: Good thing you guys brought the B.A.C.K.B.U.R.N.E.R..

Nico: Yep.

Lola: We got all of our weapons ready.

Numbuh 1: And this will be the final battle we have with those Delightful Dorks.

Ashley (KND): You said it cousin!

Qin: And it's not going to end well for them.

Me: But it'll be a one way ticket to prison for them.

Plastique: We've already killed them before.

Genbu: Throwing them in prison this time won't hurt anyone.

Me: Nope.

Nico: Someday we'll find a great archenemy for them.

Me: Yeah. But the M.O.E. Are going to keep a very CLOSE eye on them.

Qin: Yep.

Camie: Now that Father is dead they will be out for revenge.

Winter Soldier: Oh, we're not gonna kill them. But we WILL hurt them. Very badly

Nico: And it'll be REALLY Painful.

Qin: Yes it sure will.

Nico: Yeah.

Xenia: Wait look. What's that smoke?

We saw a small stream of smoke in the middle of the island.

Qin: Looks like a signal fire.

Nico: That's them.

Mummy: With any luck, that might be them burning themselves with a fire.

Tenaya 7: As infuriated as they might be with us, I don't think they're that stupid.

Numbuh 1: No as much as we want that to happen it's not them burning.

I smelled something.

Me: Smells like burning Dill.

Kick Buttowski: I wish that was my so called brother burning.

Me: Wouldn't that be nice.

Spark Man: Does burning Dill even smell nice?

Me: I don't know. But on a planet like this it's the only option available.

Qin: Yeah.

Zhuqiaomon: He's right on that one.

Nico: But we should get ready.

RD Lincoln: Entrance time!

Numbuh 1: KIDS NEXT DOOR! BATTLESTATIONS!

We went at the signal fire.

The Delightful Children were an absolute mess as they had all their clothes torn up and their hair was a mess and their eyes were red with fury and hate over us. Then the spirits of all the Kids Next Door members appeared and swirled around them and then converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out.

Me: Hello Delightful Freaks!

Nico: Did you miss us?

Eli: We didn't.

Delightful Children: Team Loud Phoenix Storm! What an absolutely unpleasant surprise.

They hid.

Me: I love a good game of cat and mouse.

Maria: You can run, brats. But you can't hide.

Delightful Children: OKAY, LET'S JUST TALK ABOUT THIS, HUH?!

Evil Butane Man: Can't talk your way out of this one, Delightful Dorks.

Trap Jaw: Which is a shame. Because I don't think you guys are good enough to fight your way out of it either

I fired an energy blast and it hit a bush and exploded and sent them flying out and we faced them!

Emu: It's time to kick some butt!

Then out came Titania, Pete, Iceage, Magma, Electro, Ebon, Dark Laser, Rojo, Snake, Electropede, Jellax, Stacey, Mouth of Sauron, Fire Lord, Vathek, Ghost of Elias Kingston, Albedo, Garigari, Zen Aku, and Yost Electro.

Titania: I bet you guys weren't expecting Void Knight so early.

Maria: We honestly expected to see him in Cornelia's second mission.

Pete: He can still appear during that time.

Me: Nice. Looking forward to it.

Iceage: And talk about Void Queen's creation.

Nico: Yeah. And we'll be ready to kill her.

Magma: (to Nico) We heard you went to another food planet earlier.

Nico: We sure did.

Electro: Was it good?

Nico: It was a grilled cheese sandwich planet and it was awesome.

Electro: Awesome!

Then Vine Monster appeared.

Me: Vine Monster. You sure are a glutton for punishment.

Vine Monster: I sure am.

Qin: Yep.

Vine Monster: Don't worry about Zayto. I got a feeling he'll wind up in Gotham Royal York when we least expect it.

Nico: Awesome.

Eli: When we recruit him we'll have all the red rangers of the America Era with us.

Titania: Glad you guys like having him in our ranks. To be honest, I feel bad for him.

Princess Celestia: Same here. He was hurt bad by his wife going into a coma.

King Solar: He sure was. But then his wife was brainwashed by the Void Queen.

Solar Eclipsa: Yeah she was the worst.

Amber Morning: But the weirdest part is she looks so much like Madame Noir from ToQgers. Very striking resemblance.

Spotlight: That is really cool.

Titania: That is really unusual. Lets do it!

TITANIA! DEESTRUCTA!

Sweetie Belle: She sure did. It was awesome meeting the Void Knight too.

Gill Grunt: Yeah and we found out some surprising news that Amelia is the lost daughter of the Void Knight.

Pete: I know I've been hearing so much about that! Man that must've been as big a shock for her as it was for you when you guys found out about Venjix being Evox.

---

Magma: (to Koji) I heard you guys met Gene-slammers for Sandaion the Timelord and Delg the Dark Monarch. What are their names?

Koji: Their names are Sandra Emperyous and Raven Delg and they are really awesome.

Princess Luna: They sure are.

Moondust: But you should hear their story. Nico really was upset in this one.

---

Sandra Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Raven Delg: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sandra Emperyous: That's incredible.

Nico: It sure is. So, Sandra, Raven, what are the horrible revelations you have on Pablo, Anderson, Taylor, and Lewis Travolta?

Sandra Emperyous: Let me go first, and let's just say I already know Taylor was like that, thanks to her former asshole dad who also killed her mother. I found out those three were bullying Lynn and some of Lincoln's friends and I mercilessly thrashed and pulverized them into dust and she left them in full body casts. I vowed that if I ever saw those three hurting Lincoln and his friends ever again, I would kill them by ripping their hearts out and making them eat them, and then, I would tie them up and cook them alive over a volcano.

We gasped at what Sandra said.

Nico: Damn, now that's a really brutal vow. But, now we got Pablo and Anderson being humiliated at Lynn's Table for life.

Raven Delg: Good thing too, and I'm glad Taylor has since become a new person.

Lincoln: It was thanks to Sunset Shimmer for that one. Plus, she also has her mom back as well.

Raven Delg: Awesome, okay, now it's my turn. I found out that Lewis Travolta has not only caused a ton of trouble at Lynn's Table, but he's also caused a ton of trouble at some of the most awesome chicken wings restaurants and he got them falsely shut down and their businesses ruined, and he'd also planned to kill every last girl in Nico's harem, along with his wife, May, and their kids, just because he wants him to suffer, and he was also going to piss on their graves!

We gasped even more, and when Nico heard it, his face turned red, his hair turned to living flame, his nails grew into claws, and his teeth turned sharp: he was MEGA PISSED OFF AT LEWIS TRAVOLTA!

Nico: Why, you BIG, FAT, UGLY PALOOKA!

Nico stormed off to Lynn's Table, and when he saw Lewis Travolta, he pounced on him and he brutally pummeled Lewis Travolta in a fit of really horrible rage, he even slashed at him with his nails grown into claws, and blasted him with powerful blasts of fire and energy, and that caused Lewis Travolta to belch out tons of gold coins and precious jewels. We came down to Lynn's Table, and Nico was done.

May: Honey?

May ran up to Nico and hugged him tightly, and when he saw and felt her hugging him tightly, he then turned to May and he hugged her back.

Videl Chan: Dad, are you okay?

Nico: I'm okay, sweetie, I'm okay now.

Raven Delg: Nico, I'm so sorry that I…

Nico: It's okay, Raven, but after what you told me about him, you just prevented any attempts on the lives of my children and my harem, Lincoln's a lucky man to have that many Guardian Angels always looking out for him.

Raven Delg: We all made it our responsibility to protect him, and we are also his future wives, and he's also done the same protecting us as well.

Lincoln: That's right. Oh, and one last thing.

Lincoln guzzled a huge bottle of hot sauce and he let out a massive belch and blew a huge blast of fire at Lewis Travolta and he was badly burned, and he even burned off Lewis Travolta's eyebrows, and we laughed hysterically.

Nico: Oh man, now that was really spicy!

Hilary Thestalos: Lincoln told me that one of Lisa's inventions not only gave him the power to imitate voices, but also, blow fire from his mouth, that's really awesome.

Rita: And another of her inventions not only gave me stretchy powers, but I also got my lightning powers from Taranis, watch this.

Rita formed her right hand into a mallet and she stretched it out and she whacked Lewis Travolta on his head, and she fired a powerful blast of lightning and electrocuted him and more coins and jewels came out.

Hilary Thestalos: Whoa!

Nico: Yeah, and you still remembered Ms. Rita's reputation of fiercely defending her kids from anyone who tries to hurt and/or kill them?

Hilary Thestalos: How can I not? Any who mess with the Loud Siblings will be dealing with Mama Loud, and it'll get pretty nasty. I still remembered when Lincoln told me of what she did to Principal Huggins and all that for the comic book contest, pretty petty if you ask me.

Gohan: But, he apologized for it. But, the one teacher who really got the full extent of the wrath of Ms. Rita and my mom was Mr. Shu when he brutally beat up and abused Lynn.

Selene Emperyous: That good-for-nothing teacher who abused you?! Why, that… ! I'll call down the judgement of God on his ornery hide!

Gohan: There's no need for that, Selene. Ms. Rita and Mom destroyed his entire skeletal system and he's no longer able to walk anymore and he was also sent to prison for life. Lincoln also saved the photo of what happened.

Lincoln showed the photo, and Hilary laughed so hard, she fired a blast of fire at Icky Vicky, and she got burned.

Hilary Thestalos: Whoops.

Lincoln: No need to apologize, Hilary, but that was a nice shot.

Nico: Yeah, ooh, next time, guzzle down a bottle of hot sauce, and that'll make things even more spicy.

Hilary Thestalos: You're on.

FLASHBACK ENDS

Magma: HOLY SHIT! Nico really let Lewis Travolta have it didn't he!?

Snowdrop: Yeah he sure did! Nico really mutilated him!

Gari: When you mess with Chicken Wings and his family you're asking for a major buttkicking!

?: I will make you and your entire coven pay for killing us four years ago, Morgana DeRose!

Mara Ceirin: I should've known there's no mistaking that voice from anywhere. You can come out now, Elena Charna.

An inverted Black Cross with an inverted pentagram appeared in the skies, and a tornado of darkness appeared from the ground and demonic screaming echoed in the air, and when it disappeared, what stands in its place is a girl with long black hair, red eyes, black clothes, and an inverted black cross with an inverted pentagram on her right arm, it was Elena Charna, a dark witch and one of the eight members of The Order of The Black Cross.

Mara Ceirin: Elena Charna, I should've known you'd show up here, you dark witch!

Elena Charna: And now, I will have my revenge on you for what you did to us four years ago! You ruined our ritual to prove our loyalty to Satan!

Mara Ceirin: I have no remorse in what we did four years ago, and you're about to suffer the same fate as your master.

Suddenly, Mara Ceirin's red eyes turned neon red and she was surrounded by a black and yellow energy aura with darkness, dark magic, and unicorns, she unholstered her massive Knightmare Unicorn-themed greatsword from her back, and as she approached Elena Charna, she left black and yellow energy, darkness, light, dark magic, and unicorns with every step.

Mara Ceirin: I will never forgive you for what you've done in the past, Elena Charna, you and the rest of The Order of The Black Cross have caused far too much trouble to all of Michigan for the final time to prove your loyalty to Satan, and now, I'm going to make sure that you die here and now, and this time, you're never coming back!

Suddenly, Mara Ceirin was surrounded by a massive vortex of black and yellow energy with darkness and dark magic surrounding it, there's Knightmare Unicorn flying around the vortex, and in the vortex is a yellow phoenix with blood red eyes glaring at Elena Charna: the blood red eyes of death. Then, as the vortex faded, Mara Ceirin emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mara Ceirin grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing yellow hair, she has neon red eyes and a black and yellow energy aura with with darkness, light, dark magic, and unicorns surrounding her, she has Knightmare Unicorn with the Dark Kanji in its hooves emblazoned on her forehead, she has on unicorn earrings with yellow gems for eyes and holding the Dark and Eternity Kanjis in its hooves, she also has Knightmare Unicorn with yellow gems for eyes and the Dark and Eternity Kanjis in its hooves for the second pendant on the bottom of her yellow unicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mara Ceirin has on a sleeveless midnight black midriff top, long midnight black skirt, midnight black pants, midnight black high-heeled boots, and long sleeveless white trenchcoat with darkness, dark magic, and unicorns on the coattails, and on the back is Knightmare Unicorn with darkness surrounding it. Suddenly, Mara Ceirin felt a sharp pain on her back, and then, her massive yellow angel wings with black tips on the feathers grew much bigger for her new body. Mara Ceirin has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Mara Ceirin's massive Knightmare Unicorn-themed large sword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and yellow energy with darkness, dark magic, and unicorns, and when it emerged, it transformed into Knightmare Unicorn's Dark Magic Unicorn Greatsword of Dark Magic and Darkness Justice, it's a brand-new large greatsword with Knightmare Unicorn etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black unicorn heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight black unicorn heads and a large yellow gem below the black unicorn heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Knightmare Unicorn's head with yellow gems for eyes and a large yellow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Spellbook of The Knightmare Realm, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a yellow kanji below Knightmare Unicorn that said, "Mara Ceirin, Gene-Slammer of Knightmare Unicorn, Member of The Knightmare Coven of Justice, Loving Guardian Angel and Future Wife of Lincoln Loud, Destroyer of Elena Charna of The Order of The Black Cross, Member of The Goths of Darkness, Destroyer of The Satanic Dark Forces, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of

Amazing and Powerful Teachers, and Master of Darkness, Unicorns, The Dark Arts, The Occult, and Witchcraft"

Mara Ceirin has has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC DARK KNIGHTMARE UNICORN ANGEL OF DIVINE DARK OCCULT MAGIC JUSTICE AND DIVINE DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Mara Ceirin's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Elena Charna saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Mara dodged it and she fired a powerful black and yellow energy blast with darkness, dark magic, and unicorns at Elena Charna, and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall of beets, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Mara Ceirin's the first of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: Dark Magic of Good VS. Satanic Black Magic of Evil.

Lincoln: This'll also serve as a warning to Morana and the rest of The Order of The Black Cross that we're coming for all of them, and they're all going to die for good, and Mara, you look beautiful, how do you feel?

Mara Ceirin: (Divine Echoing Cosmic Voice of The Dark Knightmare Unicorn and Divine Dark Magic Occult Justice) **I feel incredible,**

**Linky, now shall we deal with that Satanic witch, Elena Charna, once and for all?**

Lincoln: (Smiles) With pleasure, Mara.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Mara Ceirin.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Elena Charna, and this time, you're never coming back from the dead again!**

Mara Ceirin and Lincoln went after Elena Charna, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and yellow energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Unicorns at Elena Charna and they exploded with incredible power as they hit her. Then, they attacked Elena Charna with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Elena Charna.

Elena Charna: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Elena Charna let out a demonic scream, and we saw a tail sprout

out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Elena Charna tried to attack again, but Mara and Lincoln dodged her claws and Lincoln chopped off her tail as she screamed in agonizing pain, and he then traps Elena Charna by forming a magic circle below her feet. Then, Mara Ceirin used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Elena Charna, and it stripped her of all of her demonic powers and Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Mara and Lincoln to fire powerful black energy blasts at Elena Charna, and they exploded with incredible power as they hit her, and she was killed.

Then, Elena Charna's spirit appeared, and as soon as it did, Mara and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Elena Charna: NO! NO! DAMN YOU, MARA CEIRIN! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Elena Charna was erased by The Black Gates and never to return again. We cheered wildly for what Mara Ceirin and Lincoln did to Elena Charna as they holstered their massive greatswords on their backs and powered down, and Mara Ceirin's new body, clothes, weapons, jewelry, and massive yellow angel wings are permanent.

Mara Ceirin: That's one dark witch who'll never rise from the dead again. Thank you for helping me destroy Elena Charna, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mara.

Suddenly, Mara Ceirin wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Mara Ceirin's face, they kissed passionately as Mara Ceirin's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Unicorn flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we all cheered wildly. Lincoln and Mara Ceirin came back, as the display and Knightmare Unicorn vanished.

Nico: Alright, Mara and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Elena Charna.

Lincoln: And made sure she'd never come back again, plus, this also served as a warning to Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, Pandora Marwood, and Marianna Blakely, and that we're coming for them, and we're not letting those Satanic Witches live.

Morgana DeRose: Morana's already seething with pure rage and hatred now that Elena Charna has been defeated and killed again.

Lincoln: Yep, which means the one we're going to face tomorrow is Marianna Blakely, and you and I are going to destroy her for good, Winter.

Winter Varyona: You said it, Linky.

Selene Emperyous: Morana Desdemona's going to pay for her crimes, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Sadie Emperyous, the Sadion the Timelord Gene-Slammer and one of the two powerful wind masters, and she's got a really nasty revelation about Flip tomorrow.

Nico: As if that fat mutant cheapskate couldn't sink any lower, since we've heard many revelations on how he's tried to kill Lincoln, his family, friends, and J.D., and now all of us for ruining his scams in Michigan.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, and we'll meet another Monarch Gene-Slammer, and my guess is Alina Kuraz, the Kuraz the Light Monarch.

Eli: Awesome.

Ebon: That's it for the Delightful Kids.

Dark Laser: We'll take good care of them.

Rojo: And their containment card.

Nico: Yep.

Delightful Children: LET US OUT OF HERE NOW!

Nico: Sorry but you don't boss us around. WE are now your bosses.

Snake: Now, let's load up the borscht.

Electropede: We can have it for… other stuff tomorrow.

Nico: Yep. But great job everyone. This was awesome and epic.

Numbuh 1: It sure was. (To the viewers) This was an awesome and epic adventure and it is the end of the Delightful Dorks.

Nico: Yep. Great job guys. Lets head home.

We did so after loading up on borscht and we went back home and enjoyed the rest of the day and went to sleep.

HAPPY BIRTHDAY TO NINJAKINGOFHEARTS

---

In the early morning hours at 3:45 AM, Lori had a dream, and he saw a figure who was hiding out and living in the streets of Shanghai, China. But, it were no ordinary figure, it was Logan Berrytown, the adopted son of Lori Loud-Santiago. Lori woke up from the dream, but she wasn't the only one, Lancer Santiago-Loud, Peach Blossom Santiago-Loud, Bluebell Santiago-Loud, Atalanta Santiago-Loud, Lincoln Loud, Nico, and I also had the same dream.

Lori: Let me guess, the same dream as me?

Lincoln: We sure did, sis.

Lancer Santiago-Loud: And it also means that we found out where our adopted brother is at.

Bluebell Santiago-Loud: But the question is, Where?

Me: they're at Shanghai, China.

Nico: Oh no, that's not good. It's the same place when we found Radiance, And it is not a safe place for little kids like him.

Lori: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: You got that right, sis.

Lori, Lincoln Loud, Lancer Santiago-Loud, Peach Blossom Santiago-Loud, Bluebell Santiago-Loud, Atalanta Santiago-Loud, Me, and Nico were heading to Shanghai, China. Then, Lori saw a 11-year-old boy who has white skin, yellow hair with deeper yellow streaks, and magenta eyes. He wore a light blue and navy shirt with a picture of a skateboard, gray pants, and green sneakers. Lori saw who they was, it was Logan Berrytown.

Lori: Excuse me, are you Logan Berrytown?

Logan Berrytown: Yes, And who are you?

Lori: I'm Lori Loud of Team Loud Phoenix Storm, and this is my little brother, Lincoln Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan.

Logan Berrytown was stunned.

Logan Berrytown: The Legendary team themselves?

Lori: Yes.

Logan Berrytown ran up to Lori, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lancer Santiago-Loud, Peach Blossom Santiago-Loud, Bluebell Santiago-Loud, Atalanta Santiago-Loud, me, Nico, and Lincoln joined in on the hug.

Lori: And there's something you should know, I adopted you.

Logan Berrytown: Adopted?! Are you saying that because… you're my mother now?

Lori: (smiled) What else I won't I be?

That filled Logan Berrytown with joy, as she picked him up and they hugged, and we had a smile on our faces and tears in our eyes.

Lori: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lori told everyone what happened, and she then introduced Logan Berrytown to the rest of her siblings, who are now his aunts. We were proud of what Lori did, and Logan Berrytown now has a loving, strong, brave, and caring mother in their life. And when Clover Bloom Loud heard about Logan Berrytown getting adopted by Lori Loud, She blushes so hard and Suddenly, Clover Bloom Loud wrapped her arms around Logan Berrytown's neck, as her chest was pressed against Logan Berrytown's pecs and her stomach pressed against his abs, which'd brought an atomic red blush to Logan Berrytown's face, and he wrapped his arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Logan Berrytown leans down to Clover Bloom Loud's face, they kissed passionately as Clover Bloom Loud's left arm was still wrapped around Logan Berrytown's neck, but she moved her right arm and her right hand onto Logan Berrytown's right pec, and when the Lori's Kids and Lincoln's kids see them, they all cheered wildly.

Me: Can't believe we're facing The Thing again.

Kate Lloyd: I guess it's part of me because of what happened.

Nico: I know.

Xenia: This is gonna be crazy and scary.

Camie: It sure will be.

Emma Goodall: But I'm ready for this.

Nico: Thanks for coming with me, Emma.

Emma Goodall: Anytime Nico. It's gonna be an awesome honor to be with you.

Nico: Emma, I know you have feelings for Troy.

Emma: Yes I do. But I don't know when I should tell him.

Me: You can tell him when you are ready.

Xenia: Yeah you can tell him when the time is right.

Camie: Yeah it'll be a good time later on.

Nico: And also, you're a good reprsentative of the color pink.

Me: That's right.

Emma: That is true. And it's awesome.

Qin: Yeah.

Xenia: I agree too.

Nico: We brought home lots of Borscht.

Me: We sure did.

Xenia: Yeah that was amazing.

Fiona Hernandez: And we took down the Delightful Children.

Laney: We sure did.

Nico: We gave them quite the spanking!

Me: With our powers and blasts. They deserved it.

Laney: They sure did.

Lana: Yeah they had it coming.

Lola: And those genocidal monsters deserved it for everything they did.

Camie: Good riddance.

Me: Here we are guys.

We saw that we were at Outpost 31.

Nico: Scary at night.

Kate Lloyd: It sure is.

We went over to the back door. And we went in and it was warm and nice.

Me: Ahh. Nice and warm.

We went in and we saw the dog kennel and there inside it was the dogs and they were huskies and malamutes.

Camie: Oh they are so cute.

The Thing was so horrifying and then the crew of Outpost 31 came.

Clark saw us and he was scared of the creature in the kennel.

Clark: I don't know what the hell's in there, but it's weird and pissed off. Whatever it is.

Fluttershy: I got all the dogs but they are scared!

Me: Good work Fluttershy.

MacReady: Bennings go get childs!

We heard a creature growling ferociously and it was unlike any kind of growling we've ever heard.

Kate L.: It's the Thing.

We went to the kennel and we saw a grotesque and gruesome sight! It was an ugly mass with a bunch of ugly features, blood, carnage and gore and it had a fake dog on it.

Me: WHAT THE FUCKING HELL!?

The creature screeched and it was horrifying! Everyone was looking at it in sheer horror! It was a grotesque and horrifying sight!

Camie: What is that Thing!?

Kate L.: That's The Thing! It's what attacked Thule Station!

Me: It's a nightmare no one should ever experience.

MacReady and Garry fired guns and they hit the Thing and injured it. But the bullets weren't having any effect.

Me: Mac! Gerry! Stop! Bullets are useless against it.

Lola: Let me destroy it!

Lola fired a powerful blast of fire and burned it!

Lincoln: That Thing is toast!

Me: Good thing these Things don't like fire.

Nico: Yep. Hard to imagine that dog was a Thing.

Me: Yeah.

We ran an autopsy on the Dog-Thing and it was a disgusting and bloody and gruesomely grotesque sight. It was so disgusting seeing it. It made me almost want to throw up my guts. It made most of us want to throw up.

When it was done, Blair told us his findings.

Blair: You see, what we're talking about here is an organism that imitates other lifeforms, and it imitates them perfectly. When this Thing tried to attack our dogs it was going to digest them. Absorb them. And in the process shape its own cells to imitate them. This for instance. (Points to something) That's not dog. It's an imitation. Fluttershy saved all of our dogs just in time.

Nico: She sure did.

MacReady: Glad you guys all came though.

Varie: Thank goodness.

Emma: Guys, is it okay if I turn into my snail form?

Nico: Sure. But only when needed.

Emma: Okay.

Lucy Loud: I'll never forget seeing the sight of that thing.

I beamed the dogs to our estate at home and they were safe. Lana went back and was watching over the dogs.

We looked over the tapes from the Norwegian Camp and we saw that the people of Thule Station were digging around something.

Garry: Where'd they take these shots?

Me: Somewhere far from the looks of it.

Norris: Seems like they were spending most of their time someplace northeast of their camp at about 5 or 6 miles.

Fuchs: What's that?

We saw some strange shape under the ice.

MacReady: Looks like something buried under the ice.

Kate L.: That's the ship. We found a strange alien spacecraft under the ice.

We gasped.

MacReady: How is that possible?

Me: Long story.

Emma's eyes popped out of her head.

MacReady: It's all right guys. Emma was gene-slammed with a snail.

She grew a shell and her arms and legs vanished and then she shrunk and turned into a snail and I picked her up and put her on my shoulder.

Nico: That is still cool.

Later Kate told everyone about The Thing and what it's capable of and how dangerous it is to the entire planet.

---

**The Thing** is the titular main antagonist of the 1938 John W. Campbell novella *Who Goes There?* and its film adaptations: the 1951 film *The Thing from Another World,* the 1982 film *The Thing,* and its 2011 prequel film of the same name.

Initially appearing as a single hostile alien being, every cell in The Thing's body is autonomous and independent, capable of creating more of said monsters through assimilation, parasitism, and infection. In addition, every spawned monster looks radically different and none of them have a definite shape that can be called a "true form". Ultimately, the Thing's true body and form are a mystery as it most appears as whomever it impersonates.

In the 1951 film, it was played by the late James Arness. In the 1982 film, it was played by the late wolfdog actor Jed and its vocal sound effects were provided by Alan Howarth.

In nature, the Thing is basically an ambush predator, isolating a potential victim or threat to consume and assume its form. In certain cases, usually when exposed or the person it assimilated is fatally inflicted, the Thing will discard all caution and defend itself by manifesting features that may be of its natural form, including tendrils, claws, and mouths. However, the Thing's most dangerous aspect is its cells, each a functional life form that can become independent from the main body when severed by force or separate to facilitate assimilation and self-preservation. For this reason, it is necessary to destroy the body down to the cellular level, with incineration being an effective method.

The Thing has only assimilation and self-preservation in mind, as it will selfishly save itself or even attack other forms of its manifestation/progeny in order to avert attention and suspicion. When The Thing is left alone with a suitable target, it will begin to split open and fire out tendrils, which grab the target and begin to assimilate it. In certain cases after discovery or high chance of discovery, The Thing will sometimes perform "divide and conquer" tactics, as in the case of the assimilated Edward which split up into three separate forms: One on his hand quickly detached and animated itself before engaging and assimilating Jonas, another limb scuttled away soon after detaching for potential assimilation in a safer location, and the main body of the Edvard thing killed Derek and successfully assimilated Adam Finch, resulting in a form of The Thing named Split-Face. This is also performed, albeit much less successfully, by the Norris-Thing. When exposed, Things will react depending on how big they are compared to the threat. Smaller Things will generally attempt to escape and ambush prey when the individual is more vulnerable. However, a larger Thing will usually attack prey head-on and attempt to overwhelm any hostiles instead of escaping, although if it has not completely lost its cover, it will attempt to flee.

The Thing's intelligence depends on the size of their manifestations:

Smaller ones are quite stupid, dimwitted, nonsensical, and reckless while the larger ones (especially those that imitate a human) are quite cunning, manipulative, and formidably calculating. For example, Norris's mutated head foolishly let itself seen by MacReady and his friends while scuttering away from them, resulting in its incineration. Because The Thing can acquire the memories and knowledge of those who it previously assimilated, they can use said memories and knowledge for their advantage, though only larger manifestations of The Thing are more capable of doing so: the Thing Beast who had assimilated Sander was capable of taking control of the UFO which brought it to Earth while the assimilated Blair, on the other hand, built a makeshift UFO and was aware of how dynamite works as when ambushing Macready; it disposed of the detonator before revealing itself to confront him. However, this does not always apply to all larger manifestations of Thing Beasts: Rapture-type Thing Beasts (see below) have no intention of hiding themselves from view, as well as not manifesting useful appendages that supposedly give them advantage in battle like legs, and their chosen forms act primarily with little intelligence. A plausible explanation of this is likely that Rapture-type Thing Beasts' own overconfidence against their foes is so great that they believe mobility to evade their foes' attacks is unnecessary due to their formidable but stationary form.

When exposed, The Thing would attack anyone on sight to save itself. This somewhat serves as their psychological weakness due to their aggressive mood blinding them from serious threats that their foes unexpectedly posed on them: The Thing who manifested from assimilated Juliette recklessly attempted to kill Kate and the others as soon as it unveiled its true form which ironically led to its incineration. Should it survive the ordeal from its foes/preys and manage to hide, The Thing would regain its composure in order to use their original intelligence once again: When Split-Face Thing confronted Sam, it hesitated upon noticing his flamethrower.

The Thing's ability to interact with plant-based life-forms is largely unknown. Its only interaction with plant-based life was in the form of wood/clothing fibers. It cannot absorb these as noted by MacReady, which could suggest an inability to absorb plant cells or dead cells. However, the "Kennel Thing" used a flower-like appendage made of dog tongues and teeth as a threat display. The Things themselves are also remarkable Master Manipulators to a certain degree, not only because they incite paranoia among their foes and victims alike but are also not shown eating or drinking beyond living humans or dogs, and it also leaves the bodies of killed humans or dogs untouched even though there is usable biomass, implies that it understands that potential hosts will react strangely to the presence of someone they know to be deceased. Possible other reasons why it is never seen assimilating fresh corpses are either that it is only able to assimilate living victims or is aware that missing dead bodies would arouse suspicion.

In another feat of reasoning, a Thing destroyed a test that would have lead to its exposure, demonstrating awareness of biology and medical practices that would have exposed it. Interestingly, the second time this same method was proposed as a test, the Thing had seemingly preempted the idea, despite the fact that the Thing that had arrived at the second base was spawned long before the first test was thought of and was in a non-human form. This led to the theory of shared consciousness between Things, especially as the second sabotage was far harder to pull off covertly while sowing seeds of misdirection that exposed its presence.

Its origin is a mystery, the Thing itself crash-landed in a spacecraft within the icy fields of Antarctica 100,000 years ago and was frozen attempting to escape. However, in 1982, the spacecraft and the Thing were found by a team of American and Norwegian explorers/ researchers under Dr. Sander Halvorson from Thules station, who hired Columbia University paleontologist Kate Lloyd to take a sample of the creature's blood as it was brought to the base in a block of ice. But later that evening, the Thing bursts from the ice and kills Lars' Alaskan Malamute, Jed while ingesting Henrik before it was burned alive. However, an autopsy of the scorched alien corpse reveals that its cells are still alive and in the process of assimilating Henrik.

When Kate realizes the Thing already might have had assimilated others, she places the base on quarantine to weed out the Thing based on those who still have metal fillings in their teeth and such, after her initial plan of weeding out the monster through blood sample tests had been sabotaged by The Thing. Due to The Thing's ability to imitate, emulate, mimic and appear exactly like any of the research members, paranoia began to set in. Eventually, the majority of the research team were infected and incinerated before Sander, having been infected, made a run for the spaceship. Kate and Sam Carter, the only two surviving crew members, chased Sanders to the alien UFO where Kate and Carter got separated. Kate eventually managed to pursue and kill the monster and heavily damage the ship beyond any repair. After reuniting with Carter, Kate resolved herself to catch him off guard and incinerated him when she discovered that the earring he previously wore was missing and pointed to the wrong ear when confronted. When Carter was set aflame he emitted an inhuman scream, another evidence that Carter was The Thing. After this, Kate was left all alone, leaving her fate unknown.

Meanwhile, back at the Thules station, Lars' dog (having been infected and lying low until the time was right) made its way to an American Antarctic research station with Lars attempting to kill it before he was shot by Lt. Garry, the station commander. Helicopter pilot R.J. MacReady and Dr. Copper fly to the Norwegian's camp, finding the charred remains of the various Things included the burnt yet preserved corpse that was the station's commander Edvard Wolner after it assimilated Sander's assistant Adam Finch.

After the two-faced corpse was brought to the base, the Americans realize the Thing's presence too late when Lar's dog was placed in a kennel with the station's sled dogs and attempted to assimilate them all. After Childs incinerated the creature, with the team finding the ruins of the spacecraft; the autopsy done by Blair confirmed the Thing's nature as he later proceeded to trap everyone on the base and kill the remaining dogs so no one could leave until the Thing was truly dead before being locked in a tool shed by the others as they devised a way to weed out the Thing by using its autonomous cells to weed out the assimilated. By the time that McReady and the other normal humans remained, they learned that Blair got assimilated and was building a small escape craft. Realizing that the Thing might also intentionally freeze itself to wait for a rescue team in the spring, MacReady resolved to kill it with dynamite around the complex. After the Blair-Thing was killed, with Garry and Nauls killed off prior, MacReady found Childs with both thinking that the other got assimilated before seeing no point in distrusting each other as they would die of frost within hours.

In the 2002 videogame " *The Thing* ", which serves as a sequel for the 1982 film and set 3 months after the events of the film, it is revealed that The Thing is still alive and waiting for more victims to absorb and kill. This time, there are more numerous manifestations of this alien lifeform at once and worse, everything becomes more complicated as most of them have been captured as a means of being repurposed into bioweapons by Gen Inc. Things went wrong, however, following their escape: Whitley, the mastermind behind the experiment to modify The Thing into bioweapons, has injected himself with Cloud virus, a viral agent based on the Thing's cells with which he plans to infect the whole planet. Fortunately, Blake (the protagonist of the game) foils his plan and destroys him with the help of MacReady, the sole survivor of the 1982 film, before he has a chance to infect the rescue team.

In the videogame, The Thing was regarded more like a viral organism that has the ability to replicate the original biological entity, including their clothing. This is likely due to the fact that in said game, The Thing had further developed its ability which intrigued Gen Inc. enough to begin experimenting on it.

Variants In-Game Scuttlers

A form of Thing that has assimilated and formed from mutilated body parts (often from those whom are already assimilated by the Thing's cells). These autonomous small Things' primary transformation involves manifesting teeth, arachnid-like limbs, and also a pair of strong hind legs that enable them to leap toward the non-assimilated lifeforms. Aside from leaping, they could either attack by biting or spitting digestive fluid as a projectile. They could be crippled easily with a few shots from guns before being finished by a single blast from a flamethrower. They were inspired by a mutated form of Norris's head after he was mutated by the Thing's cells.

Scuttler Pods

A form of Thing that is basically a fleshy, blob-like biomass that is immobile but dangerous due to manifesting Scuttlers as means of defense. Their prime weakness is the inability of moving combined with having no alternate means of defense. They can be destroyed by blasts from flamethrowers and a variety of firearms.

## Walkers

Form of Thing that manifests as a humanoid monster with a deformed torso, deformed claw hands, and insectoid legs that were formerly humanoid ones. Their early forms were brutish, muscular monsters with a huge, transparent hole in their torso.

## Imitations

Imitations are a form of Thing that was previously introduced in the films. They perfectly assumed their victim's appearance and were able to transform to their mutated form when their potential victims lowered their guard. For the game incarnations, they tend to retain some elements of their hosts' appearance like clothes that are still intact though their limbs are a in mutated state, similar to the mutated Palmer in the 1982 film.

## Dog Beasts

Thing beast that is similar to the mutated form of Lar's dog as both formerly had assimilated dogs. Unlike the latter, Dog Beasts still retain their limbs (though said bodyparts also mutated to the point where they could support their weight as well as enable them to run at tremendous speed).

## Ruptures

They are a form of huge Thing that takes up an entire room or even be part of the room integrated into the architecture. Typically, they have human forms embedded in them and attack with tentacles, teeth and fluids. They are immobile and confined to the location in which they are met, which made them vulnerable due to the inability of avoiding their enemies' attacks.

## Weaknesses and Countermeasures

Though their deadly capacities in assimilation and other abilities made The Thing a villainous, threatening force to deal with, there are a number of methods that can be done to expose them:

The Thing cannot assimilate non-organic components (for example, tooth fillings or prosthetics) on the victims. So, when one notices one of their friends not wearing any earrings/tooth fillings/prosthetics/ other non-organic components that are embedded/put on their body, they likely have been previously assimilated into a manifestation of The Thing. This method is the least effective in exposing a Thing's manifestation.

**Blood Tests** : There are three types of blood test that can be done to differentiate regular lifeforms and the assimilated ones which actually are a Thing in disguise:

**Blood serum test** : A suspected imitation's blood is mixed with uncontaminated blood; which will hypothetically react if the creature is an impostor. This has yet to be proven effective, as The Thing quickly destroyed stored sacks of uncontaminated blood to avoid suspicion.

**Hot needle test** : When a sample of disguised Thing's blood is burned with a hot needle, the blood would jump away from the needle. If the blood sample was taken from an unassimilated person, the blood would simply burn.

**Blood Test Hypo tool** : More advanced version of the previous method, where this device extracted a suspected person's blood and it mixed the said blood with a stored chemical agent. As before, the blood would animate and make an attempt to escape, but failed as the chemical agent killed it.

Aside from the means of exposing a disguised Thing listed above, the methods to killing them are:

**Electrocution** : Electrocution works against The Thing as the method would fry it's cells as seen in *Who Goes There?*, as well as implied by a Thing's manifestation from Norris's body which suddenly reacts by chomping on Chopper's hands when the latter tries to electrocute him.

**Explosives** : Explosives can obliterate a Thing completely, blowing it to pieces and effectively weakening the larger Thing beasts before their remains are incinerated.

**Incineration** : Incineration can kill a Thing manifestation as fire would destroy it on a cellular level, but this is mostly effective on medium- to smaller-sized Thing manifestations, as larger ones had a chance to survive albeit incapacitated, as proved when part of the Split-Face Thing survived in spite of being heavily injured by Kate's flamethrower.

The last two known weaknesses that The Thing possessed are:

As previously mentioned before, upon being exposed, a Thing manifestation would angrily attack and assimilate anyone on sight which gives their foes an opening. The Thing had a limit in maximum size expansion during the assimilation process; if they grew too large during the assimilation process, it would transform them into a boiling mass of flesh and random body parts. In this state, they were hindered by their immobility, which made them vulnerable.

---

MacReady: I don't know. Thousands of years ago it crashes. And this Thing gets thrown out or crawls out and it ends up freezing in the ice.

Childs: I just cannot believe any of this voodoo bullshit.

Me: There are lots of things we don't believe Childs.

Lola: Yeah. It's all true.

Palmer: Childs, it happens all the time man. They're falling out of the skies like flies. Government knows all about it. Right Mac?

MacReady: I believe it.

Me: Me too. But a lot of things are out there. A lot of things are waiting for us to explore.

Childs: And how does this motherfucker wake up after thousands of years in the ice?

Fuchs: And how can it look like a dog?

MacReady: Because it's different than us see? Because it's from outer space.

Kate L.: That's right. But we can't let this Thing leave here. If it makes it out of here, millions of people could die.

MacReady: It wouldn't just be millions, it would be the end of the world.

Me: Yep. That's why we have to keep it contained here. So we can destroy it.

Nico: Yep.

Lincoln: This is turning into a nightmare from hell.

Nico: It always is a nightmare when we face The Thing.

Me: Yep. Kate went through the exact same thing. The Thing killed everyone she knows in Thule Station.

Nico: And we've come here to destroy it completely and this time we're going to makes ure it stays destroyed.

Laney: But our powers make us impervious to getting infected by it.

Nico: Yeah.

MacReady: Hey where's Eli guys?

Me: He's out on a mission with Baron Mordo and Nunnally. It's his birthday today and we want it to be a surprise.

MacReady: I see.

Emma: Meow.

Fluttershy: Yeah it's true.

Garry: Snails don't go meow.

Me: Funny story there.

Camie: Yeah.

Nico: Now we got to find out who the Thing is.

Later we went to keep first watch. Then we heard the alarm go off and we followed MacReady and the crew outside and we saw Bennings outside and we saw him on the ground.

We surrounded him.

MacReady: It isn't Bennings!

We saw that his hands were horribly grotesque and gruesome!

Me: WHAT THE FUCK!?

Nico: WHAT THE!?

Lincoln: What's happening to him!?

The Bennings-Thing let out a horrifying screech and it sounded like a bunch of creatures all at once. The sound of that screech sent shivers of fear down my spine. It was horrifying.

I fired a wave of light and it removed the Thing creature from Bennings and then I fired a wave of fire at The Thing and destroyed it.

Bennings: Thanks guys. Man that was horrible!

MacReady went to get a flamethrower.

Garry: My God what was happening to him!?

MacReady: If it had more time to finish, it would've looked and sounded and acted just like Bennings.

Garry: I don't know what you're saying.

MacReady: It was one of those Things out there trying to Imitate him Garry.

Me: That's what this Thing is Garry. It's a Shapeshifter. It imitates lifeforms perfectly.

Nico: That's right.

We gathered the gruesome bodies of The Thing and we dumped fuel and oil on them and lit them on fire and incinerated them.

Nico: You Things have Failed this universe.

Kate L.: They sure have.

Camie: Good riddance.

There was nothing left in the outpost.

Lola: Where's Blair?

Me: That's what I was wondering.

Fuchs came up to us.

Fuchs: I can't find Blair.

Me: Where's everybody else Fuchs?

Fuchs: Windows is still in the radio room trying to get through and everyone else is in the rec room.

Me: We'll be in there shortly.

MacReady: Right.

Fuchs: Okay.

He went back inside.

We looked around and we heard sparking and we saw that the Helicopter control board was destroyed.

BANG!

We heard a gunshot and went back inside fast! We heard Blair ranting and he was destroying everything in the Radio Room.

Norris: He's got a gun.

Blair: If anybody interferes, I'll kill them!

BANG!

His shot grazed my face and cut it.

Me: Wow!

MacReady: He smashed up some of the chopper pretty good. Childs, go see if he got to the tractor.

Childs went to do so.

We saw Blair smashing the radio equipment and Windows was hiding under the desk with a nasty wound to his head.

MacReady: Christ.

Camie: He lost his mind!

Me: He's fucked up.

Nico: No kidding.

Childs came back.

Childs: He got most of the chopper and the tractor.

Me: The dogs are safe. They're back in our dimension.

Clark: Thank goodness. Thanks J.D.

Me: You're welcome. I'll handle this. Laney, you help Windows when I subdue Blair.

Laney: Right.

I went over.

Me: Blair! Put the gun down and lets talk.

Blair pulled out his gun and shot at me and it hit my arm!

Blair: I'll Kill You!

He shot me 4 times. I caught the bullets and dropped them and he threw the pistol at me and I caught it.

He grabbed the axe and I kicked it out of his hands and I punched him in the face and sent him crashing into the wall and knocked him out.

I pulled out the bullet from my arm and it was a good one.

Me: Wow.

Laney went over to Windows and looked him over.

Laney: You all right Windows?

Windows: Yeah.

Norris: Nice shot J.D.

Me: Thanks Norris.

Copper: You okay there?

Me: Yeah. It's gonna take a lot more than just bullets to kill me. Immortality and invincibility has its perks.

Copper: You're really something J.D.

Nico: He gets that a lot.

---

Later we took Blair and we were gonna keep him in the Tool Shed. We had the tool shed boarded up.

Norris: What about your shack MacReady?

MacReady: I don't want him in my shack. We'll lock him in the tool shed.

We put him in the shed despite the blistering cold.

Copper injected him with morphine.

Blair: Why am I in here?

Copper: For your own protection Blair.

Me: We have to keep you in here now Blair. You've gone insane and you became a danger to everyone around you and to yourself.

Nico: It's for your own good Blair.

Blair: I don't know who to trust.

MacReady: I know what you mean Blair. Trust is very hard to come by these days.

Lincoln: Especially with The Thing running around.

Me: Yep. How about you trust in the lord?

---

We regrouped.

Copper: And now the radio's gone.

Childs: And so are the choppers.

Copper: Ah we're completely cut off.

Garry: All we can do now is hold up till Spring and wait for the rescue team.

MacReady: No. We don't wait. Somebody in this camp ain't what he appears to be. Right now that may be one or two of us. By Spring, it could be all of us.

Nico: We got to be cautious now.

Qin: Yeah.

Camie: This is an absolute nightmare.

Tsuyu: Yeah no kidding.

Wendy Sapphira: Yeah it sure is.

Me: The Thing can't become us. Our powers make us impervious to any outside infection or contamination.

Childs: That's really something.

Kate L.: It is.

Childs: So how do we know who's human? If I was an imitation, A perfect Imitation, How would you know if it was really me?

Me: I have a couple of tests we can do. Doc do you have a test in mind?

Copper: Well, yeah, possibly I've been thinking about a blood serum test.

Childs: What's that?

Copper: We could take a sample of each persons blood, we could mix it with uncontaminated blood. I suppose if there's a reaction, we'd know who isn't human.

Me: That test might work. And if it doesn't I can use my Omnitrix to scan for The Thing inside you and flush it out like I did before.

MacReady: Good idea. We'll go with the Doc's test first.

Me: Okay.

Fuchs: We've got whole blood in storage.

Garry: (Hands Copper some keys) Start working on that.

MacReady: Keep an eye on Clark. He was close to that dog.

Me: We'll keep our eyes peeled. I'm sorry Clark, but I'm afraid this is for your safety.

Clark: I understand.

MacReady: Lets do it.

Me: Okay.

Fuchs: Mac. We need Blair's help. He's the only one that knows this organism.

MacReady: He's too far gone Fuchs. But get the rest of his notebooks. Start going through them.

Me: Lisa and Kate can help you with this Fuchs.

Fuchs: Okay.

We got to work.

Emma: Meow!

Nico: I know Emma.

Fuchs and Copper went to the storage room and we found blood pouring out of a refrigerator. Fuchs opened it and saw that the blood packs have been ripped open!

Fuchs: Garry! Hey you guys! Come here!

We went to the storage room and we saw the blood was all over the floor.

Me: What happened?

Copper: Somebody got to the blood.

Norris: What!?

Childs: Where's Clark?

Clark: Right here.

MacReady: Wait a minute. Wait a minute. Was this broken into?

Fuchs: No the lock is undamaged. Somebody opened it, closed it and then locked it.

Me: Looks like somebody tampered with it somehow.

Varie: Yeah.

MacReady: Who's got access to it?

Me: Usually Doc right?

Copper: Yes. I guess I'm the only one.

Garry: And I got the only key.

MacReady: Would that test have worked, Doc?

Copper: Oh I think so yes.

Kate L.: I think it would've worked too.

Norris: Somebody else sure as hell thought so.

Me: Sounds like the Thing doesn't want to be exposed.

Lisa: That could be a logical assumption.

Me: Kate, you tried to think up a test to see who wasn't human at Thule Station right?

Kate L.: Yes. But it was sabotaged and the lab was set on fire.

Lincoln: Sounds like this Thing is that crafty.

Nico: No kidding.

MacReady: No shit. Well who else could've used that key?

Garry: Nobody! I just give it to Copper whenever he needs it.

MacReady: Could anybody have gotten it from you, Doc?

Copper: I don't see how. As soon as I'm finished, I return it right away.

I sensed distrust building.

Windows: Great.

He started to back away in fear.

Fuchs: When was the last time you used it?

Copper: Day or so ago I guess.

Me: Garry, you gave Windows the keys before right?

Garry: Yeah. I did. I suppose, somebody could've lifted it off me.

Childs: Oh, come on! That keyring of yours is always hooked to your belt!

Then everyone started yelling.

I broke them up.

Me: All right you guys! That's enough! I know you guys don't trust anybody now, but that's what this Thing wants. It causes fear, paranoia and distrust among everyone it comes into contact with.

Nico: J.D.'s right. We have to find out who's human somehow.

Me: And since the blood test is out of commission, we'll use my test.

Then we heard some clattering.

Garry: Windows!

Me: Uh oh!

Windows went down the hall and he got to a gun cabinet and kicked through the window and got a rifle. Garry had his gun pointed at him.

Garry: Put that down.

Windows: (Fearful) No!

Garry: I'll put this right through your fucking head!

Windows: You guys gonna listen to Garry? You're gonna let him give the orders? I mean he could be one of those Things!

MacReady: Wait a minute. Just take it easy, put the gun down. Put it down. Garry, you don't want to hurt anybody.

Garry: Right.

Me: Garry look at him. He's totally scared out of his mind. He's in a state of total fear. Now please. Lets just go with my test that I came up with before and then I'll flush out the Thing. Garry, I know you didn't go near that blood. But I have a feeling I know who did.

Garry then handed me his gun.

Me: First we got to burn the blood packs and the bad blood.

We did so.

We went into the Rec room and I had everyone in the Outpost but Blair tied down.

Me: I know this isn't right. But unfortunately it's what we have to do.

Garry: We understand.

MacReady: I know I'm human. If you were all these Things, then you'd just attack me right now. So some of you are still human. This Thing doesn't want to show itself. It wants to hide inside an imitation. It'll fight if it has to. But it's vulnerable out in the open. If it takes us over, then it has no more enemies, nobody left to kill it. And then it's won.

Me: Okay. I know you're all scared. But we can get through this if we work together. I'm going to scan you all with my Omnitrix and it'll look for the Thing inside you guys. If the light is green, that means you're clear. If it's red, that means you're the Thing.

MacReady: That's very genius.

Me: Okay. Here goes.

Qin: Cross your fingers.

I fired a green scanning beam of light from the Omnitrix at Windows and a green light blinked.

Omnitrix: No alien DNA detected.

Me: Well that's good. You're clear Windows.

We untied him.

Me: Now for Nauls.

I scanned him and a green light blinked.

Me: Nothing. You're clear Nauls.

Camie: Great.

Nauls was untied.

Me: Mac now.

I scanned him and a green light blinked.

Me: You're clear Mac.

MacReady: I knew I was human.

Me: It's good you are. Okay, now for the Doc.

Childs: It's a crock of shit.

I scanned Copper and a green light blinked.

Me: Nothing. You're clear Doc.

We untied him.

Me: Now for Garry.

I scanned him and a green light blinked.

Me: Garry's clear.

Garry: I know that you all have been through a lot, but when you find the time I'd rather not spend the rest of this winter TIED TO THIS FUCKING COUCH!

Me: Okay okay Garry.

We untied him.

Me: Sheesh. Fucking temper. Fuchs is next.

I scanned him and a green light blinked.

Me: You're clear Fuchs.

We untied him.

Tsuyu: So far so good.

Me: Bennings we know is Thing Free. Childs is next.

I scanned him and a green light blinked.

Me: Negative. You're clear Childs.

We untied him.

Sirius: Good.

Me: Only 4 left. Clark.

I scanned Clark and a green light blinked.

Me: Clear.

We untied him.

Me: Palmer now.

I scanned him and then a red light blinked.

Omnitrix: Alien DNA detected. Subject is Contaminated.

Me: Palmer's one of those Things!

I fired a beam of light and separated his Thing Monster form and purified him and then I fired a wave of fire and incinerated it in an instant.

Nico: Good.

Emma began to revert back.

She turned back to fully human.

Emma: That was cool.

Laney: Yep.

We flushed out Norris and Blair and they were infected and I separated them from their Thing halves and fired waves of fire and obliterated the Things.

Emma: Better get ready for the last one. Super Mega Mode!

She went Super Megaforce.

Me: The Another Omnitrix Alien should be here right about now.

Then out came a black version of Surge! It was ANOTHER SURGE!

Qin: Whoa! Another Surge!

Nico: Awesome!

Another Surge: (In a girls voice) Crazy seeing you all here.

Me: (Gasp) Cammy Xennova?

Another Surge: That's right. Cammy Xennova. Attorney at law.

Nico: The famous lawyer that won lots of civil cases for numerous people!? Wow!

Another Surge: Yep.

Camie: Awesome!

Albedo turned into Negative Surge.

Negative Surge: Did Swartz promise you anything?

Another Surge: Just to be the greatest lawyer ever.

Me: You already are a great lawyer. You ever prosecuted some big time bad people.

Nico: Yep.

Another Surge: I knew he was lying to me.

Me: Well he is dead now so don't worry. Sorry we have to fight like this. But lets fight outside it's a little cramped.

Another Surge: Good idea.

We went outside.

Me: Time for action. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

I fired waves of blue fire and smashed her down.

Kaito and Zocks: Zenkaiju Gear!

Kaito and Zocks donned their Zenkaiju Armor!

Qin: YEAH!

Chloe Bourgeois: This is so awesome and fun!

Xenia: Yep.

Geiz: (gets out Geiz Revive Ridewatch) But you've gotta go down!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Another Surge: I know! Just get me back to normal!

Qin: Okay!

Emma fired waves of energy and blasted her down.

Nico: Yeah!

Camie fired waves of energy and smashed Another Surge down.

Nico: (takes out Electropede's Ridewatch) Shocking, isn't it?

He activated it and Another Surge fired a blast of lightning and Nico absorbed it and then fired it back at Another Surge! It hit her and knocked her down.

Qin: YEAH!

Me: Nice one!

Emma: My turn. (ACTIVATES DAYU'S RIDEWATCH)

She got a powerful sword and fired dark blades of energy and smashed her down.

Qin: YEAH!

Nico: Nice one Emma!

Another Surge: That was awesome.

Me: Yep. Cammy you're actually what's called a Xerge. They are X-Shaped beings that have the powers of lightning.

Qin: Yeah.

Another Surge: Wow! So that explains why I have so many awesome technological powers.

Nico: Yeah.

Emma: Legendary Ranger Mode: Beast Morphers!

She turned into the Yellow Beast Morpher Ranger!

Me: That's a darn shame there isn't a pink Beast Morpher Ranger.

Emma: I know.

She fired waves of energy and smashed down Another Surge.

Emma: Legendary Ranger Mode: Dino Charge!

She turned into the Pink Dino Charge Ranger!

Qin: YEAH!

Me: Lets see what the Dino Fury Sword can do.

I pulled it out.

Me: About time I tried this.

I put in the Stinky Butt Boost Key.

Me: STINKY BUTT POWER! ACTIVATE!

I activated it and my butt got an awesome armor plate.

Me: Cool! SNIFF ON THIS!

LOUD SUPER FART!

I hit Another Surge and smashed her down with intense stinkiness!

Another Surge: GODDAMN! WHAT IN THE WORLD DID YOU EAT!?

Emma fired waves of energy and power of the Triceratops!

Me: Emma you too have Imagination powers with your ToQger powers.

Emma: Neat! Lets see here.

She thought up a really awesome ToQger Battlizer and she donned an awesome and really amazing Pink ToQger Version of The Mystic Force Pink Battlizer!

Nico: WHOA!

Qin: That is awesome!

Camie: Yeah it is!

Another Surge: Wow! That is amazing!

Emma: Thanks. Lets see what it can do. BULLET TRAIN WIND STORM!

She fired a massive blast of wind and it formed into a Japanese Bullet Train and it smashed down Another Surge!

Qin: COOL!

MacReady: That was really amazing.

Me: It sure was Mac.

Fluttershy: We all thought it was cool.

Emma: Legendary Ranger Mode: Ninja Steel!

She turned into the Pink Ninja Steel Ranger!

Me: YEAH! Ninja Rangers Fear No Danger!

Qin: You Said it!

Laney: Yep!

She fired blades of Pink Energy and smashed down Another Surge!

Qin: YEAH!

Cornelia: Yeah that is cool!

Cammy reverted back and I then caught the ridewatch and purified it and she was back to normal. Cammy was a woman with black hair and a lawyer suit and I picked her up.

Cammy Xennova: (GROANS) What a headache.

Me: But you're back to normal.

I had her come over to us.

Maria: Nice outfit.

Cammy Xennova: Thanks.

Me: That's not the last of it though.

?: Nope because I'm here now.

Then a figure came out and out came MUCUS!

Past

Over 65 million years ago, Mucus and the other Sporix Beasts were created on Rafkon, the home planet of Zayto but eventually turned against their creators and desired to destroy all life in the universe. Though Zayto and his fellow Knights of Rafkon fought hard, the Sporix ravaged Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and their dinosaur allies to retreat. When all seemed lost however, the Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangerswhich gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs.

Dino Fury Season 1

When the other Sporix are accidentally released in the modern day during Void Knight's invasion of Dinohenge, Mucus is amongst the Sporix Beasts that escape.

During the BuzzBlast presentation of J-Borg, Mucus hatches near Pine Ridge Dam and attacks a random hiker who wanted to poke her egg with a stick. Having seen her hatching on a TV, the Dino Fury Rangers confront her and are not impressed with the monster having the same name as snot. When she claims that she intends to destroy the city, they morph and confront Mucus who charges but is reduced to a big puddle of green goo by a single energy slash from Zayto's Chromafury Saber. However, she very quickly reforms after Shockhorn arrives and summons the Hengemen for help and is initially attacked since he hates being called horsey but she swears fealty to the Void Knight and they join forces before teleporting away. Mucus later accompanies both Shockhorn and Void Knight to force Dr. Akana to use the Knight's scanner alongside her drone to locate more Sporix. However, thanks to the Rangers distracting the villains, Akana sends the drone right down on Shockhorn which destroys it alongside the scanner and forcing her to escape with Void Knight. After the defeat of Shockhorn, Void Knight takes Mucus to his base in Area 62 and puts the Sporix in his machine before telling her that they will have to find more Sporix.

Mucus spots Vypeera and the Rangers also show up which makes Mucus want to hide from them. However, Vypeera uses the eyes on her chest to immobilize Zayto and attacks the frozen Ranger on the spot. Ollie and Amelie try to fight her but, due to her powers, they struggle to fight her without looking at her. Even though she is winning against the two, Vypeera retreats with Mucus after the latter finds a discarded camcorder and wants to use it for a greater plan. Vypeera and Mucus set up a recording station on the roof of BuzzBlast where they hijack the website by sending out her own video so that everyone who looks at the video immediately freezes in place. However, Zayto (having been freed thanks to Solon) teleports in blindfolded. Using the Sonic Dino Key, Zayto enhances his hearing and attacks Vypeera, managing to hold his own before destroying her laptop and ending the broadcast which forces Mucus to retreat.

Mucus returns to Area 62 with a new Sporix Beast for the Army called Draknarok and sees her boss building a new soldier named Boomtower. She later goes with Boomtower and Draknarok to the museum to take the Nephrite Orb which she takes it and they face the Rangers. However, they lost the Orb during the fight but turned into slime and latches onto Javi's car to follow him and informs Boomtower and Draknarok that Javi has the Orb.

Mucus joins Boomtower when Brineblast hatches before the three fights the Rangers and Mucus flees quickly. Later on, she is sent with Boomtower with a drill bomb to destroy the Tiger Claw Zord so Mucus activates the drill and asks Boomtower when the drill bomb reaches the Zord. They are interrupted by Izzy arriving and, after a brief fight with Boomtower, he teleports himself and Mucus away from the area back to the base believing their plan succeeded. However, Izzy manages to destroy the drill before it can reach her Zord and she uses it to defeat Brineblast.

Mucus is seen sitting on Void Knight's throne making fun of him despite Boomtower defending him. She later points out a secret door opening and seeing Void Knight emerge from there and greets him wanting to know what's in there. He allows her to see only for her to be electrocuted and then is threatened alongside Boomtower by Void Knight for being failures, telling them to either succeed or he'll destroy them. Finding the speech on not to be destroyed motivating, Mucus teleports out, volunteering to succeed against the Rangers. Mucus teleports in to see Smashstone fighting off the Rangers and is able to steal Amelia's Morpher due to the confusion as Izzy, Javi and Amelia were knocked down and with Zayto and Ollie engaging with Smashstone. She later invites the Sporix Beast to meet Void Knight and the two teleport after some playful hitting on the back of the head. Back at the base, Void Knight congratulates Mucus in stealing the Morpher, saying she finally did something right. When Boomtower asks why they can't just teleport into the Rangers' base normally, she sarcastically says the base has a force field preventing them from going in. Due to Mucus' action, Void Knight repairs the Morpher and has Boomtower uses it to infiltrate the Rangers' base to steal the Sporix.

Boomtower gets restless because he was created to be muscle and destroy, not to sit and wait. He steals Brineblast's Sporix, ignoring Mucus' objections and fights the Rangers with her and the Henchmen. When Void Knight discovers it, he becomes mad. Mucus says that she tries to stop him and the villains retreat. She later teleports in to go to Boomtower who had shrunk due to losing against the new Megazord formation saying that he's still alive and shouldn't feel bad. The two later teleport back to their base as the Rangers try to finish off Boomtower.

Mucus watches the Rangers destroy Doomsnake with Void Knight and Wolfgang and is later sent to grab Doomsnake's Sporix as the Rangers were distracted with their broken Megazord. Off-screen, she is able to grab Doomsnake's Sporix and overhears Mick talking to the Rangers about the Nexus Prism which interests her to tell Void Knight about this before teleporting. Later on, she watches the Rangers demolish Boomtower with their new MegaZord Formation and yells at Wolfgang to help Boomtower out, showing concern for her partner. However, this action led to Wolfgang being impaled by the Tiger Claw Zord's lance and she realizes this was a bad call. But this did help to her advantage as Wolfgang was destroyed, she was able to grab his Sporix Cell rather easily with a baseball mitt though she was saddened he couldn't sing at her birthday party. Later she was on the bridge trying to to nab another Sporix as Boomtower was destroyed, trying to go for 2 for 2, but is pushed by Izzy who grabbed the Sporix. When she demands Izzy to hand it over saying that it is Void Knight's, Izzy charges at her playfully to which Mucus teleports away in fear. Later at the base, she explains to an annoyed Void Knight that Boomtower got destroyed, but provides him with good news that she at least got Wolfgang's Sporix to which Void Knight takes from her believing it's at least something. Void Knight leaves her to go into his secret room annoyed with how his plans are not succeeding enough, with Mucus understanding her boss needs some alone time.

Mucus later ignores Void Knight's instructions about a giant balloon that's meant to disrupt the Rangers' teleportation, mistaking it for a birthday balloon and releases it before Void Knight's signal, causing it to get caught in a tree. This act of ignorance is witnessed by the Rangers.

Mucus helped Void Knight create a new robot which they call Slyther and installed the robot's data before Void Knight inserts a Sporix into his body and activates him. Upon coming online, Slyther makes Mucus upset and she felt bad before seeing Void Knight give the new general a mission. Mucus and Void Knight realized that Slyther managed to enter the Rangers' base. After Slyther was defeated and electrocuted, causing him to lose his memory, Mucus went looking for him and lied to him saying they were best friends and together they returned to Area 62.

Mucus reminds Tombtress of her mission: To find the Blazing Dino Key at McClary Manor and bring it to Void Knight. She also complains about the monster's stinky bandages, so they take showers upon returning to Area 62.

Mucus goes to Evergreen Park with Slyther to recruit Fogshell and the three are spotted by Javi and Izzy. Earlier, she observes Slyther using his Hyper Hacker, and even uses it herself before it gets destroyed. She and Fogshell teleport away. Later, she, Slyther, and Fogshell return for another round until Fogshell is defeated.

When a mysterious cloaked figure invades Area 62 to get the Sporix, Mucus confronts them alongside Void Knight and Slyther. However, the figure reveals himself to be Lord Zedd who easily defeats her allies and she cowers away in fear.

Mucus recruits Tidemare to deal with the Rangers and also tries to help Slyther get Aiyon's pod out of the water.

She briefly defeats Zayto with her spear gun and tries unsuccessfully to attack Aiyon with it but fails and has to retrreat. Later, she treats Wreckmate to ice cream.

Mucus is at the park where she witnesses Izzy carelessly trying to deactivate one of Void Knight's sleep bombs and putting Javi and Aiyon to sleep accidentally by removing the wrong component. She brings the deactivated sleep bomb back and tries to tell Void Knight about it, but he angrily tells her he's trying to concentrate. After the Rangers defeat two of the Stone Triplets after defeating the first one, Mucus claims them, and teleports away.

Boneswitch demonstrates his power by switching the bodies of Mucus and Slyther only to switch them back seconds later. After stealing a boat with a group of Hengemen, Slyther and Mucus use the parts to create a new general for Void Knight, Wreckmate, to destroy the Mosa Razor Zord Mucus later accompanies him in an attack with the Aqua Hengemen, wielding a special harpoon gun but all of her shots miss and she is forced to retreat when cornered.

Mucus is up late at night in Area 62 wondering what the lever on the Sporix machine does. Mucus pulls the lever of the machine, and it emits purple smoke, complete with music and flashing lights. Void Knight comes over and expresses frustration at how she's now the coolest person in the world. Mucus begins to dance, wearing a golden outfit and glasses with the Hengemen joining in as well. She is then quickly woken up by Slyther, revealing that it was a dream, and he tells her to quickly let go of the Sporix machine lever that she was sleeping on. She does so, as Void Knight approaches and tells them to find more Sporix to power up his machine. Mucus remarks that they know, but complains that it's taking too long.

Mucus and Slyther (with Reaghoul and a resurrected Boomtower) help Void Knight kidnap Dr. Akana who is thrown into a vortex. Reaghoul also throws Mucus and Slyther in there with her after Void Knight leaves. When Zayto destroys Reaghoul and frees Dr. Akana, Mucus and Slyther are both left behind as the last apparent survivors of their army after Void Knight's apparent death.

Mucus and Slyther manage to escape offscreen by unknown means and plan to avenge Void Knight by destroying the Rangers. Mucus tells Javi and Solon via a hologram of herself projected from a Christmas card that she and Slyther have planted a bomb to destroy Dinohenge, and that they have only ten minutes to find and deactivate it before it explodes. After their failure, Mucus and Slyther flee to Area 62.

Slyther and Mucus try to break into Void Knight secret room with a wrecking ball but this fails due to the door's strength. After Slyther is forced to reform Mucus (much to thier disgust), Void Knight (having survived his apparent death) contacts them them via a screen. When asking if that's the real Void Knight, Bitscreem teleports in and threatens to destroy them if they dare to question Void Knight again.

Mucus is horrified at the arrival of a seaweed creature at Area 62 but Slyther reassures her that it is just a Sporix Beast. However, the being discards the seaweed to reveal that it is Wreckmate who survived his previous destruction and has returned to serve Void Knight.

After Void Queen takes control of Area 62, Mucus along with Slyther and Wreckmate join her, putting their allegiance to her above that of Void Knight, in addition to that from this episode he would be seen with a hand fan to give air to Void Queen. In this same episode, she suggests to Squashblight that he use his poison in the river, something that pleases Void Queen but annoys Void Knight, who tries to convince Void Queen to forget his revenge and leave the plant in a ship, to which Mucus notes that this ship was for two and that neither she nor Slyther nor Wreckmate could fit in it, suggesting that Void Knight intended to abandon it along with the other generals once Santaura woke up.

After Void Knight defected, she seems angry at this fact, as he never showed any appreciation for the details she did for him, although she is happy when she finds out that he was wearing the cologne she bought him when Trackenslash sniffs his throne to find him, then she, Trackenslash and Slyther go looking for him. After finding him an angry Mucus tells him how angry she felt for her betrayal and that he regretted buying that cologne from her, after a short fight with the rangers they leave the place to look for Tarrick who had escaped.

She finds a collar similar to one of a dog and puts it on which makes her grow like a giant, something that excites her, but she is attacked by some birds that end up knocking her down and in turn returning her to her normal size. After this she takes the necklace to Area 62 and gives it to Void Queen. Intrigued by the power of the collar, Santaura goes to the machine and pulls out a Sporix Cell. It hatches into Flapnarok, the sister to Draknarok and Santaura tells Mucus to give the former the collar. Mucus refuses to out of the 'finders keepers' rule, but Santaura zaps her from her and the collar flies into Flapnarok's hands.

Mucus watches as Javi is accused of copying a song and is inspired to create a plan for them to copy the rangers' attacks, something that Void Queen rejects as she already had her own plans in motion. Later Mucus ends up competing at the last minute in the same competition as Javi in broadcasting live where she is seen on a stage with several Hengemen as her dancers and she sings the same song that was heard in the background in his dream in the episode "Waking Nightmares". However, she couldn't finish her presentation as Slyther and Wreckmate appeared, Slyther was angry that Mucus didn't include him for that presentation and Wreckmate decides to ruin the presentation by attacking Mucus before finishing.

She wishes for a hat of her own, but as a consequence, temporarily becomes human. She reverts to her true form after Hexcurio is destroyed by the Rangers.

She hitches a ride on Warden Garcia's car when he takes Rina, Javi, and Izzy to the construction site, and, un-noticed by them, learns the passcode for the drill key. This makes it possible for Void King to drill into Dinohenge, and steal the Sporix.

Mucus accompanies Void Queen to BuzzBlast, however when Void Queen creates her cocoon Mucus makes the mistake of touching it and is destroyed, reverting to her unhatched form which is then absorbed into the cocoon.

After the Nemesis Beast is destroyed, and Santaura restored to normal, Mucus is revealed to have survived, as she is seen flowing away in slime form, giggling. This makes her the only Sporix Beast not to be reclaimed by the Morphin Masters. Six months later, it is revealed that she reunited with Slyther and the two have opened their own circus called Dr Sly's Magical Mushroom Circus, advertised by flyers near Aiyon's Café.

---

Me: Mucus! Boy I remember you all too well. You gave the Dino Fury Rangers a lot of trouble working for Tarrick.

Mucus: I know and it's so fun!

Himiko: Your childlike personality reminds me of what I was like before I was redeemed.

Mucus: It sure is cool.

Me: Also you and Slyther put on an amazing magic act. That was so awesome.

Mucus: Thanks. Good money and fun.

Me: Cool.

Mucus: Hope you guys are just as good as the last Rangers I fought!

Emma: You bet we are! Legendary Ranger Mode: Animal Platoon!

AAAHHAAAHHAHAH!

She turned into the White Zyuohger!

Nico: YEAH!

Emma: UNLEASH THE BEAST!

She fired waves of punk energy blades and slashed Mucus all over and she exploded into green slop!

Me: EEEEEEEWWW!

She reformed herself.

Mucus: You know me well J.D.

Emma: Legendary Ranger Mode: Space Platoon Nine!

She turned into the Pink Kyuranger!

Nico: AWESOME!

Me: Emma lets fly together.

Emma: You got it.

We fired a massive blast of purple fire and smashed down Mucus and it really hurt her!

Nico: AWESOME!

Qin: Great teamwork!

Me: Mucus isn't finished yet though.

Me: Sorry. But also in the future you get Bridge Carson of SPD as your Archenemy.

Mucus: Ooh cool!

Emma: Legendary Ranger Mode: Phantom Thief Force!

She turned into the Yellow LupinRanger!

Emma: Here's an advanced notice: I'm taking your treasure!

Nico: And we're going to kick your big ugly ass!

Mucus: Ooh I love a good fight!

Me: Bring it!

She fired energy blasts and I deflected them back and they hit her.

Mucus: HENGEMEN!

She summoned more Hengemen!

Cornelia: I got these guys!

She went guardian!

Cornelia: EARTH!

She smashed and pulverized them into rock and dust!

Emma: Legendary Ranger Mode: Interstellar Police Brigade!

She turned into the Pink PatRanger!

Qin: OH YEAH!

Emma: By order of the GSPO, I'm taking you down by force!

Me: And it will hurt!

Mucus: Bring it!

I saw a safe on Mucus and teleported and opened it and in it was a bunch of weapons called the Greatswords of The Elemental Monarchs, they're a collection of greatswords with the kanjis of the Elemental Monarchs etched on the 7'0" massive, wide, double-edged colored blades, large colored angel wings for the crossguards, large colored gems embedded in the rainguards, longer midnight black handles, four large colored angel wings with large colored gems on the bottom of the angel wings for the pommels, and once in hand, they'll get a massive power and energy increase, and there's also shields included with the greatswords as well.

Me: Hmm. I know!

I gave Emma a new Zenkai Gear.

Me: Try this one Emma.

I gave her the Zenkai Gear for the Pink Morphin Master.

Emma: The Morphin Master Gear!

Me: I made that one. If Nico can make Sentai Gears then I can too. It's also mine and Lisa's latest experiment.

Lisa Loud: After meeting one of the Morphin Masters, I figure why not have this one for the Sentai Gears.

Emma: Awesome.

She activated it and then her blaster BECAME SUPERCHARGED!

Me: WHOA! That is powerful!

Xenia: This is gonna be big!

Then we heard Crying?

Me: Crying?

Then a Dragon Queen of Tragic Endings appeared. And it roared in sadness.

Me: WHOA! Dragon Queen of Tragic Endings.

Nico: Yeah.

Dragon Queen of Tragic Endings: (In a girls Voice) (Latvian Accent) Yes and it's good to see you NICO! (CRYING)

Nico: Jasmine Bērziņš. Just like Varya said.

The Dragon Queen reverted back and she was a girl with green hair and had a Latvian Fur hat and she had green clothes and she was really crying.

Jasmine Bērziņš: Me and Emma (Crying) Got this.

She and Emma fired a massive blast of energy and the blast from the Morphin Master Gear blew Emma back with a powerful recoil and I caught her and the blast hit Mucus and she exploded in a massive fiery explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was dead! And back to her egg form!

Nico: Now I can finally say this! Mucus you have failed this world!

I picked up the egg.

Me: Squishy.

I put it in a pod and sent it back to M.O.E. HQ.

Nico then went over and hugged Jasmine who was crying and wailing.

Me: Oh man. Poor girl.

Me: Man she is really broken.

Varie: Poor girl.

Nico: Jasmine, your family might be gone. But you still have me. And now, all of my friends.

Qin: That's right Jasmine. We are all your family now. And Leena is dead now. She was given the Black Gates.

Varya Visnapuu: (Estonian Accent) She's right. We destroyed her and she will never hurt anyone again.

Jasmine Bērziņš: (Sniffles) Really?

Varya Visnapuu: We sure did. She is gone for good. We avenged the people she killed.

Nico: It's true. Varya did her in and we gave her the black gates.

Laney: We sure did.

Me: Jasmine, I know you miss your mom and dad and you will always miss them but they will always be with you. As long as you remember all the things they taught you. In a way you'll never be apart.

The huskies and malamutes comforted her and nuzzled her.

Jasmine Bērziņš: (Sniffles) (Weeping) Thank you guys. Thank you.

Me: We're sorry about what you went through Jasmine.

Qin: Yeah. But never forget that you still have your friends too. They are your family too.

Jasmine Bērziņš: I won't. Thank you.

Emma: Do you still want to share any good memories of Nico?

Jasmine Bērziņš: I think Qin already shared one of the best ones we did to you.

Qin: Yeah I did.

Nico: That was awesome.

Shanan: Do you remember which one of Sailor Moon's enemies it was?

Jasmine Bērziņš: :Yeah it was the Lake Monster.

Shanan: The Lake Monster? I remember legends about that one. She was said to be a princess that was cursed because of her jealousy. But I found out that it was a form of dark magic that turned her into a creature called a Carcharhinthian.

Qin: A Carcharhinthian? What's that?

Shanan: A race of lake sirens from the planet Carcharinas and they are very formidable and deadly warriors and they have powers of the supernatural. They are powerful too.

Me: So Queen Beryl might have had something to do with that.

Emma: Maybe.

Nico hugged Jasmine.

Nico: I've missed you Jasmine.

Jasmine Bērziņš: Me too Nico. Me too.

Nico then kissed Jasmine on the lips and she gave one back.

All of us: AWWWWW.

Qin: So cute!

Xenia: Yeah.

Me: Awesome.

Qin: That blackhearted bitch Leena ruined her life. But at least she is never returning.

Lincoln: Whoa, we're here in the world of the 1996 horror movie Tales from The Crypt Presents: Bordello of Blood and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy Lilith, The Mother of All The Vampires and her army of vampire prostitutes.

Me: My dad saw this movie long ago, this is going to be one bloodbath of epic proportions.

Nicole: Big time, which means Lincoln needs to really tap into the vampire and werewolf inside him for this bloodbath.

Lincoln: I'm already on it, Nicole.

Suddenly, Lincoln's deep sapphire blue eyes turned blood red, his black pupils turned into slits, his nails grew into really sharp claws, his vampire fangs grew longer, and the tips of his eleven massive and long white werewolf tails turned into large black wolf heads with red eyes.

Lincoln: Yeah, there we go, now I'm ready, and thanks for joining us, Gia.

Gia: You're welcome, Lincoln. Now, then, let's do this!

Lincoln: Yeah!

We arrive at the Bordello of Blood, and when Lincoln kicked the doors down, the vampires hissed and growled angrily, and Lincoln began attacking many of the vampires, slashing at them with his claws, biting them hard on their necks with his lengthened vampire fangs and sucking out all their blood and absorbing their bodies into his body, and the eleven large black wolf head tips on Lincoln's eleven massive and long white werewolf tails attacked more vampires biting them hard on the stomachs and draining them all dry of blood and devouring their bodies and absorbing them. It went on as we went through all the rooms, and when Lincoln was done, every last room was really drenched in blood, and Lincoln absorbed all of the spilled blood in the rooms, and we were stunned.

Nico: HOLY CRAP!

Me: Damn, now that was really bloody!

Nicole: I guess that proves what happens when you really make Lincoln mad!

Lincoln: Now, those were some good appetizers, but now, it's time for the main course: The Vampire Queen, Lilith.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with the sound of malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Lilith, along with Katherine, who's been exposed as a vampire and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the five girls, but they've been cornered by Lilith, along with Katherine, who's been exposed as a vampire and they're going to kill them.

?: (Girl's voice) That bloodsucking bitch!

?: (Girl's voice) Let's end Lilith and Katherine for good!

Suddenly, we saw Sadion the Timelord and Kuraz the Light Monarch appear before us.

Nico: Whoa, that's Sadion the Timelord and Kuraz the Light Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Sadie Emperyous and Alina Kuraz, but we'll talk later, we've got two main vampires to get rid of.

We rushed on over, and right before Lilith and Katherine could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Lilith and Katherine, and that allows the five girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Lilith and Katherine, and when the vampire queen and the captive Katherine now exposed as a vampire saw us, they were furious.

Lilith: You dare to get in the way of our dinner?!

Lincoln: Oh, I dare, Lilith. Setting up a brothel where you and your army of vampires masquerading as prostitutes can seduce men and women and feed on their blood to grow your army, now that's just sick. I may be a vampire and a werewolf, but the way you conduct your operations sickens me to my stomach, and I'm going to enjoy draining you both dry of every last drop of blood!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental

Then, Lincoln put Lilith in a brutal bear hug and he sunk his vampire fangs hard into her neck, and he not only sucked out every last drop of blood from her, but he also absorbed her into his body, and he also did the very same to Katherine, biting her on the neck and sucking her dry of her blood and he absorbed her into his body. Then, energy cards appeared in front of Lincoln with the souls of every last vampire he'd drained dry of blood and absorbed into his body, and when the Judgement Kanjis on their foreheads appear, they were all sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down, and Lincoln's blood red eyes turn back to deep sapphire blue and the slit pupils change back to normal, his claws shrank back to normal, and the black wolf heads on his tails change back.

Lincoln: Your days of luring and feeding on others are over, Lilith. (To Sadie Emperyous and Alina Kuraz) And it's so good to see you again, Sadie Emperyous and Alina Kuraz.

Sadie Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful green angel wings with stars in them, and she was dressed in a sleeveless green midriff top, long green skirt with the Sephiroth Tree of Life on it, black pants with designs, green legwarmers, green heeled sneakers, and long white sleeveless trenchcoat with winds and angels on the coattails and Sadion the Timelord on the back and holstered on her back is a large Sadion the Timelord-themed greatsword with Sadion the Timelord etched on the 7'0" massive, wide, double-edged green blade, large green angel wings for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large green angel wings and a large green gem below the angel wings for the pommel.

And Alina Kuraz reverted back to normal, and she was a beautiful girl with long flowing yellow hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Light Kanji on her forehead and massive and beautiful yellow angel wings and she reigned in the power of Kuraz the Light Monarch, and she was dressed in a sleeveless yellow closed blouse, sleeveless yellow top, long yellow skirt, yellow pants, yellow legwarmers, yellow heeled sneakers, and long white sleeveless trenchcoat with light and angels on the coattails and Kuraz the Light Monarch on the back and holstered on her back is a large Kuraz the Light Monarch-themed greatsword with Kuraz the Light Monarch etched on the 7'0" massive, wide, double-edged yellow blade, large yellow angel wings for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large yellow angel wings and a large yellow gem below the angel wings for the pommel.

Sadie Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, and Sandra.

Alina Kuraz: Same with you, Charlene, Varie, and Raven as well, Hilary.

Hilary Thestalos: You too, Alina.

Selene Emperyous: Same here, Sadie.

Lincoln went up to Sadie Emperyous and Alina Kuraz and he hugged them both and they hugged him back, and Sadie Emperyous and Alina Kuraz were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Sadie Emperyous: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Alina Kuraz: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Sadie Emperyous, she's my Guardian Angel from Michigan and the fifth born of the Emperyous Sisters. She's one of of the Wind Masters of the Emperyous Sisters, and Sadie is an awesome donut maker and makes awesome donuts of many kinds of shapes, forms and kinds and are full of delicious flavors and so much more. They are the kinds of donuts that Homer Simpson would love to the core.

Nico: Homer's going to love this, especially since donuts are one of his favorite foods.

Selene Emperyous: You got that right, and she even showed Lola how to make donuts too and she has been an awesome help for her.

Lola: Yep, so pizza's not the only thing I know how to make, but she also HATES that mutant cheapskate Flip with a merciless vengeance.

We gasped.

Lincoln: I still remembered what Sadie did to him long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Alina Kuraz, she's my Guardian Angel from Michigan and my classmate from Science Class and she has the powers of light and the sun. She is a powerful master of light and has incredible powers over the sun.

Nico: Just like Hailey Helios, Avatar of the Sun and the daughter of the Greek God of the Sun, Helios.

Me: And Hikari Taiyou, Princess of The Kingdom of the Sun, that's awesome.

Lincoln: You got that right, and she hates that monster Amy with a merciless vengeance and wants nothing more than to kill her and mount her head on a pike. She has a list of 75 revelations that are going to make Eli snap and go at her and brutally beat her up with incredible fury!

Nico: Uh oh, so we got two revelations coming up: one about Flip and another about Amy.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared around Sadie Emperyous' neck and Alina Kuraz's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Sadie Emperyous and Alina Kuraz: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Sadie and Alina.

Sadie Emperyous and Alina Kuraz had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Amelia Irving, Bai Mongfa, Ilya Ilyukhin, Aoi Izumisawa, and Karin Istel from Love Flops.

Lincoln: Oh wow, it's Amelia Irving, Bai Mongfa, Ilya Ilyukhin, Aoi Izumisawa, and Karin Istel from Love Flops.

Nicole: Awesome.

Lincoln: Are you girls okay?

Amelia Irving: Yes, we're okay, thanks to you.

Then, when Amelia Irving and the four other girls saw who it was that saved them from the vampires, Lilith and Katherine, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and

Amelia Irving: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Amelia Irving: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Amelia Irving, Bai Mongfa, Ilya Ilyukhin, Aoi Izumisawa, and Karin Istel with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team were shocked when they found out the villain we went after was Lilith, The Mother of All The Vampires, from Tales From The Crypt Presents: Bordello of Blood, along with her army of vampires posing as prostitutes, and those they've lured and turned into vampires.

But, when Lincoln showed what he did in going into Full Bloodlust Mode and he went on a feeding frenzy of epic proportions and fed on Lilith and all of the vampires sucking out all of their blood and absorbing them into his body and then banishing them all to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Sadie Emperyous, and Alina Kuraz have a lot of catching up to do, now that they're back in town.

Maria: Whoa, now that's what I call one epic bloodbath, and I've never seen that kind of side to you, Lincoln, it's like you went into Full Bloodlust or something.

Lincoln: That's exactly what I went into, Maria. What you all saw was my new Full Bloodlust Mode, and I only use that, especially when it's an army of vampires, werewolves, or any other villains.

Nico: And he went on a full-blown feeding frenzy and he really made a mess of those vampires.

Me: He literally stained the walls and rooms red with blood!

Eli: It was really wild, even Adriana, Lisa, Rudina, and Rayne were blushing like crazy when he went into Full Bloodlust Mode.

Rayne: (Smirks) What can we say? When our man lets loose that wild beast inside him, the carnage he'd left of those vampires was indeed quite a show.

Adriana Ardelean Dracula: (Romanian Accent) We taught him a lot, and he'd learned along the way in our absence.

Lisa Vampirdinumbră: (Romanian Accent) Indeed he has, Adriana.

Rudina Adalwulf: And we're so proud of him.

---

After Lincoln went on a bloodsoaked rampage and killed Lilith and her army of vampires, we were training intensely at the beach, this time, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sadie Emperyous and Alina Kuraz saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sadie Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Alina Kuraz: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sadie Emperyous: That's incredible.

Nico: It sure is. So, Sadie, Alina, what are these horrible revelations on Flip and Amy?

Sadie Emperyous: Allow me to go first. You see, I found out long ago, Flip was planning to kidnap the Louds and then ship them off to Antarctica, so they'd freeze to death in the extreme cold, and then, he'd rob the entire town blind, and then, kill all of Lincoln's friends. I was extremely infuriated and I beat the living crap out of Flip and brutally smashed him into pulp and left him in a full body cast by breaking every single bone in his entire body I also threatened that if I ever saw him again, I would throw him into a black hole and make sure he's never seen again.

We gasped, and when Lincoln's harem heard that, they were literally seeing red.

Me: Yeah, I remember that one long ago, but this proves Flip's a cheap, murderous, and really stupid asshole.

Nico: If we didn't have him put through those humiliations, I'd ask Sadie to do just that: throw him in a black hole and make sure he's never seen again. (Notices Lincoln's harem) And I think what you just told us, Sadie, has made Lincoln's harem really mad!

Lincoln: There's no way I can stop any of them when they get this mad!

Lincoln's harem stormed down to Lynn's Table and we followed them, and when the doors opened, Lincoln's harem brutally smashed and bashed Flip all over the place, and he was screaming in really really agonizing pain, and he was belching and farting out massive tons of gold coins and precious jewels. When they were done, Flip was brutally beaten and mangled with two black eyes, all of his teeth were broken, and his arms and legs were broken.

Me: Oh damn!

Nico: Yeesh, I knew all of Lincoln's Guardian Angels hated that mutant cheapskate with a passion, but when all of Lincoln's harem got involved, Flip just sealed his own doom.

Alina Kuraz: And we're going to continue humiliating him for eternity. Now, it's my turn, and I've got 75 revelations about Amy.

Alina Kuraz told us the 75 revelations about Amy, and they were really horrifying: which ranged from trying to kill Sammy and the rest of The Total Drama Crew to trying to kill us and The Masters of Evil for continuously humiliating her, and when Alina Kuraz said the last revelation of Amy threatening to kill Nunnally and Eli, and then, spitting and pissing on their graves, this was the final straw as we saw Eli's eyes turn fiery blood red and his fangs sharpened! HE'S REALLY SNAPPED, AND AMY'S SEALED HER OWN FATE!

Eli: (ENRAGED SCREAM) YOU HEARTLESS, BLOODTHIRSTY, MURDEROUS, VAIN, SADISTIC, UGLY BITCH!

Everyone: UH OH!

Eli flew at Amy and he brutally beat her up with incredible fury, punching and kicking her all over the place, and he even made his nails grow into claws and he slashed at her, ruining her dress, and the brutal assault caused tons of gold coins and precious jewels to spill out of her. When Eli was done, his eyes went back to normal and his claws changed back to normal, and Nunnally went up to Eli and she hugged him and he hugged her back.

Lincoln: You just sealed your own doom, Amy, and the same goes with you, Flip!

Lincoln, Nico, and I gave Flip and Amy the "I'm Watching You" gesture, and it frightened them badly, and we got back and we got a shower afterwards, and then, Eli and Nunnally were heading off to Emerald Coast.

Eli snapped his fingers, and the 7'5" tall and extremely muscular man was dressed in large dark blue swim trunks with a seraphim and wolf surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, dark blue sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and Nunnally was dressed in a white two-piece bikini, sandals, jewelry, and she also had her weapons holstered in case of trouble.

Eli: This is so awesome that we're having our date here in Emerald Coast, Nunnally.

Nunnally: You said it, Eli, and this is going to be so awesome.

Eli and Nunnally dived in and they also saw the wildlife there. They also had a swimming race, and they also had a lot of fun, and they got to the surface and they had a game of volleyball and Nunnally got an extreme deep atomic red blush on her face when she saw Eli lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch on the sand, and then, Eli went up to Nunnally, and he hugged her in his abnormally massive and powerful muscular arms and Nunnally wraps her left arm around Eli's thick muscular neck, and she placed her right hands on Eli's massive wide and muscular left pec, and they shared a passionate and romantic kiss.

Eli: Shall we head home, my lady?

Nunnally: Of course, my dear.

Eli and Nunnally then headed home holding hands as the sun set on Emerald Coast.

While Eli and Nunnally were out, we were getting ready because today's Eli's birthday, and we had the place decorated for Eli with images of mythological animals and angels, along with Gundam robots, and we finished just in time and we hid, as Eli and Nunnally came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I in the shadows saw Eli had lipstick marks all over his face and massive and muscular upper body.

Eli: Hey, why is the place so dark?

Eli hit the light switch, and then, we came out as the streamers went off and confetti rained down on the place, along with a banner that said, "Happy Birthday, Eli Winston-Bullock!"

Everyone: SURPRISE, HAPPY BIRTHDAY, ELI!

Baron Mordo and Eli were fighting bank robbers.

Eli: Take that you fiends!

Baron Mordo: Yeah!

Me: (On the radio) We're all set Karl. You cane bring him and Nunnally back.

Baron Mordo: Okay.

Eli: Yeah!

Baron Mordo: Lets head home.

They went back home.

We finished everything in setting up the party.

Nico: Everything looks perfect.

Qin: Yep.

Camie: This is gonna be so awesome.

Varie: Here they come!

We got in position and hid and the lights were off.

Eli: Hey, why is the place so dark?

Eli hit the light switch, and then, we came out as the streamers went off and confetti rained down on the place, along with a banner that said, "Happy Birthday, Eli Winston-Bullock!"

Everyone: SURPRISE, HAPPY BIRTHDAY, ELI!

DCSHG Poison Ivy: Happy Birthday, Eli!

Eli was really surprised at the surprise!

Eli: (Surprised) Wow, you guys remembered!

Nico: We sure did, Eli, we'd never forget your birthday.

Me and Lincoln: Happy birthday, bro!

Eli: Wow, thanks, guys!

Then, The Masters of Evil arrived.

Vypra: Happy Birthday, Eli!

Eli: Thanks, guys.

Me: You're welcome bro.

We were having tons of fun for Eli's party, and we also gave Eli our gifts, and he loved all of them.

Dew Gayl: Open the presents!

Lincoln gave Eli a comic he'd made based on our fights against The Doomsday 23 and The Equalist War a month ago, and it was so awesome, along with a powerful greatsword, Lori gave him a new cellphone and cellphone case, Leni gave Eli some new clothes, Luna gave him an electric guitar in his favorite colors, Luan gave him some jokebooks, Lynn gave him some awesome sports equipment, Laney gave him a painting of him and Nunnally as angels with white angel wings and holding hands in the sky as the sun was above their heads, Lucy gave him a spellbook of dark magic, Lana gave him a toolbox full of tools, Lola gave him some stylish sandals for any of his beach dates, Lisa gave him a new blaster, Lily put together a scrapbook and inside its pages are photos of Eli with all of us, and Leopold gave Eli a painting with him holding Leopold, and it was so cute.

Eli: Wow, thanks, you guys.

Me: Anytime bro.

Lynn Sr. came in with an awesome looking double chocolate fudge cake with blue frosting words that said, "Happy Birthday, Eli Winston-Bullock" on it.

Eli: That looks really delicious.

Lincoln: Nico, J.D., and I had to keep our sisters from getting it, since we know how much they loved chocolate.

Me: Yeah they are true chocolate lovers.

Maria: Lincoln had to put up a barrier to keep his sisters from getting into the kitchen to get at the cake mix!

Me: True, but then again, Lincoln's sisters are known chocoholics, just the smell of chocolate, and they'll come running.

Qin: Yep.

Eli: But, Lincoln had to stop them, otherwise, they'd mess up the cake.

Lincoln: Yep.

G1 Iron Bison: Blow out the candles and make a big happy wish!

Eddy: Just don't shove the whole thing down Double D's throat like Ed did.

Eli: I won't.

He made a big wish and then blew out the candles.

Then we cheered.

Me: What did you wish for bro?

Eli: To have the most awesome adventure ever with you guys on my birthday.

G1 Lightspeed: That actually might come true!

King Kai: (Telepathically) Nico, Eli, everyone, can you hear me?

Nico: King Kai, we hear you, what's wrong?

King Kai: (Telepathically) I've got some bad news none of you are going to like: Lelouch has returned from the dead, and he wants revenge on Eli for ruining his plans long ago.

We gasped in shock, including Eli, Nunnally, and C.C., and Kallen Kozuki, Shirley Fenette, and Kagari Savitri, who are in Lincoln's harem.

Eli: I can't believe it, so Lelouch truly has returned from the dead.

Nunnally: And he still wants revenge for what happened long ago. The person I once knew as my own brother is still gone for good.

C.C.: Now, we're finally going to stop him once and for all

Eli: We will, C.C. Plus, our new weapons from yesterday which had merged with our weapons will also protect us from Lelouch since he has the power of mind control.

Our weapons were really glowing, in response to Lelouch coming back from the dead.

Nico: Nice, now, let's go make that evil monster pay for all his crimes.

Me: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Marianne Blakely of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna yesterday. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Marianna Blakely on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna yesterday.

Lynn: I knew it, and like you said, Lincoln, that battle you and Mara Ceirin had with Elena Charna yesterday served as a warning to Morana Desdemona and the rest of The Order of The Black Cross that we're coming for them.

Me: And we're so not letting any of those Satanic Witches live.

Nicholette Torrington: You got that right, J.D. Morana Desdemona and The Order of The Black Cross have caused enough trouble in Michigan trying to prove their loyalty to Satan, and now, they want revenge on us for what we did to their dark master.

Nico: But, they'll meet the same fate as their master, Nicholette, and I hope that Winter and Lincoln show that demonic Satanic witch what for. Alright, gang, let's go, we've got an evil figure from Eli and J.D. 3's past to destroy.

Lincoln: Yeah, we're coming for you, Lelouch, and you're going to pay for everything you've done.

Kallen Kozuki: There can be no forgiveness for the crimes you've committed so long ago, Lelouch.

Shirley Fenette: So many innocent people have suffered because of you.

Kagari Savitri: And we will make sure that the spirits of all those you have killed are avenged here and now!

Lincoln: I like that spirit and determination from you girls.

Eli: They've also helped us out with dealing with Lelouch as well, Lincoln, so they're wanting to make him pay yet again.

Lincoln: Awesome, and once we get done with Lelouch, you're next, Marianna Blakely.

Eli: What the?

Zero: (Appearing on the TV.) I am… Zero!

Eli: *Gasp!*

Me: Oh man! I know him!

Zero: (Broadcasting) People of Japan I have returned!

Eli: (Horrified) It… can't… be.

Lincoln: You okay Eli you look like you seen a ghost?

Eugene Hendricks: You alright there Eli? Could you tell me who he is?

Eli: He's someone I was hoping to never see again!

Zero: (Broadcasting) Hear me Britannia! All you who have power, heed my words carefully. I am burdened by sorrow. War and discrimination, malicious deeds carried out by the strong. The same abhorrent interplay between tragedy and comedy. The world has not changed. The people still suffer. That is why the resurrection of Zero was necessary. So long as the strong oppress the weak my rebellion will continue to grow. It begins today with the divine punishment I have wrought upon the inept and foolish Viceroy Calares…

Me: What is he up to?

Lori: *On her phone* Bobby are you getting this too?

Bobby: (On the phone) I sure am babe!

Bobby and his family were seeing this on their TV.

Zero: *Broadcasting* I shall fight against all those who abuse their power. Therefore, once again, here and now, I declare the establishment of the United States of Japan…

Me: WHAT!?

Lincoln: Clyde are you seeing this too?

Clyde: I sure am buddy. All of us are.

Zero: *broadcasting* Starting from this moment, this room shall be the first dominion of the U.S.J…

Carol: This is madness!

Me: That is a declaration of war!

Zero: *broadcasting* Race, ideology, and religion will not matter. Being a citizen will have but one requirement: to do that which is just.

Me: That's horseshit!

Eli: *Gearing up.* Time I set things right for all the mistakes that happen in the past.

Me: What are you gonna do Eli?

Eli: Finally go back to Japan.

Me: We're coming with you Eli. And we agreed that I would lead this one.

Vypra: Let's get that son of a bitch!

Duskmon: Remind me why we're not killing him with the super laser?

Me: Because that will destroy the entire planet.

Nico: That's right!

Me: We better gear up ourselves.

Nico: Lets go then.

We were gearing up and we were off to Japan.

Me: We're coming for you LeLouch!

Nico: Wait, Eli Do you have any idea who's behind the mask?

Eli: He is the former prince of the holy Britannia's empire Lelouch Vi Britannia.

Camie: Really? What is the story behind this guy?

Tsuyu: Who's Lelouch anyway?

Eli: You see His objective is to find his mother's killer and to create a world where his little sister Nunnally can find happiness.

Eli told everyone all about his history.

**Lelouch vi Britannia** is the main protagonist of the anime series *Code Geass: Lelouch of the Rebellion* .

He is the son of the Britannian Emperor Charles zi Britanniaand Marianne vi Britannia, and the brother of Nunnally vi Britannia. After being exiled to Japan by his parents to cover up their own plans for global conquest, and embracing Japan as his true home, Lelouch is traumatized after witnessing Britannia's conquest of the country and vows to destroy them. After gaining the power of Geass, the power to compel people, from the mysterious C.C, Lelouch becomes the vigilante Zero and leader of the Black Knights, the Japanese resistance, to overthrow Britannia and create a better world for his sister and friends.

Despite his intentions Lelouch faces many moral challenges that gradually turns him into a villainous character, manipulating his own army and committing mass murder of Britannians and Japanese alike, to achieve his goal. However Lelouch still values the lives of his closest loved ones, even his best friend Suzaku Kururugi who becomes an honorary Britannian and Lelouch's archenemy, and their happiness is his primary motivation for overthrowing Britannia.

In the Japanese version of the anime, he is voiced by Jun Fukuyama, who also voiced Gilles De L'Enfer, Grell Sutcliff and Toneri Ōtsutsuki. In the English dubbed version of the anime, he is voiced by Johnny Yong Bosch, who also voiced Nine in *My Hero Academia: Heroes Rising* . He also voiced Sasori in *Naruto* .

First Season

Lelouch makes his first appearance in the beginning of the first episode of the series, as a child, along with Suzaku Kururugi watching the Britannian Military entering Japan, with the figure of C.C. apparently watching them. After the invasion of Japan, Lelouch vows to obliterate Britannia. He is later introduced to be a student of Ashford Academy where he is a member of its Student Council. He is a brilliant thinker who is quite talented at chess, he lives with his younger sister, Nunnally, and their maid, Sayoko, in the Student Council building of Ashford Academy, where they are looked after by the Ashford Family.

Lelouch and his friend Rivalz enter a room where a chess match was being played, with Lelouch claiming he can turn the situation on the chess table in under 9 minutes. He starts his game by moving the King. He effortlessly crushes him in a short period of time (8 minutes, 40 seconds), while the noble gapes at his own defeat. Rivalz compliments Lelouch on his victory, and is happy that the ego of the nobles will force them to pay, which he notes also make them loose. As they walk out of the casino, they are interrupted by Clovis' "heart-breaking" speech which turns out to be an act. On the road, Rivalz accidentally cuts the way of the terrorists, resulting in their vehicle's crash. People gather, but to Lelouch's disgust, they are more interested in placing the blame and gawking over the incident than helping, prompting him to go and assess the situation. As he inspects the crash, he hears a voice, but is then thrown in the back of the truck, as Nagata, one of the hijackers, puts it in reverse for an attempted getaway. However, Lelouch is soon swept into the conflict between the Holy Britannian Empire and the pockets of resistance which oppose it when he accidentally boards a truck being used by Japanese Resistance operatives. To Lelouch's horror, he realizes that he is trapped in a terrorist getaway. Suzaku, who Lelouch had not met for seven years, finds the vehicle and confronts Lelouch, who he mistakes as a terrorist. Nagata opens the capsule, to which Suzaku quickly puts his own gas mask on Lelouch's face. The capsule opens, instead of gas, as Suzaku expected, a restrained C.C. appears. Before they can get answers, Suzaku's superiors comes and tells him not to question his briefing, and to shoot the "terrorist", Lelouch. When he refuses, he is promptly shot in the back. Lelouch and C.C. takes the opportunity to escape. Just as they seem to have evaded detection, Lelouch's phone rings, giving him away. As they are about to kill him, C.C. jumps in front and is shot in the forehead. A desperate Lelouch now thinks of his impending death, his last thought being of Nunnally. He is grabbed by the hand by C.C., who proposes a contract which would allow him to live and endow him with Geass, the power of kings. He accepts, and stands up reinvigorated, and uses his power to make his pursuers kill themselves. He then retroactively contemplates this moment, noting his life is a lie, but that he accepts it as long as he has the power from it.

Following his actions, Villetta Nu appears in her Sutherland and Lelouch decides to take it and uses his Geass on her as well. After making use of his new-found power, he attempts to crush the rest of the Britannian Military that are wiping out the Elevens in the Shinjuku Ghetto. He uses Ohgi's Resistance Group and gives them orders in eliminating the Britannian Soldiers. He initially gains the upper hand, forcing Viceroy Clovis la Britannia to allow the release of an experimental Knightmare Frame by the Special Envoys, named the Lancelot, which is piloted by Suzaku Kururugi. Suzaku defeats most of the rebel's forces and eventually finds Lelouch's Sutherland inside of a building. Unable to defend himself against Suzaku's attacks, Kallen appears in her Glasgow to buy him enough time to escape, stating that she is returning the favour for helping her. Just as the Britannian Army corners the terrorists, Clovis orders an immediate cease-fire under coercion by Lelouch. Lelouch confronts Clovis at gunpoint about the murder of his mother, Marianne vi Britannia, before killing him.

When he returns to Ashford Academy, he discovers that Kallen Stadtfeld, one of the terrorists he helped in Shinjuku Ghetto, attends the same school. The limitations to his power are also revealed to him when he attempts to question her and unsuccessfully erase her memory. Both him and Kallen attempt to gain information from each other, but he creates a cunning deception, through Sayoko, to ease her suspicions of his identity. When the death of Prince Clovis is announced in the media, it is Suzaku who is accused of the murder.

After finding out Suzaku is being accused of murdering Clovis, he assumes the mantle of Zero and reveals himself, in a disguise, to Ohgi's Resistance Group. He convinces them that he will show his power by rescuing Kururugi. During the scheduled public run of Suzaku heading to the courts, Zero appears on top of Clovis' royal transport that was made by Kallen and Ohgi. Debuting to the whole entire whole as Zero, he reveals the capsule that supposedly held poison gas. In exchange for the capsule he wanted Kururugi, but Jeremiah remains steadfast stating that he can not give him up as he murdered Clovis. Lelouch refutes stating that he was the one who killed Clovis. Knowing that Jeremiah would not cooperate, he uses the codeword "Orange" to instill doubt in the Purist Faction and Britannian Military as some sort of bribe or plan in cooperating with Zero. Using this to his advantage, he uses his Geass on Jeremiah to allow them to escape.

To Lelouch's surprise, C.C., the girl who gave him Geass, shows up alive in his residence. He discovers that she is immortal and learns more about his Geass ability.

Arthur, a stray cat slips into the Lamperouge residence on campus and takes off with Lelouch's Zero mask. Milly announced that the one who would catch the cat would get a kiss from any member of the Student Council. A massive, comedic chase throughout the school grounds involving the entire student body follows. Suzaku and Lelouch were the ones that got the cat and got a kiss on the cheek from Nunnally. The student council adopts Arthur and builds a cat house in the council room. Lelouch along with the rest of the student body watches Prince Clovis' funeral on live. During the funeral, the Emperor of Britannia, his father, makes a speech on the virtues of inequality and the social battle for evolution and betterment while Lelouch shows an expression of dislikeness.

Unknown to Lelouch, Cornelia had set a trap for Zero at the Saitama Ghetto by simulating the conditions in Shinjuku Ghetto. Despite C.C.'s warnings, Lelouch takes the bait and goes to the aid of the Saitama resistance. His plan falls apart from a combination of Cornelia's superior tactics and the resistance cell's dissimilar motivations. Lelouch is cornered and nearly discovered, but C.C. dons his Zero costume and distracts the Britannian Army, allowing him to escape. Lelouch blames his defeat on the undisciplined rebels and resolves to build something better than a mere resistance unit, first an army, then "people," and finally a nation.

He later forms The Order of the Black Knights during the Japanese Liberation Front Hotel Incident after rescuing the hostages. He leads the Black Knights becoming a revolutionary and gains popular support amongst the Elevens.

The turning point in his rebellion comes when Euphemia li Britannia declares the region under Mt. Fuji, the Special Administrative Zone of Japan, giving the Japanese people their name and country back, albeit in a much smaller area. This effectively destroys any possibility of the Black Knights' rebellion; acceptance would render them powerless and refusal would make them pariahs. Lelouch confronts her at the opening ceremony and tries to have her shoot him, hoping to make himself a martyr. When she says she plans to give up her title, he surrenders and agrees to work with her. However, at this moment his Geass permanently activates, and an offhand comment about ordering her to kill the Japanese forces her to do just that. Lelouch is forced to kill Euphemia to end the ensuing massacre, but in doing so becomes a hero of the people. Using this new-found support, Lelouch announces the creation of the United States of Japan and is able to lead an attack on the Tokyo Settlement. The attack goes well at first, but when Lelouch learns that Nunnally was kidnapped, he abandons the battle, leaving his forces helpless against the much better organized Britannian forces.

On his way to rescue Nunnally, he is intercepted by Jeremiah who is piloting the Siegfried, but is able to lose him after an ensuing battle. Lelouch and C.C. make their way to Kamine Island to search for Nunnally, but Jeremiah appears once more. Being unable to defeat him as the Gawain has taken its toll in the many battles it has participated in, C.C. decides to sacrifice herself and drops Lelouch off.

Using the Gawain's slash harkens and damaging the Siegfried's float system, she drags Jeremiah down to the bottom of the ocean. Afterwards, Lelouch is confronted by Suzaku Kururugi. Kallen appears as well and Suzaku reveals to her that Zero's true identity is Lelouch. Lelouch attempts to broker a truce, but Suzaku is distraught over the death of Euphemia and refuses to listen. An angered Lelouch draws his pistol and both Lelouch and Suzaku attempt to shoot one another. A single gunshot is heard as the screen fades to black at the end of the first season.

Second Season

One year later, Lelouch is once again a student at Ashford Academy. He has had his memories rewritten by Charles zi Britannia, revealed to possess a Geass power of his own, erasing his memory of him being a prince, being Zero, and that he has a younger brother named Rolo Lamperouge, instead of a sister.

He is seen running away from Villetta Nu who is revealed to be a teacher now in the first episode. He is able to leave Ashford Academy with Rolo to go gamble at Babel Tower. It is here where Kallen and the remnants of the Black Knights attempt to retrieve Zero. After being cornered by the OSI, C.C. appears. Lelouch's memories are restored by C.C. and he uses his Geass to kill all of them. Afterwards, Urabe and Kallen appear in their respective Knightmares and he resumes leadership of the Black Knights. Initially, Lelouch makes his base in the Chinese Federation's consulate, using his Geass on the High Eunuch stationed there so they will be welcomed. They are eventually forced to abandon it, however.

When Nunnally is appointed as Viceroy of Area 11, and announces her plans to re-establish the Special Administrative Zone of Japan, Lelouch falls into depression since he would be impeding her wishes by continuing his rebellion. He nearly begins taking Refrain before Kallen stops him. With the help of Kallen and his friends at the Ashford Academy, Lelouch realizes that his mission no longer revolves solely around Nunnally, but concerns the rest of his friends and the Japanese people as well.

Lelouch engineers the legal exile of the Black Knights by getting the Britannians to agree to exile Zero in exchange for bringing one million participants for Nunnally's new Japan. By having them all dress as Zero, he forces Suzaku to exile them and The Black Knights escape to the Chinese Federation, where Lelouch begins forging an alliance with the other world powers to create a force that rivals Britannia. He starts by destabilizing the Chinese Federation, returning control to Empress Tianzi from the High Eunuchs.

During his time in Area 11, Shirley is killed by Rolo after her memories are restored by Jeremiah Gottwald, an assassin for the Geass Directorate. Unable to retaliate against either, as they are now his allies, Lelouch instead wipes out the Directorate, in the process learning of C.C.'s wish to die and that the Emperor has become immortal. C.C. would have had Lelouch kill her and take on her immortality, but instead spares him by placing him inside her memories while the Emperor kills her. Lelouch refuses to let her die unhappy and convinces her to live on, but her memories of her life after gaining Geass are erased during their escape.

Once Lelouch's new alliance, the United Federation of Nations, is formed, their first act is to liberate Japan. To insure Nunnally's safety, Lelouch meets with Suzaku in an attempt to convince him to help. Lelouch takes full responsibility for all that he has done rather than admit the truth, but Suzaku agrees to help since he recognized what Lelouch is doing. Prince Schneizel's troops, having been ordered to follow Suzaku, then move in to arrest Lelouch, convincing him that Suzaku sold him out. Lelouch escapes with the help of

Guilford, having used his Geass to make Guilford see him as Princess Cornelia, and begins his attack on Tokyo. Rolo and Sayoko are sent in to retrieve Nunnally and Kallen.

The battle initially goes well, but the hostilities are cut short when Suzaku fires Nina's F.L.E.I.J.A. bomb under the influence of the Geass command Lelouch placed on him. Nunnally is apparently among the dead, which leaves Lelouch heartbroken. This is only made worse when Schneizel appears in order to speak to the core members of the Black Knights. Schneizel is able to convice them to betray Lelouch using recorded evidence from his meeting with Suzaku, revealing his real identity of being Zero and his power of Geass. Kallen meets up with Lelouch to tell him that Ohgi wants him to come to warehouse 9. In the elevator, Kallen expresses to Lelouch her gratitude for Nunnally's help when she was captured.

They then arrive to see that the core members of the Black Knights are betraying him, stating they know his real identity and Geass power. With Lelouch backed into a corner, he reveals his identity and lies that everything he has done was for his entertainment in order to save Kallen from dying with him telling her that she needs to live. As they are about to gun Lelouch down, Rolo appears in the Shinkirō to evacuate him, but dies in the attempt as he overuses his Geass. Lelouch comes to terms with his feelings for Rolo and buries him properly, as the little brother of Lelouch Lamperouge.

Following the betrayal of the Black Knights, Lelouch focuses on defeating the Emperor, Lelouch confronts the Emperor in the Sword of Akasha, where he learns the truth about his mother and Charles' plans. He denies their attempt to create a new world and kills both of Charles and Marianne. One month later he installs himself as the 99th Emperor of Britannia and appoints Suzaku as his Knight of Zero.

---

When he was done we were shocked and horrified!

Me: Oh man!

Nico: Not good!

Me: That's insane! I think what he's doing is making a world without free will.

Eli: He was sick to death of a world without changing.

Me: This guy is nuts!

Nico: He sure is.

Eli: He met sister C.C. here who gave him the power of Geass.

Me: And he used his powers to destroy their minds and kill themselves!? He's majorly fucked up!

Nico: Just great, how are we going to take him down?

Eli: Let me explain about geass. But first I'll tell you about his mother's death even if it's the work of terrorist that killed his mother and paralyzed his sister's legs he knows someone from the royal family that killed his mother.

Camie: Do you know who it might be Eli?

Eli: Not yet also he learns he can only use Geass on a person once.

Me: And what happens if he uses it more than once?

Eli: Geass is a supernatural ability which certain people can bestow upon others. wiki/C.C. is the most prominent character who grants the power of Geass. Lelouch's Geass manifests itself as "the power of absolute obedience," which allows him to plant commands within a person's mind upon direct eye contact. He is granted this ability through his contract with C.C. at the start of the series. Activation of the Geass is visually represented by the manifestation of a Geass sigil in his left eye. Commands dictated in this state are written into the minds of the designated targets once the sigil projects from his eye to theirs. The ability cannot influence the same individual twice. The more he use his Geass, the more powerful it becomes. Those who cannot control the power are ultimately ravaged and consumed by it.

We gasped!

Nico: So it will drive him insane. We have to find a way to rendered impervious to his powers.

Me: Our new weapons we got yesterday will do that.

Eli: Plus he wanted destruction of Britannia and Britannia are like Nazis.

They gasped!

Nico: That's horrible!

Me: Yeah. So it IS a world without free will that they want. We have to kill these guys.

Eli: It's actually the emperor Charlse Zi Britannia we got to take down, Britannian's Hitler.

Laney: Terrifying! Another Anti-God monster. Now we have to kill him.

Eli showed them a video of Charles speech in Clovis's funeral.

Me: I will never support their regime! If it's a war they war, then it's a war they will get. Blood and bodies will stain their floors as we destroy them and kill them!

Nico: Yeah!

Eli: But we need to find out what his objective is first.

Me: I think I already know. World domination.

Nico: So the Emperor LeLouch is our target?

Eli: Yes and he must be stopped.

Nunnally: He's also my brother. And he is a monster that must be destroyed!

Eli: But after Nunnally's mother was murdered he send her and LeLouch to Japan as bargaining tools and abandon them in a war 8 years ago.

Nico: Jeez, Lelouch and Nunnally had the worst father, no wonder why he wanted revenge.

Me: No shit

Eli: That's why Lelouch as Zero made a group called the Black Knights.

They were shocked when he told them about what he was doing.

Me: Then we got to stop him.

Me: No way in hell am I going to let this monster take our planet. A world without free will is the ultimate fate worse than death!

Xenia: That is for sure!

Nico: So… what's his next move?

Eli: Restoring the Black Knights no doubt.

Camie: Black Knights… are they insurgent organization?

Eli: They're are terrorist who are Japanese want Japan free even if it means working for Zero and I know this because I was a special member of the Black Knight when I use to pilot the RX-78-2 Gundam. before I enter the 13th Gundam fight tournament…

Varie: Really? I didn't know that.

Lincoln: So you know what makes them work.

Eli: And Tell you the truth the members of the Black Knights when I first met were actually kind to me.

Tsuyu: Really?

Eli: First There's Ohgi.

Sirius: What is he capable of?

Eli: He was actually a school teacher before Britannian invaded Japan.

Kaina Tsutsumi: Whoa!

Eli: And next There's Tamaki. He likes to call himself Uncle Tamaki for me.

Nico: We can spare him. I sense that he doesn't like these ideals.

Eli: And the ace pilot Kallen who's been like a big sister to me.

Aylene C.: Wow. She sounds gifted. We'll spare her too.

Eli: And her hair resembles Domon's hair.

Domon Kasshu: Wow.

Eli: I learned that she and Domon are cousins cause their moms are sisters.

Lana: Wow!

Lola: That's incredible.

Eli: So she's Kallen Kasshu.

Qin: Amazing.

Domon Kasshu: It'll be great to see her again.

Eli: And please spare Ohgi too cause he's a old friend of Kallen's deceased older brother.

Me: We will.

Nico: Okay buddy.

Eli: When I first met them it was like…

*Flashback to after rescuing Suzaku from being accused for Clovis's death where Ohgi, Kallen, Tamaki, Yoshitaka, Naomi, Toru, and Kento were looking at the RX-78-2 Gundam and help them as the cockpit open reviling to be Eli before he turn 10.*

Eli: *Gulp*

Ohgi: Can you tell us your name young one?

Eli: Huh?

Ohgi: I want you to know that you can trust us, I assure you there's no need to worry. We are fighting to free Japan as well and we like to know about you.

Eli: Really?

Naomi: Yes what he saying really is true we want to know how you were able to pilot the Gundam in a very young age so I beg you young gundam pilot won't you please come out?

Gundam put it's hand down in front on them for Eli to get off.

Eli: Gundam… you trust them?

Gundam glowed it's eyes as a "yes" so Eli got off and look at Ohgi and the others giving him welcome smiles.

Tamaki: Hey you're neither Japanese nor Britannian.

Kallen: Say you're right so where are you from?

Eli: America.

Toru: America?

Eli: I'm an American boy who grew up in Japan.

*Flashback ended*

Me: Wow. I remember that from my Caveman Self. You were shy back then.

J.D. 3: Yeah he was.

Eli: Yeah But Gundam made me trust them.

Nico: Oh.

Calamitous: Tsukasa, in addition to your Complete Form, me and

Gizmo have made a new super form for you.

Gizmo: You can try it out later.

Tsukasa: Okay.

Qin: Awesome! Can't wait to see it.

Eli: Plus Lelouch is doing this for Nunnally cause not only she's cripple but she's blind as well.

*They gasped.*

Nunnally: I was blind and a cripple before. But I'm okay now.

Eli: Thank goodness. I freed her after all and I love you more than anything Nunnally.

Qin: Aww. So adorable.

Eli: Yeah. That's why Lelouch has been fighting for Japan and get revenge on their father.

*They gasped.*

Eli: Plus they have older siblings even though they have different moms.

Nico: Really? Wow.

Eli: First There's Clovis.

Izuku: Yeah?

Eli: He ordered his men to slaughter unarmed Japanese civilians at Shinjuku so he's a spoiled tyrant so Lelouch…

He told them about it and them were shocked.

Me: THAT'S HORRIBLE!

Sirius: What a beast!

Eli: Yeah And There's princess Euphemia Li Britannia, and She's actually a good person.

Sirius: I'm sure she is pretty.

Eli: She is and Like Kallen She was being like a older sister to me too.

Camie: I see.

Me: That's cool

Eli: And Like Nunnally she wished the world was a gentler place.

Nico: I don't blame her.

Me: Me neither.

Eli: She also has a sister name Cornelia.

Allie Wilde: Wow.

Eli: Cornelia is a warrior princess but I defeated her with the RX-78-2 Gundam.

Qin: Wow!

Xenia: Whoa!

Lincoln: Amazing!

Eli: And She really care for Euphemia.

Lola: Wow.

Laney: That's cool!

Eli: And their older brother Prince Schnitzel.

Nico: He looks pure evil.

Eli: And Lelouch always wanted to surpass him the most.

Laney: Really? Wow.

Nico: Tell me Eli, why do you quit the Black Knights?

Leni: That's what I wanna know too.

Eli: You see when Lelouch's geass got so strong he couldn't turn it off and…

He told us what happened and them were shocked some more.

Nico: Whoa!

Eli: Ever since Lelouch's geass power gotten so strong he can't even turn it that he accidentally order his sister Euphemia kill the Japanese at the special zone then he killed her.

Aylene C.: (Shocked) My god… that's horrible… I… I'm sorry to hear that Eli.

Eli: That's why I quit being a Black Knight member.

Me: It's good you did.

Lincoln: No wonder I hear you cry out "Euphie" in your sleep when you're having a nightmare.

Laney: Yeah!

Nico: It's good you did Eli. But you know how they work inside and out. We can use that to our advantage.

Nico: Anyway, let's focus on our plan.

Me: Agreed

Eli: Look there's s Japan.

Me: Yep. Tokyo, Japan. We're almost there.

Nico: Is there anywhere to land?

Eli: The city will do.

We landed in the heart of the city.

made the landing and they landed in the city.

Me: We're here guys!

Eli: I'm finally home.

Lincoln: Bet the people you know really missed you.

Qin: Yeah.

Eli: To be honest I missed them too and tell you the truth Japan is my home.

Me: It always is your home bro. In heart and spirit.

Nico: Hmmm… no signs of the Black Knights…

Nico: Yep.

Eli: Let's start by heading towards Ashford Achadeny.

Eugene Hendricks: Are we going to infiltrate?

Lincoln: Why there?

Eli: Yep also Lelouch goes to that school as a student same for his sister.

*On their way to Ashford academy Eli saw what it turned out from the Black Knight's defeat who were fighting for Japan*

Eli: Did I… really pay the price for quitting the Black Knight by letting Japan fall apart?

James: Wow. Japan has really fallen apart.

Lincoln: Eli this is your chance to set things right.

*As they enter Ashford Academy.*

Milly: Okay everyone let's- *She notice Eli.* Eli?!

Shirley & Reval: Eli?!

Eli: Hey guys.

Milly: Eli is it really you?

Eli: Yeah… it's me.

Milly, Shirley and Reval: ELI! *They hug him.*

Eli: OOF!

James: Friends of yours?

Eli: Yep.

Milly: We were so worried about you ever since you quit the Black Knights.

Shirley: Did Zero's broadcast brought you back?

Eli: Yep so I finally came back to set things right.

Shirley: Are you still gonna save Japan?

Eli: Yep But I'm doing it my way with my Own group.

Reval: And are these your friends?

Lincoln: Yep I'm Lincoln and this is my Loud family.

Leni: Hi there. (Waving her hand)

Lori: I'm Lori.

Leni: I'm Leni.

Luna: I'm Luna.

Luan: I'm Luan.

Lynn: Lynn.

Lucy: Lucy.

Lola: Lola.

Lana: Lana.

Lisa: Greetings I'm Lisa.

Lincoln: And these are our parents Rita and Lynn Sr and our baby sister Lily and our baby brother Leo.

Lily: Poo poo.

James: I'm Eli's brother and best friend J.D. Knudson.

Eugene Hendricks: We're Eli's friends nice to meet you.

Ronnie Anne: This is my family.

She introduced her family.

Syd: I'm Syd Chang, Ronnie Anne's best friend.

Firefly: Nico, which Gene Slammer do you think you'll meet next?

Scorcher: Might as well get that out of the way.

Me: Right got to ask the Mandatory Question.

Nico: Yep. I'm hoping to do ones for the Gods of The Aesir: Loki, Lord of the Aesir, Thor, Lord of the Aesir and Odin, Father of the Aesir.

Me: Whoa! The three main Gods of the Norse Pantheon.

Thor: That is most amazing to see and hear about.

Qin: Yeah.

Laney: Wow!

Nico: Yep.

Eli: Let's start by heading towards Ashford Achadeny.

Nico: Are we going to infiltrate?

Eli: Yep also Lelouch goes to that school as a student same for his sister.

Lincoln: Why there?

Me: You'll see.

*On our way to Ashford academy Eli saw what it turned out from the Black Knight's defeat who were fighting for Japan*

Me: Oh man.

Eli: Did I… really pay the price for quitting the Black Knight by letting Japan fall apart?

Nico: Wow. Japan has really fallen apart.

Lincoln: Eli this is your chance to set things right.

Me: Yeah.

*As we enter Ashford Academy.*

Milly: Okay everyone let's- *She notice Eli.* Eli?!

Shirley & Reval: Eli?!

Eli: Hey guys.

Milly: Eli is it really you?

Eli: Yeah… it's me.

Milly, Shirley and Reval: ELI! *They hug him.*

Eli: OOF!

Camie: Friends of yours?

Eli: Yep.

Milly: We were so worried about you ever since you quit the Black Knights.

Shirley: Did Zero's broadcast brought you back?

Eli: Yep so I finally came back to set things right.

Me: King Kai also told us all about him returning.

Qin: Yep.

Shirley: Are you still gonna save Japan?

Eli: Yep But I'm doing it my way with my Own group.

Reval: And are these your friends?

Me: Oh sorry we weren't properly introduced earlier. We are Team Loud Phoenix Storm. The most powerful force in the entire universe and the saviors of all.

Nico: Awesome to meet you all.

We introduced ourselves.

Milly Ashford: Wow it's an honor to meet you all.

Me: Same here.

Milly: Well any friends of Eli is a friend of ours and Eli you had no idea how much Kallen missed you.

Eli: Really?

Milly: Yeah you've been like the little brother she never had.

Eli: Where is she now?

Milly: She's a fugitive now due to being a member of the black knights.

Eli: *Sigh* I see…

Me: Then we better find her.

?: So you finally return.

*It was Lelouch with a boy named Rolo.*

We saw LELOUCH!

Eli: Lelouch!

Lelouch: Long time no see Eli. I guess Zero's broadcast got you to come back here.

Me: So you are LeLouch!

I went over to him and grabbed him by his shirt!

Me: You better be ready to face us with everything you got. Because I was told everything about you and what you did and more. We're not ready to face you yet but soon we will be. So until then…

POW!

I punched him in the face.

Me: Your only warning shot.

LeLouch ran.

Villetta came.

Villetta: Long time no see Eli.

Eli: Miss Villetta?

Villetta: That's right and in case you ask I'm a gym teacher here.

Eli: I see.

Villetta: And if you're still gonna save Japan you still have to defeat the family members of the Holy Britannian empire including the emperor and so far what we got from our records you already defeat Cornelia with the RX-78-2 Gundam.

Me: We'll gladly help him.

Eli: Yep.

Villetta: Anyway Eli if you're wondering who's that boy with LeLouch comes with me to lower level of this school only you, James and the Loud family and their friends can come.

Me: Thank you. But please call me J.D. it's easier.

Villetta: Very well.

*At the lower level of the school.*

Villetta: As you can see Rolo is an assassin pretending to be LeLouch's little brother in Nunnally's place.

Eli: WHAT?!

Villetta: And the reason why Milly and the others don't remember Nunnally is because their memories have been rewritten by the emperor's geass.

Me: I see. But we can free them.

Eli: That's right.

I snapped my fingers and freed them and gave them their memories back.

Vexen: He's running.

Blizzard: I can end this quickly if I freeze him!

Me: Stand down. We'll get him when he makes his move. I promise.

Eli: Yeah. We'll be ready for him.

Qin: Lets just help out as much as we can.

Nico: Okay.

Eli: We got plenty of time to prepare.

Me: Lets head to the pool for some fun before we make our move.

In the Pool room Rita, Ronnie Anne's mom Maria and Frida were wearing the same outfit of Villetta while feeling embarrassed hile Lori, Leni, Luna, Luan, Carol, Teri, Becky, Dana, Whitney and Sam are wearing the Sam suit that

Shirley is wearing.

Me: Hey looking good. *Did the Arnold Schwarzenegger pose and flexing my muscles.* Hey there ladies!

Eli: Oh brother.

Me: *Back to normal* Sorry I couldn't help myself.

Ronnie Anne: MOM!

Clyde: *Nosebleed*

Eli: Oh Clyde.

Lincoln: What am I going to do with you?

Student 1: From pretty girls…

Student 2: To sexy grownup women.

Student 3: Welcome to the swim club cafe where you get exactly what you want.

Shirley: Oh I'm so glad the coach agreed to do this for us.

Villetta: *Thinking* So help me. Shirley, you'll die a thousand deaths for this. If I didn't have to play teacher for my mission, I'd…*

Sebastian set up a song for Suzaku's return to Ashford Academy.

They sang great songs.

Me: I always love that song.

Lincoln: Me too!

Eli: Same here.

Bane: We should go after a few Black Knights first.

Abomination: That will speed things up.

Me: Good idea but after we have some grub.

C.C.: Lets have some pizza.

Me: C.C. Does love her pizza.

Eli: C.C. may first appear as a mysterious and quiet girl but she turn out bratty and loves pizza.

Laney: I like pizza.

Qin: Who doesn't like pizza.

Lincoln: Same with me and my family.

Kallen: *Gasp* Eli?

Eli: Hi Kallen.

Kallen: Is it… is it really you?

Eli: Yeah… it's me. Kallen I- *Kallen strongly hugs Eli.*

Kallen: I missed you so much little brother.

Eli: I missed you too sis. *Hugs back.*

Me: Aww.

Kallen: You may have quit the Black Knights but welcome home. *Kiss Eli on the forehead.*

Eli: Thanks sis.

Me: It's awesome to meet you Kallen.

Kallen: So you're James.

Me: Yep. But call me J.D. and Eli is my little brother and I've known him since he was born.

Kallen: Well thank you two for looking after Eli.

Me: You're welcome..

Lincoln: No problem he was like being part of my family.

Me: Yep. Also we are the most powerful force in the entire universe. Team Loud Phoenix Storm.

Nico: Awesome to meet you.

Kallen: Same here to you all. Well I have to get Pizza girl back to our group.

Eli: Okay see ya.

That night there was a waltzing party as Milly dances with Geno while Lincoln dances with Ronnie Anne in her purple dress and Bobby dances with Lori in her dress. Both Lynn and Lana end up in dresses.

Lana: Are you kidding me?!

Lynn: I'M GONNA KILL HIM!

Terk: HEY! That's my line.

Nico: I don't know, those dresses look good on you two.

Both Lynn and Lana just pouted but they change their minds as they dance with their boyfriends. Nunnally was dancing with Eli and it was awesome. He was so happy.

Lincoln: *To Lori* Lori I've never seen Eli this happy with Nunnally.

Lori: Me neither.

Bobby: Wow so that's why Eli cares for Nunnally, he's in love with her.

Me: I've always known about that.

Qin: Me too.

Lisa: Normally, I don't care for inane human emotions, but…

Sam S.L.: KAWAII!

Nico: That's cute in Japanese.

Darcy: Wow big brother you have a pretty girlfriend.

Laney: Yeah he sure does.

Qin: Yep.

Suddenly Eli was too red that steam came out of his nose and ears and cause windows and Lisa's glasses to shatter until that steam stopped.

Eli: I'm okay… I'm okay..

And Lisa puts on a spare, Suzaku arrived with the Lancelot.

Later Nunnally called a conference.

Nunnally: How do you do, everyone. I am Nunnally vi Britannia of the royal family, 87th in line to the imperial throne. Due to the unfortunate, untimely loss of Duke Clalares recently, I shall be assuming the viceroyship of Area 11 in his place. I am physically challenged in that I am unable to see or walk. Therefore I shall be depending on all of you for help in various things.

Ashford Academy was watching it.

Rivalz: But she's so young. How could that girl be a viceroy?

Shirley: She's a royal princess.

The Black Knights are watching it too.

Nunnally: Please, allow me to help you.

Tamaki: She wants some help, huh?

Sugiyama: This all screw up things.

Nunnally: I realize that this is unexpected but I'd like each one of you to cooperate with me on this. As your new viceroy, I wish to again create the Specially Administrated Zone of Japan.

Britannian 1: That's absurd!

Britannian 2: I can't believe she would even mention the name!

In a neighborhood.

Nunnally: In the Special Zone Britannians and Numbers would have equal status. Elevens would be allowed to safely call themselves Japanese once again.

Japanese 1: She just said Japanese.

Japanese 2: Are they trying to trick us?

Japanese 3: She has Suzaku Kururugi.

Japanese 4: He's Japanese so he should be on our side.

Japanese 5: Princess Massacre's knight!

Japanese 6: He's the traitor who shot Zero.

Nunnally:… although a tragic misunderstanding occurred in the Special Zone, I do not believe that attempt to establish the Zone was a mistake. We need a gentler world. And those of you in the Black Knights, I ask you to please participate in the Special Zone.

Kallen: What?

Tamaki: Not again!

Ohgi: Never again.

Nunnally:… mistakes that we've made, then we can take the first positive steps to setting things right. I believe this with all my heart. Also the reason I'm doing this cause i'm doing it for a dear friend of mind and his name is Eli and he is my love.

Ohgi: I knew he and Nunnally were special.

Tamaki: Same here too?!

Kallen: *Thinking* So awesome and perfect. Way to go bro.

Nunnally: I really wanted to help Eli save Japan even if it means truing against my father and to be honest I'll never forgive my father for abandoning my big brother and I in a war in Japan 8 years ago. Plus even though Eli is American, he grew up here since he was 3 when his guardian took him in and since then Japan has been home and I'm willing to do whatever it takes to help him.

Me: She has a strong heart.

Lori: She literally does.

Eli was in tears of joy.

Electro: And don't worry about Lelouch.

Larxene: He doesn't stand a chance.

Me: We are with Nunnally and Eli all the way.

Qin: Yep.

Me: We sure are.

Lynn Sr.: "Got my dancing shoes on and I am ready to get down and get back up again."

Eli: Well we're here.

Suzaku (Code Geass): Eli, I didn't know you guys were invited.

Nunnally: I did. *Arrived.*

Nico: Nice to meet you Suzaku.

Suzaku (Code Geass): Same to you Nico.

Eli: Nunnally you gave Ronnie Anne the invitation.

Nunnally: That's right.

Suzaku: Guess it's alright.

Schnizel: So you must be Eli the former Black Knight member. We meet at last.

Eli: So you're Prince Schnizel.

Schnizel: Yes and you must be his friend, especially the Louds.

Lincoln: We are.

Eli: Well on your knees! I said to get down on the ground!

Schnizel: What so we can see eye to eye? Surely you must've been use of people looking down on.

Eli: Call me shorty, little or shrimp I don't care!

Me: Wow.

Schnizel: Now if you excuse me I'll let you enjoy the party now.*Leaves*

Me: Man what a jerk.

Lincoln: No wonder Lelouch wanted to surpass him.

Suzaku: Anyway you might as well try out the food here.

Lumiere: And what is party without a little..music.

Everyone: Music?!

We heard an awesome song.

Everyone was amazed.

Suzaku: Whoa, what has Eli been through before he came back?

Me: He's been learning a lot under my wing. And under the powers of Team Loud Phoenix Storm.

Nunnally: Now I would tell you guys why I invited you here.

Eli: What is it Nunnally?

Nunnally: You see the Holy Britannian Empire and the Chinese Federation are trying to become one through a political marriage. Which is my brother Odysseus and The empress Tianzi. This would be the ultimate threat to the United States of Japan.

Leni: That is so wrong!

Lana: A marriage should be out of love.

Eli: This could only mean one thing, the Chinese Federation has a traitor.

Me: I was thinking the same thing.

Eli:Plus I think there's more than one traitor. *Looks at the High Eunuchs*

Nunnally: You mean those men.

Me: What should we do?

Eli: We wait until we get an opportunity to expose them.

Lincoln: Okay we'll trust you on that Eli.

Odysseus: At any rate I'm certainly glad this arrangement all worked out. I'm no good at fighting.

High Eunuch: Your Highness, will the emperor be attending the wedding?

Odysseus: He informed me at the banquet back in the homeland that he would attend.

Announcement: Miss Kaguya Sumeragi, the representative of the Sumeragi Conglomerate.

Suzaku: Kaguya? What?

Kaguya, Zero and Kallen entered.

Eli: Zero here?!

Kanon: It's Zero. How dare he…

Gino: That red head with him. Isn't she the Guren pilot?

People1: Who invite him to a place like this?

People2: He's a terrorist.

Schneizel: Well, well, well.

Lelouch/Zero: Schneizel! So you are the puppet master behind all this.*Notice Eli's group* Ah Eli we meet again.

Eli: Didn't thought you would come here too.

Lori: Well when you mess with Eli, you mess with the Louds!

Lily: YEAH!

Zero: Relax I'm only interested in Schnizel now.

Tianzi: Kaguya!

High Eunuch: Well, our wedding present has arrived of its own accord. My, this worked out wonderfully.

Tianzi: You're giving them Kaguya, too?

High Eunuch: Put that girl out of your mind. Her crimes warrant the death penalty.

Tianzi: No, you can't. That's wrong. This isn't Britannia!

High Eunuch: Your Majesty, the Black Knights are the ones who killed Gao Hai. Please don't get involved. Just leave the politics to us. Isn't that what you've always done? Let us handle things our way?

Tianzi: But she's a friend.

Schneizel: Can we please stop quarreling now? Today is a day of celebration, is it not?

High Eunuch: But sir…

Schneizel: Miss Sumeragi, will you refrain from having Zero accompany you to the wedding tomorrow?

Kaguya: I suppose… I don't have much of a choice, do I?

Schneizel: If that is the wish of the prime minister of Britannia then… withdraw!

Lelouch: So Schneizel, you appear right before me. As watchful as ever, I see.

Kaguya: Suzaku Kururugi, do you remember me? We're cousins you and I.

Suzaku: Of course I do.

Kaguya: We're the last remaining survivors of the six houses of Kyoto, aren't we?

Suzaku: Taizo Kirihara and the others supported terrorists. Nothing could've stayed their executions.

Kaguya: But this is different. Cousin, did you forget that master Zero once saved your life? Do you plan to execute someone you owe your life to?

Suzaku: There's no comparison.

Kaguya: Oh, how sad! It's a good thing we are not able to kill anybody merely with the words we say.

Eli: Wait you're Suzaku's cousin?

Kaguya: That's right I'm Kaguya Sumeragi the young head mistress of the Kyōto House and a supporter of the Black Knights. And you must be the former Black Knight member Eli that Kallen told all about.

Eli: Yep that's me.

Kaguya: And you weren't kidding on making your own group.

Eli: That's right.

Kaguya: Well you may be a former member but I'll give you my support as well.

Lelouch: Prince Schneizel. Would you care for a game of chess?

Schneizel: Chess?

Lelouch: If I win I'd like to have Sir Kururugi.

Kallen: What?

Eli: You gotta be kidding?!

Lelouch: I want to give him to you, Lady Kaguya.

Kaguya: Oh, that would be absolutely marvelous present!

Lelouch/Zero: Enjoy your anticipation of it. If I can get Suzaku out of here I can use my Geass on all the others. A checkmate that would turn everything around.

Schneizel: I'll agree to your terms. However if you lose I want you to remove your mask and show your face.

Lelouch: Agreed.

Schneizel: What a fine evening of entertainment this is turned into.

Odysseus: Surely we don't have to watch from a separate room away from the show…

High Eunuch: He's playing a terrorist. Something could happen, sir.

Kaguya: That's ridiculous. It's my husband who's going to win!

Odysseus: I understand how you feel miss Sumeragi, but I can't imagine anyone but my brother Schneizel winning this game.

Anya: This is the ace of the Black Knights. Pilot of the Guren.

Gino: Yeah, the one from before. She's a lot prettier than her wanted poster. That's my kinda woman!

Suzaku: Eli maybe you and Nunnally should be at the balcony outside cause this might get ugly.

Eli: Alright.

Eli and Nunnally head to the Balcony without noticing James and the Louds were watching with Scuttle and Sebastian.

Lincoln: *Whisper* This if definitely a date.

Me: No doubt about that.

Leni: Bet he wishes to waltz with her if her legs weren't paralyzed.

Lori: Literally.

Scuttle: Okay. Alright, this calls for a little vocal romantic stimulation.

Bobby: Oh, music. Good idea.

Clyde: But the problem is we don't have any instruments. How can we make romantic music without instruments

Scuttle: Just watch. (flies up to a tree) Stay back.

Eli: Whoa. Somebody should find that poor animal and put it out of its misery. *saw Scuttle singing above them and felt embarrassed. Scuttle winked at Eli, but Eli did not feel comfortable at all with the seagull's singing.*

Sebastian: Geez, man! I'm surrounded by amateurs!

On shore, James, Lincoln and the gang are holding their ears shut. They didn't like Scuttle's singing at all.

Lincoln: (groans) I can't stand it anymore!

Me: Now, you guys know how Eli, Lincoln, and I feel whenever Squidward plays his clarinet horribly.

Lori: (quietly) Sebastian, do something. Please? My ears can't literally take it much longer.

Sebastian: Don't worry Lori. I'm on it. (as he jump in the lake) You want something done, you've got to do it yourself.

(Kiss the Girl Plays)

The gang were getting anxious to see Eli and Nunnally are about to kiss but…

Suzaku: WHAT'S GOING ON HERE?!

Eli & Nunnally: EEEEKKKKK!

Suzaku: What are you doing Eli HUH?!

Eli: *Blushed* I didn't do a thing!

Suzaku: Hmm… alright I'll go back to the party but no monkey business got it?

Eli: Got it.

Suzaku leaves.

Lincoln: Dang it! They're were so close!

Me: There's always a next time.

Nunnally: Eli… I'm so glad you really did came.

Eli: Really?

Nunnally: Yes cause…*singing*

Me, Lincoln and the gang saw the whole song with tears.

Lincoln: [touched and driven to tears.] "That was the most beautiful thing I've ever seen."

Lori: Beautiful…*Sniff*

Me: It sure is.

Suddenly they hear a commotion back in in the party.

Nunnally: What was that?

Eli: We better find out.

When they got back in, they saw Nina holding a knife, trying to stab Zero.

Nina: Zero! Princess Euphemia will be avenged!

Eli & Nunnally:Nina!

Suzaku: Stop it, Nina. Drop the knife!

Nina: Why are you stopping me? You of all people should understand since you were Princess Euphemia's knight!

Suzaku: That's right. Then why…

Nina: You're just an Eleven afterall…

Kallen: Nina!

Eli: NO! *He block the knife by letting his right hand get stabbed.* ERRRGGHHHH!

Lincoln & Leni:Eli!

Me: That girl is insane!

Kallen: J.D.! Eli's hand is bleeding I need help bandaging it!

Me: Right! Lisa, Varie I can use your help!

Lisa: On it!

Varie: Right!

Kaguya: I'll help too.

Lisa and James help stitching up the wound and Kaguya tear a piece of her dress and use it to bandage up Eli's hand.

Eli: Thanks guys.

Nina: Why Kallen, you're half Britannian and yet you choose to protect that monster!

Kallen: No. That's incorrect. I'm Japanese, Nina.

Nina: No, you're not? You're an Eleven. You're an Eleven and you pretend to be my friend? Give her back to me! Give back Princess Euphemia! I needed her! She was a goddess to me!

Eli: SHUT UP! *Slaps Nina* Don't you ever call any Japanese an Eleven cause they are Japanese ad their is Japan and it's a country, not a colony for the Britannian empire who are a bunch of Nazi wannabes, especially for that Hitler wannabe Charles Zi Britannia!

Nunnally: Oh Eli.

Me: Whoa.

Eli: And I'm going to prove it by facing Schnizel to a game of duel monsters!

Everyone:WHAT?!

Schnizel: Duel monsters? Well this should be very intesting, very well then.*Snaps his fingers.*

Leonard: Pigs, keep an eye out for Lelouch and his goons.

Roquefort: You too, cheese ninjas!

They kept a close watch.

Eli: And I'm going to prove it by facing Schnizel to a game of duel monsters!

Everyone: WHAT?!

Schnizel: Duel monsters? Well this should be very intesting, very well then.*Snaps his fingers.*

Appearing out from the floor is a dueling arena while brings out his duel disk. They shuffle their decks and Eli plugs his duel disk to the dueling arena. and start with 8000 life points

Eli & Schnizel: Let's duel!

James: I'm getting a bad feeling about this.

Lincoln: Me too.

Schzniel: I'll start with by summoning Deep Sea Warrior in defense mode then I play Polymerization fusing Armaill and One-Eyed Shield Dragon to form Dragoness the Wicked Knight. Now it's your move.

Eli: My turn! *Draws a card.* First I summon Feral Imp in defense mode and next I combine X Head Cannon, Y Dragon Head and Z Metal Tank to become the XYZ Dragon Cannon. Now Destroy his Deep Sea Warrior!

*Schnizel was down to 4000 life point.*

Schnizel: Very good. My move. I summon Injection Fairy Lily and then I'll sacrifice her and Deep Sea Warrior in order to summon Jinzo.

Eli: The monsters that'll destroy Trap Cards!

Schnizel: Now destroy his Feral Imp!

Jinzo destroyed Feral Imp but Eli's life points are safe for now.

Eli: My move and I'll start by summoning Magician Valkyria in defense mode and then I play card destruction, we get to discard the cards from our hands to the Graveyard and draw the same number of cards.

Both discard the cards in their hands to the graveyard and draw the same number of cards.

Eli: Then I boost her strength with Mage power giving her 2100 attack points, then I'll end my turn with three cards face down.

Schnizel: I summond The Legendary Fisherman and then I'll sacrifice him and Jinzo in order to summoned Tyrant Dragon!

Eli: Uh oh.

Schnizel: Now destroy his XYZ Dragon cannon!

Tyrant Dragon destroyed XYZ Dragon cannon and Eli is down to 2300 life ponts.

Nunnally: Oh no Eli!

Lincoln: Hang in there buddy!

Schnizel: That ends my turn.

Eli: First I summoned Kaibaman. Next I sacrifice Magician Valkyria to summoned Dark Magician Girl! And next I play the spell card Sages Stone when the Dark Magician girl on the field and Sages stone is played it automatically allows me to summon Dark Magicianl and finally I sacrifice Kaibaman in to use his special ability to summoned Blue-Eyes White Dragon!

Everyone now saw what kind of deck Eli is using but seeing his two Dark magicians and his Blue Eyes White dragon.

Gino: No way! Eli's deck is a combination of Yugi Moto and Seto Kaiba?!

Suzaku: Yep it is.

Lincoln: WOW No wonder Clyde and I can't beat him in a duel cause he has a combo deck of two best duelists!

James: Eli is full of surprises.

Schnizel: In that case I summon Lord of Dragons and play the Flute of Summoning Dragon so I can summoned two more dragons.

He summoned Luster Dragon #2 and Serpent night Dragon.

Schnizel: And now I'll have Tyrant Dragon destroy Dark Magician.

Eli: I activate my trap card!

He activated Magician Selection!

Schnizel: Magician selection? That protects your Dark Magician from my attack.

Eli: And send your lowest monster to the graveyard!

Lord of Dragons was destroyed.

Schnizel: Very clever but have a long way to go. *He suddenly notice Eli has Red eyes Black Dragon.* Red Eyes Black Dragon?! Where did that come from?!

Eli: With my second face down spell card Ancient Rule, it allows me to normal summoned a high level monster from my hand which was a gift from the king of games himself.

Lori: Whoa he has a Red Eyes Black Dragon too!?

James: He must've gotten the idea from Yugi's time in battle City.

Schnizel: *draws a card* Excellent I have what I need, now I play my second Polymerization to fuse my three dragons with the ones I have in my hand to form the Five-Headed Dragon.

Eli: That's not good.

Schnizel: When it's first summoned it destroys all monsters on your field.

Eli: Not so fast, I play my third trap card Negate Attack.

It cancels the attack.

Schnizel: Impressive but you should know one thing. The Five-Headed Dragon cannot be damaged or destroyed by monsters of Earth, Wind, Fire, Water and Darkness.

Suzaku: That only leads to monsters of Light.

Lana: And Eli only has Blue Eyes White Dragon as a Light monster!

Eli: My draw.*Draw a card.* Now I play one car fave down and I summoned Swift Gaia the Fierce Knight. Next I play my face down Black Luster Ritual tributing Dark Magician Girl with Gaia so I can Ritual summoned the Black Luster soldier. Then I play the spell card, Card of Sanctity we both draw until we have six cards in our hands.

They drew till they have said number of cards.

Eli: Excellent I play Polymerization and each of my monsters are gonna fuse with the ones in my hand. First I fuse Dark Magician With Buster Blader to become Dark Paladin! Next I Red Eyes with Summoned Skull in my hand to become the Black Skull Dragon! And finally fusing Blue-Eyes with the ones in my hand to form Blue-Eyes Ultimate Dragon!

James: WOW! Eli is on fire!

Lincoln: With three powerful fusion monsters!

Schnizel: That's nothing my Five headed Dragon is still powerful.

Eli: *Thinking* He's right even if Dark Paladin have 2900. (Out Loud) Then I play my second Polymerization fusing my Blue-Eyes Ultimate Dragon with Black Luster Solder to become the Dragon Master Knight! Now see its awesome power!

The Dragon Master Knight attack point increase to 5500 attack.

Eli: The Dragon Master Knight gains 500 point for every dragon I control, now Dragon Saber Blast!

The Dragon Master Knight destroys the Five Headed Dragon but Schnizel is still standing.

Schnizel: Good thing I set that face down card. It called Deal with Dark Ruler.

Eli: Deal with Dark Ruler?

Schnizel: If my high level monster is sent to the graveyard I can summon Berserk Dragon.

He had summoned BERSERK DRAGON!

Schnizel: Next I play the spell card Revoke Fusion on your Dragon Master Knight.

It turns back into Black Luster solder and Blue Eyes Ultimate Dragon.

Eli: My draw. *Draws a card* I play the trap card Gift Of The Mystical Elf, giving 300 life points for each monster on the field.

*His life points went up to 2300.*

Eli: Next I Sacrifice my Blue-Eyes Ultimate Dragon to summon the Blue-Eyes Shining dragon!

He summoned THE BLUE-EYES SHINING DRAGON!

Eli: With every dragon in my graveyard my Blue eyes Shining dragon gains 300 attack points giving him 4500 points. Now go Shining Nova to destroy his Berserk Dragon!

Blue Eyes Shining Dragon destroys his Berserk Dragon and goes to the graveyard.

Eli: And with that I'll end my turn.

Schnizel: Now then.*Draws a card.* I play my Card Of Sanctity so we both draw until we have 6 cards in our hand.

One again they both now have 6 cards in their hand.

Schnizel: Next I play the Spell Card, Painful Choice. It allows me to show you the cards in my hand, I let you chose one I keep while the rest go to the Graveyard. *He shows his cards in his hand.*

HE HAD ALL FIVE PIECES OF EXODIA THE FORBIDDEN ONE!

Eli: What the?! Those are the five pieces of Exodia the Forbidden One!

Schnizel: That's right I have all five Exodia cards. I know how the former master Seto Kaiba was beat by Exodia.

Zero/Lelouch: *Thinking* I remember my brother beaten me with Exodia so did Eli.*

Eli: I'll let you keep the right hand.

Schnizel: Then the rest go to the graveyard. Finally I play one monster face down in defense mode, then I end my turn by playing the Card of demise it let's my draw five new cards from my deck, but if I don't use them in five turns, I'll lose them in five turns.

Me: I know that card all too well.

Seto Kaiba: Me too.

King Hiss: Eli will find a way to turn this around.

Ssserpent: Will he?

Me: Don't worry. I have faith in Eli.

Eli: Black Skull Dragon, Molten Fire Ball attack on that face down monster!

Black Skull Dragon destroy was actually the right arm on Exodia.

Eli: Exodia's Right Arm?

Schnizel: Excellent, now I can play my spell card contract with Exodia.

Eli: What does that do?

Schnizel: First I need all Exodia cards in my graveyard to play this spell card so I can summoned Exodia Necross.

Exodia Necross is summoned.

Eli: A black Exodia?!

Zero/Lelouch:*Thinking* Is looks… like Exodia!

Eli: But it only has 1800 attack point.

Schnizel: Don't judge a monster by it's attack points. Now Exodia Necross attack Dark Paladin!

At Exodia Necross attacks Dark Paladin it didn't get destroyed.

Eli: It's not destroyed?!

Schnizel: Exodia Necross is powerful as long as all five Exodia cards are in my graveyard. This card gains 500 ATK. Destroy this card unless all 5 of these cards are in my Graveyard - "Exodia the Forbidden One", "Right Arm of the Forbidden One", "Left Arm of the Forbidden One", "Right Leg of the Forbidden One" and "Left Leg of the Forbidden One".

Eli: That's insane! Exodia is still powerful even if they're in the graveyard!

Schnizel: *Draws a card* Now I end my turn.

Eli: *Draws a card* Oh yeah I know what to do! I play the spell Soul Release and it removes five cards from either players graveyard and I chose your five Exodia cards to be removed!

Schnizel: WHAT?!

The five cards are removed.

Eli: Next I tribute my five Exodia cards so I can summon Exodia Incarnate!

He summoned Exodia Incarnate!

Schnizel: Impossible!

Eli: Exodia obliterate!

Exodia destroys Exodia necross.

Eli: My turn is over.

Schnizel: Now with these five monsters in my have with five attributes I can link summoned the Five Headed Link Dragon.

The Five-Headed Link Dragon is summoned . .

Eli: A new dragon?!

Schnizel: Yes and without the Five Headed Dragon, you can hope to defeat my new one.

Eli: I still believe in the heart of cards.*Draws a card.* Now prepare to experience a power like no other! I sacrifice Exodia Incinerate, Black Skull Dragon and Black Luster Solder! In order to summon the Egyptian god Obelisk the Tormentor!

Obelisk is summoned. .

Me: HOLY COW!

Lincoln: Not only doe he have Exodia but he has an Egyptian God card too?!

Zero/Lelouch: *Thinking* When did he get an Egyptian God Card?!

Schnizel: But it's still no match cause my Five headed Link Dragon has more attack point then you But just in case I play Invigoration increasing it's attack point by 400.

Eli: My turn and I play Premature Burial which allow to bring back XYZ Dragon Cannon by the cost of 800 life points.

XYZ Dragon cannon is brought back.

Schnizel: Why bring you machine back?

Eli: It's simple as a combination of three monsters I can sacrifice it.

XYZ Dragon cannon is sacrificed.

Eli: "Almighty protector of the sun and sky, I beg of thee, please heed my cry. Transform thyself from orb of light and bring me victory in this fight. I beseech thee, grace our humble game. But first I shall… call out thy name, Winged Dragon of Ra!"

The Winged Dragon of Ra is summoned!

Lori: Another Egyptian God?!

Luna: No way dude!

Eli: I'll end my turn with on card face down.

Schnizel: I play Megamorph that double my dragon's attack points. Now let's see if your two Egyptian God Card survives.

Eli: First I summoned Kuriboh.

Kuriboh is summond.

Leni & Lori: SO CUTE!

Eli: Next I play the spell card Fiend Sanctuary. It summoned a metal fiend token!

Schnizel: *Thinking* Is he thinking what I think he's thinking?

Nunnally: *Thinking* Does that mean he has one more Egyptian God card?

Eli: Now I sacrifice Kuriboh, my metal fiend token and my Dark Paladin to summoned the all mighty, Slifer the Sky Dragon!

Finally came Slifer the Sky Dragon. He had ALL THREE OF THE EGYPTIAN GOD CARDS!

Rita: Unbelievable!

James: He played all three Egyptian Gods at once!

Eli: Next I play Double Spell, by dicarding one spell card from my hand to the graveyard I can select a new one from your graveyard and I chose Polymerization. Fusing Slifer and Ra into Solar Dragon of Aten!

Slifer and Ra became Aten.

Schnizel: A fusion of two Egyptian Gods?!

Me: WHOA! I've never seen this before!

Nico: Me neither!

Pharaoh Atem was smiling with pride.

Eli: Now my Solar Dragon of Aten destroy his Link Dragon!

As Solar Dragon of Aten blasted it.

Eli: Now Obelisk the tormentor attack Schnizel's life point now!

Obelisk punches Schnizel with his fist of fate and Schnizel's life points went down to zero.

Lincoln: Eli did it! He won!

Everyone in the party was shock that one of the Britannian prince was defeated.

Suzaku: Eli… defeated… Prince Schnizel…

Nico: HE DID IT!

Qin: WAY TO GO ELI!

Roman Goodwin: Now that's the spirit of a duelist!

Webstor: You said it!

Me: Eli that was incredible!

Pharaoh Atem: I'm so proud of you my son.

Qin: Yeah you did amazingly well!

Nunnally: He sure did.

Cheese Ninja: Sire! We found LeLouch! He's running towards the central castle here for an escape ship!

Roquefort: Then we need to go after him!

Nico: Lets go!

Eli: Right!

Me: Lets do it guys! Entrance time!

We ran after him and in the central ball room a huge wall of fire appeared and prevented him from escaping!

Then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and fireballs rained down and they hit him and smashed him down and he got up and saw us.

Me: It's over LeLouch. I knew you were up to something big!

Dark Laser: Nowhere to run now, Lelouch!

Shiv: Look, buddy. We know you had a rough childhood. So, just make it easy on yourself and surrender.

Nico: Yeah! We don't want to kill you but we will do so.

LeLouch: We'll see about that.

He used his Geass on us but to his shock it didn't work!

Me: Nice try. But your Geass is completely useless against us.

Tsukasa: Time to test that new super form out!

Me: Go for it!

KAMEN RIDE SUPER SENTAI LEGACY!

He turned into an awesome and new more powerful form of all the rangers put together!

Lincoln: Your days of tyranny are finally over, Lelouch!

Me and Eli: May you never ever return to torment any more innocent people again.

Nico: You've caused far too much damage to too many innocent souls for the last time, Lelouch. Alright, awesome job, guys, but we're not done yet, we've still got Marianna Blakely to deal with, and that dark Satanic Witch and the first of The Order of The Black Cross should be arriving… right now!

?: I will make you and your entire coven pay for killing us four years ago, Morgana DeRose!

Winter Varyona: I should've known there's no mistaking that voice from anywhere. You can come out now, Marianna Blakely.

An inverted Black Cross with an inverted pentagram appeared in the skies, and a tornado of darkness appeared from the ground and demonic screaming echoed in the air, and when it disappeared, what stands in its place is a girl with long black hair, red eyes, black clothes, and an inverted black cross with an inverted pentagram on her right arm, it was Marianna Blakely, a dark witch and one of the eight members of The Order of The Black Cross.

Winter Varyona: Marianna Blakely, I should've known you'd show up here, you dark witch!

Marianna Blakely: And now, I will have my revenge on you for what you did to us four years ago! You ruined our ritual to prove our loyalty to Satan!

Winter Varyona: I have no remorse in what we did four years ago, and you're about to suffer the same fate as your master.

Suddenly, Winter Varyona's red eyes turned neon red and she was surrounded by a black energy aura with darkness, skulls, dark magic, and nightmare creatures, she unholstered her massive Knightmare Corruption Iblee-themed greatsword from her back, and as she approached Marianna Blakely, she left black energy, darkness, dark magic, skulls, and nightmare creatures with every step.

Winter Varyona: I will never forgive you for what you've done in the past, Marianna Blakely, you and the rest of The Order of The Black Cross have caused far too much trouble to all of Michigan for the final time to prove your loyalty to Satan, and now, I'm going to make sure that you die here and now, and this time, you're never coming back!

Suddenly, Winter Varyona was surrounded by a massive vortex of black energy with darkness, skulls, nightmare creatures, and dark magic surrounding it, there's Knightmare Corruption Iblee flying around the vortex, and in the vortex is a blood red phoenix with blood red eyes glaring at Marianna Blakely: the blood red eyes of death. Then, as the vortex faded, Winter Varyona emerged, but she was changed forever.

Winter Varyona grew from 6'5" to 7'1" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with with darkness, skulls, dark magic, and nightmare creatures surrounding her, she has Knightmare Corruption Iblee with the Dark Kanji in its hands emblazoned on her forehead, she has on nightmare creature earrings with black gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Knightmare Corruption Iblee with black gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her black nightmare creature-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with black crystal links from her merged Crystal Necklace of the Buddha and black gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Winter Varyona has on a sleeveless midnight black midriff top, long midnight black skirt, midnight black pants, midnight black high-heeled boots, and long sleeveless white trenchcoat with darkness, skulls, dark magic, and nightmare creatures on the coattails, and on the back is Knightmare Corruption Iblee with darkness surrounding it. Suddenly, Winter Varyona felt a sharp pain on her back, and then, her massive midnight black angel wings with blood red tips on the feathers grew much bigger for her new body. Winter Varyona has on a Ring of The Phoenix with black gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Winter Varyona's massive Knightmare Corruption Iblee-themed large sword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy with darkness, skulls, dark magic, and nightmare creatures, and when it emerged, it transformed into Knightmare Corruption Iblee's Dark Magic Nightmare Necromancy Greatsword of Dark Magic and Darkness Justice, it's a brand-new large greatsword with Knightmare Corruption Iblee etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black skulls for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight black skulls and a large blood red gem below the black skulls for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with black gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Knightmare Corruption Iblee's head with blood red gems for eyes and a large black gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Spellbook of The Knightmare Realm, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a black kanji below Knightmare Corruption Iblee that said, "Winter Varyona, Gene-Slammer of Knightmare Corruption Iblee, Member of The Knightmare Coven of Justice, Loving Guardian Angel and Future Wife of Lincoln Loud, Destroyer of Marianna Blakely of The Order of The Black Cross, Member of The Goths of Darkness, Destroyer of The Satanic Dark Forces, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Necromancy, The Dark Arts, The Occult, Nightmare Creatures, Skulls, Dark Magic and Wiccan and Witchcraft Magic"

ウィンター ヴァリョナ、ナイトメア コラプション イブリーのジーンスラマー、ナイトメア コーヴン オブ ジャスティスのメンバー、愛情深い守護天使、リンカーン ラウドの将来の妻、黒十字騎士団のマリアンナ ブレイクリーの破壊者、ゴス オブ ダークネスのメンバー、サタニック・ダーク・フォース、スレイヤー・オブ・イビル、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、闇のマスター、ネクロマンシー、ダーク・アーツ、オカルト、ナイトメア・クリーチャー、スカル、ダーク・マジックウィッカとウィッチクラフト マジック

Winter Varyona has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC DARK KNIGHTMARE CORRUPTION IBLEE ANGEL OF DIVINE DARK NECROMANTIC OCCULT MAGIC JUSTICE AND DIVINE NECROMANTIC DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Winter Varyona's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Marianna Blakely saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Winter Varyona dodged it and she fired a powerful black energy blast with darkness, skulls, dark magic, and nightmare creatures at Marianna Blakely, and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Winter Varyona's now the next of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: Dark Magic and Necromancy of Good VS. Satanic Black Magic of Evil.

Lincoln: This is going to piss Morana and the remaining members of The Order of The Black Cross off even more, and Winter, you look beautiful, how do you feel?

Winter Varyona: (Divine Echoing Cosmic Voice of The Dark Knightmare Corruption Iblee and Divine Dark Magic Necromantic Occult Justice) I feel incredible, Linky, now shall we deal with that Satanic witch, Marianna Blakely, once and for all?

Lincoln: (Smiles) With pleasure, Winter.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Winter Varyona.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Marianna Blakely, and this time, you're never coming back from the dead again!

Winter Varyona and Lincoln went after Marianna Blakely, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Skulls at Marianna Blakely and they exploded with incredible power as they hit her. Then, they attacked Marianna Blakely with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Marianna Blakely.

Marianna Blakely: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Marianna Blakely let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Marianna Blakely tried to attack again, but Winter Varyona and Lincoln dodged her claws and Lincoln chopped off her tail as she screamed in agonizing pain, and he trapped Marianna Blakely by forming a magic circle below her feet. Then, Winter Varyona used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Marianna Blakely, and it stripped the dark Satanic witch of all of her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Winter Varyona and Lincoln to fire powerful black energy blasts at Marianna Blakely, and they exploded with incredible power as they hit her, and she was killed.

Then, Marianna Blakely's spirit appeared, and as soon as it did, Winter Varyona and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Marianna Blakely: NO! NO! DAMN YOU, WINTER VARYONA! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Marianna Blakely was erased by The Black Gates and never to return again. We cheered wildly for what Winter Varyona and Lincoln did to Marianna Blakely as they holstered their massive greatswords on their backs and powered down, and Winter Varyona's new body, clothes, weapons, jewelry, and massive black angel wings are permanent.

Winter Varyona: That's one dark witch who'll never rise from the dead again. Thank you for helping me destroy Marianna Blakely, Linky.

Lincoln: (Smiles Warmly) You're welcome, Winter.

Suddenly, Winter Varyona wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Winter Varyona's face, they kissed passionately as Winter Varyona's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Corruption Iblee flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we all cheered wildly. Lincoln and Winter Varyona came back, as the display and Knightmare Corruption Iblee vanished.

Nico: Alright, Winter and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Marianna Blakely.

Lincoln: And made sure she'd never come back again, and this is sure to piss off Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, Claudia Umbra, and Pandora Marwood even more.

Morgana DeRose: Morana's already seething with even more pure rage and hatred now that Marianna Blakely has been defeated and killed again.

Lincoln: Yep, which means the one we're going to face tomorrow is Pandora Marwood, and you and I are going to destroy her for good, Veronica.

Veronica Keiron: You said it, Linky.

Selene Emperyous: That Satanic witch is so going to pay for all of her crimes, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Rachel Emperyous, the Raphion the Timelord Gene-Slammer and the second powerful wind master, and she's got a really nasty revelation about Chandler tomorrow.

Nico: As if Chandler hadn't sunk any lower all thanks to his evil Dark Side, since we've heard many revelations from the other Guardian Angels on how he's tried to kill Lincoln many times.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, and we'll meet another Monarch Gene-Slammer, and my guess is Luna Angmarl, the Angmarl the Fiendish Monarch.

Eli: Awesome.

Me: So Eli did you have an awesome birthday.

Eli: You bet I did bro! You made this the most awesome and most best birthday ever!

Qin: We're glad you had fun Eli.

Varie: We all are.

Me: Yep. Happy birthday bro!

All of us: HAPPY BIRTHDAY ELI!

We cheered wildly!

Vypra: We're so happy for you Eli.

Baron Mordo: Same here.

Nico: Lets head home and finish up the rest of the party.

Me: Good idea. Great job everyone. You all did great!

Nico: Thanks man and how did it feel to lead again?

Me: It was awesome Nico. I missed this.

Nico: Well I'm back to leading.

Me: I know.

Eli: (To the viewers) I hope you liked this adventure as much as I did and it was one of the most awesome birthdays ever for me!

Me: We're glad you had fun Eli. Lets head home.

We went back home and enjoyed the rest of the day. We had a lot of fun and Eli had the best birthday ever. We later went to sleep.

Nico: Cheesman Park in Denver. Awesome place.

Nicole: I know. Dad is really missing out on this.

Brittney: Yeah. But he has to be kept away so that we can get everything set up for his party.

Gia Moran: That's true.

Camie: Yep.

Nico: Thanks for coming, Gia.

Gia Moran: Anytime Nico. It's awesome to come with you on this rescue too.

Eli: You will love it.

Maria: Yeah you sure will.

Nico: Gia, I like how you and Emma are like sisters.

Gia: Me too and she is the best sister ever.

Qin: Just like Kushina and Mikoto. They are like sisters too.

Eli: Yep that's so awesome.

Varie: Yeah it sure is.

Gia: Yep. It's awesome and great.

Hitoshi: We're really awesomely happy for you Gia.

Gia: Thanks.

Lana: So what's the history behind Cheesman Park here?

Nicole: Dad said that back in the 1850's before Colorado became a state officially, it was originally a graveyard.

Laney, Lola, Lana and Lily shook in fright.

Lucy Loud: Wicked.

Nicole: Yeah legends say that when it was converted into a recreational park back in 1907 the bodies were never moved and the spirits of the people buried here became pissed as hell and they haunt the park here to this day.

Nico: Scary.

Brittney: My kind of legend.

Laney: Scary.

Nico: And I like how you helped the Ninja Steel Rangers fight Draven.

Gia: That was so awesome.

Eli: I remember that. That was so fun and bro said the exact same thing.

Laney: What is J.D. doing while we said everything up for his party?

Nico: Lord Drakkon and J.D. are battling terrorists in Kyrgyzstan while we set it up.

Eli: Yep.

Laney: Awesome!

Lana: Yep.

Eli: But my birthday was awesome and epic.

Nico: I hope you enjoyed your birthday, Eli.

Eli: Oh I sure did and it was so awesome and fun!

Camie: We sure kicked LeLouch's ass into kingdom come.

Tsuyu: Yeah we sure did! And made him pay for his crimes!

Xenia: Yeah he had it coming.

Nicole: And he's now in the Book of Vile Darkness. I put him into it after we got back home.

Varie: Nice.

Nico: I think that was a long time coming.

Qin: It sure was. But in all honesty we did not expect LeLouch to be tainted by Dark Gundam Cells.

Eli: Me neither.

Nicole: Yeah. My brother has had a very strong hatred with the Dark Gundam ever since we got here.

Laney: I can tell.

Eli: So have I.

Camie: Wow. The Dark Gundam is nothing but trouble.

Nico: Yeah and the way LeLouch laughed insanely like a completely fucked up lunatic really spoke volumes.

Xenia: It sure did.

Sirius: But he had it coming.

Nico: We waited so long to do that mission too.

Laney: We sure did. But it was really worth it.

Xenia: Yeah it sure was.

Eli: Yep.

Camie: But that battle brought Eli and Nunnally closer together than ever before.

Eli: Yep it sure did.

Gia: It was so much fun.

Zip Storm: Yeah no kidding there. That was so awesome and cool.

Gia: Nico, how about I turn into my snail form so I can act as your pet snail?

Nico: Go for it.

POP!

Her eyes popped out of her head and her arms and legs vanished and then a shell formed and then she shrunk and turned into a snail!

Gia: Meow.

Fluttershy: (Laughs) Oh that is so cute.

Gia: Meow.

Nico: I know Gia.

Qin: So much history here too.

Eli: Yeah no kidding there.

Camie: It's so beautiful though.

Nico picked up Gia.

Gia: Meow!

Qin: That is so awesome.

Laney: I sure is and cool.

Xenia: Yeah.

Brittney: So far I don't see any ghosts.

Lincoln: Me neither.

Nico: Let's keep our eyes peeled.

They looked and Lincoln had his Ghost Sense ready.

Qin: It's quiet, Too quiet.

Camie: Oh boy.

Xenia: Suspense is building.

Nico: Yep.

Gia: Meow.

Fluttershy: Yeah.

Nico: Also, like I said before, none of the backup core members have been finalized.

Eli: That sucks. But you'll think of something.

Xenia: Yeah.

Laney: Take your time on that.

Qin: Yeah we got plenty of time.

Camie: You'll think of something Nico.

Himiko: We got all day.

Maria: Try plenty of days.

Nico: Okay.

Qin: Yeah it'll be fun.

Xenia: Yep.

Nicole: Just think of something the best you can.

Nico: Okay.

Nico got to thinking.

Nico: Fortunately, I won't have to think of the next backup core members until tomorrow.

Eli: Okay then.

Qin: Okay.

Nico patted Gia's shell.

She purred like a cat.

Nico: (Chuckles) Cute.

Eli: Yep.

Then they felt a thunderous crash!

Eli: WHOA!

Laney: What was that!?

CRASH!

Lola: WHOA! That's loud!

Nico: Gia you better revert back.

She did so.

Gia: Something is coming!

CRASH!

Gia: LETS POWER UP! Super Mega Mode!

She turned into Super Megaforce Yellow!

Nico: YEAH!

CRASH!

Then out came a figure and it was a black version of Slapback! It was ANOTHER SLAPBACK!

Nico: WHOA! Another Slapback!

Eli: This one is gonna be all over the place in many places!

Another Slapback: (In a girls voice) Is J.D. with you guys?

Nicole: My dad's out on a mission for his birthday today.

Another Slapback: Oh wow! Setting everything up for his party I see. Sorry I'm a friend of his. My name is Gina Majors and I am one of his Online Gaming Budies.

Brittney: Oh wow! Awesome to meet you. Dad mentioned you several times while he was playing his games online with Lincoln, Rusty and Clyde.

Another Slapback: Yeah I can tell.

Albedo turned into Negative Slapback.

Negative Slapback: Did Swartz promise you anything?

Another Slapback: Just to be a great online gamer. But I know he was lying.

Xenia: Well he is dead now. Gone forever.

Qin: Yeah good riddance.

Another Slapback: Yeah good riddance.

Nico: Lets dance shall we? PYRI FIRE WINGS BURN!

(CODA OF DARK PHOENIX PLAYS)

Nico turned into FIREWING 🔥!

Nico: YEAH!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Eli: YEAH! Time for some buttkicking! (ACTIVATES AMNAEL'S RIDEWATCH!)

(CROCKETT'S THEME BY JAN HAMMER PLAYS)

Eli spread his wings and fired waves of elements and the planets and smashed her down!

Qin: Yeah Eli!

Another Slapback then slapped her back and split into 8 copies!

Sougo: (gets out Zi O II Ridewatch) I knew she would be able to duplicate.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) This is going to take a while.

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Nico: This will be awesome!

Aylene C.: It sure will.

She fired waves of fire and smashed her and the clones down.

Qin: YEAH! (Fires fireballs and smashed them down)

Eli: And this too! (FIRES FORCE LIGHTNING)

He electrocuted her.

Eli: Oh yeah!

Nico: (takes out Cantwell's Ridewatch) Let's see how you like this!

He activated it and fired Rainbow Chakra blasts and smashed her down.

Qin :YEAH!

Gia: Take this! LEGENDARY RANGER MODE! DINO FURY!

She turned into the Gold Dino Fury Ranger!

Nico: Oh yeah!

She fired waves of energy and smashed her down and blasted her all over.

Xenia: Take that one!

Gia: My turn to use a Ridewatch!

Gia activated Bonz's Ridewatch and she fired waves of bones and energy and smashed her down.

Qin: YEAH!

Laney: Take that!

But then three powerful blasts of energy hit Another Slapback and she reverted back to one and then out came ODIN, LOKI AND THOR OF THE AESIR! It was Odin - Father of the Aesir, along with Thor and Loki the Lords of the Aesir!

Nico: Oh wow!

Odin, Father of The Aesir: (In a girls voice) (Norwegian Accent) Looks like we got here just in time.

Thor, Lord of The Aesir: (In a girls voice) (Norwegian Accent) We sure did.

Loki, Lord of The Aesir: (In a girls voice) Norwegian Accent) Yeah that is for sure.

Nico: Whoa! The Kristiansen Sisters!

They reverted back and they were three girls all with Silver Hair and Dark Blue Clothes and had the symbols of the Norse Gods on their gloves.

Olivia Kristiansen: We got this guys.

Tanya Kristiansen: Hold on a second.

Laura Kristiansen: We can catch up soon.

They fired waves of red, green and blue energy and smashed down Another Slapback and she reverted back and Gina was a girl with blond hair and a blue shirt and black pants and spiked boots and had a furred vest on and Nico caught her ridewatch and purified it and Nicole picked her up.

Gina Majors: (GROANS) What a headache!

Nicole: But you're back to normal Gina.

Gia: Any favorite memories of Nico?

Olivia Kristiansen: We have a lot of them actually. But our favorites are in history class.

Tanya Kristiansen: We did a lot of reports ont the history of the Norse Vikings and we got A+'s on all of them.

Laura Kristiansen: Yeah good times.

Nico: Those were fun.

Qin: And I remember many of them. The Kristiansen sisters are the daughters of Odin, Thor and Loki themselves and they have all their powers as well as the knowledge and powers of the 3 great gods of the Norse Pantheon too.

Everyone: WOW!

Laney: That's cool!

Lola: It sure is! And Tanya can you lift up Thor's hammer?

Tanya Kristiansen: I never tried that. But I'll have to see if I can.

Nico: Cool.

Nico hugged them.

Nico: I've missed you girls.

Kristiansen Sisters: We missed you too Nico.

Gia: (to Gina) J.D.'s gonna be happy to see you again.

Gina Majors: He sure will be.

Nicole: Dad will be back in a bit.

Brittney: Just be patient.

Nico: Lets all head back.

They went back home.

---

After Nico's rescue, Lincoln and his harem, my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Emma Goodall are heading to Charleville Castle in County Offlay, Ireland, and not only is Lincoln going to rescue the four girls here, but they're also going to exorcise the castle of the dark spirits that've haunted the castle and help the trapped good spirits rest in peace.

Lincoln: Whoa, we're here in Charleville Castle in County Offlay, Ireland, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to exorcise the castle of the dark spirits that've haunted the castle and help the trapped good spirits rest in peace.

Meridia Draganuisce: (Irish Accent) I remember this place all too well, Charleville Castle is one of the most haunted castles here in Ireland, and hauntings and paranormal activity have been reported here for over 200 years since the castle was built in 1798.

Nico: And there have been many dark stories that've taken place here in Charleville Castle, and it's said Charleville Castle was built on land belonging to the fairies.

Timmy Turner: And it's bad news to build on ancient land belonging to the fairies.

Lincoln: Yeah, building on lands belonging to the fairies who inhabit this land would lead to tragic and horrible consequences.

Meridia Draganuisce: (Irish Accent) That's right, Linky, and it gets worse: it's rumored the architect, Francis Johnston, tried to harness the powers of the land and the castle for evil. There were rumors of black magic and dark rituals taking place here, and they treated people like they used to back in The Dark Ages: torture, mistreatment, murder, and his constant meddling with this ancient power has contaminated the castle forever, and for over two centuries, families have lived and died here, and the spirits are trapped here, thanks to Johnston's meddling with the powers of ages past.

Eli: That's horrible.

Lincoln: So, it's up to us to remove the dark spirits that haunt the castle, calm the angered spirits of the ancient land, and help the trapped good spirits rest in peace, and thanks for joining us, Emma.

Emma Goodall: You're welcome, Lincoln, and Ireland is a really beautiful place.

Eli: It sure is.

We then arrived at Charleville Castle, and we felt the dark spirits here, along with the cries of the trapped good spirits crying for help.

Lincoln: Whoa, this is a really heavy presence here, I can feel it.

Nico: Yeah. So, how are we going to do this?

Eli: Yeah, the dark spirits aren't going to leave Charleville Castle easily.

Lincoln: Leave it to me.

Lincoln took to the air, and they followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground and it surrounded Charleville Castle. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He then took out his Flute of Ogma, and he began to play a beautiful melody, and the dark spirits were roaring in anger as they were eventually forced out of Charleville Castle and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Charleville Castle has been exorcised for good, and the dark spirits of Charleville Castle were eventually sent to The Black Gates and the magic circles disappeared.

Eli: Wow, that was one awesome exorcism.

Laney: I feel that the castle and its land is now calm now.

Lucy Loud: And the trapped spirits have finally been able to move on, and the dark spirits are now gone for good and sent to The Black Gates.

Lincoln: Awesome. But, we're not done yet, there's still the girls we need to rescue, and there's bound to be a villain about to attack right… now!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of moaning in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Sal Romero who's in his zombified demon form and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by Sal Romero who's in his zombified demon form and he's going to kill them.

?: (Girl's voice) This means one thing: Angela's planning her return!

?: (Girl's voice) And we need to stop him!

Suddenly, they saw Raphion the Timelord and Angmarl the Fiendish Monarch appear before us.

Nico: Whoa, that's Raphion the Timelord and Angmarl the Fiendish Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Rachel Emperyous and Luna Angmarl, but we'll talk later, we've got to stop the zombified demon, Sal Romero, and help him rest in peace.

The group rushed on over, and right before the zombified demon Sal Romero could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Sal Romero, and that allows the four girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Sal Romero, and when the zombified demon servant of Angela Franklin saw us, he moaned in anger.

Lincoln: I should've guessed we'd run into you here, Sal Romero, but this also meant one thing, the demonic Angela Franklin is planning her return here on Halloween, but we'll be ready for her when the day comes. But, first, we're stopping you and the rest of her minions will follow soon.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock

Then, the group all fired blasts of light which hits the zombified demon Sal Romero, and it removes Angela's demonic influence and he was restored to normal form, but he was still dead. But, he was finally freed from Angela's demonic influence, and he was able to ascend to Heaven, now freed from the shackles of the demon. They cheered wildly as we holster our weapons and powered down.

Lincoln: That's one haunted location exorcised and one of Angela's minions put to rest for good.

Nico: But, this also means that Angela Franklin from Night of The Demons is planning her return to the world on Halloween. But, we're going to make sure that this is her final Halloween, and she's not going to kill anyone again.

Lincoln: You said it, Nico. (To Rachel Emperyous and Luna Angmarl) And it's good to see you again, Rachel Emperyous and Luna Angmarl.

Rachel Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful green angel wings with stars in them, and she was dressed in a sleeveless green midriff top, long green skirt with the Sephiroth Tree of Life on it, black pants with designs, green legwarmers, green heeled sneakers, and long white sleeveless trenchcoat with winds and angels on the coattails and Sadion the Timelord on the back and holstered on her back is a large Sadion the Timelord-themed greatsword with Sadion the Timelord etched on the 7'0" massive, wide, double-edged green blade, large green angel wings for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large green angel wings and a large green gem below the angel wings for the pommel.

And Luna Angmarl reverted back to normal, and she was a beautiful girl with long flowing midnight black hair, blue and purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Fiend Kanji on her forehead and massive and beautiful midnight black angel wings and she reigned in the power of Angmarl the Fiendish Monarch, and she was dressed in a short-sleeved midnight black blouse, sleeveless midnight black top, long midnight black jewel-encrusted skirt, midnight black knee-high boots, and long white sleeveless trenchcoat with darkness and fiends on the coattails and Angmarl the Fiendish Monarch on the back and in her hand is a scythe.

Rachel Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, and Sadie.

Luna Angmarl: Same with you, Charlene, Varie, Alina, Raven as well, Hilary.

Hilary Thestalos: You too, Luna.

Selene Emperyous: Same here, Rachel.

Lincoln went up to Rachel Emperyous and Luna Angmarl and he hugged them both and they hugged him back, and Rachel Emperyous and Luna Angmarl were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Rachel Emperyous: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Luna Angmarl: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Rachel Emperyous, she's my Guardian Angel from Michigan and the sixth born of the Emperyous Sisters. She's the second of the Wind Masters of the Emperyous Sisters, and Rachel is the bookworm and knows so much about practically everything and even knows all about Quantum Physics thus earning her respect for Lisa. She also helps Laney out with some of her acting and dancing as Rachel is an awesome and amazing dancer and even helped Laney win the dancing championships too.

Nico: Wow, both knowledgeable of everything and an amazing dancer as well, that's so awesome.

Selene Emperyous: You got that right, and her knowledge of Quantum Physics caused her to earn respect from Lisa, and her amazing dancing skills helped Laney greatly in winning some dancing championships in Royal Woods.

Laney: You bet, and her skills and teachings in dancing helped me greatly, and just like me, Rachel HATES Chandler with a merciless vengeance.

Everyone gasped.

Lincoln: I still remembered what Rachel did to him and his goons long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Luna Angmarl, she's my Guardian Angel from Michigan and classmate from Science Class. She's known as the Duchess of Nightmares, because she has the power to bring nightmares and people's worst fears to life with a swing of her scythe and she can amplify their effect on people times infinity and it's not pretty.

Nico: Whoa, now that's really scary!

Eli: You got that right, and she's really skilled with using a scythe.

Lincoln: She's a master of wielding a scythe, and she hates Billy

McLean with a merciless vengeance and she wants nothing more than to kill him and punish him with the worst extent of his pain and nightmares for all the torture and suffering he inflicted upon the contestants of Total Drama, and she has a long list of 500 additional crimes added to his RAP Sheet.

Nico: Uh oh, so we got two revelations coming up: one about Chandler and another about Billy McLean.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared around Rachel Emperyous' neck and Luna Angmarl's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Rachel Emperyous and Luna Angmarl: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Rachel and Luna.

Rachel Emperyous and Luna Angmarl had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Himeko Inaba, Yui Kiriyama, Iori Nagase, and Maiko Fujishima from Kokoro Connect.

Lincoln: Oh wow, it's Himeko Inaba, Yui Kiriyama, Iori Nagase, and Maiko Fujishima from Kokoro Connect.

Nicole: Awesome.

Lincoln: Are you girls okay?

Himeko Inaba: Yes, we're okay, thanks to you.

Then, when Himeko Inaba and the three other girls saw who it was that saved them from the zombie demon Sal Romero, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and

Himeko Inaba: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Himeko Inaba: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Himeko Inaba, Yui Kiriyama, Iori Nagase, and Maiko Fujishima with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Charleville Castle and banished the dark spirits responsible for the hauntings and helping the good spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Sal Romero, one of those who was turned into a zombified demon by Angela Franklin.

But, when Lincoln showed what we did in freeing Sal Romero from Angela's influence and helping him finally cross over, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Rachel Emperyous, and Luna Angmarl have a lot of catching up to do, now that they're back in town. But, they've also been made aware that Angela Franklin is planning her return on Halloween, but they're going to make this her last Halloween when the day comes.

Maria: I can't believe it, so Angela Franklin's planning to return on Halloween. That demon guardian of Hull House just doesn't know when to quit.

Lincoln: Yeah, she doesn't.

Nico: She's terrorized everyone every time she's returned, and it's always been on Halloween.

Eli: True, but, she's bound to only haunt Hull House, unless someone takes something from that house which'll allow Angela to come into the world and cause havoc.

Morgana DeRose: Angela's going to be stopped when Halloween arrives.

Lincoln: Yeah.

Selene Emperyous: Angela's caused enough trouble for the last time, what a monster.

---

After the group all exorcised the dark spirits from Charleville Castle and freed Sal Romero from Angela's dark demonic influence, everyone was training intensely in the gym, this time, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and they were really sweating like crazy, even doing yoga to clear our minds, and when Rachel Emperyous and Luna Angmarl saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rachel Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Luna Angmarl: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rachel Emperyous: That's incredible.

Nico: It sure is. So, Rachel, Luna, what are these horrible revelations on Chandler and Billy McLean?

Rachel Emperyous: Allow me to go first. I sensed and found out long ago Chandler tried to poison Lincoln with a deadly virus that has no cure by spiking his food with it and then kill him in a slow and agonizing death. But I was not going to take that lying down, I jumped Chandler and grabbed the vial of the virus and then thrashed Chandler and his cronies into pulp and I vowed that if Chandler ever tried to hurt Lincoln in any way, shape or form, I would throw him into a sawmill and chop him into a million pieces so no one would ever find him, same with his cronies.

They gasped.

Varie: Yeah, I remember that one long ago, but this proves Dark Chandler's a murderous, psychotic, bloodthirsty asshole who hated Lincoln with a passion and wanted to kill him.

Nico: Dark Chandler was a really evil and psychotic monster!

Selene Emperyous: After she told us about it, we were really pissed off at that sleazy, sadistic, evil little sewage bastard and we wanted to rip him to shreds. But, she took care of them, she sent them to prison for one year after that little incident.

Nico: Nice one, and I can guess they were pissed.

Rachel Emperyous: They were, and I also saved this.

Rachel Emperyous took out the vial with the deadly virus Chandler was about to use to poison and kill Lincoln.

Eli: What's that?

Lincoln: That's the vial of the deadly virus Chandler was going to use to poison and kill me. You kept it away from anyone who wanted to use it for evil, that was a smart move.

Varie: Big time.

Luna Angmarl: Yeah, and at least, Chandler's no longer acting like a jerk, now that Dark Chandler is gone for good, now it's my turn. I found out that Billy McLean has committed a lot more crimes and he's a lot worse than you guys have found out.

Luna Angmarl took out a very long list, and in it were 500 additional crimes that Billy McLean had committed, and we went through the long list, and when we were done, we were really horrified at the rap sheet: Billy McLean is a totally sadistic and psychotic traitorous monster from the nine circles of Hell.

Camie: My God!

Nico: What a monster!

Lincoln summoned a piano over Billy McLean's head and it dropped and the piano crashed on his head!

KRASMASH!

He popped out and he had piano keys in his mouth.

Lincoln: That's for all the other crimes you committed, asshole!

Nico: Yeah, that'll teach 'em!

They got a shower afterwards.

---

Out in the middle of the city of Bishkek in Kyrgyzstan was me and Lord Drakkon and we were destroying terrorists there and killing them all left and right and making them pay.

Me: You are dead douchebags.

Lord Drakkon: Yeah no kidding!

Nico: (On a radio) We're ready Lord Drakkon. You can bring him back.

Lord Drakkon: Right.

Me: That's that.

Lord Drakkon: Yep. Lets head home.

Me: Awesome. But it was cool.

While I was out with Lord Drakkon, everyone was getting ready because today's my birthday, and the team had the place decorated for me with images of mythological animals, angels, and elemental forces, and they finished.

The team was done decorating.

Nico: Everything looks perfect.

Eli: Bro is going to love it.

Qin: He sure is.

Nico: Yep.

The elevator was moving.

Ranamon: J.D.'s coming!

We arrived just in time and they hid, as I came back home to The World Tree Estate.

Me: Hey, why is the place so dark?

I hit the light switch, and then, everyone came out as the streamers went off and confetti rained down on the place, along with a banner that said, "Happy Birthday, J.D. Knudson!"

Everyone: SURPRISE, HAPPY BIRTHDAY, J.D.!

I was really surprised at the surprise!

Me: (Surprised) OH MY GOODNESS!

Eli and Lincoln: Happy birthday, J.D.!

Me: Wow, thanks, guys!

Qin: You're welcome.

Then, The Masters of Evil arrived.

Vypra: Happy Birthday, J.D.!

Me: Thanks, Vypra.

Camie: Happy birthday honey.

Lincoln: We asked Lord Drakkon to take you out on a mission while we got everything set up for your party. Oh, and we also alerted The Masters of Evil of Angela Franklin's return when we told them of our encounter with Sal Romero.

Vypra: There's no way we're going to let Angela cause anymore trouble, this Halloween will be her last.

Me: Awesome! Thanks guys!

We were having tons of fun for my birthday party, and the rest of the team also gave me their gifts, and I loved all of them.

Lincoln gave me a comic he'd made based on our fights against The Church of Necrom months ago, and it was so awesome, along with a very powerful greatsword he made me, Lori gave me a new cellphone and cellphone case, Leni gave me some new clothes, Luna gave me an electric guitar in me favorite colors, Luan gave me some jokebooks, Lynn gave me awesome sports equipment, Laney gave me a painting of myself and my harem as angels with white angel wings and holding hands in the sky as the sun was above our heads and surrounded by elemental forces, Lucy gave me a spellbook of dark magic, Lana gave me a toolbox full of tools, Lola gave me some stylish sandals for any of my beach dates, Lisa gave me a new blaster, Lily put together a scrapbook and inside its pages are photos of me with all of us, and Leopold gave me a painting with me holding Leopold, and it was so cute.

Me: Wow, thanks, you guys.

We got the party underway.

Dva: Time for cake!

Lynn Sr. came in with a massive and awesome looking Devil's Food Cake with blue frosting words that said, "Happy Birthday, J.D. Knudson" on it.

Me: Whoa, that looks really delicious, and you got one of my favorite cakes: Devil's Food Cake.

Nico: It sure does. Wow!

Lincoln: We knew it was your favorite, and we knew you'd love it, J.D.

Nico: Yeah, and we had to keep it away from Lincoln's sisters, since they're chocoholics, and when Mr. Lynn put the cake in the oven and it started baking, the smell of the chocolate got to the noses of the sisters and when we heard a stampede, we wound up getting riot shields and Lincoln put up a barrier to keep them from getting into the kitchen.

Maria: It was a wild stampede!

Me: True, and Lincoln's sisters are known chocoholics, just the smell of chocolate, and they'll come running. But, you guys did awesome in protecting the cake until I got back.

Lincoln: Thanks, J.D., and I think you're going to love your little surprise.

RUMBLE! POP!

Suddenly, the cake's top then opened up and all the girls in my harem came out dressed in two-piece bikinis, and when I saw them, I had a massive atomic blush on my face, hearts in my eyes, steam coming out of my ears, and my nose was bleeding.

Me: Hubba hubba!

Varie: (Seductively) Like your little surprise, big boy?

Me: (Lovestruck) Oh… yeah!

Nicole: This was definitely Mom and Misty's idea for your surprise, Dad.

Lincoln: Yeah, we also had to keep that a secret as well, since they wanted to make it really special for you, J.D.

Then, I was given a kiss by all the girls in my harem, and my body turned red and I shot up into the skies and fireworks came out of me, and I landed onto the floor feet first.

Nico: (Snickers) Now, that's what I call a birthday surprise!

Maria: And J.D. definitely loved that little surprise big time.

We laughed all over.

I laughed goofily and I was covered in lipstick marks and I was dressed like I had a wild time getting laid.

Me: Wow. (BLUBBERS) Wow! That was awesome!

We laughed!

G1 Thrust: Look at what the mascots are wearing!

The mascots were dressed in Urban Rangers outfits.

Carmen: Guys meet the new Urban Rangers.

Poromon: Ranger Poromon Reporting for Duty!

Poliwag: Ranger Poliwag Reporting for duty!

Horsea: Ranger Horsea Reporting for duty!

Manaphy: And Ranger Manaphy Reporting for duty!

Me: Hey you guys signed up for the Urban Rangers. Nice.

Laney: That is cool!

Horsea: Yep. Jonny, Jimm, Rolf and Carmen let us join. We had to earn a badge.

Nico: Awesome.

Eddy: What did you have to do to get one?

Manaphy: Set up hammock and get Rolf some water.

Maria: Awesome!

Strafe: I thought to join, you had to gain the Hairy Chest of Resilience Badge.

Ed Edd N Eddy Jimmy: Actually, the mascots couldn't apply for that since they don't normally wear clothes.

Nico: He's right.

Me: Yeah no kidding.

Strafe: Oh. That does make sense.

Manaphy: But we get awesome bandanas and they are cool. We also started our own collection of badges.

Laney: That's awesome.

Camie: You are the youngest ever to apply for it?

Poromon: We sure are and it's cool.

Xenia: Neat.

Alan: How many badges do you guys have?

Ann: I bet it's a lot.

Poromon: See for yourself.

They showed that their badge sashes all had loads of badges!

Poromon: Ghost story, Report Card Delivery, Get Rolf Water I'm Thirsty, Chimney Sweeping, and so much more.

Me: Wow! You guys are doing great!

Camie: You sure are.

Xenia: Yep.

Nico: Now it's time for our mission.

Iceage: Can me, Titania, Pete, Magma, Electro, Ebon, Dark Laser, Rojo, Snake, and Electropede go with you guys?

Mouth of Sauron: Me, Jellax, Stacey, Fire Lord, Vathek, Ghost of Elias Kingston, Albedo, Garigari, Zen Aku, and Yost Electro will come as well.

Nico: Yes you all can come with.

Me: And I have just the mission for us.

I pulled up the holographic universe scanner and it showed a picture of another Earth but the continents were all upside-down and flipped.

Me: This is another Earth but look at all this. The continents are all upside down and backwards.

Nico: How weird is that!?

Laney: Very weird.

Me: Yep. But the scans reveal that the people there are in trouble.

Lana: Whoa.

Nico: Then we better get over there and fast.

Lincoln: Yeah. Wait a second. (Recognizes the world) (GASP) THAT'S THE WORLD OF ATTACK ON TITAN!

We gasped in shock!

Me: Oh man! I knew there was something familiar about this world.

Nico: Then that must mean our primary target for this mission is Zeke Yeager.

Eli: Oh man! I heard about him! He is bad news to the brink!

Camie: Who is Zeke Yeager?

Me: A badass son of a motherfucking bitch to the Nth Degree.

I went over his history and it was not good.

---

**Zeke Yeager**, otherwise known as the **Beast Titan**, is the main antagonist of the *Attack on Titan* series.

He is the son of Grisha Yeager and Dina Fritz, who had him join the Marleyan military for their own agenda. He is the **War Chief** of the Warriors of Marley until his eventual betrayal, and the symbolic leader of the Anti-Marleyan Volunteers. His Vice Chief Reiner Braun considered him to be the strongest Warrior and Yelena views him as a god and savior. Zeke is also the half-brother of Eren Yeager, the nephew of Faye Yeager, a member of the Fritz royal family through his mother and Levi Ackerman's arch-nemesis.

Zeke's nihilistic and antinatalist ideology was born from his life experiences within his own family, his life environment and his country's military, Marley's education and indoctrination, and from the world's system and history regarding the Subjects of Ymir and their existence's role in humanity. Despite having his own agenda, Zeke still fights for the benefit of most of humanity and views his mission as putting all the Eldians in the world out of their misery a mass "euthanization".

He serves as the main antagonist in the first half of the *Clash of the Titans arc* and the *Return to Shiganshina arc*, a major character and twist main antagonist to Reiner's side in the *Marley arc*, the central antagonist of the first half of the *War for Paradis arc*, and a major character of the second half of the *War for Paradis arc* following his defeat when the Rumbling starts. In the anime, he serves as the main antagonist of the first half of Season 2 and the second half of Season 3, the central antagonist of Season 4: Part 1 and the first five episodes of Season 4: Part 2, and a major character in Eren's flashback and in Season 4: Part 3.

While certainly dangerous as a Titan, his greatest threat comes from his intelligence: he is a strategist able to plan and orchestrate long-term events, and is willing to ruthlessly cut down anything in the way of his ambitions. In his nihilism, Zeke intends to end his "cursed race" by using the Progenitor's power to manipulate the Eldian's physiology - planning to render every member of the race sterile so that they will slowly die out.

In Japanese, he is voiced by Takehito Koyasu, who is best known for voicing Dio Brando in the Japanese version of *JoJo's Bizarre Adventure* . As a kid, he is voiced by Daiki Yamashita, who is famous for his voice of Izuku Midoriya, the protagonist of *My Hero Academia* series. In English, he is voiced by Jason Liebrecht, who happens to voice Dabi in the English dub of *My Hero Academia* .

*Clash of the Titans* arc

The Beast Titan makes his first appearance when Titans are mysteriously appearing within Wall Rose even though the Wall remains intact. He is encountered by Mike Zacharius, who instantly notes the strangeness of his characteristics, mistaking the Titan with a regular Deviant-type. The Titan displays an unexpected behavior when he grabs Mike's horse and launches it at him, preventing his escape and throwing him from the roof he was on.

After Mike falls to the mouth of another Titan, the Beast Titan displays the ability to speak, ordering the other Titans to not eat him so that he can question Mike about the Three Dimensional Maneuver Gear. However, the Titan disobeys him and the Beast Titan crushes its head to release Mike.

The Beast Titan then proceeds to interrogate Mike, but as he neglects to respond out of shock, he theorizes that Mike does not speak due to them not speaking the same language, or Mike being too afraid. After inspecting the gear, he allows the surrounding Titans to devour Mike. As Mike screams in horror, the Beast Titan is amused to see that they did actually speak the same language after all. He finally leaves the scene contemplating the 3D Maneuver Gear.

He next appears walking past Castle Utgard, seemingly ignoring those taking refuge within. Instead, he uses his incredible strength to scale Wall Rose and then disappears.

As the soldiers manage to fend off an attack, he suddenly turns his attention towards them. He begins to break off chunks of the Wall, hurling them long distances at the members of the Survey Corps trapped in Castle Utgard. The first shot kills their horses, and the second kills Lynne and Henning. He then howls, summoning more Titans to continue the assault on the castle. Nanaba angrily notes that he seems to be intentionally toying with them. Afterwards, he climbs over the Wall and disappears into the lost territory of Wall Maria.

When Ymir and Eren Yeager are kidnapped by Reiner Braun and Bertolt Hoover, Ymir states that the Beast Titan is directly responsible for the appearance of Titans within Wall Rose; possibly in order to "test" humanity's strength. She also notes that the reaction of Reiner and Bertolt to his appearance resembled gawking, excited children. She theorizes that locating him must be one of their primary goals and that it is key for them to return to their village.

*The Uprising* arc

In the aftermath of Eren's failed kidnapping, an investigation is performed at the village of Ragako. The investigation confirms the suspicion that the villagers had been transformed into Titans, though the methods employed by the Beast Titan remains undisclosed.

Two months after Historia Reiss is crowned queen, the Beast Titan is shown in Shiganshina District defeating the Armored Titan in battle. While Bertolt takes out Reiner's body from his Titan form, Zeke emerges from his Beast Titan body, telling Bertolt and Reiner to worry about Annie's rescue later. He then reveals his plan to ambush the Survey Corps in Shiganshina with their help in order to capture Eren and steal the Coordinate, their top priority.

*Return to Shiganshina* arc

After some time, the Survey Corps initiate the operation to retake Wall Maria. After Eren manages to seal the outer gate of Shiganshina, Zeke, Reiner and Bertolt launch their operation. After Reiner's failed attack and its momentary downfall, Zeke transforms into his Beast Titan form along with a numerous horde of Titans outside the Wall. After that, he picks up a giant boulder and launches it at the inner gate, so that horses could not get over the hole, keeping the soldier from running away. The Beast Titan then roars, ordering small Titans to attack Survey Corps horses, while larger type of Titans form a circle around the entrance of Shiganshina district in order to prevent anyone from escaping the district.

Zeke with Bertolt and Reiner.

When Reiner gets incapacitated, Zeke is shown talking to Reiner and Bertolt the night before the Survey Corps' arrival. He tells them not to worry about Annie and questions their resolve when they doubt his words. He goes as far as to threaten Reiner with a rematch if they still doubt his decision. He then talks how they need to regain the Coordinate in order to put an end to something he calls the "cursed history." They are shortly after interrupted by a scout Titan who informs them of the Survey Corps' arrival. Back in present time, incapacitated Reiner roars in his titan form, signaling the Beast Titan to throw a barrel containing Bertolt towards Reiner's location. After Bertolt's delayed transformation annihilates a majority of Scouts on the other side of the Wall, the Beast Titan continues to stay on the sidelines, watching the battle unfold. Erwin asks whether or not everything goes according to Zeke's plan.

As a majority of Scouts swarm the front of the town to fend off the assaulting Titans, the Beast Titan bombards them with a barrage of stones, shredding humans and Titans alike while crushing all of the village buildings in their way. Erwin realizes that his plan was to round all of the Scouts in one location to wipe them out without getting too close. Out of options, he decides to perform a suicide charge against Zeke in order to distract him long enough for Levi to reach and attack him. As he is suicide charged by the Survey Corps, Zeke drops his guard, commenting on how their final move didn't live up to his expectations. He goes on to say that their loss of the world's memories is a tragedy that makes them do the same mistakes over and over again. As they shoot signal flares at him, he thinks of it as pointless, desperate struggling and continues his inner monologue, while shredding them all with more barrages of stones.

After Zeke kills almost all of the Scouts charging him from the front, he revels in his victory; however, he notices too late that all of his Titans on his right side were killed. The Beast Titan then watches an anchor emerge from a screen of smoke hooking into his shoulder, followed by an enraged Levi ambushing him. Though initially stunned, the Beast Titan quickly recovers and swings his paw at Levi. He recalls having been warned by Reiner to be cautious about one particular soldier called Levi, as Levi cuts his paw to pieces along with the rest of his arm, quickly realizing who is attacking him.

As Levi moves to his head, he quickly covers his nape, but is instead blinded by Levi, who moves too fast for him to react. Levi then cuts the Beast Titan's legs, making him fall before cutting his remaining paw to shreds before the nape is cut open and Zeke is dragged out of his Titan. Injured and helpless, he is at Levi's mercy, but Levi doesn't kill him because he wants to take his power. This does not come to pass as Levi is attacked by Pieck, in her Cart Titan form, who saves Zeke. As he is carried away in the Cart Titan's mouth, Zeke angrily orders his left side Titans to kill Levi, as the Cart Titan escapes.

He soon exits his Titan Form and using the Cart Titan as transportation, he goes to save Bertolt after finding and procuring Reiner. Zeke finds Bertolt with Eren, he is shocked to finally meet his half-brother who threatens to kill Bertolt. Zeke remarks that Eren doesn't resemble his father as the latter is confused before noticing that Zeke looks like his father while Zeke says they are both victims of the latter. Before he can elaborate or reveal their relationship, Zeke is met with surprise as Levi is revealed to have survived the Titan attack and caught up with him. Zeke realizes his situation and tells Eren that he'll come back for him before telling Bertolt his journey ends now as he falls back with Reiner. With both of them having survived - despite having lost Bertolt - Zeke comments to Reiner that he was truly lucky.

Returning to Marley

Back in Marley, Zeke remains an asset of the Marleyan military. After his return, he starts building up a network of agents from territories conquered by Marley and uses them as envoys to Paradis. Additionally, he makes contact with Kiyomi Azumabito of Hizuru, convincing her that it would prove fruitful for Hizuru and her clan to make connections to Paradis. After his envoys, led by Yelena and named Anti-Marleyan Volunteers, arrive on Paradis, they are arrested by the military but gradually gain their trust and assist them in upgrading Paradis' military and technology as to be able to hold up against the other nations, who are far more advanced than Paradis.

In his service to Marley, Zeke is soon drafted into another war - this time against the Mid-East Union. After four years of war, the Marleyan forces attack the last stronghold of the Mid-East Union, Fort Slava. While footsoldiers - mostly conscripted Eldians and volunteers of Marley's warriors program - attack the Fort on the ground, Zeke and Reiner are flown into the area by airship. There are also several Eldian prisoners onboard who have been injected with Zeke's spinal fluid and once the airship is directly above Fort Slava, they are all thrown out of the ship. While the prisoners are still mid-air, Zeke lets out a loud scream that transforms all of them into Titans.

The titan bombardment hits the fort - destroying some of the Fort and allowing the Titans to kill the soldiers within. Furthermore, Zeke and Reiner are deployed into the Fort and transform into the Beast Titan and Armored Titan, respectively. While Reiner destroys the artillery on the walls of the Fort, Zeke picks up a fistful of artillery ammunition and hurls it into the Mid-Eastern armada stationed on the coast of Fort Slava. While he manages to sink the entire fleet, several ships are able to return fire with Anti-Titan-Ammunition. Before the shots can hit and kill Zeke, Reiner jumps in front of him and takes the full blow. Reiner survives and Fort Slava is conquered, allowing Marley to claim victory and force the enemy into signing a peace contract. Before the entire Marleyan military heads back home, the military heads come together in a meeting that is attended by Zeke - as well as his intended inheritor Colt Grice. Afterwards, they briefly talk to their superior and the leader of Marley's warrior program, Theo Magath.

## Betraying Marley

After their victory, the surviving members of Marley's military return home. Zeke, the warriors and the surviving Eldians head back home to Rebellio, where their relatives eagerly await them at the gates of the ghetto. Zeke is welcomed by his grandparents, who are extremely proud that he helped Marley secure another victory. As the war is now won, Marley's military officials once more turn their eyes to Paradis Island and - primarily through Zeke's insistence and pressure - decide that another attack is warranted in order to secure the Founding Titan. In order to get other nations - united only in their hate against Eldians - to come together as one global army and destroy Paradis Island once and for all. Zeke proposes that the influential Tybur family, which is respected in many nations, proposes this idea to the world and indeed, a festival is planned in which officials, diplomats and journalist from all over the world are invited to Rebellio in order to listen to Willy Tybur's proposal.

In the weeks leading up to the festival, Zeke regularly comes together with the Marleyan military as well as the Warriors and the warrior cadets. However - due to the scheming of Yelena and his Anti-Marley-Volunteers - he is also able to meet with his half-brother Eren Yeager who has infiltrated Marley on Yelena's insistence. In their conversation, Zeke reveals some groundbreaking information to Eren which causes a drastic change in him. Zeke also reveals to him that the Ackerman family was basically designed as Titans in human form and were intended to loyally guard whoever they imprinted on. What exactly was discussed between Zeke and Eren and if Zeke told Eren the truth or just lies is currently unknown. However, Zeke and Eren make plans for Eren to attack the festival and for Zeke to defect in order to be brought to Paradis Island during the chaos. These terms were also brought to Paradis by Yelena (although leaving out the plans for the attack on Rebellio).

During the day of the festival, Zeke, Pieck and Galliard are called to a meeting with General Magath by a mysterious soldier (in reality Yelena in disguise) just minutes before Willy Tybur's speech starts. They leave the plaza and after Yelena sends Zeke off under some pretext, she lures Pieck and Galliard into a trap so that they won't be able to interfere with the upcoming attack. At the same time, an unsuspecting Falco Grace - having previously received Zeke's blessing - leads an equally unsuspecting Reiner Braun to a meeting with Eren Yeager. Meanwhile, Zeke heads away from the festival and stays away when Eren transforms, killing Willy Tybur and slaughtering military officials and civilians alike. Shortly after, the Survey Corps arrives, having had no idea of Erens plans and having come to retrieve Eren at all costs. Eventually, Zeke transforms into the Beast Titan and returns to the plaza where he seemingly teams up with Pieck and Galliard, who managed to free themselves and who transformed as well.

Using debris from the buildings that have been destroyed so far, Zeke hurls projectiles at members of the Survey Corps to keep them at bay. However, he is attacked by Levi Ackermann and cut down almost immediately. As the Beast Titan falls, Levi cuts open its nape and - while Magath, Gabi Braun and Falco are watching in horror - tosses a grenade inside the nape, seemingly killing Zeke. However, in the guise of the explosion, Levi is able to retrieve Zeke and after cutting off his legs, carries him to the airship which the Survey Corps uses to escape. Zeke is delivered to Paradis Island but instead of being allowed to meet Eren - which was one of his demands for cooperation - he is led away while Eren is imprisoned for his genocidal attack on Marley. Zeke, on the other hand, is put into Levi's custody.

## Imprisonment and battle with Levi

As Paradis is conflicted and on the brink of civil war - with a loud majority of people declaring for Eren Yeager - Zeke is brought to the

Titan Forest since it is deemed that the terrain is ideal to prevent him from transforming and escaping. Levi is assisted by thirty loyal Survey Corps soldiers and while chaos and conflict erupts on Paradis after Premier Zackly is murdered by Eren's faction, Zeke and the soldiers in the forest are completely secluded from the outside world. For one month, Zeke remains completely docile and even answers Levi's questions on how he transformed the people of Ragako into Titans. He explains how his spinal fluid allows him to transform people but adds the lie that people who are injected with his spinal fluid become completely catatonic. By adding this lie, Zeke makes sure that Levi and the soldiers believe that there is a definite way to spot if someone has been injected with the fluid.

In doing so, Zeke prevents the soldiers from realizing that the wine they have been drinking for a month has been spiked with his spinal fluid as well. Eventually - after having read the sole book he has been given for entertainment seven times - Zeke decides that the time to strike has come. He suddenly jumps up and runs to the edge of the clearing. While the perplexed Levi prepares to retrieve Zeke, Zeke suddenly screams and transforms all of Levi's subordinates into mindless Titans. In contrast to other Titans, Zeke's titans are extremely fast and even able to climb. While the Titans attack Levi, Zeke has one of the Titans pick him up and uses him as a mule. He has the Titan carry him to the edge of the forest and plans to meet Eren as soon as possible. He believes Levi to be dead but when he turns around to take a look, he sees the furious Levi charging at him. Panicking, he transforms into the Beast Titan, rips apart the Titan that carried him and squishes his head. He uses the meat chunks as projectiles to hurl at Levi, but Levi uses the terrain to his advantage, swoops down at Zeke and blasts four thunder spears into Zeke's hardened nape.

The detonation blasts the severely crippled and wounded Zeke out of the Beast Titan's carcass and Levi grabs him by the hair and drags him to a cart. Before Zeke's wounds heal, Levi rams another thunder spear into his stomach which is implanted deep into Zeke's body as it regenerates. The trigger for the thunder spear is tied around Zeke's head so that the thunder spear will detonate if he makes a sudden move. In order to prevent Zeke from transforming into the Beast TItan once more, Levi cuts off his feet. After Zeke regains consciousness, the wagon has already moved and Zeke howls and pukes in pain when he sees the Thunder Spear coming out of his torso. Delirious from the pain, Zeke remembers his past with Tom Xaver and is shocked to see that he lost Xaver's glasses. After a few hours, Zeke's body has recovered relatively well and Levi jumps back into the wagon to cut of Zeke's feet once more. However, Zeke - who was deep in thought on his past with Xaver up onto this point - suddenly lets out a suicidal scream and yanks his head, causing the thunder spear to detonate. While Zeke's body is ripped apart by the blast, Levi is hit by the explosion as well and is blasted out of the now destroyed cart in a cloud of blood.

After the explosion, Zeke slowly bleeds out. As he comes closer to death, he remembers the moment he learned of the existence of his half-brother Eren and that he decided to approach Eren to bring him into his plan of Eldia's sterilization. Zeke's consciousness then fades, but as he dies, he suddenly has a vision of a young girl who molds his destroyed body anew with sand. While Zeke, who has reached a different sphere of existence he believes to be the manifestation of "Paths", is remolded by the nameless girl, a mindless Titan suddenly robs towards Zeke but instead of devouring him, the Titan rips open its own stomach, grabs Zeke and stuffs him into his intestines. Afterwards, the Titan slumps over. Moments later, Zeke reemerges from the stomach of the titan completely reborn. In the meantime, the Yeagerists have arrived in order to save Zeke and bring him to Eren. When Floch asks Zeke what happened to him, Zeke replies that he is not too sure himself but explains what he saw and what he believed it to mean. He reveals to Floch that everybody who stood in their way has been eliminated and that the time to advance has come.

## Titan Battle in Shiganshina

After having been freed, Zeke immediately heads to Shiganshina where, in the meantime, Marley has started a small-scale invasion and has dropped a unit of soldiers with parachutes. Eren, having turned into the Attack Titan, is being attacked by both the Armored Titan and the Jaw Titan and Zeke arrives just in time to prevent Eren from being eaten by Reiner. After climbing on top of Wall Maria, Zeke pries out a part of the wall and precisely hurls it into the city so that it hits Reiner in the face. Zeke then cockily announces his arrival, claiming that he arrived at the destined meeting point a little late while also congratulating Eren for holding off the enemy for so long, claiming that he should leave the rest to his big brother now. Zeke keeps hurling rocks - taking down all of Marley's airships and fending off both Reiner and Galliard - until he is taken by surprise by a shot from Pieck's anti-titan-artillery turret, is hit near his nape and tumbles off the wall. He falls into the district where he remains motionless. Despite the lower half of his body being severely damaged Zeke survives and is able to maintain the functions of his titan form. Seeing that they're at a disadvantage Zeke decides to use his scream to transform everybody nearby that has ingested his spinal fluid. However right as he is about to scream Colt arrives on the scene and pleads with Zeke not to use his scream because his brother Falco, an innocent warrior candidate had accidentally ingested some of the wine tainted with Zeke's spinal fluid. Despite feeling sympathy for Colt's brotherly care for Falco, Zeke screams anyway and turns everybody in the nearby proximity that drank his spinal fluid into Pure Titans. Afterwards Zeke orders Falco's pure titan to attack Reiner before another shot is fired through Zeke's nape seemingly killing him. However Zeke actually manages to survive albeit more mangled and hides underneath the steam and skeleton of his decomposing titan form. Eren notices this and hardens his titan body after an enraged Reiner punch his fist right through Eren's mouth upon Porco Galliard sacrifices himself to allow Falco to regain his human form. After breaking out of his nape Eren runs to make contact with Zeke and activate the Founding Titan but a vengeful Gabi shoots Eren's head off with an anti-titan rifle causing Zeke to become horrified as his younger brother's severed head begins falling towards him.

## Final Downfall

After Eren's severed yet still technically alive head falls into Zeke's hand the power of the Founding Titan activates and sends the two brothers into the coordinate of the timeless realm of paths where Zeke is seen in chains that apparently represent the "First King's will and the Vow Renouncing War". When the nameless girl that healed Zeke appears he reveals that she is in fact Ymir Fritz who had been transported to the Coordinate upon her death to become a conduit for using the Founding Titan's power by obeying its inheritors, when Zeke asks Eren to command Ymir to sterilize the Eldian race as they "agreed upon" Eren reveals that he has no intention of sterilizing the Subjects of Ymir and was only playing along with Zeke's plan in order to use the Founder's powers. Zeke is saddened by this before revealing that he wasn't sure of Eren's true allegiances so he deceived Eren as well and was in control of Ymir and the Founder's power due to his royal status and that he had successfully nullified the Vow Renouncing War while breaking his chains and having Ymir (who is bound in servitude to her royal-blooded descendants) chain Eren up. Still believing that Eren is being controlled by their father's will and memories Zeke has them go into Grisha and Eren's memories to "show" how Grisha imposed his "nationalist mindset" onto Eren. However Zeke learns that Grisha had in fact been remorseful of how he treated Zeke and because of it he gave Eren more personal freedom as a child and even postponed his mission to take the Founding Titan from the Reiss family to spend his remaining years with his family without jeopardizing their lives. Zeke then notices how Grisha is actually able to see him from the past. Zeke is surprised by this and Eren tells him that they need to go on to the next memory. After seeing the memory of Eren's brutal rescue of Mikasa, Zeke finally accepts that their father never forced his ideology upon Eren, yet Zeke is still bewildered that Eren betrayed his trust. Eren reveals that he would never go along with the Euthanasia plan because he was "Born into this world, and if anybody tries to take his freedom, he won't hesitate to take theirs" in retribution. After Grisha notices Eren while taking to his child-self, Grisha departs the walls and heads to the Reiss chapel to finally follow through with his mission as he is on the final year of his limited lifespan due to the curse of Ymir. Zeke witnesses the memory of his father confronting Freida Reiss (the mentally enslaved then-inheritor of the Founding Titan) and pleading with her to use the Founding Titan's powers to save the people being slaughtered at Wall Maria. Freida wants to help before Karl Fritz's will prevents her from doing so. She says that the Eldian people are irredeemable for the sins of the past Eldian Empire, and their only repentance is to accept their fate, even if the people of the walls don't know about the true history of the world. Zeke believes Freida and him to be like-minded and goes on to ask Eren if his previous statement on the killing of the Reiss family was another deception.

Zeke then notices Eren's intensive glare towards Freida in disgust towards her ancestor's ideology. As Grisha continues to plead with Freida, the Queen rejects his requests and states that even if Grisha were to take the Founding Titan he wouldn't be able to use it. However Grisha reveals that he is already aware of that, to a surprised Freida. Grisha reveals that the like all of the Nine Titans the Attack Titan has its own unique abilities. It is able to see into the memories of its future inheritors, and through them, it can know the future, while also granting users immunity against the Founder's memory manipulation. Frieda is not aware of this because the vow to renounce war prevents her from using the full power of the Founder. Zeke is astonished that the Attack Titan had those kind of capabilities and it's revealed that it was because of this reason Grisha was able to see both Zeke and Eren due to the Founder's power amplifying the Future Memory Inheritance ability, which Eren used to discreetly relay his future memories of Wall Maria falling and Grisha's slaughter of the Reiss family (sans Rod). However as Grisha hesitates Eren directly speaks to him, having used Zeke to ensure history plays out as it already has been. Zeke can only stand in shock as Eren coldly reminds Grisha of all the people who died due to the persecution of Eldians: his sister Faye, his comrades from the Restorationists, his first wife Dina, and his predecessor Krueger. This convinces Grisha to follow through with his mission. After successfully killing Freida and her entire family (with the exception of Rod, so that he can show the Eren the memory of the massacre for the first time and pass it along Grisha in the first place), and stealing an injection of titan serum, Grisha exits his titan form in anguish and remorse over killing children. After Grisha realizes he can talk to Zeke he tells him that the future will go in Eren's favor and not his. When Grisha expresses horror at the future memory of Eren's endgame he can finally see Zeke and expresses remorse for his mistreatment of Zeke as a child and embraces him saying that he loves him. As he tells him to stop Eren, Eren's past self from the year 850 (during the award ceremony following the Battle of Shiganshina) receives Grisha's memories of that night with better clarity than before, allowing him to see into his own future memories.

When I was done everyone was shocked, horrified and grossed out!

Applejack: That guy is a monster!

Qin: Yeah he sure is! He is pure evil!

Larry Koopa: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for all the Fortune Ladies and Fortune Fairies put together next.

Me: Wow! The Fortunes of Light and Darkness.

Nico: Exactly.

Carly Atlas: That will be awesome to see.

Nico: It sure will.

Laney: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Pandora Marwood of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna and Marianna Blakely. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Pandora Marwood on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna and Marianna Blakely.

Lynn: Looks like Morana and the others are really getting mad beyond anyone's imagination.

Me: And now, their desire for revenge has completely consumed their minds.

Nicholette Torrington: You got that right, J.D. Morana Desdemona and The Order of The Black Cross have caused enough trouble in Michigan trying to prove their loyalty to Satan, and now, they want revenge on us for what we did to their dark master.

Nico: But, they'll meet the same fate as their master, Nicholette, and Veronica and Lincoln will show that demonic Satanic witch what for her crimes.

Veronica Keiron: Yeah, I still owe her for what she tried to do in trying to cause the deaths of my parents by using black magic, and I can never forgive her for what she tried to do.

Nico: Yeesh, so you guys also have a grudge on them for what they did in trying to use black magic to kill your parents and all of you, that's proof of just how evil they really are. Alright, gang, let's go, let's make that monster, Zeke Yeager, pay for his crimes on the world.

Lincoln: Yeah, we're coming for you, Zeke Yeager, and you're going to pay for everything you've done and once we get done with Zeke Yeager, you're next, Pandora Marwood.

Titania: Shall we get going?

Jellax: We should.

Nico: Lets do it!

Me: Lead the way.

We were off to the ship and we were off to the world of Attack on Titan.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7037.1: The U.S.S. Valorous Phoenix is en route to the world of the Apocalyptic Anime series Attack On

Titan located 77,212 Lightyears away from Earth and our mission there for J.D.'s Birthday is to kill the evil Zeke Yeager who has unleashed the Titans to destroy all humanity and kill everyone. Our mission is to give that ruthless monster the Black Gates and get everyone off that planet and start a new life anew.

Me: This is gonna be a big one. The Titans there are a force not to be trifled with.

Camie: Yeah. How do we kill them?

Me: Total obliteration or decapitation.

Qin: So we blast them or slash their heads off.

Nico: Yep.

Diamond Tiara: How big are they?

Me: HUGE! Some of them range from 10 feet tall to 18 meters.

We gasped!

Nico: WHOA! That's 59 feet tall.

Me: Yep.

Eli: We'll need Kaiju power for this too.

Camie: I agree.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the world of Attack on Titan and it was just like the scan image. The continents were upside down and they were flipped backwards.

Nico: Wow! Just like the image.

Laney: Yep.

Camie: This is crazy.

Laney: It sure is.

Electro: Let's find a place to land.

Vathek: Somewhere with no Titans.

Nico: We can land above Shiganshina city.

Me: Okay.

We engaged the landing and we floated over the land and we saw that it was a ravaged wartorn world that was plagued by the titans.

Nico: Whoa! So those are the titans!

Eli: Huge!

Me: And ugly too!

Camie: Scary!

Tsuyu: Yeah!

We saw Shiganshina City and it was under attack by the Skinless Titan and many numerous titans!

Nico: There it is! And it's under siege!

Me: Oh man! Eren Yeager is in trouble!

Nico: Then we got to help him!

Me: Right!

Nico: J.D. you scare off the Titans and kill that Skinless one.

Me: Right! Time to fight fire with fire.

The ship hovered over the city and I got out and turned into WOLF MOON 🌙!

I went Giant and I was 20 feet taller than the Skinless Titan.

I tapped it on its shoulder.

Skinless Titan: Huh?

He saw me and I waved at him and then…

SLASH!

I slashed his head off with my scythe and killed him instantly! Then I fired waves of energy and blasted the titans all over into ashes!

Me: Take that you fiends!

The citizens cheered wildly for me as I saved them all.

Me: (Waves at them)

Then the shiip landed and we got out.

Wendy Koopa: Eddy, kill one of the ones getting away.

Eddy: Right.

Eddy aimed his blaster at one of the Titans and shot it through the back of the head.

Me: Nice shooting guys.

They blasted the titans and they ran away like cowards.

Me: That's that.

Nico: Yep.

Eren Yeager came up to us.

Eren Yeager: Thanks for that. We owe you one.

Me: Anytime. You must be Eren Yeager.

Eren Yeager: I sure am. And J.D. Knudson it's an honor to meet you and all of Team Loud Phoenix Storm.

Me: Same to you Eren.

He glared at me.

Eren Yeager: The titans are mine to destroy alone.

Cyborg: Now, that's not very nice.

Eren: (sighs) Not you and your team! The Titans who are the monsters on this world!

Ghost of Elias Kingston: Oh. Right.

Dark Laser: This is gonna get confusing real fast.

Nico: Sheesh what's eating him?

Me: Eren is hellbent on getting revenge.

Nico: Why?

Me: The titans of this world killed his mother and ever since then he was hellbent on killing all the titans.

Mikasa Ackerman: That's right. Sorry about that though. My name is Mikasa Ackerman. Sorry we weren't properly introduced.

Me: No worries Mikasa but it's a pleasure to meet you now. But we better save him from himself.

Sasuke Uchiha: Let me and J.D. talk to him. We know what he is feeling.

Nico: Okay.

Me: Eren, me and Sasuke need to talk to you. In private.

Eren: Okay.

We took him to a park in the city to talk.

Me: Eren first of all you have our condolences for what happened to your mother. That attack really devastated you.

Eren: Yeah it did. But thank you for that.

Me: But Eren you have to realize that it's never all right to get vengeance.

Eren: How would you know!?

Me: Because I succeeded in getting revenge! And I nearly did a mistake that I would have lived to regret for eternity.

Eren: What?

Sasuke: I know how you feel too Eren.

Stalker: We actually were planning to come here last year. But instead, we met Dino Tyranno and his team.

Mikasa Ackerman: I see.

Nico: We weren't ready to come here because we didn't know how great a threat it was here. But now that we have evolved in many ways we are ready for the Titans.

Eli: Yeah. But now we are ready.

Nico: Yep. First of all I can't imagine the kind of pain you all went through these years here on this planet. It must've been awful for you all.

Mina Carolina: It was Nico.

Historia Reiss: Yeah.

Nico: I'm sorry you guys went through hell.

Eren: How could you know how I feel!?

Sasuke: Because like you I too was obsessed with getting revenge. I once went down the path of vengeance. My entire clan was butchered and murdered because of the corruption of my village's council. They ordered my older brother Itachi to kill everyone in my entire clan including me. And leave no one alive. Itachi spared me and he told me that he killed everyone to test the limits of his power. I thought Itachi went mad and I vowed to get revenge on him. But I later abandoned my path of vengeance thanks to Nicole. She saved me from myself and I realized what a fool I was. Vengeance ultimately in the end would have destroyed me.

Me: That's right Eren. Vengeance is like a double edge sword. All it will lead you down is a path to your own destruction.

Sasuke: That's right.

Me: Also I know how you feel too. There have been lots of instances where I wanted revenge. But the worst and most recent of them happened on one of our ambassador mission. The turtle brothers sensei Master Splinter was killed by The Shredder of that world and I vowed to get revenge on him. When we faced him I exploded in power and really let him have it. I then learned the hard way that I got my revenge but I nearly killed myself.

Eren: I had no idea.

Me: Yeah. Vengeance is a bad thing. I was an absolute fool back then.

Snake: Besides, you're not alone in this, dude.

Zen Aku: You have Mikasa and us.

Me: And you have Historia too as your friend as well. The point is Eren that you shouldn't shut your friends out all for revenge. You have to let vengeance go and get justice on the monsters that did you wrong. The Titans deserve to be destroyed yes. But let us all help you.

Eren: You're right guys. You're right. What a fool I was! I'm sorry.

Me: It's okay Eren.

Pain Yatta: And it's J.D.'s birthday today. Good thing no one tried to hit me with a stick.

Me: Don't worry Pain Yatta you are NOT going to be used that way.

Hudson Horstachio: Besides! That is my thing for me.

Nico: You got that right Hudson.

Qin: Yep.

Hudson Horstachio: I was invited to help out too.

Me: Good.

Eren: Happy birthday J.D.

Me: Thanks. But we are actually here to help you all out. We came to help you guys kill the leader of the titans himself. Zeke Yeager.

Eren: So you guys came to kill my half brother.

We gasped in shock!

Me: Zeke is your half brother!?

Sasuke: Deja vu.

Electropede: I guess that means Sasuke is more alike to you.

Yost Electro: Except Itachi was good all along.

Me: That's right.

Eren: Yeah.

Itachi: It's true I was ordered to kill my entire clan. But I was only ordered to kill those that were going to launch an uprising.

Me: Yeah. The Uchiha Clan was going to launch a full scale revolt on the Leaf so the Uchiha can overthrow the Hokage and take over the government. After all the peace talks failed Sasuke and Itachi's father was going to lead the clan to take over the entire village by force. Lord Third ordered Itachi to kill those responsible for launching the revolt only and not the entire clan in general. But the Third Hokage's acquaintance and the most notorious traitor in all of the village, Danzo Shimura went behind the Third Hokage's back and ordered for the whole clan to be destroyed completely. Sasuke included.

Itachi: It's true.

Eren: Oh man.

Historia Reiss: That is terrible. But I can't believe all that happened to you.

Me: Yeah. It was bad.

Nico: It sure was.

Eli: Yeah.

Eren: I'm sorry about that Sasuke and you too Itachi.

Itachi: It's all right. But thank you.

Eren: You're welcome.

Wildrider: Zeke, on the other hand, is a genuine bad guy!

Me: He's a grade A+ ∞ uhh pardon my language here to everyone here, a Grade A+ ∞ Times Motherfucking Asshole Son of a Bitch.

Historia Reiss: Good way to describe him.

Mikasa Ackerman: Yeah it sure is!

Me: You guys have all had enough of him to last an eternity. And believe me. So have we.

Garigari: Any chance we can contact the Greek Titans for help?

Rojo: Like Hyperion?

Me: We can have the titans of the M.O.E. help out with this one. That fits.

Pyros: It sure does.

Lythos: We're ready for those titan imposters! (To the Teen Titans) No offense to you all.

Cyborg: None taken.

Starfire: But those titans will pay.

Me: First lets give you all a demonstration of our power and show you all that we can destroy the titans.

Nico: Yeah! It's usual battle time guys! Now who is up for this time.

Then out came Count Spankulot, Killer Croc, Tala, Gramma Stuffum, Lord Drakkon, Common Cold, Mr. Fizz, Zzzax, Red X, New Wave, Harpymon, Oculous, Mr. Freeze, Superfriends Scarecrow, Evil Blizzard Man, Evil Plug Man, Malodor, Pink Ranger Slayer, Virgo Zodiarts, Stink Bug, Saleen, and Shakedown.

Me: Awesome and Lord Drakkon is giving me a birthday battle.

Lord Drakkon: Yep. Awesome.

Count Spankulot: (Transylvanian Accent) Sorry we didn't have a new Sporix Beast this time.

Killer Croc: We had to prepare for J.D.'s birthday.

Nico: That's all right. Besides it's still a fun rescue.

Tala: But we'll try to find one next time.

Me: Yeah.

Gramma Stuffum: (to Nico) We heard you went to Chessman park.

Nico: We sure did.

Common Cold: What was it like?

Nico: Awesome place and loaded with history.

Me: Yep. And Oculous you already have a usual battle.

Oculous: I know. But it's my turn for the ranger battle.

Me: Oh. Okay then.

Oculous: And I killed a few Titans on the way here.

Me: Just remember to slash their heads off or completely obliterate them.

Oculous: Thanks.

Me: No problem.

Nico: All right lets do it!

We got the battles underway.

Fluttershy: She sure did and it was cool.

Tornado Bolt: Yeah it sure was.

Stealth Elf: But we won in the end too.

---

Luster Dawn, Sunset Shimmer, Pipsqueak, Fire Skylanders, Lemmy Koopa, and Wendy Koopa VS Gramma Stuffum - Meeting Gene-Slammers for Raphion the Timelord and Angmarl the Fiendish Monarch

---

Gramma Stuffum was next

Gramma Stuffum: (to Luster Dawn) I heard you guys met Gene-Slammers for Raphion the Timelord and Angmarl the Fiendish Monarch. What are their names?

Luster Dawn: Their names are Rachel Emperyous and Luna Angmarl and they are really cool Guardian Angels for Lincoln.

Sunset Shimmer: They sure are.

Pipsqueak: (British Accent) And their story is really amazing too.

---

Rachel Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Luna Angmarl: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Rachel Emperyous: That's incredible.

Nico: It sure is. So, Rachel, Luna, what are these horrible revelations on Chandler and Billy McLean?

Rachel Emperyous: Allow me to go first. I sensed and found out long ago Chandler tried to poison Lincoln with a deadly virus that has no cure by spiking his food with it and then kill him in a slow and agonizing death. But I was not going to take that lying down, I jumped Chandler and grabbed the vial of the virus and then thrashed Chandler and his cronies into pulp and I vowed that if Chandler ever tried to hurt Lincoln in any way, shape or form, I would throw him into a sawmill and chop him into a million pieces so no one would ever find him, same with his cronies.

They gasped.

Varie: Yeah, I remember that one long ago, but this proves Dark Chandler's a murderous, psychotic, bloodthirsty asshole who hated Lincoln with a passion and wanted to kill him.

Nico: Dark Chandler was a really evil and psychotic monster!

Selene Emperyous: After she told us about it, we were really pissed off at that sleazy, sadistic, evil little sewage bastard and we wanted to rip him to shreds. But, she took care of them, she sent them to prison for one year after that little incident.

Nico: Nice one, and I can guess they were pissed.

Rachel Emperyous: They were, and I also saved this.

Rachel Emperyous took out the vial with the deadly virus Chandler was about to use to poison and kill Lincoln.

Eli: What's that?

Lincoln: That's the vial of the deadly virus Chandler was going to use to poison and kill me. You kept it away from anyone who wanted to use it for evil, that was a smart move.

Varie: Big time.

Luna Angmarl: Yeah, and at least, Chandler's no longer acting like a jerk, now that Dark Chandler is gone for good, now it's my turn. I found out that Billy McLean has committed a lot more crimes and he's a lot worse than you guys have found out.

Luna Angmarl took out a very long list, and in it were 500 additional crimes that Billy McLean had committed, and we went through the long list, and when we were done, we were really horrified at the rap sheet: Billy McLean is a totally sadistic and psychotic traitorous monster from the nine circles of Hell.

Camie: My God!

Nico: What a monster!

Lincoln summoned a piano over Billy McLean's head and it dropped and the piano crashed on his head!

KRASMASH!

He popped out and he had piano keys in his mouth.

Lincoln: That's for all the other crimes you committed, asshole!

Nico: Yeah, that'll teach 'em!

FLASHBACK ENDS

Gramma Stuffum: Mein Gott! That's amazing that Billy did all that. But it was funny how he got that piano dropped on him.

Sunburn: It sure was funny!

Gramma Stuffum: It sure was. Lets do it ja!

GRAMMA STUFFUM! HAMHOCK!

Luster Dawn activated her gaia memories, shift car and ridewatch and they fired waves of fire and smashed her down.

## J.D. Knudson, Princess Cadance, Flurry Heart, Adagio Dazzle, Sonata Dusk, Aria Blaze, Breach and Ace VS Lord Drakkon - Me having an awesome birthday

Lord Drakkon was next.

Lord Drakkon: Are you having an awesome birthday so far?

Me: I'm having a really awesome birthday and this is an awesome and amazing adventure too!

Princess Cadance: He sure is and we're so happy for J.D. too.

Flurry Heart: We sure are mom! It's awesome.

Adagio Dazzle: J.D. is having a really cool time.

Zeke Yeager: How sad… they haven't learned a thing from the mistakes of their past; it's a tragedy that King Reiss took the memories of the world away from them. Because of that, they make the same mistakes over and over again. I'm sure that by the end, they'll be sending every person inside those walls off on a suicide charge, from their elders to their children; they'll go on saying that if they're going to die anyway, they might as well die a proud death. It only proves how unimaginative and set in their ways they are… the little fools.

Me: You're playing mind games huh? Not going to work on me.

Eren: Me neither "BROTHER!"

Zeke Yeager: Oops. I crushed it into dust, heh, what am I doing? What're you getting so worked up for? You're not like your father, remember? You need to find joy in every little thing. Now let's turn those soldiers into proud little chunks of meat.

Veronica Keiron: I should've known there's no mistaking that voice from anywhere. You can come out now, Pandora Marwood.

An inverted Black Cross with an inverted pentagram appeared in the skies, and a tornado of darkness appeared from the ground and demonic screaming echoed in the air, and when it disappeared, what stands in its place is a girl with long black hair, red eyes, black clothes, and an inverted black cross with an inverted pentagram on her right arm, it was Pandora Marwood, a dark witch and one of the eight members of The Order of The Black Cross.

Veronica Keiron: Pandora Marwood, I should've known you'd show up here, you dark witch!

Pandora Marwood: And now, I will have my revenge on you for what you did to us four years ago! You ruined our ritual to prove our loyalty to Satan!

Veronica Keiron: I have no remorse in what we did four years ago, and you're about to suffer the same fate as your master.

Suddenly, Veronica Keiron's red eyes turned neon red and she was surrounded by a black and light purple energy aura with darkness, skulls, dark magic, and nightmare creatures, she unholstered her massive Knightmare Corruptor Iblee-themed greatsword from her back, and as she approached Pandora Marwood, she left black and light purple energy, darkness, dark magic, skulls, and nightmare creatures with every step.

Veronica Keiron: I will never forgive you for what you've done in the past, Pandora Marwood, you and the rest of The Order of The Black Cross have caused far too much trouble to all of Michigan for the final time to prove your loyalty to Satan, and now, I'm going to make sure that you die here and now, and this time, you're never coming back!

Suddenly, Veronica Keiron was surrounded by a massive vortex of black and light purple energy with darkness, skulls, nightmare creatures, and dark magic surrounding it, there's Knightmare Corruptor Iblee flying around the vortex, and in the vortex is a blood red phoenix with blood red eyes glaring at Pandora Marwood: the blood red eyes of death. Then, as the vortex faded, Veronica Keiron emerged, but she was changed forever.

Veronica Keiron has on a sleeveless midnight black midriff top, long midnight black skirt, midnight black pants, midnight black high-heeled boots, and long sleeveless white trenchcoat with darkness, skulls, dark magic, and nightmare creatures on the coattails, and on the back is Knightmare Corruptor Iblee with darkness surrounding it. Suddenly, Veronica Keiron felt a sharp pain on her back, and then, her massive light purple angel wings with black tips on the feathers grew much bigger for her new body. Veronica Keiron has on a Ring of The Phoenix with light purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Veronica Keiron's massive Knightmare Corruptor Iblee-themed large sword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and light purple energy with darkness, skulls, dark magic, and nightmare creatures, and when it emerged, it transformed into Knightmare Corruptor Iblee's Dark Magic Nightmare Necromancy Greatsword of Dark Magic and Darkness Justice, it's a brand-new large greatsword with Knightmare Corruptor Iblee etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black skulls for the crossguard, large light purple gem embedded in the rainguard, longer midnight black handle, four large midnight black skulls and a large light purple gem below the black skulls for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with light purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Knightmare Corruptor Iblee's head with light purple gems for eyes and a light purple gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Spellbook of The Knightmare Realm, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Veronica Keiron has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC DARK KNIGHTMARE CORRUPTOR IBLEE ANGEL OF DIVINE DARK NECROMANTIC OCCULT MAGIC JUSTICE AND DIVINE NECROMANTIC DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Veronica Keiron's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Pandora Marwood saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Pandora Marwood dodged it and she fired a powerful black and light purple energy blast with darkness, skulls, dark magic, and nightmare creatures at Pandora Marwood, and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Veronica Keiron's now the next of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: Dark Magic and Necromancy of Good VS. Satanic Black Magic of Evil.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Veronica Keiron.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Pandora Marwood, and this time, you're never coming back from the dead again!

Veronica Keiron and Lincoln went after Pandora Marwood, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Skulls at Pandora Marwood and they exploded with incredible power as they hit her. Then, they attacked Pandora Marwood with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Pandora Marwood.

Pandora Marwood: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Pandora Marwood let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Pandora Marwood tried to attack again, but Veronica Keiron and Lincoln dodged her claws and Lincoln chopped off her tail as she screamed in agonizing pain, and he trapped Pandora Marwood by forming a magic circle below her feet. Then, Veronica Keiron used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Pandora Marwood, and it stripped the dark Satanic witch of all of her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Veronica Keiron and Lincoln to fire powerful black energy blasts at Pandora Marwood, and they exploded with incredible power as they hit her, and she was killed.

Then, Pandora Marwood's spirit appeared, and as soon as it did, Pandora Marwood and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Pandora Marwood: NO! NO! DAMN YOU, VERONICA KEIRON! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Pandora Marwood was erased by The Black Gates and never to return again. We cheered wildly for what Veronica Keiron and Lincoln did to Pandora Marwood as they holster their massive greatswords on their backs and powered down, and Veronica Keiron's new body, clothes, weapons, jewelry, and massive light purple angel wings are permanent.

Veronica Keiron: That's one dark witch who'll never rise from the dead again. Thank you for helping me destroy Pandora Marwood, Linky.

Lincoln: (Smiles Warmly) You're welcome, Veronica.

Suddenly, Veronica Keiron wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Veronica Keiron's face, they kissed passionately as Veronica Keiron's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Corruptor Iblee flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we cheered wildly. Lincoln and Veronica Keiron came back, as the display and Knightmare Corruptor Iblee vanished.

Nico: Alright, Veronica Keiron and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Pandora Marwood.

Lincoln: And made sure she'd never come back again, and this is sure to piss off Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, and Claudia Umbra even more.

Morgana DeRose: Morana's already seething with even more pure rage and hatred now that Pandora Marwood has been defeated and killed again.

Lincoln: Yep, which means the one we're going to face tomorrow is Claudia Umbra, and you and I are going to destroy her for good, Raven.

Raven Duncan: You said it, Linky.

Selene Emperyous: That Satanic witch is so going to pay for all of her crimes, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Michelle Emperyous, the Michion the Timelord Gene-Slammer and one of the three and one of the strongest Fire Masters, and she's got a really nasty revelation about Scoots tomorrow.

Nico: As if that nasty bitter old goat hadn't sunk any lower, since we've heard many revelations from the other Guardian Angels on how she's tried to kill Lincoln many times.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, and we'll meet another Monarch Gene-Slammer, and my guess is Dawn Ehther, the Ehther the Heavenly Monarch.

Eli: Ooh, now that's an awesome and angelic one.

But it wasn't just Zeke that died, we saw all the Titans dying. They all disintegrated into piles of primordial slop! YUCK!

Zzzax: Now, Zeke's nothing but a forgotten memory.

Me: And the Titans too.

Red X: Unfortunately, so is this world.

Harpymon: But we won't destroy it.

Me: No we won't. Eren, we'll move you all to our world so you can start new lives on our planet Earth anew.

Eren: We would like that.

Nico: You won't regret it.

New Wave: Now, let's have a victory celebration at the continuation of J.D's birthday party!

Fizz: (to Eren) I hope you like it.

Eren: We will. J.D. thank you so much for helping us.

Me: It was our pleasure Eren. You all did nothing to deserve this. It's fitting that we get justice for you and your family.

Nico: Yeah. But great job today everyone! Lets head home.

Rarity: (To the viewers) This was an amazing and most awesome way to celebrate J.D.'s birthday darlings. Hope you all loved it.

Me: I know I did.

Nico: How did you like your birthday J.D.?

Me: You guys made this the most awesome birthday ever! Thank you guys!

Eli: You're welcome bro!

Varie: Happy birthday honey!

We cheered for me.

Fizz: Now, who wants soda?!

Me: I do!

SQUIRT!

Me: HEY! Not on me! In the glass!

We laughed hysterically!

Qin: So funny!

We got everyone in the city onto the ship and searched for more people and then we went back home and got everyone settled in and then enjoyed the rest of the day and went to sleep.

THE END

Walking through the streets of Villisca in Iowa was Nico, The Ripping Friends, Tahu, Yugi, Tea, Jaden, Jesse Anderson, Alexis Rhodes, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Beast Wars Scorponok, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we were there for an awesome rescue as well as to find out more about the mystery of one of the most notorious cases in the history of the country: The Villisca Axe Murders of 1912.

Me: Villisca, Iowa. Dad has never been to this part of Iowa before and it's really scary that this happened 110 years ago.

Nico: It sure is awesome. The Villisca Axe Murders is one of the most notorious Cases in the country.

Eli: It sure is.

Beast Wars Scorponok: What happened here back then?

Me: 8 members of a whole family were found bludgeoned and hacked to death in their own home with an axe in the pre dawn hours of June 10, 1912.

Twilight Sparkle: Oh man! That's horrible!

Laney: Yeah. The case is one of the most notoriously unsolved mysteries of the city.

Camie: Wow.

Tahu: Who would do such a thing?

Eli: No one knows.

Nico: Thanks for coming with me, Tahu.

Tahu: Anytime brother. It's gonna be great to help you out on this rescue.

Qin: It sure will be awesome though.

Nico: Tahu, I'll never forget when we met you and the other Toa

Tahu: Me neither. That was so fun.

Me: It sure was. For all of us.

Camie: What happened back then?

Me: We went to the island of Mata Nui.

I went over what happened during the events of chapter 513 and it was cool.

Camie: WHOA!

Tsuyu: That is so cool and awesome!

Sirius: I'll say!

Nico: Yep. That was so awesome too.

Eli: Wow! That must've been a fun adventure.

Me: It was.

Nico: Your team are the Toa that started it all production wise.

Tahu: That is true brother. We did make a very popular series here on Earth.

Qin: You sure did.

Me: And it evolved from there and it was so awesome.

Eli: Bionicle is so cool.

Wendy Sapphira: It sure is. For over 21 years now.

Qin: Yeah and more and more sets for Bionicle came out.

Xenia: For so many creatures and heroes and villains.

Laney: That's right.

Nico: Yep.

Tahu: It sure is amazing. And more locations of Mata Nui and beyond were discovered as time went on.

Me: That's right. But wow! Yesterday was so much fun and awesome.

Nico: We finally got around to helping Eren Yeager.

Me: Yep we sure did.

Laney: That was so cool!

Varie: It sure was. I just can't believe that he went through all that.

Camie: Yeah. Poor guy.

Nico: He and his friends went through hell of an unprecedented level.

Sakura Valencia: Yeah no kidding and it's awful to see that happen to him.

Lana: Yeah.

Nico: Can you believe we could've gone to that world instead of meeting the Dinozaurs?

Me: I know. But I just wasn't ready for it yet. I wasn't ready because I wasn't strong enough. Don't get me wrong Nico, I am pretty strong enough physically but I wasn't strong enough mentally.

Nico: Oh I know what you mean.

Eli: But you are strong enough now bro.

Me: Yeah I sure am. I just had to know when would sound like the perfect time for it.

Lola: That makes sense.

Nico: Yeah. But it was cool helping Eren and his friends out.

Camie; It sure was.

Me: My birthday yesterday was awesome.

Nico: Yeah it sure was.

Laney: Yep.

Nico: Also, Gus Porter, Tick Tock the Crocodile, Holly the Rainbow

Butterfly, Blade, Nick Fury, Black Panther, Naida Riverheart, Kuwabara, Wasp, and Olga Orromov are more backup core members.

Me: Ooh! Awesome choices man and Luz's friend Gus will love being a backup choice.

Laney: Yeah.

Nico: I'm glad.

Me: Oh speaking of which. Ronnie Anne said she has something she wants to do before todays mission.

Nico: What is it?

Me: She wants to take us to meet Luz's mom.

Eli: Wow we never met her mother before.

Me: No we sure haven't. But after Luz and her friends went on that awesome and harrowing adventure in the demon world, in the Boiling Isles and accomplishing that much it was hard to imagine that they would go through all that against Emperor Belos.

Nico: I know. That kind of adventure must've been an awesome challenge for them the first time.

Eli: Yeah.

Nico: Although, I get the feeling we're going to meet someone related to Luz's adventures.

Me: I do too.

We arrived at the Villisca Axe Murder House.

Nico: There it is.

Qin: Whoa the Villisca Axe Murder house.

Camie: (GULPS) Scary place.

Himiko: I'm not scared of it.

Me: Thank goodness Shaggy and Scooby aren't with us. They would be scared out of their wits.

Lily: No kidding there.

Xenia: Yeah.

Then we heard magic chanting.

Me: Wait hear that?

Nico: I sure do?

Tahu: What is it?

Eli: It's coming from behind the house.

We went over and we saw a girl with black hair and a black dress and she had fingerless gloves on and she was chanting something in a Satanic Incatation and she had pitch black angel wings spread and was in a magic circle.

Nico: What is she doing?

She had a viewing window open and she looked at some members of Emperor Belos's coven in it and she then flared up a darkness aura and fired beams of magic and the members of the coven were hit and they were teleported to a magical prison.

Me: Whoa.

Brittney: She is a true master of dark magic.

She got up and the circle vanished.

Girl: I know you all are there. You can come out now.

We went up to her.

Me: You are a true master of Dark Magic.

Felicia Wittebane: Thank you all. Sorry I am Felicia Wittebane and I know it's a shock but I am the descendant of Phillip Wittebane or Emperor Belos.

We gasped in shock.

Nico: But I take it you're not like him?

Felicia Wittebane: No I am not and will never be like him ever. I should explain. You all know about my ancestor's evil history and the terrible atrocities he did in this world back 375 years ago and in the Demon World right?

We nodded.

Felicia Wittebane: Well when I was a little girl years before Luz came to the Boiling Isles, I stumbled upon Belos's diary and I saw all the horrible crimes he did and more to so many people throughout the lands. I knew that his crimes could not go unpunished. So I trained myself hard and poured my studies into the arts of dark magic. For years I worked hard and I mastered the forces of dark magic and the powers of the spirits of the palismen and the powers they contain including the powers of winged flight, elemental magic, immortality and so much more. I then formed a powerful rebellion against Emperor Belos and together with Luz, Willow, Gus, Amity, Eda, Ronnie Anne, Lillith and Hunter we would bring down Belos for good. But I went to get some supplies for our uprising and then when I got back I saw the Emperors castle a complete and total flaming mess and in ruins and I saw the destroyed mask and body of the Emperor. I knew he was dead. I asked what happened and I was told that the all-powerful Team Loud Phoenix Storm came and helped obliterate Belos and end his reign of terror for good. You guys did me and Luz a massive and incredibly huge favor and rid the world of him forever.

Me: We did what was right. Also we didn't know you were a leader in a rebel group.

Felicia Wittebane: Yeah.

Me: But Luz and her team have been a big help to all of us. Emperor

Belos didn't stand a chance against all of us. We are the most powerful force in the entire universe.

Nico: It's true.

Felicia Wittebane: I know and it's awesome you helped Luz. I love her like a little sister and she is awesome. And She and Amity are perfect for each other as a couple and I'm proud of them both. Thank you for looking out for them.

Me: You're welcome Felicia. They were in really good hands.

Felicia Wittebane: (to Albedo) You must be one of the Masters of Evil.

Albedo: Well, before, I used to be teammates with insufferable people who only cared about the glory.

Felicia Wittebane: I know. And I saw what happened and I did not believe that garbage they were spouting off for a second. It was all lies from the very beginning.

Qin: At least you know they were lying.

Camie: Yeah.

Felicia Wittebane: Yeah. Teak Buktu was all a bunch of liars from the start.

Nico: Good thing I managed to infiltrate their ranks. Even though J.D. was obsessed with how his rant was interrupted.

Me: I know.

Felicia Wittebane: Those rants you do to the evil Sasuke's are really awesome and He does have it coming to him for being an absolute monster.

Me: They are pretty entertaining.

Felicia Wittebane: They sure are. But that was a really awesome plan you did J.D.

Me: It was all my idea. But Nico gladly volunteered to be put into their ranks as a mole and it was awesome.

Felicia Wittebane: It sure was awesome and J.D. you did a great job putting on that performance against Lex Luthor during the Zenkaigers mission. Lex Luthor was wrong about everything and you made the right call not accepting his offer and all that.

Me: Thanks. Glad you think so and like I said, Evil is an Eternal force and it's always a constant battle.

May: (to Girl Jordan) I still don't see how you could be quiet during that whole thing.

Girl Jordan: Um… when did this suddenly become about me all of a sudden?

May: One of the things Luthor promised J.D. would happen if he erased all evil with the Black Gates was that Carnage wouldn't have been able to ruin your life. I figured you would've wanted J.D. to go back in time and use the Black Gates to destroy all Evil.

Girl Jordan: Because I knew that J.D. would never be that cowardly and accept Luthor's offer like that.

Me: Girl Jordan is right. Believe me I wanted to do that but I can't. It would be too easy.

Nico: J.D. has never been one to take the easy way out.

Me: No. And like two sides of the same coin, good and evil are always forever connected. One can't exist without the other.

Nico: You're right on that one.

Qin: Yep.

Felicia Wittebane: And J.D. made the right call too.

Qin: Yeah he sure did.

Me: By the way Felicia how did…

Felicia Wittebane: Luz's friends and me react to Hunter being a clone of Belos? They understood and knew that he was never going to be like him either. Sure he may have served him but at least he abandoned him in the end.

Me: That's good. At least they understood.

Nico: Yeah.

Felicia Wittebane: Yeah.

Zocks: Hunter is nothing like that son of a bitch.

Nico: No he sure isn't.

Felicia Wittebane: It's good he isn't. But I'm glad that Belos got what he deserved. The Demon World and Earth can rest easy now that you guys have helped me and Luz destroy him forever.

Qin: That's for sure.

Then we heard a wolf howl.

Felicia Wittebane: Oh and you guys have Another Alien to face.

Then a figure came out and it was a black version of Blitzwolfer! It was ANOTHER BLITZWOLFER!

Me: Whoa! Another Blitzwolfer!

Qin: Wow! This one is gonna have a bark bigger than its bite. Literally.

Nico: Yep.

Another Blitzwolfer: (In a girls voice) But at least I found you guys.

Me: (Gasp) Sonnya Lupus?

Another Blitzwolfer: Yes. It's good to see you again J.D.

Me: You too.

Nico: You know her?

Me: I sure do. Her name is Sonnya Lupus and she is a shy girl. But she is also a werewolf.

We gasped.

Eli: Oh man.

Albedo turned into Negative Blitzwolfer.

Negative Blitzwolfer: Did Swartz promise you anything?

Another Blitzwolfer: To get rid of the Curse of The Werewolf in me.

Me: Sonnya has had a curse put on her ever since was six. She got bit by a werewolf and every full moon she would become a werewolf and it was a constant nightmare.

Nico: Don't tell me, she would go out and kill people.

Me: Yep. She would come home every full moon covered in blood.

Another Blitzwolfer: Yeah.

Nico: That's bad.

Me: Yeah. But knowing the only way to kill a werewolf is with silver bullets.

Another Blitzwolfer: Yeah. But I did not want that to happen to me. Swartz promised to remove this curse. But I realized that he lied to me.

Me: There's only one way you can have this curse removed Sonnya.

Another Blitzwolfer: What is it?

Me: Reign in the power of the wolf with the strength and power of your will and it can become an amazing power like how it worked for me when I become J.D. the Nocturnal.

Another Blitzwolfer: But I don't know if I can.

Me: Yes you can Sonnya.

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armors!

Qin: Oh yeah!

Me: Time to fight wolf with wolf. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

I fired waves of blue fire from my scythe and blasted her down.

Sougo: (gets out Bioman Ridewatch) Her Another Omnitrix Alien form is probably keeping the curse strong.

Geiz: (gets out Liveman Ridewatch) So, we'll just have to do this the old fashioned way.

Sougo got Red1Armor while Geiz got RedFalconArmor.

Me: The Full Moon isn't even out though and it was in the sky last Sunday.

Eli: Yeah.

Me: But nonetheless we still have to stop her.

I fired more blasts of blue fire and smashed her down.

Nico: (takes out Biowulf's Ridewatch) Time to fight wolf with wolf!

He activated it and got Biowulf's claws and slashed her all over.

Nico: YEAH!

Another Blitzwolfer opened her mouth and fired a powerful sonic blast and we dodgded it.

Qin: Whoa1 That is powerful!

Camie: Her bark is worse than her bite.

Tahu: My turn!

Tahu activated P'andor's Ridewatch and fired waves of energy and smashed her down.

Qin: Take that!

Camie: Can't take the heat?

Lola: Oh she can handle it.

Another Blitzwolfer charged at us.

We jumped out of the way.

I fired more blue fire blasts and smashed her down.

Maria: YEAH! Lets keep it up!

But then a bunch of element blasts appeared and hit Another Blitzwolfer and smashed her down.

Nico: Whoa!

Felicia Wittebane: That's the gene-slammer you know Nico.

Then out came a Fortune Lady Every!

Nico: Wow! Fortune Lady Every!

Fortune Lady Every: (In a girls voice) This is gonna be awesome too.

Nico: Anita Avery!? Wow!

She reverted back and Anita was a girl with rainbow angel wings, Magnificent Spatuletail Hummingbird tail feathers and she had orange and black clothes and had black hair and orange eyes and she had the Nazca Line for the Hummingbird on her right arm.

Anita Avery: I got this for you guys.

She fired waves of the six elements and smashed down Another Blitzwolfer and she was a girl with blue hair and blue clothes aI caught the ridewatch and purified it and I went over to pick her up and Sonnya saw me.

Sonnya Lupus: (Groans) What a headache.

Me: But you're all right now.

Tahu: That she is my brothers.

Anita Avery: But at least she is normal again.

Qin: Yep.

Tahu: What's your favorite memory of Nico?

Anita Avery: I have a lot of them but my favorite is when me and Nico were in school and I saw into the future, a vision of a school attack about to come and then me and Nico stopped it before it happened and we sent the two kids that were about to attack off to prison forever.

Me: Whoa! That was awesome!

Qin: It sure was.

Laney: Yeah!

Lola: Yep.

Nico and Anita hugged.

Nico: I've missed you Anita.

Anita Avery: Me too Nico. Me too.

Nico: How do you feel, Sonnya?

Sonnya Lupus: Horrible.

Me: Well we'll help you Sonnya. But we are here for you.

Sonnya Lupus: Okay.

We went back home.

Back at the estate, Luz and Amity were watching TV and then we came home.

Luz: Hey guys. How was the rescue?

Me: It was fun.

Luz: (GASP) Felicia!?

Felicia Wittebane: Hey Luz.

Felicia and Luz and Amity hugged.

Amity Blight: It's awesome to see you here.

Felicia Wittebane: It's great to see you all here.

Amity Blight: Same here.

Luz: We have so much catching up to do.

We got to talking.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Vakama are heading to Chillingham Castle in Northumbria, England, and not only is Lincoln going to rescue the four girls here, but we're also going to exorcise the castle of the dark spirits that've haunted the castle and help the trapped good spirits rest in peace.

Lincoln: Whoa, we're here in Chillingham Castle in Northumbria, England, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to exorcise the castle of the dark spirits that've haunted the castle and help the trapped good spirits rest in peace.

Me: Nico told me of what you guys did yesterday in exorcising Charleville Castle and ridding it of the dark spirits and helping the trapped good spirits rest in peace, and that's awesome.

Nico: And after we get done with exorcising Chillingham Castle, we're bound into run into another one of those turned into zombified demons by Angela Franklin.

Lincoln: We already took down Sal Romero yesterday, there's no doubt we'll run into another of those who got turned into zombified demons by Angela Franklin long ago, and thanks for joining us, Vakama.

Vakama: You're welcome, Lincoln. So, what's the history with Chillingham Castle?

Lincoln: Many of my Guardian Angels from England have told me about this place, it's a fortress that was built over 800 years ago, but throughout those eight centuries, Chillingham Castle has seen the centuries of torture, war, death, destruction, and bloodshed, and it's earned its name as The Home of The Torturers.

Victorica Meadows: (British Accent) That's right, and they had one of the worst torturers here, his name is John Sage, a mercenary in the English Army, and he was also known as Drag Foot, because during a battle with The Scots, he got a sword wound to his leg which severed his tendons, and that caused him to drag his foot, and he was really cruel and sadistic when he came up with many cruel punishments in the castle dungeons, and this left a dark stain in the dungeons, but it wasn't limited to the dungeons, it also spread to every room in the castle, and many still feel the evil that's taken place here for the last 800 years.

Lucy Loud: Wicked.

Me: That's really scary.

We then arrived at Chillingham Castle, and we felt the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and the dark spirits aren't going to leave Chillingham Castle that easily, so it's time to use the method we used yesterday at Charleville Castle.

Me: This should be good. Too bad I missed witnessing it.

Nico: Well, now you're about to see it, J.D., and it's really awesome.

Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground and it surrounded Chillingham Castle. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He then took out his Flute of Ogma, and he began to play a beautiful melody, and the dark spirits were roaring in anger as they were eventually forced out of Chillingham Castle and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Chillingham Castle has been exorcised for good, and the dark spirits of Chillingham Castle were eventually sent to The Black Gates and the magic circles disappeared.

Me: Wow, that was one awesome exorcism.

Laney: Nico did say you'd love seeing it, J.D., and thanks to the exorcism, Chillingham Castle and its land is now calm now.

Lucy Loud: And the trapped spirits have finally been able to move on, and the dark spirits are now gone for good and sent to The Black

Gates.

Victorica Meadows: (British Accent) It'll be a perfect attraction for tourists now, and they won't be attacked by any of the dark spirits or the heavy presences caused by the dark spirits.

Lincoln: That's right, Victorica, but, we're not done yet, there's still the girls we need to rescue, and there's bound to be another one of Angela's zombified demon minions about to attack right… now!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of moaning in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Jay Jansen who's in his zombified demon form and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by Jay Jansen who's in his zombified demon form and he's going to kill them.

?: (Girl's voice) This means one thing: Angela's planning her return!

?: (Girl's voice) And we need to stop him!

Suddenly, we saw Michion the Timelord and Ehther the Heavenly Monarch appear before us.

Nico: Whoa, that's Michion the Timelord and Ehther the Heavenly Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Michelle Emperyous and Dawn Ehther, but we'll talk later, we've got to stop the zombified demon, Jay Jansen, and help him rest in peace.

We rushed on over, and right before the zombified demon Jay Jansen could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Jay Jansen, and that allows the four girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Jay Jansen, and when the zombified demon servant of Angela Franklin saw us, he moaned in anger.

Lincoln: I should've guessed we'd run into you here, Jay Jansen, but we already dealt with Sal Romero when he was sent to Ireland by Angela Franklin, but we'll be ready for her when the day comes. But, first, we got to free you from Angela's demonic influence.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and

Then, we fired blasts of light which hits the zombified demon Jay Jansen, and it removes Angela's demonic influence and he was restored to normal form, but he was still dead. But, he was finally freed from Angela's demonic influence, and he was able to ascend to Heaven, now freed from the shackles of the demon. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's another haunted location exorcised and another of Angela's minions put to rest for good. (To Michelle Emperyous and Dawn Ehther) And it's good to see you again, Michelle Emperyous and Dawn Ehther.

Michelle Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair put into a braid, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful red angel wings with stars in them, and she was dressed in a sleeveless green midriff top, long red skirt with the Sephiroth Tree of Life on it, red bellbottom pants with designs on the legs, red high-heeled pumps, and long white sleeveless trenchcoat with flames and angels on the coattails and Michion the Timelord on the back and holstered on her back is a large Michion the Timelord-themed greatsword with Michion the Timelord etched on the 7'0" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large red angel wings and a large red gem below the angel wings for the pommel.

And Dawn Ehther reverted back to normal, and she was a beautiful girl with long flowing gold hair, gold eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Light Kanji on her forehead and massive and beautiful gold angel wings and she reigned in the power of Ehther the Heavenly Monarch, and she was dressed in a sleeveless open gold blouse, sleeveless gold tank top, long yellow skirt, yellow pants, yellow legwarmers, yellow heeled sneakers, and long white sleeveless trenchcoat with light and angels on the coattails and Ehther the Heavenly Monarch on the back, and holstered on her back is a large Ehther the Heavenly Monarch-themed greatsword with Ehther the Heavenly Monarch etched on the 7'0" massive, wide, double-edged gold blade, large gold angel wings for the crossguard, large gold gem embedded in the rainguard, longer midnight black handle, four large gold angel wings and a large gold gem below the angel wings for the pommel.

Michelle Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, Sadie, and Rachel.

Dawn Ehther: Same with you, Charlene, Varie, Alina, Raven, and Luna as well, Hilary.

Hilary Thestalos: You too, Dawn.

Selene Emperyous: Same here, Michelle.

Lincoln went up to Michelle Emperyous and Dawn Ehther and he hugged them both and they hugged him back, and Michelle Emperyous and Dawn Ehther were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Emperyous: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Dawn Ehther: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Michelle Emperyous, she's my Guardian Angel from Michigan and the middle child of the Emperyous Sisters. She's the the 3rd member of the Fire Masters of the Emperyous Sisters. She is the strongest of the Fire Masters and has amazing fire powers that are as powerful as 100,000,000,000,000,000 suns, and she is also an amazing chef and she even helped Dad, Clyde, and I make awesome dishes for dinner. She even has the respect of Lori because of her advice on how to do well in golf as she is a great golfer as well.

Nico: Whoa, now that's really awesome, and also, having awesome fire powers that're as powerful as 100,000,000,000,000,000 suns?! Whew, someone's going to get burned if they cross her.

Selene Emperyous: You got that right, and we also enjoyed the dishes that Michelle has cooked, and they were really good.

Lori: You bet, and she helped me greatly in golf, and just like all of us, Michelle hates that rotten old goat Scoots with a vengeance.

We gasped.

Lincoln: I still remembered what Michelle did to her long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Dawn Ehther, she's my Guardian Angel from Michigan and classmate from Science Class, and she has amazing powers of the angels and all the powers of the heavens, and she has the amazing powers of crystals and even has the powers of light too. Plus, she is also one of the strongest out of the Guardian Angels and she also hates Scoots with a vengeance and even knows how we sent her to hell and she vowed that if she came back she is going to get the black gates for sure.

Nico: Whoa, now that's really awesome!

Me: It's like she's a true angel from Heaven.

Lincoln: That's just what I also said, and she also hates Scoots with a vengeance and even knows how we sent her to Hell, and she vowed that if Scoots ever came back, she's going to get The Black Gates for sure.

Nico: Uh oh, so we got two revelations coming up: and they're about that rotten old goat, Scoots.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appear around Michelle Emperyous' neck and Dawn Ehther's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Michelle Emperyous and Dawn Ehther: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're part of harem and my many future wives, Michelle and Dawn.

Michelle Emperyous and Dawn Ehther had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Okiku from Afro Samurai and Banda Lotta, Fam Rapo, and Lin Formossa from Space Runaway Ideon.

Lincoln: Oh wow, it's Okiku from Afro Samurai and Banda Lotta, Fam Rapo, and Lin Formossa from Space Runaway Ideon.

Nicole: Awesome.

Lincoln: Are you girls okay?

Okiku: Yes, we're okay, thanks to you.

Then, when Okiku and the three other girls saw who it was that saved them from the zombie demon Jay Jansen, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Okiku: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Okiku: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Okiku, Banda Lotta, Fam Rapo, and Lin Formossa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Chillingham Castle and banished the dark spirits responsible for the hauntings and helping the good spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Jay Jansen, another one of those who was turned into a zombified demon by Angela Franklin.

But, when Lincoln showed what we did in freeing Jay Jansen from Angela's influence and helping him finally cross over, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Michelle Emperyous, and Dawn Ehther have a lot of catching up to do, now that they're back in town. But, they've also been made aware that Angela Franklin is planning her return on Halloween, but we're going to make this her last Halloween when the day comes.

Maria: So, that's another haunted location exorcised and freed from the dark forces and another of Angela's zombified demon minions freed from her influence and sent back to the Afterlife.

Lincoln: Yep, and that's what we're going to do until Halloween arrives.

Nico: And once Halloween arrives, Angela will make her move, and then, it'll be lights out for her for good.

Me: And if Angela's life force is tethered to Hull House, won't that mean once she's killed, Hull House will also destroyed for good?

Lincoln: That'll be up to us to find out when Halloween comes, and that'll be Angela's final Halloween.

Morgana DeRose: That's right.

---

After we exorcised the dark spirits from Chillingham Castle and freed Jay Jansen from Angela's dark demonic influence, we were training intensely in the gym, this time, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Michelle Emperyous and Dawn Ehther saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Michelle Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Dawn Ehther: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Michelle Emperyous: That's incredible.

Nico: It sure is. So, Michelle, Dawn, what are these two horrible revelations you have on that rotten old goat, Scoots?

Michelle Emperyous: Allow me to go first. I found out long ago Scoots threatened to turn everyone in the entire Loud Family into roadkill and feed their rotten corpses to the buzzards, and then, send their skeletons into Lake Erie. But, I made sure that wouldn't happen and I melted her scooter into nothing and then sent her to a maximum security nuthouse for the next 20 years. I'd vowed that if Scoots ever got out, she would be buried alive in a coffin in a lava pool.

We gasped in shock.

Nico: Why that rotten old goat!

Lincoln: Yeah, Scoots was nothing but trouble and pure evil from the beginning.

Selene Emperyous: After she told us about it, we were really pissed off at that bitter, crazy old goat, and we wanted to rip her to shreds. But, Michelle took care of her by sending her to a maximum security nuthouse for the next 20 years.

Dawn Ehther: That was until she broke out to get revenge, and Varya Pohzar transformed and she and Lincoln defeated her and had her put through the humiliations, and I knew she died because of Lincoln's Gessius Flores Vengeance Curse that sped up the clock on her, and she was ultimately sent to Hell. Now, it's my turn to tell my tale, while Lincoln and I were leaving Gus' Games and Grub, we'd heard a scooter heading our way, and we knew who it was: it was Scoots and she tried to run us over and kill us. But, Lincoln fired a rainbow energy blast and sent Scoots flying back to the nuthouse and he also destroyed her scooter in the process as well.

We gasped.

Nico: Yeesh, that bitter old goat just doesn't know when to quit.

Lincoln: She doesn't, but I agree with Michelle and Dawn, if Scoots ever comes back from Hell, she's going to get The Black Gates for good!

Nico: Same here, ooh, and I hope Michelle does bury Scoots alive in a coffin in a lava pool, that'd be something to really see.

Me: Me too.

We got a shower afterwards, and then, Lincoln and his harem were heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and when Selene Emperyous, her sisters, and the other girls who recently joined Lincoln's harem saw him in his large orange speedo, their faces had an atomic red blush, hearts in their eyes, and their noses were bleeding.

Selene Emperyous: (Thinking) Oh man, Lincoln looks even more of a hunk in that speedo, I guess it's true that time's really changed him a lot.

Selene, her sisters, and the other girls who recently joined Lincoln's harem snapped out of it.

Michelle Emperyous: Wow, so this is Dolphin Shoals, awesome.

Lincoln: Yep, and it's perfect for our date, Michelle. Shall we?

Lincoln and his harem dived in and they also saw the inhabitants there. They also had a swimming race, and they also had a lot of fun, and they went inside back to the shore and they had a game of volleyball and his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Dolphin Shoals.

Selene Emperyous: For our first beach date with him.

We also saw Selene, her sisters, and the girls who recently joined Lincoln's harem still had a deep atomic red blush on their faces when they saw him in his large orange speedo.

Me: You went with your speedo, didn't you?

Lincoln: Yeah, I did.

Nico: And I can guess Selene, her sisters, and the girls who recently joined your harem still had a deep atomic red blush on their faces when they saw your in your large orange speedo.

Lincoln: Big time.

Selene Emperyous: It's hard to imagine how much Lincoln's grown in both height and muscle when we last saw him, and he's grown even more handsome.

Michelle Emperyous: When our remaining sisters see him, they're going to be gushing like crazy!

Zaina, Vorya, Sandra, Sadie, and Rachel Emperyous: Big time.

---

We were walking through the town of Gravesfield, Connecticut and it was beautiful.

Me: Gravesfield, Connecticut.

Felicia Wittebane: It feels good to be back home.

Nico: It sure is an awesome place.

Luz: Yeah it sure is awesome.

We arrived at her house.

Luz: Here we are guys.

Me: Nice place.

DCSHG Harley Quinn: So, this is where Luz's mom lives, huh?

Felicia Wittebane: Yep. She has a nice home too.

Amity Blight: I think it's amazing myself.

Qin: Yep.

We went up to the door and Luz knocked on it and her mom answered and she was glad Luz was back home.

Camila Noceda: (GASP) (Spanish Accent) Luz it's great to see you.

Luz: It sure is mom. And this is my friends.

Me: Hola Mrs. Noceda.

Felicia Wittebane: Hello Mrs. Noceda. Its been a while.

Camila Noceda: Ah Felicia and Team Loud Phoenix Storm! Felicia it's great to see you and it's an honor to meet you all.

Me: You too. We have a lot to tell you.

We went inside and got to talking.

Sunny Starscout: Your daughter's been through a lot.

Camila Noceda: I can see that and she helped you all destroy the evil Emperor Belos?

Nico: That's right.

Me: We should tell you how it happened. Emperor Belos was no laughing matter.

Camila Noceda: Oh my.

Me: His real name was Phillip Wittebane. He was a witch hunter from the 17th Century. He was around for over 375 years.

I told her everything that happened in chapter 1454 and it was a powerful one.

When I was done Camila was shocked and amazed.

Camila Noceda: Ay caramba! That is amazing and we had no idea it was all by one of the missing brothers that was thought to have disappeared all those centuries ago.

Me: Yeah. No one knew that he was alive after all this time. He was beyond pure evil.

Felicia Wittebane: My ancestor was an absolute monster. When I found out about everything he did throughout all these centuries, I vowed to end him for good. I trained in the arts of dark magic and formed a band of rebels to help out in destroying him forever. But Team Loud Phoenix Storm beat me to the punch and destroyed him forever.

Qin: Yeah we sure did.

Camila Noceda: That is amazing!

Amity Blight: But the entire time that Luz was with us in the demon world we became very close.

Leozack: Belos may come back though.

Me: Actually we gave him the Black Gates after we had Nico's rescue in the Demon World to find out what he was planning.

Qin: Yeah.

Leozack: Oh. That makes sense.

Camila Noceda: The Black Gates?

Me: It's the deadliest technique we have in our arsenal.

I told her what it does and how it destroys those that are beyond pure evil and makes sure they cease to exist forever as if they were never born at all to begin with.

Camila Noceda: Oh wow! That is amazing.

Me: It's a powerful technique. But it's only going to be used on people like Belos.

Camie: Yeah.

Gus Porter: But it's good that Belos is gone. Now both our worlds are safe.

Qin: Yeah thank goodness.

G1 Scattershot: But new villains pop up every day.

Nico: That's right. Emperor Belos may be gone but there are still villains always popping up.

Luz Noceda: It's true. But the team needs me to help them.

Ronnie Anne: She's right Mrs. Noceda. Luz and her friends and Amity have all been a massive and amazing help to the entire team and they have helped us all ever since they joined us.

Felicia Wittebane: Yeah. But some of Luz's other enemies are still at large. I've been using my dark magic to hunt down the rest of the members of the Emperors Coven and bring them to justice. I saw all your wanted posters and volunteered to help bring them in. I already caught 7 fugitives.

She showed 7 magic orbs and there were 7 faces in them. She caught Odalia Blight, Warden Wrath, Flora D'splora, The Inspector, Grometheus the Fear Bringer, Abomatons and Terra Snapdragon.

Nico: Whoa!

Amity Blight: You threw my so called mother in jail!? Wow! Good riddance.

Felicia Wittebane: Yeah I used my dark magic to strip her of her powers and then throw her in prison.

Nico: Wow!

Amity Blight: She deserves to be in prison.

Later we went back home.

---

Back home we were getting ready for our next mission.

Stone Man: So, where to this time?

Nico: Actually come to think of it. I don't have any idea.

But then the alarm went off.

Nico: Uh oh.

Computer: Warning! Warning! Nico, sensors are picking up a massive rise of Fusion Energy in New York City.

Nico: Can you identify the source of it?

Computer: Scanning.

The computer scanned for the source.

Computer: Source of Fusion Energy found. Identified as that of the fusion chambers of Dr. Seth Brundle.

We gasped!

Varie: Oh man!

Me: Brundlefly!

Nico: Oh god!

Eli: Yeah!

Camie: The man that made those fusion chambers in the 1986 movie The Fly!? Weird!

Then Count Spankulot, Killer Croc, Tala, Gramma Stuffum, Lord Drakkon, Common Cold, Mr. Fizz, Zzzax, Red X, New Wave, Harpymon, Oculous, Mr. Freeze, Superfriends Scarecrow, Evil Blizzard Man, Evil Plug Man, Malodor, Pink Ranger Slayer, Virgo Zodiarts, Stink Bug, Saleen, and Shakedown appeared.

Gramma Stuffum: (German Accent) Can me, Count Spankulot, Killer Croc, Tala, Common Cold, Mr. Fizz, Zzzax, Red X, New Wave, and Harpymon go with you guys?

Evil Plug Man: Me, Mr. Freeze, Superfriends Scarecrow, Evil Blizzard Man, Malodor, Pink Ranger Slayer, Virgo Zodiarts, Stink Bug, Saleen, and Shakedown will come too

Nico: Yes you all can come with. We're going after Brundlefly.

Killer Croc: That man that accidentally fused himself with a fly!? Freaky!

Camie: Can you tell us what happened to him?

Nico: Okay but it's not gonna be pretty.

Nico told us all about what happened and how he turned into such a freak of nature.

Sethaniel "Seth" Brundle, or better known as Brundlefly, is the titular main antagonist of David Cronenberg's 1986 remake of The Fly.

He was portrayed by Jeff Goldblum, who also played the Grandmaster in Thor: Ragnarok, Calvin "Slick" Stanhope in Silverado, Verminous Skumm in Captain Planet and the Planeteers, Long Eared Jack in Robbie the Red Nose Reindeer, and Niagara / The Wolf King in Hotel Artemis. The character of Brundle was also played by Daniel Okulitch in Howard Shore's 2008 opera The Fly in its premiere at the Théâtre du Châtelet in Paris.

Brundle suffered from motion sickness beginning at a young age; once, during childhood, he vomited on his tricycle. As a result of his condition, he developed an intense dislike of vehicles. By the age of 20, he had become an expert in molecular physics, and was the leader of a project known as "F32", which very nearly earned him a Nobel Prize in Physics. He also earned his doctorate at some undisclosed point.

Years later, he focused his attention on creating a teleportation system, partially so he would no longer have to worry about his motion sickness when traveling. At some point, he became the sole occupant of an abandoned warehouse, the fourth (and top) floor of which he converted into a laboratory and living quarters. A shy and eccentric recluse, he also adopted a habit of Albert Einstein's when he bought five identical sets of clothes so as not to waste mental energy deciding what to wear each day. His experiments were funded by Bartok Science Industries, which was unaware of the nature of Brundle's project and did not interfere since his requirements were relatively inexpensive.

Despite his scientific brilliance, Brundle subcontracted the design and construction of various components out to other scientists, components which Brundle then put together himself (thus keeping the nature of the project secret). Eventually, the first prototype "Telepod" was completed, and when it proved successful, Brundle had two refined models built. All in all, the project took 6 years to complete, but at this point, Brundle could only teleport non-living objects successfully.

One night, while attending a meet-the-press party sponsored by

Bartok, Brundle met Veronica Quaife, a journalist working for Particle magazine. After convincing Veronica that he was working on something that would change the world, he drove with her to his warehouse and demonstrated the Telepods for her. However, Brundle had been under the impression that their meeting was an off-the-record social affair, but Veronica felt otherwise and proceeded to tell her editor and former lover, Stathis Borans, about what she'd seen. Eventually, Brundle was able to convince Veronica that the project was not ready to be revealed to the world, since the Telepods could not yet cope with living matter. The pair then made a deal; Brundle would allow Veronica an insider's access to his work on the Telepods (with her end goal being a book documenting the project) in exchange for her keeping the project's existence quiet.

Veronica then set about documenting Brundle's quest to perfect the Telepods, including a disastrous experiment in which a live baboon was turned inside-out during the reintegration process. Brundle and Veronica soon became lovers, and during their first sexual encounter, he accidentally rolled onto a small circuit board, which created several small scratches on his back. Brundle's sexual awakening also provided him with a key moment of inspiration when an off-hand comment of Veronica's led him to realize that the Telepods were reinterpreting living flesh instead of reproducing it. As a result of this epiphany, Brundle reprogrammed the Telepod computer to be creative when reintegrating organic material. Soon after, a teleportation experiment with another baboon proved successful.

However, as Brundle and Veronica were about to celebrate this scientific triumph, Veronica became aware of the fact that the possessive and jealous Borans was threatening to reveal the Telepods' existence to the world prematurely. Keeping Brundle unaware of this so as to avoid hurting his feelings, Veronica abruptly left to confront Borans. Incorrectly suspecting that Veronica was still seeing Borans romantically, a drunken and jealous Brundle decided to teleport himself so as to deprive Veronica of the opportunity to see a historic moment in science. However, a common housefly slipped into the sending Telepod unnoticed by the preoccupied scientist. After his successful teleportation, Brundle went to bed, and was awoken some hours later by Veronica. He told her about his rash teleportation and the reasons behind it, and the two then reconciled and made love.

The next morning, Brundle awoke feeling strangely energized. He was surprised at his reflexes as he plucked a fly out of mid-air, and then performed a series of highly complex gymnastic exercises for Veronica. Unable to account for his new strength and agility, Brundle theorized that the teleportation process had somehow improved and purified his body. By this point, he and Veronica had begun to affect each other; he began wearing new clothes that she had bought for him, and she began wearing a necklace with a heart-shaped charm that he bought for her (despite her previous assertion that she never wore jewelry). However, Brundle's newfound energy, which now included incredible sexual stamina, quickly turned to all-out mania.

Brundle and Veronica then head to a restaurant. There, Brundle tells Veronica that he had asked the computer to improve him, yet the computer didn't understand what he was talking about, which made Brundle think real carefully. While talking quite fast, Brundle tells Veronica that he thinks the reason why he has strength and agility, is because of the process of his cells being taken apart atom-by-atom and being put back together has purified Brundle and made him realize the personal potential he's been neglecting all these years goal by goal. Due to Brundle consistently pouring sugar on his coffee while explaining his thoughts, Veronica questions Brundle if he "likes coffee with sugar". Brundle responds in confusion, and continues his subject without an answer. Brundle then says that the process has given himself the chance to be who he really is, and that it might also improve people as well.

He became arrogant and aggressive, and when Veronica discovered several coarse hairs growing out of the scratches on his back during a long lovemaking session, Brundle dismissed her concerns. Instead, he was obsessively focused on his new feeling of euphoria, and attempted to force Veronica to undergo teleportation, claiming that the process was like "a perfectly pure and benign drug." Shocked by his behavior, Veronica refused, and Brundle, seething with energy, abandoned her and stormed off into the night, determined to find someone who could "keep up" with him sexually.

Eventually, Brundle entered a local bar, where he volunteered to arm-wrestle a burly man, Marky, with the prize being the sexual favors of a young woman named Tawny. He then used his newfound super-strength to give Marky's arm a compound fracture, and spent the rest of the night bar-hopping with Tawny. The next morning, Brundle took Tawny to his warehouse, where he teleported himself once again during a lull in their sexual escapades. Soon after, Brundle, now feeling less energetic than before, tried to force Tawny to undergo teleportation. However, Veronica arrived in time to prevent this, and Tawny subsequently left the warehouse. Veronica then tried to warn Brundle that something went wrong during his first teleportation, and explained that scientific testing of the coarse hairs she had previously trimmed from his back revealed that they were not human.

Refusing to listen to her, Brundle threw Veronica out of his warehouse and told her never to return. However, after her departure, he went into his bathroom to examine himself, and was horrified to discover that lesions were appearing on his face, and that his fingernails were beginning to fall off. Humbled by this discovery, Brundle checked his computer's records and learned that the Telepod computer, confused by the presence of two separate life-forms in the sending pod, merged him with the fly at the genetic level.

After a month-long period of self-imposed isolation, Brundle finally mustered up the courage to call Veronica and reconcile with her. His body had been progressively degenerating during this period, with each day bringing new horrors and the loss of various body parts. Eventually, Brundle came to realize that his genetic fusion with the fly was slowly transforming him into a deformed hybrid creature, which he subsequently dubbed "Brundlefly". He soon began to exhibit fly-like characteristics, such as his need to vomit corrosive enzymes (which Brundle named "vomit-drop") on his food in order to pre-digest it. Brundle also developed a craving for sugary foods, and his lab quickly became a cluttered mess, full of half-eaten donuts, cakes, and other junk-food items. Overwhelmed by the horror of it all, Brundle began using gallows humor and took a perverse pleasure in certain aspects of his metamorphosis, such as his new ability to cling to walls.

He was also morbidly fascinated with his transformation from a scientific perspective, and even videotaped a demonstration of his new fly-like eating technique "for posterity", as well as keeping his sloughed-off human body parts in his medicine cabinet, which he dubbed the "Brundle Museum of Natural History". Regardless, Brundle still desperately searched for a cure to his condition, even as he continued to disintegrate mentally, emotionally, and physically. A scene deleted from *The Fly*, which would have fit in at this point, featured an experimental test of Brundle's "cure", in which the desperate scientist used the Telepods to fuse the surviving baboon and a cat together into one entity. However, the resulting "monkey-cat" creature was horribly deformed and in terrible agony, and Brundle put it out of its misery by beating it to death with a metal pipe. A small fly-like leg then burst out of Brundle's left side, and, unable to cope with this new appendage, he amputated it with his teeth.

As his diseased transformation progressed, Brundle installed a fusion program in the Telepod computer, and the computer suggested to him that the most logical way to make himself more human was to fuse genetically with one or more pure human beings. Veronica then came to visit him once again, but he explained to her that he was losing his human compassion and told her to leave him forever before he could hurt her. While on the roof of the warehouse to watch her depart-with her confidant, Borans-Brundle overheard Veronica say that she was pregnant with Brundle's child, and wanted an abortion.

He then proceeded to smash into the clinic Veronica and Borans had gone to, and abducted her before she could abort the fetus. On a nearby rooftop, Brundle begged Veronica to carry the child to term, since it could very well have been conceived before his fateful teleportation and thus might have been "all that's left of the real me." Veronica replied that she was too afraid to have the baby, and a distraught Brundle took her back to his warehouse.

Seeing that Borans, armed with a shotgun, had broken into the laboratory, Brundle leapt through the warehouse's open skylight and pounced on him. The crazed mutant dissolved Borans' left hand and right foot with his corrosive "vomit-drop", and only Veronica's pleading prevented him from killing Borans. Brundle then revealed his desperate plan to Veronica: he intended to use Telepods 1 and 2 (as well as the old prototype, which would serve as a receiving pod) to fuse with Veronica and their unborn child. He believed that this would make them the "ultimate family", an entity "more human than I am alone."

Veronica resisted, and in the ensuing struggle, she accidentally ripped off his jaw, prompting his final transformation. Brundle's body shed its outer layer of decaying flesh, revealing the monstrous combination of man and insect that had been growing underneath it. The now-mute "Brundlefly" then threw Veronica into Telepod 1 and stepped inside Telepod 2. However, the wounded Borans managed to stay conscious and used his shotgun to sever the power cables connected to Telepod 1, allowing Veronica to escape unharmed. Seeing this, Brundlefly attempted to break out of Telepod 2 just as the fusion sequence occurred, and was molecularly intertwined with chunks of metal and other components. As the mortally wounded Brundlefly-Telepod fusion creature crawled out of the prototype Telepod, he begged Veronica to end his suffering with Borans' shotgun by placing the barrel against his own head. A devastated Veronica hesitated for a moment, and then pulled the trigger, mercifully blasting Brundlefly's head off.

Several months later, Veronica died giving birth to Brundle's son, Martin. Martin was persuaded to continue his late father's work on the Telepods when he was shown videotape footage of his father being interviewed by Veronica about his work. Despite eventually transforming into an insect-like creature himself (one which proved to be far more deadly than its father), Martin eventually found a cure for his condition, and was successful in getting the Telepods to work again, thus redeeming his late father's legacy.

## Powers and Abilities

Prior to his first teleportation, Seth Brundle was a normal human being who possessed a genius-level knowledge of molecular physics, but suffered from chronic motion sickness. He was also a talented piano player, and was fond of the works of composers such as Beethoven and Bach. After his teleportation and subsequent genetic fusion with a common housefly, Brundle became extremely energized, and possessed incredible strength, agility, and sexual potency, as well as little need for sleep.

Even after he began to deteriorate, he retained his superhuman strength, as well as developing other abilities, which allowed him to scale sheer walls (as a result of sticky, cushion-like pads on his hands and feet) and vomit highly corrosive enzymes onto his food (or foes). Despite this, the "Brundlefly" creature that resulted from Brundle's teleportation accident was a deformed, sickly, asymmetrical monster.

---

When he was done we were shocked and horrified and REALLY grossed out!

Nico: I know. But it was awful he went through all that too.

Eli: So we have to destroy his fusion chambers and him.

Nico: Yep.

Kevin Levin: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping uhh. Actually not really sure.

Ben 10,000: I got one you might like.

He turned into a black Pterodactyl-Like Alien! It was called TERRORSAUR!

Ben 10,000: TERRORSAUR!

Nico: Whoa! Never saw this one.

Shanan: Wow! This is a new one. A Terrordactylus.

Qin: What's a Terrordactylus?

Shanan: They are a race of Pterodactyl Aliens from the planet Oblongatatus and they have the power to cause terrifying hallucinations by their eyes which cause people to go nuts.

Terrorsaur: That's right.

He reverted back.

NIco: Good idea.

Qin: But that is amazing!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Claudia Umbra of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, and Pandora Marwood. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Claudia Umbra on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, and Pandora Marwood.

Lynn: And they're even madder than ever, now they're really going insane.

Me: Just as Lincoln and the Knightmare Coven of Justice predicted.

Nicholette Torrington: With the members of The Order of The Black Cross falling one by one, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, Nimue Badriyah, and Claudia Umbra are getting really pissed off big time, and they're already falling into rage and anger. But, that witch Claudia's going to pay for what she's done, especially when you and Lincoln teach her a lesson, Raven.

Raven Duncan: Yeah, I still owe her for what she tried to do in trying to cause the deaths of my parents by using black magic, and I can never forgive her for what she tried to do.

Clara St. Clarice: And what you said was true, Nico, those Satanic dark witches have tried to kill the Knightmare Coven's parents long ago with the use of black magic, only to fail when Morgana traced their black magic to them and they gave them a severe beatdown for their attempted murders, so it wasn't just Mara Ceirin whose had a grudge against those heartless dark Satanic goth bitches.

Nico: Yeesh, well, no one's going to say anything nice about them. Alright, gang, let's go, we need to stop Seth Brundle from playing with fire.

Lincoln: And stop his experiments before something really bad happens to him and those around him, and once we stop Seth Brundle from playing with fire, you're next, Claudia Umbra.

Superfriends Scarecrow: Let's invite Chameleon too.

Killer Croc: Chameleons do eat flies after all.

Me: I don't think even Toad or anyone that eats flies would want to eat Brundlefly.

Nico: He's right on that.

Qin: Yeah.

Me: Rachnera you wouldn't eat Brundlefly would you?

Rachnera: Just because I'm a spider doesn't mean that I would eat a mutant like that.

Papillon: Will, you and Eiji get a chance to shine today.

Will: Looking forward to it!

Eiji: Yeah!

Nico: Lets head out to New York!

Eli: Brundle is really playing with fire and we have to stop him!

Xenia: Yeah!

With that we were off.

* * *

We were flying to New York City.

Pink Ranger Slayer: We should be safe from the radiation.

Mr. Fizz: Everyone else? Not so much.

Nico: Actually it's not radiation. It uses an amazing amount of electricity. But we still need to stop Brundlefly.

Xenia: Yeah no kidding.

Tsuyu: I would never eat him! I may have the Toad Quirk but I don't eat flies!

Xenia: Yuck!

Lana: I would eat him!

Me: EW! Lana!

Donna Diego: Okay, so maybe we can't eat his body. But what about his heart?

Nico: If I ate a flys heart I would throw up everywhere.

Me: Well don't throw up on me!

Xenia: Yeah!

Me: Timon, Pumbaa would you eat someone like Brundlefly?

Timon: Hey we may like eating bugs but eating people that were turned into our bugs is not in our diet!

Pumbaa: Yeah we're not like that!

Timon: We'd have to be a couple of stupid mooks in order to be that crazy.

Red X: So, eating him's out of the question.

Stink Bug: Let's just stick to killing him.

Me: That's what we are going to do.

Nico: Yep.

We arrived at the building that was home to the fusion chambers like in the movie.

Qin: Here it is.

Nico: The energy signal is strongest here. That means we're close.

Qin: Yep.

Meta Knight: Is there any way to shut it down?

Nico: We could cut the power.

Meta Knight: Lets do it.

We went to the power generators in the building.

Nico: There it is.

Nico opened the fuse box and found the fuse for Brundle's lab.

Nico: There you are.

Nico flicked the switch and the Fusion Chambers shut down.

Nico: Got it.

Meta Knight: That was too easy.

Nico: Good that will slow him down. Now we can fight him and wait for the usual battles to begin.

Harpymon: Let me fly and see where he is.

Shakedown: Be careful.

Harpymon flew and then he found a light coming from a window on the 3rd floor.

Harpymon came back.

Harpymon: They came back on1

Nico: Slag! They must have a backup generator! Lets go!

We went to the lab and we found it and tried to open the door but it was locked.

Nico: Locked.

Woman: HELP ME!

Nico: Someone's in there!

Fire Man burned the door down.

Fire Man: After you.

Nico: Thanks. Entrance time!

We went in. Seth Brundle was pulling a woman and then the spirits of flies came in and they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted above him and a phoenix cry was heard and we came out.

Me: Seth Brundle!

We saw that he was deformed and his skin was weird.

Me: What the fuck have you done to yourself!?

Seth Brundle: I'm going to become something more.

New Wave: The Hell you will!

Saleen: Let her go!

Seth Brundle: Never!

Me: Somebody get me a can of bug spray!

Then the woman grabbed his mouth and then ripped it off and then his skin fell off and he turned into BRUNDLEFLY!

Me: WHAT THE FUCKING HELL!?

Nico: OH MY GOD!

Eli: HE IS AN ABSOLUTE FREAK!

Me: I HATE FLIES!

I kicked him and smashed him down and the woman ran.

Veronica Quaife: You have to help Stathis!

We looked at Stathis and he had his arm and leg melted off!

Nico: Ratchet get him to the infirmary pronto!

Ratchet: Right!

He did so.

Nico: You are an absolute freak Brundle!

Overbite: Have a taste of bug spray!

I sprayed him and he screamed and roared in pain!

Me: You like that bug boy!

Qin: YEAH!

Nico: Yeah!

Eli: Take this!

Eli fired waves of Force Lightning and electrocuted him!

Virgo Zodiarts: Like that?!

Zzzax: Let me add my own electricity!

He fired waves of lightning and electrocuted him all over.

Qin: Yeah!

Willow Park: Have Venus Fly Traps eat you!

She used her powers and formed ferocious Venus Fly Trap plants and they gnawed on his legs and arms.

Nico: Nice one!

Nivenna: Power Pulse!

She fired waves of numerous energy fists and smashed and pulverized Brundlefly all over the place!

Qin: Yeah!

Qin fired waves of fire and burned him.

Laney: Take that!

Amity Blight fired waves of light and burned him.

Luz fired blasts of energy and burned him all over.

Felicia Wittebane: Taste dark magic!

She fired waves of darkness and blasted Brundlefly all over.

Common Cold: Time to make you sick!

Malodor: And to make you stink!

Aligned Bumblebee: Everyone, plug your noses!

I pulled out some noseplugs and we put them on.

Stinkbug and Malodor: FIRE IN THE HOLE!

They released a massive and powerful fart explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

FART! LIGHTHOUSE FOGHORN!

Brundlefly was gagging and screaming in pain from the stench!

Ed: Mmm! Something smells good!

Lobo: That's gotta smell!

Nico: No kidding!

Qin: Gotta sting too! And flies usually love stinky stuff!

Laney: Yeah!

Tala: Really now?

Evil Blizzard Man: Maybe it's time for him to chill out then!

He fired waves of ice and froze him in a block of ice.

Qin: YEAH!

Me: He is a FLYSICLE!

We laughed!

Slippy Toad: Hey that was good! And I'm not eating him either.

Roy Koopa: We already agreed not to eat him.

Slippy Toad: I know.

Me: Besides it will hold him for a while.

Qin: Yep.

Camie: He sure is disgusting.

Count Spankulot: (Transylvanian Accent) You have been very bad doing illegal experiments!

Mr. Freeze: Now, you will feel the icy cold touch of death.

He fired waves of ice and I fired waves of blue fire and we froze him more.

Me: YEAH! Count I don't think it would be fun to spank a fly.

Qin: Yeah.

Count Spankulot: You're right.

Me:: Unless you count those stupid jerk flies that tried to hit on Francis.

Nico: You can spank them.

Then Number 7, Loki, Ghost, Evil Green Ranger, Grodd, Molten Man, Biowulf, Bizarro, Toad, Felix Faust, Evil Comet Woman, Ed Bighead, Lady Quark, Astronema, Sir Toasty, Teen Tornado, Black Scorpion, Yost X 23, Ticklepuss, and Sara Siren appeared.

Nico: Number 7, Loki, Ghost, Evil Green Ranger, Grodd, Molten Man, Biowulf, Bizarro, Toad, Felix Faust, Evil Comet Woman, Ed Bighead, Lady Quark, Astronema, Sir Toasty, Teen Tornado, Black Scorpion, Yost X 23, Ticklepuss, and Sara Siren.

Number 7: Apologies for once again not sending out a Sporix Beast.

Loki: We've just been busy. That's all.

Ghost: But we promise to send one out next time.

Me: No worries. But yeah.

Evil Green Ranger: (to Nico) We heard you went to Villisica.

Nico; We sure did.

Grodd: How was it?

Nico: Really awesome and cool.

Me: Scary and cool too.

?: That is cool.

A figure came out and it was WICKED DRAGON DEMBEY from episode 37 of Boukenger!

---

Dembey was created to infiltrate MOE-TV to obtain the Ring of Prosperity by posing as the station's mascot "Dembey", when Sakura foils its plans, reveals his true, violent identity and along with some Jaryuus, enlarges itself and attacks with his fire breath and sword but was killed by Voyager DaiBouken's Riding Adventure Drive. The way to difference him from the real Dembey is that the evil one isn't wearing shoes.

---

Me: What the?! Either the truck carrying Barney the Dinosaur broke down and dropped you off here or you are the next monster?

Dembey: Oh I am the next monster.

Eli: Dembey! I remember you! You were sent to infiltrate MOE-TV and get the Ring of Prosperity by posing as the station's mascot Dembey!

Dembey: That is right Eli!

Nico: Oh! Wow!

Dembey: Too bad I wasn't adapted in America.

Maria: I know! Your cartoonish look could've appealed to younger audiences.

Nico: It sure would.

Dembey: Thanks. I thought it was cute.

Qin: It sure is.

We got the battles underway.

Ed/Edzilla, Applejack, Apple Bloom, Earth Skylanders, Stone Man and Guts Man VS Number 7 - Nico's Rescue in Iowa and meeting Felicia Wittebane

---

Number 7 was first.

Number 7: (to Ed) Nico's rescue was in Iowa. And he met Felicia Wittebane.

Ed: It sure was and they were in the Villisca Axe Murder Town.

Applejack: Yeah it was a scary place to see.

Apple Bloom: Felicia is really awesome too. She is also the descendant of Emperor Belos. But thankfully she is not like him.

Flashwing: In fact she is the exact polar opposite of him and wanted nothing more than to destroy him.

Number 7: Incredible! That is amazing that she is a polar opposite of him. Lets do it!

NUMBER 7! DESTRA MAJJO!

Ed activated his Gaia Memories, Shift Car and Ridewatch and they fired waves of fire, earth, rock, crystal and apples and smashed her down.

M.J.: Their names are Michelle Emperyous and Dawn Ehther and they are really awesome guardian angels.

Starlight Glimmer: They also hate Scoots with a vengeance.

Cozy Glow: It's a great story.

---

Michelle Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Dawn Ehther: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Michelle Emperyous: That's incredible.

Nico: It sure is. So, Michelle, Dawn, what are these two horrible revelations you have on that rotten old goat, Scoots?

Michelle Emperyous: Allow me to go first. I found out long ago Scoots threatened to turn everyone in the entire Loud Family into roadkill and feed their rotten corpses to the buzzards, and then, send their skeletons into Lake Erie. But, I made sure that wouldn't happen and I melted her scooter into nothing and then sent her to a maximum security nuthouse for the next 20 years. I'd vowed that if Scoots ever got out, she would be buried alive in a coffin in a lava pool.

We gasped in shock.

Nico: Why that rotten old goat!

Lincoln: Yeah, Scoots was nothing but trouble and pure evil from the beginning.

Selene Emperyous: After she told us about it, we were really pissed off at that bitter, crazy old goat, and we wanted to rip her to shreds. But, Michelle took care of her by sending her to a maximum security nuthouse for the next 20 years.

Dawn Ehther: That was until she broke out to get revenge, and Varya Pohzar transformed and she and Lincoln defeated her and had her put through the humiliations, and I knew she died because of Lincoln's Gessius Flores Vengeance Curse that sped up the clock on her, and she was ultimately sent to Hell. Now, it's my turn to tell my tale, while Lincoln and I were leaving Gus' Games and Grub, we'd heard a scooter heading our way, and we knew who it was: it was Scoots and she tried to run us over and kill us. But, Lincoln fired a rainbow energy blast and sent Scoots flying back to the nuthouse and he also destroyed her scooter in the process as well.

We gasped.

Nico: Yeesh, that bitter old goat just doesn't know when to quit.

Lincoln: She doesn't, but I agree with Michelle and Dawn, if Scoots ever comes back from Hell, she's going to get The Black Gates for good!

Nico: Same here, ooh, and I hope Michelle does bury Scoots alive in a coffin in a lava pool, that'd be something to really see.

Me: Me too.

Raven Duncan has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC CRIMSON RED FIRE KNIGHTMARE PHOENIX ANGEL OF DIVINE DARK OCCULT MAGIC JUSTICE AND DIVINE CRIMSON RED FIRE DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Raven Duncan's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Claudia Umbra saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Raven Duncan dodged it and she fired a powerful black and crimson red energy blast with darkness, crimson red fire, dark magic, and phoenixes at Claudia Umbra and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Raven Duncan's now the next of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: The Crimson Red Fiery Dark Magic Phoenix of Justice VS. Satanic Black Magic of Evil.

Lincoln: This is going to piss Morana and the remaining members of The Order of The Black Cross off even more, and Raven, you look beautiful, how do you feel?

Raven Duncan: (Divine Echoing Cosmic Voice of The Crimson Red Fire Dark Knightmare Phoenix and Divine Dark Magic Crimson Red Fire Occult Justice) I feel incredible, Linky, now shall we deal with that Satanic witch, Claudia Umbra, once and for all?

Lincoln: (Smiles) With pleasure, Raven.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Raven Duncan.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Claudia Umbra, and this time, you're never coming back from the dead again!

Raven Duncan and Lincoln went after Claudia Umbra, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and crimson red energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, and Angels at Claudia Umbra and they exploded with incredible power as they hit her. Then, they attacked Claudia Umbra with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Claudia Umbra.

Claudia Umbra: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Claudia Umbra let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Claudia Umbra tried to attack again, but Raven Duncan and Lincoln dodged her claws and Lincoln chopped off her tail as she screamed in agonizing pain, and he trapped Claudia Umbra by forming a magic circle below her feet. Then, Raven Duncan used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Claudia Umbra, and it stripped the dark Satanic witch of all of her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Raven Duncan and Lincoln to fire powerful black energy blasts at Claudia Umbra, and they exploded with incredible power as they hit her, and she was killed.

Then, Claudia Umbra's spirit appeared, and as soon as it did, Raven Duncan and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Claudia Umbra: NO! NO! DAMN YOU, RAVEN DUNCAN! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Claudia Umbra was erased by The Black Gates and never to return again. We cheered wildly for what Raven Duncan and Lincoln did to Pandora Marwood as they holster their massive greatswords on their backs and powered down, and Raven Duncan's new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Raven Duncan: That's one dark witch who'll never rise from the dead again. Thank you for helping me destroy Claudia Umbra, Linky.

Lincoln: (Smiles Warmly) You're welcome, Raven.

Suddenly, Raven Duncan wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Raven Duncan's face, they kissed passionately as Raven Duncan's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Phoenix flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we cheered wildly. Lincoln and Raven Duncan came back, as the display and Knightmare Phoenix vanished.

Nico: Alright, Raven Duncan and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Claudia Umbra.

Lincoln: And made sure she'd never come back again, and this is sure to piss off Morana Desdemona, Astrid Bathsheba, Lilith Draconia, and Nimue Badriyah even more.

Morgana DeRose: Morana's already seething with even more pure rage and hatred now that Claudia Umbra has been defeated and killed again.

Lincoln: Yep, which means the one we're going to face tomorrow is Nimue Badriyah, and you and I are going to destroy her for good, Victoria.

Victoria Donovan: You said it, Linky, and then, Autumn Melaina will deal with Lilith Draconia, Adara Dunstan will deal with Astrid Bathsheba, and finally, Morgana DeRose will deal with Morana Desdemona.

Selene Emperyous: Those remaining Satanic witches are so going to pay for all of their crimes, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Melanie Emperyous, the Metaion the Timelord Gene-Slammer and the second of the three

Fire Masters and a master of Fire Magic, and she's got a really nasty revelation about Hawk and Hank tomorrow.

Nico: As if those ugly buttface thugs from Hazeltucky couldn't sunk any lower than they already have, since we've heard so many revelations from the other Guardian Angels on how they caused so much trouble to Lincoln and his friends and family many times.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, and we'll meet another Monarch Gene-Slammer, and my guess is Darcy Erebus, the Erebus the Underworld Monarch.

Eli: Ooh, now that's a really scary one.

But Brundlefly wasn't done yet. Veronica Quaife picked up a 12 gauge shotgun and Brundlefly was in pain and he had the gun barrel up to his head. He wanted her to blow his head off!

Veronica Quaife: No! No no I can't!

Me: Veronica it's what he wants!

Nicole: Yeah look at him!

Nico: He can't go on like this! Look at him!

Me: I'm sorry! But do it for him.

She then agreed and then pulled the trigger and then…

BANG!

SQUELCH!

SHE BLEW HIS ENTIRE HEAD OFF!

EEEEEEEEEEEWWWWW!

She broke down crying in despair and I comforted her as she cried and wailed into my chest.

Molten Man: This was the only way to help him.

Biowulf: And the humane option.

Nico: Put him out of his misery.

Bizarro: It was not a slow and painful death.

Toad: You know what? He doesn't get the Black Gates.

Nico: No he doesn't. He was a good man.

Felix Faust: Instead, we're giving him a proper burial.

Qin: He should be buried as a human being and not as a freak.

Me: Yeah.

Laney: But this research is dangerous to be given to people.

Nico: Good idea Laney. We'll keep the fusion pods and chamber in our lab and use them for our research on inanimate objects like fruit and vegetables.

Qin: That works.

Laney: Good idea.

We picked up the stuff and papers and data and even incinerated Brundlefly into ashes and destroyed him.

Twilight Sparkle: (To the viewers) This was a bizarre adventure. But at least Seth Brundle will be remembered as a good man and not a fly mutant.

Nico: That's for sure. Good job guys.

We went back to the estate and enjoyed the rest of the day and went to sleep.

THE END

Part 1 of the Saga of Horror Done.

The Fly from 1986 was a scary as hell movie and it was really wicked too. The moral of that one is to NEVER MESS AROUND WITH THE LAWS OF MOTHER NATURE. But also I HATE FLIES! They are such an absolute nuisance.

For tomorrow, the match-up scene is Autumn Melaina, Gene-Slammer of Knightmare Gryphon and Lincoln VS. Nimue Badriyah of The Order of The Black Cross. She has the amazing power to summon the undead and have damned souls do her bidding. She also has the powers of darkness and the powers of the fires of Hell. She absolutely loathes and despises Stern Fern with an absolute vengeance and hates her with a massively burning passion. She wants nothing more than to send her off to Hell personally. The reason? Stern Fern murdered her entire family and she vowed to get revenge on her and make her suffer for her crimes before killing her. Get ready as we head to the town of Midwich and we're going to battle the children of the iconic and scary horror movie VILLAGE OF THE DAMNED! We're going to make sure those children all pay for their crimes and make sure they never terrorize the lands again. Their glares will never affect us.

See you all tomorrow.

# PSYCHIC EVILS OF MIDWICH

## INTO THE EYES OF EVIL FROM SPACE

---

In the early morning hours at 3:45 AM, Lincoln had a dream, and he saw two figure who was hiding out and living in the streets of Paris, France. But, they were no ordinary two figure, their were Cloudy Skies and Sugar Rush, twin daughters of Lincoln's future wives, Pinkie Pie. Lincoln woke up from the dream, but he wasn't the only one, Nyx Midnight, Starburst, Pinkie Pie, Cotton Candy, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: We sure did, bro.

Pinkie Pie: And not only that, it also means that we found out where my twin daughters are at.

Cotton Candy: And the question is, Where?

Me: they're at Paris, France.

Nico: Oh no, that's not good. Out on the streets in Paris, France, even though it's a nice place, but it is not for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Nyx Midnight, Starburst, Pinkie Pie, Cotton Candy, Me, and Nico were heading to Paris, France. Then, Lincoln saw a 10-year-old girl who has light navy blue skin, light gray and navy blue puffy hair with pink headband, and yellow eyes staring out through black glasses. She wore a gray and white scarf, blue jacket with a white t-shirt with a picture of a clouds underneath, gray pants, and black flats. And a 10-year-old girl who has light pink skin, pink and dark pink puffy hair with blue headband, and blue eyes. She wore a white shirt with a picture of four candies, pink denim short skirt, white socks, and pink sneakers. Lincoln saw who they are, it was Cloudy Skies and Sugar Rush.

Lincoln: Excuse me, are you Cloudy Skies and Sugar Rush?

Cloudy Skies: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Pinkie Pie came out, and when Cloudy Skies and Sugar Rush saw her, they was stunned.

Sugar Rush: Mom, is that you?

Pinkie Pie: Yes, sweetie pie, it's me.

Cloudy Skies and Sugar Rush ran up to Pinkie Pie, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, Cotton Candy, Starburst, Nyx Midnight.

Lincoln: And there's something you should know, Pinkie Pie, your mother is one of my many future wives.

Cloudy Skies and Sugar Rush: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Cloudy Skies and Sugar Rush with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Cloudy Skies and Sugar Rush to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Pinkie Pie with her youngest daughters, and Cloudy Skies and Sugar Rush now has a loving, strong, brave, and caring father in their life.

In Moscow Russia was Nico, The Ripping Friends, Tom Major, Yugi, Tea, Jaden, Jesse Anderson, Alexis Rhodes, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Momo, Girl Jordan, Earth, Vinyl Scratch, Beast Wars Scorponok, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we were there for a really awesome and great rescue. We received a distress call from the Russian Kids

Next Door and they were all under attack and issued an emergency code L-62 and it was bad news.

Qin: Russia's Kids Next Door must be in really big trouble.

Xenia: Yeah something must be going on.

Camie: Whatever it is it must be bad.

Nico: No kiddng there.

Tom Major: But we'll be ready for it.

Eli: We sure will.

Nico: Thanks for coming with me, Tom.

Tom Major: Anytime Nico. It's gonna be so awesome helping you out on the rescue.

Carly Atlas: It sure is gonna be so awesome.

Camie: Yeah it sure is.

Tsuyu: Yep.

Nico: It really is a shame that you can't scan any of us for Chaotic battles.

Tom Major: I know. But it only works on Perim Monsters. But it was still very fun.

Me: Yeah those awesome adventures in Perim were so awesome.

Camie: Boy they sure were.

Laney: Some of the best ever.

Luz: I heard so much about them from Ronnie Anne and they were all really fun.

Amity Blight: They sure were. And they were amazingly fun.

Xenia: They sure were. And we got rid of all of Perim's major enemies.

Nico: We sure did.

Eli: Those were so much fun.

Nico: The Tribal Alliance have been good friends ever since.

Tom Major: They sure are awesome friends.

Me: Yeah they sure were. And all of the creatures of Perim are one of our most prominent allies and members of the team.

Eli: They sure are and it's awesome too.

Lana: I think it's really cool.

Amity Blight: It sure is.

Carly Atlas: But it's just horrible that many of Perim's many major enemies did what they did.

Qin: Yeah no kidding. What a bunch of monsters.

Laney: Yeah no kidding.

Me: Yesterday was really crazy.

Nico: Boy it sure was.

Laney: Yeah no kidding.

Me: And I hate flies.

Nico: Seth's heart probably wouldn't have tasted good.

Eli: EW! No it wouldn't.

Carly Atlas: No way it wouldn't.

Xenia: Yeah no kidding. Gross. But what Seth was doing was really playing with fire.

Gus Porter: He sure was and that is dangerous as all get out.

Camie: Yeah those fusion chambers were cool but they were too dangerous.

Laney: No kidding. But Veronica blasted him good.

Me: But in doing so she fell into despair. She hasn't stopped crying since the deed was done.

Nico: But we didn't give Seth the Black Gates.

Me: No he was a good man. It was all also an unfortunate accident because a common housefly was also in the fusion chamber and that's what lead him to becoming Brundlefly.

Qin: Geez!

Camie: Yeah no kidding.

Tom Major: What happened to him was awful. He lost his mind.

Me: He went from a human to a total freak.

Camie: Yeah. He had to be put out of his misery.

Zocks: My guess is that he probably got the Book of Vile Darkness or the Warp.

Chloe Bourgeois: Or he went up to heaven. He had no idea what he was doing.

Camie: Yeah. He did not deserve this. It was all an accident.

Luz: But we'll never know.

Laney: Yeah.

Me: Like I said. It was all an unfortunate accident.

Qin: Yeah.

Nico: We're here.

We arrived at the Kremlin and sticking out of the middle of the building was The Russian Sector KND Treehouse.

Eli: There it is.

Me: And it's right in the middle of The Kremlin.

Camie: And the Russian Government is okay with this?

Me: Well either the founding member of the Russian Sector took over the Government or the Government of Russia doesn't care. Also Russia's citizens think the kids are just pretending. So they are totally oblivious to the activities they do.

Nico: Oh.

We walked to the Kremlin.

Nico: Also, Honey, Siris, Stella Hercules, Oceanus Delphinus, Max the Mechanic, Amber Mahigan, Ivonna Cammezots, Laniya Gatorton, Jasmine Bērziņš, and Circe are confirmed to be backup core members.

Me: Awesome choices Nico.

Qin: Awesome!

Me: Yeah.

We arrived at the Russian Sector KND Treehouse and it had a spooky presence being given off.

Me: I've got a bad feeling about this guys.

Qin: Me too.

Nico: Why?

Eli: I'm sensing something in here. It's dark and vampiric.

Me: Oh boy.

I put on my vampire hunting weapons and gear.

Me: Never hurts to be prepared.

Nico: We'll have to take the stairs.

We went to the stairs and went up them.

We got to a hatch and it was bolted shut with a metal wall.

Me: We'll cut our way in.

I fired a laser and ripped it open and then we went in.

Me: We're in.

We saw that it was quiet and it looked like the treehouse was abandoned.

Nico: It's quiet. Too quiet.

Me: I don't like it.

Luz: Me neither.

Amity: Yeah it's weird.

Camie: Eerie presence always a sign of trouble.

Nico: Stay alert guys. If we are dealing with Spank Happy Vampires, there's no telling where they might be.

We walked around and stayed quiet and watched to the left and too the right.

Albedo turned into Negative Snare-Oh.

Negative Snare-Oh: Just a precaution.

Qin: Okay.

Me: Better do the same. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Hmm.

We looked around a hall and found nothing. Then we saw the Sector Quarters and they were empty.

We looked around and then we saw someone on the floor groaning and we saw that it was Numbuh 521!

Me: (GASP) Yulia!

We went over and we saw that it wass Numbuh 521 and she had a really nasty handprint on her butt and it hurt like a son of a bitch! She got up and screamed in pain and held her butt in pain.

Me: Yulia are you okay?

Nico: What happened!?

Numbuh 1: Numbuh 521 what happened?

Numbuh 521: (IN PAIN) (Russian Accent) OUCH OUCH OUCH OUCH OUCH OUCH OUCH! IT HURTS SO BAD!

Varie formed a block of ice and put her on it. Steam came out of Numbuh 521's butt.

Numbuh 521: Thanks comrades.

Kaito: Who did this?!

Me: Yeah.

Numbuh 521: It was Sector V! They were Spank Happy Vampires!

We gasped!

Me: But that's impossible! Sector V is right here with us!

Numbuh 1: Yes there's no way we would be here in Russia and with the team at the same time!

Nico: This is totally weird!

Eli: Unless, Count Spankulot made Spank Happy Vampire Clones of them somehow with dark magic.

Carly Atlas: Count Spankulot said he had a big project he was working on for more archenemies.

Nico: Wow.

Me: We got to find them.

Nico: Get somewhere safe!

Numbuh 521: I'll stay with you guys.

Numbuh 1: Okay.

We went to the briefing room of the Treehouse and then we heard slapping and screaming in pain!

Kids: (SCREAMING IN EXCRUCIATING PAIN)

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

OUCH! THEY ARE GOING TO BE FEELING THAT ONE!

We saw THE SPANK HAPPY VAMPIRE SECTOR V!

Me: HEY YOU VAMPIRES! LEAVE THEM ALONE!

Nico: YEAH! Pick on someone your own size!

Vampire Numbuh 1: (Transylvanian Accent) Those who use the Quadruple Emergency Bypass Code must be punished!

Juran: Triple what now?

Numbuh 362: It's a very special emergency code that will override any Treehouse command. But the code is important that no one is allowed to use it under any condition no matter how grave.

Numbuh 4: And I can't believe that it was never allowed to be used.

Vampire Numbuh 2: (Transylvanian Accent) You all must be punished!

Me: You spank my butt and I will smash your teeth out!

Varie: Only me and my sisters are allowed to spank J.D.'s butt!

May: Same with me and my fellow wives for Nico!

Vampire Numbuh 4 got on top of Kaito and pushed him to the ground.

Vampire Numbuh 4: (Transylvanian Accent) Now, time to spank your behind!

Zocks: Oh yeah? Spank this! (punches him off Kaito)

POW!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju Armor!

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated an Ultraviolet Flashbang Grenade and held it up and then it released a massive flash of ultraviolet light and weakened them badly with tremendous sunlight!

Nico: NICE ONE!

Me: Yulia how much time do we have before the Lockdown ends?

Numbuh 521: 1 hour!

Me: Plenty of time. Time for some buttkicking!

I flew at Vampire Numbuh 1 and kicked him in his face and smashed him into the floor.

Vampire Numbuh 5: (Transylvanian Accent) Who wants to be spanked first?

Varie kicked her in her face.

Varie: How about you bitch!?

Vampire Numbuh 5 flew at her and Numbuh 5 hit her vampire self with a S.P.L.A.N.K.E.R. and smashed her into the floor.

Camie: Chew on this! (ACTIVATES CARLY ATLAS'S RIDEWATCH)

(THE PHANTOM OF THE OPERA BY SARAH BRIGHTMAN PLAYS)

Camie: (SPREADS WINGS OF ORANGE FIRE AND SINGS DIVINELY AS ORANGE FIRE SWIRLED AROUND HER)

In sleep he sang to me

In dreams he came

That voice which calls to me

And speaks my name

And do I dream again?

For now I find

The phantom of the opera is there

Inside my mind

Sing once again with me

Our strange duet

My power over you

Grows stronger yet

And though you turn from me

To glance behind

The phantom of the opera is here

Inside your mind

Those who have seen your face

Draw back in fear

I am the mask you wear

It's me they hear

My spirit and my voice

In one combined

The phantom of the opera is there

Inside my mind

In all your fantasies you always knew

That man and mystery were both in you

And in this labyrinth

Where night is blind

The phantom of the opera is here

Inside my mind

He's there

The phantom of the opera

She sang and flew and punched and pulverized Vampire Numbuh 3!

Vampire Numbuh 3: (Transylvanian Accent) You have a good voice but you still will be punished!

Camie: Come and get me!

She kicked her in the face.

Carly Atlas: Awesome use of my ridewatch Camie!

Camie: Thanks!

Camie ducked under a punch and threw Vampire Numbuh 2 to me and I punched him in the face.

Me: Time for this. (ACTIVATES ZEN-AKU'S RIDEWATCH)

I got his flute.

Me: Try this one! DARK WILD ZORDS ARISE!

I put in the crystals for Carly Atlas for the Hummingbird, the King Cobra for King Hiss and the Caiman for Killer Croc (The Batman 2004) and they came and the Hummingbird pecked Vampire Numbuh 1 all over and the Caiman bit Vampire Numbuh 4 in the butt and the King Cobra bit Vampire Numbuh 3.

Qin: AWESOME!

Carly Atlas: That was awesome J.D.!

Me: Thanks Carly.

Nico: YEAH That was awesome!

Me: You are the one that will feel the pain of our fury!

Vampire Numbuh 1: You have been bad and shall feel THE STINGY WRATH OF NIGEL SPANKULOT!

Numbuh 5: Not tonight.

Vampire Numbuh 1: What? Why not?

Numbuh 5: Because, tonight is over.

Me: And your time is up!

The windows opened and then the sunlight shined and blasted in at full force!

THUNDERCLAP!

Vampire Numbuh 1: Wha? Aah!

THUNDERCLAP THUNDERCLAP! SIZZLE!

They were burning in intense pain from the light of the sun!

THUNDERCLAP THUNDERCLAP!

Vampire Numbuh 5: AAAAHH!

THUNDERCLAP! SIZZLE!

Vampire Numbuh 4: AAAAAHHH!

THUNDERCLAP!

Vampire Numbuh 3: YYYYIIIIIIIII!

THUNDERCLAP! SIZZLE!

Vampire Numbuh 2: AAAAAAAAHHHH!

THUNDERCLAP! SIZZLE!

Vampire Numbuh 1: NOOOOOOO!

We were shielding our eyes from the intense brightness of the sun and the vampires burned!

Me: RISE AND SHINE BUTTCHEWERS!

But then, bandages pulled Nico's pants down.

Nico: HEY!

Me: I SEE LONDON. I SEE FRANCE, I SEE NICO'S UNDERPANTS!

Nico: OH SHUT UP! ALBEDO!

Negative Snare-Oh: It wasn't me!

Me: It was from that!

We saw a black version of Snare-Oh! It was ANOTHER SNARE-OH!

Me: WHOA!

Another Snare-Oh: (In a girls voice) GOTCHA!

Nico: Oh really funny!

Nico put his pants back on.

Me: (Gasp) Jacqueline Nefertiti Anck-Su-Namun? Whoa!

Another Snare-Oh: It's good to see you again J.D.

Me: Same here.

Nico: You know her J.D.?

Me: I sure do. Her name is Jacqueline Nefertiti Anck-Su-Namun and she is a direct descendant of Queen Nefertiti from 1370 B.C. and Anck-Su-Namun my past life's mistress from 1290 B.C.

Nico: WOW!

Eli: That's amazing! It's awesome to meet you.

Another Snare-Oh: You too.

Me: Also she is someone that I know because her so-called boyfriend broke up with her.

Nico: Yikes!

Maria: Oh no. What happened?

Another Snare-Oh: I caught him cheating on me by having sex with the cheerleading captain and they rubbed it in my face. It was humiliating.

Me: It's true. I punched him in the stomach and face for it. He had it coming.

Nico: Oh man!

Eli: That jerk!

Me: Yeah he deserved it.

Sougo: (gets out Zi O II Ridewatch) Did Swartz promise you anything?

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) Because we can grant it instead.

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Another Snare-Oh: Just to get a good boyfriend and I picked J.D. already. I knew he was lying to me.

Me: He lied to everyone but you definitely have a lot of feelings for me though and I will gladly have you in my harem. Long story and lots of things happened to me over the years.

Another Snare-Oh: Yeah.

May: (Seductively) And Nico you have the most sexiest underwear of all. Want to have some fun later tonight? (Purrs)

Nico: (Laughs) (ATOMIC BLUSH) How can I say no to you May. And the girls all can join.

We laughed.

Me: Someone is gonna have a wild time tonight. Sorry we have to fight like this though Jackie.

Another Snare-Oh: It's all right.

Nico: (gets out Mummy's Ridewatch) Let's kick things off!

Another Snare-Oh: Before we start, J.D. is it really true that you are the reincarnation of Pharaoh Seti I?

Me: It sure is true. Years ago I found out that I was the reincarnation of Pharaoh Seti I of Egypt from over 3000 years ago.

Nico: It's true. We were amazed.

Eli: That was a really awesome revelation too.

Another Snare-Oh: Wow! That is awesome! Now we can start.

Nico activated Mummy's Ridewatch and the Yu-Gi-Oh! Theme Song played and he fired waves of energy and smashed her down.

Me: YEAH!

Luz: That was so awesome!

Carly Atlas: YEAH!

Carly fired waves of orange fire and smashed her down.

Tom Major: My turn! (ACTIVATES WHIRLWIND'S RIDEWATCH)

(HUMAN'S BEING BY VAN HALEN PLAYS)

Tom Major: (SINGING DIVINELY AS TORNADOES AND WIND SWIRLED AROUND HIM)

There is just enough Christ in me

To make me feel almost guilty

Is that why God made us breed

To make us see we're Humans Being

You break this, I'll break all that

You break my balls with all your crap

Spread your disease like lemmings breeding

That's what makes us humans being

Shine on, shine on

Shine on, shine on

Some low life flat head scum infects

The sickness in his eyes reflects

You wonder why your life is screaming

Wonder why your Humans Being

Shine on, shine on

Shine on, shine on

Humans

Humans being

We're just humans, humans being

That's what makes us

Humans being

He danced and fired waves of wind and smashed her down!

Me: YEAH! Perfect for you Tom.

Qin: Yeah it was! Love Van Halen.

Xenia: Awesome song!

Maria: My turn! (ACTIVATES NEW WAVES RIDEWATCH)

(THE GAME BY DISTURBED PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLED AROUND HER)

Tell me exactly what am I supposed to do

Now that I have allowed you to beat me

Do you think that we could play another game?

Maybe I can win this time

I kind of like the misery you put me through

Darling, you can trust me completely

If you even try to look the other way

I think that I could kill this time

Rah, rah!

Rah, rah!

It doesn't really seem I'm getting through to you

Though, I see you weeping so sweetly

I think that you might have to take another taste

A little bit of hell this time

Rah, rah!

Lie to me

Rah, rah!

Lie to me

Is she not right? Is she insane?

Will she now run for her life in the battle that ends this day?

Is she not right? Is she insane?

Will she now run for her life now that she lied to me?

You always wanted people to remember you

To leave your little mark on society

Don't you know your wish is comin' true today?

Another victim dies, tonight

Rah, rah!

Lie to me

Rah, rah!

Lie to me

Is she not right? Is she insane?

Will she now run for her life in the battle that ends this day?

Is she not right? Is she insane?

Will she now run for her life now that she lied to me?

Is she really telling lies again?

Doesn't she realize she's in danger?

Is she not right? Is she insane?

Will she now run for her life in the battle that ends this day?

Is she not right? Is she insane?

Will she now run for her life now that she lied to me?

The little bitch, she went and she told a lie

And now, she will never tell another lie

The little bitch, she went and she told a lie

Never fucking lie to me

She danced and fired waves of energy and water and smashed her down.

Nico: OH YEAH!

We then heard more footsteps.

Nico: Who else came with you?

Another Snare-Oh: Oh one of the Sporix.

Out came a figure and it was JUNKALO from episode 5 of Season 2 of Dino Fury!

---

Junkalo hatched in front of Wreckmate when his Sporix was released from Void Knight's machine after Mucus angrily kicked it. The Beast's terrible breath disgusts everyone in the room as he ate all the garbage the Hengemen collected. A now armored Void Knight exits his room to see what is going on, and Junkalo throws up metal from the garbage he ate when he tried to introduce himself to him. This intrigues Void Knight as he asks Junkalo for help on a special project. Over the previous battles against the Rangers, Void Knight has recorded data on the Zords they fought against and plans to use the data for his newest invention: the Zord Jammer. Void Knight enlists Junkalo's help in making the parts he needs to make the Jammer.

The Rangers head to the dump to see Mucus and Junkalo, the latter eating trash and regurgitating metal. The Rangers morph as Mucus calls for the Hengemen. As the Rangers fight against the Hengemen, Mucus finds a gas mask and tells Junkalo to continue eating garbage for metal. Zayto tries to stop Junkalo with the Sprint Dino Key, but his stinky breath stuns everyone at the scene (minus Mucus, who wore the gas mask to protect herself). Javi uses the Blazing Battle Armor to strike at Junkalo, but the gas neutralizes the attack. Junkalo and Mucus retreat as the Rangers demorph, trying to figure out why the two were at the dump in the first place.

At Area 62, Void Knight is impressed with the parts Junkalo created, saying it was enough to build his Zord Jammer. As Slyther begins assembling the Zord Jammer, Mucus comes in with a giant toothbrush to get rid of Junkalo's bad breath. However, that results in the monster eating her. Back in the room, Santaura listens to the conversation through video as Void Knight continues his explanation. The only Zords left to scan were the Pacha Smash Zords, and Void Knight orders Junkalo to lure them out so he could scan their location signals. As Void Knight and Junkalo leave, Santaura asks what her lover is doing, referring to him as Tarrick.

Tarrick sets up the scanner as Junkalo pukes up Mucus as she did not agree with his stomach. With the scanner set up, Tarrick orders Junkalo to fight the Rangers, which involved growing and forcing them to summon the Pacha Smash Zords. Junkalo's presence is alerted to the Ranger's pollution sensors, but two locations are brought up on the map: one at the Zord cliffs and one at the industrial area. Zayto has the team split up into two groups, and Javi contacts Izzy to join him and Aiyon.

Javi's group finds Tarrick and his scanner, forcing the latter to attack them so they do not interfere with his plans. Tarrick stops Aiyon from firing at the scanner as the Garcia siblings corner the knight. In the industrial area, Junkalo grows as Zayto's group summons their Zords, forming the Dino Fury Megazord Blade Formation. Using the Elasto Dino Key, they tie up Junkalo, but the latter breaks free and unleashes a noxious blast. Zayto summons the Pacha Smash Zords, unaware that doing so recorded the data Tarrick needed. Javi tries using the Blazing Dino Armor to overwhelm Tarrick, but the latter retreats as he got what he needed.

Zayto's group forms the Dino Fury Megazord Smash Formation back in the city, and Javi's group joins them in the cockpit. They fare better against Junkalo and defeat him with the Pacha Mega Smash. Junkalo reverts to his Sporix Cell form, and Izzy claims it for the Rangers.

Me: Junkalo! I remember you! You were eating garbage up the ass and your breath REALLY SMELLS like shit and also you were released when Mucus kicked the machine. You were sent to get data for the Zord Jammer.

Junkalo: That's right J.D. I'm starving. Got any garbage?

I pulled out all the bags of garbage we got.

Me: The garbage company we're with is on strike because their boss is being a total asshole.

Junkalo: Oh boy! I'm starving!

Me: Help yourself.

He ate all the garbage and ate it all and he was full!

Lana: Whoa! He is my kind of Sporix!

LOUD BELCH!

Junkalo: Also, you might want to look over the Estate when you guys get back. You guys are in for a nice surprise.

Me: I have a feeling it will be good.

Then Junkalo got sick.

Me: Uh oh.

I took a bin out and then he threw up junk and scrap metal like nuts, bolts, screws, nails, washers and more.

Junkalo: Ahh. Thanks.

Me: No problem.

Nico: I forgot about him being able to do that.

Cornelia: And the good news is I start my missions tomorrow.

Junkalo: Awesome!

Me: SWEET! We're back in business bitches!

Eli: YEAH!

Cornelia: Lets get it on.

She went Guardian!

Cornelia: EARTH!

Nico: We'll face Another Snare Oh. J.D. you and Cornelia face Junkalo.

Me: Right. Lets do it!

Junkalo: Hope you guys fare better than the last team of Rangers I fought initially.

Me: Oh don't worry we will.

Junkalo: Did you see how The Void Queen was defeated?

Me: Boy we sure did! That was unbelievable!

Cornelia: Yeah it sure was!

Me: The final monster they faced was actually based on Eras from Ryusoulger.

Junkalo: That's right. That was a big battle that happened.

Me: It was absolutely incredible! Zayto made the ultimate sacrifice to stop the Void Queen. He is a true hero!

Junkalo: He sure is but I have a feeling he will be back.

Me: I have a feeling too. Zayto is a powerful warrior.

Junkalo: Yes he is. HENGEMEN!

He summoned Hengemen and they went at us and I slashed them and blasted them with blue fire blasts and blasted them into rock.

Cornelia smashed them all over with rock fists and smashed them down and they exploded into rocks.

Another Snare Oh wrapped Vroon in bandages.

Another Snare Oh: Got You now.

Vroon: I don't think so.

He broke out.

Nico: Nice try though. Jackie you're what's called a Thep Khufan and they are mummy aliens from the planet Anur Khufos.

Another Snare Oh: Wow! So that's what I am now.

Varie: You sure are.

Junkalo: Were you really shocked that Amelia's mom and dad were both the Void Knight and The Void Queen?

Me: As a matter of fact I was. But not NEARLY as shocked as Evox being Venjix from RPM.

Cornelia: Yeah that was a massive shock.

Junkalo: It sure was. But you must be really proud of Amelia for saving her mother and father from themselves.

Me: I sure am. Amelia is a true hero and she has her parents back after 2 decades.

Junkalo: That is amazing that she is back with her family.

Cornelia: We are happy for her too.

Me: Yep.

Junkalo: I am too.

He fired waves of energy and I deflected the blasts back and they hit him and I slashed him with my scythe and fired waves of blue fire and blasted him down.

Junkalo then saw some garbage on the ground.

Junkalo: (eats it) Still good!

Lana: He sure loves eating garbage!

Nico: Yeah he sure does.

He vomited more screws and metal into the bin I left for him.

Then he fired more lightning energy blasts and I deflected them back. Then he blew his stinky and horribly putrid breath and it smelled so horrible that I THREW UP and drenched him in vomit!

Junkalo: OH THAT IS SICK!

Me: Says the pot calling the kettle black Toxic Waste Breath! But then again I know you never brush your teeth!

Another Snare Oh tried to wrap Juran in bandages.

But he enveloped himself in an aura of fire.

Nico: You aren't the only one that knows how to do that too. (Echoing) SNAKE BANDAGE!

Nico fired a bandage with Mummymon's powers and wrapped her around in it.

Another Snare Oh: Wow!

May: Clever move!

Then a Pterodactyl Screech was heard?

Beast Wats Scorponok: Is that Terrorsaur?

Then in came a Black Pterodactyl Alien! It was a TERRORDACTYLUS!

Nico: Whoa! A Terrordactylus!

Eli: Wow! So that's a Terrordactylus!

Terrordactylus: (In a girls voice) That's right guys.

Nico: Ivonna Cammezots! Wow!

She reverted back and Ivonna was a girl with black hair and black clothes and red eyes.

Ivonna Cammezots: Good to see you again Nico. I got this.

She fired a wave of energy and smashed down Another Snare Oh and she reverted back and Nico caught the ridewatch and purified it and Nicole went over to Jacqueline. Jacqueline was a girl with black hair and a pink shirt and a blue skirt and she had black shoes. Nicole picked her up.

Nicole: Are you all right?

Jackie Anck-Su-Namun: (Groans) What a huge headache.

Nicole: But you're all right.

Junkalo: Looks like your friend is back to normal.

Me: She sure is. Sorry we have to finish this. WOLF MOON STYLE NINJA ART: CRESCENT MOON WOLF PACK!

I fired waves of blades of blue fire and they hit Junkalo and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and back to a Sporix Cell.

Eli came and picked it up and put it in a pod.

Me: Junkalo you have failed this city!

Nico: Yeah!

Cornelia: We're starting to get the hang of this.

Me: We sure are. Awesome way to get a jumpstart.

Nico: It sure is.

Tom: That was so awesome though. By the way Ivonna what's your favorite memory of Nico?

Ivonna Cammezots: I have a lot of them but my favorite is when me and Nico were walking to class and I saw a bully picking on a girl and I used my psychic glare that made her insane and they sent her to a nuthouse forever. I call it the Glare of Cthulhu. I have the power to make people go bonkers just by looking at them.

Nico: Yep.

Qin: Wow! I remember that! That is amazing!

Me: Wow! That is a deadly power. That's like what I can do with the powers of Cthulhu.

Eli: That is cool though.

Twilight Sparkle: It sure is. But that is amazing.

Qin: Yeah.

Nico and Ivonna hugged.

Nico: I've missed you Ivonna.

Ivonna Cammezots: Me too Nico. Me too.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The

Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Raimundo are heading to Woodchester Mansion in Gloucestershire, England, and not only is Lincoln going to rescue the four girls here, but we're also going to exorcise the castle of the dark spirits that've haunted the castle and help the trapped good spirits rest in peace.

Lincoln: Whoa, we're here in Woodchester Mansion in Gloucestershire, England, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to exorcise the castle of the dark spirits that've haunted the castle and help the trapped good spirits rest in peace.

Me: Oh man, out of all the places, Woodchester Mansion is one of the most haunted locations here in England.

Nico: I know, there were stories that the local witches casted a dark spell on the mansion, and that curse has claimed the lives of those who lived and worked there over a century ago. Plus, this land is also the sight where those accused of witchcraft were hanged back in The Middle Ages.

Lincoln: Yeah, so, it made sense that local witches of this area wanted revenge and that's the reason for them to put a curse on this place. Plus, since it wasn't finished, those who practiced black magic have used unfinished buildings for their dark rituals, so we'll be facing remnants of the witches' black magic here, and after we get done exorcising Woodchester Mansion, we're bound to run into another one of those turned into zombified demons by Angela Franklin, and thanks for joining us, Raimundo.

Raimundo: (Spanish Accent) You're welcome, Lincoln.

We then arrived at Woodchester Mansion, and we felt the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and the dark spirits aren't going to leave Woodchester Mansion that easily, and there's also the curse that was cast by the local witches over a century ago for what happened centuries ago, so it's time to use our exorcism method.

Morgana DeRose: Let's do it.

Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground and it surrounded Woodchester Mansion. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He then took out his Flute of Ogma, and he began to play a beautiful melody, and the dark spirits were roaring in anger as they were eventually forced out of Woodchester Mansion and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Woodchester Mansion has been exorcised for good, and the dark spirits of Woodchester Mansion were eventually sent to The Black Gates and the magic circles disappeared.

Me: Wow, that was one awesome exorcism.

Laney: And thanks to the exorcism, Woodchester Mansion and the land itself is now finally calm.

Lucy Loud: And the trapped spirits have finally been able to move on, and the dark spirits are now gone for good and sent to The Black Gates, and the curse has been lifted.

Victorica Meadows: (British Accent) It'll be a perfect attraction for tourists now, and they won't be attacked by any of the dark spirits or the heavy presences caused by the dark spirits.

Lincoln: That's right, Victorica, but, we're not done yet, there's still the girls we need to rescue, and there's bound to be another one of Angela's zombified demon minions about to attack right… now! ?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of moaning in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Max and Frannie who're in their zombified demon forms and they're going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by Max and Frannie who're in their zombified demon forms and they're going to kill them.

?: (Girl's voice) Angela's gone too far this time!

?: (Girl's voice) And we need to stop them!

Suddenly, we saw Metaion the Timelord and Erebus the Underworld Monarch appear before us.

Nico: Whoa, that's Metaion the Timelord and Erebus the Underworld Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Melanie Emperyous and Darcy Erebus, but we'll talk later, we've got to stop the zombified demons, Max and Frannie, and help them rest in peace.

We rushed on over, and right before the zombified demons Max and Frannie could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Max and Frannie, and that allows the four girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Max and Frannie, and when the zombified demon servants of Angela Franklin saw us, they moaned in anger.

Lincoln: I should've guessed we'd run into you and Frannie here, Max, but we already dealt with Sal Romero and Jay Jansen when they were sent by Angela Franklin, but we'll be ready for her when the day comes. But, first, we got to free you two from Angela's demonic influence.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-

Frannie, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Then, we fired blasts of light which hits the zombified demons Max and Frannie, and it then removes Angela's demonic influence and they were restored to normal form, but they were still dead. But, they're finally freed from Angela's demonic influence, and they were able to ascend to Heaven, now freed from the shackles of the demon. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's another haunted location exorcised and two more of Angela's minions put to rest for good. (To Melanie Emperyous and Darcy Erebus) And it's good to see you again, Melanie Emperyous and Darcy Erebus.

Melanie Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful red angel wings with stars in them, and she was dressed in a sleeveless red midriff top, long red skirt with the Sephiroth Tree of Life on it, red pants, red legwarmers, red knee-high high-heeled boots, and long white sleeveless trenchcoat with flames and angels on the coattails and Michion the Timelord on the back and holstered on her back is a large Metaion the Timelord-themed greatsword with Metaion the Timelord etched on the 7'0" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large red angel wings and a large red gem below the angel wings for the pommel.

And Darcy Erebus reverted back to normal, and she was a beautiful girl with long flowing light purple hair, light purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Undead Kanji on her forehead and massive and beautiful dark purple angel wings with stars and she reigned in the power of Erebus the Underworld Monarch, and she was dressed in a sleeveless open grey blouse, short-sleeved purple shirt, long purple skirt, black pants with designs, light purple legwarmers, purple heeled sneakers, and long white sleeveless trenchcoat with darkness and angels on the coattails and Erebus the Underworld Monarch on the back, and in her right hand is a menacing scythe.

Melanie Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, Sadie, Rachel, and Michelle.

Darcy Erebus: Same with you, Charlene, Varie, Alina, Raven, Luna, and Dawn as well, Hilary.

Hilary Thestalos: You too, Darcy.

Selene Emperyous: Same here, Melanie.

Lincoln went up to Melanie Emperyous and Darcy Erebus and he hugged them both and they hugged him back, and Melanie Emperyous and Darcy Erebus were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Emperyous: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Darcy Erebus: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Melanie Emperyous, she's my Guardian Angel from Michigan and the middle child of the Emperyous Sisters. She's the first youngest and the second of the three Fire Masters of the Emperyous Sisters, and is the second of the Fire Magic Masters, and she's also a girl that loves all animals and loves to help with Lily. She loves helping Lana with her animals and they love her too and she also helped Lana make an awesome racer from scratch that helped her win the racing championship and helped get her to race with her hero and idol Bobbie Fletcher. Also she is a great photographer and when Lily got her powers she got awesome art ideas for school and Melanie gave her awesome photos to help out with that.

Nico: Whoa, now that's really awesome!

Selene Emperyous: You got that right, she's known as the mechanic, photographer, and animal lover of our family.

Lily Loud: You bet, and she really gave me some awesome art ideas for school when I got my powers and she'd helped Lana with building her cart that got her to meet Bobbie Fletcher, and she was so happy and when she also found out she loves animals, Lana was really amazed. Plus, just like all of us, Melanie hates Hawk and Hank with a merciless vengeance.

We gasped.

Lincoln: I still remembered what Melanie did to those jerks long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Darcy Erebus, she's my Guardian Angel from Michigan and classmate from Science Class, and she has a strong admiration for Lucy as well as a strong bond and sisterhood with her. She has the amazing power to summon the undead and have damned souls do her bidding. She also has the powers of darkness and the powers of the fires of Hell.

Nico: Whoa, now that's really awesome!

Me: It's like she's a true angel of darkness.

Lincoln: That's just what I also said, and she absolutely loathes and despises Stern Fern with an absolute vengeance and hates her with a massively burning passion, so much so that she wants nothing more than to send her off to hell personally.

Nico: Uh oh, so we got two revelations coming up: and one's about Hawk and Hank and the other is about Stern Fern.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appear around Melanie Emperyous' neck and Darcy Erebus' neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Melanie Emperyous and Darcy Erebus: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Melanie and Darcy.

Melanie Emperyous and Darcy Erebus had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Asuna Kanzaki, Jun Kirishima, Momoka Saotome, and Kiyoka Nishino from Megaton Musashi.

Lincoln: Oh wow, it's Asuna Kanzaki, Jun Kirishima, Momoka Saotome, and Kiyoka Nishino from Megaton Musashi.

Nicole: Awesome.

Lincoln: Are you girls okay?

Asuna Kanzaki: Yes, we're okay, thanks to you.

Then, when Asuna Kanzaki and the three other girls saw who it was that saved them from the zombie demons Max and Frannie, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Asuna Kanzaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Asuna Kanzaki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Asuna Kanzaki, Jun Kirishima, Momoka Saotome, and

Kiyoka Nishino with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Woodchester Mansion and banished the dark spirits responsible for the hauntings and helping the good spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after were Max and Frannie, two more victims who were turned into zombified demons by Angela Franklin.

But, when Lincoln showed what we did in freeing Max and Frannie from Angela's influence and helping him finally cross over, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Melanie Emperyous, and Darcy Erebus have a lot of catching up to do, now that they're back in town. But, they've also been made aware that Angela Franklin is planning her return on Halloween, but we're going to make this her last Halloween when the day comes.

Maria: So, that's another haunted location exorcised and freed from the dark forces and two more of Angela's zombified demon minions/ victims freed from her influence and sent back to the Afterlife.

Lincoln: Yep, and that's what we're going to do until Halloween arrives.

Nico: And once Halloween arrives, Angela will make her move, and then, it'll be lights out for her for good.

Lincoln: Angela's killed and turned so many people into demons throughout the Night of The Demons franchise, it's not funny. She deserves to get The Black Gates for everything she's done, and you're right, Nico, when Halloween arrives and Angela comes back, this'll be her final Halloween for good.

---

After we exorcised all the the dark spirits from Woodchester Mansion and freed Max and Frannie from Angel's demonic influence, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Melanie Emperyous and Darcy Erebus saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Melanie Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Darcy Erebus: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Emperyous: That's incredible.

Nico: It sure is. So, Melanie, Darcy, what are these two horrible revelations you have on those two buttfaces Hawk and Hank, and on Stern Fern?

Melanie Emperyous: Allow me to go first. I found out long ago those two jerks were pulverizing some of Lincoln's friends and making their lives a nightmare, so, I stepped in and I thrashed them so bad that they were traumatized by the mere sight of me, and she vowed that if I ever saw them again, I would kill them and throw their severed heads into a piranha infested river in South America and turn them into fish food.

We gasped in shock.

Nico: Why those heartless, butt ugly buttfaced jerks from Hazeltucky!

Lincoln: Yeah, and when I found out from Melanie about what they did to Clyde, Rusty, Liam, and Zack, I went down there and I also brutally beat them up badly.

Selene Emperyous: After she told us about it, we were really pissed off at what those heartless psychopaths did, and we wanted to rip them to shreds. But, Melanie took care of them and gave them a nasty case of trauma.

Darcy Erebus: And those two heartless psychopaths from Hazeltucky are now in prison for the rest of their lives, a fitting punishment for what they've done. Now, it's my turn to tell my tale, you see the very reason why Lincoln said I absolutely despised and loathed Stern Fern with an absolute vengeance and wanted to personally send her to Hell is because long ago, she murdered my entire family and I vowed to get revenge on her and make her suffer for all of her crimes before I killed her. (CRIES IN SADNESS)

We gasped in horrifying shock, including the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Darcy Erebus and hugged her, while she hugged him and cried onto his bare chest.

Nico: Oh my God!

Me: Why that heartless, bad-tempered, ugly cow! She's literally crossed a very big line!

Darcy Erebus felt Lincoln's massive and muscular body shake with undeniable fury, and his muscles bulged even more and she saw veins in his biceps.

Lincoln: She doesn't deserve to live a single second further! If I ever see that angry, evil, sadistic fat cow, Stern Fern, even out of her cell, I will personally rip her head off and mount it on a stake, and then, I'm going to personally rip her guts out and let the creatures of Hell devour her guts and her headless corpse!

Nico: Uh oh, and since Darcy's one of Lincoln's Guardian Angels, any who dare to hurt his Guardian Angels in any way are going to suffer badly, and for some of them, it's going to be fatal!

Me: Yeah, look at what happened with Amy McKale and Dustin Keystone, they wound up getting their just desserts from Lincoln beating them up badly, and when they showed their ugly faces again, they eventually lost their lives and got sent to The Black Gates for good.

Nico: Don't forget Weiss' former so-called father, Jacques.

Lori: Yeah, I literally couldn't forget what Lincoln and Weiss did to him.

Lynn: Oh man, I knew Stern Fern was bad, but this, now she's an out-of-control animal. If she dares to break out, Lincoln, what you just described, please do it.

Lincoln: You got it, Lynn.

We got a shower afterwards, and then, Lincoln, Ranamon, Starscout, Izzy Moonbow, Pipp Petals, and Zipp Storm were heading to Aquarius.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Ranamon, Starscout, Izzy Moonbow, Pipp Petals, and Zipp Storm were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Ranamon: Wow, so this is Aquarius, awesome.

Lincoln: Yep, and it's perfect for our date, Ranamon. Shall we?

Lincoln, Ranamon, Starscout, Izzy Moonbow, Pipp Petals, and Zipp Storm dived in and they also saw the inhabitants there. They also had a swimming race, and they also had a lot of fun, and they went inside back to the shore and they had a game of volleyball and his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Aquarius.

Izzy Moonbow: For our first beach date with him.

Twilight Sparkle: Wow, that's amazing, and we're so glad you girls are now part of Linky's harem now.

Izzy Moonbow: Thanks, Twilight.

Later at the estate, Poromon and Poliwag were hanging out in the backyard when they spotted a body. Fortunately, it wasn't dead. But it was familiar.

Poromon: Holy shit!

Poliwag: Is that Zayto?!

Pandora: Get him to the medbay. NOW!

Pandora picked him up and they went to the elevator.

Back in the living room we were watching TV.

Then the Mascots came and so did Pandora with Zayto!

Nico: Oh man!

Poromon: Get the infirmary ready!

Me: It's Zayto! He's alive!

We grabbed him and took him to the infirmary!

Nico: So this is what Junkalo meant!

We put him in a bed and got him looked at.

Me: He's all right. Thank goodness. He used up a huge amount of energy. Must be from when he fought and destroyed the Eras monster.

Nico: Yeah.

Zayto later woke up and saw us.

Pipp Petals: Hey, Zayto. How are you feeling?

Zayto: J.D.? Cornelia? Is that you two?

Me: Yeah it sure is.

Cornelia: Glad you're okay.

Zayto: Where am I? What happened?

Me: You're in our infirmary at the World Tree Estate. The Mascots found you in our backyard.

Zayto: Wow. But the Void Queen. Is she?

Me: Yeah. Amelia saved her and purified her. She has her mom and dad back.

Laney: She sure does.

Me: But you did it Zayto. You destroyed the Void Queen's Nemesis Beast and saved the world. You are a true hero.

Cornelia: That was so awesome.

Zayto: It sure was. But I'm never going to do that again.

Me: I don't blame you. That took an amazing and incredible amount of energy. But you risked your life to save the world from the Void Queen and the Sporix.

Nico: You sure did.

Poromon: Hey, Zayto. Do you remember me an the mascots?

Zayto: I sure do. Is Officer X still chasing you guys?

Maria: Oh, God no! He's locked up for good!

Zayto: Glad to hear it. Damn, those puns of his weren't even that good.

Flamewar: I don't even know what Nowence means!

Luan: Yeah he should leave the puns to me.

Me: Yeah if I was a comedian critic I would give him a good old stinky toes down.

Ruby Salazar: Same with me and Sapphire.

Sapphire Salazar: Yeah he stunk.

Nico: Big time.

Me: But we owe you big time for helping us deal with Super Warumono World on Zarya's big day with the Zenkaigers.

Zayto: It was no problem. Sorry you guys had to wait all this time for me and us.

Me: Well it was worth it. When we got word that you destroyed the Void Queen, Vypra had all the Sporix put into the Masters of Evil. They now are with her.

Nico: He's right on that. We faced some of them on my rescues.

Me: It was to help Cornelia here get ready for her upcoming Ambassador Missions with you guys.

Zayto: Oh you want to be prepared for it.

Me: Yep.

Afterburner: And don't worry if your Zords and Equipment are destroyed in any way. We can fix them up.

Me: That's right.

Zayto: Thanks guys. I take it you heard that…

Me: Lord Zedd is back? Yeah we were absolutely shocked that he came back after all this time.

Tommy Oliver: Yeah. After we worked really hard to destroy him too.

Andros: And how I helped by destroying Zordon.

Me: I remember that. But it's shocking that after 24 years he would return from the dead.

Laney: No kidding.

Me: Yeah. But we'll be ready for him later on.

Nico: Yeah. Not until next year though.

Zayto: Yeah. But what happened to the team?

Me: They all think you're dead. But now that you are here with us they will be happy to see you.

Cornelia: When we start my missions tomorrow.

Zayto: J.D., I just want to say that you did a good thing declining Luthor's offer to go back in time and erase all evil with the Black Gates. Trust me. NOTHING good can come from changing the past.

Impact Man: As we saw from that alternate future.

Me: Thank you and I agree there. It would have been too easy to do that.

Nico patted me on the back.

Nico: You made an awesome choice there.

Zarya: He sure did.

Me: By the way Zayto did you see this?

I showed him my Dino Fury Sword for Lord Drakkon.

Zayto: Your own Dino Fury Sword!? Where did you get that?

Me: Pretty strange story there. It's not just me however.

We showed him our Dino Fury Swords and keys.

Me: All of us have one.

Nico: We got them after defeating Another Ranger version of you. It was a scary Red Ranger version of you made by Swartz.

I told him everything and it was crazy and shocking.

Zayto: Oh man! That monster!

Sougo: It was really surprising. But Swartz is dead and gone for good.

Me: Yep.

Nico: We'll explain more when we meet up with the rest of the Dino Fury Rangers. How would you like to join us on our mission today?

Zayto: I would be honored.

Me: Awesome.

Then Number 7, Loki, Ghost, Evil Green Ranger, Grodd, Molten Man, Biowulf, Bizarro, Toad, Felix Faust, Evil Comet Woman, Ed Bighead, Lady Quark, Astronema, Sir Toasty, Teen Tornado, Black Scorpion, Yost X 23, Ticklepuss, and Sara Siren appeared.

Number 7: Can me, Number 7, Loki, Ghost, Evil Green Ranger, Grodd, Molten Man, Biowulf, Bizarro, Toad, and Felix Faust go with you guys?

Evil Comet Woman: Me, Ed Bighead, Lady Quark, Astronema, Sir Toasty, Teen Tornado, Black Scorpion, Yost X 23, Ticklepuss, and Sara Siren will come as well.

Nico: Yes you all can go with us.

Evil Green Ranger: Whoa! Zayto you're all right! We all thought you were dead.

Grodd: Yeah but at least you're safe. That was really well done destroying the Void Queen.

Zayto: Thanks guys.

Molten Man: When Madame Noir saw her on TV she was infuriated that the Void Queen was making her look like a pure evil monster when she really isn't.

Kagura Izumi: Boy she really must've been upset seeing that.

Molten Man: Boy she was. She was ranting up a storm.

Me: Madame Noir from ToQgers and the Void Queen of Dino Fury both were adapted for 2 different series in Japan and America both 8 years apart.

Zayto: I see. That's crazy,

Nico: It was.

Chow: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one for White Night Dragon, White Night Queen, Snow Fairy, Cold Sleeper and Illusion Ice Sculpture.

Me: Whoa! Cold and brutal!

Alexis: That's awesome. Awesome choices too.

Nico: Yeah they sure are.

Ed Bighead: Look, Zayto. You did a really brave thing destroying Void Queen and her Nemesis Beast.

Zayto: Thanks, Ed. Guess you got a heart of gold after all.

Ed Bighead: (in denial) Don't get any ideas. I'm not going soft!

Loki: (laughs) Of course you aren't!

Me: He has a permanent wedgie guys.

Qin: Yeah. So what's our mission?

Me: We'll you guys are not going to like this. I got a message from King Kai earlier and he said that the Children of Midwich are back.

We gasped!

Camie: Those scary kids from the movie Village of The Damned!?

Eli: Oh man! Those eyes they have always give me the creeps.

Laney: They sure do.

King Kai: Nico! Can you hear me?!

Nico: What is it, King Kai?

King Kai: It's Zayto. He's in your estate right now!

Rothar: Um.. we know that, dude. He's fully conscious right now.

King Kai: (sheepishly) Oh. Nevermind then. Carry on!

Me: Yeah the Mascots found him before you even gave us the word. Sorry about that.

King Kai: No worries.

He clicked off.

Camie: But what is the full story of the Children of Midwich?

Me: You will not like these kids. They may be kids but they are evil.

I went over their history.

---

The Children are the main antagonists of the 1957 science fiction novel The Midwich Cuckcoos by the late John Wyndham as well as it's film adaptations Village of the Damned and Children of The Damned. This group of human-like alien youths were all albino and had powerful psychic abilities which manifested as glowing eyes when angered or provoked: unlike most horror villains, the children only attacked when they felt threatened but they were very easily provoked and believed in violent punishment for any who harmed them (this was especially prevalient in the remakes - where they tortured and killed in very gruesome ways). Despite appearing as human children, the Children are actually not of this world and were the result of a mysterious mass pregnancy. The children possesses strong psychic energies as well as a common emotionless personality. They exert a powerful mind control which makes them extremely dangerous.

*The Midwich Cuckoos*

In the British village of Midwich, Winshire, people start falling into unconsciousness en masse. Suspecting gas poisoning, the army is notified. They discover that a caged canary becomes unconscious upon entering Midwich, but regains consciousness when removed from the village. Aerial photography also shows an unidentifiable silvery object on the ground in the center of Midwich.

After one day the mysterious effect vanishes, along with the unidentified object, and the villagers wake up with no apparent ill effects. Some months later, however, every woman of the child-bearing age of Midwich is pregnant: even those who are single or not otherwise in relationships with men. With all indications that the pregnancies were caused by foreign origin during the period of unconsciousness that has become to be referred to as "The Dayout".

When the 31 boys and 30 girls are born they appear normal except for their golden eyes, pale and silver-like skins. These children have none of the genetic traits of their parents. As they grow up, it becomes apparent that they are (at least in some aspects) not fully human: they possess telepathic abilities and can control others' actions. The Children possess two distinct group minds: one for the boys and another for the girls. Their physical development is accelerated compared with that of normal humans; upon reaching the age of nine, they appear to be sixteen-year-olds.

The Military Intelligence department learn that the same phenomenon has occurred in four other parts of the world, including an Inuit settlement in the Canadian Arctic, a small township in Australia's Northern Territory, a Mongolian village and the town of Gizhinsk in eastern Russia northeast of Okhotsk. The Inuit killed the newborn Children, sensing their children are not their own, and the Mongolians killed the children and their mothers. The Australian babies had all died within a few weeks (suggesting that something may have gone wrong with the growth process). The Russian town was recently "accidentally" destroyed by the Soviet government, using an atomic weapon from a range of 50-60 miles.

The Children of Midwich are aware of the threat against them, and the Children protect themselves as much as possible using a form of mind control. One young man who accidentally hits a Child in the hip while driving a car is made to drive into a wall and kill himself. A bull which chased the Children is forced into a pond to drown. The villagers form a mob and try to burn down the Midwich Grange, where the Children are taught and live, but the Children make the villagers attack and kill each other.

The Children also use their powers to prevent any planes from flying over the village. During an interview with a Military Intelligence officer, the Children explain that to solve the problem they must be destroyed. They explain that it is impossible to kill them unless the entire village is bombed out of existence, which results in massive civilian deaths. The Children present a suggestion (and an ultimatum): they want to migrate to a secure location, where they can live unharmed. They demand a plane from the government.

An educated elderly Midwich resident named Gordon Zellaby believes the Children must be killed as soon as possible. As he is terminally ill and has only a few weeks left to live due to a heart condition, he feels an obligation to do something. He has acted as a teacher and mentor of the Children and they regard him with as much affection as they can have for any human, permitting him to approach them closer than they allow other humans to. One evening, he, in effect abusing and betraying their trusts, hides a bomb in his projection equipment, while showing the Children a movie about the Greek islands as a potential haven for The Children. Zellaby sets the timer on the bomb, killing himself and all of the Children.

1960 Movie

The inhabitants of the British village of Midwich suddenly fall unconscious, as does anyone entering the village. The military arrives and establishes a cordon around Midwich, but not even wearing protection gears save them from fainting, as soldiers who wore masks also passed out feeling cold sensation. The pilot of a military reconnaissance plane is contacted and asked to investigate. But when he flies below 5,000 feet, he too loses consciousness and the plane crashes. A five-mile exclusion zone around the village is established for all aircraft. After approximately four hours, the villagers regain consciousness, and all are seemingly okay.

2 months later, women and girls of child-bearing age in Midwich village are discovered to be pregnant, sparking many wild accusations of both infidelity and extramarital sex. The accusations are quickly silenced as the unusual nature of the pregnancies is exposed: these fetuses are actually larger and more mature than what normal fetuses should be at their current month of gestation.

Eventually, all pregnant women of Midwich give birth on the same day. Their children, when born, possess unusual appearance, including eyes with unwavering stare, odd scalp hair construction and colors (platinum blonde), and abnormally narrow fingernails. As the children grow and develop (once again) at an unusually rapid rate, it becomes clear they also have a powerful telepathic bond with one another. They can communicate with each other over great distances, and as one learns something, so do the others. At the age of 3, the children are precocious, physically and mentally the equivalent of children four times their age. Their behavior has become even more unusual and striking. They dress impeccably, always walk as a group, speaking in an adult manner, and behave maturely. But they show no conscience or love, and demonstrate a coldness or even hostility to others, causing the villagers to fear and be repulsed by them. The children begin to exhibit the power to read minds and to force people to do things against their will: there have been a number of villagers' deaths since the children were born, many of which are considered unusual, and some citizens began to believe the children are responsible. This is confirmed when the children are seen killing a man by making him crash his car into a wall, and again when they force his suspicious brother to shoot himself.

Professor Gordon Zellaby, whose wife Anthea gave birth to David Zellaby who is one of the children, attends a meeting with British Intelligence to discuss the children. There he learns Midwich was not the only place affected; follow-up investigations have revealed that similar incidents occurred in other areas of the world. Zellaby is at first eager to work with them, trying to teach them while hoping to learn more about them. The children are placed in a separate building where they will learn and live. But the children, even in isolation and confinement, continue to exert their will, and Zellaby learns the Soviet government has used an atomic cannon to destroy the sole remaining alternate village containing their own spawn of mutant children. Zellaby ultimately compares the children's resistance to reasoning with a brick wall and uses this motif as self-protection against their mind reading after the children's inhuman nature becomes clear to him. He takes a hidden time-bomb to a session with the children and tries to block their awareness of the bomb by visualizing a brick wall. David scans his mind, showing an emotion (astonishment) for the first time. The children try to break down Zellaby's mental wall and discover the truth a moment before the bomb detonates, consuming the building in flames and killing them all.

*Children of the Damned*

This is a sequel to the 1960 Movie and interprets the children as being more pure forms of human beings rather than evil and alien. Six children are identified by a team of UNESCO researchers investigating child development. The children possess extraordinary powers of intellect. They are born without a father and are also capable of telepathy.

The children, from various countries - China, India, Nigeria, the USSR, the United States and the UK - are brought to London for a collective study into their advanced intelligence. However, the children escape from their embassies and gather at an abandoned church in Southwark, London. They intermittently take mental control of a woman to help them survive in the derelict church. Meanwhile, the military debates whether or not to destroy them. The children have demonstrated the capacity for telekinesis and ability to construct a complex machine which uses sonic waves as a defensive weapon, which kills several government officials and soldiers. But the military realizes that they only fight back when attacked. After psychologist Tom Lewellin makes a plea asking the group return to their respective embassies, the children appear to obey but kill several more of embassy and military officials before returning to the church. Lewellin urges the government to give the children leeway, but Lewellin's team of scientists observe the difference between an ordinary human blood cell and the cells of one of the children, discovering the children to be non-human. The government deems that the children have potentials to become a threat to the human race.

When authorities try to take control of the children by force, children are forced to protect themselves. As the situation escalates into a final showdown between the military and the children, one of the Lewellin's scientists arrives, correcting himself that the judgment of the children being alien was incorrect and that the children's cells are in fact human, advanced by a million years. Meanwhile, the children also imply they have arrived at the decision their presence is incompatible with that of basic humans, and therefore they intend to lower their defences and sacrifice themselves. The military commander recognizes a mistake has been made, and aborts the attack command. But the order comes too late: the command is triggered accidentally by a screwdriver - one of the simplest of basic man's machines. The church is destroyed, and the children are killed.

1995 Movie

Instead of Britain, this remake takes place in the United States of America. The coastal town of Midwich in California's Marin County is being invaded by an unseen force, causing a blackout for six hours, which leaves ten women mysteriously pregnant.

9 months later, the babies from the ten women are born simultaneously on one night, though one is stillborn. At first, they all appear to be normal, but it does not take the parents long to notice that they are anything but: the children are shown to all have pale skin, pale white hair, very advanced IQ, and cobalt-colored eyes but devoid of emotion or conscience. The children soon pair off as a male and a female, except for one of the boys, David McGowan, whose intended partner was the stillborn baby of the later tragically suicidal Melanie Roberts (whom was speculated or rumored by the townspeople to be a virgin). As a result, he exhibits normal human emotions while still resembling the other children and partially retaining their psychic powers. Their leader is Mara Chaffee, the daughter of local physician Dr. Alan Chaffee and local real estate agent Barbara Chaffee, but also the one truly responsible for her mother's psychically induced suicide when she and David were infants.

The children display psychic abilities that can result in violent consequences whenever they experience wrath or provocation. Government epidemiology expert and National Science Foundation representative Dr. Susan Verner, is forced to show the children the preserved stillborn baby she secretly kept to perform an autopsy, which is unveiled as an alien. She then is made to eviscerate herself. An angry mob gathers to kill the children, but the mob leader whose beloved priest husband unsuccessfully tried to gun down the Children on his own, is set on fire upon herself instead and burns to death while the state police sent there are instead hypnotized into shooting each other in a chaotic gun battle. Just like in 1960 movie, it is revealed that there are other colonies of children in foreign countries, but they had been quickly eliminated due to their inhuman nature. The children eventually move to the local barn as their classroom and for their perceived 'survival'.

In order to rid the town of the children, Doctor Alan Chaffee devises a plan: to detonate a briefcase of explosives inside the Children's classroom. By thinking of a brick wall, he is able to create a mental barrier and keep the presence of the bomb a secret from the children. Jill begs him to spare David because he is not like the others, and Alan agrees. He attempts to do this by asking David to leave the classroom to get his notebook from his car. As Alan and the Children exchange a heated discussion about isolation (the children desire to establish their own community away from humanity) against co-existence (Alan argues that they need to master this to ultimately survive and continue to go on living), the children begin to suspect that Alan is hiding something, and they use their mind control to repeatedly batter down Alan's mental wall. Then Jill shows up, and the children stop her and attempt to use mind control on her. David, grown tired of the Children, rushes to Jill's defense and knocks Mara over. The children turn on David, but Jill rushes him from the building. As soon as the children discover Alan thinking of the time bomb, it detonates, killing everyone inside, along with Alan.

Jill and David survive the massacre; she says that they will both move to a place where nobody knows them. David looks off into the distance as they drive away.

When I was done everyone was shocked.

Nico: Oh man.

Shanan: These aliens are very dangerous too. But to be sure on what they are I'll need to see one of them up close to confirm it.

Xenia: Okay.

Ghost: I hope they haven't done too much damage.

Lady Quark: I have a feeling they already have.

Nico: Then lets head out guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Nimue Badriyah of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, and Claudia Umbra. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Nimue Badriyah on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, and Claudia Umbra.

Lynn: And they're even madder than ever, now they're really going insane.

Me: Just as Lincoln and the Knightmare Coven of Justice predicted.

Nicholette Torrington: With the members of The Order of The Black Cross falling one by one, Morana Desdemona, Astrid Bathsheba, Lilith Draconia, and Nimue Badriyah are getting really pissed off big time, and they're already falling into rage and anger. But, that witch Nimue's going to pay for what she's done, especially when you and Lincoln teach her a lesson, Autumn.

Autumn Melaina: Yeah, I still owe her for what she tried to do in trying to cause the deaths of my parents by using black magic, and I can never forgive her for what she tried to do.

Clara St. Clarice: And what you said was true, Nico, those Satanic dark witches have tried to kill the Knightmare Coven's parents long ago with the use of black magic, only to fail when Morgana traced their black magic to them and they gave them a severe beatdown for their attempted murders, so it wasn't just Mara Ceirin whose had a grudge against those heartless dark Satanic goth bitches.

Nico: Yeesh, well, no one's going to say anything nice about them. Alright, gang, let's go, it's time to destroy The Children from The Village of The Damned.

Lincoln: And we'll make sure they never terrorize the lands ever again, and once we get done with The Children from The Village of The Damned, you're next, Nimue Badriyah.

Morgana DeRose: This is going to be a dangerous mission, we know what The Children from The Village of The Damned are capable of.

Lincoln: That's true, Morgana, but we've dealt with them before, and their glares have never affected us, and it's not just because of our powers, but we also have very powerful wills and minds. Plus, J.D. used The Children's own glare on them, and it killed them.

Autumn Melaina: Really?!

Lincoln played the video, and they were amazed and stunned.

Morgana DeRose: Wow!

Nico: I knew that'd impress you and your coven, Morgana, and Lincoln's right about what he said, now you're about to see for yourselves, now let's get going.

Me: Sure flies when you're having fun.

We were off to Midwich in England.

* * *

We were flying above the ocean to England.

Me: I have a feeling these children are causing a lot of trouble right

now.

Nico: We'll find out shortly. We're here.

We arrived at Midwich.

Skarr: Looks pretty peaceful here.

Me: I don't know guys.

We saw the entire village barren and deserted. No one was on the streets. It was like a ghost town.

Varie: Where is everybody?

Eli sensed for them.

Eli: They are all hiding. The children have this entire town in fear.

Me: Boy a town this empty gives me the creeps.

Qin: Yeah.

Astronema: Well, we're not scared!

Evil Green Ranger: Let's see if we can eat something here.

Nico: There should be a general store here.

Nicole: Our powers will not let the children control us.

Qin: Good.

We walked around and it was quiet.

Me: It's quiet. Too quiet.

Then a kid came out and she had white hair and brown eyes and had English Clothes on.

We gasped.

Mara Chaffee: (British Accent) Team Loud Phoenix Storm. Nice to finally see you.

I went over to her.

Me: Mara Chaffee I presume?

Mara Chaffee: Indeed. And we know why you are here. To destroy us.

Me: That is the case.

Mara Chaffee: You can't stop us, you know. Don't try.

Here eyes glowed a malevolent orange.

Me: I don't think so. (EYES GLOW RED) Surrender to us so we can ask you some questions.

Mara Chaffee: Yes sir.

We took her with us and we went into the general store.

Lois Griffin: You should be ashamed of yourself, young lady!

Me: Lois they have no emotion at all. Parental authority has no effect on them.

Lois Griffin: Oh.

I looked at Mara. We had her in a chair.

Me: Now Mara we are going to ask you some questions. If you cooperate with us we'll let you live.

Mara Chaffee: Oh course.

Me: Okay. Firstly what creature are you?

Mara Chaffee: I am what's called a Suicranite. We are Psychic Aliens from the planet Suicus in the Pinwheel Galaxy.

Shanan gasped!

Shanan: I knew it had to be them! I've heard so much about the Suicranites. They are dangerous psychic aliens. They have tremendous power with their brains. They are humanoid aliens that have the power to impregnate many women at once with their powers and they can alter the DNA of the human or creature and make it look like them. They have tremendously powerful psychic energy that makes people and all lifeforms do crazy things.

Qin: Whoa!

Loki: Oh man! That is awful!

Sir Toasty: How would you like to be destroyed? Death by fire?

Grodd: Or would you like me to turn you into a vegetable?

Nico: Stand down guys. J.D.'s not done yet.

Sir Toasty: Sorry.

Grodd: Sorry.

Me: Okay next question. What is the goal of the Suicranites?

Mara Chaffee: Our goal is to use our powers so that we may destroy all life forms and inhabit them with only our kind so that we may live as the only species in the universe. It's our nature of intergalactic supremacists.

We gasped!

Me: Oh man.

Nico: Not good.

Eli: Yeah! That is awful!

Camie: No kidding!

Ben: Just like the Highbreed of the planet Augstaka!

Nico: Whoa!

Me: Next question. Why have you chosen the people of Earth?

Mara Chaffee: To live in peace and make sure no humans know about us. There are many Suicranites that do not follow the ways of the people of our planet. We only want to be left alone.

Me: Looks like you fall into that category. Eli see if she is telling the truth.

Eli scanned her mind.

Eli: She is telling the truth. The rest of the Children however have this whole town in fear.

Grier: Takanuva, you and Ryotaro get a chance to shine today

Takanuva: Awesome!

Ryotaro: Sweet!

Me: Thank you for your time Mara.

Mara Chaffee: It was a pleasure.

Me: You are free to go however but I'm afraid the rest of your fellow Suicranites are not to be trusted.

Mara Chaffee: I understand so I will join the Masters of Evil in the future.

Me: Understood.

Loki: Wow! Awesome.

Optimus Primal: Normally, we don't kill kids.

Teen Tornado: But this isn't a normal situation!

Molten Man: At least we're sparing Mara.

Me: Yeah. Our code won't let us kill kids. But these kids are dangerous and they must be stopped.

Nico: I agree. As much as we don't like it this is one of those rare instances where we have to stop them.

Eli: I agree too.

Nami: We have to stop these kids.

Qin: I agree too.

Rotwood: If we do not stop them, they'll expand their reign of terror.

Me: We can't let that happen.

Nico: Time to show these kids that Earth is a planet not to be messed with. Especially with Team Loud Phoenix Storm protecting it and the entire universe.

Eli: That's right.

Gus Porter: Their psychic powers are intense though.

Me: I know.

Isaac Clarke: It's like what happened with the Necromorphs and how they did it.

Me: That's true Isaac.

Nico: Yeah. It was the incredible psychic energy of the Brethren Moons that lead to all those people going nuts and end up becoming Necromorphs. But this is completely different.

Biowulf: Let me sniff them out.

Black Scorpion: By all means.

Biowulf got to sniffing and he found their trail and it lead up to a graveyard 20 klicks to the north.

Biowulf: Found their trail. 20 Klicks north.

Me: They are in the graveyard.

Shaggy: Like my most unloved favorite place to go to.

Me: Well we still have to go there and stop them. This town must be saved.

St. Patricia: Those vile children must be stopped. No matter the cost.

Me: I agree too.

Nico: All right lets go.

We were off.

Qin: This is gonna be good.

Xenia: It sure is.

Bizarro: Bizarro gonna give kids a hug!

Yost X 23: Make sure it's a big one.

Me: She doesn't mean don't make sure it's a small one.

Bizarro: I won't do that.

Yost X 23: (In her head) Forgot to do it in opposite.

We arrived at the graveyard.

Me: We're here.

Nico: Hmm.

Zhalia: I got a bad feeling about this.

Me: I do too. But there is a lot of psychic energy here. It's all over the place.

Qin: Yeah. I sense it.

Me: Yeah.

Nico: Hmm. They are here though. I sense it.

Nico looked and found out that the energy of the Children was coming from inside a church up ahead.

Nico: They are in the church right there. Okay I have a plan.

Me: What is it?

We gathered and Nico's plan was to form an illusion of an angry mob armed with pitchforks, torches and weapons on the warpath to kill the kids and it was going to be good. And then we spring our entrance.

Toad: We could form a real angry mob.

Ticklepuss: It'll be more convincing that way.

Nico: No that would be too easy. We have to fight psychic power with psychic power.

Toad: Oh right.

Nico: Lets do it. When I give the signal, we attack.

Lincoln: Okay. Operation Psychic Mob Onslaught is a go.

Me: Nice operation title.

We hid in the bushes and Yakumo used her powers to form an angry mob. The kids came out and they saw it.

Kid 1: (British Accent) This will not stop us.

Their eyes glowed a malevolent orange and then the illusion vanished.

Kid 1: We were tricked!

Gantu: Entrance time!

We went at the children.

Then the children saw the spirits of planets and they swirled around them and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out.

Me: Okay kids it's time for some buttkicking!

Felix Faust: Mara has already left you fools.

Sara Siren: The rest of you are paying the price!

Ryotaro: Big time!

Momo-Ura-Kin-Ryu! Climax Form!

Ryotaro donned his Climax form!

Kid 1: You will never stop us.

They glared at us and their eyes glowed.

Me: I don't think so. (Eyes Glow Red)

They were under my control and they did horrible and terrible things to themselves and really let them have it!

Qin: WHOA!

Nico: Brutal.

Laney: Yeah.

Then Koragg, Black Manta, Black Knight Ghost, Dumbbeltron, Dodgeball Wizard, Kerbero Gangan, Gameface, David Cain, Vulkanus, Evil Snake, Live Action Bonecrusher, Two Face, Lillith, Yost Executioner, Yost Whirlwind, Emil Eagle, Thursday Man, Capricorn Zodiarts, and Evil Clayface appeared.

Nico: Koragg, Black Manta, Black Knight Ghost, Dumbbeltron, Dodgeball Wizard, Kerbero Gangan, Gameface, David Cain, Vulkanus, Evil Snake, Live Action Bonecrusher, Two Face, Lillith, Yost Executioner, Yost Whirlwind, Emil Eagle, Thursday Man, Capricorn Zodiarts, and Evil Clayface

Koragg: Mara is in our hideout safe and sound.

Me: Great!

Black Manta: The rest of these kids are dead.

Black Knight Ghost: No doubt about it.

Nico: No kidding there.

Dumbbelltron: (to Nico) We heard you faced the Sector V Spank Happy Vampires.

Nico: We sure did and it was cool.

Marionette Shadow: Did they get spanked for a change?

Me: We burned them all over with the sun. They were toasted and then tied up and sent back to you.

Eli: But Russia's KND got their butts paddled so bad that they needed ice put on them. Massive tubs full of them.

Nico: Yeah.

?: Ouch.

Sonimax came out and with him was a new Rinshi that looked so much like Vypra but with a hummingbird.

Me: Back for another round I see Sonimax.

Sonimax: Yep.

William: So, you guys got a never before seen monster?

Sonimax: It's the end of result of Vexen doing his latest experiments.

Hummerzoom: Name's Hummerzoom and I'm the Hummingbird

Rinshi.

Nico: Wow! This is awesome!

Laney: That one is perfect for Carly.

Carly Atlas: It sure is.

We got the usual battles underway.

Ben 10,000, Fluttershy, Tornado Bolt, Life Skylanders, Major Dr. Ghastly, and Skarr vs Dumbbeltron - Meeting Gene-slammers for Metaion the Timelord and Erebus the Underworld Monarch

---

Dumbbeltron was next.

Dumbbelltron: (to Ben 10,000) I heard you guys met Gene-slammers for Metaion the Timelord and Erebus the Underworld Monarch. What are their names?

Ben 10,000: Their names are Melanie Emperyous and Darcy Erebus.

Fluttershy: They are really amazing and gifted too.

Tornado Bolt: Yeah they sure are. And their story is crazy too.

---

Melanie Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more

stronger than ever.

Darcy Erebus: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Emperyous: That's incredible.

Nico: It sure is. So, Melanie, Darcy, what are these two horrible revelations you have on those two buttfaces Hawk and Hank, and on Stern Fern?

Melanie Emperyous: Allow me to go first. I found out long ago those two jerks were pulverizing some of Lincoln's friends and making their lives a nightmare, so, I stepped in and I thrashed them so bad that they were traumatized by the mere sight of me, and she vowed that if I ever saw them again, I would kill them and throw their severed heads into a piranha infested river in South America and turn them into fish food.

We gasped in shock.

Nico: Why those heartless, butt ugly buttfaced jerks from Hazeltucky!

Lincoln: Yeah, and when I found out from Melanie about what they did to Clyde, Rusty, Liam, and Zack, I went down there and I also brutally beat them up badly.

Selene Emperyous: After she told us about it, we were really pissed off at what those heartless psychopaths did, and we wanted to rip them to shreds. But, Melanie took care of them and gave them a nasty case of trauma.

Darcy Erebus: And those two heartless psychopaths from Hazeltucky are now in prison for the rest of their lives, a fitting punishment for what they've done. Now, it's my turn to tell my tale, you see the very reason why Lincoln said I absolutely despised and loathed Stern Fern with an absolute vengeance and wanted to personally send her to Hell is because long ago, she murdered my entire family and I vowed to get revenge on her and make her suffer for all of her crimes before I killed her. (CRIES IN SADNESS)

We gasped in horrifying shock, including the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Darcy Erebus and hugged her, while she hugged him and cried onto his bare chest.

Nico: Oh my God!

Me: Why that heartless, bad-tempered, ugly cow! She's literally crossed a very big line!

Darcy Erebus felt Lincoln's massive and muscular body shake with undeniable fury, and his muscles bulged even more and she saw veins in his biceps.

Lincoln: She doesn't deserve to live a single second further! If I ever see that angry, evil, sadistic fat cow, Stern Fern, even out of her cell, I will personally rip her head off and mount it on a stake, and then, I'm going to personally rip her guts out and let the creatures of Hell devour her guts and her headless corpse!

Nico: Uh oh, and since Darcy's one of Lincoln's Guardian Angels, any who dare to hurt his Guardian Angels in any way are going to suffer badly, and for some of them, it's going to be fatal!

Me: Yeah, look at what happened with Amy McKale and Dustin Keystone, they wound up getting their just desserts from Lincoln beating them up badly, and when they showed their ugly faces again, they eventually lost their lives and got sent to The Black Gates for good.

Nico: Don't forget Weiss' former so-called father, Jacques.

Lori: Yeah, I literally couldn't forget what Lincoln and Weiss did to him.

Lynn: Oh man, I knew Stern Fern was bad, but this, now she's an out-of-control animal. If she dares to break out, Lincoln, what you just described, please do it.

Lincoln: You got it, Lynn.

FLASHBACK ENDS

Dumbbeltron: Oh my goodness! Stern Fern killed Darcy's parents!? That woman is totally out of control!

Vulkanus was next.

Vulkanus: (to Shanan) What are the kids of Village of The Damned? Are they really demons?

Shanan: I saw that these kids were actually Suicranites. They are Psychic Aliens from the planet Suicus in the Pinwheel Galaxy and they are very dangerous.

Vulkanus: Oh man! I've heard of Suicus and the Suicranites. They are the most feared lifeforms in all of the Virgo Supercluster. They have the power to psychically induce pregnancy with their own kind and make hybrids as well as give the children their powers. They have the power to cause people to do evil things against their will with psychic powers that they have.

Shanan: That's right. These kids were given to us as a means for the Suicranites to take over the world.

Princess Luna: We can't let that happen.

Moondust: No they are too dangerous.

Snowdrop: For everyone and everything.

Gari: Their goal is to kill all the lifeforms in the universe so they can reign as the most superior force in the entire universe.

Lincoln: You evil Children have failed this entire world!

Nico: More like they've failed this entire universe, Lincoln.

Autumn Melania: That's right. Oh, and there's a reason why I wanted to be the one to take on that witch, Nimue Badriyah. It's because she was the one who murdered my older brother, Johnathan.

We gasped in shock, except for Lincoln and the Louds who knew of that incident long ago.

Victoria Donovan: Autumn's right, and Johnathan knew of Autumn's feelings for Lincoln, and he also wanted to be there for when they got married in the future, but Nimue cut his life short when she had him killed as revenge on us.

Nico: That bitch! Alright, Autumn, Nimue's all yours, and awesome job, guys, but we're not done yet, we've still got Nimue Badriyah to deal with, and that dark Satanic Witch of The Order of The Black Cross should be arriving… right now!

?: I will make you and your entire coven pay for killing us four years ago, Morgana DeRose!

Autumn Melaina: I should've known there's no mistaking that voice from anywhere. You can come out now, Nimue Badriyah.

An inverted Black Cross with an inverted pentagram appeared in the skies, and a tornado of darkness appeared from the ground and demonic screaming echoed in the air, and when it disappeared, what stands in its place is a girl with long black hair, red eyes, black clothes, and an inverted black cross with an inverted pentagram on her right arm, it was Claudia Umbra, a dark witch and one of the eight members of The Order of The Black Cross.

Autumn Melaina: Nimue Badriyah, I should've known you'd show up here, you dark witch!

Nimue Badriyah: And now, I will have my revenge on you for what you did to us four years ago! You ruined our ritual to prove our loyalty to Satan!

Autumn Melaina: I have no remorse in what we did four years ago, and you're about to suffer the same fate as your master, and you're also going to pay for what you did to my brother, Johnathan.

Suddenly, Autumn Melaina's red eyes turned neon red and she was surrounded by a black and dark blue energy aura with darkness, winds, dark magic, and gryphons, she unholstered her massive Knightmare Gryphon-themed greatsword from her back, and as she approached Nimue Badriyah, she left black and dark blue energy, darkness, dark magic, winds, and gryphons with every step.

Autumn Melaina: I will never forgive you for what you've done in the past, Nimue Badriyah, you and the rest of The Order of The Black Cross have caused far too much trouble to all of Michigan for the final time to prove your loyalty to Satan, and now, I'm going to make sure that you die here and now, and this time, you're never coming back!

Suddenly, Autumn Melaina was surrounded by a massive vortex of black and dark blue energy with darkness, winds, gryphons, and dark magic surrounding it, there's Knightmare Gryphon flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Nimue Badriyah: the blood red eyes of death. Then, as the vortex faded, Autumn Melaina emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Autumn Melaina grew from 6'5" to 7'1" in height, she has the body of a goddess, she has midnight black highlights in the bangs of her long flowing dark blue hair, she has neon red eyes and a black and light green energy aura with with darkness, winds, dark magic, and gryphons surrounding her, she has Knightmare Gryphon with the Dark Kanji in its talons emblazoned on her forehead, she has on gryphon earrings with dark blue gems for eyes and holding the Dark and Eternity Kanjis in its talons, she also has Knightmare Gryphon with dark blue gems for eyes and the Dark and Eternity Kanjis in its talons for the second pendant on the bottom of her dark blue gryphon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Autumn Melaina has on a sleeveless midnight black midriff top, long midnight black skirt, midnight black pants, midnight black high-heeled boots, and long sleeveless white trenchcoat with darkness, winds, dark magic, and gryphons on the coattails, and on the back is Knightmare Gryphon with darkness surrounding it. Suddenly, Autumn Melaina felt a sharp pain on her back, and then, her massive dark blue angel wings with black tips on the feathers grew much bigger for her new body. Autumn Melaina has on a Ring of The Phoenix with dark blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Autumn Melaina's massive Knightmare Gryphon-themed large sword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and dark blue energy with darkness, winds, dark magic, and gryphons, and when it emerged, it transformed into Knightmare Gryphon's Dark Magic Windstorm Greatsword of Dark Magic and Darkness Justice, it's a brand-new large greatsword with Knightmare Gryphon etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black gryphon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large midnight black gryphon heads and a large dark blue gem below the black gryphon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Knightmare Phoenix's head with crimson red gems for eyes and a crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Spellbook of The Knightmare Realm, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Autumn Melaina has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC WINDSTORM KNIGHTMARE GRYPHON ANGEL OF DIVINE DARK OCCULT MAGIC JUSTICE AND DIVINE WINDSTORM DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Autumn Melaina's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Nimue Badriyah saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Autumn Melaina dodged it and she fired a powerful black and dark blue energy blast with darkness, winds, dark magic, and phoenixes at Nimue Badriyah and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Autumn Melaina's now the next of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: The Windstorm Dark Magic Gryphon of Justice VS. Satanic Black Magic of Evil.

Lincoln: This is going to piss Morana and the remaining members of The Order of The Black Cross off even more, and Autumn, you look beautiful, how do you feel?

Autumn Melaina: (Divine Echoing Cosmic Voice of The Windstorm Dark Knightmare Gryphon and Divine Dark Magic Wind Occult Justice) **I feel incredible, Linky, now shall we deal with that Satanic witch, Nimue Badriyah, once and for all?**

Lincoln: (Smiles) With pleasure, Autumn.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Autumn Melaina.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Nimue Badriyah, and this time, you're never coming back from the dead again, and you're going to pay for killing Autumn's brother long ago!**

Autumn Melaina and Lincoln went after Nimue Badriyah, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and dark blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Gryphons at Nimue Badriyah and they exploded with incredible power as they hit her. Then, they attacked Nimue Badriyah with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Nimue Badriyah.

Nimue Badriyah: You! (Voice suddenly turning demonic) **You! I'LL**

**KILL YOU!**

Nimue Badriyah let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Nimue Badriyah tried to attack again, but Autumn Melaina and Lincoln dodged her claws and Lincoln chopped off her tail as she screamed in agonizing pain, and he trapped Nimue Badriyah by forming a magic circle below her feet. Then, Autumn Melaina used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Nimue Badriyah, and it stripped the dark Satanic witch of all of her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Autumn Melaina and Lincoln to fire powerful black energy blasts at Nimue Badriyah, and they exploded with incredible power as they hit her, and she was killed.

Then, Nimue Badriyah's spirit appeared, and as soon as it did, Autumn Melaina and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Nimue Badriyah: NO! NO! DAMN YOU, AUTUMN MELAINA! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Nimue Badriyah was erased by The Black Gates and never to return again. We cheered wildly for what Autumn Melaina and Lincoln did to Nimue Badriyah as they holster their massive greatswords on their backs and powered down, and Autumn Melaina's new body, clothes, weapons, jewelry, and massive dark blue angel wings are permanent.

Autumn Melaina: That's another dark witch who'll never rise from the dead again, and that's for what you did to my brother. Thank you for helping me destroy Nimue Badriyah, Linky.

Lincoln: (Smiles Warmly) You're welcome, Autumn.

Suddenly, Autumn Melaina wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Autumn Melaina's face, they kissed passionately as Autumn Melaina's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Gryphon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we cheered wildly. Lincoln and Autumn Melaina came back, as the display and Knightmare Gryphon vanished.

Nico: Alright, Autumn Melaina and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Nimue Badriyah.

Lincoln: And made sure she'd never come back again, and not only did we avenge Autumn's brother, but we also pissed off Morana Desdemona, Astrid Bathsheba, and Lilith Draconia even more.

Morgana DeRose: Morana's already seething with even more pure rage and hatred now that Nimue Badriyah has been defeated and killed again.

Lincoln: Yep, which means the one we're going to face tomorrow is Lilith Draconia, and you and I are going to destroy her for good, Victoria.

Victoria Donovan: You said it, Linky, and Adara Dunstan will deal with Astrid Bathsheba, and finally, Morgana DeRose will deal with Morana Desdemona. Plus, I was glad that I switched with Autumn

Melaina, and she'd been wanting this chance to put down Nimue Badriyah. After what she did in killing her brother, she'd been wanting revenge on her since that very day.

Selene Emperyous: Autumn was so heartbroken by what happened to her brother, but now, his soul is now at rest now that his murderer is gone for good, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Laney Emperyous, the Lazion the Timelord Gene-Slammer and the third of the three Fire Masters and a master of Fire Magic, and she's got a really nasty revelation about Lynn tomorrow.

Nico: We'd already heard a ton of nasty and bloody revelations from the other Guardian Angels about Lynn, but I can guess there's another one heading our way.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, but some of us might've known about that Lynn did that day as well, and we'll meet another Monarch Gene-Slammer, and my guess is Gina Granmorg, the Granmorg the Rock Monarch.

Eli: Ooh, now that's an awesome one!

Dodgeball Wizard: Looks it's game over for these kids!

Gameface: You said it!

Me: Yep.

Kerbero Gangan: Now, the people here won't be afraid anymore.

David Cain: Let's go back to that resturant you guys visited earlier.

Vulkanus: I could use a bite.

Me: Good idea. I'm hungry.

Then the people of Midwich all came out and they roared in praise and they hoisted all of us up in a mesh net and lifted us as they called us all heroes!

Me: Wow! This is amazing!

Nico: Yeah!

Sunset Shimmer: (To the viewers) Hope you weren't scared by this one and this was a really awesome one.

Nico: It sure was. Awesome job today everyone.

Me: Thanks.

We later went back home and had an awesome dinner and later went back to the estate and enjoyed the rest of the day and went to sleep.

Something really big and it wasn't good.

Nico: Whatever the teens are all planning is not good.

Qin: We have to stop it no matter what.

Xenia: Those kids are in big trouble.

Camie: Whatever they are planning we have to stop it.

Me: And we will.

Kaz: Yeah no kidding there.

Nico: Thanks for coming with me, Kaz.

Kaz: No problem Nico. This is gonna be so awesome and fun helping you out. I can't wait to kick some butt.

Tsuyu: Me too.

Nico: Kaz, did you really have a nightmare where the creatures of Perim invaded Chaotic and Earth?

Kaz: I sure did and it was awful.

Me: Well that was just a dream. It wasn't real.

Kaz: Felt like it. But yeah.

Laney: At least it didn't happen for real.

Xenia: Yeah no kidding there.

Nico: That nightmare was only half right. The creatures of Perim have come to Earth following Aaune's death. But they don't have any desire to conquer it.

Me: That's good they don't.

Qin: Yeag no kidding.

Kaz: That's true.

Me: Yeah. By the way Kaz how are you and Kendra liking it as a couple?

Kaz: It's the best ever. We went on our second date at Phoenix Land and it was awesome.

Nico: Neat.

Me: Yeah!

Eli: Yeah but yesterday was really amazing.

Camie: Boy it sure was.

Nico: I didn't expect Mara to join us.

Me: Me neither. But it was awesome to ask her all those questions.

Luz: It sure was. That was a really awesome adventure yesterday.

Amity: Scary and awesome too.

Laney: It sure was.

Felicia Wittebane: We all thought it was cool.

Nico: Now, her former teammates are a forgotten memory.

Me: Yes they are. But the most amazing surprise out of that whole adventure was having Zayto with us.

Nico: That is true and Cornelia starts her missions today.

Cornelia: It's about damn time!

Maria: I know! But the wait was worth it.

Laney: It sure was.

Me: I can't wait to kick some Sporix Butt with all the Dino Fury Rangers. We got a lot to tell them.

I showed my Dino Fury Sword.

Me: They are gonna have one helluva field day hearing about the Another Dino Fury.

Nico: Also, Z Delgado, Zoey Reeves, Jen Scotts, Mira Torvald, Gina Granmorg, Shu, Karin Uzumaki, Ninjor, Jade Hyotonia, and Sydney Drew will be backup core members.

Me: Sweet!

Lincoln: Gina will be happy to hear that she was chosen Nico.

Nico: I'm glad buddy.

Me: And some of the SPD Rangers will love that they were chosen for backups.

Xenia: Yeah they sure will.

Me: Yep.

Laney: Yeah they will.

Nico: And I was thinking that those in the core 310 can lead their own 6 member teams. Myself included of course.

Me: That's an interesting idea.

Qin: Yeah it sure is.

Xenia: I agree too.

Lola: Yeah! Leading six member teams is awesome.

Kaz: I like it Nico. That's cool!

Eli: Boy it sure is!

Nico: Yeah. Thanks guys.

Me: No problem.

We arrived at McClintock High School.

Eli: Here we are.

Lola: McClintock High School. This place has caused lots of problems for the Kids Next Door.

Me: And all of them are bad.

Eli: Yeah but not all of them.

Nico: How about we head to the cafeteria?

Then we heard something.

Evil Teens: DEATH TO ALL KIDS!

Me: That sounds like the teens.

We went to the cafeteria and looked inside and we saw all the teens together.

Evil Stacey: Soon our plan to destroy all the kids in this sector will be complete. We're going to kill them all with the thing they love the most: Nacho Cheese Sauce!

We gasped.

Evil Stacey: Those meddling Kids have plagued us for the last time! It's time to end it!

They unveiled a really huge and massive missile! It was a nuclear warhead and it was filled with scalding hot radioactive nacho cheese!

Evil Stacey: We will launch this missile and it will fall onto this spot and explode and flood the area and the state with nuclear scalding hot lava nacho cheese and it will kill all the kids in the state!

THE KIDS ROARED IN EXCITEMENT!

Me: That's insane!

Nico: Oh hell no!

Eli: Not on our watch!

Albedo turned into Negative Bloxx.

Negative Bloxx: Not gonna happen!

Nico: Lets get them!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kid 1: It's ready to launch.

Evil Stacey: Excellent. Set the countdown for 3 hours.

She did so and the timer counted down. 2:59:55.

Computer: T Minus 3 Hours and counting.

Evil Stacey: The Kids Next Door are done for!

They cheered!

Then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion of blue fire blasted in and a wolf howl was heard and we arrived.

Me: You are not launching that missile!

Evil Stacey: Team Loud Phoenix Storm! KILL THEM!

They donned their Teen Ninja Armors and went at us and then we punched and pulverized them all over the place!

POW BIFF SMASH WHAM BLAM BASH!

KRABLAM!

I punched a kid in his face and knocked out all his teeth!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Evil Stacey: Blast them!

They fired lasers and energy beams at us and Felicia deflected the blasts all back with her dark magic and blasted them all over.

Eli fired waves of Force Lightning and electrocuted the evil kids all over!

Me: NO ONE hurts kids on OUR WATCH! (Activates Sunfire's Ridewatch)

(SLEEPING SUN BY NIGHTWISH PLAYS)

Me: (SINGING DIVINELY AS FIRE SWIRLS AROUND ME!)

The sun is sleeping quietly

Once upon a century

Wistful oceans calm and red

Ardent caresses laid to rest

For my dreams I hold my life

For wishes I behold my night

The truth at the end of time

Losing faith makes a crime

I wish for this night-time

To last for a lifetime

The darkness around me

Shores of a solar sea

Oh how I wish to go down with the sun

Sleeping

Weeping

With you

Sorrow has a human heart

From my god it will depart

I'd sail before a thousand moons

Never finding where to go

Two hundred twenty-two days of light

Will be desired by a night

A moment for the poet's play

Until there's nothing left to say

I wish for this night-time

To last for a lifetime

The darkness around me

Shores of a solar sea

Oh how I wish to go down with the sun

Sleeping

Weeping

With you

I wish for this night-time

To last for a lifetime

The darkness around me

Shores of a solar sea

Oh how I wish to go down with the sun

Sleeping

Weeping

With you

I danced and fired waves of sun fire and blasted the evil Teen Ninjas down all over the place!

Qin: YEAH! Take that!

Sougo: (gets out Zi O II Ridewatch) Someone stop that missile!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) I'm on it!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

The Evil Teens were in his way!

Kid 2: You'll have to go through us!

They fired lasers and he deflected them back.

Amity Blight kicked Evil Stacey in her face and knocked her down!

Amity Blight: No one does this to innocent children! Especially since me and Luz are going to be a family in the future!

Luz: You tell her Sweet Potato!

Evil Stacey: You are disgusting!

Amity Blight: Screw you bitch!

POW!

She punched her in the face!

Evil Stacey roared in ferocious fury and Amity activated her ridewatch for Lumine.

(NEMO BY NIGHTWISH PLAYS)

Amity Blight: (SINGING DIVINELY AS DARKNESS AND MAGIC SWIRLS AROUND HER)

This is me, for forever

One of the lost ones

The one without a name

Without an honest heart as compass

This is me, for forever

One without a name

These lines the last endeavor

To find the missing lifeline

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

My flower, withered between
The pages two and three
The once and forever bloom gone with my sins
Walk the dark path
Sleep with angels
Call the past for help
Touch me with your love
And reveal to me my true name
Oh, how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark
For hope I'd give my everything
Oh, how I wish
For soothing rain
Oh, how I wish to dream again
Once and for all
And all for once
Nemo my name forevermore
Nemo sailing home
Nemo letting go

Oh, how I wish

For soothing rain

All I wish is to dream again

My loving heart

Lost in the dark

For hope I'd give my everything

Oh, how I wish

For soothing rain

Oh, how I wish to dream again

Once and for all

And all for once

Nemo, my name forevermore

Name for evermore

Amity fired a powerful blast of energy and Evil Stacey fired a massive energy wave and the blasts collided and Amity pushed her blast forward and the blast got close enough and when the song ended the blast exploded in Evil Stacey's face with incredible power and sent her crashing into the missile control console and the missile shorted out and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The entire school cafeteria exploded into a massive raging inferno of epic proportions! IT WAS INCREDIBLE!

The whole cafeteria and all of McClintock High School was up in flames!

Me: That is one way to have all your plans go up in flames!

Evil Stacey: NOOOOOOOOO!

Nico: You kids are finished!

Evil Stacey: YOU ALL WILL PAY FOR THIS! KILL THEM! LEAVE NO ONE ALIVE!

They went at us roaring in fury!

We punched and blasted and kicked them all over.

Nico: And by the way, Ripster and 4 Rabbids are coming with Cornelia today.

Cornelia: Awesome!

PPOW BLAM SMASH!

Luz: (To Evil Stacey) NO ONE INSULTS ME AND AMITY!

She punched her in the face and kicked her in the stomach 20 times and then kicked her in the face and sent her crashing into the ground and then fired waves of fire magic and the blasts all hit Evil Stacey all over and smashed her down with incredible fury!

Luz: (ACTIVATES WEB CRUSHER'S RIDEWATCH) Lets get one thing clear you ugly old hag! (STACEY WAS ENRAGED) I love Amity more than anything! I I have always loved her ever since I went to the Boiling Isles! AND

NO ONE INSULTS HER!

(THE MUMMERS DANCE BY LORENNA MCKENNITT PLAYS)

Luz: (SINGING DIVINELY AS MAGIC AND ELEMENTS SWIRL AROUND HER)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves

And summon the shadows there

And tie a ribbon on those sheltering arms

In the springtime of the year

The songs of birds seem to fill the wood

That when the fiddler plays

All their voices can be heard

Long past their woodland days

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

And so they linked their hands and danced

'Round in circles and in rows

And so the journey of the night descends

When all the shades are gone

A garland gay we bring you here

And at your door we stand

It is a sprout well budded out

The work of our Lord's hand

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

She danced and fired waves of elements and blasted Evil Stacey down and and then really kicked her in her face!

Me: Wow! Way to go Luz!

Gus Porter: She sure knows how to defend Amity's honor.

Me: What can I say, they are perfect as a couple.

Just then, we heard footsteps.

Out came WOLFGANG from episode 8 of Dino Fury!

---

Over 65 million years ago, Draknarok and the other Sporix Beasts invaded Rafkon, the home planet of Zayto. Though he and his fellow Knights of Rafkon fought hard, the Sporix ravaged Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and thier dinosaur allies to retreat. When all seemed lost however, the Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangers which gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs.

When the Sporix are accidentally released in the modern day during Void Knight's invasion of Dinohenge, Wolfgang's egg is amongst the Sporix that escape. g TV STORY-Destination Dinohenge.

Sometime after he escaped, Wolfgang hatches off screen and allies with Void Knight without setting off the Ranger Hotline. Realizing his special ability, Void Knight decides to use him to neutralize the Rangers' Megazord by having another Sporix Beast distract them. After witnessing the Rangers defeat Doomsnake with the Dino Fury Megazord Blade Formation, Void Knight orders Wolfgang to mark his territory and he does this by emitting a powerful howl that disassembles the entire Megazord. After learning about the Ninja Nexus Prism from Mucus, Wolfgang teleports outside of BuzzBlast and confronts Mick Kanic by ordering him to come with him or else. However, Mick proves to be difficult for Wolfgang to capture as he transforms into a toy car and runs circles around him. The Rangers confront Wolfgang and morph but he proves to be a challenge, even using his howl to peel off the Boost Key armor that Amelia and Izzy summon. The fight ends when the Rangers teleport Mick back to Dinohenge and Wolfgang returns to Area 62 empty handed, apologizing to Void Knight in a begging position worrying about what punishment the Knight has in store for him. Luckily for him, Boomtower offers his services to grab the Prism for Void Knight and due to the latter's condition, the robotic general requests Wolfgang to serve as his back-up.

Wolfgang later accompanies Boomtower in his search for the Nexus Prism and finds it along with the Rangers at the waterfront. However, they cannot claim the Prism as it flies into the sea thus leaving them to face the Rangers. After Boomtower corners the Rangers below a cliff, he orders Wolfgang to use his howl to break the cliff apart and have it crash down onto the Rangers. Just before Wolfgang can completely destroy the cliff, Mick arrives and tosses a No-Howl Drop into his throat, making his voice shrill and preventing him from using his howl. With no other choice, Wolfgang grows giant sized and is followed by Boomtower but Wolfgang is not seen for a while after. When the Rangers overwhelm Boomtower with the Dino Fury Megazord Warrior Formation, Mucus orders Wolfgang to help out. Wolfgang tries to jump from behind but is impaled by the Megazord's lance and mortally wounded, slipping off of it before faceplanting and exploding. He reverts back into his Sporix Cell form which Mucus easily claims with a baseball glove, lamenting on how he would have sung at her birthday party and later delivers it to Void Knight who places it into his machine.

Reaghoul demonstrates his revival powers by reviving Wolfgang alongside Brineblast as remnant copies. Upon being being revived, Wolfgang gets into a brief arguement with Brineblast after the former comments on something smelling fishy to which Brineblast retorts back with him being house trained before being given to Reaghoul and Lord Zedd to use in a plan to capture all of the Rangers. He teleports in with Zedd and Reaghoul behind the morphed Rangers after Brineblast's distraction as Zedd throws the sleepy cuffs on the Rangers. Upon Reaghoul realizing Ollie was missing and needing him, he commands Brineblast and Wolfgang to search the woods for him and bring him back to which they obey as they venture off to find him. Wolfgang would use his enhanced smell to pick up Ollie's scent and finds him leading Brineblast to them. He foreshadows to Ollie that his friends won't respond back to him. They confront Ollie before he morphs and comments on how they have a score to settle with Ollie before he uses his sonic howl on him, missing him but breaking apart the skeleton decoration. Ollie remebers his sonic howl abilities but the weakness as well so Solon throws a No-Howl drop which goes into Wolfgang's throat again and makes his voice high pitched once again, ending his sonic howl. With Wolfgang's sonic howl rendered useless, he is urged on by Brineblast to attack Ollie to which he does. Whilst they hold their own against Ollie, they weren't able to defeat him as Ollie destroys Wolfgang first with some slashes. However, thanks to Reaghoul's ability, he and Brineblast are revived once again with Wolfgang regenerating first. Ollie uses the Spin Key on Brineblast whilst Wolfgang is annoyed the Blue Ranger is spreading Brineblast's fish smell everywhere before his partner is thrown against him. Unfortunately for Wolfgang, when Ollie uses the Elasto Key Slash, the slash goes through Brineblast and him, destroying the two again.

Reaghoul revives him and Brineblast for a third time at Dinohenge, intending for Ollie to fight the four of them and be defeated. He laughs manically alongside his partner Brineblast, Reaghoul, and Zedd at Ollie being doomed fighting them all. He waits at Dinohenge for Ollie and goes to confront him with Zedd and Brineblast. However this does not happen as Ollie's Dino Dagger trick breaks Zedd's Compliance Collar which has him fuming in anger and going against Reaghoul. Reaghoul orders them to keep Zedd busy before teleporting away with Mucus and they obey, with Wolfgang making the first move and charging on Zedd but Zedd takes them on easily with him dodging the charge and kicking Wolfgang down. Wolfgang tries to take Zedd down only to be sent back by his shockwave. He is then shocked when Javi and Izzy help him while reacting in shock and then relief upon seeing the Rangers help him out. He and Brineblast spectate the Rangers fighting Zedd before the villainous overlord retreats away to retrieve his Z Staff from Ryjack's collection. Seeing Zedd retreat, Wolfgang follows Brineblast's call and grows giant, ending the temporary truce. He and Brineblast are surrounded by the T-Rex Champion, Tricera Blade, and Ankylo

Hammer Zords before being attacked by them. The pair are then confronted by the Dino Fury Megazord Blade Formation and despite working together, they were dealt blows from the Megazord's blade before Zayto uses the finisher Double Mega Slash, making them fall onto their sides and explode for good.

---

Me: Wolfgang! I remember you!

Laney: This is a scary one!

Wolfgang (Dino fury): I do look scary.

Me: Yeah you do but you were sent to mess up the Dino Fury Rangers Powers so that they would be easy to take down.

Wolfgang (Dino Fury): That's right. Good memory.

He howled and fired a sonic blast that blew the Evil Teen's eardrums apart and made them bleed!

Nico: Nice!

Nico: Who else came with you?

Wolfgang (Dino Fury): The Another Omnitrix Alien. She'll be here shortly. Figure you guys could use a hand before we dance.

Me: Thanks. Remind me to give you an awesome steak for helping us out.

Wolfgang (Dino Fury): Oh boy! (Pants like a dog) I love steak!

We blasted the Evil Teens all over and knocked them down and then they were tied up and arrested and sent to prison.

Me: Serves them right for building a nuclear warhead.

Wolfgang (Dino Fury): Boy no kidding. The Masters of Evil are not going to like this.

Me: Yeah no kidding. And as promised.

I pulled out a huge steak and gave it to him and Wolfgang was munching on it and he loved it.

Nico: (LAUGHS) That is cool.

Then a stream of black lego blocks came in and reformed into a black version of Bloxx! It was ANOTHER BLOXX!

Nico: Whoa! Another Bloxx!

Me: This will be an awesome one.

Another Bloxx: (In a girls voice) And I actually don't mind this one because I love playing with legos.

Me: Simone Valannika! Oh wow!

Nico: You know her J.D.?

Me: I sure do. She's an awesome Air Force Pilot for the United States Air Force and she also knows how to fly lots of amazing and cool planes.

Kaito: Wow! She would get along great with Taylor.

Me: I was just about to say that. Taylor of the Wild Force Rangers would get along great with her too.

Another Bloxx: I'm sure I would. And I love to fly like my hero Amelia Earhart.

Me: She was an awesome pilot.

Maria: What did Swartz promise you?

Another Bloxx: Just to become the greatest pilot ever for my own futuristic plane.

Me: We can easily do that for you. We have a hanger filled with lots of awesome planes from the past and the future.

Another Bloxx: Wow! I see that Swartz was lying to me.

Me: Well he is dead now. Gone for good.

Qin: We gave him the black gates.

Another Bloxx: Good. But I saw your battle and that was so awesome.

Me: It sure was.

Wolfgang was finished with his steak.

Wolfgang (Dino Fury): (BELCH) Excuse me. That was awesome!

Me: Glad you liked it.

Nico: You and Cornelia face Wolfgang while we face the Another Bloxx.

Me: Right. Lets do it!

We went over and faced Wolfgang.

Nico: (takes out Sportsmaster's Ridewatch) Time for sports!

Another Bloxx: Show me what you got!

Nico activated his Ridewatch for Sportsmaster.

Nico: (SINGING DIVINELY AS SPORTS BALLS SWIRLED AROUND HIM)

Hearts on fire

Fever's rising high

The moment of truth draws near

Time will not allow you to stay still, no

Silence breaks the heart and bends the will

Nico threw all the balls and smashed Another Bloxx down. Another Bloxx turned into a fighter jet!

Eli: Oh wow!

Qin: That is so cool!

Nicole: Segmentasapiens do have that kind of power.

Another Bloxx: Is that what I am? Wow!

She flew into the air and Gus Porter flew after her.

Gus Porter: This is always so fun! (ACTIVATES BATTY'S RIDEWATCH)

(ADVENTURE OF A LIFETIME BY COLDPLAYS)

Gus Porter: (SINGING DIVINELY AS BATS AND BLUE ENERGY

SWIRLS AROUND HIM)

Turn your magic on, umi she'd say

Everything you want's a dream away

We are legends, every day

That's what she told him

Turn your magic on, to me she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds

Now I feel my heart beating

I feel my heart beneath my skin

I feel my heart beating

Oh, you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Said I can't go on, not in this way

I'm a dream that died by light of day

Gonna hold up half the sky and say

Only I own me

Now I feel my heart beating

I feel my heart beneath my skin
Oh, I can feel my heart beating
'Cause you make me feel
Like I'm alive again
Alive again
Oh, you make me feel
Like I'm alive again
Turn your magic on, umi she'd say
Everything you want's a dream away
Under this pressure, under this weight
We are diamonds taking shape
We are diamonds taking shape
(Woo-ooh, woo-ooh)
If we've only got this life
This adventure, oh then I
And if we've only got this life
You'll get me through, oh
And if we've only got this life
And this adventure, oh then I
Wanna share it with you
With you, with you
Sing it, oh, say yeah

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

He flew and fired waves of energy and smashed her down and she reformed in front of everyone!

Qin: OH YEAH! That was awesome Gus.

Felicia Wittebane: Boy it sure was! Great job.

Gus Porter: Thanks guys.

Willow Park: Now here's me. (ACTIVATES BEE BLADER'S RIDEWATCH)

(EL DORADO BY GEORGE ALEXANDER PLAYS)

Willow Park: (SINGING DIVINELY AS LEAVES AND FLOWERS SWIRLED AROUND HER)

In sunshine and shadow, from darkness till noon

Over mountains that reach from the sky to the moon.

A man with a dream that will never let go

Keeps searching to find El Dorado.

So ride, boldly ride, to the end of the rainbow.

Ride, boldly ride, till you find El Dorado.

The wind becomes bitter, the sky turns to gray.

His body grows weary, he can't find his way.

But he'll never turn back though he's lost in the snow…

For he has to find El Dorado.

My daddy once told me what a man ought to be.

There's much more to life than the things we can see.

And the godliest mortal you ever will know

Is the one with the dream of El Dorado.

She danced and fired waves of leaves and flowers and smashed her down.

Nico: That was awesome Willow!

Felicia Wittebane: Boy it sure was!

Cornelia went Guardian!

Cornelia: EARTH!

Me: YEAH!

Wolfgang (Dino Fury): That is cool!

Me: It sure is.

Wolfgang (Dino Fury): I heard that Cornelia has been fighting some of my fellow Sporix.

Me: She sure has and it was an awesome way to help her get ready for her Ambassador Missions. They start today.

Wolfgang (Dino Fury): Boy it's about time!

Me: I know. But the wait was worth it! Lets do it! (ACTIVATES DINO FURY WOLFGANG'S RIDEWATCH)

(A MOMENT OF PEACE BY THE GREGORIAN CHANT AND SARAH BRIGHTMAN PLAYS)

Me: (SINGING DIVINELY AS BLUE FIRE SWIRLS AROUND ME)

In a moment of peace

Come now, come by our side

Fireplace where you can hide

We are the sunshine

Rest your soul here and you'll find

We are the energy

We give the world to thee

Hold up your heart now

We will ease pain from your brow

In a world without dangers

When destruction is near

You can come with us here

When the people are strangers

You will rest here with me

In a moment of peace
In a world without dangers
When destruction is near
You can come with us here
When the people are strangers
You will rest here with me
In a moment of peace
Light up the dark below
See through the stars
Reach to the earth's flow
Drift into the joy of our hearts
Unleash the energy
Taste of the wine
Drink as a soul that
Knows now the power divine
In a world without dangers
When destruction is near
You can come with us here
When the people are strangers
You will rest here with me
In a moment of peace
In a world without dangers

When destruction is near

You can come with us here

When the people are strangers

You will rest here with me

In a moment of peace

In a moment of peace

I danced and fired waves of blue energy and fire and smashed him all over the place.

Cornelia: YEAH!

Wolfgang (Dino Fury): That was awesome! And they do say that music soothes the savage beast. But not me! HENGEMEN!

He summoned lots of HENGEMEN!

Me: Now this will be awesome!

I pulled out my Dino Fury Saber.

Me: Zen Aku Key!

I activated it and put it in and my Saber turned into an Animal Crystal Saber and it had 7 slots for Wild Force Crystals!

Me: This will be cool.

I put in the crystals for the Goliath Bird Eating Spider for Roman Goodwin, The Hummingbird for Carly Atlas, The Long Tailed Macaque for Devack, The Komodo Dragon for Misty Tredwell, The Argentinosaurus for Kalin, The Blue Whale for Greiger and the Andean Condor for Rex Goodwin.

Me: Dark Signers Blade!

I fired waves of energy and miniature versions of said Zords came and smashed the Hengemen and blasted Wolfgang all over.

Several Hengemen dogpiled on me!

Me: OOF! Oh yeah!?

I then got up with all of them on me.

Me: You know I've wanted to see what this was like.

Wolfgang (Dino Fury): Wow! You sure are strong.

Me: Just wait till I get in shape!

I glowed and then a massive burst of energy blasted out and blew the Hengemen apart!

Cornelia: Nice one! Now watch this. (ACTIVATES DAI GUI'S RIDEWATCH)

She danced and fired waves of earth, leaves, rock and crystal and smashed the rest of the Hengemen into rubble.

Me: Awesome Cornelia!

Another Bloxx went into the air as a space shuttle.

Felicia Wittebane: Time for me to spread my wings!

She spread her black angel wings and flew into the air after her.

Felicia Wittebane: Time for these gargoyles to fly. (ACTIVATES STEEL CLAN'S RIDEWATCH)

(IT'S THE FEAR BY WITHIN TEMPTATION PLAYS)

Felicia Wittebane: (SINGING DIVINELY AS DARKNESS AND BATS SWIRLED AROUND HER)

It waits for the day I will let it out.

To give it a reason, to give its might.

I fear who I am becoming,

I feel that I am losing the struggle within.

I can no longer restrain it,

my strength it is fading,

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

Hold down your head now,

just let me pass by.

Don't feed my fear,

if you don't want it out.

I fear who I am becoming,

I feel that I am losing all beauty within.

I can no longer restrain it,

my strength is fading.

I have to give in.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

Long ago it came to me

and ever since that day,

infected with its rage

but it ends today.

It's the fear

Fear of the dark

It's growing inside of me,

that one day will come to life.

Have to save

To save my beloved,

there is no escape,

because my faith is horror and doom.

She flew and fired waves of darkness and smashed her down and a pile of blocks fell and she reformed.

Qin: WHOA! That was awesome Felicia!

Felicia Wittebane: Thanks.

Maria: We could do this all day. But we can't.

Nico: I know.

Kaz: My turn. (Activates Molten Man's Ridewatch)

(EL DORADO BY ELTON JOHN PLAYS)

Kaz: (SINGING DIVINELY AS FIRE AND LAVA SWIRLED AROUND HIM)

Our glorious city

Was build by the divinities by Gods

Who saw fit to bestow

The gift of a pardise

Peaceful and harmonious upon

Us mere mortals below

And made El Dorado
The magnificent and golden
One thousand years ago
El Dorado, El Dorado, El Dorado
But all this was granted
For only one millennium
I know my legacy is to fulfill
My promise to all my people
Who have trusted me, the Gods
Will approve of us still
Preserve El Dorado
The magnificent and golden
And I believe they will
El Dorado, El Dorado, El Dorado
El Dorado, El Dorado, El Dorado
The mountains so high and waters deep
Are her disguise
Her secrets are safe from foreign hands
And eyes forever
Preserve El Dorado
The magnificent and goldent
And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

He danced and fired waves of fire and lava and smashed her down.

But then we felt a really cold wind.

Me: (SHIVERS) BRR! That was freezing!

Cornelia: Yeah! That was really cold!

Nico: Yeah I felt that!

Eli: There's not even snow clouds in the sky.

Nico: What was that?

Then we heard a roar and out came a White Night Dragon and on it was a White Night Queen, Cold Sleeper, Illusion Ice Sculpture and Snow Fairy!

Alexis Rhodes: Oh wow! The White Night Monsters!

White Night Dragon: (In A Girls Voice) And it looks like we got here just in time.

Cold Sleeper: (In a Girls Voice) We sure did.

Illusion Ice Sculpture: (In a Girls Voice) We saw the battle and it was awesome.

Snow Fairy (In a Girls Voice) Yeah that was so awesome guys.

White Night Queen: (In a Girls Voice) We all thought it was cool.

Nico: Whoa Sonnya, Laniya, Camiya, Zeniya and Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn!

They reverted back and they were 5 girls with aqua blue hair and blue eyes and blue clothes and they had blue angel wings and Camiya had Blue fairy wings.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: It's great to see you again Nico and you as well Qin.

Qin: Wow! Same to you girls.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: We got this.

They fired waves of ice and smashed down Another Bloxx and Nico caught the ridewatch and purified it and Nicole went over to Simone and picked her up. She was a girl with blonde hair and she was in a fighter pilot uniform.

Simone Valannika: (Groans) What a headache.

Nicole: But you're okay now.

Me: Sorry to cut this short Wolfgang but we are in a hurry.

Me and Cornelia fired waves of energy and blasted him down and then he exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! He was back to a Sporix Cell and I picked it up and Eli put it in a pod and beamed it back to the M.O.E. HQ.

Me: Wolfgang you have Failed This city!

Nico: That was awesome!

Me: YEAH!

Nico: That was really cool! No pun intended.

Camiya

Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: It sure was awesome.

Me: That was awesome though. Are you girls related to Kristyana?

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: We sure are. She's our big sister.

Me: Awesome! Kristyana will love having you all back.

Nico: We met over at a waterpark and they are smoking hot.

He pulled out a picture of Nico and Qin in front of a wave pool with the Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn sisters on the left and right and they were all in smoking hot bikinis and they were all in aqua blue colors and they were beautiful.

Me: Whoa! That is one way to show off sexy bodies.

We laughed.

Nico: Yeah!

Kaz: But that is cool Nico.

Me: It sure is.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: Those were good times.

Me: Yeah. What water park did you guys go to?

Nico: We went to Runaway Rapids Waterpark.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: Yeah and the money was awesome.

Me: Nice! You girls will love working in the Water Park in Phoenix

Land.

Twilight Sparkle: You sure will. The Water Park we have is awesome too.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: Oh you know we're going to love it.

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: We sure will.

Kaz: What are your favorite memories of Nico?

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: We have a lot of them. But our favorites were when we stopped numerous jerks trying to drown kids.

Zeniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: One time we beat up a kid that was trying to drown a kid in the bathrooms and got him sent to jail.

Qiniya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: Yeah he deserved it.

Me: Good riddance.

Simone Valannika: That is really awesome and neat.

Qin: Yeaha it sure is.

Nico hugged the five.

Nico: I missed you girls.

Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn Sisters: We missed you too Nico.

Me: But this was awesome. We got another awesome rescue and battled another Omnitrix Alien and even stopped a massive nuclear cheese missile from destroying Sector V.

Qin: Those kids have a lot to answer for with using a weapon of mass destruction.

Nico: Yep. Lets head home.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Kimiko are heading to Lucedio, a 12th Century monastery in Trino, Italy, and not only is Lincoln going to rescue the three girls here, but we're also going to exorcise the monastery of the dark spirits that've haunted Lucedio for over 800 years and help the trapped good spirits rest in peace.

Lincoln: Whoa, we're here in Lucedio, a 12th Century monastery in Trino, Italy, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're also going to exorcise the monastery of the dark spirits that've haunted Lucedio for over 800 years and help the trapped good spirits rest in peace.

Rei Vedovanera: (Italian Accent) Oh man, out of all the places, Lucedio is one of the most haunted locations here in Italy.

Nico: But, aren't monasteries supposed to be a place of light and a house of God?

Lincoln: Normally, that's true, but that's not the case of this monastery, and thanks for joining us, Kimiko.

Kimiko: You're welcome, Lincoln. So, what's the story behind this monastery?

Rei Vedovanera: (Italian Accent) Over 800 years ago, a group of monks came here from France, and they learned how to cultivate rice, but in an area where rice shouldn't have been grown. Many of the locals believed that as the monks prospered, they soon became greedy and began mistreating the people in this area, and even worst of all, they broke all of the Commandments they were sworn to uphold and became a Satanic order.

We gasped in shock.

Nico: Oh man, they've betrayed God!

Lincoln: They sure did, and Rei told me the now Satanic monks began carrying out black magic rituals to bring The Devil to Earth, and in the courtyard, one of the darkest black magic rituals were carried out, it was known as Il Mare Di Sangue E Agonia, translated into English, it means The Sea of Blood and Agony, where they placed an altar stone in the middle of the courtyard, and one by one, they'd bring their victims, incant a prayer, and club him until his skull was entirely flat, and they push the body to one side and bring another and bring them to death.

Me: That's just evil.

Rei Vedovanera: (Italian Accent) It was, and the courtyard was the center of the misery and suffering that took place here in Lucedio. It became too much, and the officials in Rome dispatched a group of Inquisitors to come to Lucedio and murder the monks, and many believe their bodies were entombed beneath the cathedral and others were hidden in the crypt rooms behind the altar. After the bloody deed was done, Lucedio was sealed up and bricked over to bury the evil and the bad energy.

Lincoln: But, it hasn't worked, and the powerful dark forces that haunt Lucedio are still here to this day, and no one would head there after dark.

We then arrived at Lucedio, and we felt the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and the dark spirits aren't going to leave Lucedio that easily, but we sucked in and absorbed all of the negative energy that's festered in Lucedio for over 800 years.

Morgana DeRose: And it's made the dark forces of Lucedio even angrier than ever, but it's weakened them, and now, it's time to use our exorcism method.

Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground and it surrounded Lucedio. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He then took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces were roaring in anger as they were eventually forced out of Lucedio and are put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Lucedio has been exorcised for good, and the dark spirits of the Satanic monks of Lucedio were eventually sent to The Black Gates and the magic circles disappeared.

Me: Wow, that was one awesome exorcism.

Laney: And thanks to the exorcism, Lucedio and the land itself is now finally calm.

Lucy Loud: And the trapped good spirits have finally been freed, and the dark spirits of the Satanic monks are now gone for good and sent to The Black Gates, and the curse has been lifted.

Rei Vedovanera: (Italian Accent) It'll be an attraction for tourists now, and they won't be attacked by the heavy presences or the dark spirits of the Satanic monks.

Lincoln: That's right, Rei, but, we're not done yet, there's still the girls we need to rescue, and there's bound to be another one of Angela's zombified demon minions about to attack right… now!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of three girls calling for help, along with the sound of moaning in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Helen who's in her zombified demon form and she's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the three girls, but they've been cornered by Helen who's in her zombified demon form and she's going to kill them.

?: (Girl's voice) Angela's gone too far this time!

?: (Girl's voice) And we need to stop them!

Suddenly, we saw Lazion the Timelord and Granmorg the Rock Monarch appear before us.

Nico: Whoa, that's Lazion the Timelord and Granmorg the Rock Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Laney Emperyous and Gina Granmorg, but we'll talk later, we've got to stop the zombified demon, Helen, and help her rest in peace.

We rushed on over, and right before the zombified demon Helen could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Helen, and that allows the three girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Helen, and when the zombified demon servant of

Angela Franklin saw us, she moaned in anger.

Lincoln: I should've guessed we'd run into you here, Helen, but we already dealt with Sal Romero, Jay Jansen, Max, and Frannie when they were sent by Angela Franklin, but we'll be ready for her when the day comes. But, first, we got to free you from Angela's demonic influence.

Then, we fired blasts of light which hits the zombified demon Helen, and it removes Angela's demonic influence and she was restored to normal form, but she was still dead. But, she was finally freed from Angela's demonic influence, and she was able to ascend to Heaven, now freed from the shackles of the demon. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's another haunted location exorcised and another of Angela's minions put to rest for good. (To Laney Emperyous and Darcy Erebus) And it's good to see you again, Laney Emperyous and Darcy Erebus.

Lazion the Timelord etched on the 7'0" massive, wide, double-edged red blade, large red angel wings for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large red angel wings and a large red gem below the angel wings for the pommel.

And Gina Granmorg reverted back to normal, and she was a beautiful girl with long flowing orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Earth Kanji on her forehead and massive lava angel wings and she reigned in the power of Granmorg the Rock Monarch, and she was dressed in a sleeveless open orange blouse, short-sleeved orange shirt, long orange skirt, orange pants, orange legwarmers, orange sneakers, and long white sleeveless trenchcoat with rocks, lava, crystals, earth, and angels on the coattails and Granmorg the Rock Monarch on the back, and holstered on her back is a large Granmorg the Rock Monarch-themed greatsword with Granmorg the Rock Monarch etched on the 7'0" massive, wide, double-edged orange blade, large orange angel wings for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large orange angel wings and a large orange gem on the bottom of the angel wings for the pommel.

Laney Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, Sadie, Rachel, Michelle, and Melanie.

Gina Granmorg: Same with you, Charlene, Varie, Alina, Raven, Luna, Dawn, and Darcy as well, Hilary.

Hilary Thestalos: You too, Gina.

Selene Emperyous: Same here, Laney.

Lincoln went up to Laney Emperyous and Gina Granmorg and he hugged them both and they hugged him back, and Laney Emperyous and Gina Granmorg were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Laney Emperyous: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Gina Granmorg: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Laney Emperyous, she's my Guardian Angel from Michigan and the third youngest child and the third of the three Fire Masters of the Emperyous Sisters, and is the third of the Fire Magic Masters, and she's also an awesome rockstar and Luna and Sam love her like a sister. She rocks out awesomely to their songs and it is so awesome.

Nico: Whoa, now that's really awesome!

Selene Emperyous: You got that right, she's known as the rockstar of the family.

Luna Loud: You bet, and she knows how to rock and roll. Plus, she also hates Lynn with a merciless vengeance.

We gasped.

Lincoln: I still remembered what Laney did to Lynn long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Gina Granmorg, she's my Guardian Angel of Earth and Rock from Michigan and my friend from Science Class, and she has amazing earth, rock, crystal and lava powers.

Nico: Whoa, now that's really awesome!

Me: It's like she's a true angel of the Earth.

Lincoln: That's just what I also said, but she also hates Scoots with a merciless vengeance, and Gina wants nothing more than to kill that old goat and send her to Oblivion, because she did something to me and it really set her off.

Nico: Uh oh, so we got two revelations coming up: one's about Lynn and the other is about Scoots.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appear around Laney Emperyous' neck and Gina Granmorg's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Laney Emperyous and Gina Granmorg: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Laney and Gina.

Laney Emperyous and Gina Granmorg had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Ruli Tsukiyono, Mika Kashiwagi, and Aoi Udagawa from Digimon Ghost Game.

Lincoln: Oh wow, it's Ruli Tsukiyono, Mika Kashiwagi, and Aoi Udagawa from Digimon Ghost Game.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ruli Tsukiyono: Yes, we're okay, thanks to you.

Then, when Ruli Tsukiyono and the two other girls saw who it was that saved them from Helen, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Ruli Tsukiyono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and the two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ruli Tsukiyono: (Seductively and rubs her right hand on Lincoln's

massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Thunderbird Necklaces of Eternal Love appeared on the necks of Ruli Tsukiyono, Mika Kashiwagi, and Aoi Udagawa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Lucedio and banished the dark spirits of the Satanic monks responsible for the hauntings and helping the good spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Helen, another victim who was turned into a zombified demon by Angela Franklin.

But, when Lincoln showed what we did in freeing Helen from Angela's influence and helping her finally cross over, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Laney Emperyous, and Gina Granmorg have a lot of catching up to do, now that they're back in town. But, they've also been made aware that Angela Franklin is planning her return on Halloween, but we're going to make this her last Halloween when the day comes.

Maria: So, that's another haunted location exorcised and freed from the dark forces and another of Angela's zombified demon minions/ victims freed from her influence and sent back to the Afterlife.

Lincoln: Yep, and that's what we're going to do until Halloween arrives.

Nico: And once Halloween arrives, Angela will make her move, and then, it'll be lights out for her for good.

Lincoln: Angela's killed and turned so many people into demons throughout the Night of The Demons franchise, it's not funny. She deserves to get The Black Gates for everything she's done, and you're right, Nico, when Halloween arrives and Angela comes back, this'll be her final Halloween for good.

---

After we exorcised the the dark spirits from Lucedio and freed Helen from Angel's demonic influence, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Laney Emperyous and Gina Granmorg saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Laney Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Gina Granmorg: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Laney Emperyous: That's incredible.

Nico: It sure is. So, Laney, Gina, what are these two horrible revelations you have on Lynn and Scoots?

Laney Emperyous: Allow me to go first. I sensed out long ago that Lynn was really steamed after she lost a big game because some bullies broke her leg and she blamed Lincoln for it and Lynn wanted nothing more than to kill Lincoln and burn his body after dousing it with gasoline and throwing his ashes into a steel mill. I wasn't going to let that happen and I thrashed Lynn hard and put her into a terrifying illusion I know called The Hell's Torture Illusion and it made her scared out of her mind. I vowed that if Lynn ever touched Lincoln in any way shape or form, I would make what Lynn was going to do to Lincoln, happen to Lynn instead!

We gasped in shock.

Nico: Why that little… !

Lincoln: Yeah, and when I found out from Laney about what Lynn was going to do to me, but I was so glad that Laney took her down and put the Hell's Torture Illusion on her.

Selene Emperyous: After she told us about it, we were all really pissed off at what that stupid, bull-headed, smelly gym bag was about to do to Linky, and we wanted to rip her to shreds. But, Laney took care of her and gave her a nasty case of trauma with the Hell's Torture Illusion.

Gina Granmorg: And those two heartless psychopaths from Hazeltucky are now in prison for the rest of their lives, a fitting punishment for what they've done. Now, it's my turn to tell my tale, you see the very reason why Lincoln said I absolutely hated Scoots with a merciless vengeance and wanted to personally send her to Oblivion is because long ago, when Lincoln and I were walking home from Gus' Games and Grub, Scoots came out and began running Lincoln over with her scooter and she was laughing like the old witch that she is. I got so mad that I kicked Scoots off her scooter, fired a blast of lava at her scooter and melted it into molten metal, and I sent Scoots back to the nuthouse, and I had to treat Lincoln's wounds, he… (Voice Breaking) he was twitching in pain really badly, and he was bleeding badly. (CRIES IN SADNESS)

We gasped in horrifying shock, including the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Gina Granmorg and hugged her, while she hugged him and cried onto his bare chest.

Nico: (Gasps) Why that crazy, bad-tempered, stupid old goat!

Me: Scoots crossed a big line that day after Gina told us of what that old goat did to Lincoln.

Gina Granmorg felt Lincoln's massive and muscular body shake with undeniable fury, and his muscles bulged even more and she saw veins in his biceps.

Lincoln: She sure has, that old goat has caused us nothing but grief with her constant complaining and troublemaking for far too long in Michigan, not to mention all of the times she's tried to kill me and all of us. If I ever see that stupid old goat back from the dead, she's getting The Black Gates.

Nico: Yeah, that'll teach that old goat.

Me: What a rotten old goat.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer, he saw who it was that was triggered the alarm: it was Seth from Street Fighter and he's causing havoc.

Nicole: Oh man, it's Seth from Street Fighter!

Lincoln: And that powerhungry android's causing havoc. Let's get him!

We flew out of the World Tree Estate and we fired powerful rainbow energy blasts at Seth, and as we landed, he turned to see us.

Seth: So, the famous Team Loud Phoenix Storm has arrived. Now, I will finally destroy you all and take over this world!

Lincoln: The only thing that's going to happen is we're going to rip you to shreds, Seth.

Ranamon: Your days of trying to take over the world ends here.

Suddenly, Ranamon's red eyes turned neon red and she was surrounded by an aqua blue energy aura with sea creatures, ocean waves, water, and naiads, and as she approached Seth, she left aqua blue energy, sea creatures, ocean waves, water, and naiads with every step.

Ranamon: Seth, I will never ever forgive you for the crimes that you've committed against the world and against mankind, and for that, you will be destroyed here and now!

Suddenly, Ranamon was surrounded by a massive vortex of aqua blue energy with ocean waves, sea creatures, naiads, and water surrounding the vortex, there's a naiad flying around the vortex, and in the vortex is a red phoenix and the symbol of Water. Then, as the vortex faded, Ranamon emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ranamon grew to 7'1" in height, she has the body of a goddess, she has neon red eyes and an aqua blue energy aura with sea creatures, ocean waves, water, and naiads surrounding her, in her helmet with a long antenna, she has Ranamon emblazoned on her forehead, she has on naiad earrings with red gems for eyes and the Water and Eternity Kanjis in her hands on her fin-like ears, she also has a naiad with red gems for eyes and the Water and Kanjis in her hands for the second pendant on the bottom of her aqua blue naiad-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Ranamon's dark blue helm with a long antenna and red gems, dark blue one-piece swimsuit, dark blue vambraces with long antennae at the elbows, dark blue chaps with red gems, and dark blue ring-like anklets grew much bigger for her new body, she still remains barefoot, and she has on a long sleeveless white trenchcoat with water, ocean waves, sea creatures, and naiads, on the coattails, and on the back is Ranamon and is surrounded by water. Suddenly, Ranamon felt a sharp pain on her back, and then, massive aqua blue angel wings with red tips on the feathers grew and sprouted out from her back. Ranamon has on a Ring of The Phoenix with aqua blue gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Ranamon has a new greatsword in her hand called Ranamon's Heavenly Maelstrom Naiad Greatsword of Naiad Maelstrom Justice, it's a brand-new massive greatsword with Ranamon and the symbol of Water etched on the 7'0" massive, wide, double-edged blade, large aqua blue naiad heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large aqua blue naiad heads and a large red gem on the bottom of the aqua blue naiad heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Ranamon's head with red gems for eyes and a red gem in her mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below Ranamon that said, "Ranamon, Successor to Mermaidmon, The Legendary Warrior of Water, Warrior of Water, Wielder of The Spirit of Water, Partner of Bridgette from Total Drama, Member of The Redemption Squad and The Masters of Evil, Archenemy of Stacy Bolton, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Naiads, Sea Creatures, and The Spirits of Water"

ラナモン、マーメイドモンの後継者、伝説の水の戦士、水の戦士、水の精霊の使い手、トータルドラマのブリジットのパートナー、リデンプション・スクワッドとマスターズ・オブ・イービルのメンバー、ステイシー・ボルトンの宿敵、愛する未来の妻リンカーン・ラウド、悪のスレイヤー、混乱した、殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、ナイアッド、海の生き物、水の精霊の達人

Ranamon has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY SPIRIT OCEANIC NAIAD MAELSTROM WATER ANGEL OF DIVINE OCEAN SPIRIT MAELSTROM JUSTICE AND DIVINE WATER NAIAD SPIRIT LOVE!

We were amazed by Ranamon's Super Angel Xelnaga Eternity

Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Seth saw it, he advanced to kill her, but Ranamon fired a powerful aqua blue energy blast with water, sea creatures, ocean waves, and naiads at Seth and it sent him flying into a wall, but he's not out yet, and it's made him furious.

Stacy Bolton: Whoa, did Ranamon…?!

Nico: Yep, she's the first Digimon to transform, so awesome!

Lincoln: Seth's in big trouble now, and Ranamon, you look beautiful, how do you feel?

Ranamon: (Divine Echoing Cosmic Voice of The Ocean Spirit Maelstrom Naiad and Divine Ocean Spirit Maelstrom Love) **I feel incredible, Linky. Now, shall we deal with this overgrown synthetic monster?**

Lincoln: (Smiles) With pleasure, Ranamon.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Ranamon.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of causing death and destruction for your sick dreams of world domination are over, Seth, and now, it's time for you to die.**

Ranamon and Lincoln went after the male synthetic android, who tried to attack them, but they block and dodged every last one of his attacks, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Naiads at Seth and they exploded with incredible power as they hit him. Then, they attacked Seth with their massive greatswords and they left some really nasty scars on him, and this really pissed him off.

But, it'd be too late for him as Ranamon fired a blast of water at the Tanden Engine on his abdomen, and it short circuited and it severely weakened him, and that allowed Lincoln to do his part, as one of the tips of his eleven massive and long white werewolf tails turned into Cell's stinger, and it opened up into a large suction. Then, Lincoln latched it onto Seth and he struggled to try and get out, but it was useless. Then, Lincoln absorbed Seth into his body and his rainbow energy aura with elemental forces and mythological animals flared up extremely as he was gaining a massive power and energy boost. Then, an energy card with Seth's soul imprisoned inside appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Seth's forehead appeared, he was then erased by The Black Gates for his crimes. We cheered wildly for what Ranamon and Lincoln did to Seth as they holstered their massive greatswords on their backs and powered down, and Ranamon's new body, clothes, weapons, jewelry, and massive aqua blue angel wings are permanent.

Ranamon: That's it for that evil monster. Thank you for helping me destroy Seth for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ranamon.

Suddenly, Ranamon wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Ranamon's face, they kissed passionately as Ranamon's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Ranamon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and water crashing behind them and we cheered wildly. Lincoln and Ranamon came back, as the display vanished.

Nico: We already filmed the whole fight you guys had with Seth, and we also sent it to The Masters of Evil. You guys did awesome!

Lincoln: Thanks, Nico.

Juri: I never liked Seth anyways. Plus, you were aware of the Tanden Engine on his abdomen, well, he also made this.

We saw Juri's left eye glowing.

Lincoln: The Feng Shui Engine, Seth made that as a replacement for your left eye when Shadaloo took your left eye.

Nicole: It's like a miniature version of The Tanden Engine developed by S.I.N. and it enhanced your fighting potential by emitting a very powerful ki.

Nico: Whoa.

Lincoln: Yeah, S.I.N. had some powerful technology in the works. But, now with Seth dead, S.I.N. is now powerless. Now, I'll just put them out of their misery.

Lincoln fired a massive barrage of rainbow energy blasts, and they head for S.I.N.'s HQ, and they'd destroyed every trace of S.I.N. and nothing was left of this organization, and he also absorbed all of their technology and gained tons of new weapons. We returned home to the World Tree Estate, and we were rid of Seth and S.I.N. for good, and they're never ever coming back.

Later we were getting ready for Cornelia's first ever ambassador mission!

The Dino Fury Rangers were shocked. Here was Zayto, who they thought sacrificed himself.

Zayto (smiles): Javi. Izzy. Amelia. Ollie. Aiyon.

Other Dino Fury Rangers: ZAYTO!

The Dino Fury Rangers ran to Zayto and gave him a group hug. All of them were smiling and laughing the whole time.

They were so happy.

Amelia Jones: We all thought you were dead!

Zayto: So did I.

Izzy: But how?

Me: We found him in front of the estate in our backyard and helped nurse him back to health.

Luz: We sure did.

Amelia Jones: Thanks.,

Nico: Is Solon here?

Aiyon: She's back at the base and she is doing amazingly well.

Me: Glad she is. Also we have something to show you guys.

We showed our Dino Fury Sabers and Keys.

Amelia Jones: You all have your own Dino Fury Sabers and Keys?

Me: Yep. The keys are all for our frenemies in the Masters of Evil. You would not believe what happened when we got them.

Nico: We had to defeat Another Ranger of Zayto.

Me: It's a really ugly story.

I told them everything and it was shocking!

Izzy: So Swartz made Another Rangers!?

Me: Yep. All the Rangers from Japan and America over the last 46+ Years.

Eli: But you don't have to worry about Swartz. He's dead.

Me: And we gave him the Black Gates.

Amelia Jones: That's awesome!

Izzy: Good riddance.

Javi: Last time we saw you guys, we ended up meeting the Zenkaigers too.

Izzy: We first had to deal with that Officer X jerk. I highly doubt Nowence is even a word!

Me: No it isn't. But those puns were terrible!

Nico: They sure were!

Luz: Yeah no kidding there.

Javi: I agree there.

Zayto: Yeah.

Felicia Wittebane: I agree with you all there.

Javi: Who is she?

Felicia Wittebane: Oh I'm sorry I joined the team recently. I'm Felicia Wittebane and I'm Luz and Amity's sister figure.

Luz: It's true.

Me: Long story on that one. Oh and (Sighs) These little guys here are Rabbids.

Nico: Rabbids are silly creatures.

Me: (Whispers to Amelia) But they aren't the brightest lightbulbs in the closet if you know what I mean.

Amelia Jones: Oh I do.

Me: Good. Also that was so epic how you guys battled the Void Queen's Nemesis Beast. Believe it or not that one was based on the main bad guy from Ryusoulger, Eras.

Nico: It's true. That was a wicked scary one.

Izzy: That is amazing.

Javi: Did you know that…

Me: Lord Zedd is back? Yeah we saw that. After 24 years.

Nico: We were shocked that the lord of evil is back with a vengeance.

Eli: Hard to believe he would come back.

Nico: And of course, Super Warumono World brought back Luthor, Joker, Maleficent, Jafar, Ursula, Oogie, and Captain Hook. Which led to Luthor offering J.D. a chance to undo the suffering that we went through by going back in time and using the Black Gates to destroy all evil.

Amelia: J.D., don't take this the wrong way. And I know what Lothor did was horrible. But was killing him really worth nearly changing the timeline?

Me: No it was not worth it. I was letting my excitement in facing all of the rangers most dangerous enemies get the better of me. Also that would have been way to easy to destroy all evil that way. I learned that Good and Evil are always an eternal struggle and the battle is always going on forever. That's why there always has to be evil. One can't exist without the other. Good and Evil are both like two sides of the same coin. Forever connected. As tempting as Lex Luthor's offer was I did not want to do it.

Zayto: And J.D. made the right call not accepting his offer.

Me: It would have disastrous consequences for everything and everyone.

Eli: Yep.

Izzy: Although, how much of that was an act exactly? Because I also rememered that you yelled at May and then us.

Aiyon: C'mon, Izzy. We've ALL had moments like those. What's important is that J.D. chose to be a better person by declining that offer. And the timeline's intact too.

Izzy: You're right.

Me: It was ALL an act. I didn't want the villains to know that I was on to them. So I had to put on a Oscar Winning performance to throw them off.

Izzy: OH I get it! But you didn't have to make it that believable.

Me: Sorry. I have a tendency to get a little carried away.

Javi: That makes sense.

John Bolton: Oh, where are my manners? I'm John Bolton aka Ripster.

Aiyon: Ah the Great White Shark Gene-slammer. Awesome to meet you.

Amelia: We saw you and your siblings with the team.

John Bolton: Yeah. It's cool.

Zayto: By the way J.D. it was awesome that you have Zedd's Personal Zord with you.

Me: It sure is. He's going to be massively pissed in the future that I have that now.

Nico: He sure will be and he'll be super mad that we killed Rita Repulsa.

Me: But I don't think he will give a damn about it.

Luz: Yeah he won't.

Willow Park: No kidding.

Nico: But we'll be ready for him.

Me: Yeah we have 24 years of catching up to do with him.

Izzy: And by that you mean blasting him into dust and obliterating him.

Me: You got it.

One of the Rabbids tried to eat a Dino Fury Key.

Aiyon: (takes it) No! That's not candy!

The Rabbid blew a raspberry at him.

Aiyon: Don't you blow a raspberry at me!

Me: Oh don't mind them Aiyon. Rabbids are like Billy.

Nico: Yep. They are idiotic.

Aiyon: I see.

Me: They are simple minded but very funny.

Amelia Jones: We can see that.

Cornelia: Yeah they sure are silly.

Will saw something on the news.

Will: Guys? You might want to see the news.

We saw the news and saw Boomtower wrecking some cars.

Ollie: Boomtower?!

Javi: Are you kidding me?! How many times is that guy gonna revive?!

Me: I remember him all too well! But you guys should see how many times Azald of the Zyuohgers revived.

Nico: Yeah he is one tough cookie.

Me: Boomtower and Azald are very similar.

Will: But it's not just him!

We saw VOID KING, MUCUS, TRAWLER AND SHOCKHORN TOO!

Me: Mucus, Trawler, Void King and Shockhorn!

Cornelia: We faced Mucus earlier!

Me: And I remember Shockhorn and Trawler too.

Nico: Yeah!

Zayto: Lets go get them then.

Me: With pleasure!

We went to face them!

We arrived in the park and faced them!

Boomtower: Long time no see, Rangers! Word on the street is that you guys are gonna be joining Team Loud Phoenix Storm soon. So, I thought I'd give you guys a goodbye gift.

Irma: I don't think I like the gift he has planned.

Me: Uh oh!

Boomtower: (pretends to search for something) Now, where did I put it? Oh yeah. HERE IT IS!

Boomtower fired an energy blast from his chest cannon but we dodged it.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It hit the ground and exploded in a massive and incredible fiery explosion!

Me: WHOA!

Boomtower: Aww, what's wrong? Don't like my gift? How about a few more?!

Boomtower then fired more energy blasts that we avoided.

I fired massive energy blasts and the blasts hit his energy blasts and they collided and exploded in massive and powerful fiery explosions that turned much of the park into a massive and epic raging inferno!

---

Walls of flames were all over the place.

Amelia Jones: WHOA! That was awesome!

Izzy: Your power has gotten stronger since we last saw you J.D.

Me: I have evolved ever since then. When we destroyed Swartz, I ascended to my most powerful form ever.

Cornelia: Here's some presents of my own!

She fired a massive avalanche of rocks and smashed him down.

Void King: Your power is impressive J.D.

Me: So I have been told.

Mucus: I had a lot of fun facing you J.D.

Me: Glad you did Mucus and your magic show with Slyder is awesome.

Mucus: Thanks. We do shows at birthday parties.

Me: Nice.

Zayto: Let's see if I still got it!

Me: Oh don't worry you do Zayto.

Dino Fury Rangers: IT'S MORPHIN TIME! DINO KEY ACTIVATE! LINK TO MORPHIN GRID!

Will: Guardians Unite!

We transformed!

Zayto: "T-Rex Fury, Red Ranger!"

Ollie: "Tricera Fury, Blue Ranger!"

Amelia: "Ankylo Fury, Pink Ranger!"

Izzy: "Tiger Fury, Green Ranger!"

Javi: "Stego Fury, Black Ranger!"

Aiyon: "Mosa Fury, Gold Ranger!"

All: "Dino Fury Power!"

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

The Guardians all transformed!

Will: (ENERGY SURGES) THE HEART!

Irma: (WATER SPLASHES) WSTER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Elyon: (CLOCKS TICK) TIME!

Megan McCallister: (STARS SHIMMER) SPACE!

Lillian: (LIGHT SHINES) LIGHT!

Nico: Time for some buttkicking! (GOES SUPER SAIYAN 7!)

Zayto: WHOA!

Amelia Jones: That is awesome!

Me: Yeah it sure is!

Boomtower: It's payback time, Pink Ranger! Remember when you helped form that attack that destroyed me last time? Well, now it's time for me to-

Amelia: Get slashed in the jaw? Good idea!

Amelia slashed Boomtower, knocking him to the ground.

Boomtower: Lucky shot!

Me: Top this too! (FIRES LIGHTNING)

He got hit and electrocuted!

Me: Also we learned some new tricks too.

I pulled out my Wonder Ride Book and it was for Azald. It was called Azald's Immortal Cube Crusade.

Me: (Reads Verse) "Azald prowled the streets all over the world for centuries and saw villains terrorizing the lands and with a mighty swing of his sword, rained down lots of cubes unto his foes and buried them in a huge mountain of them."

A huge pile of cubes smashed down Boomtower and buried him in it!

Nico: Nice one!

Void King then teleported and went at me and I dodged his strike.

Me: Nice try Void King.

I formed a scythe of lightning.

Me: I remember seeing that you are very good at copying techniques and powers.

Void King: That's right. I may be a clone of Void King but I still have a good fight in me.

Mucus: (dodges Taranee's fireballs) Did I mention that the Green Ranger is a lesbian?

Taranee: Really?

Mucus: I shit you not!

Taranee: That's amazing!

Luz: Welcome to the pride club Izzy.

Izzy: Thanks Luz.

Amity: Awesome.

Me: I've been a huge supporter of Gay and Lesbian Rights.

Nico: Me too. Awesome!

Izzy: Thanks guys.

Nico used Deadshot's guns to shoot at Shockhorn and Trawler.

He blasted them down with ease.

Shockdown: Wow! Nice shooting.

I clashed with Void King and he was putting up one helluva fight and I kicked him in the face and slashed him with a lightning sword and electrocuted him all over.

Me: Wow! Your fighting style is awesome.

Void King: So is yours.

Me: But lets see you top this one. (ACTIVATES RAGE SHENRON'S RIDEWATCH) DRAGON THUNDERCLAP!

I fired a massive blast of lightning and it hit the Void King and he exploded!

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and back to a Sporix Cell!

Me: YEAH! Void King you have failed this city!

Eli put the cell in a pod.

Nico: Now, for the other 3!

Then Boomtower exploded out of the pile of cubes

Boomtower: Good thing I kept a backup Sporix egg for emergencies.

With that Boomtower grew giant.

Me: WHOA MAN! I got this. (ACTIVATES GOLIATH'S RIDEWATCH)

I grew to his size!

Nico: Lets take this fight to another planet. Don't want anyone to get hurt here.

Zayto: Good idea.

Nico snapped his fingers and we were on Glaren!

Me: Perfect! Thanks Nico.

Boomtower: So you chose this world as your tomb.

Me: Oh it's not my tomb. It's YOURS!

He fired massive energy blasts at me and I fired more energy blasts and they collided and exploded with incredible power!

---

Massive fiery explosions blasted off all over the place and turned the area into a raging inferno!

Nico: YEAH!

Eli fired waves of Force Lightning and electrocuted Trawler, Mucus and Shockhorn!

Eli: You like that!?

Zayto: Better use our finishers on these guys so we can help J.D.!

Nico: Lets do it!

Zayto: First this! STINK DINO KEY! READY!

Me: Oh boy. Plug your noses guys!

Nico, Eli and the team did so.

He activated it and donned an awesome Stink Boost.

Zayto: Stink Boost! STINK OUT!

He fired a ball of energy and then…

LOUD FART!

He released a massive stench that smelled worse than shit!

Me: HOOWEE! THAT IS PUTRID!

Shockhorn: IT BURNS MY NOSE!

Trawler: Aye that smell worse than scurvy!

Me: Not worse than this one!

I crushed both Trawler and Shockhorn with my foot and they exploded!

They were back to Sporix Cells.

Eli put them in pods.

Nico: NICE!

Me: Boy that would be awesome to use during our humiliations.

Mucus: (to the viewers) Sorry, folks. But that's all for me in this chapter!

Me: HEY! Deadpool and us only talk through the 4th Wall!

She teleported back to M.O.E. HQ!

Dino Fury Rangers: Dino Fury Megazord!

Aiyon: Mosa Razor Zord Battle Mode!

Me: AWESOME!

Nico: NICE!

Rangers: LINKED!

Me: Time for some buttkicking!

I fired waves of lightning and smashed him all over!

Dino Fury Rangers: DINO FURY BLAST!

They fired a massive energy blast and the blasts all hit Boomtower.

Boomtower: Looks like I was the one who got a goodbye gift!

And he exploded!

MASSIVE FIERY AND POWERFUL EXPLOSION!

Me: OH YEAH!

Nico: Void King, Trawler, Shockhorn and Boomtower you all have failed this world!

Rangers: DINO FURY VICTORY!

Nico: Yeah!

Boomtower was back to a Sporix Cell and Eli picked him up and put it in a pod.

We reverted back and got back to the city and I put out the fire by absorbing it.

Zayto: Thanks for letting me stay at the Estate, guys. But right now, it's time for me to stick with my team.

Me: It was our pleasure Zayto. But it's awesome that we are starting Ambassador Missions again. Even though this is the last one for the year.

Amelia Jones: But it's awesome having you all help us.

Me: Yeah it sure is. We're projecting November 10th for the Big Day Mission.

Nico: Yep.

Eli: But it's still awesome.

John Bolton: Yeah it sure is.

Me: Soon we'll have all the rangers help out.

Nico: Yep.

We came back.

William: Hey guys. How did it go?

Me: Really awesome and amazing.

Eli: Yeah!

Cornelia told everyone all about it and it was cool!

Tommy Oliver: Wow! That was amazing!

Jason Lee Scott: Yeah it is!

William: Next time, Jason Lee Scott and 4 Rabbids should come with you guys.

Nico: Awesome!

Me: I have a feeling Void Knight will come.

Nico: Me too.

We were at the park having an awesome lunch.

Ranamon: What a nice day at the park.

Me: Boy you said it Ranamon.

Lincoln: And it's awesome you became the first ever Digimon to transform too.

Nico: It sure is.

Ranamon: Yeah it's amazing y'all got to see me become so pretty. And now I'm in Lincoln's harem too.

Qin: You sure are.

Xenia: So awesome.

Shaggy: Like come and get it guys. I hope you're hungry!

He poured us bowls of glowing neon reddish pink chili.

Shaggy: I hope you have an awesome spicy appetite. This is my new 1000 Alarm Hole in The Ground Chili.

Me: Whoa!

He spilled some and then we saw it burn a hole all the way into the ground!

Me: WHOA! Jumping Jackrabbits!

Nico: That is really potent!

Me: But lets eat.

Curly ate some.

Curly: This isn't too hot!

Moe: Yeah for you pumpkinhead.

Moe tried some.

Moe: It's good.

But then FIRE EXPLODED OUT OF THEIR MOUTHS AND THEY SCREAMED IN PAIN AND THEY JUMPED INTO THE LAKE AND IT STEAMED AND They cooled down!

Me: WHOA!

I tried some and it was AWESOME! And then…

EXTREMELY MASSIVE FIERY EXPLOSION!

I had a fire aura around me!

Qin: WHOA! Not spicy for J.D. But that is awesome!

Nico and everyone tried it and then we got a massive fire and power boost.

Me: Man Shaggy that is awesome and delicious.

Qin: Boy I'll say!

[Eddy looks over at Edd. Edd turns red and steam billows from his ears and hat. Eddy then looks over to Ed, whose head now resembles a burnt out match.]

Ed: "Hi, Eddy!"

[We now see Eddy's reaction. He, like Edd, has turned red. However, his three hairs now resemble three fuses, burning down to his head. The table explodes in flames.]

WE LAUGHED OUR HEADS OFF!

[The Eds each glom down on a sprinkler. The sprinkler slams the boys back and forth repeatedly as it washes their mouths free of the spicy aftertaste.]

Cybertron Crumblezone: Damn, that's some hot stuff!

Nico: I'll say! But it's awesome.

We ate the chili and it was delicious.

Me: Man Shaggy that was great!

Sonnya Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: Boy it sure was.

Kristyana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) But it's awesome having a great meal together.

Me: But even after over 75 years they can't handle the spice.

Nico: The Three Stooges are still funny though.

Moe: Thanks.

Chase: So, you can make spicy food but you don't like going to scary places.

Shaggy: (offended) Come on, man. I got a life outside of missions too!

Me: Now Chase no need to be rude. It's just awesome having Shaggy cook with everyone.

Chase: Sorry. But it's still good food though.

Shaggy: Like thanks.

Nico: Yeah.

Viceroy: Well, having Zayto here was fun while it lasted.

Me: It sure was fun. But we'll have him with us soon.

Qin: Just hold on till November 10th.

Camie: It was awesome though having him help us during the mission with the Zenkaigers.

Kaito: It sure was awesome.

Nico: Yep. But that was a fun lunch though. Now lets get ready for our next mission.

We went back to the estate.

---

We later got ready.

Me: Kushina as much as it pains me to say it but I'm afraid this mission involves T-O-M-A-T-O-E-S.

Kushina: Oh. I see.

Me: Yeah sorry. But also we're going after the man who made them. It's this guy.

I pulled out a wanted poster of Professor Mortimer Gangreen!

Nico: Professor Mortimer Gangreen!? The mad scientist that made the killer tomatoes!?

Me: Yep.

Eli: Oh man!

Camie: What was he known fo?

Me: He wants to take over the world with them.

I went over his history.

---

Professor Mortimer Gangreen is the chief antagonist of the Attack of The Killer Tomatoes franchise, although he was not present in the original film, he would quickly become the prime source of most (if not all) calamities in the Killer Tomatoes universe after his introduction.

He was portrayed by American actor John Astin, who is known to many television viewers as Gomez Addams in the series The Addams Family and is also the stepfather of Sean Astin.

Professor Mortimer Gangreen is a criminally insane scientist who seeks nothing short of world domination and utilized many mutated tomatoes to do so, unleashing them upon the world with manic glee while plotting new ways to create more powerful tomato-based monsters by which to enforce his will upon the hapless masses.

In the animated series (loosely based on the films), he is known as Dr. Putrid T. Gangreen, and is also voiced by John Astin.

Crimes: Terrorism, Attempted murder, Mass murder, Brainwashing, kidnapping, taking hostages,

---

When I was done everyone was shocked!

Camie: What a monster!

Jared: He gives Tomato lovers everywhere a bad name!

Laney: We're going to turn him into blood!

Camie: Yeah! What about the history of the Killer Tomatoes?

Me: That you won't like.

I went over their history too.

---

The Killer Tomatoes are the chief antagonists of the sci-fi comedy series of the same name. As the name suggests, they are tomatoes of a deadly and treacherous nature that seek to take over the world. The tomatoes also have the ability to kill a human and are quite fond of doing so.

History

In the first film Attack of the Killer Tomatoes, they do not have any mouths or even faces (which they had later on in the third and fourth films Killer Tomatoes Strike Back and Killer Tomatoes Eat France) to eat humans. Also in the first film, the tomatoes have the ability to create explosions and roll quickly to chase humans and were giant in size, presumed to be that they grew from eating many humans. The U.S. Army launched a counterattack on the tomatoes, officially putting the country at war but the soldiers lose. However, they were defeated when the song "Puberty Love" was played, which was so horrible that the tomatoes shrink to miniature size and are squashed on.

The human characters in the films are depicted as being generally too weak to stand up to their tomato enemies, or just too stupid. One human, Sam Smith, disguised himself a tomato (very poorly, he only wore a tomato suit and did not cover his face or hands) to camouflage in with the Killer Tomato army so that he will not get eaten. One night when the tomatoes are having hot dogs for dinner, Smith asks if someone can pass the ketchup, then the tomatoes get angry and attack him (He did not die because he is in the 2nd and 3rd film also).

Although absent from the first film, the mad scientist known as Professor Mortimer Gangreen would act as the creator and the caretaker of the Killer Tomatoes in the series following the 1988 film Return Of The Killer Tomatoes.

In the original movie, no explanation is given to how or why the tomatoes became sentient and evil but in all future movies and cartoons they are genetically-altered by Professor Mortimer Gangreen as henchmen of sorts in his many evil, violent, and diabolical schemes.

---

When I was done everyone was shocked!

Jared: These tomatoes give all tomatoes everywhere a bad name!

Me: Yeah you got that right! And Kushina I know how much you hate tomatoes but…

Kushina: I know J.D. but thanks for looking out for me. I'll gladly smash these tomatoes all over.

Me: We all will.

Then Koragg, Black Manta, Black Knight Ghost, Dumbbeltron, Dodgeball Wizard, Kerbero Gangan, Gameface, David Cain, Vulkanus, Evil Snake, Live Action Bonecrusher, Two Face, Lillith, Yost Executioner, Yost Whirlwind, Emil Eagle, Thursday Man, Capricorn Zodiarts, and Evil Clayface appeared.

Koragg: Can me, Black Manta, Black Knight Ghost, Dumbbeltron, Dodgeball Wizard, Kerbero Gangan, Gameface, David Cain, and Vulkanus go wiih you all?

Evil Snake: Me, Live Action Bonecrusher, Two Face, Lillith, Yost Executioner, Yost Whirlwind, Emil Eagle, Thursday Man, Capricorn Zodiarts, and Evil Clayface will go too.

Nico: Yes you all can go with too.

Koragg: How was Cornelia's first mission?

Me: Really awesome and epic!

Cornelia: It sure was.

Koragg: Mucus told us everything and it was so cool. We're glad Cornelia had an awesome time.

Me: We are too. We're back in action guys! Even though it's the last set of missions till January 7th next year.

Qin: Yeah I know.

Squidward: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one for Number 85: Crazy Box next.

Pipsqueak: (British Accent) Wow! That one will be an interesting one to see.

Sunset Shimmer: It sure will.

Me: Yeah no kidding. I have a feeling we're going to be ready for an awesome rescue there.

Nico: Yep. And only one villain there for that one. Pinhead.

Qin: Yeah.

Me: But we gave him the Black Gates didn't we?

Nico: I can't remember.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Lilith Draconia of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, Claudia Umbra, and Nimue Badriyah. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Lilith Draconia on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, Claudia Umbra, and Nimue Badriyah.

Lynn: And they're even madder than ever, now they're really going insane.

Me: Just as Lincoln and the Knightmare Coven of Justice predicted.

Nicholette Torrington: With the members of The Order of The Black Cross falling one by one, Morana Desdemona, Astrid Bathsheba, and Lilith Draconia are getting really pissed off big time, and they're already falling into rage and anger. But, that witch Lilith's going to pay for what she's done, especially when you and Lincoln teach her a lesson, Victoria.

Victoria Donovan: Yeah, I still owe her for what she tried to do in trying to cause the deaths of my parents by using black magic, and I can never forgive her for what she tried to do.

Clara St. Clarice: Yeah, but watch it with her, you know she may still have those fire powers of hers.

Nico: Uh oh, this is going to get really crazy. Alright, gang, let's go, it's time to destroy The Killer Tomatoes.

Lincoln: This is going to get really messy, and once we get through with those killer veggies, you're next, Lilith Draconia.

Morgana DeRose: Yeah, and Lincoln, I'm surprised you didn't… ! (Suddenly realizes) Oh!

Kushina: Yeah, he's very careful about saying that word, Morgana. And he's right, this is going to get messy.

Adara Dunstan: We'll have a bath running for Linky after our mission and after we get rid of Lilith Draconia.

Me: Save some hot water for the rest of us, 'cause we're also going to need one after this.

Black Manta: Let's get going.

Live Action Bonecrusher turned into vehicle mode.

Live Action Bonecrusher: Anyone need a lift?

Nico: Scans show that the Killer Tomatoes and Professor Gangreen are on the Grilled Cheese and Tomato Soup planet.

Me: Then lets get a move on.

Maria: By the way, Stella, you and Wataru are getting a chance to shine.

Stella: Yeah!

Wataru: Looking forward to this one!

Qin: It's going to be good.

Camie: Lets go!

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7044.2: The U.S.S. Valorous Phoenix is en route to the Grilled Cheese and Tomato Soup Planet that we were at for my rescue and our mission is to put an end to Professor Mortimer Gangreen who is making killer tomatoes to kill everyone and take over the world.

Qin: I can't wait to make that monster pay.

Chaor: Can anyone summon Mystic Tomato right now?

Jared: I can.

Jared summoned Mystic Tomato.

Mystic Tomato: Now this is gonna be a good one. I hope you're ready for this boss.

Jared: Oh I am more than ready.

Xenia: Yeah!

Me: Donkey Kong didn't you have to face killer tomatoes like this?

Donkey Kong: I sure did and they were nasty things.

Chunky Kong: Chunky had to squish tomatoes to save worm friend in Fungi Forest.

Qin: Wow!

Black Knight Ghost: They're going to be chopped like onions.

Two Face: How bad can they possibly look?

Nico: We'll find out.

Me: Have you guys ever watched that movie Attack of The Killer Tomatoes?

Two Face: I remember that movie. Very crazy one.

Qin: But that was a cool one.

Volcana: Crazy but silly.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet.

Nico: Here we are guys. Engage landing.

Lana: Aye sir.

We got to landing and we got out when we landed and saw that the planet looked normal.

Nico: Awesome as I remember it.

Qin: It's awesome too.

Me: Yep.

We walked around.

RD Lori: Maybe this planet isn't literally that bad.

Me: We've actually been to this planet before and it's really awesome.

Nico: It sure is.

Eli: Wait look!

We saw a HUGE TOMATO rolling towards us!

Nico: WHOA MAN!

Qin grabbed the tomato and it was giant tomato as big as a car tire!

Nico: WHOA!

Me: Look at the size of it!

Dumbbelltron: That must be one of them.

Lillith: Check for teeth!

We looked at it and it was a huge tomato and there it had a mouth and eyes and it had FANGED TEETH!

Nico: WHOA!

Me: WHOA!

Then!

CHOMP!

IT BIT MY ARM OFF!

I grinned with the pain!

Me: Nice try ketchup face!

I regrew my arm!

I then formed a huge hammer and then…

SMASH! KRASPLAT!

I squished the huge tomato and it splattered all over Nico's face and many of us.

Nico: (SLURP) They may be monsters but they taste like ketchup.

Eli: (SLURPS) At least they taste like every day tomatoes.

Jean Bison: Any chance we can call some aphids for help?

Timon: As long as they are the aphids that I like and not those store bought aphids.

Qin: Yeah.

Jared: But there are sure to be many more where that one came from.

Xenia: Yeah no kidding.

Me: Professor Gangreen is a monster for inventing these.

Dodgeball Wizard: Incoming!

Yost Executioner destroyed a tomato with his axe.

SLASH!

He sliced and diced it!

Nico: Nice!

Me: Lets get our weapons ready.

Laney: YEAH!

We got our swords and all that ready.

Alucard: Mind if I eat one of them?

Me: Go for it.

Then a tomato came and Alucard ate it.

Me: Nice. Marceline eat all you want.

Marceline: Thanks J.D.

Then NUMEROUS TOMATOES CAME! They ranged from normal size tomatoes to AS BIG AS A HOUSE!

Qin: WE'RE GOING TO NEED A HUGE FOOD PROCESSOR!

Yost Whirlwind: Let's blow them away!

Kerbero Gangan: Big time!

Nico: WHIRLWIND SPIN!

The 6 Star Dragonball on his bracelet lit up and Nico formed a sign and fired powerful energy wind that shredded the tomatoes all over the place into pieces.

Qin: Nice one!

Oceanus Shenron: I'll help too. WHIRLWIND SPIN!

She did the same as well!

Girl Jordan: Let me do so too! WHIRLWIND SPIN!

Xenia: Yeah!

RD Girl Jordan: I'll try that as well! WHIRLWIND SPIN!

She did the same thing and shredded many of the tomatoes all over into paste!

Nico: YEAH! That's the last of them. For now.

But then…

KRASPPLAT!

We all got splattered with tomato sauce!

All of us: EEEEWWW!

Me: (Slurp) Still tasty though.

Xenia: (Slurps) Yummy.

Gameface: You were saying?

Emil Eagle: Still yummy though.

Me: At least they are all sauce.

Eli then used the Force to pick up all the sauce and Lisa put it all in a container for it.

Nico: Awesome job guys.

Eli: I sense that Gangreen is to the north of us at 100 klicks

Nico: Then we need to get to him. Lets go.

We went to face him.

David Cain: This should not be confused with blood.

Thursday: It's really ketchup.

Nico: Or tomato sauce.

Me: Kushina I'm sorry this mission is making you upset.

Kushina: (Happy) Oh I'll be all right.

Qin: Good.

Naruto: Mom we know how you hate tomatoes. We're just worried.

Kushina: Oh thank you.

We went to a hill and then in a huge caldera like valley we saw A MASSIVE NUMBER OF TOMATOES!

Me: Holy ketchup stains.

Qin: There's billions and billions and billions of them.

There were massive numbers of huge piles of tomatoes that filled up the entire valley!

Camie: That is a lot of tomatoes.

Qin: Oh boy. What is he going to do with all of them?

Xenia: No idea.

Khybon: Probably to Invade Earth.

Me: Wait I hear him talking.

Gangreen: Arise my children! (INSANE LAUGHTER) It's time for the world of Earth to know who is going to be king! I, Professor Mortimer Gangreen, shall take over the world of Earth and rule over it in the name of all tomatoes with humankind all being what you all desire: YOUR MEALS! (LAUGHS DERANGEDLY AND INSANELY LIKE A FUCKED UP MONSTER)

Qin: What a monster!

Vulkanus: You called it, Khybon.

Capricorn Zodiarts: But we won't let that happen.

Me: Not in a million years.

Nico: Lets get him. Entrance time.

We went at him and the tomatoes.

Then as he was laughing the spirits of fruits and vegetables appeared and swirled around him and then they converged and

then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and the tomatoes and then fireballs rained down and burned many of the tomatoes all over and then a phoenix cry was heard and we came out and landed.

Qin: Gangreen you are under arrest!

Me: Time for you to pay for your crimes!

Gangreen: Team Loud Phoenix Storm!?

Qin: That's right!

Circe: And your minions are going splat!

Nico: Into tomato paste and ketchup!

We fired waves of energy and smashed them into pulp!

Xenia: Take that!

Camie: You are going to pay big time!

Gangreen: For every one of my minions you kill, more rise to replace them.

Marionette Shadow: We won't stop until we kill them all.

Evil Clayface: That's a promise.

Wataru: One that we intend to keep!

Garulu Saber! Basshaa Magnum! Dogga Hammer

He had his Powerful Kiva Forms ready!

He was ready!

Nico: Lets do it!

---

Engine Banki (エンジンバンキ Enjin Banki) was an Engine Savage Air Pollution Barbaric Barbaric Machine Beast created by Kitaneidas based on the Engines themselves to avenge the death of Yogostein. Kegaleshia and Kitaneidas rode inside him just like the Go-Ongers ride the Engines. He was giant sized by default but was also able to can transform from a dekotora form into a humanoid form and could produce an infinite amount of black exhaust fumes to pollute Human World into oblivion. Fortunately, he was shrunk down from his colossal size by the Kankanber and it's Crossing Stopper attack and then destroyed by the Kankan Mantan Gun and it's Kankan Kong Express attack. He had a habit of using "tora tora" in his sentences.

---

---

Whirlin was next.

Whirlin: (to Linka) I heard you guys met Gene-slammers for Lazion the Timelord and Granmorg the Rock Monarch. What are their names?

Linka (CP): (Russian Accent) Their names are Laney Emperyous and Gina Granmorg and they are amazing Guardian Angels.

Rainbow Dash: They sure are and they have amazing and awesome stories too.

Scootaloo: They sure do.

---

Laney Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Gina Granmorg: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Laney Emperyous: That's incredible.

Nico: It sure is. So, Laney, Gina, what are these two horrible revelations you have on Lynn and Scoots?

Laney Emperyous: Allow me to go first. I sensed out long ago that Lynn was really steamed after she lost a big game because some bullies broke her leg and she blamed Lincoln for it and Lynn wanted nothing more than to kill Lincoln and burn his body after dousing it with gasoline and throwing his ashes into a steel mill. I wasn't going to let that happen and I thrashed Lynn hard and put her into a terrifying illusion I know called The Hell's Torture Illusion and it made her scared out of her mind. I vowed that if Lynn ever touched Lincoln in any way shape or form, I would make what Lynn was going to do to Lincoln, happen to Lynn instead!

We gasped in shock.

Nico: Why that little… !

Lincoln: Yeah, and when I found out from Laney about what Lynn was going to do to me, but I was so glad that Laney took her down and put the Hell's Torture Illusion on her.

Selene Emperyous: After she told us about it, we were all really pissed off at what that stupid, bull-headed, smelly gym bag was about to do to Linky, and we wanted to rip her to shreds. But, Laney took care of her and gave her a nasty case of trauma with the Hell's Torture Illusion.

Gina Granmorg: And those two heartless psychopaths from Hazeltucky are now in prison for the rest of their lives, a fitting punishment for what they've done. Now, it's my turn to tell my tale, you see the very reason why Lincoln said I absolutely hated Scoots with a merciless vengeance and wanted to personally send her to Oblivion is because long ago, when Lincoln and I were walking home from Gus' Games and Grub, Scoots came out and began running Lincoln over with her scooter and she was laughing like the old witch that she is. I got so mad that I kicked Scoots off her scooter, fired a blast of lava at her scooter and melted it into molten metal, and I sent Scoots back to the nuthouse, and I had to treat Lincoln's wounds, he… (Voice Breaking) he was twitching in pain really badly, and he was bleeding badly. (CRIES IN SADNESS)

We gasped in horrifying shock, including the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Gina Granmorg and hugged her, while she hugged him and cried onto his bare chest.

Nico: (Gasps) Why that crazy, bad-tempered, stupid old goat!

Me: Scoots crossed a big line that day after Gina told us of what that old goat did to Lincoln.

Gina Granmorg felt Lincoln's massive and muscular body shake with undeniable fury, and his muscles bulged even more and she saw veins in his biceps.

Lincoln: She sure has, that old goat has caused us nothing but grief with her constant complaining and troublemaking for far too long in Michigan, not to mention all of the times she's tried to kill me and all of us. If I ever see that stupid old goat back from the dead, she's getting The Black Gates.

Nico: Yeah, that'll teach that old goat.

Me: What a rotten old goat.

FLASHBACK ENDS

Whirlin: My goodness! I can't believe that Scoots is that evil! Including those jerks Hawk and Hank! They are absolute menaces to society!

Whirlwind: You aren't kidding there! What they did back then is awful! But thank goodness Scoot's is dead.

They summoned tomato eating bugs to devour the killer tomatoes!

The Tomatoes were all eaten, mashed, squished and more!

Gangreen: NOOOOOO! MY CHILDREN!

Me: Get a real kid bub!

I punched him and knocked him out and we tied him up.

Lincoln: Oh man, now that's what I call one ketchup-crazed battle.

Me: Man what a mess!

Lincoln suddenly absorbed the ketchup that covered his body.

Nico: You got that right, Linc, and even though we got covered in ketchup and you got yourself clean, awesome job, guys, but we're not done yet, we've still got Lilith Draconia to deal with, and that dark Satanic Witch of The Order of The Black Cross should be arriving… right now!

?: I will make you and your entire coven pay for killing us four years ago, Morgana DeRose!

Suddenly, the eight large planets and stars orbiting around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large

Morgana DeRose: I should've known there's no mistaking that voice from anywhere. You can come out now, Lilith Draconia.

An inverted Black Cross with an inverted pentagram appeared in the skies, and a tornado of darkness appeared from the ground and demonic screaming echoed in the air, and when it disappeared, what stands in its place is a girl with long red hair, red eyes, black clothes, and an inverted black cross with an inverted pentagram on her right arm, it was Lilith Draconia, a dark witch and one of the eight members of The Order of The Black Cross.

Morgana DeRose: Lilith Draconia, I should've known you'd show up here, you dark witch!

Lilith Draconia: And now, I will have my revenge on you for what you did to us four years ago! You ruined our ritual to prove our loyalty to Satan!

Victoria Donovan: I have no remorse in what we did four years ago, and you're about to suffer the same fate as your master.

Suddenly, Victoria Donovan's red eyes turned neon red and she was surrounded by a black and aqua blue energy aura with darkness, water, ocean waves, dark magic, and mermaids, she unholstered her massive Knightmare Mermaid-themed greatsword from her back, and as she approached Lilith Draconia, she left black and aqua blue energy, darkness, dark magic, water, ocean waves, and mermaids with every step.

Victoria Donovan: I will never forgive you for what you've done in the past, Lilith Draconia, you and the rest of The Order of The Black Cross have caused far too much trouble to all of Michigan for the final time to prove your loyalty to Satan, and now, I'm going to make sure that you die here and now, and this time, you're never coming back!

Suddenly, Victoria Donovan was surrounded by a massive vortex of black and aqua blue energy with darkness, water, ocean waves, mermaids, and dark magic surrounding it, there's Knightmare Mermaid swimming around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Lilith Draconia: the blood red eyes of death. Then, as the vortex faded, Victoria Donovan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Victoria Donovan grew from 6'5" to 7'1" in height, she has the body of a goddess, she has midnight black highlights in the bangs of her long flowing aqua blue hair, she has neon red eyes and a black and aqua blue energy aura with with darkness, winds, dark magic, and gryphons surrounding her, she has Knightmare Mermaid with the Dark Kanji in its hands emblazoned on her forehead, she has on mermaid earrings with aqua blue gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Knightmare Mermaid with aqua blue gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her aqua blue mermaid-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Victoria Donovan felt a sharp pain on her back, and then, her massive aqua blue angel wings with black tips on the feathers grew much bigger for her new body. Victoria Donovan has on a Ring of The Phoenix with aqua blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Victoria Donovan's massive Knightmare Mermaid-themed large sword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and aqua blue energy with darkness, water, ocean waves, dark magic, and mermaids, and when it emerged, it transformed into Knightmare Mermaid's Dark Magic Maelstrom Greatsword of Dark Magic and Darkness Justice, it's a brand-new large greatsword with Knightmare Mermaid etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black mermaid heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large midnight black mermaid heads and a large aqua blue gem below the black mermaid heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Knightmare Mermaid's head with aqua blue gems for eyes and an aqua blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Spellbook of The Knightmare Realm, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Victoria Donovan has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC MAELSTROM KNIGHTMARE MERMAID ANGEL OF DIVINE DARK OCCULT MAGIC JUSTICE AND DIVINE MAELSTROM DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Victoria Donovan's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Lilith Draconia saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Victoria Donovan dodged it and she fired a powerful black and aqua blue energy blast with darkness, mermaids, dark magic, and mermaids at Lilith Draconia and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Victoria Donovan's now the next of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: The Maelstrom Dark Magic Mermaid of Justice VS. Satanic Black Magic of Evil.

Lincoln: This is going to piss Morana and the remaining members of The Order of The Black Cross off even more, and Victoria, you look beautiful, how do you feel?

Victoria Donovan: (Divine Echoing Cosmic Voice of The Maelstrom Dark Knightmare Mermaid and Divine Dark Magic Water Occult Justice) **I feel incredible, Linky, now shall we deal with that Satanic witch, Lilith Draconia, once and for all?**

Lincoln: (Smiles) With pleasure, Victoria.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Victoria Donovan.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Lilith Draconia, and this time, you're never coming back from the dead again!**

Victoria Donovan and Lincoln went after Lilith Draconia, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and aqua blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Lilith Draconia and they exploded with incredible power as they hit her. Then, they attacked Lilith Draconia with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Lilith Draconia.

Lilith Draconia: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Lilith Draconia let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form, and she sprouted demonic wings.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago, and the demonic wings are a new one.

Lilith Draconia tried to attack again, but Victoria Donovan and Lincoln dodged her claws and they also absorbed the blasts of fire she threw at them, and then, Lincoln chopped off her tail and wings as she screamed in agonizing pain, and he trapped Lilith Draconia by forming a magic circle below her feet. Then, Victoria Donovan used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Lilith Draconia, and it stripped the dark Satanic witch of all of her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Victoria Donovan and Lincoln to fire powerful black energy blasts at Lilith Draconia, and they exploded with incredible power as they hit her, and she was killed.

Then, Lilith Draconia's spirit appeared, and as soon as it did, Victoria Donovan and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Lilith Draconia: NO! NO! DAMN YOU, VICTORIA DONOVAN! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Lilith Draconia was erased by The Black Gates and never to return again. We cheered wildly for what Victoria Donovan and Lincoln did to Lilith Draconia as they holster their massive greatswords on their backs and powered down, and Victoria Donovan's new body, clothes, weapons, jewelry, and massive dark blue angel wings are permanent.

Victoria Donovan: That's another dark witch who'll never rise from the dead again, thank you for helping me destroy Lilith Draconia, Linky.

Lincoln: (Smiles Warmly) You're welcome, Victoria.

Suddenly, Victoria Donovan wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Victoria Donovan's face, they kissed passionately as Victoria Donovan's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Mermaid flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we cheered wildly. Lincoln and Victoria Donovan came back, as the display and Knightmare Mermaid vanished.

Nico: Alright, Victoria and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Lilith Draconia.

Lincoln: And made sure she'd never come back again, and we also pissed off Morana Desdemona and Astrid Bathsheba even more.

Morgana DeRose: Morana's already seething with even more pure rage and hatred now that Lilith Draconia has been defeated and killed again.

Lincoln: Yep, which means the one we're going to face tomorrow is Astrid Bathsheba, and you and I are going to destroy her for good, Adara.

Adara Dunstan: You said it, Linky, and once we deal with Astrid Bathsheba, all that's left is for you and Morgana DeRose to deal with Morana Desdemona, and we'll be rid of those Satanic witches for good.

Selene Emperyous: You got that right, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Camie Emperyous, the Kamion the Timelord Gene-Slammer and one of the two Earth Masters, and she's got a really nasty revelation about Luan tomorrow.

Nico: We'd already heard a ton of nasty and bloody revelations from the other Guardian Angels about Luan, but I can guess there's another one heading our way.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, but some of us might've known about that Luan did that day as well, and we'll meet another Monarch Gene-Slammer, and my guess is Nika Zaborg, the Zaborg the Thunder Monarch.

Eli: Shocking.

Count Nocturne: That's the end of Dr. Gangreen.

Oculous: And the killer tomatoes.

Whiteout: You said it.

Me: But we have plenty of tomato sauce of Lynn's Table.

Qin: We sure do.

Brick: Now, let's go celebrate with Shaggy's chili!

Technus: I, Technus, want to see how hot it is!

Me: Oh it's awesome.

Ranamon: Boy it sure is and y'all will love it.

Nico: Yep. Great job today everyone!

Kushina Uzumaki: (To the viewers) This was a really messy adventure and it was awesome ya know.

Me: It sure was.

Nico: Yeah. Lets head home.

We went back home and got a shower and then had Shaggy's chili for dinner. Then we enjoyed the rest of the day and went to sleep.

Professor Mortimer Gangreen was found guilty but insane for his crimes and he was sentenced to eternity in the Saturn Insane

Asylum in the Arkham Asylum section.

Me: The Windriddle Castle. It's amazing.

Amity Blight: Wow. It sure is beautiful.

Qin: It sure is.

Laney: Yeah it's awesome.

Vakama: Boy I'll say.

Xenia: Yep.

Nico: Thanks for coming with me, Vakama.

Vakama: Anytime Nico. This is gonna be so awesome and fun.

Qin: It sure is.

Nico: Vakama, this might be upsetting for you. But… tell me about Toa Lhikan.

Vakama: Well you all do have a right to know.

He told us about the creator of Metru Nui.

---

Lhikan was a Toa of Fire and the leader of the Toa Mangai team. After sacrificing his Toa Power to create the Toa Metru, he transformed into a Turaga. Lhikan ultimately gave up his life in combat with Makuta in order to save the life of Toa Metru Vakama.

Little is known about Lhikan's life as a Matoran, except that he was a Crafter, and that Toa Dume might have had a hand in his becoming a Toa. Dume, as a Toa, also saved Lhikan from an accident around 17,000 years ago.

7,000 years before the Great Cataclysm, Lhikan was a novice Toa serving on an island fortress besieged by Frostelus. The day before the fortress' treasure - the Makoki Stone - was to be moved to a safer location, two Dark Hunters, Vezok and Hakann, successfully stole the stone. The next day, the Frostelus overran the fortress and wiped out the Toa, with the exception of Lhikan.

3,000 years later, Lhikan came to Metru Nui as part of a team of eleven Toa that included Toa Nidhiki, Toa Tuyet, Toa Naho and four Toa of Ice. Their goal was to stop the Kanohi Dragon that the Dark Hunters had unleashed on the city. Once the beast was defeated, Lhikan helped deport the dragon to Roodaka's home island, Xia. The Toa then stayed as the city's protectors, with Lhikan having a home in Ta-Metru. He also showed great teamwork with Nidhiki in defeating Tuyet.

By the time of the war with the Dark Hunters a thousand years afterwards, Lhikan had become known for his brave leadership and became the chief commander of the Toa in the war. When Nidhiki betrayed the Toa and helped the Dark Hunters lay a trap, Lhikan discovered his treachery and planned to set up a counter-trap. However, Hakann, who was now with the Dark Hunters, caught him and bargained for the Hunters' freedom, offering the Makoki Stone in exchange. Remembering many years ago how his teammates had given their lives to protect the stone, he agreed - adding the condition that the Hunters take Nidhiki with them. Lhikan's actions won the war for the Toa, and Lhikan expelled Nidhiki and all the Dark Hunters from the city.

Another 2,000 years later, Toa such as Naho were being sent out on missions by Turaga Dume (Teridax in disguise), the city's leader, from which they never returned until only Lhikan was left. He became suspicious of the city's leader, Turaga Dume, and when two Dark Hunters showed up in the city - one of them being Nidhiki (who was now mutated into an insectoid monster) - he became worried. He decided to steal six Toa Stones from the Great Temple, charge them with his Toa Energy, and give them to six Matoran of different Metrus. Nokama, Onewa, Whenua, Matau, Nuju, and Vakama. However, just as soon as he finished this task he was captured by the Dark Hunters and secretly thrown into a hidden prison, only having time to warn Vakama to save "the heart of Metru Nui".

While Lhikan was in prison, the Matoran brought the Toa Stones to the Great Temple, where they were transformed into the Toa Metru. This transformation drained Lhikan's power, turning him from a Toa to a Turaga.

Three of the Toa Metru - Onewa, Whenua, and Nuju - were later arrested by Vahki and thrown in Lhikan's jail cell, though he disguised himself so none of the three could recognize him. There, he helped the three discover their mask powers by giving them seemingly pointless tasks to perform and learn from; Nuju's activation of his telekinesis power in particular allowed them to escape. Meeting up with the other Toa, Lhikan revealed his identity and asked if "the heart of Metru Nui" was safe; Vakama thought he had meant himself, but Lhikan clarified that he meant the Matoran. The group then discovered the true Turaga Dume lying unconscious in a Matoran Pod and hurried to confront the impersonator.

They discovered that Teridax had been the one posing as Turaga Dume, and as he put the Great Spirit Mata Nui to sleep, the Toa Metru and Turaga Lhikan raced to escape with as many Matoran as they could. Teridax gave chase and Vakama went to face him alone, though Lhikan slipped away and followed. By the time Lhikan got there, both Teridax and Vakama were stuck in slow-motion due to the effects of the Vahi and Teridax was launching a deadly attack that Vakama wouldn't be able to dodge. Lhikan quickly jumped in the way of the blast, but it overpowered his Kanohi Hau's shield and blew him away, fatally injuring him. Lhikan thanked Vakama and spoke of his pride in fighting beside him and gave his mask to Vakama. After this, Lhikan died.

On Mata Nui, after the Toa Metru became Turaga upon awakening the Matoran from their slumber in Matoran Pods, Takua showed Vakama that Jaller's Kanohi Komau had been broken. Vakama then replaced it with Lhikan's Noble Hau. After his death, Lhikan was sent to the Red Star and was revived.

The Toa Metru, particularly Vakama, did not want Lhikan to be forgotten, so they made some monuments in Lhikan's memory. When traveling to and from the island of Mata Nui, the Toa christened their transports the Lhikan I and the Lhikan II, respectively. Upon waking the Matoran on Mata Nui, they found that the mask of a Ta-Matoran named Jaller had broken. As a replacement, Vakama gave him Lhikan's Noble Hau, which changed into the shape of a standard Great Hau.

Once awakened, the Matoran had no memory of Metru Nui. Not wanting to remind them of a home they may never see, but also not wanting Lhikan forgotten, Vakama invented tales of a Matoran named "Lhii" that were based on Lhikan's adventures. Lhii was said to be the island's greatest lava surfer, and was "in the clan of Jaller" (subtly referencing the fact that Jaller wore Lhikan's old mask). According to the tales, Lhii had died some time ago in a lava surfing accident. After the tales of Metru Nui were told, the Matoran understood that "Lhii" was actually Toa Lhikan.

One thousand years after his death, the Mask of Life brought the Toa Inika's knowledge of Lhikan to life. The illusion of Lhikan was impressed with the Toa Metru's successors, but warned them to go back. When he was challenged by Jaller, he admitted: "I would not abandon such a vital quest, but then, look what happened to me". He then disappeared, allowing the Toa to proceed.

---

When he was done we were shocked!

Me: He was a true hero and a great Toa.

Qin: He sure was.

Nico: And Teridax killed him!

Me: No kidding! But at least we dd the Toa a favor and destroyed Teridax forever.

Qin: Boy no kidding.

Laney: Yeah he deserved to be destroyed too.

Lana: You got that right.

Cornelia: That's for sure.

Me: Yeah. Boy yesterday's mission was awesome.

Nico: We killed a lot of tomatoes.

Me: We sure did. And we turned them into ketchup and spaghetti sauce.

Qin: Yeah we sure did. Even though Kushina didn't like the mission. It was cool.

Amity Blight: It sure was cool.

Luz: Yeah it sure was.

Nico: They were fucking creepy with those teeth!

Me: NO SHIT THERE! And one of them bit my arm off! But it's good I can regenerate.

Camie: That was gross though seeing that.

Me; Sorry.

Xenia: But still those tomatoes were tasty.

Varie: They sure were.

Airazor: Those tomatoes did give us a really hard time though. But we did good job facing them.

Camie: We sure did.

Nico: Also, Ikaros, Lacus Clyne, Scootaloo, Alana the Phoenix Angel, Silver Spoon, Spawn, Princess Luna, Celine CeCe Evan, Celestia, and Starlight will be backup core members.

Me: Sweet!

Starlight Glimmer: This is gonna be so awesome!

Me: And I remember Alana the Phoenix Angel. I haven't seen her in a long time.

Lincoln: And its been a while since I saw CeCe.

Me: Also we haven't recruited Lacus yet.

Nuci: Well yeah but we will soon.

Rainbow Dash: That is gonna be awesome that Scootaloo will be a backup.

Nico: Wonder what's going on this time.

Me: Well I'm afraid I have bad news.

Eli: What is it?

Me: Amity Blight's so-called mom escaped from prison and is out for revenge.

We gasped!

Lincoln: I can't believe Amity's so-called mother is back!

Me: I know. She doesn't know how to take a hint.

Amity: If she thinks she's going to destroy us again, she's got another thing coming.

Felicia Wittebane: That heartless old hag! I thought I'd made sure she'd never escape from her prison after I stripped her of her powers.

Me: Yeah.

Nico: How was this…?! (Thinks about it) Lincoln, do you think Astrid Bathsheba of The Order of The Black Cross was behind this?

Me: So the Order of The Black Cross is behind this!

Lincoln: If she is, then, Adara Dunstan and I are going to break her neck for that.

Felicia Wittebane: The Order of The Black Cross, eight of the most dangerous Satanic dark witches of Michigan. Nico told me they were killed four years ago thanks to Morgana and her Coven.

Nico: Yep, and from what you saw, they've returned from the dead four years later reborn as demons and were out for revenge. So far, six of them have been killed, and now, there's two left.

Me: Yep.

Lincoln: Astrid Bathsheba and the leader of The Order of the Black Cross herself, Morana Desdemona. We'll be rid of those two Satanic dark witches soon, and that'll leave us with Angela on Halloween.

As we walked through the Windriddle Palaces, suddenly, we sensed an energy signal and we saw an insane figure heading at both Luz and Amity with a knife in hand, but Luz and Amity kicked the figure away and we saw who the figure was: it was Odalia Blight, and she was out for blood and revenge.

---

Odalia Blight is a supporting antagonist in the Disney Channel animated series The Owl House.

She serves as the overarching antagonist of "Understanding Willow", a flashback character in "Young Blood, Old Souls" and "Them's The Breaks, Kid", the main antagonist of "Escaping Expulsion" and one of the two main antagonists (alongside Kikimora) of "Clouds on the Horizon".

She is the abusive wife of Alador Blight, mother and archenemy of Amity, Edric and Emira Blight, and the CEO of Blight Industries. Unlike the other residents of the Boiling Isles, she is aware of the true, genocidal nature of the Day of Unity, but supports it under the belief that Emperor Belos will reward her and make her and her family a lesser royalty.

She is voiced by Rachel MacFarlane, who also plays Hayley Smith on American Dad!, which is also created by her older brother Seth MacFarlane.

Not much is known about Odalia's past. What is known is that she was once an oracle student at Hexside along with Eda and Lilith Clawthorne, and her future husband Alador. Sometime after Lilith cursed Eda, Odalia married Alador, founded Blight Industries, and became the mother of three children: Emira, Edria, and Amity Blight.

She, alongside her husband Alador, forced Amity to end her friendship with Willow due to wanting to preserve their reputation as being "superior." When Amity refuses, Odalia threatens to prevent Willow from attending Hexside leading to Amity having to cut her ties with her childhood friend to protect her. She and Alador then arrange for Amity to befriend Boscha and the others due to the idea that they could mold her into being crueler and more ambitious.

Unbeknownst to her, Amity, thanks to Luz's intervention, was able to make amends with Willow.

Odalia and Alador are holding a private Blight Industries demonstration of a security Abomiton Soldier for investors and uses her daughter Amity to display its combat capabilities, but when Amity's photo of Grom night falls out of her pocket, she instantly destroys the abomination, causing the attendance to leave as sales for the Abomination plummet rapidly.

Odalia figures that Amity's friends are a distraction, and the next day, she forces Principal Bump to expel Luz, Willow and Gus from Hexside, as Amity watched regretfully. Luz confronts them as they leave, and Odalia offers Luz a deal to get them back in school: that she takes Amity's place in another showcase of Blight Industries' new weapons.

Luz agrees and takes a battering from the weapon demonstrations, struggling to resist with her glyphs, until a new Abomiton 2.0 model attacks her, which Odalia intends to have Luz completely eliminated with. However, Amity interferes, finally standing up to her parents and demanding they allow her friends back into school or else she will destroy the Abomination. Odalia falsely agrees, secretly intended to rescind the deal, but Alador reminds her that Blights always uphold their end of the bargain. Luz and Amity then feign defeat, allowing sales to go back up.

After this, Alador and Odalia are visited by the Golden Guard, They kneel before the emperor's emissary, who informs them that their weaponized products and efforts will now be sold exclusively to Emperor Belos, before warning them he does not take kindly to citizens producing a private army.

Odalia is mentioned when Amity styles and dyes her hair, revealing she dyes it green because her mother wanted her children "color coordinated", with Emira telling her "Mom will freak" when she sees it.

Odalia briefly appears in a photo of a young Alador winning the Bonesborough Brawl years ago. When Amity was old enough to enter, she arranged her to try out for the Emperor's Coven on the same day. Near the end of the episode, it was revealed Amity never wanted to join the coven, it was Odalia's dream, not hers. It is also mentioned she is still trying to dye Amity's hair green.

Odalia intimidates Alador by threatening to have their children work in the factory and ultimately reveals that she already knew that the Day of Unity was meant to kill all witchkind through the Draining Spell. However, rather than being appalled by it, Odalia instead was assisting the emperor in making the event happen under the belief that she and her family would be spared of the mass genocide, and they would rule as lesser royalty under Belos' new world order. This, of course, gives a lack of foresight that her family would also be in danger if she even cared.

When Alador finally stands up to her and tries to stop her, Odalia scoffs and leaves saying that she needed to find a more compliant business partner anyway. She also learns that Amity was dating Luz expressing disgust due to Luz's status as a criminal. Amity also states she would never talk to her again, effectively disowning her.

Although Odalia doesn't appear physically in the episode, she is briefly mentioned by Amity when Coven Guards confront them in the ship she and her friends stole, indicating she called them. She also appears briefly as a teenager in Eda's vision before beginning the plan to stop the draining spell, implying they used to be friends before Eda was cursed.

It is unknown what happened to Odalia when the draining spell occurred, although its highly likely she was affected by it just like everyone else and was likely saved when The Collector stopped it before it was completed.

---

Odalia Blight: You miserable fools ruined everything, the world could've finally belonged to Emperor Belos. Now, I will kill you all and have my revenge!

Amity: That's never going to happen!

Luz: Yeah! We've had it with you to last an eternity, Odalia Blight!

Me: You make me sick Odalia! Money is all you care about but the love of money s the root of all evil! You think you're so much better than everyone because you have all that money, but having all the money in the world can't buy you everything!

Odalia Blight: Like what?!

Nico: For one, true friendship. And true hard earned victories. Just to name a few.

Me: And also Power, Love, Companionship, and more!

Nico: That's right!

Me: You have no love in your heart Odalia! All you are is a greedy powerhungry control freak! And another thing, I"M GLAD THAT I KILLED EMPEROR BELOS!

Odalia was shocked and enraged!

Odalia Blight: YOU KILLED EMPEROR BELOS!?

Me: That's right! I show no remorse for it!

Nico: YEAH!

Odalia Blight: YOU MONSTER! HE WAS OUR FUTURE! HE WAS SAVING US!

HOW DELUSIONAL WAS THIS BITCH!?

Suddenly, the eyes of Luz and Amity turned neon hazel and neon bright golden, and they were both surrounded by colored energy auras with elemental forces, magic, and mythological animals, and as they approached Odalia Blight, they left colored energy, elemental forces, magic, and mythological animals with every step.

Luz: Odalia, none of us will ever forgive you for what you've done in helping Emperor Belos with his evil schemes.

Amity: And I'll also never forgive you for constantly making me miserable to suit your own selfish ambitions!

Odalia Blight: You dare to stand against me?! I'm your mother!

Amity: You stopped being my mother long ago, and now, not only do I want nothing to do with you.

Luz and Amity: We're both going to make sure you never show your face in the world again!

Suddenly, Luz and Amity were surrounded by massive vortexes of colored energy with elemental forces and magic surrounding the vortexes, there are owls and phoenixes flying around the vortexes, and in the vortexes are rainbow phoenixes. Then, as the vortexes faded, Luz and Amity emerged, but they were changed forever.

Amity has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY SUPERNATURAL MAGICAL CAT ANGEL OF DIVINE SUPERNATURAL MAGIC JUSTICE AND DIVINE CAT MAGIC LOVE!

We were amazed by the transformations of Luz and Amity, but when Odalia Blight saw it, she went mad with insane rage and tried to kill them, but Luz and Amity fired powerful energy blasts at Odalia Blight and sent her flying into a wall, and it made her even more pissed off than ever.

Nico: So awesome, Luz and Amity have transformed!

Lincoln: Let them have their fun ripping her to shreds, while we deal with Another Eon, Nico.

Luz: (Divine Echoing Cosmic Voice of The Supernatural Magic Owl and Divine Owl Magic Love) **That's a good idea.**

Amity: (Divine Echoing Cosmic Voice of The Supernatural Magic Cat and Divine Cat Magic Love) **Yeah, we won't be long.**

Luz and Amity went after Odalia Blight and they fired powerful blasts of purple and light purple energy, magic, owl, cats, and elemental forces at Odalia Blight, and they exploded with incredible power as they hit her, and they attacked her with their new Mage's Staves by hitting her with them and blasting her with purple and light purple blasts.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Me: You give all loving parents EVERYWHERE a really bad name Odalia! Because of you Amity was lashing out as a bully before Luz came to the Boiling Isles! Now it's time for you to face justice and for Amity and her siblings and father to move in with us!

Odalia Blight: NEVER! I WILL NEVER ALLOW THAT TO HAPPEN!

Me: Too late! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: YEAH!

Sougo: (gets out Zi O II Ridewatch) Amity deserves a better mother

Nico: And it's CERTAINLY not going to be you!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Dino Fury Ridewatch) I've been wanting to try this for a while!

Sougo became Zi O II while Geiz got DinoFuryRedArmor.

They were ready!

Odalia Blight: You don't understand! Emperor Belos was uniting us!

Me: No he wasn't! He was going to kill you all! He was pure evil!

Felicia Wittebane: That's right Odalia!

Odalia saw Felicia.

Felicia Wittebane: My ancestor was a monster that was going to kill all demons and witches no matter what! He killed his own brother in cold blood and because of that he was cursed! He did all sorts of horrible atrocities and he didn't care who lived or who died as long as he was going to destroy everyone in the demon world! I couldn't let that happen! Especially to Amity and Luz and their friends!

Odalia: You don't understand!

Felicia Wittebane: No YOU are the one that doesn't understand! Belos poisoned your mind with lies all for your own selfish greed! You don't care about your own children or your husband or anyone else other than your own selfish desires! Now it's time to put you in your place!

Nico: That's for sure!

Xenia: YEAH!

But Odalia would not listen to reason!

She went at us and Amity kicked her down.

Albedo turned into Negative Eon.

Negative Eon: Hope you guys don't mind that I use this.

Me: Not at all Albedo.

Nico: That is awesome.

I fired waves of fire and blasted her down.

Negative Eon fired a time ray and it hit Odalia and aged her to where she looked like a 150 year old woman.

Nico: Nice!

Then, Luz and Amity fired two powerful energy beams at Odalia Blight, and they exploded with incredible power as they hit her, killing her for good and she was incinerated. Then, as her spirit appeared, Luz and Amity drew the Judgement Kanji on her forehead, and she was found guilty by ever witch that died at Emperor Belos' hand and at her hand, and she was being erased from existence.

Odalia Blight: NO! NO! DAMN YOU, DAMN YOU BOTH, AMITY AND LUZ! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

Odalia Blight was erased from existence for good. Amity and Luz powered down, and their new bodies, clothes, weapons, jewelry, and massive angel wings are permanent.

Nico: That's it for her!

Me: But we're not done yet.

Out came a figure and it was a black version of EON! It was ANOTHER EON!

Me: WHOA! Another Eon! This is a first!

Qin: Yeah! Eon was a bad one!

Camie: He sure was from the looks of it!

Another Eon: (In a girls voice) But it's good to see you again J.D.

Me: (Gasp) Camille Lemmington?

Another Eon: Good to see you again J.D.

Me: Same to you but I didn't expect you to be a Chronian.

Another Eon: Is that what I am?

Me: Yeah. They are time controlling aliens.

Another Eon: Wow!

Me: Yeah.

Nico: How do you know her J.D.?

Me: She is a superhero girl.

I pulled out a comic for her. She was called the Star Bikini Angel. She was a blond hair girl with a smoking hot purple bikini on and she had purple angel wings and had the powers of the stars.

Nico: Oh wow! That is amazing!

Qin: So awesome!

Me: Yep.

Maria: Did Swartz promise you anything?

Another Eon: Actually no. He passed out from me seducing him to let me go. I flew off before he woke up.

Me: Ooh! Used your feminine charm. Nice.

Nico: Clever.

Another Eon: That's true there.

Sakura Valencia: It sure is.

Vakama: Yeah!

Me: This will be awesome. Sorry we have to fight like this.

Another Eon: No worries. But that was awesome fighting Odalia.

Luz: Thanks. It sure was.

Nico: (takes out Warp's Ridewatch) Let's start things off!

Nico activated it and he fired a time ray and she dodged it and I flew into the air and slashed Another Eon down and fired waves of blue fire and smashed her down.

Qin: Oh yeah!

Xenia: So cool!

Luz: That was amazing!

Vakama: My turn!

He activated Pyro's Ridewatch.

He fired a massive blast of fire and smashed her down.

Me: YEAH!

Nico: That one burns!

Laney: It sure does!

Twilight Sparkle: YEAH! Time for me! (ACTIVATES KAOS'S RIDEWATCH)

She fired waves of fire and water and smashed her down.

Nico: We actully have faced Eon before.

Another Eon: I heard about that. That was awful!

Me: It sure was.

Another Eon: He tried to erase your memories before the 20 Days of Darkness didn't he?

Me: That's right. But his powers didn't affect me and Eli.

Eli: No they didn't.

Qin: That monster was evil to the brink.

Camie: Whoa that is bad.

Nico: Although the mascots wrote everything down.

Me: Yeah.

Another Eon: Very clever. Like a trail of bread crumbs.

Qin: Yeah.

Laney: Very smart too.

Xenia: It sure was.

Tsuyu: Yeah that was genius.

Nico: Now, where were we?

Me: Right here.

I fired waves of blue fire and smashed her down.

But then a figure appeared and it was NUMBER 85: CRAZY BOX!

Me: Whoa! Number 85: Crazy Box!

Qin: Wow!

Sunset Shimmer: This is interesting.

Number 85: Crazy Box: (In a girls voice) Looks like this is getting good.

Nico: Jeanne Xennoxia!? Wow!

She reverted back and she had a black dress and had blond hair that was braided.

Jeanne Xennoxia: Good to see you again Nico. I got this.

She fired waves of energy and Camille was back to normal and I caught the ridewatch and purified it and I went over to her and picked her up. Camille was back to normal and she had purple hair, a smoking hot purple bikini and had purple star angel wings.

Camille Lemmington: (GROANS) What a horrible headache.

Me: But you're back to normal now.

Nico: That was awesome though.

Nico: We should get you some clothes.

I put a robe on her.

Camille Lemmington: Thanks.

Jeanne Xennoxia: But that was cool.

Vakama: It sure was. What's your favorite memory of Nico?

Jeanne Xennoxia: My favorite is when me and Nico were partners and we solved the worlds largest crossword puzzle and we solved it in less than 5 seconds and won the national championship.

Nico: That was awesome.

Qin: I remember seeing that. That was cool.

Eli: WOW!

Nico: Yep.

Nico and Jeanne hugged.

Nico: I've missed you Jeanne.

Jeanne Xennoxia: Me too Nico. Me too.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Tahu are heading to Poveglia, an abandoned vine-covered island five miles off Venice, Italy, and not only is Lincoln going to rescue the four girls here, but we're also going to exorcise the island of the dark spirits that've haunted Poveglia for over 1,000 years and help the trapped good spirits rest in peace.

Lincoln: Whoa, we're here in Poveglia, an abandoned vine-covered island five miles off Venice, Italy, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to exorcise the island of the dark spirits that've haunted Poveglia for over 1,000 years and help the trapped good spirits rest in peace.

Rei Vedovanera: (Italian Accent) Oh man, out of all the places in Venice, Poveglia is one place that has a haunted reputation going back to The Middle Ages.

Nico: Yikes!

Lincoln: And we're going to hear a lot about the island's history, and thanks for joining us, Tahu.

Tahu: You're welcome, Lincoln. So, what's the history behind Poveglia?

Rei Vedovanera: (Italian Accent) You're not going to like this one. In 1347, The Black Death was in Italy and was causing a lot of deaths here in Venice and all of Italy, and in order to do something to stop the spread of the plague, the officials began sending boat after boat of infected people here to Poveglia, and it's right here that thousands of them have died. Thus, giving rise to its name as The Island of No Return.

Me: Jeez.

Rei Vedovanera: (Italian Accent) But, it got worse, in the 19th Century, the people built a hospital on top of the Plague Pits of those who died here in the 14th Century due to The Black Death, and during that period, more people had died here from the so-called cures of the doctor who ran the hospital and from getting cremated in The Crematorium.

Nico: Man, this place is definitely an island of death.

We then arrived at Poveglia, and we felt all the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and the dark spirits aren't going to leave Poveglia that easily, but we sucked in and absorbed all of the negative energy that's festered in Poveglia for over 1,000 years.

Morgana DeRose: And it's made the dark forces of Lucedio even angrier than ever, but it's weakened them, and now, it's time to use our exorcism method.

Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground and it surrounded Poveglia. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces of Poveglia were roaring in anger as they were eventually forced out of Poveglia and are put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Poveglia has been exorcised for good and the magic circles disappeared.

Me: Wow, that was one awesome exorcism.

Laney: And thanks to the exorcism, Poveglia is now finally calm.

Lucy Loud: And all the trapped good spirits and the tormented spirits have finally been freed, and the suffering they've endured for over

1,000 years has been lifted.

Rei Vedovanera: (Italian Accent) Though Poveglia has been freed from the darkness, this land will not receive any visitors because what'd happened here has left a truly dark stain here.

Lincoln: That's right, Rei, but, we're not done yet, there's still the girls we need to rescue, and there's bound to be another one of Angela's zombified demon minions about to attack right… now!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of demonic growling in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Suzanne who's in her zombified demon form and she's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by Suzanne who's in her zombified demon form and she's going to kill them.

?: (Girl's voice) Angela's gone too far this time!

?: (Girl's voice) And we need to stop her!

Suddenly, we saw Kamion the Timelord and Zaborg the Thunder Monarch appear before us.

Nico: Whoa, that's Kamion the Timelord and Zaborg the Thunder Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Camie Emperyous and Nika Zaborg, but we'll talk later, we've got to stop Suzanne.

We rushed on over, and right before the demon Suzanne could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Helen, and that allows the four girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Suzanne, and when the demon servant of Angela Franklin saw us, she growled in demonic anger.

Lincoln: I should've guessed we'd run into you here, Suzanne, but we already dealt with Sal Romero, Jay Jansen, Max, Frannie, and Helen when they were sent by Angela Franklin and set them free from Angela's influence, we'll be ready for her when the day comes. But, now it's time we got rid of you.

Then, we fired blasts of light which hits Suzanne, and it removes Angela's demonic influence and she was restored to normal form, but she was still dead. But, she was finally freed from Angela's demonic influence, and she was able to ascend to Heaven, now freed from the shackles of the demon. We cheered wildly as we holster our weapons and powered down.

Lincoln: That's another haunted location exorcised and another of Angela's minions put to rest for good. (To Camie Emperyous and Nika Zaborg) And it's good to see you again, Camie Emperyous and Nika Zaborg.

Camie Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she had massive and beautiful yellow angel wings with stars in them, and she was dressed in a sleeveless yellow midriff top, long yellow skirt with the Sephiroth Tree of Life on it, yellow pants, yellow legwarmers, yellow knee-high high-heeled boots, and long white sleeveless trenchcoat with earth and angels on the coattails and Kamion the Timelord on the back and holstered on her back is a large Kamion the Timelord-themed greatsword with Kamion the Timelord etched on the 7'0" massive, wide, double-edged yellow blade, large yellow angel wings for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large yellow angel wings and a large yellow gem below the angel wings for the pommel.

Camie Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, Sadie, Rachel, Michelle, Melanie, and Laney.

Nika Zaborg: Same with you, Charlene, Varie, Alina, Raven, Luna, Dawn, Darcy, and Gina as well, Hilary.

Hilary Thestalos: You too, Nika.

Selene Emperyous: Same here, Camie.

Lincoln went up to Camie Emperyous and Nika Zaborg and he hugged them both and they hugged him back, and Camie Emperyous and Nika Zaborg were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Camie Emperyous: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nika Zaborg: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Camie Emperyous, she's my Guardian Angel from Michigan and the fourth youngest child and one of the two Earth Masters of the Emperyous Sisters, Camie has incredible Earth Powers and she's also the fastest and psychic of the Emperyous Sisters, because she has the power to predict when things are going to happen and she's even an awesome scientist and Lisa respects her too.

Nico: Whoa, now that's really awesome!

Selene Emperyous: You got that right.

Lisa Loud: Her passion about science and having the power to predict anything that's going to happen truly intrigued me. Plus, she also hates Luan with a merciless vengeance.

We gasped.

Lincoln: I still remembered what Camie did to Luan long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Nika Zaborg, she's my Guardian Angel of Earth and Rock from Michigan and my friend from Science Class, Nika's a powerful lightning user and she has amazingly powerful lightning powers, and she has the power to fire lightning at an infinite level of volts.

Nico: Whoa, now that's really awesome!

Me: It's like she's a true angel of lightning.

Lincoln: That's just what I also said, but she also hates Flip with a merciless vengeance because of what he did to her long ago, and she wants to make him pay for his crimes.

Nico: Uh oh, so we got two revelations coming up: one's about Luan and the other is about Flip.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appear around Camie Emperyous' neck and Nika Zaborg's neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Camie Emperyous and Nika Zaborg: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Camie and Nika.

Camie Emperyous and Nika Zaborg had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Hitori Gotou, Nijika Ijichi, Kita Ikuyo, and Ryou Yamada from Bocchi the Rock.

Lincoln: Oh wow, it's Hitori Gotou, Nijika Ijichi, Kita Ikuyo, and Ryou Yamada from Bocchi the Rock.

Nicole: Awesome.

Lincoln: Are you girls okay?

Hitori Gotou: Yes, we're okay, thanks to you.

Then, when Hitori Gotou and the three other girls saw who it was that saved them from Suzanne, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many

Hitori Gotou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the

necks of Lincoln and his clones, and we cheered wildly at the scene.

Hitori Gotou: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Hitori Gotou, Nijika Ijichi, Kita Ikuyo, and Ryou Yamada with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Poveglia and helped all the spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Suzanne, another victim who was turned into a demon by the Demon of Hull House and started the whole nightmare.

But, when Lincoln showed what we did in freeing Suzanne from Angela's influence and helping her finally cross over, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Camie Emperyous, and Nika Zaborg have a lot of catching up to do, now that they're back in town. But, they've also been made aware that Angela Franklin is planning her return on Halloween, but we're going to make this her last Halloween when the day comes.

Maria: So, that's another haunted location exorcised and freed from the dark forces and another of Angela's zombified demon minions/ victims freed from her influence and sent back to the Afterlife.

Lincoln: Yep, and that's what we're going to do until Halloween arrives.

Nico: And once Halloween arrives, Angela will make her move, and then, it'll be lights out for her for good. Plus, I didn't think Suzanne would be the next one to show up.

Lincoln: Me neither.

Me: But, if I remember right, Suzanne was the first of the group to be possessed by The Demon of Hull House, and then, when she infected Angela, that's when the whole nightmare began.

Nico: Yeah, that's right, now I remember. And it all stemmed from that séance they did.

Lincoln: Which was all Angela's idea, and the other knew it was a bad idea, especially with it being Halloween and they were in Hull House which was possessed by a demon.

Brittney: Messing with this sort of thing was never a good idea, especially on Halloween and when in a house that's been possessed by a demon, and look at what happened.

---

After we exorcised the the dark spirits from Poveglia and freed Helen from Angel's demonic influence, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Camie Emperyous and Nika Zaborg saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Camie Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Nika Zaborg: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Camie Emperyous: That's incredible.

Nico: It sure is. So, Camie, Nika, what are these two horrible revelations you have on Luan and Flip?

Camie Emperyous: Allow me to go first. Luan did a bunch of really horrible pranks on Lincoln in a maniacal bout of rage over a comedy act gone wrong when someone said that her act was not funny, which were the words no comedian ever wants to hear that. Luan snapped and went ballistic and she hurt her brother Lincoln so bad that he was in the hospital for days, and because of that, Luan earned both my wrath and vengeance and I want nothing more than to mount her head on a pike for what she did.

We gasped in shock.

Nico: Why, that psychotic, ballistic, good-for-nothing… !

Lincoln: Yeah, and Camie took me to the hospital where I was put into a full-body cast, and I was really scared of Luan for what she did.

Selene Emperyous: After she told us about what happened, we were all really pissed off at what that psychopathic prankster to Linky, and we wanted to rip her to shreds. But, Camie really wanted to do more than that, she wanted her head mounted on a pike!

Nika Zaborg: I always knew Luan would one day snap and go on a psychotic pranking spree, but to do what she did due to a comedy act going wrong and someone opening their big fat mouth telling her those words and to her own brother, Luan was literally asking for it. Okay, now it's my turn, the reason I hated Flip with a vengeance and wanted to make him pay for his crimes, it wasn't just all the other crimes he committed… he… (Voice Breaking) he conned my family out of all our money and made us dirt poor and homeless, and I vowed to kill him to get revenge.

We gasped in horrifying shock, except for me and the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Nika Zaborg and hugged her, while she hugged him and cried onto his bare chest.

Nico: (Gasps) Why, that ugly, hairy, no-good, greedy, stupid mutant asshole!

Me: I remembered that day, and when Lincoln and the Louds found out, including me, we all swore to make Flip pay for what he did to Nika.

Nico: Flip went way too far that day. Nika, are your parents still around here?

Lincoln: No, Nico, two weeks after Nika and her parents lost all of their money thanks to Flip conning them out of everything, Nika's parents committed suicide and she was left all alone.

Nico was horrified.

Nico: (Horrified) My God.

Nika Zaborg felt Lincoln's massive and muscular body shake with undeniable fury, and his muscles bulged even more and she saw veins in his biceps and abnormally massive and muscular arms, and she saw his rainbow energy aura with elemental forces and mythological animals flare up.

Lincoln: Flip crossed a serious line that day, he not only conned Nika and her family out of all their money and made them dirt poor and homeless, but Nika's parents committed suicide and left her all alone. Forget about Nika killing him, he'll be begging for death by the time I get through with him!

We gasped at the sheer extent of Lincoln's fury: Flip had signed his own death warrant for what he did six years ago.

Me: Oh crap.

Lori: Flip's going to be begging for death after Lincoln literally gets through with him.

We got a shower afterwards, and then, Lincoln, Kei, Yuri, Kyoko, Misako, Bayonetta, Litchi Faye Ling, Makoto Nanaya, Rachel Alucard, Noel Vermillion, Hsien-Ko, Felicia (Darkstalkers), Morrigan Aensland, Princess Allura (Voltron: Legendary Defender), Chronoa, Team RWBY, Emerald Sustrai, Dew Gayl, Panty and Stocking Anarchy, Asuka Kazama, Lili De Rochefort, Ajna, Blaze Fielding, Tyris Flare, Ranamon, Jolyne Kujo, and Cassandra Alexandra are getting ready for the next harem bonding session.

Lincoln: This is going to be so awesome.

Ruby: You said it, Linky. Plus, today, you're going to exact Nika Zaborg's well-deserved payback on that mutant cheapskate, Flip.

Chronoa: After what he did in conning Nika and her family out of all their money and making them dirt poor and homeless, which also resulted in her parents committing suicide due to depression, it's been a long time coming.

Lincoln: Yeah, you're right.

Lincoln, Kei, Yuri, Kyoko, Misako, Bayonetta, Litchi Faye Ling, Makoto Nanaya, Rachel Alucard, Noel Vermillion, Hsien-Ko, Felicia (Darkstalkers), Morrigan Aensland, Princess Allura (Voltron: Legendary Defender), Chronoa, Team RWBY, Emerald Sustrai, Dew Gayl, Panty and Stocking Anarchy, Asuka Kazama, Lili De Rochefort, Ajna, Blaze Fielding, Tyris Flare, Ranamon, Jolyne Kujo, and Cassandra Alexandra head to Lynn's Table for a little humiliation on the jerks, and Lincoln saw Flip was snoring, and he glared at Flip.

Lincoln: Tyris, mind waking Flip up and be sure to burn his three-cheeked butt.

Tyris Flare: Gladly.

Tyris Flare fired a blast of fire and it hits Flip on his three-cheeked butt and he screamed in pain as he woke up and it pissed him off, as he was about to yell at them, but Lincoln glared fiercely at Flip

Lincoln: Don't you dare glare at us, fatso! You've had this coming for a long time especially when you were the one who conned Nika Zaborg and her family of all their money and made them dirt poor and homeless six years ago!

Chronoa: And now, your actions have come back to haunt you.

This horrified Flip: now he was in a ton of trouble.

Lincoln: Let me go first.

Lincoln charged up a massive ball of Rainbow Super Lightning and he was aiming it dead on at Flip, and he fired it and when it hit Flip, he was brutally electrocuted with an infinite level of volts, and it caused him to belch and fart out tons of coins and jewels.

Yang: Whoa, now that was brutal, Linky.

Lincoln: Flip had this coming for a long time, and before anyone asks, Nika let me feed on her blood, and now, I can fire lightning at an infinite level of volts.

Kei, Yuri, Kyoko, Misako, Asuka Kazama, Lili De Rochefort, Ajna, and Blaze Fielding were up next and they pulverized Flip badly and Blaze Fielding kicked Flip hard in the crotch, and he still felt the pain of what happened from long ago.

Lincoln: Ooh, nice one, Blaze. Okay, who's up next?

Bayonetta: (British Accent) Allow me, darling.

Bayonetta summoned her main Infernal Demon, Madama Butterfly, who proceeded to flatten Flip and the other jerks into pulp, and that caused them to belch and fart out tons of coins and jewels.

Lincoln: Should've known you'd summon your main Infernal Demon for this one, Bayonetta.

Litchi Faye Ling, Makoto Nanaya, Rachel Alucard, and Noel Vermillion fired elemental blasts at the jerks, and they got electrocuted and burned, and that caused them to belch and fart out tons more of gold coins and jewels.

Hsien-Ko, Felicia (Darkstalkers), and Morrigan Aensland fired blasts of darkness at the jerks, and they got attacked by the creatures of the night, who clawed at their faces leaving scars on them.

Princess Allura (Voltron: Legendary Defender), Chronoa, Jolyne Kujo, and Cassandra Alexandra fired blasts of lightning at the jerks and electrocuted them, and they belched and farted out more coins and jewels.

Lincoln put targets on the jerks' heads, and then, Team RWBY, Emerald Sustrai, and Dew Gayl fired elemental blasts at the jerks which formed into anvils which landed on the targets on their heads and more coins and jewels came out of them.

Lincoln: Classic trick: anvil landing on someone's head.

Tyris Flare fired blasts of fire at the jerks and they got incinerated badly, and that caused them to fart out even more gold coins and jewels.
